### OUTLOOK FOR IDAHO CALLED SATISFACTORY

Secretary of Rail Association Believes General Condition in State Good; Season is Slow; Quotes Twin Falls Men.

(By The Associated Press)  
BOISE, April 29.—Present general outlook in Idaho is called "satisfactory" by J. J. McConnell, secretary of Idaho of the central western shippers' advisory board, following a session held here today after assembling reports of commodity commission from several Idaho.

McConnell reported, "There has been an unusual amount of precipitation, both during the winter and spring. This has resulted in a large storage of moisture in the mountains, and the run off has been fairly good. Under such all the reservoirs will be filled and there will be an ample supply of water for irrigation purposes during the coming season. The outlook is very hopeful." Prospects for grain and mill products are "unusually good." L. D. Breckenridge, Twin Falls, reported, "in estimating that grain and grain products will increase 20 to 25 per cent in tonnage over last year. Wool shipments will equal those of last year but lamb shipments will be reduced 10 to 15 per cent, the report of T. C. Bacon, Twin Falls, shows. C. A. Barton, Boise, reported improvement in building activities with the outcome favorable for lumber and building material.

**Potatoes Excellent**  
Present estimates of W. B. McDirmy, Boise, declare Idaho will have a full apple crop, despite light damage from frost to the Delicious variety. The prune crop is estimated equal to last season, but the apple crop is expected to produce from 80 to 90 per cent of a crop, while peach and apricot crops are expected to be similar to last year.

**WOUNDS SPOUSE AND KILLS SELF**  
Boise Laborer Takes Own Life After Shooting Wife Through Mouth—Following Quarrel.

BOISE, April 29.—Wallace Maddox, wool tier and fruit picker, killed himself here tonight after shooting and seriously wounding his wife, Pearl Blavier Maddox, 19, following a quarrel at the home of her grandparents, Mr. and Mrs. Fred Murray, in south Boise. Mrs. Maddox, shot in the mouth and seriously internally wounded, is expected to recover.

**Wool Industry is Basis for Comment**  
President of National Association Views Present Conditions as Un satisfactory.

BALT LAKE CITY, April 29.—Although wool, statistically, is strong, with low stocks in all countries, and strengthening of all foreign markets in recent months, the domestic wool situation can not be determined, asserted Frank J. Hiron, president of the National Wool Growers' association, upon his arrival here today. "In pointing to growers' foreign markets respond and the Boston market fall to respond, said Mr. Hiron, it is true that the goods available is satisfactory. However, it is true that it has improved materially, but the rate of consumption of wool by the mills shows improvement over a year ago. The wool situation fully warranted comment." The wool growers' executive would not be quoted further than to say that a large degree for the unbusiness condition. "As regards the strong statistical position of wool, a large number of growers are being advised to raise prices for wool controls similar to those paid a year ago, in spite of the fact that the wool situation fully warranted comment." "In the whole, the sheep outlook in the 11 countries seems in good. One of the main causes of the wool situation in this country is the strength of the wool market."

Mrs. Ruth Snyder Takes Witness Stand; Repudiates Confession and Fixes Blame for Killing on Salesman.

(By The Associated Press)  
NEW YORK, April 29.—Holding high her blonde head, Mrs. Ruth Snyder, Snyder's village housewife, took the stand today and denied that she killed, or plotted to kill her husband, Albert Snyder, magazine art editor. Her denial, accompanied by tears, was categorical. She repudiated her confession as a statement obtained under duress and after denying specific points denied it in toto. To wit by point she was taken over the state's case, denying that she schemed to get her husband insured for \$50,000 and then plotted his death. She fixed upon Henry Judd Gray, her former salesman partner, the responsibility for the killing.

## RUTH KNOCKS FOURTH HOMER

Yankees Whitewash Boston Red Sox 9 to 0; Southpaw Ruether Pitches Six Hits.

BOSTON, April 29 (AP)—Behind the steady pitching of Southpaw Dutch Ruether, the Yankees whitewashed the Red Sox, 9 to 0. Babe Ruth had a big day, knocking out his fourth homer of the year into the right field stands off Slim Harries with none on base in the fifth. He also made a double and a single and contributed a star running catch on the difficult left field embankment. Ruth now has made one home run in each of the four eastern American league ball parks. He drew one free pass today.

**WIN FIFTH STRAIGHT GAME**  
PHILADELPHIA, April 29 (AP)—The Philadelphia Athletics won their fifth straight game today by defeating Washington, 8 to 7. The Senators had a three-run lead in the sixth inning when the Athletics went to the front with seven runs. The Athletics used five pitchers in the game. Thurston for Washington and Lamar for Philadelphia had home runs. The total was a triple, double and single.

**PITCHES DETROIT TO VICTORY**  
DETROIT, April 29 (AP)—Irvn Collins, starting his first game as the ace, pitched Detroit to a 5 to 2 victory over Cleveland here today in the second game of the series. Hackney, who weakened in the fifth and again in the seventh, and allowed the Tigers 10 of their 11 hits, gave way to Levens in Detroit's last turn at bat. Double play in the second and third lifted Collins from two difficult situations.

## Establishes New College Record

All Around Athletic Laurels Pass From Shoulders of Flansky to Vernon Kennedy.

PHILADELPHIA, April 29 (AP)—The intercollegiate all-around athletic laurels that have rested for the past two years on the broad shoulders of Tony Flansky of Georgetown, passed today to a new star in versatility, Vernon Kennedy of the central Missouri state teachers' college.

Flansky, now out of college competition, was not there to defend his honors, but Kennedy shattered the Georgetown star's intercollegiate record in defeating nine rivals for the delectable championship which provided an all-day show for the Pennsylvania relay carnival at Franklin field.

## GOODING TAKES NORTHERN MEET

Cassia County Lads Walk Away With Sub-District Event; Rupert Second; Oakley Third.

GOODING, April 29 (Special to The News)—Gooding high school, scoring in every event, spoiled their opponents under an avalanche of runners to win the sub-district meet here today. Scoring a total of 85 points, they qualified nine men for competition in the district meet at Twin Falls, May 7. The final score stood, Gooding 85; Wendell, 16; Jerome, 10; Hagerman, 4. Richfield placed a man second in the high hurdles and third in the mile, whose points were not counted as they are not eligible to compete in the Gooding sub-district. Hagerman, promising freshman 440 man, who had been touted to win from his team-mate McCrea, failed to come through, and finished a poor third in both the 440 and the 880.

**TOONS STALAR PERFORMER**  
The Toons brothers came through in one, two, three, four, five, six, seven, eight, nine, ten, eleven, twelve, thirteen, fourteen, fifteen, sixteen, seventeen, eighteen, nineteen, twenty, twenty-one, twenty-two, twenty-three, twenty-four, twenty-five, twenty-six, twenty-seven, twenty-eight, twenty-nine, thirty.

110 feet 2 1/2 inches, made by Burgher of Rupert in 1925, and it is entirely possible that competition will bring Simpson out enough to set a new record. He has shown the ability to run 120 feet in practice, according to his teammates, and he should win the event at the district meet easily.

**Predict District Relay Record**  
Having no relay team against them in the Gooding high school relay squad, did not get an opportunity to demonstrate their wares, but everyone seemed convinced that they were plenty fast enough, and some were optimistic enough to predict a new district record for them in this event. The district record is held by Twin Falls, whose relay team composed of Timm, Alcorn, Kelly, and Johnson, ran the 880 in 1:24 on the Flax track in 1925, faster time than the state record.

**Summary:**  
50 yard dash—C. Toone, Gooding, first; T. Toone, Gooding, second; Shaw, Gooding, third. Time 5.5.  
100 yard dash—T. Toone, Gooding, first; T. Toone, Gooding, second; Shaw, Gooding, third. Time 10.8.  
220 yard dash—C. Toone, Gooding, first; Shaw, Gooding, second; Fields, Jerome, third. Time 25.3.  
440 yard dash—McCrea, Gooding, first; Fields, Jerome, second; Hagerman, Gooding, third. Time 58.2.  
880 yard run—Golechuck, Gooding, first; Davis, Jerome, second; Hagerman, Gooding, third. Time 2:12.5.  
Mile run—Golechuck, Gooding, first; Hagerman, second; Hutton, Richfield, third. Time 5:10.  
High hurdles—Patterson, Gooding, first; Bolton, Richfield, second; Nelson, Gooding, third. Time 21.5.  
Low hurdles—T. Toone, Gooding, first; Patterson, Gooding, second; Fields, Jerome, third. Time 30 flat.  
Shot put—Davis, Jerome, first; Simpson, Wendell, second; Nelson, Gooding, third.

## Idaho University Defeats Montana

MISSOULA, Mont., April 29 (AP)—Idaho checked a ninth inning rally, catching University of Montana at the plate to win from the Grizzlies in a Pacific coast conference game today, 3 to 2. Idaho scored on an error in the second, and three times on two triples by Blair and Murray, a walk and a passed ball in the sixth. Kelly hit a home run, after Chinsko had walked in the seventh. In the ninth Montana had two men on when Rogan hit a single to score Chinsko. On a wide return throw from the outfield, Hafferty attempted to score and was caught when Erickson covered the plate.

NATIONAL REPRESENTATIVE

How fix it? One is inclined to agree with Governor Hinkle of Maryland that the "decency of interest in political thinking" is called for in very real.

General interest in politics is on the wane and general indifference appears to have taken its place. Only at election time do people pay very strict attention to any part of the conduct of public business.

But the public business can never be conducted with the simplicity and dispatch of private business. In their eagerness to acquire the public business the lawmakers have seen to it that might little discretionary authority is left to the individual.

As an events move in a sort of vicious cycle, and a "decay of interest in political thinking" follows naturally and logically.

COSTLY CARELESS MAILING

It cost the Philadelphia Post Office thirty thousand dollars in nineteen hundred twenty-six to take care of currency or liability addresses mail. A force of thirteen clerks devote their entire time to such work.

One question whether the letter to saved from the oblivion of the dead letter office are sent in the dead letter office is worth a price of more than thirty thousand dollars multiplied by the number of large post offices doing such routine work.

Perhaps if the various post offices didn't do such a good job of retrieving otherwise lost mail, the public would wake up and assume more of its own responsibility.

Realize how soon it would be gratified, for on a sudden, without a moment's warning, there came a roar as loud as I had never heard before, and, doubly hoarse, I shall never hear again; and in a second a huge column of flame and smoke went towering up into the sky.

Until we had reached the schooner and the captain had changed his dripping garments, he still spoke to word. Then, with an explosion that had the crew and passengers of the Sea Gull as coauthors and villains of the deed, he died.

Think, as it proved, was one of the dearest actions of my life, and if I had not performed it, I should not be writing these pages today, as you will surely see. Even as it was, the captain, who was an excellent swimmer, reached the boat ahead of me, and began to give orders before he had fairly swung himself over the rail.

## PYTHIANS GIVE TO FLOOD FUND

### District Convention Here Votes \$25 to Red Cross for Relief of Mississippi Sufferers.

Donation of \$25 to Twin Falls Red Cross fund for relief of Mississippi valley flood sufferers was voted by delegates to an annual district convention of the Knights of Pythias district No. 6, in session here last evening. W. O. Filer of Shoshone was elected district chairman for the ensuing year to succeed E. E. Brown of Buhl, retiring chairman, and O. A. Reynolds of Gooding was elected vice chairman, and J. W. Williams of Gooding, secretary and treasurer.

### Five Lodges Represented

Lodges of Shoshone, Gooding, Rupert, Buhl and Twin Falls were represented at the convention. Members of the Pythian temple of Twin Falls served a luncheon lunch for delegates and convention visitors in the Odd Fellows hall at 9:30 o'clock. A musical program included selections by a boys' orchestra and violin and vocal numbers by Jean-Louis with accompaniment at the piano by Daisy Lind.

Grand Chancellor Moore of Postville was the principal speaker, delivering

### Dr. E. J. Bulglin Addresses Largest Week Night Audience of Campaign in Tabernacle.

Delegations from Filer, Burley, Jerome, Burley, Blaine and Kimberly contributed last evening to the largest week night audience assembled that has yet assembled in the tabernacle erected here for a union revival campaign now drawing to a close. A number of conversions were recorded at the close of the meeting.

The campaign has been in progress nearly five weeks and will be closed next Sunday with three services in the tabernacle. Dr. E. J. Bulglin, evangelist, and members of his party will leave Monday morning for Grass Valley, California, to open a similar campaign there. His country, planted last Friday day preceding other members of the party to California.

The serious lecture delivered last evening by Dr. Bulglin was denominated an interesting study of the Bible. In the speaker stressed the church as the main foundation of religion and declared all other "saltracks" growing out of the Bible to be erroneous doctrines. Salvation is possible only through Christ, the evangelist declared. "Lodges won't save, and patriotism won't save," he asserted. "The church is the only institution for which Christ gave His life."

Charles R. Clark, musical director, sang as a solo number, "Lord Is It I?" Accompaniment at the piano was played by Mrs. W. A. Patrick.

### Luncheon Meeting

Sixty persons were served at a luncheon meeting for men held in connection with the revival campaign on Friday in Tom's cafe. The question, "What Is the Matter with Our Churches," was discussed at this meeting, and a number of questions expressing criticism of church policies and methods were taken up and answered by Dr. Bulglin and other ministers.

### Warn Against Floods

YUMA, Ariz., April 29 (AP)—The United States weather bureau announced today that Yuma, the Imperial valley of California and Lower California in Mexico will face flood conditions within the next six weeks. The bureau predicted the flood may exceed the disaster of 1926 when the Colorado river burst its dykes at Yuma, Ariz., Mexico, inundating thousands of acres of fertile Imperial valley lands.

## Success

### THIRTY-FIVE YEARS AGO Ed Paulski started to work at \$14 a week as a barber in Hartford, Connecticut. He borrowed \$100, opened a billiard room, put the profits into a restaurant, and expanded his holdings through Hartford, Danbury and Waterbury. Today he's worth a million.

### In French Africa

So diversified is the native population of French West Africa that official reports classify the inhabitants under more than fifty groups. Some very extensive areas of this region are practically deserted, while others have a population as high as fifty persons to the square kilometer. The total number of white people is not over 10,000.

### Druggists' Mortar Old

The original mortar, which has come down to modern generations almost unchanged in shape, can be traced back to prehistoric times. The mortar in its present shape was used centuries before medicine was known as an art, and was used to crush hard bodies. It was used by savages as well as civilized peoples.

### Famous Hymn Tunes

Three famous hymn tunes were made special study of under the leadership of the pastor. The hymns were once asked to name the greatest hymn tunes. Of the hymns thus honored three were named: "Manahela," the singing of these hymns, and the German "Hallelujah." The first two were "Rock Hymn" and "Aloah."

## When We Are History

WHEN the world has spun on until 1927 seems quaint and bygone, historians will be writing our social history . . . how we lived and worked and played.

They will get their material from the old files of our daily newspapers. And how carefully they will study the advertisements, because it is advertising that truly reflects the customs of our times.

But, while our advertising will be interesting to the historians of tomorrow, it is more than interesting to us of today . . . it is vital. For advertising brings news of all that is best in our daily life. The pleasant things. The useful things. Things that lighten our burdens. Help us in our daily work. Bring ease, comfort and color into our lives.

In short, advertising shows us the way to get more out of living.
