Searchers Find Two Pilots 1
Miles From Base in North
Smoke Signal Draws Atten
tion of University Part

(By The Associated Press)
ROCKFORD, Ill., Sept. 3—The return of Bert Hassell and Parker Cramer, Rockford-to-Stockholm aviators, from the Arctic wastes of western Greenland, continued to be the chief topic of interest here tonight and added zest to what perhaps would have been just an ordinary Labor day celebration.

While awaiting full details of what happened since the co-pilots of the plane, Greater Rockford, disappeared two weeks ago, the fact that they were safe and unharmed was sufficient to arouse Rockford to the greatest pitch of excitement the city has seen since the armistice ended the

HORNSBY LEADING IN COMPETITION AT BAT

Paul Waner's Drive to Overhaul Boston Manager Fails; Margin in Race Is Not Great

NEW YORK, Sept. 3 (AP)—Just when it began to seem as if Paul Waner's drive to overhaul Rogers Hornsby in the race for the National League batting championship might be successful, the Boston manager applied a little pressure on his own account and soon widened the margin between himself and his challenger. Hornsby leads by 16 to 27, according to averages issued today and including games of last Wednesday.

While Hornsby's margin is not great, he has this satisfaction—his average is some 10 points higher than the greatest total the elder Hornsby has been able to reach at any time this season, and for that reason probably will hold good through the remaining four weeks of the campaign.

The Pirate flash has other laurels, seems to have little need to worry over the batting crown. He leads in total hits with 229, in runs scored with 117. This is a greater monopoly even than Jim Bottomley of St. Louis was able to set up earlier in the campaign. Bottomley now stretches only in runs batted in with 106.

Cuyler and Wilson of the Cubs are the two remaining individual leaders in batting. Cuyler is in stolen bases with 26, and Wilson in home runs with 26. Bottomley is second to Hack in homers with 26, and in runs scored with 106. Third with 20, Don Hurst of the Phils, and Chick Haley of St. Louis share fourth place, each having 18.

Other regulars following Hornsby and Paul Waner are Traylor, New Pittsburgh, 352; Lindstrom, New York, 347; Cavanah, Pittsburgh, 345; St. Louis, 341; Bottomley and Haley, St. Louis, 330; Herman, Brooklyn, 335; and Sherry, Boston, 333.

Benton ahead

Despite his loss to Boston at the post game, the week after Benton remains ahead of his field in pitching. The New York ace now has won 21 and lost only five for a percentage of 80. While Sherry is second with 16 and 7 for 69, and Noid of Chicago third with 11 and 5 for 68.

Burleigh Grimes of Pittsburgh, and the veteran Grover Alexander are tied for the next position, each with a percentage of 66.7, but with different win and loss totals. Burleigh has won 22 and lost 13, while Alexander has won 14 and lost 11. Alex's mark is 14 and 7.

Benton and Grimes now are tied in complete games, each having 20. Grimes stands as well in a triple tie with Dazzy Vance of Brooklyn, and Red Lucas of Cincinnati, for the pitched-in total.

The Pirates continue in their mad batting spree, and now have a team average of .316 with more than 100. The Cards and the Giants were tied for record with 220 each. The Cubs and the Cardinals were in a tie for fielding honors, each showing a mark of .974. The Reds were second with .973, and had 100 double plays.

GOVERNOR SMITH IS NOT DRUNKARD, SAYS JOSEPH T. ROBINSON

(Continued From Page One)

The Kansas publisher, had brought charges against the Democratic standard bearer and called for Europe. From abroad, he went on White House issued a retraction, or a part retraction, of the retraction. It has been said he continued that "official of the Republican committee announced that the retraction should not have been given."

Mr. White had been the man he should have been, the senator exclaimed. "The fact of making a half-hearted apology, he would have made a full apology."

The senator was introduced to the crowd which filled the fairground stand and jammed all spaces on the platform by Senator Morris Sheppard, Texas, author of the Prohibition amendment.

questions committee, with instructions that it would always consult the society.

A large crowd, in which women, many of them most fashionably dressed, predominated, attended and heard the convening address of Mr. Procope, in which the Kellogg-Briand treaty was lauded as an instrument of world peace.

The league council president's speech was followed by organization committee which Eber Zehn, chairman of Berlin, was elected president.

MUSICIANS REFUSE TO WORK IN WINDY CITY

Over 750 Musicians Involved in Movement; 300 Outlying Picture Houses Minus Music

CHICAGO, Sept. 3 (AP)—Silent picture houses were silent today in almost all districts with 74, and in triple with 17. This is a greater monopoly even than Jim Bottomley of St. Louis was able to set up earlier in the campaign. Bottomley now stretches only in runs batted in with 106.

Cuyler and Wilson of the Cubs are the two remaining individual leaders in batting. Cuyler is in stolen bases with 26, and Wilson in home runs with 26. Bottomley is second to Hack in homers with 26, and in runs scored with 106. Third with 20, Don Hurst of the Phils, and Chick Haley of St. Louis share fourth place, each having 18.

POCATELLO PLAYERS LOSE SECOND GAME

Visitors, Defeated, 6 to 4, Stage Sensational Struggle With Twin Falls Team

Pocatello's Mountain Bees colored baseball team lost the second of a two game series with a Twin Falls team composed of Twilight League players here yesterday afternoon, but they did not give up without a struggle. Twin Falls won the first game, 10 to 4, and the second, 6 to 4, in a sensational ending with the final score 6 to 4 in favor of Twin Falls.

Sunday's game that was won by Twin Falls, 16 to 12, was a slow affair with many errors on both sides, so that the Labor day match came as a pleasant surprise and improvement.

Effort to being directed toward securing a match with Piler for the Twin Falls team next Sunday.

Monday scores: Pocatello 10-4 Twin Falls 4-10 Pocatello 6-4 Twin Falls 4-0

Batteries: Pocatello: Thomas and Fields; Twin Falls: Coates and Taylor. Monday scores: Pocatello 10-4 Twin Falls 4-10 Pocatello 6-4 Twin Falls 4-0

IDAHO BEAN MAN'S SURVEY INDICATES PRODUCTION SHORT

C. R. Detwiler, Growers' Association Manager, Reports Conditions as He Observed Them on Eastern Tour

Michigan's bean production this season probably will not exceed its crop of around five million bushels in 1927 that was one of the smallest in years, C. R. Detwiler, manager of the Southern Idaho Bean Growers' association, said last evening. In the course of a review of his study and observation made on a visit to Michigan bean districts from which he has just returned.

Not only do indications point to a short crop in Michigan, but production of beans throughout the United States is likely to be considerably less than normal, Mr. Detwiler said. While in Michigan Mr. Detwiler met a representative of the California Linn Bean Growers association who assured him that the California crop would not be more than 10 per cent of last year's crop, and since returning to Idaho Mr. Detwiler has spent the past three days looking over the crops on the North side, with results indicating that even with a 25 per cent increase in acreage there is nothing in the outlook to indicate a larger crop than last year in southern Idaho.

Makes Extended Tour
In the course of his visit to Michigan Mr. Detwiler drove over 600 miles through central Michigan and on up in what is known as the Thumb district which comprises all of the original bean section. In the Thumb and the north half of this district, he said, he found the beans badly damaged by frost. Many fields are perfectly bare having been covered with water for days at a time. Wet weather has prevented cultivation at other times on rolling ground resulting in a mass of weeds with no being worth harvesting. Bright and otherwise are showing up badly here too.

In the lower half of the bean belt where rains were not so heavy and the soil is lighter, Mr. Detwiler said, the prospects are good for a splendid crop. Here, however, owing to the ample rainfall, there is an unusually heavy vine growth and growers told him they fear many beans will spoil before they can be cured fit to thresh. In all fields many pods are covered with dirt and mud which will cause many spoiled and discolored beans with a consequent heavy loss.

The Michigan growers supported

by the state officials, are putting on a campaign to secure a price of \$7 per bushel for the growers. Mr. Detwiler said that practically all dealers he interviewed "signified a willingness to pay this price, provided Idaho prices could be stabilized on a par with those in other sections."

Wires received since his return advise that some dealers have agreed to pay \$7 and other dealers are building up a price of \$7.

A representative of Governor Green of Michigan is expected to arrive in Idaho in a few days to cooperate with Idaho growers in an attempt to work out some plan for selling the 1928 crop in an orderly manner.

EVANGELIST SEEKS FOR MISSING YOUTH

Retarded Boy Leaves Parent and Brother at Mountain Home and Starts for East

Search for his 16-year old son, Fred, began by the Rev. Charles Broom, an evangelist, accompanied by another son, Harley Broom, 20, to Twin Falls Sunday from Mountain Home, where the boy disappeared Friday morning.

Mr. Broom and the older boy worked two days in Mountain Home. Friday morning at 10 o'clock they missed Fred, but thought he might have gone to a rodeo near that town. When he did not return they and officers instituted search. Saturday they started to search this way as the boy had said a week or so ago that he wanted to go back to their old home in Minneapolis. Their surprise in regard to his intentions received confirmation at Glenn's Ferry where the city marshal told them that he had given supper, bed and breakfast to the boy, who said he was on his way to Minneapolis and who started eastward in the morning.

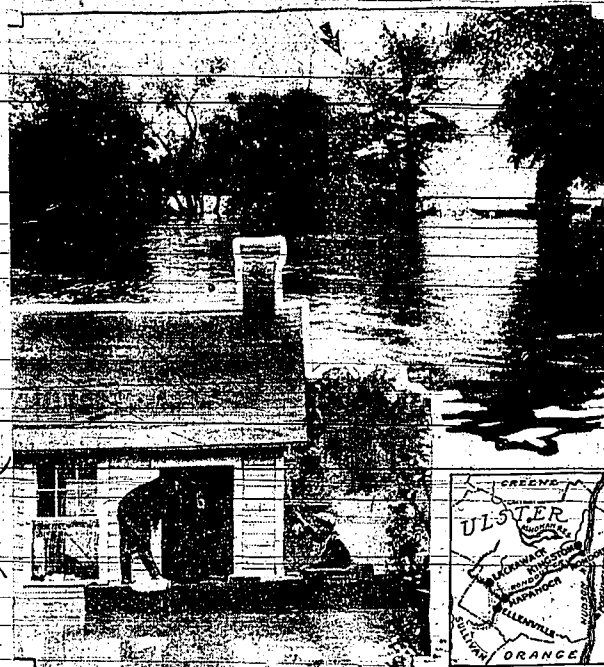

Mr. Broom says that he and the two boys left Minneapolis May 1, 1927, and have been in the Minneapolis Bible school since then. He attended the Bible school service here Sunday evening and was accompanied by Harry Babel, 20, left, and cooperation in finding the missing boy.

Description of Boy
The boy is described as having brown eyes and hair, thin, and small. He is wearing a light-colored shirt and dark trousers. He is about 16 years old.

Mr. Broom says that he and the older boy were injured in an accident in Wyoming while on their way west. They are able to work however. Mr. Broom is a grinder of knives and scissars, though he does any kind of manual labor. His car is in bad shape and he would like to get it so that it can be repaired.

IDAHO RIFLE TEAM IN ACTION IN OHIO

National Guardsmen Complete Preliminary Rounds and Enter Competitive Matches

CAMP PERRY, Ohio, Sept. 3.—Idaho's national guard rifle team, after a week of dry-shooting and instruction in the theory of marksmanship have completed that phase of the preliminary work which precedes the national rifle matches at Camp Perry, Ohio. Licking trigger fingers were given relief when the order to commence firing was sounded and the mile-long line of riflemen squeezed off their first shots and sent them skipping over the waters of Lake Erie. The members of Idaho's rifle team who will compete in the rifle matches are: Clarence Martin and Frank E. Meek of Caldwell; Harry H. Wallace, Paul E. Jones, Jack C. Nunnemaker, J. H. Scriver, C. L. Ratcliffe, E. J. Colbert, and C. W. Harrison, all of Twin Falls; S. M. Smith, of T. A. Alexander, of Coeur d'Alene; K. O. Matthews and B. C. Lester, Boise; and E. L. West of Rigby.

Practice firing will continue during the remainder of the week, and until the opening of the principal events of the matches today. Among the principal events in which the Idaho soldiers will shoot are: The Service Team match, the Presidents match, the Navy match, the Wimbledon and "Zero" Cup matches. The N. R. A. members match and individual Palma match. The trophy for the latter was presented by the National Guard Association of the United States.

In all of these matches except the Presidents match, marks and trophies of both intrinsic and historical value, will be awarded to the winners. The prize for the winner of the Presidents match is an autographed letter from President Coolidge.

The Idaho guardsmen will be pitted against 3000 of the best shots in the United States, Cuba and Hawaii Bay.

SOCIETY AND CLUBS

Edited by Mrs. E. E. Williams Phone 596

Mr. and Mrs. A. J. Wilson, well known pioneer residents of Kimberly, celebrated their silver wedding anniversary Sunday, September 2, at their home in that city. At two o'clock a luncheon was served for relatives and a number of friends who came to Idaho from Nebraska the same time. Mr. and Mrs. Wilson arrived twenty years ago. A luncheon was served at one long table covered with pink and white sweet peas with nut cups and cards in the same hues. In the evening at seven-thirty a check-a-supper was served to other friends, the guests being seated at fourteen small tables, a color scheme of pink and white was also used in all of the decorative details. Eighty guests enjoyed the hospitality of Mr. and Mrs. Wilson and extended their congratulations. Many beautiful gifts were presented them.

Mrs. Herman Rexroat was hostess to the Kimberly Road club Friday afternoon at her home on Sixth avenue north. Mrs. Rexroat was a club guest. After a delightful social afternoon Mrs. Rexroat assisted by her daughter, Miss Gertrude Rexroat, served refreshments.

Mrs. Howard Almonster entertained her club in the Methodist Sunday school "The Busy Bees," by taking them Saturday afternoon to Eastley Hot Springs where they camped, returning home late Monday evening. Mrs. Almonster's mother, Mrs. A. A. Evans and sister, June Evans, also accompanied the party.

U. S. Army, Marine Corps, Navy, Coast Guard and civilian teams and a number of unattached individuals make up the entries who are seeking shooting honors in the greatest meet of marksmen ever held in the United States.
