IDAHO LOWER HOUSE CLEARING DECK FOR WARMEST STRUGGLE

One of Two Education Committee's Bills Providing for University Library May Encounter Bitterest Contest

(By The Associated Press) BOISE, Feb. 4.—The decks of the lower house of the Idaho legislature were being cleared for action today for what are expected to be some of the warmest battles of the season over two education committee bills.

Marked opposition to house bill 29 has been displayed by southern Idaho members who objected to its provisions giving the board of education authority to levy on students to pay fees for building programs at the different educational institutions.

The other measure is that providing for a \$250,000 bond issue for the University of Idaho library. This bond would be used to purchase all that remains of the state's constitutional bonding allowance and banker members of the house have opposed the measure.

Makes Evason Misdemeanor The bill provided for a license on doctors in any substitute for dairy products which the governor said is a misdemeanor. Pines, collected from prosecutions would be given to the counties while the license fee would be given to the state general fund.

General Primo de Rivera Declares Trouble Not Settled Nation's Censorship Rigid

General Primo de Rivera declared today that the trouble in Spain is not settled and that the nation's censorship is rigid.

Wheat Supply Decreases WASHINGTON, Feb. 4.—The visible supply of wheat in the United States today shows a decrease of 1,411,000 bushels.

Names New Minister of Belgrade King Alexander today signed a decree naming a new minister of Belgrade.

Utah Co-Ed Debater

MISS GRACE Anderson of the University of Utah has been voted by the students as one of the 10 most beautiful young women on the campus.

Lindbergh Guest of Central Americans

Lone Eagle Greeted in British Honduras During Stop With First Canal Zone Air Mail

BELIZE, British Honduras, Feb. 4.—Colonel CHARLES A. Lindbergh tonight was the welcome guest of the colony, to which he was the first to introduce airplane travel more than a year ago.

He sleeps here tonight and tomorrow will visit his southern neighbor, Managua, Nicaragua, on his stage through Costa Rica to Panama, and the Canal Zone.

Fire Razes Home Of Noted Gotham Banker

NEW YORK, Feb. 4.—The home of Otto Marx, international banker, destroyed by the furnishing and many valuable paintings. The loss was estimated at \$1,000,000.

Women Pay Fines For Sunday POKER-PLAYING

## ASSOCIATION ADOPTS RESOLUTION ON FISH

### Southern Idaho Organization's Members Favor Law Closing Waters in Spawning Season

Members of the Southern Idaho Fish and Game association at a meeting held in the office of Rex Thomas, agricultural instructor here, today adopted a resolution favoring the enactment of a law closing all the waters of Idaho to fishermen during the spawning season. On representation of a committee composed of James M. Gibbs, Robert B. Bice and Mr. Brooks, representing the Buhl Rod and Gun club, a proviso was inserted in favor of leaving it to the discretion of the state fish commissioner to open the Snake River during the season or part of it, if he believed this action advisable.

After the Buhl committee had returned home, the Twin Falls directors of the Twin Falls organization appointed the following committee to prepare for the banquet February 20: Rex Thomas, speakers; W. R. Priebe, C. R. Shipman, banquet; L. C. Peterson, decorations; E. Scriber, Bert Johnson, banquet tickets; Alva Knight, music. The plan for holding the banquet has not yet been selected.

## Horseshoe Champion Sees Crown Slipping

ST. PETERSBURG, Fla., Feb. 4 (AP)—The crown of C. C. Davis, Columbia, Okla., "warrior" champion horse and pitcher, was shaky here today in the opening round of the annual mid-winter tournament.

The champion engaged in three games and emerged winner in but one while Blair Nunamaker, Cleveland, Ohio; Bert Duryse, Wichita, Kansas; and Harvey Elmerson of Kewanee, Wisconsin, came through with clean records.

Nunamaker, in leading the pack, tossed 129 ringers, and 50 double ringers, in pitching 140 shoes and permitted his opponents to gain only 33 points in the three contests played.

MELIHORN WINS TOURNEY

## Max Schmeling Signs Two-Year Contract

NEW YORK, Feb. 4 (AP)—Max Schmeling, black-browed, young German who jumped into the top rank of the heavyweights by knocking out Johnny Rizzo last Friday night, signed a two-year contract today to fight exclusively for the Madison Square Garden corporation.

## IDAHO SOLONS MAY RAISE HUNTING AND FISHING FEE

### Phasant Bug Limit May Be Reduced From Six to Four; Fee to Build Fish-Bearing Ponds

BOISE, Feb. 4 (AP)—Two game bills, one increasing the hunting and fishing license fee and the other shortening the season and decreasing the bag limit on grouse and sage hens will be introduced in the house, possibly this week. It was decided at a meeting of the game committee of the house and senate today.

At the request of Clearwater legislators, it was tentatively decided to place the open season on big game later in the season in the county bringing it to a close December 1. The bag limit on upland game birds would be reduced from six to four, to conform to the limit on pheasants and to give greater protection to the native birds which are decreasing rapidly in some sections.

An increase in the license fee was fairly well decided upon as the only means of raising revenue to build rearing ponds in which to bring the young fish to greater size, before planting them.

## HANDICAP GIVES WINS IN BILLIARD TOURNEY

With the advantage of handicaps, Duerig defeated Billington and Osh defeated Martin in the first rounds of play in the second week of the elimination billiard tournament at the H. D. M. cigar store last evening.

Under handicap of 100 to 60, Billington lost to Duerig in 63 innings, Duerig reaching his goal of 62 while Billington was counting 58.

Billington's coach-high run-for-the-evening eight billiards in one frame.

Cash, given a handicap of 100 to 70, made his string of 70 while Martin was counting 77 in a game that went 73 innings.

In this evening's play Benton and Polton are matched even, and Hardin is to give Heney a handicap of 100 to 80.

## Basketball Results

At Corvallis: Oregon State 28, Montana 23.

At Champaign: Butler 33, Illinois 34.

At Columbia: South Carolina 34, North Carolina 32.

At Omaha: Creighton 32, Iowa State 26.

At Ottawa: Ottawa 47, Haskell 49.

## INTERCLASS BASKETBALL EDEN ATHLETIC FEATURE

EDEN, Feb. 4 (Special to The News)—Basketball games the last week for the Eden schools were confined to contests within the two schools—Wednesday evening two interclass games were played at the school. In these contests the Eden-grade school boys lost to the physical education class team of the high school, 15 to 10, while the Eden-grade girls walked off with the joint prize of an 18-to-0 score over the freshmen girls' team.

With read conditions becoming better each day, the local high school teams will meet the Kimberly boys' and girls' teams here on the home floor Tuesday evening.

## DRUNKENNESS FIGURES BIG IN POLICE REPORT

Arrests on account of drunkenness led the list in Twin Falls for the month of January, according to report of Ralph E. Leighton, police chief, submitted to the city council last evening. Ten persons were docketed on that score, the report showed. Violation of various ordinances caused four arrests; violation of traffic ordinance; 6; misdemeanors under state laws, 9. Fines and costs assessed in police court totaled \$145.65.

During the month, the report showed, the police investigated various complaints to 15 persons other than policemen. Two automobiles and two bicycles were reported stolen and one automobile and one bicycle were recovered.

## QUARREL ABOUT WAGES LEADS TO FISTCUFFS

FILER, Feb. 4 (Special to The News)—Dispute over a labor bill of \$120 which Clyde Hildreth is said to allege John O. DeKlotz owed him led to a fight, which was aired before a jury at the county court here yesterday.

Arthur E. Scholten here yesterday. The jury found DeKlotz guilty of battery and Justice Scholten fined him \$50 and sentenced him to serve 10 days in the county jail, announcing that in the event the fine should be paid the jail sentence would be suspended. DeKlotz indicated that he would appeal.

According to Hildreth, DeKlotz owed him for labor and he wanted a settlement and went to the DeKlotz home to get it. It was stated that DeKlotz demanded that Hildreth produce his time to substantiate his claim. It is alleged by Hildreth that after some debate DeKlotz struck him in the eye with out provocation. DeKlotz is alleged to have said he struck in self-defense as Hildreth placed himself in a position where if DeKlotz did not

## JANUARY FIRE ALARMS SET FOUR-YEAR RECORD

Volunteer firemen in Twin Falls were called out 11 times during the month of January, setting a new record for the last four years, according to a report received last evening by J. E. White, commissioner of public safety. The volunteers, who supplement the forces of the regular salaried fire department, were called out 10 times during the month to fight fires, and once for drill. There are six of these volunteer firemen, and each is entitled to payment of \$1 from the city treasury for each call to which he responds.

## WOOL MEN MEET TO MAP OUT PROGRAM FOR 1929

DENVER, Feb. 4 (AP)—Directors of the National Wool Exchange, Inc., gathered here today for their annual meeting to review the business of 1928 and map out a program for 1929.

Max Staff, Boston, president, said he considered the report for 1928 very encouraging and predicted a larger volume of business for 1929. He pointed out there was not enough wool grown in this country to supply the demand with the result that much was imported from New Zealand and South America.

Of the 11 directors on the board, three are from Montana and Wyoming and one each from Colorado, Utah, Idaho, and South Dakota.

Try a tin of Schilling tea + + + If you don't declare it the most freshly fragrant tea you have ever served -- your grocer will return your money instantly. Your statement is enough. You keep the tea. Fresh-tast! No other is like it for it's a Schilling secret.

**Chief officer Harry Manning says:**  
**"Reach for a Lucky instead of a sweet."**

"WHEN I climbed aboard the 'America' after those cold, strenuous hours getting the men off the freighter 'Florida,' there was nothing I wanted so much as a Lucky—By George, it tasted wonderful! A Lucky is always refreshing. My tense nerves relaxed, my aching throat was soothed and the whole thrilling adventure just seemed a part of the day's work. As time goes by, and I look back to that memorable night, I'll always remember the wonderful taste of that welcome Lucky. As I went around to visit the men we'd rescued, I found many of them enjoying Luckies, too. We really couldn't wait to get back to our ship and 'Luckies.' As an actual fact in returning to the 'America' I noticed one of our men \* rowing with one hand and lighting a Lucky with the other. There's no flavor to equal toasted tobaccos, and I always prefer Lucky Strikes. There's wisdom in the saying: 'Reach for a Lucky instead of a sweet.' It helps a man to keep physically fit and we who follow the sea must always be prepared for any emergency."

\*The man mentioned by Chief Officer Manning was Boatswain's Mate Aloys A. Wilson.

REACH FOR A LUCKY INSTEAD OF A SWEET.

LUCKY STRIKE CIGARETTES "IT'S TOASTED"

Note: Authorities attribute the enormous increase in Cigarette smoking to the improvement in the process of Cigarette manufacture by the application of heat. It is said that during the year 1928, Lucky Strike Cigarettes showed a greater increase than all other Cigarettes combined. This surely confirms the public's confidence in the superiority of Lucky Strike.

HIGH SCHOOL STUDENTS OF BUIHL PRESENT PLAY

BUIHL, Feb. 4 (Special to The News).—"Picking Up for Father," a jolting comedy in three acts was presented at the Buihl school auditorium Friday evening by an all high-school cast under direction of Miss Iva Gosselin.

It is not to be expected that any such relief will result from a general tinkering and patching program. Particular good will come from the addition of a tax or two here and there.

The Governor or by the Legislature, empowered to make a thorough study of the whole subject and backed by a sufficient appropriation to enable the members to give the matter the attention which it deserves.

Those who are following the course of events in Congress with respect to the cruiser bill will find an interesting sidelight upon the subject of war and armament in the remarks of Senator Borah in support of the Pact of Paris.

ORPHEUM THEATRE

One Night Only Thursday, Feb. 7 "The Best in Spoken Drama" Hillman's Ideal Stock Co. Presenting a Play of Marriage, Morals and Money "THE GIRL FROM HOME"

What we will, we must depend upon the "big" word.

There is just the same honor, the same binding obligation, and the same good faith behind an agreement not to go to war under any circumstances.

It has been intimated that it is easier to buy the position for us, and easier to direct the passions for the pacifist, than it is to mobilize the passions for peace or the passions for adjustment.

One of the ways to do it is to have the "tax" paid by the person who is to be benefited by it.

HIGH SCHOOL NEWS

Friday noon at 1 o'clock the high school band will give an assembly. All students interested in selling tickets for "The Lady of the Verraco" are to meet in the auditorium during the advisory period Tuesday morning.

The Forum club will meet Tuesday night. Students having second-hand books in the book exchange are requested to call in the library to see if their books have been sold.

The J. O. Y. club cabinet had a "hot lunch" dinner at the home of Miss Harriet Throckmorton Monday evening.

Both art groups will meet with their parents at the high school on Tuesday night. The captains were requested to be present to work out a new schedule after practice.

The Lenox-R-Hand club will meet Tuesday night, Stanley Matthews president.

Community Church Ladies' Aid will meet Wednesday afternoon, February 6, at the home of Mrs. Mart Dean, 592 Second avenue east.

International Relations group of the Business Women's club will meet Tuesday night, February 5, at the home of Mrs. Mart Dean, 592 Second avenue east.

SOCIETY

Members of the J. D. R. Bridge Club were delightfully entertained at a club party given by Mrs. H. J. Leach at her home on Poplar Avenue, Saturday afternoon.

A meeting of the Shamrock Parents' Association was held Friday evening at the school house. The county unit system was the subject for discussion.

# THE SAFETY OF THE NEW FORD

**SAFETY**, comfort, reliability, economy, speed, acceleration, beauty—these are the features that make the new Ford such a good value. Of all, there is none more important than **SAFETY**.

The safety of the new Ford comes not only from its efficient brakes, but from many other factors. Among these are ease of steering and control, the Triplex shatter-proof glass windshield, and the sturdy, balanced construction of the car. This includes the enduring quality of mechanical parts as well as the structural strength of the body.

A particularly interesting feature of the Ford car is the manner in which electric welding has been carried forward to new usefulness through the creation and development of hundreds of special machines.

*Electric welding gives simplicity and strength*

This very important and increasingly valuable tool of modern manufacturing makes it possible to use one-piece units instead of several parts riveted or bolted together, with resulting gain in strength and simplicity.

Electric welding also permits the use of steel forgings instead of castings or stampings, without increase in weight or greatly increased cost.

Steel forgings are used not only in the front axle, steering gear, transmission, clutch, drive shaft and rear axle housing of the new Ford, but in the shock absorber parts, the emergency brake lever, the torque tube flange, and everywhere else where

great strength is required. The strength of forgings makes for unusual safety.

Another safety factor worth noting is the manner in which the new Ford holds the road at all speeds. This is due to the low center of gravity, the carefully planned balance or distribution of structural and mechanical weight, and the low ratio of

*Beauty and utility are combined in unusual degree in the new Ford. Shown here is the Ford Coupe—an especially good car for the woman driver because it is so safe and reliable and easy to control.*

unsprung weight to sprung weight. The co-ordinated action of the transverse springs and Houdaille hydraulic shock absorbers controls exaggerated bouncing.

*All six brakes are fully enclosed*

One of the outstanding features of the new Ford, of course, is its mechanical, internal-expanding six-brake system. This is unusually reliable and effective because the surfaces of all six brakes are fully enclosed. There is no possibility of water, dirt or oil interfering with brake action under any conditions.

The silence of these brakes is another thing you will appreciate. Screeching and groaning have been eliminated by a special self-centering action—an exclusive Ford development which brings the entire surface of the brake shoe in uniform contact with the drum the instant you press your foot on the pedal.

The value of the protection afforded by the Triplex shatter-proof glass windshield of the new Ford is shown by a recent survey indicating that 65% of injuries in automobile accidents are due to flying glass. The windshield in the new Ford is so made that it will not shatter under the hardest impact. Particularly where there are women and children, it is an important safety factor.

Ease of steering and control are additional factors in the safety of the new Ford. The steering gear is what is known technically as three-quarter irreversible. This means that the bumps and jolts of the road are fully absorbed by the wheels and steering mechanism of the car and are not transmitted to the hands of the driver. A slight touch is sufficient to guide the car. Yet you always have that necessary feel-of-the-road.

The ease of shifting gears, quick acceleration, abundant power and full vision in every emergency, and full vision front, side and back, are other points to remember in considering the unusual safety of the new Ford.

**FEATURES OF THE NEW FORD**

*Mechanical, internal-expanding six-brake system—with braking surfaces of all six brakes fully enclosed. Silent operation is another feature.*

*Eleven body types and choice of a number of colors in every body type except the Station Wagon*

*Four Houdaille hydraulic double-acting shock absorbers*

*Triplex shatter-proof glass windshield      Vibration absorbing engine support*

*Alumite chassis lubrication      Quick acceleration*

*Reliability and economy      55 to 65 miles per hour*

*Beautiful low lines      Smoothness at all speeds*

WHEAT VALUES RISE ON MART FOR GRAIN

Closing Quotations on Bread Cereal Firm 1-4 to Half Cent Higher; Corn and Oats Off

CHICAGO, Feb. 4 (AP)—With world shipments of wheat about the largest on record, and yet supplies ahead for Europe smaller than a year ago, wheat values today advanced. A larger decrease than had been looked for in the United States wheat visible supply, together with about an additional million bushels over India, as well as over eastern and southern Europe, tended also to lift the wheat market.

Word of Export Activity Word of export activity at Winnipeg and of adverse crop conditions affecting India and much of Europe helped give the market today a bullish bias. Trade authorities contended that from all the data available world import needs this season are above any previous experience. Late advices told, too, of a shift in Nebraska and of 2,411,000 bushels falling off in the United States wheat visible supply.

Table with columns: Wheat, Corn, Soybeans, etc. and rows for various grades and prices.

CASH GRAIN CHICAGO, Feb. 4 (AP)—Wheat: No. 2 hard \$1.17; No. 3 hard \$1.15; No. 4 hard \$1.13; No. 1 mixed \$1.05 to \$1.04; No. 2 yellow \$0.94 to \$0.92; Oats: No. 2 white \$0.74 to \$0.73; sample grade \$0.70 to \$0.69.

The Treasure of the Bucoleon

By Arthur D. Howland Smith

And the wreathed Nike sprang from his sacred infant to probe the Levantine, and carried him off to a corner, among with Vasillevech, a situated, old man, with a harsh, disquieting stare. Him, after a long round, joined the gorilla-like Italian, who was flogging the pages of a review on the table, with occasional muttering phrases - about the post-Master. The review was dealing with the prospects of the racing game to Hugh, and I was left by process of elimination to entertain the Countess Sandina Vasillevech.

"The invitations are out to the smartest wedding of the season." "Are you one of the exclusive set who will receive one?" "Our ancestors were fond of that sort of thing. They loved excitement and this meant to us that those who were invited were the smartest." "This is just the kind of room to house, some wonderful secret and perhaps a tragedy."

"I thought," I thought to myself, "you may not be able to speak English, but you ought to be able to read it." "The girl went to an under-tone to Mrs. Hilger and she nodded." "Fascinating as your room is, I am afraid we must leave you, Lord Chesley," she called over to him. "Signo Teodoracchi had just reminded me we have to put him on the London train before we drive home."

### COUNCILMEN DIRECT THOUGHT TO SOLVING OF GARBAGE PROBLEM

#### City Must Pay to Get Satisfactory Service, Commissioners Agree; Contract Period Opening in Fall Suggested

Garbage removal in Twin Falls real-estate districts will cost more money next year than last and it will be more effective, officials advised by members of the city council during an informal discussion at their meeting last evening in council place.

The discussion grew out of the refusal of L. A. Chappin, commissioner of finance and acting mayor, to approve payment of the bill for \$123 that Clark Tipton presented, under his contract for hauling garbage during January.

Terms of the contract were accepted by the councilmen, and it was agreed that it had been broken by the contractor in several places.

Members of the council did not attempt to evade responsibility for the situation that was developed.

"We will get nothing for nothing," the finance commissioner declared, summing up one phase of the discussion. "I will not be asked to pay for the part of the councilmen that the city should not expect to have the garbage hauled for less than that to the contractor in several places."

Suggestion seemed to meet with favor that the contract next year should not be let to get into the hands of the contractor for less than a reasonable estimate of the actual cost.

"The councilmen are also that the contract year should begin in November rather than in June, and this proposal seemed to find favor with the council."

### Willie Willis BY ROBERT QUILLLEN

#### Darned Old Fifteenth Problem

"Hidin' you on the head with a pen-darned old 'fifteenth problem'."

Receipts of \$31,239.78 and disbursements of \$10,719.27 during the month, according to report submitted by Charles M. McEwan, city treasurer. Expenditures included on account of the general fund \$7462.60; street sprinkling \$75.13; interest and sinking fund \$300; warrant redemption, \$10,002.25; street lighting, \$897.20; public library, \$700.

**Figures on Water Bills**

Waterworks department reported \$234.29 collection of water rentals during the past month with \$3806.70 water rentals receivable for the current month.

Collection of 1028 local-improvement district and street sprinkling tax assessments totaled \$2180.13 during the month, while during the same period there was collected \$746.63 of 1027 local-improvement district taxes.

Licenses of seven plumbing permits and one sewer application was reported by Alex W. Murray, plumbing inspector.

Fred P. Williams will operate a second hand store at 305 Shoshone street, heretofore known as "Dan's Place," under license approved by the council last evening.

The council approved \$500 bond furnished by H. J. Coyle appointed police patrolman last January 1.

### Change in Hour For Filer Dairy School

**FILER, Feb. 4 (Special to The News)**—The hour for holding the dairy school in the Filer rural high school has been changed from 7:30 P. M. to 8 P. M. It was announced last night by H. H. Stucky, agricultural instructor, and will continue to meet at that hour for the rest of the week. It was found that the hour 7:30 was inconveniently early for many farmers, so the time was set back half an hour. L. K. Baum, Emmett, continues to conduct the school.

### CHAMBER ON RECORD AS OPPOSED TO GAS TAXATION INCREASE

#### Directors Declare 4-Cent Levy Enough and Call For Return of Part to Counties Paying Bill; Oppose Budget Law

Sentiment reflected in a resolution adopted last evening by Twin Falls Chamber of Commerce directors is distinctly opposed to any increase in Idaho's four-cent gasoline tax, and, at the same time, it demands return of a portion of the gas tax revenue to the counties in which it originates.

This resolution is to be forwarded to members of the Idaho legislature at the Twentieth session of the state legislature, along with other recommendations agreed upon at last evening's meeting in which the chamber's directors were joined by a number of county officials for reconsideration of legislative affairs.

The directors went on record again in reaffirmation of opposition to "nuisance taxes" previously expressed in reply to a state chamber of commerce referendum.

They registered approval of such alterations in the county budget law as were brought to their attention at this meeting by C. C. Ware, member of the board of county commissioners, and Harry C. Parsons, county auditor.

**Coina County Money**

One provision of the budget law, Mr. Ware told the meeting, is costing Twin Falls county \$1000 a year, and he explained, is the budget law provision fixing the beginning of the fiscal year in April, three months after the opening of the calendar year. During this three-month period, he stated, the county is required to issue deficiency warrants which bear 7 per cent interest.

Mr. Ware joined the county auditor in urging recommendation of amendments to the budget law that would advance the time for making the budget from April to September when tax levies are made up.

He asked also for provision for a revolving fund for the county weed bureau, out of which the bureau might make immediate payment when necessary for purchase of salt or chemicals that are purchased in car-load lots for use in the weed war.

In conclusion Mr. Ware called for promulgation of an application of the budget law to all taxing units.

In order, he said, to prevent one unit from absorbing savings that might be made by another unit under the budget law.

**Score: Assumption Gain**

Distribution of power plant tax assessment on basis of transmission line mileage would increase Twin Falls county's assessed valuation by a quarter million dollars, and if the distribution were made on a basis of distribution line mileage, the county would receive a half million dollars in assessed valuation. Claude Stewart, county assessor, told the meeting.

Bill drafted by the Stewart to provide for the proposed change in the method of distributing power plant tax assessments is to be introduced at the present legislative session.

### FRIENDS PAY RESPECTS TO MISS CATZ'S MEMORY

An assemblage that overflowed the Drake funeral parlors chapel at funeral services yesterday afternoon for the late Miss Celia Catz, resident of Twin Falls since 1911 and an outstanding member of the Rebekah lodge, bore eloquent tribute to esteem in which she was held throughout this community.

Members of the Rebekah lodge attended in the body and conducted ritualistic services of the order in the chapel. Rev. Arthur G. Pearson of the Presbyterian church, delivered the funeral sermon, latching on to the theme of the text, "Death is swallowed up in victory."

Mrs. H. W. Wallace and Mrs. F. F. Bucken saw "My Faith Looks Up to Thee" and "Jesus Lover of My Soul."

Ritualistic services of the Rebekah lodge were conducted by Mrs. Effie Watkins, past president of the Idaho state Rebekah assembly, acting noble grand; Mrs. Annetta Mahnen, vice grand; and Mrs. Myrtle Price, chaplain.

Members of the Rebekah lodge and of the Business and Professional Women's club, serving as honorary pallbearers, were Miss Elizabeth Drake, Miss Eva Driskell, Miss Blanche Walker, Miss Myrtle Anderson, Mrs. Ella Giffler, Mrs. Ella Cogswell.

Active pallbearers were Charles O. Brockstedt, S. C. McAuley, M. H. Tule, W. B. Hoag, Mr. Raymond and T. J. Lloyd.

### BUSH GETS LIBERTY ON BOND PENDING APPEAL

Cleo (Bill) Bush, sentenced by Judge W. A. Babcock in district court here yesterday heard an additional installment of evidence in the suit of E. E. Converse, Walnut Grove, Minnesota, against his brother, Norton Converse, involving right to possession of farm land which Norton Converse has held for some years past.

Introduction of evidence on the part of the plaintiff E. E. Converse was completed during the day, and Norton Converse, defendant, was of the witness stand when adjournment was taken. Hearing will be resumed this morning.

Order for the jury to be in attendance on the court yesterday morning was countermanded, and it was stated, the jury probably will not be called back before February 18.

Notice of appeal was filed by W. L. Dunn, attorney for Bush, immediately after Judge Babcock pronounced judgment.

### LIBERTY MARKET GOES TO STAR PLANT OWNER

The Liberty Market and Grocery, Twin Falls, was sold in course of bankruptcy proceedings to C. B. Janis of the Star Packing plant, Twin Falls, in the federal district court in Boise yesterday, according to word received here last evening.

News Want Ads reach the people you wish to reach.

### BUSINESS WOMEN'S CLUB OBSERVES "DOLLAR" DAY

Twin Falls Business and Professional Women's club at a dinner meeting in the club room last evening voted to purchase a new piano for the club room and to give a "colored party" later in the month. It was the annual "dollar" day of the organization, the members telling how they earned the donation.

A musical program was given by the Blue Triangle and the G. O. Y. clubs of the Twin Falls high school. In addition to this talks were made by Dorothy Evans and Helen White. The Young Women's Christian association work was presented to the members by Miss Elsie Sull. Guests of the club were Mrs. L. O. Rice, Denver, and Mrs. W. R. Weeden, Twin Falls.

### COURT DECLARES CLAIM FOR LOSS OF LEG VALID

Verdict heretofore made to collect \$7000 damages and \$350 costs awarded to L. J. Bower from the Harris Manufacturing company, stockholders of California, were declared valid, and the company's application for a new trial was denied by Judge C. C. Cavannah in federal district court at Boise yesterday, according to word received last evening at the offices of J. R. Botwell and W. Orr Chapman, attorneys for Bower.

Bower was awarded damages at trial in the federal court last September on his claim for loss of his leg while assisting an agent of the company to repair a bean harvesting and threshing device in Twin Falls county.

Judge Botwell appeared in the federal court yesterday in opposition to the company's motion for new trial.

### ROTARY PLOWS TO MEET ON POCATELLO HIGHWAY

Two modern rotary plows will meet on the state highway between American Falls and Burley about noon today unless something unforeseen should cause delay; it was learned here last evening. The Boise plow has resumed operation to and from the capital.

The westbound rotary from Pocatello was reported this side of Massacre Rock and the eastbound one had gone east of Burley. A rotary truck was at work between Burley and Oakley, plowing through the softening drifts along the road to that town.

Another crew returned yesterday to endeavor to open the north and south road this side of Murtaugh to traffic both ways. It is now open to traffic one way, but cars cannot pass. The crew now at Murtaugh will be here in about two days it is stated and will then get to work on the highway south and through to the Salmon.

### LITIGATION BETWEEN TWO BROTHERS BEFORE COURT

Judge W. A. Babcock in district court here yesterday heard an additional installment of evidence in the suit of E. E. Converse, Walnut Grove, Minnesota, against his brother, Norton Converse, involving right to possession of farm land which Norton Converse has held for some years past.

Introduction of evidence on the part of the plaintiff E. E. Converse was completed during the day, and Norton Converse, defendant, was of the witness stand when adjournment was taken. Hearing will be resumed this morning.

Order for the jury to be in attendance on the court yesterday morning was countermanded, and it was stated, the jury probably will not be called back before February 18.
