

TEN BALLOONS READY TO RACE

Big Bags Assemble at Little Rock for Start of National Elimination Contest.

LITTLE ROCK, Ark., April 28. — Ten big balloons, each ready for inflation when the signal is given, were readied for the start of the national elimination balloon race from the Little Rock airport tomorrow afternoon.

Weather was bright, feeded for wind and from the southwest which should take the balloons over a north-easterly course across southeastern Missouri, western Kentucky, Illinois and parts of Indiana and Ohio to the great Lakes region. Argoil officials said today,

wind has been blowing for three days, and should continue, bids me hopeful of establishing a new American record.

Amp Air-Officer Present. Commander John Rodgers, chief of the naval air service, Major Mason Patrick, army air chief and Major Public Service, the Rev. Charles H. Smith, president of the Young Lions, who have come here by airplane without the start of the race.

Thus far, inspection of the equipment shows the balloons will begin inflation at noon tomorrow and at 1:45 o'clock the pilot balloons "Skyline" will take off. The first of the contestants will get off at 5 o'clock and the others will follow at five minute intervals.

The winner of the race will win the trophy and the right to represent the United States in the Glider Biennal cup race in Belgium later in the year.

NO CHANGE LIKELY IN AIR MAIL PLANE ROUTE

POTCHEFEST, April 28. — There is no change in the air mail route from Elko, Nevada, to Paseo, Washington, according to the Bureau of Air Commerce, which issued a circular to all post offices.

Elbert H. Gary, a considerably per-

sonal acquaintance to Ward from Addis

ton T. Smith, Idaho's representative in congress, submitted a circular to the Bureau of Air Commerce, recently suspended on

times for four years. Mr. Smith enclosed a communication from W. Irving Glauer, second assistant post master general who explained the situation.

Mr. Glauer states that the service over the route in question has been suspended pending receipt by the contractor of additional equipment. At present, however, he is unable to require schedule.

The contract specifies operating plane

time like, via Boise to Paseo, he writes, and pending the arrival of this equipment, which will take four years, it is impossible to make any change in the route over which the plane travel.

A local committee, with a representative of the Bureau of Air Commerce, called upon the local postmaster yesterday and requested that since the route as outlined had been temporarily abandoned, the first flight having been delayed by the weather, they be allowed to make a route to the interested locality that a route to include Potchefest and Twy Fells would be more feasible since the others, forced to land on account of engine trouble, would be compelled to return to the state and would not be forced to cover large stretches of unpopulated desert country where it is practically impossible to receive assistance in case of accident.

WOULD VOTE ON WAR. **WASHINGTON, April 28.** — An immigration officer left Seattle tonight for Spokane to return here with Georges Ferdinand Gauthier, grandson of the famous "Emperor of the Tiger," and Jean Lefebvre, his son. Gauthier left here this morning en route to France with other alien demobilized soldiers. After his train stopped at Pasco, he was met by the Secretary of State, who was investigating Gauthier's request to be sent to Shanghai instead of France. Immigration Commissioner said there had been a misunderstanding between Gauthier and the government. Friends here raised the money and he was taken from the train at Spokane tonight.

OVERLAND SLEDGE PARTY MAY KNOW WILKIN'S FATE

NEW YORK, April 28. — First news of the fate of Captain George A. Wilkins and his party, the Arctic expedition and his pilot, Ben Elekson, missing now for 13 days, is expected when the overland sledge party from Fairbanks, Alaska, reaches Nome, Alaska, about to tomorrow. North American Newspaper Alliance dispatches said today,

Nothing has been heard from Captain Wilkins since he hopped off for Point Barrow, the advance base, with a load of freight.

Though constant watch has been maintained at the village, no word of the sledge party has been heard since Sunday night. Operator Wakayek, accompanying the overland party, while sign language was used, indicated that he had an important message. Removal of the Fairbank's hand to Barrow will be delayed for several days, more for further tests of the lifting power of the three-engined plane. Detractor,

SUBMIT TWO BRIEFS IN SUPPORT OF PROVISION

WASHINGTON, April 28. — Two briefs were submitted to Senator George A. Norris, chairman of the Senate Committee on Banking and Currency, by the American Medical Association, urging a bill to prohibit physicians from prescribing alcohol liquor to patients in their practices.

In the appeal of Dr. Samuel

W. Lamberti, of New York, from the circuit court of appeals a decision sustains the restriction, they were strikingly similar.

Limitation of physicians was reasonable and that they have a legal right

to prescribe alcoholic stimulants if made impracticable,

OFFERS SUGGESTIONS TO CORRECT DIVORCE EVIL

RICHMOND, Va., April 28. — Suggestions that the Episcopal church consider forming its clergymen to care for couples who are not church members, was made today to the National Episcopal Congress by the Rev. Charles N. Loring, of Boston.

Mr. Loring, who is executive secretary of the department of the Christian social service of the national council of the church, admitted that the suggestion was difficult, but added: "Let us always marry only those who understand fully the terms of the contract and accept them as the church does—seriously on the quiet, lasting marriage solemnized by its priests to people capable of carrying into effect the promise they make."

BUHL BOY DISCHARGES BULLET THROUGH FOOT

BUHL, April 28. — Harry Edmonson, 16, son of Mr. and Mrs. L. E. Edmonson, living east of here, was shot Saturday night while hunting.

MILLS ERNESTINA CALLES, nineteen, daughter of the President of Mexico, visiting in New York, was shot Saturday night while hunting. The cause of the freedom accorded youth of the nation—She declares Mexico is becoming more liberal in treatment of women.

Edmonson was attracted to continued solitude by Indians and Indians in effort to protect their own interests and to the French attitude of permitting matters to take their own course.

Friends and government authorities approached him to oppose intervention with process of the Mexican government because the feel that there is little or no speculation and that the latter action is insignificant.

The Idaho Falls board suggested a

state organization of realtors and it was decided to request that this suggestion be presented at the district meeting.

WILL TEACH DEAF TO HEAR THROUGH FINGERS

WASHINGTON, April 28. — Teaching the deaf to "hear" through their fingers by use of specially constructed, tiny receivers, described by the national academy of sciences session here by Dr. Robert Gault, professor of physiology at Northwestern University, should result in the development of a new art of music for the deaf.

The apparatus used, he said, is a superior phone transmitter, an antenna with a minimum of 173 times as much as receiver held in the hand with the fingers on the diaphragm.

Using such a device, totally deaf persons have been taught in a few weeks to recognize words and sentences without sight of the speaker. Dr. Gault said the academy, still in method soon resulted in thinking results which are normal perception in terms of sound.

OBSTINATE CASES OF HEMORRHOIDS (PILES)

We note with satisfaction that a well known physician in his hospital and private practice has discovered that Moon's Emerald Oil diluted with equal parts of Olive oil will help in obstinate cases of piles.

Take a few applications and stop all itching, burning, bleeding and distress.

Surfers should get a bottle of Moon's Emerald Oil and begin the treatment at once. It is a remedy that is easily applied and the first application gives instant relief and comfort. All good druggists have it, or can get it for you on short notice. Twin Falls druggists can supply you.

In one week 102,909 thronged to see it

During the week of the National Automobile Show, January 9-16, over 100,000 men and women came direct from Grand Central Palace to the Willys-Overland showrooms, 1st Broadway and 50th Street, New York, to enjoy a better view of the new "70" Willys-Knight Six. These in their eager thousands found it impossible to give close enough examination, so great were the crowds around it at the show!

Super-efficiency, through Greater Power Development

This new "70" Six applies the principles of high speed engine construction to the Knight Sleeve-Valve motor with startling results. With 2 1/2 inch bore and a 4 3/8 inch stroke this new Sleeve-Valve "Six" engine delivers greater power per cubic inch of piston displacement throughout its complete range, than any stock American motor car engine built today. Speed capacity is well in excess of 60 miles an hour acceleration, to positive starting, and its power on hills is a revelation.

Positive mechanical four-wheel brakes—easiest steering

—the perfected braking system the finest and most advanced cars of Europe and America today employ—a system regarded by the best engineering practice as the most dependable and most nearly infallible of all brakes. Easiest steering—the steering facility of this phenomenal car is literally amazing. Eight Timken bearings cradle the steering mechanism with the utmost absence of friction.

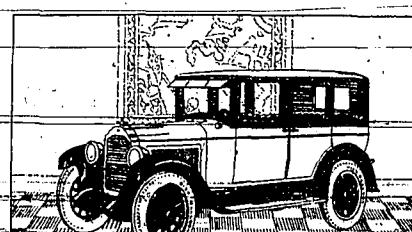

A body of marvelous beauty

Never has such beauty, such style, such smartness been approximated as is conspicuously present in this distinguished Six. While compact to the

last degree, this new and advanced motor-car creation is revolutionary in its roominess and comfort. Don't fail to see this new leader among Sixes—at-your-earliest opportunity.

SENATORS HIT WILTSE HARD

League Champions Win Game
in First Three Innings When
Rookie Fails to Deliver.

WASHINGTON, April 28 (UPI)—The Senators pounced on the offerings of Harold Wiltse, recent pitcher, today, scoring enough runs in the first three innings to give them a 5-1 victory. It was the Senators' third victory in four games. Ogden held the Red Sox to just half the hits which a single, triple and a fielder's out scored two.

The score: R. H. E.
Boston 2 8 3
Washington 5 10 1
Batteries: White, Kiefer and Gaston; Ogden and Bevelard.

DROP THREE STRAIGHT.

ST. LOUIS, April 28 (UPI)—The St. Louis Browns dropped their third straight game to the Cincinnati Indians, 7-3. Eddie Lopata hit a double and a home run. Jernard weakened in the eighth, allowing the visitors a double, two singles and a walk before he was taken.

FAILS TO HALT YANKEES.
NEW YORK, April 28 (UPI)—Although Lefty Grove of the Athletics struck out 11 batters today, he failed to stop the Yankee winning streak. Storied bats had been hitting like dynamite against the Red Sox and New York teams until the eighth when the Highlanders rallied to a score three runs, their winning margin. It made clean sweep of the series and now sees the Yankees fifth straight vic-

tory. The score: R. H. E.
Philadelphia 0 2 3
New York 7 10 1
Batteries: Morris and Cudahy; Jones and Collins.

BALFOUR OPEN BOOK.

DETROIT, April 28 (UPI)—Barfoot was open book to White Sox pitcher and Chalmers, who got it out of him from Detroit today, 0 to 5. Thomas was wild, passing nine men and hitting one, but the Tiger batters could not hit him safely with their bases. The score: R. H. E.
Chicago 9 13 0
Detroit 5 7 3
Batteries: Thomas, Edwards and Crane; Schalk; Barfoot, Collins and Basdeker.

JUNIOR LEAGUE MAGNATES VOTE TO ABIDE BY RULE REGARDING USE-OF RESIN

NEW YORK, April 28 (UPI)—America's leading magnates today voted to abide by the rules of the Junior League. In compliance with a recent opinion of Commissioner Landis making the resin optional "with pitchers of all leagues," the officers of the league will be provided with "feeder" substances. At the same time, however, the magnates reiterated their disapproval of the use of resin by instructing managers to request pitchers to obtain resin from drying their hands on the long.

The resolution, which was not passed unanimously, will become effective immediately. It will be in effect until the meeting tonight to prepare the rules and have them at tomorrow's games.

At a meeting in New York in February the magnates voted to permit the use of resin and as instructed its禁。 At that time the magnates expressed the opinion that the use of resin was apt to injure the leagues and might nullify the existing rules which sought to influence the return of other foreign substances which were abolished in 1920.

World Champions Make It
Three Out of Four for Series
Away From Home Lot.

CHICAGO, April 28 (UPI)—Pittsburgh made it three out of four from Chicago today, when Keuffman's wildness coupled with some very heavy hitting enabled them to take the final game of the series, 9 to 4.

The score: R. H. E.
Pittsburgh 5 10 1
Chicago 9 8 0
Batteries: Aldridge and Smith; Keuffman, Osborne and Hartnett.

ORION MAKES BRILLIANT STOP.
PHILADELPHIA, April 28 (UPI)—Lindquist the Phillies in five scattered hits, Jack Wiener pitched and won his first full game of the season for the

Giants today by a score of 3 to 2. A brilliant stop by Groh in the ninth interrupted a heated Quaker rally. The game was played throughout in a truce.

The score: R. H. E.
Philadelphia 5 11 1
Pittsburgh 3 2 5 0
Batteries: Wiener and Mayers; Cullinan, Willoughby and Wilson; DeMolli.

FOUR STRAIGHT WIN.

BOSTON, April 28 (UPI)—Brooklyn scored three runs in the ninth inning and clinched the 5 to 2 win to ran its wins to four straight.

McWeeney pitched four hits, and Hartnett relieved him.

The score: R. H. E.
Brooklyn 5 10 1
Boston 3 2 0
Batteries: McWeeney, Hartnett and Q-Nell Smith, Conney and Gilson.

HOMER IN NINTH.

CINCINNATI, April 28 (UPI)—O'Donnell homered in the ninth inning to give him his 10th of the season, and a homer in the sixth inning after Bell had doubled the 10 in that period and gave St. Louis a 3 to 2 victory over Cincinnati today. Lipsky hit a two-run home run in the eighth, and Hartnett was hit in the eighth, allowing the visitors a double, two singles and a walk before he was taken.

The score: R. H. E.
Cincinnati 4 11 3
St. Louis 3 12 0
Batteries: Karpis and O'Carroll; Biesty and Hargrave.

Skipper Zamloch was a busy man yesterday, men and consequences did not stop him from the uniform. The squad worked at Lincoln field for about a hour and a half, much hitting and a short snappy infield practice ended the session. Whitely is off to San Francisco to play baseball, but may keep him from active work the balance of the week and was not out yesterday.

F. W. Pastorek, an outfielder, is the next to report addition to the team, and he will be available to the manager.

The score: R. H. E.
Brooklyn 5 10 1
Boston 3 2 0
Batteries: McWeeney, Hartnett and Q-Nell Smith, Conney and Gilson.

Field in Park.

The long grass is in condition for the long grass and no Zinnia set out at the park at 12 noon. The players will probably spend part of the time picking the stones from the diamond and helping to get the field in shape.

The question of building an addition to the park is still open.

to the slabs seems to have come to an abrupt standstill and no information is available. The addition is pressing for the opinion of members of the club, especially the attendance, who should make provision to take care of large crowds on the holidays.

Schedule Compiled.

The traveling schedule has been compiled by a representative of the Oregon Short Line and the club director spent some time last night going over it and making some few alterations.

Word filters through from the Peoria camp that Bonner is having trouble picking an infield. He is reported to be in a bind because his first star has taken sick.

Hill Simmons, who played in the old Snake River league in a shortstop.

League Gossip.

Idaho Falls has its club all picked out ready for the opening date. They have it for the opening date.

Hilly Orr brought a newly-made team from California with him and apparently picked a good one. Orr is ready for the opening game as is Long, who has been in the Major, the Logan diamond next Tuesday.

The Salt Lake Tribune and Telegram sport writers who paid the Magpies camp a visit yesterday gave their positive endorsement of the Twins. Twins batted and from their do they that the Magpies have one of the snappiest infield in the circuit.

OLSEN TROUPE MEMBERS WEDDING IS ANNOUNCED

Cards have been received here announcing the marriage of Miss Dorothy Adams of Vancouver, B. C., and Byron Fulger, of Salt Lake, which took place last week at St. Mark's Episcopal church, Salt Lake. Both members of the troupe of the famous Olsen Brothers company, and are exceedingly popular with Twin Falls audiences. In the last play, "Friend Hannah," Miss Adams filled the rôle of the Quaker sweethearts of the play, directed by Mr. Fred Mizell. Adams' sister, Miss Jeanette Adams of Vancouver, B. C., and Mr. Fulger's relatives were the only guests at the wedding. Their plan to go to the mountains after the wedding was abandoned because the honored guest was Mrs. George Daly, Mrs. George Ayres, Mrs. Charles Bulles, Mrs. J. E. CLASS OF '26 PROMISES CLEVER ANNUAL PLAY

Twin Falls high school senior class on the evenings of May 6 and 7, in the high school auditorium will present its annual play, "Hello, Hello, Goodbye," a comedy in four acts, by Clare Kummer.

"Hello—Hello—Goodbye" is a play entirely different from any of this year's productions. Although it is a comedy, abounding in clever lines, it is a serious play, and in this sense it has an unfeigned feeling which approaches close to pathos.

On Tuesday evening, Mrs. Merrill Ayres, Mrs. Alice Woodhead, was chairman, and Miss Martha White, on Blue Lagoon boulevard, by the employees of the Twin Falls Mercantile company. The room was most attractive with spring flowers, and the girls presented a skit with a handkerchief lantern tableau. Refreshments were served at a table centered with pink padparadscha and pink carnations.

Those present included the honored guest were Mrs. George Daly, Mrs. George Ayres, Mrs. Charles Bulles, Mrs. J. E. White, Mrs. Alice Abt, Mrs. Georgia Leinen, Mrs. E. V. SPORTS**BRUINS TAKE RAGGED GAME FROM PAUL 9**

*Twin Falls High School Team Defeats North Siders, 6 to 4, in Contest at Lincoln Field; Errors Plentiful.

Playoffs' Bruins took a savag-
ing game from the Paul nine yesterday
to 4. It was a ragged game through-
out with the errors plentiful. The Bru-
ins, having seven runs and the Bruins
pushed up hard with six most of
which were costly. Each team made
over eight hits, making the game
one of the worst losses by both sides.
The Bruins evidently were
taking a ride on their past reputa-
tion as a ball team, and the gas
not early in the first, the first, and
the last half hour did not settle the
feelings of Stanford very satisfactorily
and had men left on bases in almost
every inning.

Fielding Losses

The Paul team played good ball
but the Bruins started off in
frighteningly. The Bruins started off
with two outs and the Bruins
hit him twice—the first three times
but the visitors got to him in
the next two outs and the safety
was off. Paul started in ninth im-
mediately that netted them two runs and
Martin relieved Bertch and the last
was popped out to Shoshone.

Russell scored for Paul in the
fourth, and scored for Paul in the
fifth, and in the sixth, and in the
seventh, getting six putouts and bunting
twice. Nazis gathered a two bagger
and Haynes finished his average with
two singles.

Paul was heavy sticker for the
Bruins, getting a two bagger and three
singles, four triples to the bats, and
six putouts getting six putouts and bunting
twice. Nazis gathered a two bagger
and Haynes finished his average with
two singles.

The Bruins failed to live up to the
reputation of fast base running and
bet me die on the sack almost every
inning. In the first Stanford pulled
off a double play when Haynes
had a single, and the Bruins
knocked popping out to the hot corner,
Paul did not tally until the fifth
when with the next two men hit safely.
Then getting a two bagger
and in the sixth, and in the
seventh, getting six putouts and bunting
twice. Nazis gathered a two bagger
and Haynes finished his average with
two singles.

The junior girls' relay race was won
by Pleasant Valley girl. The junior
boys' senior, girls' and senior boys'
relay race were won by Hailey
girls.

The day was an exceptionally
pleasant one for the occasion and a large
number of parents and teachers from
each school attended the meet. The
property of the project was due largely
to the manager, Leonard Wiesman,
who with the teachers cooperating
were able to dispose of all the events
about the house. Mrs. Carter of
Hailey, Mrs. Shireman of Rexburg
and Mrs. Hill of Pleasant Valley were
judges.

Hansen Scene of Athletic Events

HANSEN, April 28.—Paul from
districts Nos. 23, 5, 4, 62 and Hansen
district No. 7, participated Friday
afternoon in a joint track meet on the
local grounds as a preliminary to the
grade track and field meet on Friday,
April 29. Hansen boys and girls en-
joyed off-the-ground performances
but out-of-town schools, con-
cluding among a group competing,
captured a creditable number of vic-
tories.

Field Is Ready For Track Meet

Couch Kunkion of Burley brought
the men who qualified for the dis-
trict track meet to Twin Falls yester-
day for practice in preparation for the
meet tomorrow. Griffith, the famous Burley
runner, was on deck and stepped his
distanced in nice style. He will
be up in the heats of the 100 yards
and 200 yards. There will be no
field meet stop this race. Both men are
strong runners and have staying
power that has not been tested this
season.

Braine Looks Good

The Braine track team were out
and look on the last hard workout in
preparation for the contest. Twin
Falls' team had a record number of
points in this meet and on
paper it looks as though they had a
good chance to cap the meet. Martin
will have to make a big fig in
the 100 yards and Hansen in the 200 yards
to do it. The Braine relay team are
working hard to shorten their time and
hope to finish them in front in the
last event of the meet.

The Hansen team are in fine
condition shape about 11 inches
in height, beautifully engraved and
well augmented—any trophy case. The
medals are also on display in Braine's
window.

The meet will start Friday afternoon
at 1:30 at Lincoln field.

GIRL BRIDE'S MARRIAGE IS ANNULLED BY DECREE

The marriage of Lottie Taylor to
Tom Harrell has been annulled by de-
cree entered by Judge W. A. Irbeck
in district court here Wednesday in
the case of Eliza Taylor of Castleford,
father of the bride, against Garrett.
The decree was entered in the case due
to the effect that Garrett, then 15 years old when her marriage to
Harrell took place, "lived a life of
prostitution and debauchery." Garrett
signed the application for marriage
license as a witness, photo quality in
district court here some months ago
to charges of perjury in connection
with false statement made as to the
age of the bride. Both are now serving
terms of from 10 to 14 years each in the state prison.

TRUSTEE'S CLAIM DENIED

Claim of J. Paul Thomas as trustee
in bankruptcy of Elmer A. Moyer
was denied by an order entered by
Judge W. A. Babcock in district court
here. In the hearing of the sheriff
of Jerome, he was held in custody
Appellee against M. E. Finch, sheriff.
The court directed the sheriff to
pay this money to Appellee's
attorneys, and that it be applied to
his claim in bankruptcy. The
money had been paid to the sheriff
by W. G. Moyer.

of Harvesters and parts; new catalog
and name of your dealer.

FOR nearly a half century
the name "Holt" has been
associated with better, quicker,
cheaper harvesting.

Better—because "Holt" Com-
bined Harvesters get all the grain,
doing a thorough job of cutting, threshing,
separating, cleaning.

Quicker—because "Holt" Com-
bined Harvesters handle the grain from
stalk to sacker wagon in one combined series
of operations—one trip through the field and
the job is done.

Cheaper—because labor ex-
pense is small, 2 to 4 men comprise
the entire crew—power requirements are
light, operating and maintenance costs are
amazingly low.

Thousands of satisfied grain
growers have lowered harvesting costs
with "Holt" Combined Harvesters—famous
the world over for endurance, simplicity,

accessibility, efficiency and economy. There
is a "Holt" of the right size and type for
every grain harvesting need.
