MAN OBJECTS TO DUTY AS JUROR

Cassia County Judge Orders J. W. Stutz Summoned to Show Cause, Following Letter.

WHELEY, March 29.—On Thursday of last week District Judge Hugh J. Baker ordered the drawing of 700 citizens from the regular panel for jury duty and such tabulation was ordered by the sheriff to report Monday morning at 10 o'clock. J. W. Stutz, residing at the east end of the county, was among those drawn. Prior to the opening of court Monday morning, Judge Baker received the following letter from him:

"I don't know anything about the case. I don't care to have anything to do with it. Besides, I would expect all expenses paid. I've got about three weeks' work. I wouldn't lose the job unless the case would last a month.

Your truly,
J. W. STUTZ.

Monday afternoon Judge Baker issued an order directing the sheriff to summon Stutz to appear before the court on March 30 to show cause why he should not be fined in a sum not exceeding the sum of \$100 for his failure to attend as juror.

Thirteen excuses were submitted on the regular panel were re-

ceived. The following make up the remaining panel: Alvin Fisher, Samuel Browning, R. E. King, Ed. McCall, W. Stutz, Bert Nickson, James W. Bobbly, Galt Kaggie, John A. Elson, J. D. Sleight, Sylvester Berryman, Joseph Simpson, W. E. Spickard, James Lewis, George Cook, James B. McIntosh and C. O. Pitzer. A special venire summoned in court Monday afternoon to fill up the panel contained the following: J. W. Stutz, Ed. Cooper, C. W. Hawley, William Hollings, Carl Moon, G. E. King, Rev. G. L. Laddell, W. M. Schickel, Chas. Maughan, A. M. Merritt and M. H. Martin.

The first jury was scheduled for trial in Circuit Court at 10 o'clock at the Cassia National bank of Burley, where the plaintiff seeks recovery of \$107,500 with interest, alleging in its complaint that checks to that amount have been dishonored notwithstanding a balance remains to the credit of its account in a like sum. Six additional civil cases have been set for trial by jury with others in line for trial. No criminal matters appear on the calendar, those against W. G. Jensen on a statutory charge and Rev. John T. Morris for libel having been forwarded to Jerome county.

The injunction is returnable April 18, the Delaware senate officials having 15 days to file answers or demurrers.

Mexican Kidnapers Hold American for Ransom of \$20,000

WASHINGTON, March 29.—The successful efforts of Mexican army of fronts at Huadajara to rescue Edgar Morris Williams, an American, kidnaped with his 10-year-old son on Saturday by bandits and held for \$20,000 ransom, were reported to the state department today by General H. H. Huger. Huger said he considered the predicament of Williams "very dangerous."

MEXICO CITY, March 29.—The United States embassy has been informed that Edgar Morris Williams, an American, was kidnaped last Sunday by bandits and is being held for ransom of \$20,000 pesos (about \$2,500).

The embassy has sent a note to the Mexican foreign office making urgent representations for Williams' release.

The information reaching the embassy said that Williams, whose home address in the United States was not announced, was kidnaped with his 10-year-old son on the outskirts of Toluca on Sunday and carried into the neighboring hills by bandits.

IDAHO POTATO MARKET GAINS

Moderate Price Advances Recorded During Week in Trade in Gen'l State Product.

IDAHO FALLS, March 29.—(United States Department of Agriculture, Market News Service).—The Idaho potato market was slightly stronger last week, moderate price advances were made. The cash market for warehouse graded U. S. No. 1 Russets ranged mostly \$2.05 to \$2.15 per cwt., according to the size, color and quality of the stock, which was about 15c above the price of the previous week, according to the market review issued on March 29 by the federal market news office at Idaho Falls. During the same period of time, the normal receiving markets for Idaho Russets advanced only a nickel or a dime, so much the strength appeared to have been "paper" mainly.

However, trading was more active and permanent markets slightly stronger at the opening of the present week. Idaho Russets again touched the \$3 mark on the Chicago market on Monday, with a price range of \$2.75 to \$3. At Idaho shipping points, U. S. No. 1 Russets have been in fairly active demand and sold mostly at \$1.10 per cwt. in local sales, with a few best at \$1.15. The price to growers for U. S. No. 1 Russets, bulk—overweight—over

the warehouse sorter, ranged all the way from \$1.20 to \$2, according to the size, quality, and condition of the stock, most sales being made at \$1.85 and \$1.90.

Discount Storage Figures.—The bulk is becoming prevalent that remaining supplies of potatoes in the state are, even lighter than recent estimates have indicated, and this is giving a stronger tone to the market. Idaho shipments last week amounted to 420 cars, an average of 70 per day, compared with 314 of the preceding week—a year ago. This brings the total shipments to March 29 up to 15,492 cars, compared with 15,022 in the same date a year ago, and only 10,269 cars two years ago. But while 3,260 cars were shipped after this date last year, angry dealers and shippers now believe that remaining shipments this season will not greatly exceed half that number, and that the final total this season will be less than 18,000 cars, compared with 18,271 last year.

Shippers have been heavier from the increased trading of last week, and 60 cars were received on Saturday. But this is expected to be the last big movement of the season, and the credit forecasts are expected to be moderate after the first week of April. This has much to do with the present strength in the local market, many operators believing that good Russets will be in demand.

Southern Crop Easy.—On the other hand, the new crop of potatoes in the southern states is coming in early and heavy. Shipments of new stock averaged 70 cars per day for the last three days of the past week, out of a total United States shipments of 800 per day. The total of the new shipments so far this season is 412 cars, compared with only 25 in the same date a year ago and 287 two years ago. Most of the new stock is for use from Florida, but the

movement from south Texas is gaining in volume, and is expected to increase rapidly after April 1, with heaviest shipments around the middle of April, almost a month earlier than usual. The Texas crop is expected to be about 65 per cent heavier than last year, and most of the other early districts have increased acreages. This carries over real competition to the last of the old crop, and considerable uncertainty exists as to the developments of the late spring market, despite the lighter remaining supplies of Russets.

WOMAN PLEADS GUILTY TO BAD CHECK CHARGE

LOS ANGELES, March 29.—Mrs. Minnie Poss-Hines, alleged to have operated a "baby farm," pleaded guilty today to a charge of passing a worthless check for \$150. Superior Judge Hardy announced that sentence would be passed Friday.

Charles Hines, second husband of the woman, who is charged also with bigamy, appeared with his wife to plead to a charge of forgery. His case was continued to Friday. The woman is awaiting arraignment on charges connected with the alleged operation of a baby farm. She is said to have sold an infant for \$60.

SALT LAKE MINING MAN DIES IN CANNES, FRANCE

SALT LAKE CITY, March 29.—A. W. McCune, millionaire mining and railroad man, died in Cannes, France, today, a cable message received here said.

Mr. McCune, who developed the major part of his wealth in the famous Copper-Idaho-Pace copper mine in Peru, South America, had been traveling in Europe with members of his family since in November. Several members of his family were at the bedside.

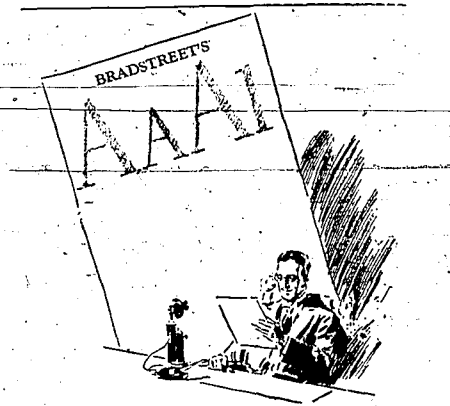

One of the early immigrants to Utah, Mr. McCune engaged not only in mining, but in railroad building. The railroad to the Cerro de Pasco mine, which he built, is considered a feat of engineering. The road rises 13,000 feet into the Andes mountains.

GATE CITY FIVE VICTORIOUS AT NATIONAL MEET

Idaho Basket Ball Entry Comes Through First Round at Chicago; 13 of 43 Teams Eliminated From Competition.

(By The Associated Press) CHICAGO, March 29.—First round games in the national interscholastic basketball championship tournament today eliminated 13 of the 43 teams, including two of the four New England representatives. Three of the southern teams and some of the favorites of the middle west. For west sports came through safely with but one exception, Minnesota, Utah, which was overwhelmed by the lone southern victor today, Vienna, Georgia, 34-28.

Pacello Triumphs
Pacello, Idaho's rip-roaring basketball backboard who rode into town in a shape reminiscent of a tiger, today yielded a victory to the Durham, North Carolina, Bulls, 29-24, after they shot into a 20-17 lead in the third quarter of the final evening game.

The Durham Bulls gave the westerners a tough ride and thrilled the fans. Durham closed the first frame to 2 and managed to hold a 14 to 10 lead at the half.

In the third verse, the Pacello punchers shot into a 20-17 margin for the lead. The score flip flopped throughout the contest. Near the end, Hall, the Idaho running guard, crossed Pacello, center, and Shurtliff, forward, kept Idaho in the running with their long shots.

Chandler, Sier and Edwards were Durham's heavy scorers. Nightfall found Arizona, Nebraska, North and South Dakota and Illinois team survivors of the first round and counted among the victims teams New Hampshire, Tennessee, Ohio, Oklahoma, and South Carolina.

Lesca Uphill Battle
Minersville, fighting an uphill battle, lost to the Vienna team 34 to 28. Hollingshead, Utah guard, went out in the first period on personal fouls. Vienna took a 31 to 20 lead at the end of the third period and thereafter drove steadily away from the westerners.

Because of the increased number of teams this year, the 17 teams playing their first matches tomorrow are regarded as in the second round bracket. 14 hours play is on Wednesday's program.

BRUIN RUNNERS DISPLAY WARES

Lincoln Field Scene of Considerable Activity as Track Aspirants Go Through Paces.

Lincoln field was densely populated with scantly clad Bruin tracksters yesterday afternoon when the various class teams went through their paces. At about 10 o'clock, the sprinters of the top-notch track team were out on the track and didn't have the drive left to them when they hit the straightaway. The time was not impressive but indicated considerable improvement since the last time trials. The sprints, not to be outdone, were run by the Bruin boys, their 220 best. He was pushed all the way by Hayes, another senior, Owens taking third, "Crazy" King, second, was not out. The Robertson, showing improved form, took third place in the junior heat, showing a steady improvement since the last time trial.

Milers' Time Slow
Bretsch, junior mile, was beaten by the senior, "Crazy" King, taking third. Time for the mile was slow, 5:05.82, and would have been better if he knew a little more about the race.

Impressive Performance
The most impressive time was made in the 100 yard dash when the Knight, sophomore, won the race in 1:34.4, his senior, who had just run the 220, pushing him all the way. The Bruin boys have a number of good ones in the Knight, Ho, Hayes, Shipman, Douglas and Stray, and they should make a good showing in the district meet. The mile race has been added to the regular interscholastic events this year and the Bruin should place in the money.

The interclass meet will be held on Lincoln field next Friday afternoon to settle the interscholastic supremacy. The seniors took a crack at the juniors confidence when they took the mile from the crack junior mile, and they are out to win the meet.

Local Concerns to Furnish Cups for Invitational Meet

Cups for the invitational track meet to be held at Lincoln April 15 will be furnished by local business men and organizations. The American Legion, Idaho Department store and Major Phelan are each furnishing a loving cup to be presented at the meet. The team winning the meet will be presented with a silver cup. The one taking second a smaller one and the third one will be presented to the man winning the greatest number of points. Each year these cups have been furnished in this way, and their presentation has added materially to the enjoyment of the participants.

Plans for the meet include teams from Buhl, Elmer, Burley and Lapwai to compete with the Bruins. The number of teams invited this year has been reduced owing to the difficultly occasioned by a large number of entries in the various events. Competition will be keen at all events, and with good weather records should be broken in the 400 yard dash and the shot. Buhl is credited with having the fastest quarter mile in the district and Shultz of Elmer is putting the shot further this year than Died, former Wildcat strong man did last year. He is given credit for 34 feet this season in previous training. Under competition he should even better this mark.

GOVERNOR DERN ASKS OPINIONS ON CONFAB

SALT LAKE CITY, March 29 (AP)—Opinions of the governors of the other six Colorado river basin states as to the advisability of calling a conference on the Colorado river problem confronting the seven states, have been requested by Governor Dern, it was announced Monday.

RENO, Nev., March 29 (AP)—Governor D. D. Beatty today notified Governor Dern of Utah this morning that Nevada will send representatives to a second seven-state Colorado river conference at any time invited by Governor Dern. It was intimated by the Nevada official, however, that this state was well satisfied with the original Sante Fe compact and with the Sante Fe basin bill.

TEXTILE STRIKE SETTLED

WARREN, Pa., March 29 (AP)—The strike of United Textile workers in which more than 150,000 persons were involved, has been settled by agreement between the employers and the employees.

The workers walked out early this month when their demands for a 25 per cent wage increase were rejected by the employers who declared the condition of the industry did not warrant it.

Under the settlement agreement the workers will receive increases varying from 5 per cent to 12 per cent over their former wages.

MUST SERVE TERM
ALBANY, N. Y., March 29 (AP)—Robert A. Butterfield, New York newsboy, must return to San Quentin prison in California to complete a seven and one-half year term imposed on him in Los Angeles in 1921, for grand larceny, under a decision rendered by the county attorney today.

Fugazy Wins First Skirmish in Fight

NEW YORK, March 29 (AP)—Humbert J. Fugazy captured his first skirmish with Tex Rickard in the renewed competition of the rival promoters for major outdoor pugilistic attractions who in the state athletic commission approved a world's welterweight title fight between Pete Luzzo, champion, and Joe Dundee of Baltimore.

After a withdrawal of opposition to the match by Rickard was followed by a postponement of the contest from May 23 to June 2. It will be held at the Polo Grounds by Fugazy 15 days after Rickard's heavy weight elimination fight between Jack Sharkey and Jim Maloney, which also was approved today. A top price of \$22 was fixed by the commission for the latter match.

Rickard yielded a prior claim on the services of Dundee.

GUARDSMEN CHALLENGE CLUB MEN TO MATCH

The local national guard unit under the direction of Lieutenant Paul Thomas, firing on an indoor range has developed sufficient proficiency to crave competition. They have therefore challenged the local rifle club to a match either on the indoor or outdoor range. Both organizations boast some wonderful marksmen and the match should prove interesting. To date no definite action has been taken by the rifle club, although it is believed they plan to accept the challenge.

BRITISH DRIVER SETS NEW MARK

Major H. O. D. Segrave, Driving "Mystery Sunbeam," Negotiates Mile in 17.39 Seconds.

DAYTONA BEACH, Fla., March 29 (AP)—Daytona show of its golfing and other titles by involving American, tonight had claim to one title about which there could be no doubt—the world's automobile speed record.

Inviting American driver, Major H. O. D. Segrave, intrepid British racing driver, today set his flaring red "Mystery Sunbeam" automobile over the sands of the beach here at an average speed of 205.928 miles an hour in two one-mile speed trials. Malcom Campbell's 122.222 miles an hour record established in England and Tommy Milton's American mark of 150.01 were defeated by the giant twin-two-cylinder motor car.

Radiohone's England
His face blistered by wind and his eyes sore from holding the huge machine on the beach, the Englishman's thoughts turned to home. Suffering from his home, the Sacramento Senators decisively thrashed the Holly wood Stars 10 to 1. "Lettie" Viner, youthful pitcher, hurled for the winners and was effective although wild at times. A scheduled fourth contest, Seattle against Los Angeles, was postponed because of rain.

Wagoner's Record
Wagoner's record himself was being during the day in discussing the plight of California. Linn's growers for the world war, Senator testified they appeared favorable to numerous persons for help until Senator Reed was asked to assist.

35,000 Fans Watch Coast Teams Get Away in 1927 Race

SAN FRANCISCO, March 29 (AP)—The Pacific Coast baseball league opened its season today with three games in northern California that drew a total of 35,000 fans.

In San Francisco, the Seals, last year's collar champions, defeated Portland, 3 to 1. Earl Kinnear pitched great ball for the winners and was in trouble only twice.

In Oakland, the Oaks, considered one of the strongest clubs in the league, scored a 3 to 2 win over the hard hitting Mission of San Francisco. Plays in their home town, the Sacramento Senators decisively thrashed the Hollywood Stars 10 to 1. "Lettie" Viner, youthful pitcher, hurled for the winners and was effective although wild at times. A scheduled fourth contest, Seattle against Los Angeles, was postponed because of rain.

Faint trace in the hard packed sands, but on the records of the American Auto-club association they placed an indelible mark. The multuminal mile was made in 17.39 seconds, an average of 205.928 miles an hour.

IN SECOND PLACE

NEW YORK, March 29 (AP)—Major Segrave's record of 205.928 miles an hour at Daytona Beach today marked the nearest approach to the highest speed man has attained, 274 miles an hour in an airplane.

His record was set by Florentin Bonnet of France, in December, 1924. The fastest mark by rail was that set by an engine in a five-mile run from Fleming to Jacksonville, Florida, in 1901, in obtaining an average of 120 miles per hour.

On the water, Miss, Detroit, in 1920, at Lake George set a record of 77.85 miles an hour for speed boats, while on the Solent, England, the Maple Leaf, II, made 80 miles an hour in 1921.

The record of the United Royal Mauterian is 27.01 knots, while that of the Levitator is 29.01 knots.

Buhl Indian Girls On Homeward Trek From Tourney City

The Buhl Indian maidens will arrive in Twin Falls on the 12-45 train today, on the last lap of their homeward journey. Debarred in the first round of the girls' national basketball tournament recently held at Wichita, Kansas, they are still the champions of Idaho, and will be warmly greeted on their arrival.

The Indians saw the tournament through, leaving Wichita Sunday morning for home. While they did not win they played a good game and did their best at a game with which they were not familiar, commending the respect of their opponents. They regretted the idea of the two-contest game, and they hope to introduce it in the district next season.

"No," emphatically replied Sapiro. "Take Verbal Pot Biot

"Was it one of those 'gentle fronts' referred to by the Democrats Independent articles?" asked Gallagher.

Sapiro got no chance to answer Gallagher's question.

"I didn't know at the time who I was representing."

Cross-examination of Sapiro did not vary far along because of the adjournment of court.

Disease Situation
Major General John Duncan, commander of the British defense force, visited Captain Vincent, commander of the Japanese warship, today, and discussed the general situation.

Subsequently Major General Duncan conveyed the Japanese troops' sympathy on the attempted suicide of Lieutenant Kuman Araki, who was in command of the guard at the Japanese warship yesterday. The time of the outrage here had Thursday.

Lieutenant Araki, who is in a grave condition, sought to kill himself aboard the Japanese warship today this morning after reporting details of the sack of Peking.

Reports from Peking say that all the American members of the staff of Peking Union Medical college, alarmed by the Nanking incident, are planning to leave for home immediately. The police in Peking, which is the capital of the northern government, are active engaged in a hunt for nationalist agitators there.

Work Is Started on Church Building

Clearing of the site for the new \$10,000 Christian church building at Sixth and Shoshone streets north was started Tuesday morning by the J. R. Harop Contracting company of Boise. The T. O. Boyd residence which was built on the new church site a number of years ago will be moved to a vacant lot on Seventh avenue east, where it will be remodelled as a parsonage. Construction work on the church is expected to be under way early in April and as soon as plans now being drafted by Raymond W. Hatch, Portland architect, are completed.

A general contract for construction, it was stated by members of the building committee, will be let to Superintendent of construction will be in the hands of A. A. Thomason of Freewater, Oregon, who had charge of building the Christian church at Vancouver, Washington, a Christian church in Milton, Oregon and others throughout the western states.

Special Concert to Be Given by Utahns

Salt Lake City's famous high school glee club, under the direction of George H. Durham, will present a complimentary concert at the Twin Falls high school auditorium this afternoon. It was announced last evening. The troupe of 18 musicians will arrive by motor bus from Pocatello this noon, and tonight will present a program at the Lavering theatre, at 8 o'clock. Following the concert the organization's orchestra known as the "Shasta Symphonies" will give a program of dance music at Banceland.

Proceeds from the entertainment are to be devoted to a fund now being raised for the new Methodist Episcopal tabernacle at the corner of Fourth avenue and Second street east.

Ticket sales for the concert last night were reported to be unusually good and a full house is anticipated.

GUHEEN ESTATE GOES TO DEAD BROTHER'S SONS

Estate of the late Madeline Guheen valued at \$10,000, is bequeathed to the two minor sons of deceased's deceased brother, the late John H. Guheen, former judge of the circuit court, and trustee of the will that was filed in probate court here Tuesday. Testators named in the will are F. S. Dietrich, United States circuit court judge and former federal district court judge; Edwin Snow of Idaho; J. H. Peterson of Idaho; the late John H. Guheen, general, and N. M. Eldredge of Pocatello. The will was written by Mr. Guheen in January, 1924, in his own handwriting.

Mr. Guheen died in Twin Falls last Thursday and was buried in accordance with his request in the local cemetery.

The estate consists of real property valued at \$7,500 and real property in Blingham and Emmett counties, valued at \$2,500.

SOCIETY AND CLUBS

Edited by Mrs. E. B. Williams Phone 336

The social service meeting of the Church of Latter Day Saints Relief society was held at the chapel Tuesday for its regular membership. The subject of child and motherhood was discussed by Crissy Walters, class teacher.

Mrs. E. C. Willman, assisted by Messrs. Koeber, Mrs. Herman Schlegel and Mrs. Dan Magnus, presided. The Star Social club Monday afternoon at her home on Kimberly road. Mrs. E. H. Taylor was in charge of the amusement for the afternoon and four tables were arranged for bridge, while those who did not care to play spent the time socially. Favors for high and low scores were won by Mrs. E. J. Malone and Mrs. Frank Baldwin. Late in the afternoon the hostesses served delightful refreshments.

Members of the Amigan club met on Friday of last week with Mrs. T. H. Fitch at her country home. After a brief business session the afternoon was spent with needlework and conversation. Mrs. Dan Magnus was in guest and also made a most pleasant presentation. The hostess served refreshments at the close of the afternoon.

DEATHS

DIMOND, WILLIAM—William Dimond, 78, uncle of John M. Dimond of Twin Falls, a resident of this city for the past six years, died Tuesday morning at 5 o'clock in the Methodist county general hospital following amputation of one of his legs which was resorted to with the hope of relief from effects of an injury sustained a number of years ago.

Mr. Dimond was born April 27, 1847, and lived to attain the age of 79 years, 11 months and two days. He was born and reared in Pindville, Maryland, and when a few years of age moved to Telluride, Colorado, where for many years he engaged in freighting. About 1909 Mr. Dimond moved to a ranch near Park City, Utah, and there he established himself as a stockman. A few years later he returned to Telluride, and from there in 1924 came to Twin Falls, where he has resided most of the time with his nephew at 302 Fourth avenue east.

Funeral services will be conducted at 2:30 o'clock this afternoon at the Grossman funeral parlors, where the body will lie in state. Services will be held at 10 o'clock in the Methodist Episcopal church, with officiating and interment will be in the Twin Falls cemetery.

LARGE EXPORTS
BOOST VALUES

Evidence of Considerable Overseas Movement of Grain Strengthens Wheat Market.

CHICAGO, March 29 (AP)—Evidence of export transactions of unusual magnitude throughout the day, noted here today, although at first prices were inclined to sag. Closing quotations on wheat were firm \$2.56 to 2.57, up 1/4 cent higher, with corn 1 1/2 to 1 3/4, up 1/4 cent higher to the gain, and provisions varying from the decline to the advance.

Throughout the day, talk was current of big demand for ocean freight vessels to carry grain. The Canadian "Wheat" pool was said to have taken a record amount of wheat, the equivalent of 100,000 bushels, to be shipped to Europe. The temporary downward trend of the market, however, the opening was also associated with assertions that monthly unaffiliated domestic crop summation is to be issued after April 1 would indicate a much smaller crop than was reported earlier in the east and the world's available supply showed 9,701,000 bushels decrease for the week.

SMITH ACCEPTS COMMISSION TO HEAD SCHOOLS

Clarkston, Washington, Superintendent, Athlete and War Veteran to Take Up Work in Twin Falls.

W. B. Smith, superintendent of Clarkston, Washington, for eight years past, will be superintendent of Twin Falls schools next year, his resignation from Clarkston having been recently accepted by the board of education.

Mr. Smith's acceptance of election to the position here which was voted at a meeting of the board last Saturday evening, was announced last evening by Mrs. John C. Smith, secretary of the board.

Contract for a term of two years at an annual salary of \$2700 was tendered to Mr. Smith by the board and accepted by him.

He was chosen for the position from among more than 10 applicants, including some of the best known school men of this region.

Scholastic Record
The newly appointed superintendent is a graduate of Hollings, Washington, high school; Albion, Idaho, state normal school; and Washington State college. He will receive his master's degree this spring from the University of Washington at Seattle.

The athletic athlete during a period that he spent in southern Idaho in the employment of the reclamation service at Burley.

During his undergraduate years at Washington State college he was quarterback on one of the most powerful football teams in the history of the Pullman institution, and he has had experience in athletic coaching.

The world war caused interruption in Mr. Smith's scholastic work, and he served for three years as captain of the sixty-second infantry regiment.

SUPREME COURT RULES LAND MORTGAGE VALID

Idaho's supreme court, in an opinion received here Tuesday, has reversed judgment for the defendants in the case of The Ferguson Fruit and Land company against the Gooding and Maude E. Gooding, husband and wife, and has remanded the case to the district court here.

The action was instituted by the plaintiff corporation to foreclose a mortgage on real estate which the Goodings contracted to purchase from Dr. Verdel and judgment in the district court had favored the defendant Goodings, holding that the contract had been assigned to the Goodings and that the Goodings were entitled to an equitable bid on the land for the difference between the sum due on the contract and the reasonable rental value of the land during the time they were in possession of it.

The Goodings denied validity of the contract and insisted on the grounds that the plaintiff corporation at the time they had entered into had forfeited its charter.

The supreme court in its opinion sustains the contention of the company that the forfeiture was not complete because it had not been proclaimed by the state.

The court further held that the contract had been assigned to the Goodings and that the Goodings were entitled to an equitable bid on the land for the difference between the sum due on the contract and the reasonable rental value of the land during the time they were in possession of it.

DR. ELWOOD J. BULGIN, veteran evangelist, who has arrived from California to conduct a series of tabernacle meetings in which five Twin Falls churches are cooperating.

Bulgin Unfurls Standards of Orthodox Christian Faith

Dr. Elwood J. Bulglin, veteran evangelist, arrived Tuesday afternoon to assume the leadership in a five weeks' revival campaign in which five Twin Falls churches are cooperating—namely, the churches of the First, Second, Third, Fourth and Fifth streets.

Dr. Bulglin has been engaged for 32 years successively by the Bulglin committee from Richmond, California, where he closed last Sunday a four weeks' campaign. It was his fourth and last campaign in California and numbered up a record of 30,000 conversions directly attributable to his work in that state.

A native of North Carolina and a resident for many years of Portland, Oregon, Dr. Bulglin has conducted revival campaigns in various parts of the United States.

Dr. Bulglin was accompanied here by Dr. H. Clark of Clinton, Indiana, who has been called for this campaign to Twin Falls. He conducted campaigns at Clifton, Idaho, and at Moscow and during the early days of the world war he was the leader of a campaign that was waged in Boise.

During the past two years Dr. Bulglin and his family lived in Florida but they have recently returned to the west and Dr. Bulglin and their son William now are in Selkirk, Oregon, where Dr. Bulglin sold last evening the family home probably will be established.

of the book conforms to the character of him who wrote it. I find that the book is good, beautiful and wise. It tells me who I am, where I am, from, what I am doing here, and where I am going, and it takes me into the heart of the things that are going on in the world today.

God Breathed Man
In the scriptures, the God breathed man with the spark of God in him, a man who feels but when he does work but a man of sense, he is a man with a desire to worship.

I believe in the Savior, one who is big enough to reach God and help me up to him, and one big enough to let me down so that I can comprehend Him.

I believe in celebrating the Greek word for the Holy Spirit which is love, great, beautiful and best—love for the just and hell for the wicked.

The subject for Dr. Bulglin's message this evening, it was announced, "The Triumph of the Cross."

TYPHOID FEVER EPIDEMIC IS BEING HELD IN CHECK
MONTPELIER, Quebec, March 20 (AP)—Although 167 new cases of typhoid fever were reported today, Vermont officials expressed the opinion that the epidemic is being held in check.

Dr. S. Bausher, health director, said he believed the epidemic was an outbreak of the week-end fever, which 221 new cases were reported. "That was a low rate for this time of year," he said.

The number of applicants for free inoculation increased today.

The American embargo placed on mails and crews from the Montreal district is not likely to be lifted until "certain steps" have been taken in order to improve the quality of the product shipped to the United States, Albert Halstead, United States consular general, said.

Stainless Steel Knives with Blades that Will Not Stain or Corrode and Quadruple Silverplated Handles

One of the largest manufacturers of Silver-Plate has liberally collaborated with us in providing a 26-piece set of Table Silverware as a Memento Silver Offering for a Great Silver Anniversary.

Made and guaranteed by these same world-famed manufacturers, and sold the J. C. Penney Company way, which, as usual, means Extraordinary Value. The opportunity, we believe, will prove as pleasing to our customers as it is timely and uncommon.

We are exceedingly fortunate in being able to present this remarkable offering in all our 773 Department Stores beginning with the celebration of our 25th or Silver Anniversary.

The pattern—new Silver Anniversary Pattern—is beautiful and always in good taste in every home and upon every occasion, but the price—only \$5.90—is so low as to bring the set within the reach of all for every-day use. . . . You will want to take advantage of this splendid opportunity.

This Certificate of Guarantee With Every Set

Whether bought for your own family use or for gift purposes later on, it is a value to boast of—and Silverware that will give the greatest delight to the possessor. If you order by mail, be sure to add 25 cents to cover parcel post.

Perfect Satisfaction Guaranteed Without Time Limit by the Makers
