CUBS WALL UP FILER KITTENS

Brin Second Team Registers
a 44-to-0 Victory Over Junior
Wildcat Aggregation.

Coach R. V. Jones' Brin Cubs have great goals of Wildcat Kitten have already yesterday at the Wildcat team and moved home yesterday 44 to 0. From the kickoff the Cubs had things their own way and the first quarter saw them roll the line for two touchdowns. Both came as the result of straight footed. The Kittens were somewhat towed down during the game and while the Cubs did little but plug the line during the first half they rolled up 25 points.

During the second half of the battle the Cubs resorted to wild runs and some open field work were successful in breaking several kicks that would have touched down. The Cubs, living up to the reputation of the Brin football wall, was well again impregnable and the Kittens were in the wrong to get through it. The Wildcat underdog made but few first downs during the game while the Cubs were making gains the first driving a great part of the game.

Star for Brin Kittens.

The Wildcat line held at times but the plugging of the heavier Cubs back was the answer for the youngsters. The Cubs, Haines, Kumpson, Schuman and Tim Robertson carried the honors. All were able to make successful gains through the line and Haines got away on several end runs that almost won for touchdowns. The line kept and Haines was late, extra play was stopped many a line back as it reached the line of scrimmage. Maxwell and Long at ends did extra work cutting down and run before they were under way. Maxwell especially was playing a stellar game.

For the Kittens, the youngest of the Allison family was the outstanding player. His tackling was all that saved a larger score on several occasions. His drive was good and when he did meant a stopped Cub. The diminutive quarter also ran his team in size shape. Several substitutions were made in both sides. Filer—going practically to the limit—went out as a fullback for the Cubs. The Kittens were not able to get away by having some of their best material away with the Wildcat squad at the game. A good sized crowd thronged the field for their respective teams.

DIFFICULT TRAIL

WASHINGTON, Oct. 14 (AP)—The trail of a nameless Marine who was killed in action during the last war, was followed by a group of men in the past today who have given their names to the trail to follow in an effort to find out his real name and home.

Appeal after appeal has been broadcast, posters printed and finger prints distributed here and abroad, but every trail undertaken has led officials nowhere in the hunt.

REGULARS SEE CUBS TRIUMPH

Plastino Takes First-String
Bruins to Filer Game as
Rooters; Meet Burley Today.

Plastino gave his Bruins no rest last night and took them to Filer to see the Cubs' triumph on the Wildcat. The team found a "center" section all its own and succeeded in making themselves heard along the line.

The Bruins will have this afternoon for Burley to engage the Sugar City team for the day. The Bruins are eager to win this contest, but they sometimes are not accurate. The Bruins will probably use a new style of play with the Sugar City team, and some new plays that have been on the roll for the past week. Sullivan and Berg will probably not start. Sullivan is suffering from a bad arm and Berg is nursing a sore shoulder.

Some shifts in the line may also be made, but all probabilities in the same air-tight forward wall will be in place for the start of the contest. The game is called at 3 p. m.

Gooding Idle

The Gooding aggregation do not look to be scheduled for today and will probably take a rest, getting ready for his district contest, which starts next week, with Wendell as the opponent in the district.

Bull and Jepson will run on Morris field and the result will eliminate one team from the district race. Jepson fielded today in the game, but had the advantage of the east end team, and had defeated Oakdale last week by two touchdowns. All of which might go to show that the two teams are somewhat evenly matched.

Report will meet Oakley on the Report grid and the Report gridsters are poised to win this contest. Report made a good showing against Allam. Norman last week, although they were defeated.

Kindly and Peck will battle on the field, and while both teams have been defeated by large scores, they are evenly matched.

West Games Hold Interest

The outcome of the week-end football game between the Nampa Filer and the Nampa Filer. Nampa is touted as a strong state title contender, and should the Wildcat meet their only hope, the Nampa Filer, the title would have to look for a new contender. The outcome of the Boise-Caldwell contest will also be watched with interest; the Caldwell eleven being considered strong, as is also the Capital City team. These two teams do not meet until Saturday.

FOUND GUILTY OF CHARGE

SHARON, Oct. 14 (AP)—William Shelly, alleged owner of the Ku Klux Klan, was found guilty of kidnapping and was sentenced to 10 years in the Idaho State Penitentiary.

Shelly, in his defense, declared he had never owned the Klan, but was only a member. He said he had never seen his superiors in the Ku Klux Klan. The latter two are in custody awaiting trial.

ASQUITH RESIGNS AS LEADER OF LIBERALS

LONDON, Oct. 14 (AP)—Lord Oxford and Asquith, whose criticism of the policy adopted by Lloyd George during the general strike last May, revealed serious discord within the Liberal party, today resigned his leadership of the Liberals.

His resignation probably will be followed by the election of Mr. Lloyd George, now Liberal parliamentary leader, to the leadership of the party, although there are other aspirants, including Sir John Simon, one of the critics of the former premier in recent months.

In his letter to the Liberal party announcing his resignation as leader, Lord Oxford, indirectly attacked his action, which he described as irrevocable, to the discussion which has arisen between himself and Lloyd George. He declared that he was deeply convinced of the correctness of his own attitude toward the general strike, but that he could not and could not take part in internal political controversy.

NEW YORK, Oct. 14. (AP)—Queen Marie of Romania may be about to learn that in a democracy the wishes of a queen are not always taken as commands.

Proceeding to America on the Leviafan, the queen expressed a desire to have the New York's famed skyline from the deck by the time she straws up the bay with its information to the American Legion at Washington.

But Mayor Walker's official reception committee had planned things differently. And, what is more, it was officially announced today that the city does not intend to make any changes in its reception plans.

LEGION REJECTS COURT PROPOSAL

**Service Men Refuse to Real-
firm Stand on World Trib-
unal; Now a Political Issue.**

PHILADELPHIA, Oct. 14. (AP)—The national convention of the American Legion today refused to reaffirm the action taken at the Omaha convention last year when it favored the adoption of the United States to the world court.

The action came suddenly after speeches had been made to effect that the world court question had become a political matter and that for the legion to take a hand in partisan matters was a violation of its constitution.

Opponents of the resolution of reaffirmation did not discuss the merits of the world court question, but confined themselves to the declaration that it was a political question.

The question of a unified air service for the army and navy was voted for another year after the convention committee on aeronautics had adopted a recommendation that there be one department of air service with separate offices of equal importance for both sea and air forces.

The committee, after long conferences, was prevailed on to change the recommendation to an expression that it "back with favor upon" the proposition. The committee also agreed to the appointment of a committee of nine to study the entire question and report to the next convention.

San Antonio, Texas, won the 1925 convention of the legion after a contest with Miami, and Denver. The Florida and Colorado cities made the selection unanimous after they saw the way the delegates were voting. Detroit withdrew her invitation with the understanding that it will be renewed for the 1928 meeting.

Next year's convention will be held in Paris, France.

The convention will adjourn tomorrow after the election of a national commander and five vice-commanders.

The report of the military affairs committee, adopted by the convention stated that the American Legion favored the military for the maintenance of national defense should be a regular army of 12,000 officers and 125,000 enlisted men, in addition to the recently authorized increase in the air corps.

REPORT SHOWS IDAHO AT WORK

Government Survey Declares Industrial Employment Con- ditions Satisfactory.

A picture of activity in many fields of work in Idaho is contained in the industrial employment survey report for September, which sets of general conditions in the state.

Manufacturing employment was satisfactory in most parts in all sections of the state. The supply of all classes of labor is reported to be in good demand, except for a shortage of experienced metal workers. Full harvesting of the fruit and vegetable crops provides temporary employment for hundreds of workers. Harvesting of the sugar beet crop, which commenced the latter part of September, created employment for several hundred highly migratory workers. Employment, particularly in excess of normal, is reported in the sugar factories, which will commence seasonal operations during October. Many of the harvesters are well-skilled workers, with traditions that sufficient local factory labor is available locally. Metal mining continues increasingly active, with much new construction and development work under way. Comfortable found metal industry are active.

Building and general construction is active in certain sections of the state. Approximately 200 new men are engaged on construction of a large lumber mill, which is nearing completion at Lewiston. Other construction work is indicated in the construction of a fish hatchery at Blaine, a courthouse at Rathfron, hotel structures at Idaho Falls and a new opera house at Payette and a creamery building at Blackfoot. Building work of all classes is active in the state. Highway and municipal improvement construction continues to afford steady employment for several hundred workers. Lumbering is active; roads work increasing. Several lumber camps are being opened up with numerous men engaged in active logging operations. Saw mill operations are decreasing somewhat, this being a seasonal building.

Shipping of agricultural crops is causing the addition of many employees in railroad train service departments.

BUHL REVIVAL MEETINGS NEED LARGER QUARTERS

WILL, Oct. 14 (Special to The News).—Revival services conducted by Dr. Copeland of Buhl, Idaho, in which thousands of Buhlers are participating, moved Wednesday night from the Methodist church to the high school auditorium, in order to accommodate the multitudes that have increased in size each night during the week since the meetings began.

Dr. Copeland is an evangelist of nationwide fame and has been invited to conduct revival meetings in many states. His method of preaching, with out trace of sensationalism. Associated with Dr. Copeland in the meetings here are Rev. Guy W. Jones, director of singing, and Mrs. W. Jones, pianist.

A choir of a hundred voices and an orchestra of several pieces have been formed.

STOP SIGNALS PLACED ON BUL THOROUGHFARE

An ordinance setting up traffic rules that are almost identical with those recently adopted for Twin Falls, has been approved by Buhl city council for regulation of traffic in Buhl.

The Buhl ordinance designates Broadway as a "through street" and provides that motor vehicles shall come to a full stop before entering that thoroughfare, except at the intersection of Main street and Broadway avenue.

The T. L. L. National will conduct a Summer Sale at Payette. Some new and a couple of good suits at Mrs. Nelson's store on Saturday.

GASOLINE ALLEY—A LONG HAUL

Potato Harvest in Full Swing at Eden

EDEN, Oct. 14.—Potato harvest is in full swing here among the farmers who report that this season's crop is considerable better last year in both quality and quantity. However, farmers who purchased dry land seed last spring are obtaining excellent yields. Prices quoted by buyers are considerably above what they were a year ago. More than 50 per cent of the crop is being stored for higher prices. The heavy frost in September checked the growth of the tubers, or rotted some, potatoes, which materially reduced the yield at least 15 per cent. Very little field food is being found.

Mr. and Mrs. Earl S. Young were here Friday evening from Twin Falls, calling on friends. Mr. and Mrs. Young made their home here at Eden for several years, where Earl was cashier of the Eden State bank, leaving here three years ago to go to San Francisco, where they have since made their home. They arrived in Twin Falls recently for a visit with Mr. and Mrs. Willie Young, parents of Earl Young.

Mr. and Mrs. John Craig and Mr. and Mrs. Virgil Davis and families spent Sunday with relatives at Hansen.

Miss Esther Barnes returned to Albion Monday morning to resume her studies at the Albion Normal school, after spending the week and here with her parents, Mr. and Mrs. R. H. Hansen.

Mrs. Lavella B. Thornton, formerly county superintendent of schools, made an official visit to the Eden school, last Thursday.

Mr. and Mrs. S. A. Bartholomew of Twin Falls were business visitors here Monday afternoon.

Mr. and Mrs. Kelly arrived here Wednesday evening for a few days' visit with friends, en route to Los Angeles from Doulton, Michigan. Fred Kelly, in the garage business here at Eden for several years and was also

a student of the local high school. The Kellys left here six years ago and have been making their home here since in Michigan. They will continue their journey within the next few days for the coast city, where Fred will accept a position with a mail company.

Mrs. Bert Alder of Halley visited over the week end here with her son, Marion Bertram, and family. She was accompanied on the trip by Mrs. Williams, also of Halley.

Mr. and Mrs. William Farley were guests Sunday at the home of their daughter, Mrs. Ernest Rasmussen, at Russell Lane. Mr. and Mrs. Farley are employed as teachers in the Mustang schools. They also taught here at Eden a few years back.

John W. Brennan, Duwatto contractor, and who had the contract for erecting the school building here last summer, was a business visitor here Saturday.

Mr. and Mrs. Ed Packham and family, George Packham and family have left for their new home at Rosburg, Oregon, following the holding of a farm sale last Thursday.

Miss Lola Henry, who is receiving her first experience as a school teacher this year, arrived home from Richfield Friday evening to spend the week end with her parents, Mr. and Mrs. H. J. Henry. Mrs. Lola is employed as a teacher in one of the primary schools near Richfield.

Miss Edith Solery, primary teacher in the Hansen schools, spent Sunday here with her friends.

A large delegation of Eden basketball fans motored to Twin Falls Sunday to watch the basketball game between Eden and Dorch.

Leo Triple and family have left for their new home at Grangeville, Idaho, following the disposal of their farming equipment at a sale held last Monday.

Mr. Triple having leased a farm near Grangeville.

John Craig, Ray Powers, Virgil Davis and Art Graham returned Friday evening from a week's successful hunting trip up in the Stanley Basin. Earl was successful in bringing home a deer.

TRIO OF MORSES FIGURE IN NEW YORK FRAUD CASE

NEW YORK, Oct. 14. (AP)—Identification of three men, known as the "Morse Trio," and other records which the government expects to prove its charges of using the mails to defraud continued today in the trial of the three sons of Charles W. Morse and 10 other defendants.

The Morses, Edwin A. Harry P. and Benjamin W., and their co-defendants, are charged with mail fraud in connection with their handling of the affairs of the United States Ship Corporation, the United States Transport company and the United States Steamship company.

The alleged frauds were committed in 1919 and the indictments were returned in 1922. The older Morse is not on trial.

TRIO OF MORSES FIGURE IN NEW YORK FRAUD CASE

NEW YORK, Oct. 14. (AP)—Identification of three men, known as the "Morse Trio," and other records which the government expects to prove its charges of using the mails to defraud continued today in the trial of the three sons of Charles W. Morse and 10 other defendants.

The Morses, Edwin A. Harry P. and Benjamin W., and their co-defendants, are charged with mail fraud in connection with their handling of the affairs of the United States Ship Corporation, the United States Transport company and the United States Steamship company.

The alleged frauds were committed in 1919 and the indictments were returned in 1922. The older Morse is not on trial.
