

MESSAGE ON PEACE CLOSES CONVENTION

World's Most Momentous Task Now Warfare Against War, Bishops Declare in Letter

WASHINGTON, Oct. 25 (AP)—Bearing a parting message from the house of bishops to work for world peace among nations and unity of Christian churches, delegates to the forty-ninth triennial convention of the Protestant Episcopal church today turned homeward after two weeks of session in the national capital.

With a ringing declaration that the "most momentous task which faces the world today is the warfare against war," the bishops called upon the membership of the church throughout the country to give its support to all worthy movements for peace.

At the same time, the bishops said, there should be a greater unity among Christian churches.

With a not the business of the Christian church to control government. It cannot lay down in detail the plans for the peace which it is the business of governments to formulate and carry out. But it is the business of the church to speak in the uncertain times of the Christian view of life, and the relations of men and nations to one another. It is its business to guide the Christian conscience in its approach to all such matters.

SPECIAL SESSION OF CONGRESS UNCERTAIN

the candidate's trip westward to vote were worked out during the day. Leaving Washington on the afternoon of November 1, he will make a 10-minute talk at Cumberland, Maryland, probably from the rear platform of his train.

He will reach Louisville, Kentucky, on the forenoon of the next day, spending the afternoon in a brief session at a parade which will take him to the Jefferson county courthouse where he will make a brief speech. Mrs. Hoover will make a reception during their stay in the Kentucky city and will join her husband after his speech.

After delivering his speech on agriculture to the farmers' convention in the afternoon at St. Louis, Hoover will board his train that night to continue his trip westward.

All his public appearances will be made as he moves to the coast through Cheyenne, Wyoming; Ogden, Utah; Reno, Nevada; Sacramento and Oakland.

At Palo Alto, Hoover will make a radio address on the eve of the election and early the following day, he, Mrs. Hoover, their two sons, Allan and Herbert, and Mrs. Herbert—Hoover will spend the night in the sleeping booth on Stanford university campus. The vote will be the first that Allan has cast, he having attained his majority last August.

TWO FLIERS HURTLE TO FAME IN FLIGHT FROM EAST TO WEST

(Continued From Page One)

After placing the official arrival time at 2:08 P. M., Collier estimated that he had fuel for an hour and a half's flying when he landed.

After leaving New York the Yankee Doodle pitched and tossed for more than two hours in utter darkness over the Appalachian range. Captain Collier described as "intense" a rain storm which they fought through, flying "blind" and during which they lost time by being driven off their course.

"I finally picked up Cincinnati and headed in the right direction," he continued.

It is thought a third man waited in an automobile outside, although none saw the pair leave the building or drive away.

COURT RECOMMITS BOY TO INDUSTRIAL SCHOOL

Allen Leo Russell, 18, who pleaded guilty Wednesday to forgery of a \$15 check, will return to the state industrial training school, it was stated last evening by O. W. Witham, prosecuting attorney.

Investigation of the records of Mr. Witham said, showed that young Russell had been committed to the state school in December, 1923, and later was paroled. His record shows a continued violation of the parole, and rather than ask for sentence requiring Russell to serve a prison term, Mr. Witham said that he had requested the court to recommit the youth to the state school.

Russell lived for a number of years in the vicinity of Murfreesboro. His father is dead and his mother has married again and lives now in Ohio.

TURNER DENIES LIQUOR CHARGE AT ARRAIGNMENT

Frank Turner, Twin Falls, in a protest court here yesterday, pleaded not guilty to felony charge of illegal possession of liquor after prior conviction, and was held by Judge C. A. Bailey under \$200 bond, to action of the district court. Turner was released from custody later when he furnished bond bearing signatures of Jacob Cergen and John P. Covelander. He was represented by W. L. Dunn, attorney.

The complaint was filed by Ralph E. Leighton, Twin Falls police chief. Turner was arrested Wednesday evening by police officers watching a cache of moonshine whiskey which Turner is alleged to have attempted to carry away.

FIRST MOTORIST FACES SCHOOL BUS COMPLAINT

Complaint charging Earl Vance with violation of the state law against driving a motor vehicle past a school bus while persons are getting off, was filed in probate court here yesterday. The complaint was signed by Elmer Ahms, driver of a Maroon district, twin school bus.

TEMPERANCE UNION LEADER CRITICIZES BOORBONS' NOMINEE

nor does he express the hope or

wish that all the liquor will be driven out of the country by beer and light wines. Mrs. Boole said.

"Governor Smith makes a definite charge of corruption of the Washington police in which he says that in a single year one-third of the police were up before the officers charged with drunkenness. Answering this statement, the Women's Christian Temperance Union leader read a letter from Edwin B. Hines, superintendent of police for the District of Columbia, in which he said in 1927 out of 137 members of the police force 102 were tried for drunkenness and charges against six of these were dismissed."

Deploys Excesses

"In an equally loose manner," Mrs. Boole said, "Governor Smith speaks of drinking among young people. The free freedom of youth in which they copy the excess of their elders is to be deplored. It is the fact that certain society leaders continue to serve intoxicating liquors though there is little pre-prohibition liquor even in the collars of the rich."

Mrs. Boole said Governor Smith quotes three clergymen as opposed to prohibition and came back at him with the question:

"Why not call attention to the thousands of Methodists, North and South, Baptists, North and South, Presbyterians, Congregationalists, Christians and clergymen of every Protestant denomination and some Catholics and Jewish leaders who are urging willing obedience of the law. Mrs. Boole ended her speech by describing Herbert Hoover's view on prohibition in which she said Hoover saw it as a great economic advantage adopted for the protection of the home."

lation the party's activities are more feverish than ever and its optimism is higher. The bubbling over point is expected to be reached Saturday night when Governor Smith comes here to reach out personally for the prized 23 votes.

Smith then will address himself directly to the Philadelphia wards whose Republican leaders are the cogs of the political organization of Senator-elect William S. Vare. Thousands of Philadelphians who have voted for and with Vare are Catholic anti-prohibitionists and it is the Democratic hope that they can be swayed away. Hoover managers are confident, how-

GHIRARDELLI'S GROUND CHOCOLATE

Bran muffins

This recipe makes the best you ever ate

2 tablespoons shortening, 1/2 cup sugar, 1 egg, 1 cup sour milk, 1 cup Kellogg's ALL-BRAN, 1/2 cup flour, 1/2 teaspoon salt, 1 teaspoon baking powder.

Cream shortening and sugar together, add egg. Mix with flour, salt and baking powder. Pour into greased muffin tins and bake in moderate oven 12 to 15 minutes. Yield: either 8 large or 12 medium size muffins. Sweet milk and use 1 teaspoon baking powder.

WAIT until you see those muffins as they come from the oven. Wonderfully light and fluffy—never soggy. And when you break one open and let a lump of butter melt in that tender texture, you're ready for a taste experience such as you never had before. No other muffin ever had such a rich, multiple flavor.

The fine thing about eating these wonderful muffins is the health they bring you. For that cupful of Kellogg's ALL-BRAN helps supply your eliminative system with bulk and fiber that prevents constipation. So many foods in our diet—meat, eggs, milk, sugar, fats—lack this necessary roughage.

But muffins are not the only food where you can get healthful and tasty results by adding ALL-BRAN. Put it in dressings. Sprinkle it in soups. Mix it in griddle cake batter. Kellogg's ALL-BRAN is equally effective for milk or cream, fruits or honey added.

Grocers everywhere sell Kellogg's ALL-BRAN. Use it and you'll free yourself from constipation. Also from the use of habit-forming cathartics. For Kellogg's ALL-BRAN works as nature works. Made by Kellogg in Battle Creek.

Kellogg's ALL-BRAN

Guaranteed! Kellogg's ALL-BRAN is guaranteed to be delicious. Guaranteed! Eat it according to directions. If it does not relieve your constipation, we will refund the purchase price.

WILDCATS AND BRUIN ELEVEN WILL BATTLE IN ANNUAL CLASSIC

For Eighth Time in History of Two Institutions Twin Falls Will Meet Filer's Team For Honor On Neighbor Gridiron

RESULTS OF BRUIN-WILDCAT CONTESTS FOR SEVEN YEARS

Year	Filer	Twin Falls
1920	0	71
1921	0	26
1922	0	19
1923	0	36
1924	0	6
1925	7	13
1927	7	7
	17	188

This afternoon on the Filer field the Bruins and Wildcats will clash for the eighth time in the history of the two schools. Only three times in seven years of competition have the Wildcats crossed the Bruins' goal and one game has resulted in a tie. The scores between the two have been close for the last three years, and dopsters on today's contest seem to think the score today will follow the trend of the last three contests. Fans will remember the contest of 1925 played in the mud, the second game in as many days for the Bruins. Twin Falls had played Buil the day before and were barely able to nose out a point victory at Filer. In 1926 the Bruins were out of the district title contest and the Wildcats were on the way to a district championship, yet the traditional rivalry of the two schools made one of the prettiest contests ever played on Lincoln field. The result was a 7-10-7 tie.

Bruins Win in 1927
Last year the Bruins took the jump on the Wildcats and pushed over two scores in the early minutes of the game but could not score again, while the Wildcats, desperately fighting, drove down the field in the last half to score their lone tally.

The game today is fraught with possibilities. The Bruins have won their contests this season with rather large scores, while the Wildcats have been content to take theirs with smaller margins. Filer piled up a 39-10-0 score against Oakley early in the season, while the Bruins were able to earn out 25 points against the same team. Smith and Hanks in the same team. DUMB BELLS

parently in good condition for the contest this afternoon. Game Eliminates One
Both teams have about seconds for the district title, and one will be eliminated today. No matter what the records of the two teams be for their annual meeting, spectators have been assured of a real contest.

KIMBERLY GRID SQUAD TO MIX WITH WENDELL

WENDELL, Oct. 25 (Special to The News)—Kimberly gridsters come here tomorrow for their annual contest. Filer will have the huge other football last year, and the Bruins are determined to win it this year. The trek of Bruin fans will start about 2:30 P. M.

ALBION FOOTBALL TEAM TO MEET HANSEN SQUAD

HANSEN, Oct. 25 (Special to The News)—Albion high school football team will come here tomorrow to battle the locals. Albion expects a strong team this season, and the locals have been successful in their games. Local fans are anticipating a real battle.

Due to error on the part of the News the advertisement of Wings, only scheduled by the Idaho Theatre to be published in our issue of Thursday morning, was omitted. While in the season, while the Bruins were able to earn out 25 points against the same team. Smith and Hanks in the same team. Smith and Hanks in the same team.

OFFICIALS AGREE ON ADMISSION TO GAME

Twin Falls and Filer Settle Dispute Over Cost of Tickets to Annual Grid Contest

After some little discussion between the officials of the two schools, admissions to the Twin Falls-Filer football game at Filer this afternoon have been definitely fixed at 25 cents for adults and 25 cents for students. Twin Falls high school students will be able to purchase their tickets at the gates at Filer by presenting a student ticket as identification.

Students of the junior high school who have had perfect attendance records for the last six weeks, will be given a half-holiday this afternoon. All other students will be required to remain in school until 2:30, when they will be dismissed to attend the Filer game.

WEBER COLLEGE ELEVEN MEETS ALBION NORMAL

ALBION, Oct. 25 (Special to The News)—Weber College, Ogden, undefeated junior college team for the last five years, will meet the Albion Normal team on the local field Saturday at 2:30 P. M. The last meeting of the two teams on the local field resulted in a 6-11 tie and the Teachers this year have hopes of upsetting a five-year record of no defeats. By reason of the record played up by the Utah college, they will journey to Hawaii for a post-season game in December of this year.

Last year the Normal fell before the Weber team, 30 to 14, at Ogden. The Utahans have most of last year's team back this year and are a strong aggregation. All of the Normal's crutches are Rhums, a tackle, have sufficiently recovered from early season injuries and will be able to play Saturday. Simpson, Young, Ferris, Herbold and Hatch are the backs that Coach Jacobson will depend upon to carry the oval. Williams, regular guard, will be shifted to tackle to replace Thomas, and the two Willsons, Hall and Buchler will be depended upon to beat the Bruins for the same team. Smith and Hanks in the same team. Smith and Hanks in the same team.

Jerome Tigers Meet Oakley on Gridiron

JEROME, Oct. 25 (Special to The News)—Jerome's Tigers will meet the strong Oakley eleven here tomorrow afternoon in a contest that the Tigers must win to stay in the district race. The East End team has been slow to develop this season, but has a number of experienced men and has been playing better football all the season goes along. The Tigers have been hard at work since the West-dell game of last week and Coach White has been working on offensive play. One of the largest crowds of the season is anticipated.

RUPERT MEETS GOODING IN-DISTRICT TITLE TILT

RUPERT, Oct. 25 (Special to The News)—Rupert football team faces one of its hardest tests here tomorrow when it meets the Gooding Senators. Neither team has met defeat in a district contest, and the records of both are clear for the title.

BOBACAT AND INDIAN ELEVENS WILL MEET

BUIL, Oct. 25 (Special to The News)—The Burley Bobcats come here tomorrow to meet the Indians. Neither team is in the district race, but a hard game is in prospect between the teams. Buil is suffering from an extensive injury list, but Coach Davidson has revamped his team. Burley has been showing steady improvement and is reported to be a shifty-hard driving team.

BRUIN CUB ELEVEN TO MEET HAZELTON

Game Will Be Second of Week; Streifus Out With Injured Knee; Buffer for Regulars

Bruin Cubs will meet the Hazelton football eleven on Lincoln field at 2:30 P. M. tomorrow. Coach Flatt has been working with the Cubs, getting them in shape for the second contest of the week. So much time has been spent acting as a buffer for the Bruins that the Cubs have not been able to perfect their offensive play.

Streifus has been out since the Filer game with a bad knee and will probably not be able to play tomorrow. The other Cubs are in good shape and about the same lineup that started against Filer will be used.

BOBACAT AND INDIAN ELEVENS WILL MEET

BUIL, Oct. 25 (Special to The News)—The Burley Bobcats come here tomorrow to meet the Indians. Neither team is in the district race, but a hard game is in prospect between the teams. Buil is suffering from an extensive injury list, but Coach Davidson has revamped his team. Burley has been showing steady improvement and is reported to be a shifty-hard driving team.

Farm Girl Protests Parking Proposal

A 'hit and run' driver in an Overland coach on the road about a mile east of Kimberly yesterday at 9:30 P. M. sideswiped a light runabout driven by William Pierce, Piler, employe of the Associated Gas Co., with force sufficient to break off a power line pole into which the runabout crashed.

Mr. Pierce was severely cut about the face and head.

The 'hit and run' driver in the Overland did not stop after the collision. His machine bore license No. 34834, which records indicated, had been issued to C. E. Adams, Twin Falls.

An employe of the power company in the area witnessed the occurrence and obtained the license number on the car which did not stop.

LOGGERS WILL OBSERVE PAST RULERS ROLL CALL

Twin Falls logs of files will observe past exalted rulers roll call night next Thursday evening, it was announced last evening by Alvin Harbison, exalted ruler of the lodge.

An interesting feature of the observance will be messages from the grand ruler of the order and from past exalted rulers of the lodge.

A regular temple meeting of the Epiphany sisters will be held this evening in the Epiphany church.

ANNOUNCEMENTS

The regular temple meeting of the Epiphany sisters will be held this evening in the Epiphany church. Women's club rooms at 8 o'clock sharp.

PIONEER OF STATE GOES TO LAST REST

Hundreds Pay Tribute at Funeral of James A. Waters; Fraternal Orders Attend

Willie Willis
By ROBERT QUILLEN

"I was going to run away and go West after Maama kicked me, but Pa came to help dig my grave and when we got through it was too dark."

did the next best thing and brought about the redemption. God, the Father, made the universe without consulting angels or archangels, but when He came to create man He consulted all members of the Trinity and said: "Let us make man in Our image, after Our likeness."

"In all our activities, business, professional, and social, we need God as our silent partner. Death does not end life. We have ample proof of immortality. We know that many people, who were almost dead from drowning and were resuscitated, had before their eyes a panorama of their whole lives."

"J. A. Waters lived such a life that he was prepared to go. His life is not ended. As a Masonic brother he lived up to the principles of the order. Masonry is not a religion, nor does it take the place of Christianity, but it does demand the best in man. He was a member of the Methodist Episcopal church, and was a believer in evangelical Christianity. Many of us are but poor examples of the principles of Christianity, but Mr. Waters lived it in his life. Praise is given to the man who makes two blades of grass grow where one grew before. As a citizen and farmer Mr. Waters made grass grow where none grew before."

where one grew before. As a citizen and farmer Mr. Waters made grass grow where none grew before.

"It is appropriate that beautiful flowers should be arranged on this occasion around the mortal form of a lover of flowers who has gone before us to a better home."

"Christ said, 'I go to prepare a place for you.' This is a comforting thought. Mr. Waters has gone to the place prepared for him, and while we miss him, we should feel only such sorrow as that which is natural, and which springs from loneliness over his absence from us."

Musical numbers given by a quartette composed of Mrs. George Montooth, Mrs. H. L. Woodington, George W. Dice, and E. E. Crabtree, with Mrs. C. H. Sizson as accompanist, were: "Beautiful Isle of Somewhere" and "Rock of Ages." Mrs. Montooth sang "Place to Face."

At the cemetery services were in charge of the Twin Falls Knights Templar. Alan P. Senior acted as eminent commander. Dr. R. A. Parrott as preacher and John A. Johnson as chaplain general.

Have That Footlight Sheen

By Edna Wallace Hopper

"To my audience, my hair is of everlasting interest. It always looks alive and wavy and shines in the sun."

Edna Wallace Hopper as she looks today

One of my "secrets" is mere cleanliness. This fascinating glow comes from the regular use of my Wave and Sheen.

I shampoo my hair once a week under ordinary circumstances. After it dries I comb it and apply Wave and Sheen. Then I place my comb in the direction I wish the waves. (My hair is not curly.)

You can get Wave and Sheen at any toilet counter. The price is 75 cents. Your money saved as you are not pleased with results.

EUROPE IN MARKET FOR AMERICAN CORN

Transatlantic Buying of December and March Deliveries Estimated 2,000,000 Bushels

CHICAGO, Oct. 25 (AP)—Europe appeared today to be reaching out in quest for corn from the United States. Transatlantic buying today of December and March deliveries of bushels was estimated at 2,000,000 corn here, while seaboard purchases of corn, presumably for re-export shipment, were said to have aggregated more than 1,000,000 bushels in the last 48 hours. Wheat prices were responsive to grain strength.

Closing quotations on corn future deliveries were unsettled, at the same as yesterday's finish to be higher. Wheat finished 1/4¢ to 1/2¢ higher, owing from a shade decline in the advance, and provisions at 1/2¢ setback to a rise of 5¢.

11 TOWNS ENTERING STATEWIDE AUDITION

Francis Holyoak, Bass, Will Represent Twin-Falls; Buhl and Jerome Singers Enroll

Eleven Idaho cities and towns are planning to send their champion girl and boy singers to Boise to compete next Wednesday at 8 P. M. over station KPAU in state finals in connection with the second national radio audition.

This will be the second stage in the national elimination singing contest for which the Atwater Kent Foundation offers winners of national finals cash awards totaling \$10,000. The program covers scholarships, and the Foundation's sponsorship for a professional debut.

Norman H. Adams, Boise, state audition manager, today announced that the following communities had already qualified for the following singers to represent the Idaho contest: Twin Falls, Francis Holyoak, bass; Nampa, Miss Aurelia M. Albee, soprano; 20, Fanny Cook, baritone; 21, Buhl, Miss Marian Ward; Pocatello, Miss Elizabeth Jensen, girl baritone; 22, Hampton, Earlton Harrison; 23, Elgin, Miss Marie Adeline Marneau, contralto; 24, Idaho Falls, Miss Louise Money, soprano, Roland Weiser, baritone.

Other places which expect also to be represented in the contest by their best amateurs are: Gooding, Boise, Caldwell and Jerome.

Mrs. H. C. Baldrige, wife of Governor Baldrige is chairman of the state audition sponsorship committee and is assisted by a notable group of Idaho cultural leaders. The state contest will be one of the first programs to be broadcast over station KPAU in its new location with enlarged and improved transmitting facilities.

Radio listeners will help select the Idaho winners—a boy and a girl. Their votes will be counted by the while the verdict of a board of judges will weigh 40 per cent in the decision.

The winners, as champions of Idaho, will advance as artists of the Foundation, to the district contest, or semi-finals, to be sung over station KPAU, Boise, Friday, November 12.

National finals will be sung in New York City, December 10, and will be broadcast over all of the radio chain stations by the National Broadcasting company.

Democratic Nominee Eliminates The Issues

In your American Falls speech you objected to the additional appropriation by the last legislature, claiming that the increase was not necessary.

In an advertisement we gave you an itemized list of this additional expenditure, which was appropriated for permanent improvements for our educational, charitable and correctional institutions. In that advertisement we asked you what you would have done, had you been Governor, with this additional appropriation.

In your speech at Lewiston, you answered: "And I want to say to you folks that I would have done just the same as Mr. Baldrige did so far as signing the bills, because I appreciate the fact that we don't want to go back to the little schoolhouse-on-the-hill."

Thank you for your answer, for by that answer you have eliminated the issue of increased appropriations from the campaign.

In your speech you asked us to publish your economy record while you were a Commissioner of Canyon County and Mayor of Pocatello. You said in your speeches that you saved the people of Canyon County \$93,000 in taxes in one year.

We published your record wherein we stated that you had increased the tax levy from .062 to .140, which tax doubled the levy.

In reply to that you said in your Lewiston speech: "I think these figures are correct," and then you added: "that was during the war period."

Now, Mr. Ross, we didn't say that you did anything wrong, increasing the levy and raising more money for government. You said you saved money. We merely called your attention to the fact that you didn't, and you admit that our figures are correct. So that eliminates your economy record in Canyon County from the campaign.

You further stated in your Lewiston speech that you had an audit made of the Canyon County records, but you didn't tell what the auditor said. That audit was made by Clark B. Moon in the fall of 1920, the auditor who is your present official auditor of the City of Pocatello, and who is a reliable auditor. In Mr. Moon's report is contained the following language: "Thus viewing your finances, the most disturbing matter for consideration in Canyon County should be the constantly increasing warrant indebtedness."

Now, Mr. Ross:

Let's talk a little about your administration at Pocatello. We asked you if it is not a fact that you boasted of the increase in the indebtedness at Pocatello of \$900,000.00. Is it not a fact that you replied as follows:

"That is not quite right. I did not boast quite that heavy, only increased it \$700,000.00—\$200,000.00 too high." We are sorry that we got you \$200,000.00 too high. We took the information from your speeches.

Now, with your admission that you ran the city into debt \$700,000.00, we have eliminated your economy claims as Mayor of Pocatello from the campaign, and this period, during which you were Mayor of Pocatello, was not a favorable one, that is it is not a fact. Mr. Ross that you have increased the expenditure for government of Canyon County and the City of Pocatello both in war times and in peace times?

Now, in this we do not claim that you have done any wrong. We believe you had the highest motives, but you did not decrease the taxes nor the expenditures in either Pocatello or Canyon County.

IS IT NOT A FACT, MR. ROSS,

That with this failure on your part to substantiate the statements made in your early speeches you have eliminated all of the issues of the campaign for which you ask the vote for you as Governor, with the exception of one issue, and that is your ambition to be Governor of Idaho?

We do not criticize you for that, Mr. Ross, because it is a laudable ambition. We do not criticize you for criticizing us, because if you point out a flaw in our methods of government you have rendered us a service. It might be well to keep in mind that when you are a candidate for Governor again it would be well to familiarize yourself with the facts, both as to your claims of inefficiency against the party in power and as to your own record which you submit to the people of Idaho as reasons why you should be elected.
