

### DRIFT EVADER FACES CHARGE

#### Grover Cleveland Bergdoll Remains in German Jail—Without Bail on Complaint.

MONMOUTH, Iowa, Germany, Feb. 17 (AP)—Grover Cleveland Bergdoll, American draft evader, remains in the Monmouth jail with the prospect of his formal trial on charges of immorality becoming stronger. He is held without bail.

The Italian attorney general, who is investigating the accusations against Bergdoll, today charged that he characterized these as extremely serious, but said that since they come from a source hostile to Bergdoll they will be considered with the utmost care.

In a concluding judgment, Bergdoll is said to have taken on automobile joy rides with young boys. The accusations against Bergdoll were made by a private detective named Macle, said to be a German-American who has fled in California. Macle has a young girl, whose name is in the environs of Heidelberg, were together in Switzerland. When her parents learned it is alleged she promised to marry her and even inserted a notice of an engagement in the newspapers.

Bergdoll's accusers assert, he came to an understanding with her parents, who were unwilling to testify against him.

The attorney general is also investigating charges involving young girls, whom Bergdoll is said to have taken on automobile joy rides with young boys.

#### Cooperative Marketing Scheme Becomes Reality With International Conference.

ST. PAUL, Feb. 17 (AP)—The plan of cooperative marketing for a world-wide organization of wheat pool units, designed eventually to market the bulk of the world's wheat, became a reality today at an international conference of wheat pools.

Unification and standardization of pooling operations and establishment of an effective clearing house for exchange of accurate information as to crops and supplies of grain was decided upon.

The conference was organized on a permanent basis to regulate marketing, either annual or semi-annual, by unanimous vote of 75 spokesmen for cooperative grain pools of the United States, Canada and Australia. Eight of the nine states wheat pools of the United States were represented. The Colorado pool was the only state not represented.

Canada sent 10 officers of her three

### NEW PUBLIC LANDS BILL IS PROPOSED

WASHINGTON, Feb. 17 (AP)—The House public lands committee today reported a bill sponsored by Representative Colton, Republican, Utah, to make the general public lands leasing law applicable to all public lands.

It would provide that the lease of known hydrocarbon lands would be limited to 25 acres, and prospecting leases of 640 acres.

Representative Colton said that at the present time there is no way to obtain leasing permits to such lands in the state and that almost all public lands are in other states.

# Western Harvester Co. Announces Big Reductions in Prices of "Holt" Harvester Parts

When the Western Harvester Co. was formed, it was hoped economies could be effected that might be passed on to "Holt" Combined Harvester users. That hope is now realized. Revisions of prices of harvester parts, applying both to present and past models of "Holt" Harvesters, with reductions in many cases 50%, and over, are now being made. New parts lists are being issued. The reductions are effective March 1st, 1926.

Thus do harvester owners profit from the carrying on of the "Holt" Combined Harvester business by an organization that is devoted exclusively to the manufacture and sale of combined harvesters. Thus do they profit from the improved manufacturing facilities of the new Company, from its enlarged production schedules, from its bettered sales and service facilities through an organization of high-grade dealers.

And thus is fulfilled a part of Western Harvester Co.'s pledge of a better product, better service and better user-satisfaction than have ever before been available to harvester purchasers.

The Western Harvester Co. has been formed to continue the development of what has grown to be one of the most important and successful Combined Harvester businesses of the country—a business brought by The Holt Manufacturing Company, during the past 40 years, to the point where further development demands this new, separate organization.

The Western Harvester Co. will manufacture the "Holt" Models 30 and 37 Steel Harvesters in the former Holt plant at Stockton. It will supply parts for former models of "Holt" Harvesters. It includes in its organization the men chiefly responsible for the successful design and construction and sale of "Holt" Harvesters in the past. The entire capital stock of this new company is owned by the Caterpillar Tractor Co., whose engineering and manufacturing experience are also available to Western Harvester Co.

## BRINGS TAKE JEROME GAME SCORE 26-20

Basketball Players From Northside Succumb to Work of Local Hoopsters; Both Teams Listless.

Twin Falls Bruins took a listless game from Jerome last night, 26 to 20. The battle started slow and failed to gather steam at any time during the game. Both teams appeared listless and tired and played basket ball accordingly. The Bruins ran up an early lead that was never threatened seriously but missed many opportunities to count from close under the basket. Jerome also missed many chances to score but the guarding of Johnson, while not up to par, saved a few corners. Once or twice during the early part of the game they were a little flash but what they are capable of.

Jerome showed nice floor work at times and their passing was good, but on the whole the team looked listless. The Bruins made two or three baskets in rapid succession by a fine play of nice team play but after that they looked like a semi-team and played a mediocre game.

Scores First  
Jerome went wild in the first quarter, scoring six points at the start and gathering momentum from there to a total of eight corners. Rekey and Nathan eight corners, Martin and Gilbert each counted for four points and their goal—single basket. Christiana, Co. Jerome was high point man of the game with nine points. Huffey, the other forward, counted for seven points and Hopkins and Gullinger got one basket each. The Jerome domestics worked nicely together and opened the way for a good many shots for each other. The game was not fast in any sense of the word and was the poorest exhibition of basket ball that has been played on the local court this season. Both teams demonstrated that they could play better ball but for some reason were off last night. The crowd was small for an inter-district game and that may have been the reason for the players. This game was of importance because of the fact that Jerome has already won the right to play in the district meet and it gave the fans a chance to see what the Bruins will look like in the tournament but the fans evidently overlooked this fact, for but a few of the faithful were out. Twin Falls has its last percentage game on Friday night when they meet both on the local floor.

The lineup:  
Twin Falls. Jerome.  
Berthel. Right Forward. Duffey.  
E. Martin. Left Forward. Christiane.  
Johnson. Left Forward. Hopkins.  
Navin. Center. Smith.  
Ketty. Right Guard. J. Tilly.  
Left Guard.  
Substitutes—Twin Falls, J. Martin for Berthel; Jerome, E. Martin for Navin. Jerome—Gullinger for Hopkins.

## ALL-AMERICAN TRACK TEAMS ARE SELECTED

Major Honors Go to Harold Osborne and Willa Pitola Based on Last Year's Performances Claim.

NEW YORK, Feb. 17 (AP)—Major honors go to Harold Osborne, all-around ace of the Hillbom Athletic club and Willa Pitola, Pioneer Athletic Union runner, in the selection of the all-American track and field team, based on the last year's performance.

Four places go to Osborne and three to Pitola in the 1925 all-star array, an honor list compiled by Fredrick W. Hubben, secretary-treasurer of the Amateur Athletic Union, for Spaulding's Athletic Almanac made public tonight.

National champions are recognized with a few exceptions, the most notable being the placing of Joe Ray as All-American runner on the strength of his consistently good performance in important, although Ray Becker won the 100-yard dash, runner-high jump, and decathlon. Pitola's standing among American runners is recognized as well, and he is named in the cross-country run.

Otto Hartman's displacement of Bud Becker in the 1500-yard run and Bill Hays in the 500-yard run, and Smith in the cross-country run are the only other instances of untold titles being held by outsiders.

The all-American lineup follows:  
60 yards: Louis Gordon, Illinois A. C.; 100 yards: Frank Hussey, Boston college; 200 yards: Jackson Scholer, New York A. C.; 300 yards: Vincent Lally, St. Anselm's A. C.; 400 yards: Al. C. H. Hays, New York A. C.; 500 yards: A. B. Heffrich, New York A. C.; 800 yards: C. M. Moore, New York A. C.; 1000 yards: Lloyd Hays, Boston A. C.; one mile: Joe Ray, Illinois A. C.; two mile: Joe Ray, Illinois A. C.; cross-country: Willa Pitola, Pioneer Athletic Union; George Leonard, Boston A. C.; fifteen mile run: Albert Mitchell, Cuyamaca A. C.; steep hill: Donald Payne, Illinois A. C.; Marathon: Charles Mellor, Illinois A. C.; hurdles: Charles Moore, Penn State; 120-yard hurdles: George Gault, etc. Ohio State; 220-yard hurdles: Charles R. Brooks, U. of Iowa; 440 yard hurdles: E. M. Taylor, Illinois A. C.; one mile and seven mile walks: Willa Pitola, New York; three mile walk: Harry Huber, New York; steeplechase and high jump: runner high and decathlon: Harold M. Osborne, Illinois A. C.; running broad jump: DeLett Huggins, Cincinnati; pole vault and jump: Homer Martin, Illinois A. C.; pole vault: Matt Smith, Los Angeles; shot put: Bud Becker, Southern California; 56-pound weight and hammer throw: Matt McGrath, New York A. C.; discus throw: Glenn Harcourt, Olympic club; San Francisco; javelin throw: Harry Hunter, St. Stephens college, (N. Y.); pentathlon: Paul Courtin, New York A. C.

NEW YORK, Feb. 17 (AP)—A program of seven events has been agreed upon by Harold Osborn of the Illinois Athletic Union and Willa Pitola of the Pioneer Athletic Union for their test of all around athletic ability in connection with the Kaligais and Columbus track meet at Madison Square Garden Feb. 16.

# DOWN IN WHEAT

## Downward Trend Basella Largely From Reports of Large Grain Trade Failure.

CHICAGO, Feb. 17 (AP)—New wheat contracts were sold largely from word of a large grain trade failure in Great Britain and from reports of foreign demand. The wheat market was almost unsteady, 3 1/2 to 1 1/4 net lower; May \$1.33 3/4 to 1.33 1/2 net and July \$1.48 1/2 to 1.48 net.

Club finished 1 1/2 to 1 5/8 off, and was closed 1 3/4 down, with provisions closing from 7 cents decline to a rise of 5 cents.

Depression of wheat values added to by a sharp rise in Liverpool quotations on future deliveries. It was now likely to benefit the wheat crop, crop in Kansas and Nebraska traded to give a further advantage to sellers. However, pressure to sell harkening what evidence began to appear that strong interests were accumulating wheat at around \$1.05 for new May.

At the day's low point the wheat market was about 2 cents a bushel down. To some extent the rallies which have been brought about by a few days' forecast that caused some apprehension for the safety of the growing crop, and the more northerly weather conditions of the winter wheat area were also a steadying influence. Export sales at the auction were less than 100,000 bushels.

Liberal receipts did much to pull down the price. Liquidation of sales on the part of holders was in progress, as well as speculative selling. Arrivals from the north were in line with high values and with grain provisions averaged lower.

# DISPUTE OVER MACHINE DEAL PUT UP TO JURY

Deal for Purchase of Threshing Outfit Interrupted by World War Occupies Attention in District Court.

A lawsuit growing out of purchase by Charles Foster of Hanson, of a threshing outfit in August, 1918, and his subsequent refusal for military service in that outfit, was brought to trial in district court here Wednesday following argument by attorneys. It probably is the last case to be tried by jury during the present term of court since all members of the jury except those on the panel in trial of this case were excused for the term by Judge W. A. Danesek Wednesday afternoon.

A. H. Averill, machinery company of Portland, plaintiff in this case, instituted suit against Taylor for recovery of approximately \$2,000 which is claimed as the unpaid balance on ac-

Deal of plane promissory notes in the total sum of \$13,200, secured by real estate mortgage on 80 acres of land, given by Taylor in August, 1918, in payment for the threshing outfit.

**Defendant Asks Accounting.**

In his answer Taylor admits execution and delivery of the notes and mortgage, but he alleges, in 1917 and 1918, he turned over to the company a number of threshing accounts valued at about \$200 for which he asks the company to make an accounting. It is alleged further that in May, 1918, the

threshing outfit was surrendered by John N. McKown, agent for the company, who advised that it had been sold to one J. P. Hambley.

During Taylor's period of enlistment according to the defendant's answer, his wife, Annie Taylor, entered into contract for sale to Hambley of 48 acres of the land covered by the mortgage to the company, which, it is alleged, was to have been released under agreement with the company.

The plaintiff's contention is presented by Foster and Wilham, the agent for the defendant being conducted by John W. Graham.

## SEEKS ANNULLMENT OF GIRL BRIDE'S MARRIAGE

Suit for annulment of the marriage last September of Otis Taylor and Ed Gerzler has been instituted in district court here by E. C. Taylor, of Castleford, father of the bride, on account that the age of the bride, when her father was 18 years old, on August 18, last, was misrepresented by Gerzler in application for marriage license, and in the "fictitious" ground that consent of the bride's parents was not given. Plaintiff is represented by J. H. Shereley, Esq.

Gerzler pleaded guilty in district court here to charges of perjury in connection with the false affidavit in application for the marriage license and is serving a term of 1 to 12 years in the state prison.

## Alleges Error in Tax Refund Claim

Alleging erroneous assessment, W. A. Gray, through E. A. Walters and R. F. Parry, Twin Falls, and Ben J. Boush, Boise, filed a suit in district court here Wednesday for recovery of \$2,817.00 out of a 1924 tax refund claim. The suit is for the amount of 70.3 acres of land known as Federal Heights addition to Light.

In his complaint Gray alleges that the property in question is agricultural land and that it never was an addition to the town of Light, although it is so listed, the Federal townsite map in November, 1920, without the approval of the Federal Mortgage company and other creditors, filed a plat which was never accepted by the city administrator of Boise.

Existence of this plat, it is argued, prohibits the tax assessor from assessing that the property was in fact agricultural property.

Assessed valuation of the property, it is stated, was \$13,210, although, it is asserted, the actual value is only \$700.

Claim is made for recovery of the difference between the amount of tax actually paid on the basis of the higher assessment and the amount of the tax if levied on the actual valuation.

## SCOUT FIRST AID TEAMS DUE FOR REAC CONTEST

Five first aid teams from five local high schools are due to meet at 8 o'clock to contest to be held at the high school gymnasium at 7 p. m. sharp.

The contest will be similar to the one last given by Dupont, Carnegie Steel company and the Bell Telephone company and similar to the local Mountain States Telephone company contest given last year.

The contest will consist of five problems similar to the following: "Home" stitching, "Falls" darning, in contact with live wire, at least ground, bleeding profusely from head and chin, left leg broken.

Interest is at fever pitch amongst the troops competing, each team feeling confident they will capture the first aid kit that is being offered by the local council for the winning team.

The public is cordially invited to come out and witness some of the training the boys receive by getting.

**FRILING POST TO GIVE DANCE**

Piler post, American Legion, will divert to Piler post group funds the proceeds from the annual dance to be given Friday evening in the clean roof garden at Piler. Music will be furnished by Emory Henri's Rain Orchestra of Twin Falls. Invitation is extended to the general public.

## VERDICT FOR DEFENDANT IN SUIT ON LAND TRADE

Claim of A. A. Carlson, Tiller, for \$500 from John Taylor on account of alleged misrepresentation by Taylor regarding lots in Fort Worth, Texas, for which Carlson in June, 1923, traded a 1924 Buick automobile valued at \$500 was denied by a jury in district court here which returned its verdict in favor of the defendant Taylor last Tuesday noon Monday following brief deliberations. Defendant Taylor was awarded his costs in the action amounting to \$37.75.

## EPWORTH LEAGUE CAST TO GIVE BENEFIT PLAY

Young people of the Rev. Epworth league will present an Educational and social character play of compelling interest, "The Rich Young Man," it was announced Wednesday. The play is to be given for benefit of Gooding college. Members of the cast have been selected for some time under direction of Mrs. C. D. Merrill, instructor in dramatic art. Invitation is extended to the public.

Warrants of American Falls Reserve district Numbers 532 to 538 will be held on presentation at office of the district. Interest will cease February 15, 1926.

W. H. Spencer, Treasurer, American Falls Reserve District.
