DEMOCRATS OPPOSE SHIPSTEAD TARIFF

RIDER ON TAX BILL

Senator Simmons, North Carolina, Declares He and Others of Party, "Will Not Look With Favor" on Combination

(By The Associated Press) WASHINGTON, April 17.—Prospects of Democratic support for the Shipstead tariff rider to the tax reduction bill were dashed today in a statement by Senator Simmons, North Carolina, ranking Democrat on the finance committee, declaring that he and other members of the party would not look with favor upon the combination.

Senator Shipstead, Farmer-Labor member, offered a measure yesterday as a rider to the tax bill proposing an "increase of tariff duties on farm products and Senator Simmons, who was looked to by the Minnesota for support, declared the linking of taxes and tariff might jeopardize tax reduction at this session.

Representative The North Carolinian's statement, which said it represented the views of other Democrats on the finance committee, was regarded as definitely precluding enactment of the Shipstead tariff rider to the tax reduction bill. Simmons said that he was not expected by Shipstead to favor his proposal but he had hoped the Democrats and some Republicans might be won over.

Senator Simmons said that in his opinion Democrats in the senate "are extremely anxious that there shall be enacted at this session of congress a bill reducing federal taxes to the full extent consistent with the financial condition of the treasury and the Democrats would not approve any rider that might defeat or jeopardize legislation to this end."

TUNNEY-HEENEY FIGHT TO BE IN NEW YORK

Gelheim Is Site for Heavy-weight Battle, Tex-Rickard Announces on Return Home.

Today and named New York as the site for the heavyweight title battle between Gene Tunney and Tom Heeneey this summer, although no definite date was set, the bout probably will take place in the Yankee stadium. The promoter gave up all idea of taking the bout to England, Heeneey's cross-country tour of Europe with the mammoth Wembley stadium available. Rickard closed the foreign prospect as too much of a gamble.

Tunney's Fight Over

Tunney will fight but once this year, the promoter said, and if he loses his championship will battle but once for England in 1929. Tom Heeneey, the challenger, if victorious over Tunney, has agreed to fight only once next year and then under his auspices. Rickard said: "In that case I wouldn't have any other challenger." Tex said: "Now I have two and Ricko will arrive even more formidable with another year of experience."

Heeneey has an even chance to whip the title holder, the promoter believes. Tom looks better now than Tunney did when I signed Gene to fight Dempsey for the championship," Rickard said. "Gene was a four-ounce runner."

SPREAD OF RABIES AT ALLENDALE INDICATED

Spread of rabies that appeared last week in the Allendale district south of Twin Falls was indicated by a second development yesterday when a dog suffering from the malady, and two others owned by C. H. Hempleman manifested symptoms of the disease. One of the holders was killed, and the dog was taken to Dr. H. R. Grove, deputy state veterinarian, for treatment today. Dr. Grove said that the dog was probably infected by a rabid animal that had been in the neighborhood. Dr. Grove last evening expressed the opinion that the situation may be broken in this region. He based this opinion on the fact that the first dog found to be affected had remained for some days in the one neighborhood.

The district has been under quarantine since last Saturday when it was determined that a dog killed on the C. I. Davis farm was suffering from rabies.

Treat made yesterday by Homer Saxen, county pathologist, showed that a dog killed on the Samuel Fering farm, three and three-quarters miles south of Twin Falls, had contracted the disease.

The fifth day of the meningitis quarantine in Twin Falls passed Tuesday without appearance of any threat of the disease by which Seth Stewart, 15 year old Twin Falls high school freshman, was stricken last Wednesday. Condition of the stricken boy was reported last evening to be steadily improving.

Under the quarantine, theatres, churches, lodges in Twin Falls are closed and public meetings are prohibited for 10 days beginning last Thursday.
