BEAN GROWERS SET LOWEST QUOTATION AT \$6 PER HUNDRED

Without Dissenting Vote 100 Farmers Adopt Recommendation of Committee for Maintenance of Prices For Year

A meeting of about 100 bean growers here last evening adopted, without dissenting vote, recommendation of a committee of 28 growers for maintenance of minimum price of one-and-a-half hundredths of a dollar.

Will Issue Bulletin The meeting also authorized the committee to cooperate with California department of agriculture in issuance of weekly bulletin dealing with bean crop and market conditions.

Mr. Welch came from Boise to attend last evening's meeting of the bean growers here. He expressed gratification over work accomplished by the committee and stated his opinion that the department of agriculture had served its purpose in helping to set up machinery for the bean investigation.

Your judgment is no better than mine in making the daily report declared. He asserted that the next legislature should make the small appropriation necessary to bring to Idaho the federal market news service.

Stimulate Demand The shipping point would result from action taken by the growers here last evening. Lee M. Lamson, representative of the Idaho Bean Growers' association, stated, would stimulate demand for Idaho beans and place distribution of the product on a merited basis.

GUEST PASSENGER WINS DAMAGE SUIT

Driver Who Failed to Heed Caution of Companion Must Pay for Injuries, Court Decides

BOISE, Sept. 25 (AP)—If a guest passenger warns the driver of an automobile to slow down, and the driver's failure to do so results in an accident, the guest is entitled to recover damages for any injuries suffered in the accident, the supreme court ruled today.

The court decided the case on the appeal of W. J. Jager, Sandpoint, against whom C. D. Brown, of the same city, won a verdict for damages. Brown is the driver of the automobile in the ill-fated automobile in the case for damages.

IDAHO'S BEAN CROP 1,432,000 BUSHELS

Crop Statistician Estimates Production of 76,500 Acres in Southern Part of State

BOISE, Sept. 25 (AP)—About 1,432,000 bushels of beans will be harvested, from 76,500 acres in southern Idaho this year, J. H. Jacobson, crop statistician, estimated in a report issued today. Growers last year harvested 1,700,000 bushels from 11,700 acres. The average yield for the last five years is 1,940,000 bushels.

The bulk of the Idaho bean crop is grown in the Twin Falls and Salmon river districts. The crops are progressing rapidly without interruption by rains or frosts. However, about 6000 acres, planted in northern Idaho will not be harvested, due to unfavorable growing conditions, said Jacobson.

## ST. LOUIS DEFEATS BROOKLYN'S CLUB IN 15-INNING CONTEST

Missourians Narrowly Escape Tie With Gotham Aggregation for National League's Leadership; Fumble Decides

(By The Associated Press)  
**BROOKLYN, Sept. 25**—The Cardinals carried a stubborn fight through to a successful conclusion in 15 tense innings here today, defeating Brooklyn, 4 to 3, for their third straight triumph. By their victory the Red Birds escaped falling into a tie for the lead with the Giants, who nosed out Cincinnati by 4 to 3.

Wes Willie Sherdel went the route for Cincinnati's pitcher, scattering 11 hits, 25 scattered that he seldom was in danger. The Cardinals got only 10 strikes off Douglas McHenry, who pitched six and Del Bissonette started Clark to the downfall in the fifteenth by fumbling Rabbit Maranville's grounder with one out.

Sherdel then sacrificed and Doull delivered the winning hit, a Texas league double which fell at Mike Carey's feet. Just a few inches from his outstretched glove.

Sherdel would have won in the regulation distance but for Hader's error in the eighth. This permitted Carey to take an extra base on a single and put him in a position to score the tying run on Bissonette's one bagger.

The score: R. H. E.  
 St. Louis 4 10 1  
 Brooklyn 3 4 0  
 Batteries: Sherdel and Wilson; McHenry, Clark and Deberry.

## PHILADELPHIA TEAM TWO GAMES BEHIND LEADERS OF LEAGUE

New York Americans March Another Long Mile Toward Pennant by Routing Cleveland Indians by 10-1 Score

(By The Associated Press)  
**CLEVELAND, Sept. 25**—The Yankees marched another long mile toward the 1928 pennant by routing the Cleveland Indians by a score of 10 to 1 in the rubber game of the series. Here today, even though the Yankees' starting pitcher, Brown, was hit by 9 to 5 in St. Louis, the Yankees held their lead of two games and moved into a position where they can clinch the flag with three games to play.

Old Tom Zachary, the Washington orphan, won his third victory for the champions, holding the Reddies at bay all afternoon. He gave up only eight hits and was in almost unaltered being scored upon at any time until Joe Sewell and Tipon pitched doubles in the eighth after Tom had a lead of 10 runs.

The score: R. H. E.  
 New York 10 13 0  
 Cleveland 1 9 3  
 Batteries: Zachary and Bengough; Grinn, Bayne and L. Sewell.

## GIANT DEFENSE BEST IN MAJOR BASEBALL

Sports Writers Judge Clubs Engaged in Hand-to-Hand Contest For League's Flag

By ALAN J. GOULD  
 (Associated Press Staff Writer)

**NEW YORK, Sept. 25**—If performance of the past month are to be taken as the index of current season, the New York Giants are the best defensive outfit of any of the four clubs engaged in the current hand-to-hand struggle for this major league pennant.

Take a few recent examples. In the game with the Cardinals last Saturday that meant the making or breaking of their pennant hopes, young Earl Hubbell went into the box with the bases full, none out and four batters on base. He tied the score with a hit but Hubbell checked all remaining efforts of the Cards to score and the Giants won. This was superlative relief pitching, which comes under the general heading of defense.

**Superlative Defense**  
 The next day the Giants faced relief in the ninth inning of a game with the Reds when Wally Pipp, with the score tied, tripled and the next batter pitched a long fly to center. Nine out of 10 times Pipp would have tallied—but Jimmy Welsh came through with a perfect throw to the plate that nailed Wally. The Giants won in the fourteenth. This was typical of superlative fielding defense.

Over the season's span, the Cardinals have a fine defensive record, but they fell considerably below the flashier standard of the Giants in the big series here last week. The left side of the Cardinals infield and outfield both have displayed defensive flaws but the St. Louis pitching corps is capable of blocking most enemy moves.

## BRUINS FACE FINAL PRACTICE OF WEEK

Finch May Not Enter Albion Contest; Lineup Chang's Loom; Game Provides 'Dope'

Twin Falls Bruins face a hard game Friday with the Albion Normal team. The Bruins will have their final practice of the week in preparation for the game Friday with the Albion Normal team. The Bruins will have their final practice of the week in preparation for the game Friday with the Albion Normal team.

That there may be some changes in the lineup for the game Friday was indicated by Coach Jones, who had no word as to whether he would be able to play Friday. Stroffus was passing the ball in place of the regular center.

The practice last night consisted of about 100 minutes of line blocking and tackle drills that have been a feature of the workouts.

## GAME DEPARTMENT ACTS TO SAVE LIVES OF FISH

**BOISE, Sept. 25**—All the fish that can be scooped out of Crane creek reservoir and the stream below will be brought into the Boise valley where water is plentiful, the state game warden said today.

The Crane creek reservoir, which sent 200 residents of the Weiser valley below scurrying into the hills last spring when it threatened to break through the dam, has now been drained and repairs will soon be underway.

The creek above the dam is virtually dry at this time of year, but many fish are safe for the present in the pools remaining in the reservoir. For a mile and a half below the dam, however, the fish are in danger of running out of water as no springs feed the creek for some distance below the dam. Many are crowded in deep pools below the reservoir from which they escaped by racing through a long tunnel which serves as an outlet.

One variety of fish known as "croppies" a variety of bass, were virtually wiped out, the pressure of the water in the tunnel killing them by scores.

## NEW YORK 4, CINCINNATI 3

**NEW YORK, Sept. 25**—A spirited rally for two runs in the ninth marked the Cincinnati victory that has interfered with Joe Stipp's holding of a fourth ball, enabled the Giants to nose out the Reds by a 4 to 3 in the final game of the series here today, and so keep pace one game behind the leading Cardinals, who defeated Brooklyn, 4 to 3, in 15 innings.

Going into the ninth trailing by 2 to 3, John McCarver sent O'Farrell to hit in Ben's place and Ben responded by coaxing out the only pass Rixey gave the home forces. O'Doul replaced O'Farrell as a runner, only to be forced by Welsh, but the former Boston Brave dashed home with the tying run on Andy Reese's triple to Stipp.

Stipp did not immediately field the drive but tried instead to direct the attention of the umpires to spectators in the left field section. He contended that a fan deflected the ball, preventing him from catching it, but the protest, joined by several other Cincinnati players, availed nothing.

The Red infield then moved in on the bases to try to cut off Reese at the plate, but Mann drove a single past Brown. Scoreless Reese with the winning run.

The score: R. H. E.  
 Cincinnati 4 6 0  
 New York 3 4 0  
 Batteries: Rixey and Pridgen; McCarver, Scott and Hogan.

## PHILLIES 5, CHICAGO 4

**PHILADELPHIA, Sept. 25**—The Philadelphia Nationals' latest losing streak which had reached 10 games today, ended today when the Phillies fell before the fall of the home runs over the right field wall by Chuck Klein in the second and by Williams in the seventh, secured victory.

The score: R. H. E.  
 Philadelphia 5 10 2  
 Cincinnati 4 11 2  
 Batteries: Brame, Dawson and Hiley; Greenfield, Edwards, Touchstone, Clarkson and Taylor.

Call has come to Twin Falls

The call has come to Twin Falls in this great undertaking.

SOCIALISM SURRENDERS

The Russian Soviet government announces: "To popularize foreign concessions and attract foreign capital a list of available concessions will soon be published in various foreign languages."

So the door is officially opened to foreign capital by the Communists at Moscow. They will invite such capital for industrial and agricultural development of many kinds including automobiles, artificial silk, tanned leather, paper, pulp, machinery, electric power, fuel, production, mining, timber, building construction, cotton, wool, sugar, and dairy.

Not only will outsiders' capital and talents be welcomed, but they will be allowed to import raw materials free of duty if necessary materials are unavailable in the country.

This, as intelligent outsiders saw from the first, was inevitable if pure Socialism is ever possible, it certainly offers a possibility to one class in the modern world—namely, the bourgeoisie.

A New Yorker at Large

G. D. SEYMOUR

NEW YORK, Sept. 25 (AP)—The public service companies which have realized the importance of the electric supply at this moving season estimate that in some years a fourth of New York's population changes its place of residence.

The quest is eternal for the perfect apartment and many a party dweller is spurred each autumn to seek another and more ideal structure a suite modestly, a little closer to his heart's desire.

From year to year the trend is toward new buildings, which to rent at moderate prices—must be steadily increasing in number. It is estimated that in the city of New York, there are now over 1,000,000 people living in apartment houses.

The van companies are by no means the only beneficiaries when a million and a half New Yorkers move. The van companies are by no means the only beneficiaries when a million and a half New Yorkers move.

SOCIETY AND CLUBS

Edited by Mrs. R. Williams

A brilliant reception Tuesday evening in Elks' hall marked the opening of the Twentieth Century Club activities for the year.

The guests were greeted at the door by Mrs. C. J. Schroeder, past president of the club.

The program consisted of a variety of musical numbers, including a quartet by the club members.

The evening was a success, and the club members enjoyed the social gathering.

The club members are planning a similar event for the next month.

# ENORMOUS RECEIPTS LOWER GRAIN MART

### Wheat Closes Unsettled; Corn Varies; Selling From Northwest Broadening in Big Pit

CHICAGO, Sept. 25.—(By) Huge primary receipts from Canada and the United States with Argentina offering to sell at bargain prices, pulled wheat values here—straight—downward today. Temperatures at low export demand for wheat from North America was but little better than zero, and United States export of wheat and flour for July and August were officially reported at 21,620,000 bushels against 49,079,000 bushels, the corresponding months last year.

Wheat closed unsettled, 1c to 1 1/2c net lower, with corn varying from 1/2c decline to 1c advance, unchanged to a setback of 3/8c. Primary arrivals in the United States today were 3,981,000 bushels, compared with 2,992,000 bushels a week ago.

Selling broadened in the Northwest in particular as the day progressed. Railcars were neglected. Apparent freight rates made against the immense volume of new wheat moving to market north and south. The only support for the market came from resting orders to purchase at declines. But the uncertainty of such orders limited and the close of trading left prices at almost the day's bottom level. Influenced in some degree by Kansas reports of a heavy increase being expected, although ahead of the fly-free date and upon poorly prepared seed.

# STATE FEDERATION CONSIDERS CHANGE IN CONSTITUTION

## Final Action Rests With Gen- eral Assembly. Reports Are Consideration of First Day; Bylaws May Be Changed

The executive board of the Idaho State Federation of Women's clubs met in the Elks hall in brief session yesterday afternoon with Mrs. F. F. Hitchner, state president presiding. The meeting considered several proposed changes in the constitution and bylaws of the organization, which will be brought before the general meeting Thursday. Final action was not taken and further conferences of the board are expected to take place. The regular meeting of the federation will be called to order this morning by Mrs. Hitchner. Mrs. E. C. Barton, pastor of the First Baptist church, will pronounce the invocation. Mrs. T. B. Brush will lead the salute to the flag. This will be followed by a vocal solo by Mrs. H. C. Murray, Twin Falls, with Mrs. E. T. Kellogg as accompanist.

### Welcomes Scheduled

Harry Benson, first vice president of the chamber of commerce will welcome the convention in behalf of the community and Mrs. James H. Wiles, chairman of the program committee of the Twentieth Century club, and Mrs. W. R. Chase in behalf of the Rural Federation. Mrs. Adam Barclay, Jerome, will respond.

After the report of the program committee by A. W. Roseberry and appointment of special committees there will be reports by the following officers:

President, Mrs. E. F. Hitchner, Sandpoint; first vice president, Mrs. T. B. Brush, Tricfield; second vice president, Mrs. C. J. Schreiner, Piler; third vice president, Mrs. E. T.
