## ARID MEMBERS SCORE AS BILL PASSES HOUSE

**Prohibition Enforcement Wins Runaway Fight When Treasury-Postoffice Appropriation Measure Is Approved.**

(By The Associated Press) — WASHINGTON, Dec. 10.—Prohibition won a runaway fight today with house wits who sought to check enforcement activities by depriving the prohibition unit of its annual appropriation.

With the Senate's appropriations and New York wits, had died down, the house passed the treasury-postoffice appropriation bill, with its nearly \$30,000,000 for enforcement by various agencies.

### Wets Clash One Victory

The wits scored one victory, however, when on a point of order they cut off debate on a proposal to cut off \$500,000 for advances to "grave-digger" agents, with no provision for an appropriation before expenditure. It was offered by Representative Lauder, of Massachusetts, a wet, and was unsupported by Chairman Matson of the appropriations committee. Lauder voted the point that such a fund would be contrary to existing law.

**Germans and Allies Are "Still a Good Way Apart" in Controversy Over Control.**

(AP)—TWIN FALLS, Dec. 10 (UPI)—Still a good way apart from the Germans and allies, regarding a coalition on the armaments question. All military experts were divided.

After the first session, yesterday, the Germans and allies were divided, after the second, they had agreed to get very far in the direction of recommending that the control of Germany should be put under the direct jurisdiction of the League, instead of the individual international control commission at present.

### Draft Now Report

The Germans, however, had drafted a "new report," similar to that of yesterday and sent it to Geneva for consideration by the various foreign ministers gathered there. The Germans have no desire to accept the claims of the Germans in good faith and settle the whole affair, but it is most likely the whole affair will be left to the League.

Precious to today's testimony there had been a reversal of money transfers between Dohany and Far Eastern members of the League, and the former member on November 30, 1921, when Dohany interests were bidding for naval oil contracts and leases.

### Willur Starts Pat

Secretary Willur, called for questioning as to strategic considerations which would be involved in the formation of a defense alliance with Japan, Hawaii, naval base more than five years ago, refused to bring to court official communications from Rear Admiral Alfonso Sison in 1921 and 1922. Other records which he brought were rejected by the defense attorneys and they by the witness committee.

Willur's testimony that disclosure of the contents of the Gleaves' reports would be prejudicial to public interest,

the people and public highway commission favored the bridge.

## Pershing Upholds Senator Borah in Gas Treaty Views

WASHINGTON, Dec. 10.—General Pershing believes that to banish the use of warfare gas in any form would open the way for the use of the same by the smaller powers, some of whom populations of some combatants, women and children.

His view was expressed in a letter to Chairman Borah of the senate foreign relations committee, the sole congressional consideration of the Geneva gas treaty which is up for ratification.

It went to the record while senators supporting the treaty were giving serious thought to a suggestion that the protocol be referred back to the foreign relations committee for further consideration.

The letter, in which General Pershing said he did not think it possible that the United States would fail to ratify the gas war treaty, was read into the record after the veterans' bill had been introduced in a formal three-hour examination and Secretary of the Navy Wilson, appearing under subpoena, had failed to disclose the navy's views.

Wilson, in his defense, said the navy's position was that gas is a humane weapon of warfare.

### McNary of Oregon and Jones of Washington Opposed in Heated Senate Debate.

WASHINGTON, Dec. 10 (UPI)—The differences between Oregon and Washington over the proposed construction of a bridge across the Columbia river between Oregon and Washington in the Senate today during the hour's debate on a measure to nullify the structure.

Senator McNary, Republican, of Oregon, and Senator Jones, Democrat of Washington, were engaged in a sharp debate after a two-hour session today failed to get very far in the direction of recommending that the control of Germany should be put under the direct jurisdiction of the League, instead of the individual international control commission at present.

### Amendment Would Be Fatal

Senator Jones, Republican, of Washington, sponsor of the bill, declared that the amendment, directing the secretary of war and agriculture to determine whether a rifle necessity exists for such a bridge, would be fatal.

Opposition to today's testimony there had been a reversal of money transfers between Dohany and Far Eastern members of the League, and the former member on November 30, 1921, when Dohany interests were bidding for naval oil contracts and leases.

# FOUR RECEIVE NOBEL AWARDS

Vice President Charles Gates  
Dawes Included in List of  
Honored Statesmen.

OSLO, Norway, Dec. 10 (UPI)—The Nobel Institute today honored four internationally known statesmen, including Charles G. Dawes, vice president of the United States, in recognition of their efforts in the field of world peace.

The Nobel prize for 1925 was awarded to Vice President Dawes and Sir Austin Chamberlain, British secretary for foreign affairs, for their peace policy which was pursued in Alfred Huguenin, French minister of foreign affairs, and Gustav Stresemann, Germany's foreign minister.

The Nobel medals and diplomas were presented to the four statesmen by the American, British, German and French members here at a meeting of the Nobel institute. King Haakon of Norway, and old acquaintances of the shutdown, the government and diplomatic corps were present.

Dawes Plays Day

Dr. Fritjof Nansen, addressing the institute, said that the first light shed on the darkness of Europe by Europe was the signal for the birth of the League which permitted Germany to rehabilitate her finances and commence payment of reparations. It was the United States, he said, which stretched a helping hand when the darkness was thickest.

The Dawes plan, Dr. Nansen said, was an important contribution to the policy of peace, which led to the League under the leadership of Sir Austin, Mr. Huguenin and Dr. Stresemann played a prominent part.

Dr. Nansen urged that all the governments of Europe despatching in their power every effort to keep the peace to the end that the terrible effects of war might be abolished and the future secured.

## TENTATIVE PROGRAM OF CONFERENCE ANNOUNCED

WASHINGTON, Dec. 10 (UPI)—Official word from Geneva is to the proposed League of nations arms traffic control and economic conferences will be lacking tonight but information reaching Washington through diplomatic channels indicates that the tentative agenda of the economic conference opened the door wide to such questions as the tariff, ship subsidy, rubber output control and arbitration.

One subtitle covered "obstacles to international trade arising from various tariffs and commercial treaties." In view of the hubbub stirred up in the U.S. over the proposed breakaway manifesto signed at artificial trade barriers and whether it was intended to refer to the American protective-tariff policy, administration officials may be expected to weigh very carefully the pros and cons of America's official participation.

## POSTAL CHIEF IS FIRST WITNESS IN FALL TRIAL

(Continued From Page One)

The defense summons called specifically for 45 delegates and 31 letters from Glaves before the trial, Dec. 20 and March, 1927, but yesterday White said he had no record of the summons.

The prosecution tonight numbered the inability of calling former Secretary of State Hughes as a rebuttal witness for the defense, but the trial in the Pacific at the time of the Glaves' reports, which included two months before President Harding issued his invitation to the Washington state conference of 1921.

With the announcement of Mr. Alvin M. Glaves as the new chief of the FBI, it was assumed by the Senate, virtually all opposition to such procedure disappeared and it seemed likely tonight that there would be ample and brought to Washington by order of the Senate.

## Enjoyment in Old Age

Are you afraid to face the fact of the old? Are you afraid that life may be languid and that death may, in a sense, be cheated, by making life, while it lasts, happy and useful. He often writes who permits old age to reduce him to mental and emotional poverty.

## DEFENSE OPENS IN GREEN TRIAL

Court Overrules First Two Motions Made by Attorneys for Former Dry Administrator.

SAN FRANCISCO, Dec. 10 (UPI)—The prosecution closed today in the trial of General Ned M. Green, former federal dry administrator, for northern California and Nevada, on charges of embezzlement of government liquor stores.

A number of newspaper men who testified that they saw quantities of liquor in California when a hotel room were the last witness.

Proceeding them A. D. Harlan, an agent of the intelligence unit of the investigation, told the court that he went to Cobell's grocery to obtain some liquor stores. Colonel Green met him in the lobby and gave him the key to his room, stating that he was to have his office and would be back later. He took Harlan to a quiet room where he gave him \$100.

The defense moved to strike out the short circuit, went through the Apollo theater in the midst of the performance tonight. The screens of the Apollo theater were draped in black, and the name of the film was heard in the neighboring theater, where a performance of "Cavalcade of Flowers" was in progress, causing a stampede among the thousand persons in the audience.

In opening the defense moved that the testimony of certain major witnesses in so far as B related to their conversations with each other, be struck out. The court overruled the motion.

The defense then moved to strike out those portions of the indictment relating to the possession of liquor by Col. Green, and the court granted the right to present his defense in his own behalf under the law. This motion was also overruled.

## Oil Situation in Mexico Perplexes More Than Ever

MEXICO CITY, Dec. 10 (UPI)—The Mexican oil situation has become more perplexing. This is due to reports from San Antonio that Americans on demand have or will accept the new proposed oil contract, and that the Mexican government has a feeling of confident expectation that the laws would be accepted, and details would usually well informed American companies in Mexico City that such acceptance have been made by all present.

## COACH FRAMES BRUIN SCHEDULE

Plastino Announces Tentative Program for Basket Ball Season; Begins January 11.

Couch Plastino practically completed the Bruin basketball schedule for the coming season yesterday afternoon. Twelve games will be given, and a few more may be added later.

The season will open January 11 with Lewiston facing the Bruins on home court. This will give the coaches but a short time with which to get the team in shape. The intervarsity tournament will start December 29 and the Christmas holidays extend from December 24 until January 3, so that little time will be had with the Bruins squad before the first game.

### Two Letter Men

The Bruins have but two letter men back this year but have successfully materialized which is to be expected. The letter men, Bertie Berthelot, previously have been held more or less regularly during the past month and a large turnout is being worked over. The intervarsity games will be given, and the Bruins will conduct the school. Suggestions from the coaches will be thrown out and a more complete understanding of the rules will result.

The coaches will arrange their schedules for the coming school year at this meeting. Some of the south-side schools will start their schedules this coming week, but as a whole, no games will be played before the holidays.

## RADIO MAN TO PUT UP FIGHT

Kenneth G. Ormiston, According to Chicago Newspaper, Will Battle Extradition.

CHICAGO, Dec. 10 (AP)—The Herald and Examiner tonight announced that representatives of the paper, headed by a Chicago police officer had brought Kenneth G. Ormiston, the most prominent missing figure in the "Amber Sample McPherson case," to this city. The newspaper maintained his silence regarding the McPherson case, but is quoted as saying he is willing to talk fully with his attorney, H. S. Martin, regarding efforts to extradite him. He is ready to surrender to officials of the state, but will fight effects to see justice.

The newspaper says Ormiston has got all the cards and men who will suffice during the session together so

that a uniform interpretation of the rules will be made.

Ormiston, however, will not leave

until next year, when he will be

eligible for trial.

The coaches will arrange their schedules for the coming school year at this meeting. Some of the south-side schools will start their schedules this coming week, but as a whole, no games will be

played before the holidays.

### DELANEY WINS WITH EASE OVER OPPONENT

WICHITA, Colo., Dec. 10 (AP)—Jack Johnson of Broomfield, Colorado, world champion light heavyweight, tonight knocked out Jimmie Kidney, boxer of New York, in the third round of 15-round title bout.

It was Delaney's first appearance in the ring since he won the title from Paul Bredenbeck. The champion's weight was 172½ pounds and the weight weighed 175.

**Falcon Lair, Home Of Late Valentino Sells for \$145,000**

LOS ANGELES, Dec. 10 (AP)—Falcon Lair, home of the late Rudolph Valentino, was sold at auction yesterday for \$145,000. Valentino's bid was received by telephone and came when the bidding had reached \$120,000.

Valentino, left behind when along with his screen career never levered himself up, was speeded before the public today in the first of a two-day auction.

An unoccupied tract of 68½ acres located on a hill west in Beverly Hills near the homes of many prominent picture people, was knocked down to \$10,000 by Frank M. Clegg, real estate agent, who had been engaged to sell the property.

For the first time in making all statements within the last few weeks, the writer has had the team rosters of the 30 leading high schools in the state, and the all-district selection of players of each school.

Each district has a practically every game played in the state are also available as well as the all-district selections of sport writers.

The writer has had the names of the teams and the south

have been rated for purposes of ranking the schools.

Some teams are strong due to superior coaching and others because of the abundance of athletic ability.

Thus, they have been taken into consideration.

The writer figures the champion Bengals the best coached team in the state, led by Coach W. L. Williams, who has

been released from the Lewiston football at the middle of the season following a brief with the school board.

His contract was terminated after

the loss of his wife, Mrs. Williams,

and he has been working for the

past three months as a coach for the

team.

Another piece of unprinted property containing 58 acres, his home, and four lots were scheduled to go to the highest bidder before tomorrow night.

# GLOOM PREVAILS AT GENEVA MEET

Failure of Council of Ambassadors to Reach Accord in Paris Troubles League.

GENEVA, Dec. 10 (UPI)—Considerable gloom prevailed in Geneva tonight on receipt of advice from Paris that the council of ambassadors and military experts of the Allies and Germany were still wide apart; that the allies still

found the German assurances concerning armaments unsatisfactory.

The foreign ministers assembled in Geneva undoubtedly hastened to take responsibility for failing to realize either of German armaments in view of the decision over the question at Paris. Despite the fact that the problem can be settled tomorrow, as had been expected, since the Germans are taking the attitude that they have given up all their concessions and do not care why their sincere assurances are not sufficient.

## Chinese Strife Involved

The existing inability to an accord is said to go further than first meets the eye. In some quarters the cause of the trouble is easily traced with the revolution in China which, a far eastern statesman told the Associated Press today, was steadily becoming worse, to the detriment and danger of foreigners. There is suspicion in these quarters

that exports of war material through Germany are responsible for the revolution, which has been condemned by the Allies, are receiving help from the revolutionaries, helping revolutionaries through Russia, helping in the bolshevization of China and ultimately forming a German-Russian-Chinese combination.

In Switzerland, German foreign secretary, it is pointed out, apparently finding difficulty in placing an effective embargo on the export of war and other war material to Russia, which so far as the company is concerned, is a friendly nation.

Paul Kraft, associated for the past few years with Mr. Dewitt, will devote his entire attention to the Idaho Mountain Company, of which he is the president.

Upon the formation of the new company, held by A. W. Merck of Omnia, Nebraska, was forfeited shortly before Mr. Drake became the owner.

DeWitt, who is retiring, after a number of years as head of the company that carried his name.

Mr. DeWitt, who will assume active management of the new company, is an early settler of the Twin Falls project and has been engaged in his profession for many years. He is a graduate of the University of Nebraska and has practiced in Idaho for the past 10 years.

## RAFT RIVER HIGHWAY IN FEDERAL-AID SYSTEM

BURLEY, Dec. 10—The Raft River highway, consisting of the old three-mile stretch of highway, which stretches near the Idaho State line, has been approved by Secretary Caroline, and is now included in the federal aid road system and will receive financial aid from the state road bureau.

The information was received by Burley Bulletin, received Wednesday by Frank Riblett, secretary of the Raft River Highway board, from W. A. McKinley, instructor of voice at the Idaho Technical Institute, and son of Mr. and Mrs. J. C. McKinley of Twin Falls.

Last night, before an attentive audience numbering over 100, Paul E. McKinley, instructor of voice at the Idaho Technical Institute, sang a program of songs which disclosed to the government the result of the application by the state department after formal request by Raft River people about a year ago.

A general, authentic style, ranging easily through a variety of programs, was maintained by clarity and sonority of tone which was most pleasing.

# CHICAGO WHEAT VALUES LOWER

**Smallest Weekly Export Clearance for Some Time Acts as Drag on Breadstuff Prices.**

**CHICAGO**, Dec. 10.—With North American export clearance this week the smallest in some time and with imports of the Argentine export backlog catalogued, wheat values dropped today. Chicago spot market was down 10¢ a bushel to 50¢ a bushel, while wheat rose 10¢ to 50¢ a bushel, and flour prices fell 10¢ to 50¢ a bushel.

Clearances of wheat and flour from the United States and Canada last week were the smallest since July against Argentina imports, the grain statistics. Meanwhile, the grain dealers' forecast for an improved but cautious estimate of the Argentine crop pointed to a price decline. This would be 15¢ a bushel basis, compared with a former estimate of 15¢ a bushel. Under such circumstances, and with no new export business, wheat and flour prices will probably not budge much today. There was an early rush of selling here, and the market later showed but little power to rally.

## Wheat Competition Keen

Published in the market, in which the quotations at Liverpool gave the market another chance to drop, the prospective buying in the eastern hemisphere were competing with those harvested in northern countries, and that the competition is due before the year is out. The market has been about four months erratic, but also more or less haphazard. Shipments from Russia were asserted to total 1,000,000 bushels since July 1, compared with 1,000,000 bushels last year.

Weather, expected to bring about larger receipts of corn, tended to weaken the corn market.

The market with a good class of living and turned strong in the late trade.

Provisions were responsive to weakness, both of living values and of corn.

Eddie Moyle, grave, clapping; Margaret Neuman, marshall; Argia Shearer, organist; Bettie Johnston, Adair, Fay Cauldin, Mrs. Peter Haug, Esther; Laura Hawkin, Dorothy, Helen Deacon, Helen; Lena Heidrich, warren Arthur, Scholten, sentinel.

The Filer American Legion Auxiliary held its regular meeting Monday evening. L. J. Johnson, president, Mrs. Eddie Moyle, first vice president, Mrs. Fred and Ed Heidrich, and Willard Davis served a delicious lunch.

Hearing the birthday of Mr. F. C. Graves, Mrs. F. C. Graves entertained their two sons, Claude and Eddie, and their wives Sunday.

Mr. and Mrs. Paul Herer of Twin Falls were guests at the Charles O'Neil home Tuesday evening.

Mr. and Mrs. W. L. Sinclair of Twin Falls dined on their daughter, Miss Paul Sinclair in Filer on Thursday afternoon.

Miss Charlotte Pond, county superintendent of schools, and Mrs. Elmer L. Worrell, county treasurer, called at the A. M. Scholten home Wednesday.

Mrs. Louisa A. Macleay entertained during Tuesday evening Dr. and Mrs. T. L. Cartney and family, Mrs. Bert Cartney, of Norfolk, Nebraska, and Dr. and Mrs. F. E. Drake and family.

The Torch club of the Filer rural high school held a meeting and induction at the high school Wednesday night. The torch was served following the induction.

Mrs. Maxine King and daughter, Miss Blanche King of Twin Falls spent Wednesday evening at the home of Mrs. F. C. Graves.

The girls' glee corps' basket ball team played the sophomore team Wednesday afternoon, the score being 10 to 21 in favor of the sophomores. The eighth grade girls played the sophomore team in basketball, winning 8 to 12 in favor of the sophomores.

Mrs. Louise Mosley will leave the last of the week for Wyoming, Nebraska, to spend the holidays with relatives and friends.

Father Louis J. F. and A. M. at his regular meeting Thursday night announced the following officers for the coming year: President, F. C. Blackford; Vice President, H. E. Hammon; Recording Secretary, H. E. Hammon; Financial Secretary, H. E. Hammon; Auditor, H. E. Hammon; Trustee, Guy H. Shearer. Installation has been set for next Thursday night, at which time a short program will be given by members of the unit, followed by a refreshment.

**DODGE BROTHERS SALES  
AT NEW RECORD MARK**

Total deliveries of 1,110 new motor cars and trucks by Dodge Brothers dealers in United States and Canada during the week ended November 29 have exceeded all previous weekly records established during the last quarter of any year. Compared with the same weeks of last year the gain is 35 per cent and compared with the corresponding period in 1925, 26,000 cars were sold in the same period.

For the month of November, 1926, total deliveries for the four weeks of November totaled 13,670 units, a substantial increase over the preceding four weeks of October and a gain of 25 per cent over the corresponding four weeks of November, 1925, or 320 per cent.

The official figures just released by the Dodge Brothers show that the company is more than doubling production of motor cars and trucks in the United States and Canada during the first ten months of this year from interest to the excellent record established by Dodge Brothers, Inc.

Total production of motor cars and trucks in the United States and Canada during the first ten months of 1926 was 469,000, compared with 236,000 during the corresponding month of 1925, a gain of over 10 per cent. From January 1 to November 1 this year Dodge Brothers, Inc., dealers in the United States and Canada have produced and sold 368,611 motor vehicles against 225,018 during the same period last year, a gain of 66 per cent.

For the month of November, 1926, Dodge Brothers, Inc., dealers in the United States and Canada have sold over the first 10 months of 1926, 1,102,100 per cent, that of the industry, 16 per cent.

These official figures just released by the Dodge Brothers show that the company, local dealer, "show that this year is more than three times as great as that of the entire country." The company's car production during these years has grown over six and a half times to now as the total of all American motor car manufacturers. I can conceive of no more remarkable record than this, showing the increasing popularity of the present type of car which Dodge Brothers have built over 1,800,000 in 12 years."

**ANNOUNCEMENTS**

The State Social club will meet in the Business Women's Club room Monday afternoon. Mrs. Paul Julianson's committee, who has charge of the program, has asked that each one bring a "white elephant" gift.

# THOMPSON GETS LONG TERM FOR GRAVE OFFENSE

Evidence Uncovered by Twin Falls Probation Officer Convicts Former Buhi Man to Serve 25 to 50 Years.

Dismisses following the disappearance of the 11 year old son daughter of Jack Thompson, the former Buhi man who was accused of killing his wife, Huguette, also who was away from her home at Laramie on the day before last Thanksgiving day brought about legal proceedings, a trial of which was held yesterday in the Idaho Falls courtroom of Judge W. E. Johnson in Lewiston to serve a term of from 25 to 50 years in the Idaho state prison, according to the news service.

When confronted with evidence based on these disclosures, according to the advices received here, Thompson pleaded guilty to criminal charges in volving his step daughter.

#### Advices, Evidence

John R. And, Twin Falls probation officer, working in the county office, disclosed that in the course of the eight days period preceding Saturday was advised on December 2 by the sheriff of Walla Walla, that the girl was still living, that she was well and believed to have gone to Buhi.

The girl was located by Mr. And, who successfully exerted efforts on the part of her mother and step father to have her removed to Lewiston while uncoordinated investigations indicated Thompson's guilt. Statement of the girl and some corroborating evidence was obtained and forwarded by Mr. And to the assistant attorney general, Lewiston. Thompson confessed to the crime when confronted by this evidence.

#### Makes Long Journey

The girl told Mr. And, that she had left her home at Lewiston because of trouble, but that she had been unable to get work in Lewiston, so she made the trip from Lewiston to Walla Walla in one day, she said, on the second day she traveled from Walla Walla to Lewiston riding considerable distances with individuals whom she met on the road. The woman and her family, consisting of his wife and seven children and step daughter, lived for about three years in Buhi, and during the summer and fall moved by stages to Lewiston.

#### BUSINESS ORGANIZATION FACTOR IN DAMAGE SUIT

Clear-Boals and Company, Twin Falls electrical firm which was recently dissolved, was a co-partnership, but was a concern in which John N. Clark and W. S. Boals were partners in a trust, each with joint responsibility. It was stated Friday by Mr. Clark, this situation is important in view of the fact that the Clark-Boals company is involved as the party defendant in a suit held in district court here by Nora C. Kalluck for \$2500 damages for alleged fraud in a real estate transaction.

The complaint charges that J. E. Montgomery and Claude Sig negated the trade and implied that Boals render some assistance in drawing up papers. Clark figures in the complaint only as a purported partner in the Clark-Boals company and as a breasted reader.

#### ELKS TO HAVE CHARGE OF FUNERAL SERVICES

Twin Falls Lodge of Elks will have a chapter of funeral services at 2 o'clock this afternoon in the Grosvenor Chapel here for the late Frank McElroy, member of the lodge and a former resident of Twin Falls, who died yesterday in a mobile home at Wedgewood Park in Boise, Idaho. A brief action, it is to be delivered by Dr. H. G. Humphrey, pastor of the Methodist Episcopal church, floral will be in the Twin Falls cemetery.

Pallbearers chosen from among friends here of Mr. McElroy will be John Iron, D. M. Clayton, S. W. Summers, H. M. Holler of Twin Falls, and John McNab and Elmer Martin of Buhi.

#### YOUNGSTERS TO SEE SHOW

Lack of the price of admission will not prevent Twin Falls girls and boys from attending an all comedy show at the Idaho Falls today. It was announced by Joe K. Hanson, who will be here as host of the show this morning to the "pink kiddies" of Twin Falls.

They are the first kiddies interested who are able to afford the luxury of seeing a show, because of the fact that their parents have met with temporary financial reverses and can't afford to pay the price of admission," the theater manager said.

Invitation is extended to the parents to come with the children and see the show or to give a signed note to Joe K.

Don't forget the Bumming Sale Friday and Saturday by the Legion Auxiliary, in Schramm-Johnson Building, adv.
