

FINANCIAL MANAGER OF FINANCE IN FRANCE DESIGNS

Louis Loucheur Fails to Solve Problems Surrounding Stabilization of Franc; Socialists Cause Downfall.

(By the Associated Press) PARIS, Dec. 15.—(AP)—Louis Loucheur has resigned as financial manager, feeling that it is impossible to carry on in the face of the determined hostility of the finance committee of the chamber of deputies and that in face of the clear duplicity of his financial manager...

PARIS, Dec. 15.—France's financial troubles today caused the downfall of the fifth minister in the present cabinet with them during the past eight months. Louis Loucheur, an old politician, to resign yesterday...

Socialist Foes The socialists were the most insistent advocates of the measure, leading the fight against any consideration of the measure he proposed.

Letter to Briand In a letter to M. Briand, the finance minister, Loucheur has admitted that his measure, twice rejected by the finance committee, involved a heavy sacrifice of principle...

Four Men Buried in San Francisco When Building Wall Caves

Efforts Being Made by Police and Firemen to Extricate Workers Covered by Tons of Brick and Water.

SAN FRANCISCO, Dec. 15.—(AP)—Four men were buried and probably crushed to death when a masonry brick and frame building at Eighth and Mission streets suddenly collapsed into this afternoon. Two men reported buried beneath one of the debris only slightly injured.

The building collapsed when the wall next to a lot was being excavated fell in. The four men buried were working in a trench at the base of the wall. They were employed in the construction company. Two were carpenters, the others were laborers.

SAN FRANCISCO, Dec. 15.—(AP)—A San Francisco Police officer today works at 1339 Mission street, a one-story building, collapsed without warning today in an excavation along the building, burying four men. The victims were: W. J. Stewart, D. Lynch, George Alexander and one of the workers, identified as Rudy B. Trecker, proprietor of the building.

PROHIBITION FURNISHES VEHICLE FOR FIRST EXTENDED DEBATE IN THE SENATE DURING THE PRESENT SESSION OF CONGRESS

WASHINGTON, Dec. 15.—(AP)—Prohibition was a vehicle for the first extended debate in the senate at this session. For more than three hours the vote cast and amended and defended with a number of senators joining in the running fire of discussion.

BRITISH GIVEN MUSLIM RIGHTS

Council of League of Nations at Session Vote to Let Nation Have Oil Properties. GENEVA, Dec. 15.—(AP)—Mysticism must be the legacy of nations which have recently been warring against one another and native Araba hostile feelings towards the British empire...

Turkey Gets Strip. Turkey, it is said, will get a narrow strip to the north. In other words, the postwar frontier between Turkey and Iraq had been agreed upon.

While the officials were making this statement they were also making a new bill, Twelfth B, by the Turkish foreign minister, sent to the Turkish cabinet for its consideration.

COMMERCIAL AIRCRAFT BILL ACTION DEFERRED AT SENATOR'S REQUEST

WASHINGTON, D. C., Dec. 15.—(AP)—Action on the Stinson commercial aircraft bill was deferred by the senate today at the request of Senator Robinson, the democratic floor leader, after a brief discussion of the provisions.

Indications were that final action on the bill today which the commerce commission asked early consideration be delayed because of the disposition of the bill by the president's air board and the world court proposals the right of way.

STROCK MURDERER, DISMISSED BALD LAKE CITY, Dec. 15.—(AP)—James D. Chamberlain, former deputy sheriff and mercantile employee, has been dismissed from the service because he struck Ralph W. Beybold, a deputy sheriff, in the face with a brick while being handcuffed by the aide of a deputy sheriff.

MONTPELLIER YOUTH DEAD MONTPELLIER, Idaho, Dec. 15.—(AP)—Carl Anderson, 24, died today from injuries received yesterday when he stepped from a horse while leading animals in the study of a local sheep skull-carrying death.

first year after prohibition of the prohibition amendment. Senator Willis and Senator Mc-Kellar, democrat, Tennessee, disputed that these figures indicated an increase in drunkenness. The Tennessee senator said that in pre-prohibition days many drunken men could be seen on the streets of Washington, but that since prohibition the sight of a drunken man was rare. Senator Howe repeated that the all-day drinking was done in the saloons but now is done in the home.

Reclamation Parley Brought to Close; Agree Upon Methods

Western Congressmen Discuss Ways and Means of Helping Settler on Arid Lands. WASHINGTON, Dec. 15.—(AP)—The reclamation conference concluded its session today at the interior department with agreement on the broad principle that differs should be given aid but differing in ways and means to bring this about.

Wisconsin Man Who Took Place of Father in Senate Will Remain a Progressive. WASHINGTON, Dec. 15.—(AP)—Both before and after the session, Senator LaFollette of Wisconsin, gave public notice that he would adhere to the "progressive principles" of his father who was read out of the party a year ago by the senate old guard.

Immediately upon receipt of the young senator's letter, Chairman Watson called a busy meeting of the committee on committee. After hearing the letter read the members held that it was not to be construed as changing Mr. LaFollette's party status within an hour of the senate approval without debate or a record vote on his assignment to the committee as a republican.

LAFOLETTE TO FOLLOW POLICY

He told the senate that his statements were accurate and would be understood by any fair-minded person. He said that he would follow the policy of his father who was read out of the party a year ago by the senate old guard.

Brigadier General Hugh A. Drum, Assistant Chief, Denies He Gave Misleading Information to Congress. WASHINGTON, Dec. 15.—(AP)—Brigadier General Hugh A. GAINS 18 POUNDS, FEELS TWENTY YEARS YOUNGER

"That's Why I Take Off My Hat to This Remarkable New Medicine, Karnak," Says Grateful Ogden Man.

"I'll tell the world this Karnak has made a clean sweep of all my troubles and got me in the pink of health— I've gained 18 pounds and feel like a new man."

See the remarkable testimonial paid this excellent new medicine by Peter Kinyon, 203 27th St., Ogden, Karnak.

"Yes, Sir, this Karnak is worth \$15 a bottle— adds Mr. Kinyon— "It's a head and shoulders above anything I ever heard of."

"For more than three years I was in terrible condition from kidney and bladder trouble, and my stomach was all out of gear, too. I had to get up eight or nine times a night, and the pain across my back was something I'll never forget."

"I tell you my digestion was so poor that everything I ate would be in my stomach and sour and burn like red hot coals. I would have heartburn and night stomach, would sweat and belch gas. My tongue would get all coated, and I'd have the worst kind of headache and dizzy spells. I'd spend you I was just in three tough years. I was losing time from my work, and had about given up hope of ever finding any relief when this Karnak came along."

"I'll tell you— this Karnak has made me feel like a happy man of 36. Six bottles did it. My kidneys and bladder don't bother me any more, and there's not a trace of stomach trouble left. I can eat anything I like a top, and just feel like a fighting cock from head to tail. Day after day my back just aches somebody about Karnak— just send 'em to me fast! I never get tired talking about this remarkable medicine."

Karnak is sold in Twin Falls by Behrman-Johnson Drug Store and leading druggists everywhere.

SCHOOLS SIGN PEACE TREATY

University of Washington and Stanford to Resume Athletic Games Following Parley.

SEATTLE, Wash., Dec. 15. (AP)—A treaty of peace was signed here today by athletic representatives of the University of Washington and Stanford University, and endorsed by Henry Suzzalo, president of Washington. The treaty was designed to clarify the situation created by charges made by President Ray Lyman Wilbur of Stanford that Washington players had been found to use illegal roughness in games this fall against Stanford and the University of California.

The treaty provides for an impartial committee of three to select officials for future games in which both universities participate and contains the following statements:
"Stanford University, on its part, states that its sole interest was in developing such conditions that officials can be so appointed that they will be independent, unbiased and effective and that it had no intention to imply blame or players were guilty in any game of intentional violation of rules."
"The University of Washington on its part desires to express its appreciation of the initiative and cooperation manifested by Stanford University at all meetings of the Pacific coast intercollegiate athletic conference where matters vital to the safeguarding of good sportsmanship were fully considered."

OREGON UNIVERSITY GETS A NEW COACH

ROSENBERG, Ore., Dec. 15. (AP)—Captain John J. McTwin, football coach at the United States military academy for the last three years will be the new coach at the University of Oregon.

Captain McTwin was chosen from a list of more than 100 names all over the United States who were considered for the post.

"Captain McTwin will be on the campus all year but will coach football only," said Virgil D. Earl, director of athletics. "He is at present at Fort Hico and it will take a few weeks for him to wind up his affairs. He will be here for spring practice."

DUMB BELLS

BENEFIT GAME TO BE PLAYED

All Eastern and Western Teams to Meet in Football Contest at San Francisco.

SAN FRANCISCO, Cal., Dec. 15. (AP)—The western team of football stars will meet an all-eastern eleven in a benefit game here December 20, will be some definite proposition tomorrow as the squad swings into its first practice session. The contest is being put on by the Starliners and the proceeds will go to the Clippard Children's hospital.

After several weeks in assembling a squad of former Pacific coast college gridiron warriors, coaches "Doc" Spruitt and George "Pat" Lathrop issued their training call today. One group of players will take an opening workout here while another will get into action in Los Angeles, California.

Although the squads will be training for several days at distant points each will function on the same plays and signals.

This was made possible when the coaching staff here forwarded duplicate copies of signals and formations to the Los Angeles group.

The workout here tomorrow will bring "Blick" Muller, Glen "Neeno" Charlie Esh and Talma "Tut" Imley, all former University of California stars; Jack Patrick, Lacey and Buck Bailey. Lacey was an all-star player while attending the Oregon Agricultural college and Patrick was a stellar performer at Stanford.

INTERCLASS GAMES FAST

Seniors and Juniors Take Contests From Underclassmen; Semi Finals Tonight.

The second-night of the boys basketball series brought about a surprise result in that the Freshman team, after an extra period of play 13 to 12. The Freshman team looked on easy winner in the first half of the contest and played rings around their opponents but the underclassmen came back strong in the last half and tied the score at the end of the regular period in the three minute extra period a double foul on Freshman and Owens resulted in the Freshman gaining one point lead. But a minute later a Junior forward looped a long one from the center of the floor for the winning point. It was a nice contest to watch. Billie Martin and Alvin Knight the two Freshman forwards are comers and should have little trouble in finding a berth on the Blue and White squad this season.

The Senior aggregation easily overpowered the team from the Sophomores 25-17. In a game that was all the upperclassmen's from the start. The Senior team should walk away with the tournament in nice shape although the Freshman team will give them some trouble for they both play the same style of ball and both aggressive are fast. The upperclassmen will have the big advantage of experience with Johnson, Eddie Martin and Potter. Johnson seems to have found his shooting eye for the season and was looting them in from any position Tuesday night. Eddie plays a fast heavy game at forward and is a valuable man on the team. Potter plays a nice game at guard and can hit the basket when the opportunity comes. Tonight's game will determine the new winning team that will play on Thursday night for the championship.

High School Notes

Signs: What kind of a school if everyone in it was just like me?

The Coyote staff held its first meeting Monday afternoon. Superintendent Bloom brought up the problems which would confront the staff and emphasized economy as of prime importance. Miss (Ma) Coates and P. M. Goodrich, faculty advisors, were present. Another meeting will be held today.

The list of girls from which the first, second and third girls basketball teams will be chosen has been announced by Coach Billie Henders as follows: Ruth House, Irma Her, Leona Guttery, Dorothy Linton, Elma Newberry, Karen Newman, Regan Jenkins, Beth Piler, Ruth Caldwell, Margaret Harris, Louise Smith, Dorothy Salling, Ruby Finch, Ruth Van Asselen, Edith Taylor, Jennie Haines, Leola Beck, Vera Van and Edith Fisher. The list of girls on the first team of varsity squad will not be announced until after the holidays, although the girls will be in training and will have two or three practices before that time.

Blue Triangle girls will send boxes to needy families this year at the Christmas season. Jane Maxwell, Esther Clark, Peggy Wall, Jennie Krickank and Patricia Wilson will each lead a group of thirty girls who will prepare for this. These groups are meeting this week to make arrangements, and Philiphina and Freshman clubs will also prepare boxes.

The thirty-eight girls of the Ring Club have practically finished the requirements of the first semester work toward their grades. Thirty one have taken their physical examinations and eighteen have had their dental examinations. Eight health essays have been turned in, and among them "The Sun," "Hygiene," "Eating for Health and Pleasure," and "The Miracle," are especially good.

Report from Superintendent Bloom's office for the first six weeks period shows in the high school a total enrollment of 600 with an average daily attendance of 617. This is a 97.4 per cent perfect attendance. The record set since the first term were 81 and the days absent for the entire period.

The Junior schools show an enrollment of 220 students with an average daily attendance of 347.3 making the

percentage of attendance 97.3, one fourth of one percent lower than in the senior high school. The record card of tardiness covers last 40 and the total number of days about 200. In the grade schools the percent of attendance was 91.11, being 6.21 percent of the school enrollment. The Washington school ranks first in attendance, being among all the schools of the city and the lowest in punctuality, while the Hinkel is first in punctuality and lowest in attendance. The total number of students enrolled is 2529 in all schools, which means 8270 days of possible school attendance for all pupils. With a total of 2369 days of absence and 15000 of non-enrollment 7 percent of the total school days were lost through absence from the school term.

A CORRECTION.

WHEAT PRICES
AND ADVANCE

Market Whirls Upward During
Wild-Session on Chicago Exchange
Closes Strong.

CHICAGO, Dec. 15. (AP)—Wheat prices rallied upward 5 1/4 to a high of 1.10 a bushel chiefly as a result of huge crop losses in Argentina officially confirmed by the Argentine government. Big volume buying of Canadian wheat was also factor. The Chicago wheat market closed at 1.10 1/4 for the day's top figure, 3 5/8 to 5 1/4 net all weather, new state, December 4.71 7/8 and new 4.10 3/4 to 4.10 1/2, with corn 3 3/8 to 3 7/8 up, oats at 58 to 54 1/2 c and provisions varying from 10 to 15 cents higher.

Emphasizing the effects of the Argentine government crop report and of the simultaneous expansion of European demand, speculators sold wheat that the world wheat situation is stronger statistically than last year when production fell, but that it is almost incredible height. According to the trade leader, the world wheat situation for 1925-26 is 100,000,000 bushels compared with 72,000,000 of 1924-25. Under such circumstances the value of wheat in Chicago were quickly depleted from the market. Speculation in the wheat market here was very active and after two weeks out that 2,500,000 bushels to Canadian wheat had been bought today for export. The Argentine government report meanwhile dealt only with two provinces, Cordoba and Santa Fe, but it was generally assumed that 47,000,000 bushels from last year and uncertainty as to what further damage would be inflicted by the complete report received today. It was estimated that the Argentine crop served to curtail selling here and to increase demand from buyers. In some quarters, however, it was believed that the main pressure of export offerings of wheat from Argentina in January would be entirely on the spot market.

CHICAGO, Dec. 15. (AP)—Wheat—Open, High, Low, Close. Wheat—109 1/2, 110 1/4, 109 1/2, 110 1/4. Corn—106 1/2, 107, 106 1/2, 107. Oats—104 1/2, 105, 104 1/2, 105. Soybeans—11 1/2, 11 3/4, 11 1/2, 11 3/4. Pork—17 1/2, 17 3/4, 17 1/2, 17 3/4. Lard—10 1/2, 10 3/4, 10 1/2, 10 3/4.

COOPERATE TO SPREAD CHEER ON CHRISTMAS

Churches and Fraternal and Civic Organizations Form Central Relief Agency for Third Year.

With view to extending Christmas cheer to needy families in Twin Falls is a whole may observe a joyous Yuletide this year, churches and fraternal and civic organizations, working through a central agency that was formed at a meeting of their representatives Tuesday evening at the hotel, took some steps in pursuance of a policy adopted three years ago, with complete success this year in distributing Christmas dinners and gifts and completing necessary shopping and food among minor needy families.

Distress on Decline
The number of families likely to require assistance at Christmas time this year may be much smaller than last year when about 50 families were found to be in distress largely because of lack of employment and severe winter conditions of the earlier year, according to Mrs. John H. Ault, who is acting as chairman of the central agency for two years.

Organization of the central relief agency was held Tuesday evening with the selection of E. H. Dunlap as chairman, J. C. Hoag, acting secretary, and G. M. Bollen, treasurer.

In order to carry out the spirit of the central relief agency, which is to see that there is no duplication of giving and that relief is provided, the agencies require lists of needy families. Lists of needy families have been collected and are being reviewed in the hands of the secretary. In cases where doubt exists as to the status of the family, investigation is to be made. It is noted that persons acquainted with persons or families likely to require assistance at Christmas time report to the secretary, and that those who desire to contribute money, food or clothing or other donation may do so at the office of the central relief agency.

Many Trees Planned

Several of the organizations participating in the central relief agency will provide Christmas trees and gifts for children, it was announced at the meeting Tuesday evening. The Elks lodge is preparing to distribute 100 Christmas trees, 100 years of age at a Christmas tree with Santa Claus and distribution of toys and candy. In the churches there are to be Christmas trees and treats for Sunday school pupils. The Salvation Army will have a tree for the Sunday school and for children in homes where relief is needed, and the high school will have a tree for the children with again entertain for children who might otherwise lack for Christmas cheer.

SUGAR COMPANY PAYS OUT OVER \$150,000

Total of \$152,000 was distributed among beet growers and laborers Tuesday by the Amalgamated Sugar Company through its officers here. Of the total amount \$130,000 was paid to beet growers and \$22,000 to employees and laborers. Another payment of \$100,000 is made on January 15, it was announced.

BOOKS MAKE BEST GIFTS
We have them for Old and Young Readers. Get the Best.

The Greater Guilt!

The plea of ignorance is a excuse in law. Nor does ignorance save the wrongdoer who is acting in the face of it. The sooner we shake the ungodly misery that human beings suffer as a whole for ignorance is appalling, especially when clean, wholesome knowledge about life is so easy to obtain.

In publishing True Story Magazine, Bernard Macriden has found a way to drive the ungodly misery about life as no other method could do. The reader of True Story has not only to read the stories of the men and women who have their lives in this amazing publication, to learn how frightful is the price paid by the weak, the erring, the foolish, but that transformed. Whether you are young or old you cannot afford to miss the 18 soul-stirring features in January True Story.

DENY BLAME FOR AUTO COLLISION

Stage Line Operators Seek To Place Responsibility For Crash on Woman Driver.

E. E. Smith and H. O. Merson, owners of a motor stage line and operator of a suit involved by Y. H. Drenth and his wife, Nellie Drenth, for \$2000 damages growing out of an automobile collision, deny that their motor stage struck the car driven by Mrs. Drenth and assert the facts to be that Mrs. Drenth was driving too fast and struck the motor stage passing it back for a distance of four or five feet, according to statement of Judge J. H. Drenth, who presided over the case for the defendants in trial in district court here Tuesday afternoon.

Juries were taken Tuesday morning into the scene of the collision at the intersection of Main street and Fourth street north, and to inspect the Onyx car in a garage here. The accident took place in the middle of the morning on the second day after the collision, were introduced in evidence by plaintiff's counsel.

Witnesses for the plaintiff, who testified that he had witnessed the collision, were John F. Coughlin and O. A. Bailey and H. H. Hamilton, who were on the scene soon after the occurrence. Dr. John F. Coughlin and O. A. Bailey, who testified as to the value of the damaged car and cost of repairs.

Depositions of Mr. and Mrs. Onyx, who are residents of St. Paul, Minn., and of Dr. T. H. Green of St. Petersburg, also were introduced in evidence.

Depositions of the witnesses for the defendants were heard before the court. Henry C. Peterson, of Seattle, officer of the motor stage when the collision occurred, reviewed the circumstances attending the crash, but the cross-examination by Frank E. Splan for counsel for the plaintiff, it was brought out that Peterson is an avowed veteran of the world war and that he had been severely wounded in action in France.

It is expected that the trial will close next of today.

VETERANS FAVOR CELEBRATION OF FOURTH OF JULY

Twin Falls American Legion Post Indorses Mayor's Proposal and Volunteers Cooperation; Names New Officers.

Twin Falls post, American Legion, will offer to June 24. In addition to support and cooperation in preparations of celebration of the Fourth of July in Twin Falls next year it was decided by unanimous vote at a meeting attended by nearly 50 members in an endorsement of the proposal, at which the post's officers for the coming year were elected and its building committee was authorized to take a proposed building site for a Legion hall and arrange for the Twin Falls unit of the United National Guard.

The veterans' vote for participation in a Fourth of July celebration came at an endorsement of the mayor's suggestion at a council meeting Monday evening that preparations should be made for the fourth celebration of the nation's birthday anniversary in a memorable manner.

Ralph Plink, who has served during the past year as vice commander, is to be commander of the post for the coming year succeeding Earl Mynum, resigning commander. He was elected by unanimous vote of the veterans' meeting. Other officers for the coming year were elected as follows: First vice commander, C. H. Heltzer; second vice commander, Craig T. Bracken; adjutant, finance officer, Wilbur Harbo; chaplain, Pay A. Rogers; historian, Harry J. Bracken; and secretary, Rudrick R. Smith; Americanization officers, J. L. Hodgins, service officers, H. G. Lauterbach.

Newly elected officers will be installed at a meeting of the post on the following evening.

Building Site Selected
Action on the part of the post with respect to acquisition of a building site was recorded after the meeting had heard reports by Earl Mynum, member of the building committee, and Harry Benni, member of a committee designated to negotiate for the post the purchase of the proposed site. Both recommended acquisition of property, 50x100 feet, at the corner of Third avenue and Second street, east on which a concrete incinerator and foundation, estimated to cost \$10,000, is to be constructed.

An entertainment program included musical numbers by members of the high school orchestra under direction of J. T. Bahringers, Frankfurters, luncheon and coffee were served "amny style."

D. W. JENKINS NEW HEAD OF ROYAL ARCH MASONS

Twin Falls chapter, Royal Arch Masons, at a meeting Tuesday evening in the Masonic temple, elected D. W. Jenkins to be high priest for the coming year, succeeding L. C. Gies, retiring high priest. Other officers were elected as follows: King, E. B. Johnson; secretary, H. E. Morse; treasurer, James W. Smith; and warden, C. H. Brown. Newly elected officers together with eight others to be appointed, are to be installed next Monday evening.

Just 9 Days until Christmas

DEATHS

MILLER—Funeral services were held in Salt Lake Tuesday for Press Earl Zane Miller, two months and two days old, son of Mr. and Mrs. E. E. Miller, 142 Maple avenue, whose health improved last Monday morning at the family residence here. The body was taken to Salt Lake by the bereaved parents.

HOLMES—Funeral services will be held at 3 o'clock this afternoon in the Christian church here for Donald Holmes, infant son of Mr. and Mrs. R. O. Holmes, whose death occurred last Sunday evening at the family residence at 1515 N. Main street, will be conducted by the Rev. D. D. Harter of the Christian church. Interment will be in the Park Falls cemetery.

USES KITCHEN UTENSILS FOR DISTILLING LIQUOR

Common kitchen utensils, according to federal prohibition agents, were used by the Knott for distillation of moonshine whiskey discovered Tuesday by the agents and representatives of the sheriff's force and police at the Knott residence on a two-acre tract of 7000 acres, a gallon of moonshine whiskey was seized, and two barrels that had contained moonshine were discovered. Knott is to be arraigned today in a state court here on charges of illegal possession of liquor. Based on their declarations on their discovery of an unusually large sassa par or kettle, the federal men reached the conclusion that Knott had made whiskey by means of a "vapor" system, placing a quantity of mash in the kettle with a receptacle in the middle to receive the liquor when it fell in drops as it condensed when the vapor rose in contact with an inverted lid full of cold water on top of the kettle.

HEARING DATE NEARS ON ENGINEER'S CLAIM

Trial tackle case of Earl J. Ahern against the Idaho Central Railroad company is expected to open late this afternoon in district court here. In this regard Ahern is suing for recovery of \$1500 on account of injury, reports and statistics furnished to the company and his organizer, the late George F. Baxter. In the event that he obtains judgment in the court here against the company, Mr. Ahern stated Tuesday evening, another suit is to be instituted in San Francisco against George F. Baxter, principal subscriber to the company's stock, for the amount of the claim.

Awards of the company were purchased from Stewart by a group of Twin Falls men as trustees to meet a condition provided to construction of the Ingham-Wells road by the Oregon Short Line.

BREVITIES

On Way to Return Idaho—D. Wilcox expected to return today from several days business visit to Auburn, California.
Real Builder Visits—A. N. Ashlin of Shoshone, visiting engineer for the day Tuesday on an official visit.
Here From Seattle—Henry C. Peterson, former resident of Twin Falls, and Mrs. Peterson are here for a few days on a visit.
Back From California—Mrs. Wilbur S. Hill returned the first of the week from a visit with friends and relatives in California cities.
Return from Salt Lake—Kenneth Beach, manager of the Idaho Department store, and Mrs. Beach returned Tuesday from a trip to Salt Lake.

Fair Winter Weather Continues Its Reign

Forecast for today—Cloudy; probably rain or snow north portion; no change in temperature.
It compared with 31 above on Monday. Temperature touched its high mark for Tuesday at 39 above, representing an advance of three degrees, according to the government weather observer's station here. Sunshine prevailed during most of the day. Low temperature was 20 above, which was a decline of a single point under the preceding day's minimum.

FOOTBALL BACKS TECH

Over 3000 membership cards in the "Four Year Tech Club" were signed at Pocatello last Saturday when a large and enthusiastic demonstration was held in the form of a parade in the interests of this movement to gain a four year term for the Tech.

A letter from John Robertson, a Tech student, to his father Thomas M. Robertson gives an interesting account of the club's activities.

At Christmas time nothing carries the Yuletide spirit like an useful gift. Shoes at this time are doubly appreciated as most every gown calls for a particular type of footwear. This Shoe Department is so complete that every style size and width can be found in our stocks.
