**FIRTH WARRIORS
HERE FOR GAME**

**Title-Holders Match Strength
and Skill With Bruins at Lin-
coln Field Today.**

Coach Williams and 19-Firth warriors arrived in Twin Falls yesterday noon and took up quarters at the Perrine hotel, in readiness for the game this afternoon. The Firth titleholders took a short workout last night on the junior high school field, but did little more than limber up for the contest this afternoon.

The titleholders have but four men who played on the last year's team. Young, who played half back last year, who is playing the first-year tackle, who holds the fullback berth; Brington, at left tackle, in this year's captain and team, at center, was also a member of the title winning aggregation.

Average 120 Pounds
As a whole, Coach Williams' eleven is not heavy, averaging around 120 pounds. The quarterbacks have been played by the upper-class team, both Firth, Rigby, and both were taken by Firth, 23 to 0. The highly eleven is heavy, but green, and the titleholders had little trouble disposing of them in two games.

Three Christensen are on this year's team, one a brother of the allstate out of that name last year. Each wing is held down by a Christensen, although the other team, and one half also bears that name. The Bruins will present about the same team as opposed to the Normal last week. Williams' eleven is still in bed and will not be in a unit. Owens will be unable to play because of a bad neck. Berg will be in the line field, and Perrine is slated to take Owens' place, with Hall's Martin in reserve.

Bruins Look Good
The practice of the past week was somewhat hampered by injuries early in the week, but the Bruins came back late in the week with a rejuvenated squad. They look better the last three days than they did the season, and the game this afternoon promises to be one of the season's best. The line is called at 3:30, and the teams will line up at 4 o'clock.

**WHAT ARE YOU DOING
FOR YOUR PUNY CHILD?**
One boy gained 11 pounds in 7 weeks and is now strong and healthy.

For weak, frail, underdeveloped children—and especially those that have rickets, and need a sure builder that promotes the growth of the teeth and bones, not otherwise—the best medicine apparent—nothing helps like it.

But it is really and regenerative and will smother up nearly always appetites children's stomachs—so now up-to-date chemists advise McCoy's Cod Liver Oil Compound Tablets, sugar coated and as easy to take as candy.

One boy gained 11 1/2 pounds in seven weeks, and is now healthy and happy—thousands of other children have grown strong and robust. Sixty tablets for 60 cents at Schramm-Johnson's and all druggists and money back if not satisfied—all ways insist on McCoy's—the original and genuine—All.

Colds**

VAPORS reach a cold directly because they are breathed right into the air passages and lungs. It is for this reason that Vicks VapoRub brings such quick relief. Where rubbed over throat and chest at bedtime.

It is vaporized by the body heat and inhaled, while you sleep, right to the affected parts, loosening the phlegm and easing the difficult breathing.

At the same time it acts through the nose and throat to soothe and soothe drawing out the pain and soreness. Most colds yield by morning to this double action of Vicks.

**act 2 ways
VICKS
VAPORUB**
Keep 21 Mules and their teams.

come, on the North Side State highway, will be opened at the Wendell city hall October 10, according to word received here from the state highway department.

The specifications in the contract call for the building of the roadbed and bridge structures and surfacing the entire stretch with screened gravel. Detailed plans and specifications detailing the new road are being prepared by the state engineer and with District Engineer A. N. Ashline at Shoshone.

With the proposed improvement the last stretch of gravel road highway between Joliet and Wendell will be eliminated. The Wendell highway district has secured the right of way and the necessary borrow pits for the roadbed, with the exception of the bridge center north of Wendell in the Appleton school house, near the Wendell-Jerome county line.

**Beans Make Heavy
Yields at Clover**

CLOVER, Oct. 7.—Beans are almost all threshed on the tract and the average yield was high. A record field of red Mesqueras was reported for Lewis Ulrich when a field of five acres averaged 21 bushels.

Mrs. Milton Liverman and infant daughter returned home Sunday from the hospital.

Mrs. Annie Taylor will entertain the members of the Ladies Aid society of Clover at her home near Twin Falls Thursday afternoon.

Mr. and Mrs. Will Lutz and family of Oakley were guests with relatives Sunday at Clover. They were accompanied by Mrs. Lutz's parents, Mr. and Mrs. J. Hermon of Deeth, Nohman, who arrived recently to visit at the Lutz home.

Mrs. H. C. Holke received the sad message Wednesday of the death of her mother, Mrs. Kirkhoff at Byron, Nebraska.

Jens Larsen is on the sick list with lungbo.

Rev. W. F. Doucette returned home Thursday after attending meetings in Portland and Tacoma.

Advice to Parents

WORK OF JURY COMES TO END

Court Dismisses Jurors When Two Remaining Criminal Cases Are Continued.

Because of the absence of a male witness for the state, prosecuting Attorney J. W. Taylor, in district court Thursday, asked for continuance for the term in the case of William George, charged with interference with irrigation headgate, and Judge Wilbur C. Johnson, in granting the request, brought to an end the proceedings in criminal cases for the present term of court.

Members of the jury were excused for the term.

Only one other case beside that of William George remained on the criminal calendar Thursday, and that was dismissed for the term when the prosecutor asked for continuance in the case of Joe Manning, charged with second offense violation of the liquor law, in which a jury last week failed to reach a verdict.

Judgment in the case of William R. George, son of William George, who, Wednesday, was found guilty of interference with irrigation will be pronounced next Thursday, Judge Johnson announced.

DEATHS

HOWARD—Don Carlos Howard, 36, died at the Twin Falls county general hospital Thursday morning at 4:10 a. m. following his substantial an operation Monday.

Deceased has been a resident of this city for the past six years, during which time he has been engaged as a painter.

He is survived by his wife and three children, one in a child in the case of his city, and his father and mother and several brothers and sisters, who reside at St. Anthony.

The body now rests at the Grossman Undertaking parlors, and will be taken to St. Anthony for burial.

MURPHY—Guy Alfred Judson, 17, son of Mr. and Mrs. George G. Judson of Hazelton, died at the county general hospital Thursday at 12:20 o'clock. Cause of death was attributed to typhoid pneumonia. Deceased was born August 10, 1909, and is survived by two brothers and one sister, in addition to his father and mother. He was a member of the Boy Scouts of Hazelton and a student of the Hazelton high school.

Funeral services will be held at 2 o'clock Saturday afternoon at the First Baptist church. The body lies at Grossman funeral parlors. No relatives are thought to survive.

SOCIETY AND CLUBS

Edited by Mrs. E. B. Williams

PROTESTANT LADIES AID SOCIETY—The Protestant Ladies Aid society met for their monthly meeting at the home of Mrs. J. J. Wall with fifty-five members in attendance. The business session was presided over by Mrs. H. W. Gaudin. The program consisted of a staphophone solo and concert by Mrs. C. P. Hodges, with Mrs. Willard Wilburn at the piano, and two spiritual readings by Mrs. W. P. Carter. During the social hour delicious refreshments were served by the hostesses and her assistants, Agnes Mrs. H. Dunlap, Mrs. G. Leslie, P. H. Taber, M. C. Gamble, D. W. Witham, Roy Gardner, and Fred Barber.

The Women's Circle of the first Baptist church met Thursday afternoon at the home of Mrs. William Graham. After the business meeting, at which the new officers presided, a social hour was enjoyed. The hostess, assisted by Mrs. George Wiley and Mrs. George Weston, served delicious refreshments from a daintily appointed tea table. Mrs. C. E. Scott and Mrs. J. H. Maxey presided at the tea and coffee runs.

Mrs. Walter Miller was hostess to the Mother club Wednesday afternoon. Hall will be requested with quotations from Longfellow. At the close of the business session a spiritual musical program was given. Miss Mary Lou Bailey and Mrs. E. S. Fitzwater sang two numbers. Little Miss Isabel Miller played two piano pieces. Weston, served delicious refreshments from a daintily appointed tea table. Mrs. C. E. Scott and Mrs. J. H. Maxey presided at the tea and coffee runs.

THE FINISHING TOUCHES

The finishing touches, which received hearty applause, Bellows refreshments were served by the hostesses, Mrs. A. Brown, L. L. Bennett and F. D. Anderson.

The program for a well attended meeting of the Women's Missionary society of the Christian church, in the church parlors Thursday afternoon, including reading by Mrs. J. W. Bean, church of an interesting letter from Miss Gertrude Swenitzer, missionary in Africa, and a paper on the old and new world church by Mrs. Larson. Mrs. Barlow led the devotional service. Mrs. Halloway had charge of the program.

Complimentary to Mr. and Mrs. James S. Hall, members of the Presbyterian church gave a farewell reception Wednesday evening at the home of Mr. and Mrs. L. L. Brockway on Seventh avenue north. A large number of

friends called during the evening to express their regret at losing these splendid young people from the community where they have been identified prominently in everything that tends to uplift the standard of living. A delightful musical program was given which included a vocal solo by Mrs. G. J. Smith, accompanied by Mrs. G. J. Ince; solos by Mrs. L. H. Masters and Walter Carter, both of whom were accompanied by Mrs. Carter, and a solo by A. Wilton Peck, with Mrs. Beck at the piano. The rooms were lovely in full flower in baskets and vases. The service table was centered with a silver vase of pink roses, and Mrs. A. G. Pearson and Mrs. G. M. Hally presided at the silver service. Mrs. Kyle Walter, Mrs. P. B. Taber and Mrs. Glenn Halloway served. The honorees were presented with a leather traveling bag.

The Record

for cooking

a hot breakfast — 3 to 5 minutes

"HOT oats and milk" is the dietetic urge of the day. It's the balanced ration of protein, carbohydrates and vitamins—plus the "bulk" to make laxatives less often needed. That's why the authorities are advising.

Now you cook it in 3 to 5 minutes. That's faster than plain toast. No kitchen clutter.

Why go on, then, with less nourishing breakfasts? Today get Quick Quaker... food that stands by you through the morning.

Your grocer has Quick Quaker... also Quaker Oats as you have always known them.

ROAD BUILDERS OF TWO STATES AGREE ON PLAN

Action Taken by Elko County Board—Makes Definite Step Toward Improvement of Gap in Yellowstone-Yosemite Way

A definite step toward improvement of an unimproved gap of about 50 miles between Hogson, Idaho, and Nevada, in the Yellowstone-Yosemite highway, was recorded at a meeting of highway officials of Idaho and Nevada in Elko last Wednesday.

The highway commissioners of Elko county, Nevada, on this occasion, submitted a plan for the improvement of the project and secured approval of the project and recommendations to the county highway board that is to take effect next year, the construction of an improved highway from the Idaho state line to the White Pine county line on the south, a distance of about 50 miles.

Makes Agreement

Action taken by the Elko county board is the most recent reached at this meeting by the Idaho and Nevada road builders. The Idaho board returned here Thursday afternoon, was composed of H. W. Gregory of Boise, director of the Idaho state highway department; commissioners of the Twin Falls highway district; J. H. Shuman, district highway supervisor, and Carl E. Lind of Twin Falls, president of the Yellowstone-Yosemite Highway association. The Nevada delegation, in addition to Elko county officials, was composed of T. J. Donaghy, Nevada highway department maintenance engineer; two of the commissioners of White Pine county, of which Elko is the county seat, and a delegation of members of the White Pine county highway board.

Stress Tourist Travel

Importance of improvement of the highway was emphasized in interesting remarks of tourist travel is being with successive seasons was emphasized by Mr. Gregory, as spokesman for the Idaho delegation. The Elko county commissioners' meeting. The Nevada representatives expressed concern with the views presented by Mr. Gregory and, in turn, referred to records of a highway survey made in Nevada during the past season, which showed, among other things, that during a period of 10 days an average of 107 automobiles daily had passed through Coconino, Nevada, copper mining district, that in the winter of the highway that is proposed to be improved.

Idaho and Nevada and members of the Nevada board, in the presence of the Elko Chamber of Commerce at luncheon preceding the Elko commissioners' meeting. Speakers at the luncheon meeting included Mr. Gregory and Robert Ray, chairman of the Twin Falls highway district board.

Plans Action

Action taken by the Elko county

WILLIE CULLEN'S BROTHER QUILL

Like Aunt Winnie best she ain't the kind that bugs you or calls you names or anything when she comes visitin'.

(Copyright, 1926, Publisher's Syndicate)

It is understood to mean that the first funds that are made available for road construction in these counties will be applied toward the improvement of the highway under consideration at this meeting. It is contemplated by terms of the commissioners' resolution that the state of Nevada and Elko county shall cooperate in the improvement program.

An assurance was given by the Idaho delegation that a well-improved road would be extended in Idaho to state line to meet the Elko county improvement, and similar assurance with respect to the terminus of the road in Idaho county on the White Pine county line.

The Elko county highway board, in its resolution, recommended that the road south from Idaho connects with the Nevada road at the Idaho state line at Wells. Continuation of the road improvement from Wells in the White Pine county line, a distance of about 25 miles, would bridge a gap that is not now improved on a direct route to southern California.

Instructors and Parents Gather

Members of the Parent Teachers' association of the Washington school met Thursday evening in the auditorium of the Washington school at a reception for the new teachers of the school. About one hundred parents and teachers attended.

Announcement was made of the visit paid by Mrs. Ethel Holly, state secretary of the association, and Miss Viola Hie, national secretary, on October 26. These officials, it was announced, will address a meeting of the general organization in the city on that date.

Miss Edith Harnes, new superintendent of the grade schools, in a brief address, explained the new grading system that will be used in the coming season. The A B C method will supply the annual system, Miss Harnes said.

Two musical numbers were given by Mrs. O. P. Duvall and Mrs. W. A. Thompson—Mrs. Duvall first sang "The Song of the Lark" and Mrs. Thompson on the piano, and later Mrs. Thompson gave a violin solo, accompanied by Mrs. Duvall at the piano.

The meeting was concluded with a social hour.

Station 14 the wonder apple.—Adv.

BREVITIES

Leaves for Visit—Mrs. J. H. Umhough left Thursday for Boise for a week end visit.

Railway Man Visits—T. W. McDonnell of the Idaho Pacific railway system, arrived Thursday afternoon from Salt Lake and will spend a short time here on business.

Leaves for Jerome Daily—Rev. C. J. Smith, pastor of the Methodist church, leaves for Jerome Thursday afternoon for Jerome where in the evening he conducted a rally held by the Jerome congregation.

Scott Reducible Returns—Y. J. Hawley, district sales executive, returned Thursday from Hot Springs, Arkansas, where he spent two weeks attending a national meeting of the boy scout leaders.

Cent A Mile Rate Announced—H. W. Wagner, local ticket agent, Thursday announced a cent-per-mile excursion from Twin Falls and other points on the Oregon Short Line to Pocatello, effective October 15 only. Return limit, 10 October 18.

Firemen Banquet From Slumber—Firemen requested to be at the banquet under the Majestic Pharmacy at 8:30 o'clock, Thursday morning. A pot of meat that was left on top of an electric stove, which employees forgot to turn off, caused considerable smoke, but no damage was done.

Return From Club Convention—Mrs. H. C. Maguire, president of the Twentieth Century club; Mrs. C. J. Schroeder, Mrs. H. W. Donohue, Mrs. E. C. Thompson and Mrs. P. M. McKee returned Thursday from Hallock where they attended the meeting of the State Federation of Women's clubs.

Off to Utah—Judge E. A. Walters, superior of Utah and Idaho today left Thursday evening, in company with Mrs. Walters, for Cedar City, Utah, where he will visit the Hooper club. Judge and Mrs. Walters will be gone about one week and during their absence will visit organizations in Piner and Potosi, in addition to that in Cedar City.

LODGEMEN PAY TRIBUTE TO DEPARTED BROTHERS

With solemn and impressive tribute paid the thirty members of the lodge of Elko, who have died during the past year, Twin Falls lodge of Elko resumed Thursday evening the regular weekly meetings of the coming season. Services were conducted by the officers of the lodge, and tributes was paid to the members of two departed brothers, K. L. Dalton and R. A. Vogeler of Jerome.

\$2.35

Pocatello will return October 13th from Twin Falls. Limit October 15th. Union Pacific Station.—Adv.

Death Snuffs Out Rademacher's Life

While sitting in his chair in the lobby of the Waverly hotel here, Thursday evening at 7:15, Ed Rademacher, 39, plunged forward and expired almost instantly. Rademacher, who has been employed in the potato fields of this vicinity for the past ten years during the fall, ate dinner at the Waverly hotel Thursday afternoon, and returned apparently in the best of health ten minutes before he died. He was suddenly stricken while conversation with a friend.

A physician was summoned immediately, but death had intervened before his arrival. An inquest into the cause of death probably will be held this morning by P. J. Orosman, Twin Falls county coroner. On the basis of an external examination, death was thought to have been caused by heart failure.

Frank Heide, who was acquainted with the deceased prior to the beginning of the late war, stated that at the time of the death Rademacher had told him that he had not been accepted for the service because of a weak heart.

The deceased Monday was informed of the death of his brother and, according to loggers of the hotel, was seemingly shocked by the announcement.

It is thought that Rademacher formerly resided in Valentine, Nebraska, and he is believed to have a younger brother some where in Illinois.

The body was removed to the Gross undertaking parlors, where it will remain until word from relatives is received.

BOARD AUTHORIZES SPAN

JEROME, Oct. 7.—Jerome county commissioners have authorized the construction of a \$21,000 bridge on the Gooding-Hazelton highway in the Gooding district east of Hazelton. It is understood that the contract will be let this winter and the work commenced as soon as feasible in the spring.

DESIGNING AND DRESSMAKING

MR. C. D. MARKLE, graduate of Wolfe-school of designing and pattern drafting, of Los Angeles, has returned, and will be glad to receive all old customers; also new ones, at her home.

Mercury Drops to 37 Here at Night

Forecast for today, Unsettled with local rains.

Maximum temperature in Twin Falls Thursday was 53 degrees. Minimum during the twenty-four hours before 6 o'clock last evening was 37 degrees, the warmest night here since October 3.

Clouds that gathered late Wednesday brought with them 1/4 inches of precipitation.

Mrs. Wynne Heads Legion Auxiliary

Mrs. Patrick Wynne is to be president of the Twin Falls chapter, American Legion Women's auxiliary for the coming year, according to results of a election recorded at a meeting of the chapter members Thursday evening at the home of Mrs. Merita Hatley. Mrs. Wynne, as president, will succeed Mrs. A. Wilson Peck, retiring president of the chapter. Other officers were elected as follows: First vice president, Mrs. John Harvey; second vice president, Mrs. Dix Cady; secretary, Mrs. C. H. Perkes; treasurer, Mrs. Hedrick Smith.

Reports on recent state and district conventions of the auxiliary were given at this meeting by Mrs. Merita Hatley and Mrs. A. Wilson Peck. Hostesses were Mrs. W. P. Powers, Mrs. R. P. Parry and Miss Bertie Pink.

EXIDE BATTERY STATION ESTABLISHED BY WAITES

Battery station has been established at 222 Second-avenue east in premises formerly occupied by the Schwartz automobile repair shop, by Kyle M. Waite, electrician, and his brother, Ed Waite, who has been associated with the Willard battery business for more than 10 years. In addition to distributing and servicing Exide batteries, the new firm will repair and recharge all other makes of automobile and radio batteries. The electrical business, established some years ago by Kyle M. Waite, will be continued under his management.

SEVEN RECORDS BROKEN IN TILT

New Marks for World's Series

Play Put on Baseball Books; Ruth Accounts for Six.

ST. LOUIS, Oct. 7. (AP)—Seven new world's series records were put on the books Wednesday by statisticians who found the going as tough in the fourth game as did the Cardinal pitching corps.

Into Ruth personally accounted for six of the new marks as follows:

- 1—Most home runs for one game—three, breaking former marks of two held jointly by Harry Hooper of the Red Sox, Benny Knopf of the Giants and Ruth.
- 2—Most home runs, total series, set on, breaking old record of six, set by Goheen in 1924 and 1921. Ruth hit one home in 1921 and three in 1925.
- 3—Most total bases in one game, 12, breaking mark of nine, set up by Hooper in 1915.
- 4—Most extra bases, one game, nine, breaking former record of six, held jointly by Ruth, Knopf and Hooper.

News Want Ads which the people you wish to attract.

ing record, first made by Mike Donlin with Atlanta in 1903 and equaled by many others.

6—Most extra bases, total series, 27, breaking Ruth's own previous mark of 18.

7—The seventh and final record for one club's total bases in a single game was set by the Yankees, whose 11 hits in total for 24 batters, reflecting the mark of 27 made by the Giants in 1921.

NEW MONEY RECORD

ST. LOUIS, Oct. 7. (AP)—The world series records were broken right and left Wednesday by the players of the St. Louis Cardinals and New York Yankees as they received their reward.

If the player's portion of the world series fund is divided into 20 parts, the winning players will get \$2,304.55 while on the losing team the losers will receive \$2,727. The players themselves fix the division of their spoils. There may be more than 20 shares.

The players' share in the receipts divided in the first four games, amounts to \$12,200.51. Divided, 60 per cent to the winning club and 40 per cent to the loser, the winner will collect \$223,000.21 and the loser \$148,670.28.

The largest individual player share before the record breaking 1924 series was in 1923 when in the first four games of the series between the Yankees and Giants drew \$288,753.04, each winning player getting \$14,437.65 and each losing player \$9,625.10.

OFFICERS SEIZE LARGE SHIPMENT OF FOODSTUFF

PORTLAND, Ore., Oct. 7. (AP)—What is said to be the largest seizure of foodstuffs ever made in Portland under the provisions of the pure food and drug act was completed Tuesday by deputy United States marshals and representatives of the federal bureau of chemistry, when approximately 20,000 cases of alleged adulterated canned salmon were seized at the Lauenbach Steamship company's docks.

The action followed the filing of two bills in the federal district court by Forest E. Littlefield, assistant United States district attorney. The shipments were the property of the Alaska Portland Packers' association and were brought to Portland from their plants at Naknek and Shtakagak, Alaska. The seizure is said to be valued at approximately \$250,000.

According to the complaint the shipment, fully composed and partial animal meat contains articles of food in which substances "have been substituted for normal salmon. A number of smaller seizures have been made recently by the government, following investigation by the bureau of chemistry, but this is the first of this magnitude.

Time flies, and butlers are chthonous, undertakers are morticians, wiremen are electrologists and truste are mergers. —Detroit News.

Candidate Likes Twin Falls Region

BOISE, Oct. 7. —Mrs. Mabelle McConnell Lyman, republican nominee for state superintendent of public instruction, who returned to Idaho recently after her trip over southern and eastern Idaho, spoke particularly of the receiving accord for in Twin Falls, which she said is the national center of the potato business.

Mrs. Lyman attended a Business Women's club luncheon and responded to a request to "speak" about the state of the potato industry of the department which she hopes to have in charge.

Mrs. Lyman expressed herself as being delighted with the city of Twin Falls and the Twin Falls section. Mrs. Lyman is meeting with a very lively response throughout the state wherever she has been here, and this week she is a guest of honor at the state convocation of the Federation of Women's clubs, being held in Idaho.

Differences in Flour

The difference between whole wheat flour and grain flour is that there is less coarse bran in the so-called whole wheat flour than in the grain. Alexander Graham was the first to advocate milling the entire wheat, adding nothing to it and subtracting nothing from it. In some mills the whole wheat flour is a product of the whole wheat put through a process to take out the coarsest bran.

RETURNS TO AMSTERDAM FROM TRIP TO WISCONSIN

AMSTERDAM, Oct. 7.—Mr. and Mrs. Guy Peters were visitors Sunday at the Bullman home. Mrs. Peters had just returned from a motor trip to Wisconsin, former home of both herself and Mrs. Bullman.

Charles Peters is running the Bullman cream route during the absence of Mr. Peters, who is the regular driver. Elva Niccum has returned to his home near Ellers after finishing his work on the Dale Kunkel farm where he had been employed the past six months.

Misses Waite and Hoffman were Saturday shoppers in Twin Falls, returning until Sunday to spend the week and with home folks.

Lakes and Seas
Most geographers classify the Caspian sea as a sea. The term "sea" is generally applied to a great body of water, especially if salt, connected with the ocean. However in the October term, 1851, by the Supreme court of the United States held that the Great lakes were seas in the legal sense of the term. The Caspian sea, occupied by the Caspian sea, is part of a great basin, which in recent geological time included the Aral and Black seas, and probably connected by an arm with the Arctic ocean.

FOR A LIMITED TIME

SPECIAL TWIN OFFER on the famous THOR Washers

\$5.00 down
Balance in Easy Monthly Sums

AGAIN—the Electric Shop comes forward with an offer that will appeal to every woman who has wanted a Thor-Electric Washer.

A LIBERAL ALLOWANCE ON YOUR OLD WASHER

—And it is well to remember that this extraordinary offer is to last but a short time only. Don't let the opportunity pass by. Plan to take immediate advantage.

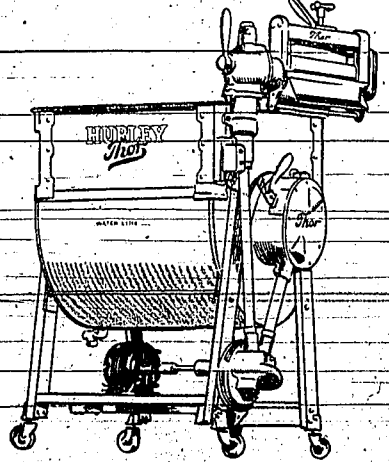

WE make this special offer in order that any woman may enjoy the advantages of washing the electric way.

—You pay only \$5.00 down when you pay the balance while you are using your washer. The monthly amounts no larger than the savings it makes.

—In addition to these attractive special terms we will make a Liberal Allowance for Your Old Washer on the purchase price of a new Thor.

—This is a golden opportunity for you to free yourself from the wearisome, back-breaking labor of washing over a tub and board. A Thor will make washing a pleasurable task.

—Come and investigate — NOW!

HERE is the Electric Washer that nearly a million women have selected again and a field of more than one hundred rivals.

—An Electric Washer that washes clothes without rubbing — that "dips" the clothes clean just as you wash faces.

—An Electric Washer that is so sturdy and well constructed that it should give you a lifetime of satisfactory, trouble-free service.

—Thor Washers have twenty exclusive patented features that make for greater efficiency and ease of operation.

—A Thor Electric Washer will do a large family washing in 1 1/2 to 2 hours — less than one-third the time required to do it by hand and do it better.
