YANKEE VOIDS FROM INTERIOR CHINA GROWING

Under Repeated Official Warnings; Americans Quit Danger Zones; Entire Yangtze Valley Included in Area.

(By The Associated Press) WASHINGTON, March 30.—Exodus of American citizens from interior of China is gathering momentum under repeated official warnings. Blanket message from Minister Marbury at Peking to those in the northern section of Anhwei and Kiang provinces, reported to the state department today, advised this area to be the proscribed danger zone which at least includes the whole great valley of the Yangtze.

Urges Recall of Missionaries

Supplementary efforts by the department to induce missionaries to leave the area to recall their workers from the interior, also were disclosed. They were made informally several days before the further statement to the mission heads that Consul General Cassin at Shanghai had urged recall to the United States of missionaries now taking refuge in Shanghai. Cassin said the international settlement was so congested with refugees that living conditions were becoming intolerable.

No Word From Wuhu

There was no further word from Wuhu, where a crisis was indicated in yesterday's advices, with anti-foreign outbreaks momentarily feared.

Orders from the Legation at Peking

Orders from the legation at Peking to clear northern Anhwei and Kiang provinces, and to evacuate the interior, with the expectation that the tide of war would pass through these regions as the nationalists drive toward Peking.

Heir to Estate in Missouri Refuses to Admit He Is Alive

Confronted With Information of Legacy, J. J. Shackelford Declares Himself Dead.

DENVER, Colo., March 30 (AP)—A frantic search for an heir ended today on John J. Shackelford, confronted with the information that his aged mother had died and left him \$250,000 and 40 acres of farm land near Mardin, Missouri, refused to admit that he was alive.

"In dead," said Shackelford in a voice as he stood in "a corridor of a small hotel in a poorer part of the city. "Tell them I'm dead just say that old John J. Shackelford is dead and don't come any more. I'm dead," he refused to disclose whether the legacy would go into Missouri state school funds if he did not appear.

Wisconsin Geographical Plan Defeated

Countries Practicing Military Conscription Win Another Point at Geneva Sessions

GENEVA, March 30 (AP)—The countries practicing military conscription, including France and Japan, won another point at today's session of the league of nations' preparatory commission which is working out a general disarmament treaty.

Violent Civil Unrest Suggested

There was an animated discussion today on whether military organizations subject to limitation should include police, customs officials, forest guards and other officials.

Animals Accepted

There was an animated discussion today on whether military organizations subject to limitation should include police, customs officials, forest guards and other officials.

Los Angeles Bank Robbery

Los Angeles, March 30 (AP)—A bank robbery, which occurred today, was declared by police detectives to be one of the most puzzling of recent years in this city.

Is There Anything Better Than These Creamed Potatoes?

Advertisement for Mazola Creamed Potatoes. Try This Recipe. CREAMED POTATOES: 2 cups milk, 1/4 teaspoon pepper, 2 tablespoons Mazola, 2 tablespoons Argo or Kingford's Cornstarch, 1/2 teaspoon salt. 1/2 cup of cooked potatoes (boiled or baked), 1 teaspoon onion juice (optional). To make the sauce, put the Mazola in a saucepan, add the cornstarch and seasonings and gradually stir in the milk. When boiling, add the potatoes and onion juice. Cook slowly until the potatoes have absorbed part of the sauce.

IF YOU wonder why these Creamed potatoes taste better, you will find the explanation in the use of Mazola.

THE SPORTS OF A DAY

16 HOOP SQUADS SURVIVE SECOND ROUND OF PLAY

South Holds Regional Majority as Basket Ball Quintets From Over Nation Enter Third Canto of Tournament.

(By The Associated Press)
CHICAGO, March 30.—Another 14 hours of basket ball today cut the field in the national intercollegiate championship to 16 for the final round. The regional majority of five teams.

Pleasing Game

Vienna, Georgia's representative, put up one of the most pleasing games of the tournament tonight, defeating Winfield, Kansas, 32 to 24. Florence, Mississippi, Batesville, Arkansas; Louisiana Tech and the rifle club maintained a line up with the Georgians to carry the championship back south.

WESTERN QUINTETS SURVIVE

CHICAGO, March 30.—Four teams from the west, three from the northwest and two from southern states found themselves tonight among the sixteen 16 quintets which will still be in the running tomorrow for the high school basket ball championship of the United States.

Pacettole Drawn By

Pacific coast adherents cheered Howell, N. M., and Eugene Oregon, who today and Bethel, Washington, and Pocatello, Idaho, went through the third round on here. However, Droppert, Fort Fairfield, Maine, 20 to 13, and Eugene eliminated Jacksonville, Florida, with a 13 to 12 victory over Duquesne.

Features of Play

The main feature of the Pacific coast was the starting variety of Howell, D., over the strong Lincoln, Nebraska, team, were features of today's play. The Oregon-Pacettole was a hard race all the way, and the teams were seldom more than a point apart. Dorsett, of Jacksonville, missed the first throw, just as the gun sounded for the point which would have tied the score.

SALT LAKE CITY TO HAVE RACING MEET

SALT LAKE CITY, March 30.—(AP)—Simultaneously with the opening of the state racing commission of a license today to William P. Kynne of The Agricultural and Racing Association, for a spring meet beginning April 5, thoroughbred began to arrive at the state fair grounds. The meet is expected from day to day, but the great inflow will come next week.

Buhl Boys Basket Ball Squad Greeted Girl Players Here; Barry Enthusiastic.

Buhl, March 30.—(Special to The News)—The Buhl girls' basket ball team arrived yesterday afternoon from their 10-day quest for national honor at ball games. Coach Barry reported that the players had enjoyed the trip immensely and that although they hadn't won, he felt that the trip had been very much worth while.

Favors Two-Court Game

In a discussion of the two court game played at the tournament, Coach Barry stated that he much preferred it to the three-court system used here, and he felt sure that his team had time to develop a strong offensive which would have made a better showing.

Buhl Girls Popular

The Buhl girls were constantly in demand by the crowds at the tournament even after they had been eliminated, and sports writers gave them credit for being the most popular team. In attendance, the Buhl coach was inclined to believe that luck had favored the national tournament winners, in that they were scheduled with weaker teams.

WATER OUTLOOK GOOD IN IDAHO

States Meteorologist's Report for February Shows Precipitation Well Distributed.

Precipitation was quite well distributed and was fairly copious in most localities during the month of February according to the report of Claude E. Noyes of Boise, state meteorologist, which reached here Wednesday.

In summarizing data gathered by deputy meteorologists from all parts of the state, Mr. Noyes says:

Monthly temperatures obtained throughout the month in the localities. There was a substantial increase in the depth of the snow cover in the higher sections of the state, particularly in the mountainous of the central and southeastern sections. The moderate temperatures experienced and the rains caused the snow line to recede considerably by the end of the month. The lower valleys and south slopes being here. Rain and mild weather had the effect of softening the snow and filling it with moisture so that the water content of the snow cover is exceptionally high. The outlook for an abundant water supply is good in most districts.

Timely Velocity an Exception

In the vicinity of Burley, Mr. Sargent's report indicates that little precipitation in February. Present snow accumulation amounts to about four feet of equivalent snow for an area of quite solid, considerably drifted and high water content. In the vicinity of Boise, although snow cover, the report shows it will drift well packed and very wet. Prospects ideal for excellent traffic. Depths reported: Spencer, 30 to 84 inches; Big Springs, 75 to 125 inches; Ashton, 30 to 60 inches; Pocatello, 40 to 114 inches; Twin Falls, 40 to 114 inches; Newley, 40 to 120 inches.

In the Wood river drainage basin in the vicinity of Halley, Mr. Sargent indicates in his report average February snowfall is 134 inches, but snowfall for February this year amounted to 27 inches. Snow has drifted, somewhat, and is well packed with high water content. A good water supply seems assured for the coming season. The average snowfall from October 1 to February 25 is 252 inches. In this season 888 inches has fallen.

LINCOLN SCHOOL PARENTS AND INSTRUCTORS GATHER

Fifty members of the Lincoln school Parent Teachers association met in the school auditorium Tuesday afternoon at 7:30 o'clock for a regular monthly business and social meeting. Mrs. E. E. Joslyn, who was the principal speaker, gave a short address on the subject "Thrift in the Home." She was followed by Mrs. Ethel Hamberg, member of the Lincoln school faculty, who gave an address on the subject, "Thrift in the School."

Mrs. J. H. Masters gave two vocal selections which constituted the music program for the afternoon. Mrs. H. C. Blake, president over the program and Mrs. J. W. Boughton presided over the business session.

JOINS FATHER HERE IN PRACTICE OF MEDICINE

Dr. E. Russell Weaver, son of Dr. E. H. Weaver of Twin Falls, returned Tuesday evening from Boston and will be associated here with his father in the medical profession. Dr. Russell Weaver has just completed a two-year internship in an eastern hospital. In 1921 he received his degree of doctor of medicine from Harvard university college of medicine. Following his graduation from the Twin Falls high school with the class of 1916 he entered Pomona college, where he received his bachelor of science degree in 1920.

25th Anniversary Buy It Here!

BULGIN TRACES MARCH OF CROSS THROUGH AGES

Triumph of Christianity Over Giant Obstacles and World's Present Need for Gospel, Evangelist's Theme.

The church that was founded on the possession of Christ's divinity, has overcome almost insurmountable obstacles and that has persisted, growing in power and strength for nearly 2000 years, stands as convincing evidence of the triumph of the Cross, Dr. Edward J. Bulgin had an audience of nearly 500 people Wednesday evening in the tabernacle in which five Twin Falls churches are cooperating in a revival campaign.

It was Dr. Bulgin's second lecture of the campaign that opened last Sunday to continue for five weeks.

Meetings at Bull

Dr. Bulgin and members of his party and ministers of the churches participating in the campaign here will conduct two meetings today at Bull, one at 1 p. m. in the Bull high school auditorium, and the other at 2 p. m. in the Presbyterian church of Bull. They will hold a similar meeting in Kimberly on Friday at 10 a. m.

Subject for Dr. Bulgin's Lecture in the tabernacle here this evening, it was announced by the speakers in the "Matter With the Church."

Proof of Divinity

"The Triumph of the Cross" was Dr. Bulgin's lecture theme last evening. "As we review the history of the triumphant Cross of Jesus Christ, as we carry our struggle down through the history 2000 years, oppressed, persecuted, misrepresented, lied about, we want to find out what still have the church," the speaker declared.

"The strongest evidence that I have that the church of Jesus Christ is a divine institution is the fact that we have a church at all.

Five great obstacles which Christians had overcome were enumerated by Dr. Bulgin. The first of these was that Jesus Christ was born of an obscure nation, a despised and hated Jew, and against the church of Christ at its inception were arrayed the stupendous power of the established heathen world, the deep-rooted principles of heathen philosophy and finally "something that was hardest to overcome and that is materialism."

Tracing the struggle the church waged against these obstacles with vivid word pictures, Dr. Bulgin pointed out "the world's continuing need for the Gospel of Jesus Christ."

"You can legislate with democracy against this thing and that thing, but legislation will never make anything good.

"The world needs the spirit of Jesus Christ that can get at a man's soul and change a man's nature. If you change a man's environment you may or may not change the man, but change the man, and he will find his own environment. The church which insists most today in changing men to Jesus Christ will make the most progress."

"Infidelity, atheism, materialistic philosophy, all forms of un-Christian belief, seek to take way and give nothing instead."

"Christians admitted of no compromise with the heathen, for, claiming to be right, they could not compromise with that which was wrong. Therefore, Christianity imposed restraint upon all evil and with that she conquered."

Debaters of Two Schools to Clash

Members of the Twin Falls high school affirmative debate team will start this morning for Blackfoot where tonight they will meet the negative team of the Blackfoot high school in a debate on the question: "Resolved, That the United States should cancel the French Debt Incurred During the World War."

The affirmative team will arrive on the noon train today and will take the platform tonight in the local high school auditorium at 8 o'clock against the local negative team. The debate here will be judged by Rev. H. G. McAllister of Gooding, coach of the Gooding college debate team.

The contest tonight will be the next to the last in which the local institutions' debaters will participate this year. Next Thursday evening at 8 o'clock the Twin Falls squads will debate the Piler-rural high school teams.

The contest will be a dual affair with the Twin Falls affirmative team appearing on the platform in the Piler school. The negative team will again appear at home and will meet the Piler affirmative team in the auditorium here at 8 o'clock.

Members of the team which will leave for Blackfoot today in company with E. W. Burch, coach, are: Byron Woodall, Kenneth Kall and James Bushkoff. This team was defeated by a narrow margin Tuesday evening in a debate here with the Boise negative team.

Members of the team which will remain at home tonight are Lewis Jones, Kenneth Douglas, and Ralph Webb. This team won an easy victory from the Piler high school affirmative team Tuesday evening at Pocatello.

CAUGHT WITH MOONSHINE

H. J. Van Elberg, in probate court here, Wednesday, pleaded guilty to charge of illegal possession of a half gallon of moonshine whisky which department of home and soil agents had seized in his residence early Wednesday morning. The officers stated that Van Elberg was pouring the liquor into a number of tin bottles when they entered the room. Van Elberg was sentenced by Judge C. A. Bailey to pay \$200 fine.

Definite Step for Golf Club Recorded

A further step toward organization of a golf club in Twin Falls was recorded at a meeting here Wednesday evening of a number of citizens who are interested in the enterprise, at which a committee was named to draft a constitution and by-laws and work out a plan of operation for submission at a subsequent meeting to be held within the next few days.

Fifty of applicants for membership in the proposed organization, it was stated, now contains names of 84 persons. Members of the committee named at the meeting last evening were John M. Graham, W. Orr Chapman, Leonard E. Smith, H. C. Edmunds, R. H. Myster, Arthur L. Seaton, S. C. Wyatt, E. J. Ostrander, C. D. Thomas.

The meeting was presided over by John W. Graham, temporary chairman, with H. P. Edmunds, temporary secretary.

FLAMES SWEEP PASTURE IN HAGERMAN VALLEY

Thirty-eight acres of pasture land on the P. & N. trackage near the Hagerman valley, north of Boise, were swept last Sunday by flames that are believed to have started from ember's of a campfire left by rangers for hunters, according to word brought here Wednesday.

QUITS FIGHT FOR LIBERTY

Harvey Williamson, serving a prison term of from two to five years for second offense violation of the liquor laws, has abandoned his fight against the judgment on conviction that was entered in district court here last fall.

The supreme court's order for dismissal of Williamson's appeal, which was received here Wednesday, indicates that the attorney general's motion for dismissal was not resisted.

Mercury Drops to -22 Degrees Here

Forecast for today: Cloudy with light rain.

Minimum temperature in Twin Falls during the 24-hour period ending at 6 o'clock last night was 22 degrees, the lowest mark to which the mercury has dropped in this vicinity since March 23, when low for the day was 10 degrees. Maximum temperature was 60 degrees Wednesday, according to M. Hammond, in charge of the government weather observer's station here.

Skies were clouded here most of the afternoon Wednesday and shortly after noon a trace of precipitation descended. The morning was clear. At a five hour last night the sky was clouded and indications of showers before sunrise were in evidence.

TO HOLD PRAYER MEETINGS

Cottage prayer meetings will be held in the following homes this morning:

from 9 o'clock until 9:30, it was announced last night:

Mrs. J. Peronious, 521 Second avenue east; Mrs. D. Young, 836 Second avenue west; Mrs. Yantis, 330 Third avenue north; Mrs. Fump, 402 Blue Lakes boulevard; Mrs. Kreugel, 321 Third avenue east; Mrs. D. A. Donahue, 220 Sixth avenue east; Mrs. Thompson, 202 Sixth avenue east; Mrs. E. L. Bloom, 1010 Shoshone street east; Mrs. C. E. Carter, 1320 Maple avenue; Mrs. Wilcox, 211 Seventh avenue north; Mrs. Covalt, 1215 Fourth avenue east.

POTATO ACREAGE UP 15 PER CENT

Market 'Round' for Week of March 13-19 Indicates 3,620,000 Acres to be Sown.

WASHINGTON, March 30.—If potato growers carry out their intentions as reported on March 1, there may be 3,620,000 acres planted to this crop for harvesting during 1927, which would be about 15 per cent more acreage than in 1926 and 12 per cent more than two years ago. It is possible that the official report of intentions to plant will cause many farmers to change their minds and to be a little more conservative, especially in the late-dipping states. In that event, the actual acreage planted may be considerably reduced from the original intentions and the situation would not be so serious as now appears.

Heaviest increases seem to be indicated in the north central states, particularly in Minnesota, Michigan and Wisconsin. If farmers in the north central region carry out their purpose to plant 1,022,000 acres of potatoes, that would have a 20 per cent increase over the big year of 1924. A higher percentage increase over 1925 is indicated for the western states, where 485,000 acres are expected, or nearly 20 per cent more than last year, but the south central states—from Kentucky north and northwest to Missouri—for a gain of almost 27 per cent over the 1926 record, or a total of 343,000 acres. Texas shows a heavier percentage increase than any other state. The south Atlantic region, with 422,000 acres of potatoes, would have a 20 per cent increase over 1925. The north Atlantic region increases its plantings by 11 per cent above the average there would be 757,000. Maine grows more potatoes than any other state, more than last year, while the increases for New York and Pennsylvania may be 12 per cent and 10 per cent. New Jersey shows a very slight increase over 1926. Taking the state as a whole, Virginia farmers may plant 7 per cent more potatoes than last year.

Shipments Hurt Market
The recent advance in prices brought out such heavy shipments that markets were flooded. In the week ending March 20, 100,000 bushels of potatoes were shipped from Idaho to other parts of the country. The heavy shipments from Idaho to other parts of the country, and the fact that the Idaho potato crop is reported mostly from the non-commercial areas.

Shake-itis?

PRESIDENT COOLIDGE appeared at a public function in Washington with his right hand in a bandage. It was learned that no bones were broken and no infection had set in, and it was thought that the wrist had been lamed by too much hand shaking.

NORTHWEST CLIMATE ONCE WAS TROPICAL

SPOKANE, Wash., March 30 (AP)— Fossil records of plants believed to have thrived a million years ago are read by T. A. Hoser, curator of the Eastern Washington Historical museum of Spokane, as convincing proof that a tropical climate once prevailed in the northwest. Plants found only in tropical regions and in the orient grow in abundance in this district. He holds specimens of the hundreds of fossil leaves found in the rocks under ancient lava flows. The minute figs of the orient and the ginkgo or maiden hair fern of China and Japan. Fossils of 11 species of oaks have been uncovered whereas only one grows native in Washington now. Youths of other trees include the bald cypress, stinking cedar, incense cedar, ancient silver poplar, sweet gum, elm, laurel, magnolia and persimmon, all of which are native of the south or east.

SEAPLANE TO PICK UP TARDY SHIP PASSENGERS

HOUSTON, Texas, March 30 (AP)— A seaplane to pick up passengers who have longed in port and miss their ships has been added to the standard equipment of the North German Lloyd Steamship Company. The steamship *Luetzow*, sailing from the port this month, will carry a plane on its Mediterranean cruise. The flying ship has a capacity of 20 passengers. It will leave about 10 o'clock this morning after the *Luetzow* for the convenience of passengers who may be left ashore. One other function of the plane will be to operate as an air sightseeing bus.

A man is responsible for his character but has to trust others concerning his reputation. If his character is good, he will find that he can reasonably expect his reputation to be secure. In this world a majority of people give credit where credit is due.—Grit.

Wins 7-Year Fight for Health

Portland City Employee After 7 Years Suffering From Indigestion and Run-down Condition Wins Back Health. Takes Tanlac Gains 20 Pounds

Mr. Otto Serrin, a well-known Municipal Officer, living at 91 E. Third St., N. Portland, Ore., says: "After 7 years of despair, pain and worry, I am strong and healthy. I am able to do my work. I imagine what I went through. Not able to eat without suffering tormenting pains and burning indigestion that suffering sapped my strength and wore me to a shadow. I grew nervous and weaker, fighting off vomiting spells and fainting attacks that nearly drove me mad. I had to get relief. "A friend persuaded me to try Tanlac. The result was amazing. I began to eat better, ate my food with relish and without indigestion pains. I gained weight and strength. "Now I enjoy robust health, sleep like a child. I have not stopped taking Tanlac for it is the one remedy for continued good health, for keeping strong. It certainly made a new man of me."

Coolidge Indorses Legion Pilgrimage To Battle Scenes

HOUSE, March 30—President Coolidge approved and wished full success to the American Legion's convention in Paris, France, next September, in an informal conversation with National Commander SAVAGE at the White House. It was announced today by Lester F. Abbott, chief of the communications branch, that the president had approved the convention officer of the state, accompanying Commander Savage to the White House were Milton A. Foreman, past national commander; General John J. Pershing, Major General Charles E. Sumner, chief of staff; Rear Admiral Hugh Hobbins; James A. Doolittle, national commander; John J. Wickler, Jr., national director of the American Legion; John Thompson, vice chairman of the American Legion's national legislative committee; Bradford MacNider, past national commander and assistant secretary of war; and Dwight T. Davis, secretary of war.

Can Take Care of Selves
In addressing the distinguished hosts, the speaker for the White House said: "You took care of yourselves when you were over here and I hope you will take care of yourselves again. It is my glad to learn that the pilgrimage is assured and will be a success. It is entirely fitting that this pilgrimage should be made and I hope you will have a very high regard for our former soldiers and they will welcome you again. The government has been doing everything it can to assist the worthy undertaking. If you believe that there is anything further that the department of state, the shipping board, or I, can do to aid you, do not fail to call upon us and I will be glad to do so."

ATLANTA SOCIETY GIRL TO SEE PLAY PRESENTED

ATLANTA, March 30 (AP)— A debutante's life may have its trials and pleasures, but it holds no monopoly in the opinion of the woman who read the play she went back to school this season and now her play. The Grand of These, "is the only one by a good Atlanta actress of the trip and the Atlanta dramatic director. She and four boys in the selection of the five best plays. Atlanta's social season was at its height when Miss Lewman desired she wanted to know something about journalism and playwriting and more about such subjects as biology and sociology. She has studied in Brussels and Paris and speaks four languages, Greek, German, French and Italian, the latter because she is a descendant of Prince Daudin, a ruler of Venice. Her play concerns the life in Algiers, where she lived for a time.

There are more than 1,000,000 wild horses still in this country, principally in the western states," says the Dearborn Independent.

IDAHO DAIRYMEN PLAN INSTITUTE

Sessions to Carry Out Instructional Work Among Creamery Men to be Held at Jerome.

UNIVERSITY, OREGON, March 30—An institute for Idaho creamery men is to be held this spring for the first time, according to announcement at the department of dairy husbandry here. The institute, which is sponsored by the university, is scheduled for April 12, 13, and 14 at the cooperative creamery, Jerome. The plan is the first definite effort to carry on intensive instructional work among creamery men. Invitations have been sent to the leading creamery operators in the state and many of them will be on the program to give the benefit of their experience. Roy H. Smith of the Jerome creamery will be chairman of the meetings.

Arrange for Sessions
Arrangements for the institute are being made by F. W. Aiken, head of the department of dairy husbandry. H. A. Bendzen, professor of dairy management, will be in active charge at Jerome, and he will be assisted by D. E. Ford, extension service dairy specialist. Professor Bendzen will discuss the technical phases of creamery operation; other speakers will take up the management phases. Among the topics to be discussed at the institute are the following: Creating and holding the patrons' interest; cream grading systems; cream grading and butter judging; the relation of the creamery operator to the producers; problems, common creamery losses; ice cream manufacturing, pasteurization and sterilization; Idaho butter marketing problems; utilization of creamery by-products; and the use of starters in butter making.

World's Noisiest Place

There is at least one place in the world that is even noisier than New York city's busiest street intersection, and that place is Singapore. It is a "green" tree made with a "nutmeg" meter, a new noise-measuring instrument perfected by the Bell telephone laboratories, showed that the tumult of the catarract at the mouth of the Cave of the Winds would smother the roar and clatter of traffic and cars at the intersection of Sixth avenue, Broadway and Thirty-fourth street. Singapore's noise measured 20 units, while the best that bustled spot in the metropolis could do was 55.—Popular Science Monthly.

Selwood of Sleepy Cat

CHAPTER XVII
The Death in the Cards
After supper James McAlpin, with some ceremony, drove Selwood's team of mules and wagon back to the hotel.

"I picked up a girl's shoe that morning on the trail. I thought it was the bride's! Of course I'd ever seen. There was a horse, lying there on one side of the trail and this girl's shoe on the other. I had nothing but horse and buck all my life out here, and I had never seen buck. So I thought I'd take a chance on that girl's shoe—and I picked it up."

"I told to myself" continued Selwood, "it must be a nice girl that owned that shoe. And if I could find her—and ever get some things in my own life restricted out—I'd ask her whether she'd marry me."

"I seemed to be running out of words and ideas, and Christie came to his aid. "Well, of course, I hope," he says. "I wish you'd get it out of your mind. It's going to be a terrible temptation to claim it. Couldn't you make believe it's mine, John, any more?"

"I don't really want it to be yours?" Christie looked up very simply. "I don't want it to be any one else's, John."

"I'm waiting later Doctor Carpy's hand while he stood up the hallway, Christie Eyer, in Selwood's arms, started like a frightened fawn. She tried to break away, and could not, she whispered frantically, "Some one's coming! Let me go!"

"You'll start your arms bleeding again, John," she whispered in alarm. "I can't get a breath."

"I'll make it an even swap!" "I'll make it an even swap!" "I'll make it an even swap!"

ILL MAKE IT AN EVEN SWAP!

TAKE THIS FOR THAT LAST ONE!

which the conflagration and the stoking of Sleepy Cat had thrown the stars and stripes behind him. During the day scattered lots of supplies began to filter in from Medicine Bend, and in the night the hotel cook was able to secure Doctor Carpy a respectable wedding supper as his contribution to the bride and groom, and to a company from which no loyal friend was excluded.

The bridegroom's face glowed. "Who is it?" he demanded in an impatient undertone. "Is it one of my men?"

"I don't know, Mr. Selwood. I don't think so. I never saw him before. "Tell him," directed Selwood, "to come around in the morning; I've worked about fourteen hours today."

"I told him to wait until the next morning," she said in an earnest whisper. "But it seemed like he was in terrible trouble. He told me to get him to the doctor and to come out to see him for just a minute."

"The kitchen door," Selwood's eyes were fixed on the kitchen door. Selwood's eyes were fixed on the kitchen door. Selwood's eyes were fixed on the kitchen door.

The table rose as one man. There was a momentary upset, and some confusion of chairs as to who should accompany Selwood, without passing on to these words, Selwood nodded to Pardoleo, and the discussion ceased.

KIMBERLY MEN SERVE BANQUET

Mothers and Daughters Guests at Outstanding Event at Methodist Church.

KIMBERLY, March 30.—One of the largest gatherings held in Kimberly for some time was the Mother and Daughter banquet served in the Methodist church on Friday night.

The banquet was held in the dining room of the home of Mrs. M. E. Boyd, mother of the late Floyd Leary, suffered a severe hemorrhage of the nose on Saturday night, which resulted in a fatal condition, although it was thought serious for a while.

The Ladies' Pioneer club still meet on Thursdays in their country home, Mrs. Alvah Jay, with Mrs. H. H. Denton as leader. Installation of officers will be a part of the business for the club.

Mrs. and Mrs. Roy Welch were hosts on Tuesday night at a delightful and jolly dinner party in their country home near Kimberly. The high honor was awarded to Mrs. W. W. Franz of Twin Falls and E. J. White and Mrs. L. E. Davis and P. W. Scott. A delicious two-course luncheon was served at midnight to Messrs. and Mrs. E. J. White, Mrs. L. E. Davis and P. W. Scott, E. J. White, Mrs. L. E. Davis and Lloyd James of Kimberly. Mr. and Mrs. Welch returned to Kimberly Monday from Helena, Montana, where he was called by the sudden illness and death of his aged father.

The domestic science class of the Kimberly school entertained on Friday at a twelve o'clock luncheon in honor of Mrs. E. J. White, Mrs. L. E. Davis, of Moscow and Dean Becklund of Pocatello, who spoke to the students in an interesting Friday morning. Miss Katharine Boye of Hudson and Superintendent B. D. Gibbs were guests from the Kimberly school.

EDEN AT WORK FOR NEW ROAD

Community Club Drafts Plans and Begins Raising Money for Highway Extension.

EDEN, March 30.—At a special meeting of the Eden Community club held here Monday evening, and attended by more than seventy business men and farmers, definite plans were drafted for the construction of a road leading north from Eden to the proposed new irrigation project six miles north of here. Included in the bill of the road, estimated at \$200, are estimates for the building of a bridge to span the north side canal. A committee of five were appointed to attend to the securing of the necessary funds.

The proposed road is within the boundary of the Hillside highway district, but the district at present has no funds available for new roads and the necessary amount is being raised by personal subscription, of which a great part has already been pledged. A. M. Laurson and Howard Bolenbacher, two of the Eden county commissioners, were present at the meeting; was also L. A. Paul, one of the directors of the Hillside highway district. Cooperation on the part of both boards is being extended to the Community club.

Qualification of the only consideration of the bridge is for the benefit of the Eden Power company, which is considering the erection of a power line from American Falls to Shoshone Falls and which necessitated the establishing of a camp here at Eden where access to materials could be made. The work on the bridge is expected to start within the next few days and rushed to completion.

The proposed road will be quite a boon to this community as the local business service has signified its intention of establishing headquarters here in the near future. The work of the new project which embraces more than 2000 acres of irrigable land that is to be opened up within the next few months. Practically all the land is adjacent to

the Eden community, and water for irrigation is to be stored at American Falls. A large appropriation has already been made for the re-land of this tract and active work is anticipated to start this year.

Buhl Girl Reserves To Entertain Dads

BUHL, March 30.—Plans are completed for the reception of 125 guests at the banquet given by the Buhl Reserve for Fathers and Daughters' club on Friday evening, April 1 at the Methodist church. Three long tables will form a triangle and decorations of blue and white. Place cards will represent each dad and speaker and the program will simulate the radio. Refreshing will be act as toastmaster followed by Dr. J. H. Murphy, who will respond to the subject, "Fading." Musical numbers, "State" and "What's on the Air." Jeanne Selman and Florence Nelson of the Reserves will also speak. Miss Lucretia Miller is secretary of the organization and Mrs. Harry Wright is chairman of the adult committee. Mrs. Evelyn Fairall and Mrs. Lilla

Shank of the Reserves served on the program committee.

Alfred Lennon of Weston, Idaho, is in charge of the Frank Goodwin home. Mr. Goodwin and Mr. Lennon transacted business in Gooding Monday.

Members of the American Legion auxiliary enjoyed luncheon at one o'clock Monday at Brown's cafe. A brief business meeting was held later in the P. O. building. The next meeting will be with Mrs. Lawrence Van Riper, with Mrs. J. G. Turner assisting.

The Home Culture club has started its monthly meetings. The next meeting of the district for a "get-together" meeting Friday, April 8. An interesting and instructive program is being prepared and Mrs. Rowan, president of the Rural Federation, will speak.

Mrs. Ralph C. Morse was reappointed by the new county fair board director to serve again as a member of the women's executive committee at a regular meeting of the fair board on Friday at the home of Mrs. A. T. Maxwell. Bill will be answered with Irish songs. Following a brief business meeting, Miss Mary Van Dusen, home demonstrator, gave the third lesson of the series on home decorations. The club quartet sang "Moonlight

Nights" and "Hush-Bye," and Mrs. Roy Overgaard played "Evening Waltz." Eight members and the following guests were present: Melba Overbaugh, Bowyer, Ollis, McQuwan, Hoffman, Phelps and Miss Mary Van Dusen. The hostess served a delicious luncheon. The next meeting will be with Mrs. George Marshall.

Members of the Business and Professional Women's club met Monday evening at the Johnson home for a social hour. Hostesses were the Misses Eva Omm and Grace Reddick.

Mrs. J. E. Partridge was hostess Saturday to members of the Catholic Women's league. Plans were completed for the coffee fund sale to be held Saturday, April 2 at the St. Andrew grocery. Dr. Edward J. Bulgin of Portland, who is conducting a series of meetings in Twin Falls, will speak at the high school Thursday afternoon at 1 o'clock and will address a noon gathering at the Methodist church at 3 o'clock. He is the representative of the central part of assistants and several Twin Falls pastors.

Mrs. Harry Wright, Mrs. Emuch Wall and Mrs. M. E. Partridge were hostesses at the home of the former at a charmingly appointed 1 o'clock luncheon Wednesday complimentary to Mrs. Leonard Watt. Ten guests were present.

Maroa Club Women Decide Upon Work

MAROA, March 30.—The Maroa Woman's club met at the home of Mrs. E. H. Brown Thursday afternoon with the following program: Reading of business session. This was voted to spend \$10 toward purchasing materials for embroidery, also to hold a cooked food sale on Saturday at the home of Mrs. E. H. Brown. Mrs. W. C. Brown has given an interesting talk on "What Our Club has Done." Mrs. Bertha Steier gave the report of the rural federation district meeting. Bill call was answered by current events. The hostess served lunch to sixteen members and their guests. The names are: Mrs. E. J. Minton was presented for membership. The next meeting will be with Mrs. L. E. Brown and Mrs. Jack Burd.

Mrs. E. J. Minton entertained at luncheon Tuesday for Mrs. P. W. McRoberts, Mrs. J. Paul Johnston and Mrs. Frank Baldwin of Twin Falls.

Home guests at the home of Mrs. L. H. Brown Sunday were Mr. and Mrs. S. G. Diehl, Mrs. Harriet of Kimberly, Mr. and Mrs. S. L. Eblor and family of Piler.

Mrs. Clyde Harman, who has been visiting at the home of her sister, Mrs. S. G. Diehl, has gone to Kimberly to visit at the home of Mrs. Byron.

Judge Baker Fines Juror

IDAHO, March 30.—(Special to The News.)—J. W. Staff, regular panel juror, who failed to appear in district court here at the home of his mother, was Wednesday fined \$20 and assessed \$1.00 costs in contempt proceedings before Judge Hugh A. Baker, state judge, for non-appearance of the law as his chief excuse.

Schilling Tea

sealed in invacuum

The only tea whose flavor is completely protected - kept fresh and fragrant from tea-garden to tea table. Five kinds of protection for the tea leaves - Schilling for the true tea flavors known only in the Orient. (1) Twice-toasted tea - the only way to unmask rich hidden flavors of a tea leaf. (2) Then the leaves are sealed in vacuum (like your coffee) - ... but sealed HOT at its most aromatic moment.

(3) The world's only key-wind vacuum tin for tea - with a Snug Cover - to protect it even after you open it. (4) Of the many grades of Orange Pekoe, only the choicest, most fragrant, are blended with Pekoe in Schilling's. (5) Your grocer protects you - he returns your money instantly if you don't like Schilling's best. You keep the tea.

Orange Pekoe

Also Green Tea (Japan)

Schramm-Johnson, Drug's

Pointing the Way to Thursday's, Friday's & Saturday's Big Savings

You can always depend on Schramm-Johnson to supply your needs in Toiletries, Drugs and Household Necessities at Lower Prices. Twenty-eight stores in 5 different states make possible our tremendous buying power, which in turn lowers the cost of distribution to our patrons.
