SHELLEY WILL MEET BUHL IN TITLE CONTEST

Idaho Falls Sextet Defeated by Barry's Girls; Caldwell Triumphs Over Leasure in Consolation Event.

BUHL, March 11 (Special to The News)—The annual girls' basketball tournament, the one and only day of the girls' state basketball tournament here, Buhl defeated Caldwell two games in the consolation event. Shelley defeated Caldwell in the first game of the tournament, and drew the bye for the second evening. Leasure was again defeated by Caldwell last night.

Buhl will meet Shelley tonight for the state title and Caldwell will meet Idaho Falls for second place. Both should be good games and tournament officials expect a large attendance.

The Buhl district champion, defeated the best Idaho Falls girls in a thrilling game, before a large crowd in the Buhl gymnasium last night.

Upper Valley Girls' League. The girls' league of Idaho Falls played an exceptional game getting the jump from Bliss' center and covering the mid-court effectively and in a very short time. Idaho Falls showed the effect of their work by a close "show" in the first half.

After the first half, the girls' league was of the opinion that Idaho Falls would have given Buhl a run for its money if they had not been hampered by turning their car over on the way to the tournament. It was a good game of basketball, the spirit of which was reflected by the number of substitutions made by both sides and the fast tempo.

Nonshooters Vanquished. Caldwell defeated Leasure in a game featured by the clever teamwork of the Buhl center. The Caldwell team was unable to break their range opponents, and Caldwell's offense kept the ball down the floor above their reach.

The outstanding player of the game was Leasure, who scored 30 points. She received the ball, and her accurate shot was the more conspicuous. Caldwell's weakness in the guards who were constantly charged by the Buhl center, and Buhl's guards seemed to cover the ball in possession of the ball, who would pass and pass to the true forward in an easy shot. But for this weakness, Caldwell's game would have been a close contest to the last moment.

Selwood of Sleepy Cat

By FRANK H. SPEARMAN

He kept, down till Selwood had finished, "head-down in ten tonight—oh, Bill," he said in an undertone.

"A dead man," responded Selwood composedly, and added: "This just time there's something new, Bill."

"Parade, examining his grizzly neck at the surprising words, bent his body eyes close down on the pale-looking Selwood. He started for back, but then without words he drew back his head—the dead woman was there."

"You're not only a little wide long, Selwood," he continued, "you're a little over-weighted, too. You've got to lose some weight."

"Ever since I was big enough to set up on my feet with my dad, God bless his old man, I've been a little fat."

"I believe in the cards," answered Selwood meditatively, "but this time, I believe in the cards."

"Which way you leaning?" asked Selwood. "I don't know," answered Selwood. "I don't know."

"Which way you leaning?" asked Selwood. "I don't know," answered Selwood. "I don't know."

COURT DECLINES TO TAKE HAND IN ARTISTS' CASE

Young Men, Solicitors for Photograph Enlargements Must Stand Trial for Violating Ordinance; Habeas Corpus Fails

In habeas corpus proceedings in district court last Friday, Judge William A. Babcock declined to intervene in the case of six young men solicitors for enlargements of photographs who are held to answer in district court for charges of violating Twin Falls ordinance prohibiting the same.

In ruling in the proceedings, Judge Babcock said the ordinance would be considered valid against persons operating within the state. The court declined in these proceedings to enter into an inquiry as to whether the men who are held for trial were engaged in interstate commerce.

Each of the six young men who are members of a crew employed by the Chicago Photographic company, furnished bond in the sum of \$100 for appearance in police court at 10 a. m. today. They were arrested by the police last Wednesday afternoon, after they had carried on their business in Twin Falls for only a little more than one day.

The Fortune Wheel

Their methods of solicitation are said to have included use of a "wheel of fortune" by means of which prospective patrons were induced to purchase one engagement with promise that a second picture would be given free.

Here is the ordinance which the young men are accused of violating: "Any person, firm, corporation, who either for himself or as agent for another, by means of coupons, tickets or partial payments, solicits business in Twin Falls pertaining to photography, copying or enlarging pictures shall pay a license fee as follows: For the first day, \$25; second day, \$15; and every day thereafter, \$10."

Violation of the ordinance is declared an offense punishable by maximum fine of \$100.

The young men solicitors gave the names of S. B. Ellison, T. B. Snyder, C. W. William Berry, N. Larson, J. W. Mudgett.

They are represented by E. V. Larson, attorney. The case for the city is to be handled by E. M. Sweeney, city attorney.

Students Present Tarkington Story

The guests of honor were the "Salmon girls" basketball team, together with their coaches and officials of the school, who expressed appreciation of the program through their presence. L. A. Williams, who spoke briefly at the close of assembly, Miss Pauline Schwartz, who coached the play, presided over the business as only one of the players had ever appeared on the stage previously.

The parts were cast as follows: Mrs. Briggs, Helen Bergette; Laurence Briggs, Luther Bruce; Jessie Briggs, Dorothy Dinkelacker; Rupert Smith, Malloy Fisher; Mrs. Catherine Williams, Mrs. Williams; Mr. J. Williams, William Roberts; Mysterious Voice, Ted Williams.

SUPREME COURT AWARDS CLAIM TO C. W. AND M.

Habo's supreme court has awarded to the Consolidated Wagon and Machine company a claim on account of two promissory notes amounting to approximately \$1000.

The supreme court's award which was made known last Friday, reverses judgment rendered in district court at Fairfield in 1924 in the case of Davis against the Consolidated Wagon and Machine company, and under the case discovery appeal was taken to the supreme court for the company by Harry Bennett who succeeded the late James H. Wile as attorney for the company in this case.

DROPS CHARGES AGAINST PATE

Young Man Under Sentence of Imprisonment Goes Free After Two Years.

Burglary charges against Paul Pate, who has been under sentence of imprisonment for nearly two years, were dismissed by Judge W. A. Babcock in district court here Friday on motion of O. W. Wilham, county attorney.

Judgment on conviction in the late case was reversed in an opinion lately handed down by the state supreme court, the case being remanded to the district court here for retrial.

Since the trial two of the principal witnesses for the prosecution have gone out of the jurisdiction of the court, the county attorney stated.

Pate was found guilty of burglary in connection with theft of a leather jacket and other merchandise taken from the Golden Rule store here in January, 1925. He was sentenced to serve one to 14 years in the state prison.

GRANGE MASTER RAPS SESSION

W. W. Deal, Head of Organization, Criticizes Action on Tax Reform Measure.

W. W. Deal, master of the Idaho state grange, in an address delivered here Friday evening at an open meeting of the Twin Falls grange, criticized the session of the state legislature just closed for its failure to meet legislation necessary to protect the interests of the farming industry. This measure, he said, would have relieved the agricultural industry and tended to equalize the tax distribution in the state.

The state grange master spoke on the subject of "Marketing and Cooperation," by the voice of the address he outlined the objectives and importance of the grange organization.

Approximately 150 members and invited friends of the grange attended the meeting, which was held in the Business and Professional Women's club rooms.

A program of entertainment that preceded the state grange master's address included a piano solo by Miss Elizabeth McCall, "Tillie" song by Ed Wright with piano accompaniment played by Miss Charlotte Vogel; instrumental duet, Arthur Thompson and Oliver Henderson; original poem, Mrs. L. S. Ayler; vocal solo, Mrs. Holman; piano solo, Miss Charlotte Vogel; solo, George W. Biss.

Flour is sifted so no dirt or foreign matter can enter the bread. Dough is fermented in steel troughs that can be and are perfectly cleaned—no joints or seams to collect dirt. Loaves weighed automatically so human hands do not have to touch them. An automatic process moulds the loaf, the whole thing another handling with the hands. Electrically heated and sealed by an automatic wrapping machine. BUTTERNUT BREAD is made in a full weight pound loaf and sells at the per loaf. We also make BUTTERNUT TWINS, 2 loaves in a pound, for 25¢. Specify "BUTTERNUT" for a full weight pound or pound and half loaf.

MOTHER'S BREAD: For those who prefer a very light, fluffy, soft loaf, we have our MOTHER'S BREAD—made with milk. It sells for 25¢. Specify MOTHER'S when you buy 2 for 25¢. You then get BUTTERNUT quality in the soft, fluffy loaf.

AT ALL GROCERS.

SKAGGS SAFEWAY STORES

Distribution Without Waste

Getting Ready

Months ahead of time the Safeway Man is planning the things you are going to want to eat later in the season. He studies markets, available supplies, price fluctuations, the weather, transportation, and scores of other things in order that the dairy edibles for your table may be in our stores when you call for them. With the enormous purchasing power of the West's largest food concern at his command he can go direct to the source of supply, eliminating unnecessary profits and overheads which the ordinary dealer must pay. You will find the result of this scientific method of food distributing reflected in the wide variety and lower prices always available in our stores.
