

FRENCH JURY FREES ASSASSIN OF UKRAINIAN SEPARATIST LEADER

At End of Eighth Day of Most Remarkable Trial in Annals of Paris, Jewish Watchmaker is Acquitted on Four Counts.

(By The Associated Press) PARIS, Oct. 26.—At the end of the eighth day of one of the most remarkable trials ever conducted in Paris, Samuel Schwartzbard, young Jewish watchmaker, who assassinated General Simon Petliura, Ukrainian separatist leader, on a Paris street corner 18 months ago, was set free today by a jury of 12 men.

Schwartzbard was acquitted on all criminal counts, but was condemned, as the customary result of such a verdict, to a general one franc damage to the family of the victim.

The verdict, which came after four and one-half hours of summing up, was handed down at 11:30 a. m. The defense taking less than a third of that time, was returned in 23 minutes. The prosecution took 15 minutes. The accused guilty of striking blows causing the injuries of the victim, the other counts were dismissed.

The president of the jury, in trembling voice, but smiling, announced the verdict which was greeted with a howl of approval by the jammed courtroom.

CAROL GIVES VIEW ON POLITICAL SITUATION

Former Crown Prince Confirms Report; Finance Secretary Carries Letters to Leaders.

PARIS, Oct. 26.—Former Crown Prince Carol of Rumania, who is at present at the Hotel de Ville, confirmed the report that M. Mandrila, former Rumanian under-secretary of finance, arrested at Bucharest, was the bearer of a letter from him to the leaders of the political parties in Rumania, including Premier Bratianu.

The arrest was a direct provocation to public opinion here, and "and an infringement on liberty."

The leaders of the parties, continuing their meeting, made confirmation of that declaration that the people might understand the situation in Rumania better, because it refuses to allow free discussion of it.

FEDERAL ATTORNEYS DRAWING TO CRUX OF FALL SINCLAIR CASE

Lawyers Present Volume of Testimony to Support Contentions of Deception and Secrecy in Drawing Lease.

(By The Associated Press) WASHINGTON, Oct. 26.—Approaching with swift strides the crux of the case, the Liberty bond transactions which followed the lease of Tropic Dome, special government oil property, presented a picture of deception and secrecy to a jury of Columbia supreme court judges.

As witness followed witness to the stand, Albert B. Fall conferred frequently both with his co-defendant, Harry P. Sinclair, and once halted proceedings with an exclamation "just a moment," while he could carry forward such conferences.

MIDDLE WEST'S AUTUMN TURNS BACK TO SUMMER

Steady Climbing Thermometer Brings Sweltering Temperatures to Every Central State.

CHICAGO, Oct. 26.—Overcoats and cloaks have gone to closet hangars while the middle west's autumn has turned back to summer.

While the unusual Indian summer weather brought frowns to the faces of football coaches, it has been welcome to corn belt farmers.

Chicago's 79 was five degrees warmer than any previous October 26. In 1890 the day recorded 74.

Centralia, Illinois, experienced a temperature of 83, giving that section of the state the hottest late October in its history.

ITALIAN LINER AT BOTTOM OF SEA 80 PASSENGERS DIED

Big Ship Fails by 80 Miles Reach Its Goal; Rescue Vessels Save 1170 Persons Cause of Accident Unknown

(By The Associated Press) RIO DE JANEIRO, Oct. 26.—The Italian liner Trovati, which sailed from Genoa, with nearly 1000 passengers aboard, was 80 miles from the Italian coast when it struck the bottom of the sea off the Brazilian coast.

Rescue vessels hurried to the scene of the disaster and 1170 persons have rescued, all but 80 out of a total of 908 passengers and a crew of 100.

The steamer sank to 11,000 feet in Porto Seguro, a port of the state of Bahia. Whether she struck a hidden reef or the bulk of a coral reef, as it appears, has not been determined.

It was about 11:30 p. m. that the Italian liner Trovati, which had sailed from Genoa, was 80 miles from the Italian coast when it struck the bottom of the sea off the Brazilian coast.

The cause of the disaster is still unknown. The ship was carrying 908 passengers and a crew of 100.

BOBBAH AND M' MULLEN DEBATE OVER WIRES

Idaho Senator Informs Nebraskan That Opposition to Bill Will Not Effect His Stand.

WASHINGTON, Oct. 26.—(AP)—Senator Bobbah today declared in a message tonight to Governor McMullen, Nebraska, that he did not consider it his responsibility to the equalization of provision of the Woodruff-McCullough farm bill interfered in the slightest with his support of the bill.

Continuing his dispute with the governor over the electric wire bill, Senator Bobbah also concluded from Mr. McMullen's earlier reply, about the equalization of provision of the Woodruff-McCullough farm bill, that the governor preferred Frank O. Lowden, former governor of Illinois, to Norris for the republican presidential nomination.

As I understand your telegram, he wired the governor tonight, you have decided to drop the equalization bill. If the legislation from Nebraska were of the same class as the one in Illinois, I would not be in a position to support it. The cause of the trouble, however, is not the bill, but the man who proposed it.

PLASTINO PUTS TEAM THROUGH HARD WORK

Bruins Fall to Blunlay Expected; Peep; Appear Slow in Line; Changes May Be Made

The Twin Falls Bruins took on a hard signal early last night after the hand scrimmage of Wednesday night showing more pep and life than at any time this year. While the Bruins have been better in scrimmage they have not satisfied the coaches in the showing for the week.

The most serious have hampered the team which is probably in the best physical condition of the season. Robertson suffered a sprained ankle and this Focellito but it is not serious and he has been able to handle the ball this week without much difficulty. Ward will hamper to a degree with an injured hip but it is not sufficient to keep him on the bench.

Much stress has been put on the line during the week and several changes have been tried. The guards seem to give the most concern and several Cubs have been called to take a try at the positions. Martin has been shifted from the backfield to end and has been alternating with Alvin Kempton on the wing position.

Little Dope has filtered through from the camp of the Wildcats but it is assured that they will not be a factor in the coming season. The expectations of taking her first victory from the Bruins. Smith without doubt is the best triple threat man in the district and so far his equal has not shown in the state. His punts average around 30 yards and his passing is accurate as usual. Once under way the big boy is a mighty hard man to stop and has piled up many yards for the Wildcats by his dashes around the wing.

Allison Wildcat quarter, may not be able to play but his brother has proven a capable substitute and handles the team in nice shape. While the Wildcat line will be outdistanced by the Bruins it has demonstrated its power in the games this season. The game tomorrow is called for 7:30 p. m. and spectators have been made to take care of one of the largest crowds of the season. This is the first home game for the Bruins and many fans will see them in action for the first time.

125 PERSONS GATHER AT FIRST GABFEST

Any Doubt That Bruins Had as to Support of Twin Falls Citizens Dispelled by Crowd.

One hundred Twin Falls business men and 25 Bruins gathered around the table at the first annual "Gabfest" last night. Any doubt that the Bruins might have entertained as to the support of the "Twin Falls citizens" was dispelled by the large turnout.

Harry Merritt, as the first speaker of the evening, recited an impassioned yarn in rhyme regarding the 1100 and set the meeting off in a howl of laughter. Speaking seriously he revealed that he was a member of the first football team that carried the honor to the Bruins high school. Recalling that in that first year only eleven men turned out for football and the team did not win a game, he spoke of the first pep that the first Bruins displayed throughout the season despite their defeat.

Captain Everett M. Sweeney extolled the virtues of teamwork and drew upon his vast fund of football experience for many illustrative incidences. With teamwork as his theme his talk was most interesting and instructive earning the interested attention of the large delegation present.

Tom Lucas, recently appointed captain of the Bruins, Coach Pell Plastico, both spoke in appreciation of the large turnout and the interest of the town. Speaking seriously he revealed that the Bruins had the splendid turnout at the Gabfest.

No plans were made at the meeting for the second annual Gabfest to be held next fall but it is understood that the committee, Harold Merritt, Walter Smith and Ralph Musser, will appoint their successors to arrange for the second annual meeting.

SHOONHOUBS READY TO PLAY SHOONHO

After Two Weeks of Strenuous Preparation Local Junior Aggregation Seem to Be Good.

Twin Falls Shoonho Cubs have today at noon for Shoonho to tackle the strong North Side eleven. After two weeks of strenuous preparation the Cubs look much better than in their earlier season games. The backfield has shown notable improvement both in the position of their plays and in handling the ball. Costly fumbles were the Cubs' downfall two weeks ago against Jerome. Constant work in handling the ball and much scrimmaging has remedied the fault.

The Cub forward wall has never been weak, although they have felt the loss of weight when Jim Finch went to the Bruin forward wall. Strifus has been capably filling the big boy's shoes during the past week and seems to have filled the gap in nice shape. Asendrup and Anderson will probably be the choice at the tackle positions while Murphy and Davis will no doubt hold down the guard positions. Taylor and Dietrich at the wing positions make the probable line that will start this afternoon against Shoonho. In the backfield Frascie has been calling the signals from the fullback position, with Vance and Knight at the halves and Sackett playing a normal quarter position.

Shoonho will outweigh the Cubs and have the edge in experience. Harris and Borden backs for the North Side eleven, are playing their third year and have earned favorable notice all over the district. By the comparison score route the Cubs are due for a drubbing, but the youngsters have other ideas and are planning on bringing home the bacon. The fight will hold down the guard positions. Taylor and Dietrich at the wing positions make the probable line that will start this afternoon against Shoonho. In the backfield Frascie has been calling the signals from the fullback position, with Vance and Knight at the halves and Sackett playing a normal quarter position.

DEMPSEY'S BATTERY BREAK WITH MANAGER FLYNN

Mr. Flynn, Oct. 26 (AP)—Jack Dempsey's manager, heavyweights, announced today on radio that he was not going to deny he had broken with Flynn but insisted that certain financial matters must be handled between them if Flynn was to handle the ex-champion.

Flynn, like all other managers, Dempsey said, "wants a lot of money, and when you are not making big money, he is likely to give you everything they want."

Commenting on the next heavyweight battle staged in London, Dempsey said, "There isn't any money over there."

The address that is best, as his manager, of the English heavyweight, Phil Scott, is now in the United States and giving Scott full credit, added, "but I think there are a number of American heavyweights who can take him without trouble."

Dempsey said his future is up to Rickard and "if Tex chooses I will meet the winner of his heavyweight elimination series."

Famous Veteran of Diamond Passes On

WASHINGTON, Oct. 26 (AP)—Thomas T. "Tom" Brown, manager of the Washington baseball team three decades ago and a player of note when Arson, Jennings and McGraw were helping the game to attain its present prominence, died here in tuberculosis at the age of 87.

A member of the famous party of players that made the Spalding tour of the world, Brown, noted for his base stealing ability, played with several clubs in the late eighties, including Louisville, Boston and Pittsburgh. He ended his playing days as manager and center fielder of the Washington team in 1888.

WINTER FORECASTS END NEXT WEEK OF SHORTAGE OF CARS

Oregon Short Line General Agent Declares Situation Will Soon Return to Normal Despite Big Crop Movement.

"In spite of the fact that Twin Falls shipments exceed those of all other years at this time in October, the car situation will practically reach normal by the middle of next week, was the opinion expressed last evening by Mr. Priest, general agent of the Oregon Short Line who was in Twin Falls yesterday looking over conditions.

"We have been doing the best that we could," Mr. Priest said, "and I believe everything will be practically back to normal next week, possibly early in the week. There has been some shortage here but you have shipped out more this fall than ever before this early. You have enormous crops down here and a great quantity of products has already gone out from this city and this section.

"The rain will delay potato digging and shipping somewhat and that will help the shortage somewhat. Outward shipments have slowed up within the past two days. It is expected that they will increase again as soon as the weather clears and the improved car situation predicted by Mr. Priest is realized. There were 20 refrigerators cars in Wednesday and 19 are to arrive today.

ARRANGE BEAN BARBECUE FOR CHAMBER'S MEETING

All members of Twin Falls Chamber of Commerce and all others interested in civic activities, grange and farmers generally, are invited to the "bean barbecue" at the Rogerson hotel next Monday evening at 6:15 p. m. on the occasion of the annual meeting of the Chamber of Commerce. It was announced last evening by Secretary Merrill E. Wright, F. L. Atkins, master of the Pomona grange, will have a special program to present. Other interesting features in addition to the regular business, are promised.

WASHING OF APPLES STILL IN PROGRESS

Report That Inspectors Had Ordered Only Wiping for Removing Residue Unfounded.

As the apple picking season draws to a close, the fruit that started the trouble in the Garden of Eden has laid the basis for another perversion of fact. Danne Rumer, the old lady serpent, put in circulation a report that the inspectors had ordered the cessation of the practice of washing apples, and a return to the uniform custom of wiping the fruit.

There was nothing to the report. Apples having residue in excess of the

The requirements for export are strict. That for fruit sold within the country is less. The inspectors in the fall of 1934 found that the residue of wax on apples in Twin Falls was in excess of 4 per cent. In 1935, the residue was found to be 1.5 per cent. The inspectors in the fall of 1935 found that the residue was 1.5 per cent. The inspectors in the fall of 1935 found that the residue was 1.5 per cent.
