pitched his first game. He was in trouble most of the time. The fans kept him pretty quiet in the air, and the Bruins stepped up their game for a few days whenever they came over the rubber. Ruddy, Gardner and Peterson started in the lineup, each getting three outs. They were followed by three doubles, Curley, three singles and two singles and a grand slam. Peterson's third strike, a ball advanced in the final inning after the side had been retired but for a fielding error. These costly errors and the one singles resulted in five Bruin runs before the game finally ended.

The Bruin's batter, who hit the home run, was Peterson. He had a grand slam in the final inning, and the Bruin's won the game by a score of 6 to 5.

PROHIBITION PROVES GREAT SUCCESS SAYS METHODIST SPEAKER

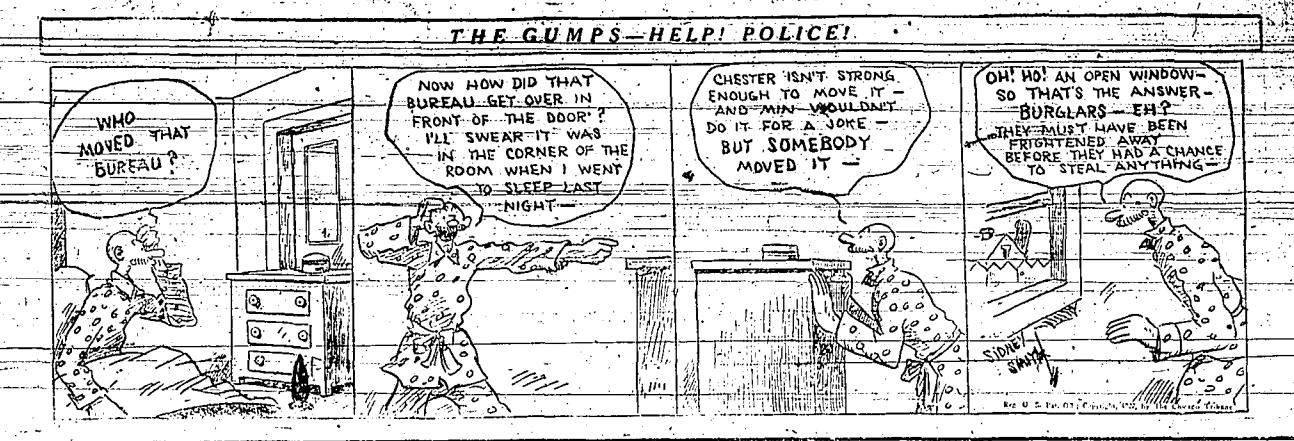

Dr. Clarence True Wilson Declares That Law is Making Great Progress; Will Not be Modified.

That prohibition has proven a great success, morally, politically and financially, and that this success is an evidence of the triumph march of Christianity, was the thought in the mind of Dr. Clarence True Wilson, speaker of the Methodist church Sunday at the Methodist church in Twin Falls.

Dr. Wilson said that all over the world there had been a struggle between the forces of law and the forces of crime, and that the forces of law had won a great victory.

Dr. Wilson declared that prohibition was a great success, and that it was a triumph for the forces of law.

### FINAL PREPARATION MAKES BUSY DAY ON COUNTY FAIR GROUND

#### Heavy Volume of Exhibits In Almost All Departments; Race Horses Overflow Paddock and Draft Stook Quarters.

Labor day on Twin Falls county fair grounds at Twin Falls, Idaho, was a busy day with diligent industry in final preparation for the opening of the fair on Monday. Exhibits in almost all departments overflowed the space allowed for them, and the race horses overflowed the paddocks and draft stook quarters.

The secretary and management confessed that they did not know where to turn to care for the surplus of entries in many departments.

All spaces taken. Every available foot of space in the new automobile show building and in the main building was taken. Exhibits in almost all departments overflowed the space allowed for them, and the race horses overflowed the paddocks and draft stook quarters.
