northeastern Louisiana lowlands to advance upon the south central portions of the state tonight, still had failed to find a penetrable spot in the levees along the Bayou des Glaises sector.

Wireless Brought Into Play

Already reports said 800,000 acres of farm lands have been submerged with three entire northeastern Louisiana parishes entirely under water and several others partially flooded. Twenty-five thousand farms have been covered.

Three Parishes Gone

Three entire parishes of Concordia, Madison and Tensas had disappeared beneath the surging inland sea. Two-thirds of east Carroll was under water.

Eight hundred farms were inundated in west Carroll, 84,000 acres in Franklin, 20,000 acres in Nachtitoches, 5000 to 10,000 acres in Rapides and 40,000 acres in Avozelles.

OVER-PRODUCTION OF OIL IS BIG PROBLEM

Officials of Leading Petroleum Companies Meet to Remedy Crisis in Industry

NEW YORK, May 11 (AP)—The problem of over production, which has been termed by some high officials as a crisis in the petroleum industry, was under discussion here today at a meeting of executives of 13 or more oil produc-

meeting, which was adjourned into this afternoon until 11 o'clock, tomorrow morning, is to establish some practicable method of restricting crude oil output, particularly in the Seminole field of Oklahoma.

held on Monday in Washington between Walter C. Teagle, president of the Standard Oil company of New Jersey and Hubert Work, secretary of the interior and chairman of the Federal oil conservation board. A direct appeal was made to the government for help in restricting production to which Secretary Work replied that the government

No Official Comment

Although no official comment was forthcoming at the adjournment of today's session, it is understood that the conference had to do with the shutting out of a considerable portion of the

ommune production. As an agreement is obtained, the legal aspects undoubtedly will be taken up with the corporation commission of Oklahoma. Inasmuch as dispatches from Washington have stated that the department of justice has not given its approval to an agreement on restriction.

Don't Burn the Sprouts

off of your potatoes with caustic disinfectants. Common sense tells you that to do so must weaken germination and plant vitality and the result must be a lighter yield.

Du Pont Semesan Bel

never kills the sprouts but increases vitality, promotes better and more rapid germination. The result is good stands of vigorous healthy plants and increased yields.

SEMESAN BEL controls ALL seed borne diseases, molds and fungi and controls them better. Other disinfectants control only partially one or two diseases.

SEMESAN BEL is a scientific preparation produced by a great chemist for control of seed and plant diseases. Other potato disinfectants are merely natural products used in the past for the reason that there was nothing better at hand.

WHICH IS MOST LIKELY TO BRING YOU BEST RESULTS?

SEMESAN BEL TREATED POTATOES KEEP BETTER IN STORAGE—due to the fact that it controls Blackleg and Spindle Top, the diseases that cause rot in storage and which other disinfectants do not control. IT'S WORTH ITS COST ON THIS SCORE ALONE.

DEMPESEY READY TO FIGHT ALL COMERS

Former Champ Tells Rickard of Confidence in Own Ability to Reach Gene Tunney.

NEW YORK, May 11 (AP)—Spanning the continent by telephone today, Jack Dempsey informed "Big Boy" Rickard he would fight anyone the promoter chose this summer in his comeback campaign to regain the world's heavyweight championship.

In his talk from Olat, California, Dempsey told Rickard he was certain of his ability to fight through the ranks of the outstanding contenders, to a final match with Gene Tunney, who stripped him of the title in the rain at Philadelphia last fall. Dempsey said he would not suspend preliminary training in the Ventura mountains of California to come to rest for a final battle but to be given Rickard here Monday night.

The former champion told the promoter he was in "fine shape" and rapidly rounding into fighting trim through manual labor and light boxing drills.

Definite announcement of the details of Dempsey's return to the ring are expected next week. Rickard said he would follow his original plan for completion of the heavyweight elimination tournament by defeating Dempsey against Paulino Uzcudun, the Spanish woodpecker, for a bout early in July. The winner of the Jack Sharkey-Jimmy Maloney fight here May 19 then would meet either Dempsey or Paulino for the right to face Tunney in September.

COAST GUARD BEGINS SEARCH FOR AVIATORS

(Continued from page one)

Grand Banks was assigned a 1200 mile area northeast of Boston.

The liner Franco was ordered from its course to look for Nungesser and Gail shortly before leaving Havre tonight for New York. Instead of sailing on a southerly curve, the ship was ordered to do it will take a considerable to the north of the regular steamship lanes, at one point being practically 400 miles north of its regular course. As it approaches the Grand Banks—with the accompanying danger of fog, it is expected to turn south again and loop down to New York.

Plane Built to Float
All hope for the missing aviators was based on the fact that the White Bird was built to float indefinitely. Concentrated rumors were carried by the aviators and unless the plane came down in the fact that group it is to sit down saw no reason why they the Frenchmen might not still be alive.

INDIANAPOLIS, May 11 (AP)—A message delivered in transmission, expressing confidence in Captain Nungesser and Major Gail, French aviators now lost in the north Atlantic, over the recent death of Lieutenant Commander Gail. News was received today by Howard P. Savage, national commander of the American Legion.

Davis met death when his plane "American Legion" met with an accident before attempting a trans-Atlantic flight. The message from the French aviators follows:

"Deeply grieved terrible accident following trans-Atlantic flight attempts. Beg you express most sincere sympathy."

UNIQUE AGREEMENT TO SETTLE ARGUMENT ON BASEBALL SCORE MADE

HAZELTON, May 11 (Special to The News)—Amicable settlement of a baseball game played here between the high school and Eden high school, resulted in one team winning the game, and the other club losing the score. At the end of the game, a difference of two runs was found by the scorers for the schools, Eden claiming the game, and the other club losing the score. A five all tie, and Hazelton scored a seven-victory for his team. Following an argument, officials of the two schools agreed to let the score of each school stand, with the result of both a won game and a tie game.

Salt Lake-Skipper Sees Bees

Through Hard Workout; Ogden Team on Seemly Schedule

Objection Ironed Out.

SALT LAKE CITY, May 11 (AP)—Harry O'Neill, the skipper of the team, sent his charges through a two hour workout this morning, marking the opening of the training camp in Utah. The players have been in training on the coast for the past few weeks and need just a few days in which to put on the finishing touches prior to the league opener Tuesday, May 17.

Sixteen players, constituting the playing roster of the Ogden "Gunners" will arrive in Ogden from Oakland, this evening and will begin training Thursday. Under present plans, the Gunners will secure either Pete Duglia, leading twirler of the U-I league last season, or Lefty Sparks from the Oaks before the first of June.

"Spud" Hammer College Team—Idaho Falls news "Spud" team hammered Idaho, Montana state college southpaw, for 12 hits that meant 10 runs, while—erotic ball and scintilla in the first of a two game series at Idaho Falls Tuesday afternoon.

"Anything that is for the good of the league as a whole," was the reply of President C. P. Carlson of the Ogden club, in reply to a query from President Hys of the league, with reference to a few minor changes in the schedule, as finally adopted, at the last league meeting in Ogden, was so arranged that the team did not play a series in Logan, in which President George Bandholtz of the Bruins objected. After ironing out the objections by the Bruins executive, it was decided to switch Salt Lake from Logan to Ogden and Twin Falls from Ogden to Logan, during the week of August 2 to 10, inclusive.

POCATELLO, May 11 (AP)—Disagreeable weather hindered the Dancocks' workout here today, but by persistent efforts they succeeded in getting several hours of batting and fielding practice. All of the players displayed speed and good hitting ability.

The six pitchers, White, Holmes, Johnson, Hunt, Fortman and George, are shooting over the fast ones and all look good to the crowd of fans who attend the daily workouts. Just who will take the pitching job over in Tuesday's opener at Overland park has not been decided. The odds are 10 to 1 in favor of selection is expected within the next day or two.

The annual breakfast for the seniors of the Twin Falls high school was held Wednesday morning at the Hotel-Rogers. The class colors, green and white, were used to decorate the tables and the dining room was extremely attractive with fruit blossoms and tulips. Immediately before the serving of breakfast, the senior song composed by Miss Charlotte Simpson, was sung. Superintendant Ernest D. Bloom acted as toastmaster and gave "Where Are You Going?" Miss Marcelle Wynn responded to the toast "Classmates," and Byron Randall and Edwin True gave "The Feelings of a Senior on Leaving Overland." Principal Mary Ruth Fisher made the presentation "Well" and Miss Charlotte Vogel played a piano solo. Luther Penderick rendered a violin selection and Kendrick Wright gave a cornet solo. Miss Ruth Darling's toast was to "We Seniors" and Miss Juanita Stettin and Miss Helen Honnold, class editors, gave "Farewell." The seniors then paraded through the business district and disbanded, meeting at one o'clock in the high school auditorium where the farewell assembly was held. The class day costumes were quite striking, the girls wearing white linen sport dresses with green gossamer handkerchiefs and the boys green and white sport sweaters and knickerbockers.

Mrs. A. E. Henderson was hostess to the Women's Progressive club Wednesday afternoon with fourteen members and two guests present. Roll call was answered with "How Do You Better Mothers." Ten dollars was voted to the Red Cross for the relief of the flood sufferers. A delightful program of readings and songs arranged by Mrs.

Shaw was enjoyed. The remainder of the afternoon was spent socially and the hostess served delicious refreshments. The next meeting will be held with Mrs. O. A. Jungst on May 26.

Mrs. A. M. Struck delightedly entertained the Addition Avenue club Wednesday afternoon. Mrs. T. Duerig, assisted by Mrs. Marion Hammons and Mrs. W. O. Smith, presented an interesting program on the early settlement—development—and immigration of few minor changes in the schedule, as finally adopted, at the last league meeting in Ogden, was so arranged that the team did not play a series in Logan, in which President George Bandholtz of the Bruins objected. After ironing out the objections by the Bruins executive, it was decided to switch Salt Lake from Logan to Ogden and Twin Falls from Ogden to Logan, during the week of August 2 to 10, inclusive.

The Unity club met at the home of Mrs. H. T. Blake Wednesday with Mrs. J. C. Green assisting hostess. During the business session it was decided to hold a cooked food sale and home products exhibit at the store of Albert and Mott and Wall's Cash grocery, on Saturday, May 14. The size and type of jar to be used for the club exhibit at the county fair was decided upon. Mrs. H. E. Bailey gave a report of the last Rural Federation meeting. Mrs. J. E. Belleville gave a report of the talk of Mr. Bennett for the flower exhibit at the county fair. Mrs. A. B. Hartman and Mrs. H. E. Bailey gave interesting papers on Nicaragua. Mrs. Belleville read a most interesting interview with Mrs. Sun Yat Sen of China, taken from the Portland Oregonian. During the social hour delicious refreshments were served to nineteen members and ten guests.

Mrs. Walter E. Bellier entertained the Wednesday Bridge club at her home on Sixth avenue east. First and second prizes were won by Mrs. Jack Thomp and Mrs. P. H. Stowell, respectively.

Mrs. W. A. Cawood entertained with a pretty party Tuesday afternoon at her home on Kimberly road to celebrate the birthday of her daughter, Betty June. The wee guests with their mothers, were joined for tea at two o'clock and a delightful time was spent until five o'clock, when the little folks were seated at one large table having for a centerpiece a beautiful white birthday cake lighted with four pink candles, all the details being carefully put in pink and white, the favors being candy baskets in the chosen colors. Mrs. Cawood was assisted by Mrs. Wahl.

The M. S. and S. club met at the home of Mrs. W. W. Parsh Wednesday afternoon with the president, Mrs. Sturgeon, presiding. After the business session was over, the members

were taken care of a clever program was worked out by Mrs. Collins on "Mother's Day" with subjects and songs fitting for the occasion. Mrs. Pearl Parsh and Mrs. Sturgeon sang a duet entitled "Beautiful Hands," escorted with "My Mother's Bible." Daisy and Eugene Linn gave some appropriate songs and violin and piano solo. A cornet by Elmer Pierce and violin by Leola Lindsey, accompanied by Mrs. Lindsey was enjoyed.

Mrs. Tucker gave a fine reading entitled "Miss Edith Hays." The hostess served delicious refreshments, assisted by Mrs. Lindsey and Mrs. Helen Edred to the twenty-three members and four guests present. Also a number of young folks were present.

An exceptionally pretty party of the week was given by the Business and Professional Women Tuesday evening in the form of dinner and card party complimentary to two of their presidents and recent brides, Mrs. Bula Sawyer Malone and Mrs. Ada Washington Ponder. The tables were lovely with baskets of spring blossoms and tulips and places were marked with very early candy canes. During dinner Mrs. Mary Provost gave a humorous reading and Mrs. L. H. Masters sang "May Morning," by Denham, with Mrs. LeVelle Breckinridge at the piano. Dr. Emma L. Croeland gave a toast "To Our Brides," to which clever responses were made by the guests of honor. Mrs. Geneva Lewis in behalf of the club presented the honored guests with dainty gifts. Two one-act farces were given after dinner and a brief business session followed. The evening closed with several games of cards.

BURIAL OF DEAD IN
STORM AREA BEGINS

homes, hospitals and hotels in the stricken area, could not survive. Several known dead.

The known dead remained at 10 tonight while the number of injured ran well above 300.

More than 100 families were homeless and it was said that many of these were in urgent need of assistance and rehabilitation.

National guardmen remained on patrol duty at Strong, in the southern edge of the state, but civilian agencies reported they had the situation well in hand in the northeastern section where half a dozen towns and villages were razed. Strong, a prosperous little farming community was completely wiped out by the tornado.

MISSISSIPPI LEVEE
CONTINUES TO HOLD

(Continued from page one)

against the stages previously forecast. The water still was rising in the Tennessean basin, west of the main stream and at Jonesville, 20 miles west of Nashville. The river gauge showed 51.2 feet today, 7.19 feet, 49 feet since May 1. At Barbours, 50 miles south of Jonesville, the head of Old river, the water had risen three feet since May 1.

MEMPHIS, May 11 (AP)—Shipment of enormous food supplies that will place 64 flood relief concentration centers on a two weeks relief reserve basis, continued today, while the American Red Cross held large forces in two Louisiana areas where breaks in levees may affect 100,000 persons to the homeless.

Receding flood waters in the older inundated sections has brought up the problem of rationing all points so that when host transportation is no longer possible, there will be enough food to feed the refugees until highways and bridges can be made safe for land travel.

Meanwhile Dr. William H. Redden, medical director of the Red Cross, has

been summoned from the flood zone to inspect the tornado area in Arkansas and Missouri and to supply health measures as well as to look into the care for hundreds of injured persons.

JUROR'S DEATH HALTS
TRAIN BANDIT'S TRIAL

—JACKSONVILLE, Ore., May 11 (AP)—

Circuit Judge C. M. Thomas tonight declared a mistrial in the case of Hugh de Autremont, 31 years old defendant, charged with murder in connection with the slaying of Charles O. Johnson in the Blackfoot mountain train holdup in 1923. Judge Thomas' action was taken following the death of S. W. Dunham, 60, one of the 12 men in whose hands de Autremont's fate was to have been placed.

It was believed that the new trial would be delayed, several months at least and that it probably would not be called until fall.

BRUINS SATISFIED
WITH NEW SCHEDULETwin Falls Club Gets Eight
Games at Home and as Many
Away—With Holidays Here.

A satisfactory U-I league baseball schedule was finally adopted by league officials, according to word received last night from President Hys. The schedule as adopted now provides for eight series at home for the Bruins and eight away, and in addition gives them home games on nearly all holidays. The Bruins will open at Pocatello May 17, as had been anticipated, and they will play their first game at home with Logan here May 24. This will be a seven-game series with the final game on Monday, May 30.

Twirlers Get Inning
Rex Hickok had his initial workout

with the 1927 Bruin baseball squad yesterday afternoon and his work on the mound indicated that he has been spending considerable time there this spring. Manager Oardner put the Bruins through a stiff two-hour workout, in which all the twirlers had their turn. If the practice work indicates anything, Twin Falls is likely to have a real baseball club this season, in which both hitting and fielding will be featured.

Phil Apperson found his hitting stride yesterday and was polling them about today's conduct. He handled "white" and "gray" amidst the cheering by knocking them out of the lot. The skipper was digging them out of the first at first and the gang seemed unable to throw them where he couldn't handle them. These boys show the training they have gone through on the coast this spring and they are all ready to go to work. The week's workout before the opening game will give them a chance to steady themselves under the new conditions and they should deliver real baseball when they meet Pocatello next Tuesday.

SCREWDRIIVER PLAYS OUTSTANDING ROLE IN BURGLARY TRIAL

State's Case Against Three
Portland Men Hangs for Time
on Introduction of Tool in
Evidence.

A screwdriver was an important factor Wednesday afternoon in the case of Robert Anny, Charles B. Corcoran and William A. Lett, who are in district court here on charge of burglary.

The case went to the jury at 10:15 o'clock last night following final arguments by attorneys for which they were called back to the court room by Judge Hugh A. Baker for the first night session of the term. No word had come from the jury room when members of the stand retired for the night at midnight.

The screwdriver in question, Judge Baker announced, was introduced for a directed verdict in favor of the defendants. This motion was urged after the state rested its case late in the afternoon.

Marks Corroborated
Two jurors testified after the motion for directed verdict had been denied, that marks on a door at the rear of the O. W. Harr automobile wrecking establishment, from which the defendants were accused of having stolen two automobiles, tires, corresponded identically with marks made by that screwdriver.

Time of the alleged burglary was fixed by witnesses for the state who testified during the trial that the tires were taken between 9 and 10:30 p. m. on April 20, last.

Anny, owner of the car in the trial, testified that he was in the field to Twin Falls, was the only one of the defendants called to testify in their behalf. Under questioning by his attorney, J. W. Porter, Anny confirmed his testimony to the night of the alleged burglary, when he said, he had gone to bed at about 9:30 p. m. and remained in bed until the next morning. Prosecution attorney O. W. Witham's repeated attempts to cross-examine to expand the scope of questioning of the witness.

Only two other witnesses testified for the defendants.

A. A. Slack, proprietor of a vulcanizing works, testified that in his statement the tire that the defendants were accused of stealing and that was taken from Anny's car, was the tire of the alleged burglary, had traveled between 2000 and 3000 miles, under examination.

On his opinion that the tire had been turned out. He questioned the ability of the state to identify the tire by examination of the numbers.

Four other tires, were rolled into the court room during cross examination of this witness and he was required to give his estimate of the distance that had been traveled by two of them.

Kimberly Man Testifies
Gerald Hamilton, proprietor of a confectionary and lunch counter at Kimberly from which a quantity of cigars, cigarettes and candy was stolen on the night of April 30, was called by the defense to testify to the effect that defendant Lett had bought cigarettes in his place of business at Kimberly that night.

Witness said, had remarked changes in Kimberly since he had last been there in 1918. He said, according to his statement to the witness, with a troupe of Hawaiians. He came to Kimberly in an automobile that corresponded with the description of Anny's car, and was accompanied by a "tall, thin man" of whom the witness had taken no particular notice.

In an effort to impeach testimony of Anny, the prosecuting attorney called Deputy Sheriff E. P. Prater to testify as to apparent discrepancy in Anny's statement on the witness stand and on a prior occasion relating to whether he or one of his companions had gone to bed first on the night of the burglary.

Laughter swept the courtroom during the afternoon when W. L. Dunn, attorney for Lett and Corcoran, in cross examination of W. P. Prater, proprietor of an automobile accessories supply house, asked what the witness had made out of the witness stand when he had said Lett's conduct at his place of business on the afternoon of April 30 had been "peculiar."

"He stole a package of soap," the witness answered.

COOPERATE IN PLAN FOR OBSERVANCE OF MEMORIAL OCCASION

American Legion Joins With
Ladies of G. A. R. and Spanish War Veterans in Arranging for Event Here.

Twins Falls pool of the American Legion, held on Tuesday by the Grand Army of the Republic, which because of its thinking ranks two years ago surrendered its charter, will co-operate with Dan McCook circle, Ladies of the G. A. R., and General Lauder post, United Spanish War Veterans, in arranging for observance here of Memorial day on Monday, May 30.

Agreement to this effect was reached at a meeting last evening of the American Legion veterans in their meeting place in the building at the corner of Second street and Third avenue east that was erected some years ago to be a labor temple.

Ladies of the G. A. R. with respect to Memorial day observance was reported by the American Legion veterans by Mrs. Ralph E. Leighton, and purpose of the Spanish War Veterans to co-operate in arrangements for the observance was stated by Captain P. W. McRoberts.

Religious Services
Ladies of the G. A. R. have accepted an invitation to attend Memorial services with sermon appropriate to the occasion to be preached by Dr. H. G. Heston of the Methodist Episcopal church here on Sunday morning, May 29.

Services were extended to attend the services in a body.

Members of the committee named by Henry Benoit, post commander, to represent the American Legion in making arrangements for the Memorial day observance were General Balch, Paul H. Taber, Harold W. Merrill, R. P. Parry and John G. Harvey.

Former service persons who have not heretofore been used by the American Legion bureau, to make immediate application for adjusted compensation.

Advisory Volunteers
The American Legion veterans accepted with expression of appreciation the offer made by the American Legion Women's auxiliary to take charge of arrangements for a luncheon to be served in connection with a meeting of the American Legion fifth district convention to be held here June 2.

A committee of the auxiliary, composed of Mrs. Grace Brecken, Mrs. Harry Benoit, Mrs. John H. Benoit and Mrs. Leighton served sandwiches, pickles, cookies and coffee at the close of the meeting.

IDAHO WOMEN VOTERS
PUT OFF CONVENTION

Conflict With Other Activities
Causes Postponement of Sessions Until Fall.

Indefinite postponement of Idaho's first convention of the League of Women Voters that was scheduled to be held here next Saturday, was announced yesterday evening by Mrs. Laurence Tharp of San Francisco, regional secretary for the organization.

Postponement, Mrs. Tharp stated, is due to the fact that the organization is in conflict with too many other activities at this time in this part of the state. The convention, she said, probably will be held next fall.

Mrs. Tharp came here this week to plan for the Idaho convention from Washington, D. C., where she attended a meeting of the general council of the league.

The organization's national study program was announced at the convention. Mrs. Tharp stated last evening that the study of the general council of the league.

HIGH SCHOOL CLASS HOLDS SENIOR DAY

Program Highly Amusing to
Students; Graduates Enjoy
Holiday.

Senior class day ended happily for outgoing students of Twin Falls high school, despite minor injuries sustained by two members of the class during the progress of the state dance from the high school building to the annual senior breakfast, served in the Rogerson hotel. The day opened auspiciously for the upper classmen of the local school, with a holiday declared, and no classes to be attended.

Presentation of a program by various members of the class in the afternoon marked the completion of the traditional day given over entirely to the seniors.

A burlesque on the Junior play, "Come Out of the Kitchen," entitled "Come Out of the Closet," kept the school in an uproar. The play was enacted by Dorothy Dickelaker, Anna Saxon, Lloyd Sullivan, Horace Shipman, Helen Barnes, Ruth Caldwell, Frank Haynes, George Sprague, Laurel Blackburn, Duncan Munn and Lyons Smith. The traditional "Senior March Out" was then observed.

Class singing of the class song, "Bells of the Old Days," written by Christine Sampson, was followed by the reading of the class prophecy entitled, "Travel of a Donkey," by Horace Shipman, read by Charles Anderson. The class list, written by Mabel Porterfield, was read by Howard Hill. Center class orchestra, consisting of Frederick Wight, Luther Pierce, Byron Rosenthal, Walter Gentry, Virgil Wilson, Lyons Smith and Charlotte Vogel, played three numbers. Members of the orchestra were seated in clown suits.

Program committee for the day consisted of Richard Robertson, Mabel Porterfield and Marian Baird. Breakfast committee was composed of Walker Bertsch, Mary Ann Brallford, J. Edith Keefe and Charlotte Vogel.

A large number of visitors attended the various ceremonies of the retiring upper class.

Guests of the club were Mesdames McCrory, Buchanan, Ryan and Miss Bouchelle. The next meeting will be with Mrs. Brennan.

"SILENCE" AT ORPHEUM
Silence is a stage player privileged to portray in a film production a characterization for which he is celebrated in the realm of spoken drama. B. Warner, however, enjoys the good fortune of the privileged few in "Silence," for he plays the same role in British Marie Diet's screen version of Max Maerlin's melodrama that won him acclaim in the sensational run of eight months in the play shown at Broadway. Rupert Julian directed the picture which will be shown at the Orpheum theatre next three days.

Mr. Warner is featured as Jim Warren in the picture and the man for his crooked pal Raymond Hatton, who plays the role of Harry Silvers. Hatton is famed for his portrayal of sneaky crook parts, and those who watched his work in "Silence" say he "fills the bill" in "Silence" in this production. Charming Vera Reynolds is seen in the feminine dual lead opposite Warner.

ENTERTAIN BUHL GUESTS

The regular monthly meeting of the T. W. B. club was held Monday evening in the Business and Professional Women's club room and was well attended as its guests, the members of the National Laundry club of Buhl. This Rare Salad Dressing May Be New To You

As an example of the unusual recipes in Ida Bailey Allen's new book (see coupon below) this recipe for a rare salad dressing is given. You are invited to try it—and convince yourself that, regardless of price, the world affords no finer salad oil than Mazola.

Once you try Mazola for any salad dressing, you will never go back to using expensive, imported oils.

Cooked Cream Dressing

1/2 cup Mazola, 1/2 teaspoon green, 1 tablespoon Karo, Red or Blue Label, 1/2 teaspoon Argo or King of the Corns.

1/2 teaspoon dry mustard, 1/2 teaspoon salt, 1/2 cup milk, 1/2 cup very mild vinegar.

Combine the Mazola, Karo, the dry ingredients and the eggs in a double boiler top. Gradually stir in the milk which should be scalded, and cook over hot water, stirring constantly until thick like white sauce, then gradually add the vinegar, heated, and beat with an egg beater until the mixture thickens again. This may be used with any meat, fish, egg or vegetable salad.

Send Only 10c—with this coupon and you will receive a copy of Ida Bailey Allen's wonderful new Cook Book, beautifully bound, 115 pages of unusual recipes. Write—Johnston-Lieber Company, 1000 Broadway, New York, N. Y.

CORN ADVANCES TO NEW HIGH LEVELS

Bulge in Price Accompanied by General Purchasing on Part of Commission Houses.

CHICAGO, May 11 (AP)—Corn suddenly advanced today to the highest level in many years and brought about a late rally for other grains. The general bulge was accompanied by commission buying on the part of commission houses and by the Chicago board of trade under control of Illinois state officials advanced prices for the highest corn finished strong, 15c to 24c net higher, wheat unchanged to 1/2c lower, oats 1/2c to 1/4c up and provisions unchanged to 1/2c down.

Upturn in Corn Cane Late

The big uptick in corn came late in the day, liberal buying orders that were being executed for commission houses disclosed a dearth of offerings and the market was affected on quite a scale that a general rush to purchase developed fast. Traders who previously had been sellers made haste to even accounts, and there was also much increased demand from speculative friends of higher prices.

Rising prices for corn were added by the fact that a good cash demand for the commodity prevailed at other markets, where, with the shipping call, there was still slow. Despite active profit taking sales just before the close, future deliveries remained at the level of the greater part of the day's advance.

Weather Plays Part

Better weather for spring seeding dominated the wheat market today. The day, too, in the big drive the strength of corn helped wheat to overcome the bulk of losses which had previously taken place. Much selling of wheat witnessed at times was ascribed to undoing of spread trades, a process in which corn was bought by the wheat farmer at a profit and wheat sold was estimated at 450,000 bushels.

Corn derived strength from corn and from reports of delayed seeding. Provisions were governed by a decline in hog values.

UNIVERSITY OF IDAHO

GIRL INJURED SERIOUSLY

Miss Irene Costello of Twin Falls in Spokane suffering from fracture of skull.

UPON examination of Miss Costello, a senior at the university, was injured more seriously than was first believed in the midnight fight preceding the annual spring "meat" Monday. She was taken to Spokane early Monday morning after having been unconscious for some hours from a head wound received when she fell from a truck which was in the path of a stream of water from a hose directed by juniors.

When Miss Costello, who is a Spokane hospital, it was found that she had been fractured. She remained unconscious from the time of the accident until yesterday afternoon. While no complications have set in, the attending physician announced today that she was not out of danger.

Miss Costello is the daughter of Mrs. P. J. Costello of Twin Falls.

Mrs. P. J. Costello, mother of Miss Costello, left Wednesday evening for Spokane to be at the bedside of her daughter.

Fair Weather for District Continues

Weather-forecasters' comparison of the temperatures of yesterday, with those of a year ago, shows the maximum of yesterday to be slightly lower, and the minimum higher, indicating a shorter range experienced. While no precipitation fell May 11, 1926, traces were recorded yesterday at the government weather-observatory. Maximum temperature yesterday was 88, and minimum was 44. Temperature a year ago yesterday was 71 maximum, and minimum 34.
