EUROPEAN ADVICES BOOST WHEAT PRICE

Closing Quotations on Bread Cereals Strong; Market Reports Cereal at First on Grain Reports.

European crop advice with indications of better export demand for shipments from North America led Europe's decided buying up of wheat values today. Corn and oats as well as rye, all went higher with wheat.

Closing quotations on wheat were strong, 2 1/2c to 3c net higher, with corn 1 1/2c to 2 1/2c up, oats varying from 1/2c decline to 1 1/2c advance, and provisions unchanged to a rise of 1/2c.

Wheat at First showed a tendency to waver on account of a vast part of the domestic wheat territory. However, this factor was largely offset by unlooked for strength of quotations at New York.

VIOLENT SPECULATION IN AIRPLANE STOCKS

NEW YORK, May 15 (AP)—Despite violent speculation for the advance in a few airplane, motor and copper issues, the general trend of prices in today's stock market, was towards lower levels. Trading continued at a brisk pace with the ticker 30 to 45 minutes behind the market during the greater part of the session, and 50 minutes later in recording the final transaction. Total sales of 4,577,000 shares have been exceeded on only four previous occasions this year.

Tuesday has become a traditional day of profit-taking, and today was no exception. Speculation in the airplane stocks received added impetus today from the report that the Pennsylvania and other national airlines are developing schedules for combination rail and airplane passenger service. Wright coasted 15 points to a high of \$14.4, and closed within a fraction of the top. Outlook climbed more than 15 points to a new peak at 169 1/2, or more than three times the year's low price.

Studebaker was the sensational feature in the motor group with an extreme gain of 10 1/2 points at 7 1/2, the highest price in four years. General Motors crossed 205 on the announcement that the firm had booked all monthly records, dipped to 204 1/2 on realizing and rebounded to 204 1/2 for a small fractional net gain.

SUGAR

NEW YORK, May 15 (AP)—The raw sugar market was quiet in the absence of business, prices were more or less nominal, although nearby sugars were offered at concessions of 1/2 of a cent, or on the basis of 440 duty paid, without attracting buyers.

Continued inactivity in the spot market had a restraining effect on New York in raw sugar futures. Prices were easier under tired long liquidation and selling by houses with large and Cuban connections. The volume of business was light, the total turnover amounting to only 20,500 tons, with the trade at large inclined to limit operations and await developments in the spot market.

The refined sugar market was unchanged at \$25.50 a ton for fine granulated, with demand light and of a hand-to-mouth character.

FIVE TO GRADUATE FROM EDEN SCHOOL

Dr. W. J. Boone, President of College of Idaho, to Deliver Commencement Address.

EDEN, May 15—The sixth annual commencement of the Eden high school will take place in the high school auditorium here on Thursday evening, May 17. Dr. W. Boone, president of the College of Idaho, has accepted an invitation to deliver the address.

The program will include selections by the high school band, the valedictory address, and the presentation of diplomas to the five members of the class. Members of the class are Patsy Day-Glance-Hall, Elmer-Vineyard, Eugenia Barnes, LaVada Little.

Mr. and Mrs. A. M. Kleinkopf, who have just completed their year's work as teachers of the Hillside school, will leave next week for Moscow to attend summer school. They will teach in the Eden schools the coming term. Mr. Kleinkopf has been elected as principal of the grade school, and Mrs. Kleinkopf will have charge of the primary department.

Mr. and Mrs. Glenn Watson moved Saturday to Idaho Falls to spend the week-end with Mr. Watson's mother.

All four high school classes will take Wednesday for the holding of their annual picnic. Final examinations will be completed prior to that time.

Mrs. Elizabeth Aberdeen, sixth grade teacher in the Eden school during the past term, left Saturday for her home in Twin Falls. She will remain in Twin Falls until the opening of the summer normal school at Albion which she plans to attend. Miss Claire Cranney, seventh grade teacher, also left the same day for her home at Oakley. Miss Cranney will attend summer school.

COUNTY LIBRARIES GET ATTENTION OF STATE ASSOCIATION

Measure Defeated Six Years Ago—Now Again Before Legislature at Its Next Biennial Session.

Whether the Idaho State Library association shall again attempt to secure passage of a county library bill at the next session of the legislature is one of the questions being considered by the state convention in session here. The association is one of the county library movement yesterday afternoon. The subject of the county and—declared that it was working successfully where tried, particularly in the legislature.

Miss Fraser said that the bill was introduced in the Idaho legislature one house but was killed in the other. Several arguments were urged against it. One was that it would deprive the state of the right to vote taxes on themselves for any purpose. Since that time it had been proposed in the legislature. It was now believed, at least by some, however, that the question might again be presented.

Miss Fraser said that it was impossible to extend the free city and county library outside of the city and county. It was paid for by the city. With the present number of volumes and number of employees, the extension would greatly cripple its efficiency, she said.

Mrs. M. A. Mallory, Halley, said that the bill was introduced in the legislature in all parts of Blaine county. The result was similar to that which Miss Fraser stated would follow such extension here, and, at the same time made consideration of a county library more difficult. Since people outside the city would not follow such extension here, and, at the same time made consideration of a county library more difficult.

Miss Mary D. Raines, Boise library, spoke on publicity from the library. She stated that the library at the point of view of the newspaper.

TWIN FALLS EDUCATOR SPEAKS AT ROCK CREEK

Rock Creek, May 15—W. E. Smith, superintendent of public schools, addressed a well-attended school meeting last Friday evening at Rock Creek. The purpose of the meeting was to discuss the proposed consolidation of the public schools in the district.

COURT RULES AGAINST LONG HOLDING OF CHECK

Holding that check was not presented for payment within a reasonable time after issuance, Idaho's supreme court has reversed a district court decision in the case of Robert Campbell against Kenneth Shark and the First National bank of Duhl on which it was drawn, failed five days later. Shark and Campbell both are residents of Duhl. The supreme court ruled that under the circumstances, five days delay in cashing the check was unreasonable.
