STORM IN COLORADO
CLAIMS TWO LIVES;
20 PERSONS INJURED

Tornado Destroys Buildings and Livestock Valued at Over \$100,000; Dead Animals Lay in 'Ticky, Twister's' Path.

(By The Associated Press)
GRAND, Colo., June 29.—One woman was killed, another died of heart disease apparently as a result of fright, and a child was injured when a tornado, struck a thickly settled farming district south of Johnstown, Colo., 40 miles southeast of here this afternoon.

The small homes of a number of families of Mexican bee workers were destroyed by the storm, and a complete check of the casualties was hard to obtain. An early report from the storm district said that four were killed and 20 injured. Authorities tonight were investigating persistent reports that several Mexican children were missing.

Adrian Teresa McLaughlin, 60, Adelina Montes, 18, the most seriously injured; Charles Johnson, farmer, deep coma in abdomen; may die. Six members of a family of Mexican bee workers were cut and bruised when the storm struck the small house in which they had taken refuge. Buildings and livestock valued at over \$100,000, were destroyed in the storm. It was estimated that Mrs. McLaughlin's death occurred when a large tree limb penetrated the closet in which she and three other members of her family had fled for safety the other three occupants of the closet were uninjured. The frame shack in which Adelina Montes was killed was lifted from its wooden foundation and demolished. The girl's body was found in the splintered timber floating in the Little Thompson river. The river was choked for a time with shattered timber from the wrecked houses. Dead horses and calves lay in barnyards in the wake of the storm and a dead horse was found in the cellar of a home.

Charles Johnson, the most seriously injured, was driving a car along a road when the "twister" struck. His car burst into flames and he was killed when a branch of a cottonwood tree.

LYNCH TWO NEGROES
BROOKLYN, N. Y., June 29.—Two negroes were lynched here tonight by a mob of about 500 white men who forced their way into the Lincoln county jail and obtained prisoners by force.

ELEMENTS' TOLL IN
TENNESSEE MOUNTAINS

Hundreds of Thousands of Dollars Damage Caused by Wind and Rain; Two Deaths

NASHVILLE, Tenn., June 29.—Hundreds of thousands of dollars of damage was caused today to crops, buildings and highways by Tennessee and Kentucky by heavy wind, rain and electrical storms that climaxed a month of heavy rains.

Indirectly the storms caused two deaths at Nashville. John S. Lewis, deputy sheriff, was killed by stepping into a puddle of water charged by a fallen high tension tower.

Girl Drowned
Lola Dawkins, aged 9, was drowned in the basement of the home of her father, in Louisville, Kentucky, following a gas explosion. Water in the basement caused by heavy rains, was nearly three feet deep.

Deaths of Lexington, Kentucky, were caused by a ferry across downtown street and highway and interurban travel throughout the Kentucky bluegrass region was at a standstill.

CROSVILLE, Tenn., June 29.—(AP)—Several persons were injured and serious property damage was wrought here today by heavy rains.

NEW LIGHTING SYSTEM
FOR SALT LAKE AIRPORT

SALT LAKE CITY, June 29.—While city officials and thousands of residents of Salt Lake waited with representatives from all parts of the intermountain west for the new light lighting system at the municipal airport was turned on here tonight. The lights were turned on by the Boeing Air Transport company demonstrated the ease with which it is possible to make night landings when aided by light.

VILLAGE HAS TWO MEN
WITH NOMINEE'S NAMES

GRAND, Colo., June 29.—The town of Glenwood Springs, Colo., with a population of 1,000, has two men with the name of Hoover. The Glenwood Hoover is a high school teacher and composer of the American Legion post, while Al Smith is a farmer and drives an ice route in the summer time.

DISABLED VETERANS
NEAR SESSION'S END

Former Soldiers of World War Urge Enactment of Universal Draft; Favor 38 Resolutions.

DENVER, June 29.—(AP)—Enactment of a universal conscription act and federal appropriation for 15 new cruisers and an aircraft carrier was urged by the Disabled American Veterans of the World War, accepting the report of their resolutions committee at the annual convention here today. Approximately 100 delegates representing the veterans' bureau compensation and national defense received the endorsement.

Adrian Teresa McLaughlin, 60, Adelina Montes, 18, the most seriously injured; Charles Johnson, farmer, deep coma in abdomen; may die. Six members of a family of Mexican bee workers were cut and bruised when the storm struck the small house in which they had taken refuge. LIGHTNING TAKES MAN'S
LIFE NEAR MONTPELIER
MONTPELIER, Idaho, June 29.—Merrill Wells, 39, was killed instantly when struck by lightning while working upon the Oregon Trail highway, eight miles east of here, according to word received here today.

Wells was holding the handles of a scraper when, while driving the team pulling the scraper, he was not injured. Wells, who came recently from Iowa, is survived by a wife and two children. The body will be taken to Smoot, Wyoming, for burial.

NON-PARTISANS LOSE
NORTH DAKOTA RACE

Efforts to Repeal Prohibition Clause in State Constitution in Doubt; Returns Incomplete

PARGO, N. D., June 29.—(AP)—Doubt as to the outcome of efforts to repeal the prohibition clause in North Dakota's constitution, defeat for the Non-Partisan League in the Republican gubernatorial race and victory in the senatorial contest was shown tonight when more than three-fourths of the state's precincts had reported on Wednesday's primary election.

After seeing a lead of 5000 cut to 1000 when half the state had reported, drys were jubilant when additional precincts sent their advantage back to the 6000 mark as precincts in the eastern part of the state returned majorities against repeal.

When 1430 precincts of the state's 2192 had reported, the vote stood 7,763 against repeal and 67,728 for. George P. Shafer, 82,907 against repeal.

Chicago-based Senator Lynn J. Frazier's plurality over R. A. Nestor, Independent, probably will be in excess of 15,000. In reports already received 1740 precincts give him 75,553 against 67,643 for Nestor.

For Congress, O. S. Burdette, Independent, defeated the Republican incumbent in the first district, and J. H. Stinson, Non-Partisan incumbent, in the third. In the second district, Hall, Independent, defeated Oleson, Non-Partisan by 2000 votes, with 251 precincts still to report. The figures were: Hall 24,416; Oleson 21,504.

PRESIDENT COOLIDGE
CONFIDENT MOVE TO
BAN WARS WILL WIN

Chief Executive Believes Negotiations Under Way With 14 Foreign Powers Will Reach Successful Conclusion Soon.

(By The Associated Press)
WASHINGTON, June 29.—President Coolidge is confident that negotiations now under way with 14 foreign powers for a multi-lateral pact condemning war will reach a successful conclusion this summer. A draft treaty to this effect he thinks should be ready for the senate's consideration before congress reconvenes next December.

Mr. Coolidge, however, has had no opportunity for extensive communication with Secretary of State Kellogg since the latter dispatched to the powers involved his latest draft of the covenant under which the chief negotiator of the world would renounce war as an instrument of national policy and would agree to settle future differences by peaceful methods.

Will Enforce Question
The chief executive will be given an opportunity to discuss this question exhaustively with Secretary Kellogg in July, when the latter is expected to visit the summer White House. Secretary Kellogg's visit is expected to be by early in August.

President Coolidge has as yet decided upon no successors to Secretary Hoover and Work when they shall resign from the departments of commerce and interior, respectively. Mr. Coolidge has been giving no thought to his own plans after March 4. He feels next inauguration day.

BOISE OFFICERS LOCATE
MISSING GIRL OR BUNL

BOISE, June 29.—Dorothy Rogers Bunl, 17-year-old girl, for whom police have been searching for two days, was found tonight and admitted the "disappeared" Wednesday night because she thought relatives had come to visit did not want to see her.

Her discovery was brought about by a stage driver who recognized her and called police.

Desiring to "see the world" beyond her home city, she said she left Twin Falls Wednesday morning on the stage line to visit Boise.

Search for the girl was begun on the request of the girl's mother in Boise, who feared she had been abducted.

Southern 'Drys' Hear Call to ArmsFoes of New York
Nominee to Meet

Opponents of Victor Plan to Convene in North Carolina Candidates

HOUSTON, June 29.—(AP)—A call to "dry" Southern Democrats to gather at Asheville, North Carolina, July 11, to organize at once for the election of "dry" Democratic senatorial congressional and state nominees for public offices and for the defeat of the "wet" Tammany candidate for president, Governor Smith, was issued today. The call was issued on the personal responsibility of two "dry" leaders, Arthur H. Hays Sulzberger, Georgia, chairman of the board of temperance of the Baptist convention, and Bishop James C. Shuman, Richmond, Virginia, of the Methodist Episcopal church, south.

Making clear that they were acting upon their own initiative, the two said that in their opinion the "only hope of preserving the ideals and the unity of Southern democracy" lay in such action and for that reason they had called the meeting.

"We are greatly gratified that the Democratic convention at Houston has pledged itself in specific terms to enforcement of the Eighteenth amendment and all of the laws enacted pursuant thereto, which of necessity includes the Volstead law," they said in a statement.

"But we deeply regret that the pro-liquor wing of the party led by Tammany hall has disregarded all warning and has challenged, indeed defied, the 'dry' Democracy of the South by the nomination for president of Governor Alfred E. Smith, the openly declared foe of existing prohibition laws, as revealed by his repeated utterances and his life-long record and reaffirmed by his telegram of acceptance to the convention.

TWO CANS OF POWERFUL
EXPLOSIVE GET \$1000
LOS ANGELES, June 29.—(AP)—Two cans of powerful explosive were used today by an elderly robber to obtain \$1000 cash from John Meharg, manager of a branch of the Bank of Italy. The robbery occurred at 52 years of age, threatened to blow up the branch bank and walked out with a \$1000 cash prize.

He was seen in a small, dark, dilapidated automobile.

DEMOCRATS' LEADER
WILL KEEP PLEDGE

Empire State's Governor Sends 600-Word Telegram to Convention Chairman; Accepts.

ALBANY, N. Y., June 29.—(AP)—Governor Alfred E. Smith accepted the Democratic nomination for the presidency in a 600-word telegram today, a full half of which was devoted to a statement of his position on the prohibition question. Shortly after this telegram, which was addressed to Senator Joseph T. Robinson as permanent chairman of the convention in Houston, was made public, Senator Robinson was nominated as vice president and the governor sent him a telegram of congratulation.

Will Enforce Laws
In his acceptance telegram Governor Smith stated that if elected he would enforce the constitution and laws without reservation or evasion, but immediately followed this with a statement that there should be fundamental changes in the legislative provision for prohibition.

"While I fully appreciate," he said, "that these changes can only be made by the people themselves through their elected legislative representatives, I feel it to be the duty of the chosen leader of the people to point the way which in his opinion, leads to a sane, sensible solution of a condition which I am convinced."

EX-GOVERNOR-GENERAL
OF PHILIPPINES DEAD

WASHINGTON, June 29.—(AP)—James Francis Smith, 67, associated justice of the United States court of customs appeals and former governor-general of the Philippines, died in a Washington hospital today. He was a Washington resident for many years and had been in the city for a heart attack a few hours previously while on the bench.

He was a veteran of the Spanish-American war, giving up his law practice in California to lead the first California regiment of volunteers. He was promoted to the rank of Brigadier-General in 1899 and was governor-general of the Philippines from 1900 to 1905. Judge Smith was born in San Francisco.

SMITH'S NOMINATION
MISTAKE SAYS HEFLIN
WASHINGTON, June 29.—(AP)—When informed today that Governor Alfred E. Smith, New York, had been nominated for the presidency by the Democratic party, Senator Joseph T. Robinson of Arkansas, declared he was shocked, grieved, and dumbfounded.

"Smith's nomination is a mistake," the senator said. "He will, of course, be defeated in November."

Hefflin filed a speaking engagement here last night.

FARM BUREAU FINDS
PLANK ACCEPTABLE

Democrats' Platform on Relief for Agriculture Wins Endorsement of Federation.

CHICAGO, June 29.—(AP)—Principles of agricultural relief embodied in the platform of the Democratic party were endorsed today by Sam H. Thompson, president of the American Farm Bureau Federation, who announced his organization would support the plank on which Alfred Smith will oppose Herbert Hoover for the presidency.

The agricultural plank in the Democratic platform completely covers the fundamental principles we advocated," Thompson said. "It outlines a permanent agricultural policy of the type that will place agriculture on an economic basis equivalent to that of industry, labor, transportation and finance in the American protective system."

Cites Prohibitions
When asked if his group would actively support the Democratic candidate for president, Mr. Thompson replied: "Under the federation's constitution we are prohibited from partisan political activity, but we may say however, that the federation will continue to advocate the principles embodied by the Democratic party platform. Nothing in its power to obtain a permanent policy which will give agriculture the expanding power necessary to stabilize the industry."

The Farm Bureau Federation claims to represent 1,000,000 "dirt" farmers and a rural population of 5,000,000.

BOURBONS TO CARRY
BATTLE TO ENEMIES
IN COMING CONTEST

Nominee for Presidency—Old Hand at Stumping; Will Strive About Delivering Blows; Robinson Ready to Make Attack.

(By The Associated Press)
HOUSTON, June 29.—The Democrats intend to carry the fight to the enemy in the presidential campaign and they believe they have two men on their ticket who will do that without minding words.

Smith, an old hand at stumping, likes to stir about, delivering blows—and taking them—out on the platform, with the voters looking on. That is the kind of a campaign he plans to wage this year, with the presidency stake, with a third standard bearer and the vice presidential nominee.

Robinson, his hard-hitting running mate with a powerful voice and a strong body, also likes to mix with the crowd. Rough and tumble campaigning suits him.

Plans for Making
Plans for the presidential campaign are still in the making. A line of attack will shape up in conferences party strategists will hold during the next few weeks will set their standard bearer and the vice presidential nominee.

One of the big jobs is to determine who shall direct the Democratic campaign. As chairman of the national committee, Glen Shaver, West Virginia, won't carry over, and the field is now being canvassed for the best man for the post.

Smith himself will name the man. Among those mentioned for the job are Senator Curtis, Rhode Island, a close friend of Senator Pittman, Nevada; and Kendrick, Wyoming; former Senator Hittchcock, Nebraska; Arthur Hays Sulzberger, New York, former state legislator; J. Bruce Krueger, congressman from Montana; and Owen D. Young, New York.

Until one is named, little will be done toward getting the Democrats ready to fight. The campaign will be as much as a speech-making on the part of the two nominees is concerned not much will be done, aside from the formal nomination address, until after the election.

Dates for the nomination of both Smith and Robinson have not been set. The convention is planned to be the Smith ceremony at the state capitol in Albany and those for Robinson at his home in Little Rock. Senator Pittman was named today to head the official committee that formally will apprise Governor Smith of his nomination and will be charged with the convention temporary chairman, saying the lack capacity at the Robinson campaign.

CHICAGOAN DIRECTS
WESTERN CAMPAIGN

Secretary Hoover Makes Single Appointment and Retires to Draft Speech of Acceptance.

WASHINGTON, June 29.—(AP)—With only a few callers to meet, Secretary Hoover today was able to retire from his office early to spend the afternoon at his home. He had been devoted himself to drafting his speech of acceptance of the presidential nomination.

One appointment in his Republican campaign staff was made late today with the selection of Jess W. Good, Chicago, his personal secretary, as head of the western division of the presidential campaign.

Although Mr. Hoover has been actively over the radio to the balloting proceedings at the Democratic convention, he made no comment. Secretary Work, however, declared that the Democratic convention had named in Governor Smith "the strongest candidate it could select."

"However," he added, "that the Democrats can win against our ticket."

Secretary Work had practically completed today his task of clearing up matters at the department of the interior preparatory to resigning. He will leave Washington tomorrow to visit President Coolidge in Wisconsin and has every expectation that the president will be able to release him immediately from his cabinet post.

ARKANSAS TOWN PLANS
HUGE DEMONSTRATION

LITTLE ROCK, Ark., June 29.—(AP)—Arkansas will say tomorrow to the first native son ever to be on the national ticket of a political party. The celebration of the birth of the train reaches Little Rock from Houston, where the Democratic national convention today named Arkansas Senator Joseph T. Robinson as its standard bearer. The celebration will be held at the Little Rock hotel where the Democratic national convention today named Arkansas Senator Joseph T. Robinson as its standard bearer. SEALS WIN PENNANT OF HALF OF SEASON

San Francisco Team Defeats
Los Angeles by 5 to 1 and
Wins Coast League Honors.

LOS ANGELES, June 29.—The San Francisco Seals won the Pacific Coast League pennant for the first half of the split season today by defeating Los Angeles, 5-1.

"Duke" Retherford, former New York Yankees star who was developed by the Seals years ago, was on the mound for the winners. He let the Angels down with six hits, while his slugging team mates pounded out 10 bingles.

Today's victory gave the Seals 25 wins and 21 losses with but three games to be played. Hollywood in second place, took the Athletics into camp, 4-2, with 22 wins and 37 losses, cannot overtake the leaders.

If the Seals win the second half of the pennant chase, they will receive \$15,000, plus a bonus at the start of the season. In case of another club capturing the second half, the two winners will play a post-season series and split \$15,000 on a 50-50 basis.

The San Francisco club spent about \$50,000 last winter on new players and went into the race concerned a fine chance to cap the flag. The Hollywood Stars gave the leaders a great race all during the first half.

ARKANSAS SENATOR POLLS HEAVY VOTE

(Continued From Page One)

for vice president when the official count was announced. Besides Robinson and Allen, they were Mrs. Nellie Taylor Ross, Wyoming, two votes; Senator Allen Barkley, Kentucky, nine; Senator Duncan U. Fletcher, Florida, seven; Lewis C. Stevenson, Illinois, two; Evans Woolfson, Indiana, one; George L. Berry, Tennessee, 11½. Most of these had originally received a larger vote but the rush to Robinson at the end swept them off their feet.

Senator Hamilton, New Mexico, placed the name of his Democratic challenger before the convention. Senator Walter Massachusetts, recorded it on behalf of his state. He said that he was endorsed in turn by men and women from every section, the final plea for him coming from a Texan.

DREAM OF FARM BOY COMES TRUE IN HOUSTON

HOUSTON, June 29.—Five years ago a loutish-haired farm boy stopped his mule at the end of a corn row. Looking against his plow he dreamed a dream of fame in the blazing mid-day sun and from that start he has never been turned aside. Today that dream was being realized.

Today that dream was being realized. The presidential standard bearer for the Democratic party.

Joe Robinson, officially known as Joseph Hamilton Robinson, Arkansas, was picked by his Democratic fellows as the man to help lead the factions of the party.

Power in the state is powerful on the stump. Robinson is prepared to carry the battle into the field.

Like the drummer-boy of Napoleon, this man knows no defensive tactics. He cannot wait a retreat, when he was hit by overwhelming odds in the antagonist, the stars by aggression, a tremendous driving force and with a thunderous voice. When he loses he goes down with every full of his flag drawing full wind.

During the past few years, but lovable, a great joker, loyal and sincere, he possesses the heart and instincts of the true sportsman.

He has the remarkable record. He has the novel achievement of being a United States representative, a senator and a senator-elect, all within 14 days. That dizzying happening was in 1913 when as a member of the house he was elected governor and 12 days after moving into the governor's mansion was called to fill the unexpired term of the late Senator Jeff Davis. This in January and on the following March 10 he resigned as governor and took over the duties of senator.

After the Arkansas farm boy, who went to the state legislature at 22, to the national house at 30, to the governorship, and the senate at 40, now comes before the people at the age of 56 with the second highest honor in the gift of his party.

During his career Robinson's ability has been recognized quickly, he made his mark in the house and went on to the senate. He has given important assignments. At the vacancy of the minority leadership he was unanimously selected as the logical man to lead his colleagues.

Strangely enough, he will meet his old political enemy on the hustings. Charles McNary, a senator-elect, of the senate and Republican candidate for vice president. Although the battle may be fast and furious, it will be conducted on a high plane as each man holds great admiration for the other.

WILL FLY TO EUROPE

NEW YORK, (Saturday), June 30.—Charles A. Levine announced early today that Mabel Bell, known as the "Queen of Diamonds," intends to start a flight from Europe to the United States in a motor-driven plane of foreign make, probably within three weeks.

KANSAS COAL MINES SCENE OF TROUBLE

Six Men Dead and One Hurt
in Clash Between Non-Union
and Union Mine Workingmen

MINDEN, Mo., June 29 (AP)—First serious trouble in the southeastern Kansas coal mine section since mines shut down April 1, resulted early today in the shooting of six men, and injury of another, when union miners and sympathizers and pickets clashed with non-union miners preparing to open the Western Coal and Shilling company mine.

The mine, known as the "Lone Star," is located about 10 miles from Pittsburg, Kansas, district union headquarters.

Five non-union men from Oklahoma, reporting for work, were met by about 500 union sympathizers and a revolver battle ensued. Twenty shots were fired, and the five men were stripped of their clothing and chased to the mine shaft before order finally was restored.

The clash followed a mass meeting, near the mine last night, attended by a dozen miners who had come from Oklahoma.

All five were injured, four by bullets. Walter and Dave May, Henrietta, were shot in the neck, and C. A. Hill, Albino, was shot through both arms. Fred Thoms, Henrietta, sustained a slight scalp wound from a bullet.

It was anticipated that John Thoms would continue as head of the three institutions in addition to assuming the new position as a director of the First Security corporation.

Examination of the banks was completed several days ago by the state banking commission, and the granting of the charters followed.

CURTIS ADDRESSES VETERANS OF WARS

Kansan Makes First Public
Appearance Since His Nomination for Vice Presidency.

ALBANY, N. Y., June 29 (AP)—Alfred E. Smith, making his first public address since his nomination for the vice presidency at the Republican national convention at Kansas City, Senator Charles Curtis tonight appeared before the first annual encampment of the Rhode Island Veterans of Foreign Wars.

"When I tell you that I am the son of a Civil War soldier you know why I am here tonight," he said. "When I tell you that as a young congressman 30 years ago, I had the honor of leading the fight in the house of representatives against the infamous order of Grover Cleveland striking thousands of men from the Civil War pension roll you know why I am here."

Curtis said he never had failed to answer the call of the Union soldiers of the Civil War, or of the veterans of the Spanish-American and World wars. He said that while speaking at Memorial Day exercises at the Arlington national cemetery during the war he had turned to President Wilson and assured him that in war measures he had the support of the Republican members of congress.

"And we kept that pledge," he exclaimed.

The senator asserted that 72½ per cent of the Republican members of congress had supported the war measures of the Wilson administration, 77½ per cent of the members of the president's own party.

FARM HAND MUST DIE FOR MURDERING TRIO

CHADRON, Neb., June 29 (AP)—Convicted by a district court jury last yesterday of the murder of three members of the Roger Pochon family near Randolph, Nebraska, last May, Henry Sherman, 19-year-old farm hand, was sentenced to die in the electric chair at Chadron.

Sherman admitted the killing but pleaded insanity.

Those murdered were: Roger Pochon, his wife Hattie and his mother Mrs. Eugene Pochon. Sherman committed the crime, he said, because the Pochons objected to his attentions to his daughter, Ellen.

COURT REFUSES TO GRANT STOCKHOLDERS INJUNCTION

NEW YORK, June 29 (AP)—Calvin H. Goddard, representing some of the minority stockholders of the Dodge Brothers corporation, in supreme court today was refused an injunction to restrain the proposed \$250,000 merger of the Dodge and Chrysler motor corporations.

The Dodge corporation was ordered by Justice Mullin, however, to file a bond guaranteeing protection of the interests of all preference stockholders not assenting to the merger. A stipulation also must be filed that the year-end merger be consummated without the obligation of the bond at the time of the transfer be assumed by the Chrysler corporation.

WATCHFUL WAKING GETS GAS PURLOINER

Postal Employee Sees Men
Draining Car and Notices
Officers; One Makes Escape.

NEW YORK, June 29 (AP)—A postal employee, who was awakened by a car porch at his home at 1201 Fourth avenue east, was unable to wrap himself in slumber at the accumulated time Thursday night. James Winkle, 16, son of M. O. Winkle, Jerome, in the city jail charged with stealing gas from cars. Police say that he admitted taking gas from one car, but as several persons have lost gas during the past couple of weeks which was transferred to a car with heavy gas tanks on the Winkle car, it is believed that part of the story is doubted.

Thursday night while lying awake on the sleeping porch at his home, Smith saw two men park a car on Ash street near his home and walk across Fourth avenue to a car owned by P. C. Bolteker with the evident purpose of stealing gas, as they carried a can. Smith slipped over to the home of a neighbor, P. C. Bolteker, and telephoned to the police. The officers responded promptly, one approaching from each side. Smith saw the men, one of the men fled, leaving their car, a light touring model, in the hands of the officers. Winkle, when arrested, admitted theft of gas from the car mentioned and said he was accompanied by a man named "Samuel," a regular gas thief, who identity he professed no longer knew.

His father came from Jerome last evening after he was notified by the police. The boy stays in Twin Falls most of the time, at a local rooming house. He frequently has his father's car.

a storm virtually destroyed the village today.

COOKVILLE, June 29 (AP)—Weakened under the tremendous strain of water piled up behind it by the city itself, the municipal power dam across Falling Water river broke at 6:15 o'clock tonight, releasing a 20-foot wall of water on the narrow, hilly valley below.

The dam, was located 12 miles below Cookeville, the city itself being affected by the flood. Cookeville, however, has been without water since yesterday when a power house containing pumps burned down after being struck by lightning.

The dam was a concrete structure about 100 feet high. Whether any people were endangered by the flood waters that caused a 60-foot section of the dyke to collapse, Mayor J. E. Whitlow said he was unable to determine tonight and would not be able to say before tomorrow.

Whitlow said that a 50-foot section of the structure collapsed and when it went out, hurled the concrete wall into the river, carrying it away. The water screeched downstream.

Benefit Day Crowd. Witnesses
Twin Falls' Defeat at Hands
of Senators by Score of 15
to 1; Robertson Goes Out

A benefit day crowd of 1500 people saw the Senators today the Bruins 15 to 1 yesterday. Hollerson on the mound for Boise had the Bruins at his mercy through the game and the fast fielding of the Senator infield was very helpful in the pinch. Four double plays featured the work of the Senators. All of them cut short threatened Bruin rallies.

Robertson Starts
Robertson started on the hill for the Bruins but was not effective. He retired in the fourth in favor of Earlwood. The Senators had on their slugging coats yesterday and they were not to be denied. They scored ten easy safe ones were registered for the visitors. Five two baggers, a triple and a homer with 14 singles showed with almost any ball game.

A double and a triple in the first inning gave the Senators two tallies although Casper was not entitled to score on his triple but the throw hit him on the shin and bounded toward the fence. From that point on the Senators were able to score him frequently and tallied in all but three innings. King, the league's leading slugger, saw his fourth straight game with a safe blow and the boys vehemently expressed his elation.

The Bruins' lone tally came in the first inning when Allen walked and went to second on Dwyer's infield cut and Fitzgerald singled to score him. Four times did the Bruins get a run on but each time the Senator infield cut them off with a double play and only in two innings did the Bruins get more than one hit.

BASEBALL "BIG SIX"
(By The Associated Press)
Ty Cobb's batting outburst was the feature of the "big six" yesterday. He batted in one run, scored another and generally made himself a nuisance to the defending champions of the American League. The Georgian was at bat five times and his average jumped to .322, 10 points behind Babe Ruth.

The Babe and Paul Waner each got one hit but the Pirate star was at bat five times against only three for

Waner's drive was a homer with the bases full and Ruth's single with nobody on, but each blow has the same value in the records. Frisch rained a point to 30 with two out of five at St. Louis.

The Senators got all the benefit out of that game. The committee now

Dame Rumor has it that Tom Price has a lucrative offer from a power cigarette concern to use his voice in advertising those singing cigarettes. Tom, when seen at a late hour last night had nothing to say, as usual.

My, horse, Yea, my kingdom for a hit is the song of Charlie King, leading-lugger of the league. But the only thing he got that looked like a safe one big Pete took away from him and the gloom-dooms settled around the Senator. Four straight games without a hit is nothing to write home about at this.

At least those double plays gave the faithful a treat but gosh what a blow to a rally. Those brothers have it down to a science but that can't account for four of 'em.

Wild Bill returned yesterday but had little chance to put on the promised show. Have to be on the long end of the score to cut slides out there.

Today is the farmers' special and it starts at 2:30. Better break away and see what happens. Can't tell a thing about these ball games and remember it takes at least 10 runs to be safe in this league.

All the Senators were taking a turn at getting hurt yesterday. Casper and the others were all hurt in some way. Lavek, c, 4 0 1 0 1.

And the Bruins seem to be all crippled up too. Johnnie Walters is still limping from his turned ankle and Offer has trouble with his also.

Don't forget the big contest Monday night: Hockers vs. Bunions at 9 P. M. at Danceland. This is also for the benefit of the Bruins.

That was a real crowd yesterday and let's make it another, if you stay away the Bruins are sure to win so better come everyday and be there when you can row a bit.

The next affair on the program for the baseball benefit is the dance next Monday night at Danceland. The Business and Professional Women's club are sponsoring this fund-raiser and report that the tickets are selling fairly fast. This dance will wind up the efforts of the committees to raise sufficient cash to keep Twin Falls in the league and if the goal is not reached by Monday night the fate of the team will be up to the directors.

The crowd at the game Friday was all that could be expected and directors were well pleased with the turn out. If the attendance keeps up for the next two days the finances of the club should be in pretty good shape and the gate receipts probably will carry the club the rest of the season.

Committees are still working soliciting funds and these should all report this week end so that the directors can get an accurate check on their financial situation by the first of next week.

HARVEST CONDITION LOWERS GRAIN PRICE

Closing Quotations on Wheat Easy, 3-8 to 1 Cent Net De- cline; Corn-Market Irregular.

CHICAGO, June 29.—(AP)—Harvest weather improvement led to lower prices today for wheat. Likelihood that monthly unofficial crop estimates due on Monday will prove bullish counted also as a selling incentive to the wheat trade.

Closing quotations on wheat were easy, 3-8 to 1 cent net decline; corn market irregular. Oats 1/4 to 1/2 off to 1/4 up, and provisions varying from soft to 1/4 to 1/2 up.

Influenced by nearly a complete lull in the long continued rains which have been holding back the harvest southeast, wheat values tended downward today the greater part of the time. Shoppers predicted for tonight helped bring about a transient rally and to some extent a temporary bulge in corn prices but with export demand again slow for wheat from North America and the corn market flattening out in the late dealings, wheat closed at virtually the day's bottom level.

News of late showers in the Pacific Northwest attracted notice, some dispatches current here having asserted that the weather was deteriorating in that section and that the outlook of wheat there might be much less than last year's total.

STOCK PRICES CONTINUE TO FORCE AHEAD ON MART

NEW YORK, June 29 (AP)—Despite a further stiffening in call money to 8 per cent, the highest since June 1927, stock prices continued to forge ahead today. Early gains, which ran from 1 to 5 points in the standard industrials, and 8 to 12 points in a few specialties, were cut down by week-end realizing sales, but several issues recorded their best prices of the day after the higher money rate became effective.

General Motors continued to hold its place as a market leader, closing 1 1/2 points higher at 138 after having touched 101 1/2. The day's turnover in that stock was nearly 350,000 shares, or about one-eighth of the day's entire volume of business. It responded to the increase from \$140 to \$122 in the annual cash dividend—by climbing more than 2 points to 59 1/2.

Stearns and Pierce Arrow issues showed only fractional changes despite the Pierce Arrow directors' approval of the consolidation program.

High priced specialties for which there is a thin market recorded some substantial gains—Radio stood out with a net gain of 8 1/2 points at 167 1/2 after having crossed 150. Curtiss, DuPont, Ludlum Steel, National Lead, and Savage Arms all advanced 4 to 8 1/2 points, the last named responding to the fixing of July 12 as the 2-for-1 stock split.

Public utility, food, farm implement and alcohol shares displayed several points of strength. United States Steel common rose 1 1/2 points to 136 1/2, was one of the few spot spots among the popular industrial group.

Texas and Pacific, soaring 9 points to a new record at 182, was the outstanding development in the rail group.
