### BOURBOONS CHARGING LEADERS IN SENATE WITH LACK OF FAITH

Senator Robinson Delivers Attack After Watson, Indiana, Proposed to Leave Debutante Plan from Bill

(By The Associated Press) WASHINGTON, April 26.—Administration leaders, moving in the senate to eliminate the export decontrol plan from the tariff relief bill today, charged them with falling to keep faith with the principles they advocated before the last election.

Senator Robinson, Arkansas, the Democratic leader, who was the vice presidential nominee of his party in 1912, after Senator Watson, Indiana, the Republican leader, proposed to eliminate the decontrol plan from the tariff measure under consideration in the senate.

McNary, who like Watson strongly supported the fee provision which twice caused former president Coolidge to veto the McNary-Haugen bill said he would oppose "both the equalization fee and the decontrol plan because he would want a bill passed and signed at this session which I believe will be beneficial to agriculture."

### WANTS BENEFICIAL BILL

"If I understand the senator from Oregon correctly," Senator Robinson declared today, "the decontrol plan is the equalization fee and the decontrol plan because the administration—I presume he means the president—has opposed them both, that correct?"

"I stated very plainly that sometimes you must forego your views in order to get legislation," he said.

"Yes," the Arkansas senator came back, "but we have been dealing with this question for 12 years and on every session we say, 'if we do not do anything now we will do something some other time.'"

"Robinson declared he understood that Senator Watson 'wants to perpetuate it.'"

"It does not make any difference to the senator from Indiana whether the equalization fee fails or succeeds," Robinson said, "so long as the farm relief legislation is in the pocket of Congress."

### Superstitious-May Point to Kansas City Case to Show How Mishaps Come

KANSAS CITY, April 26.—Disasters come by threes, say the superstitious and they may point today to the case of Paul A. Sutermeister, 48, who died of blood poisoning here.

Last summer, Sutermeister's only son, Paul Curtis, 20, was found shot to death in the family motorcar on Highway 40 miles east of Fulton, Missouri.

### ENGLISH SYNDICATE BUYS DAHO CLAIMS

Deal Calls For Expenditure of \$12,000,000 Payable During Period of Years

LEWISTON, Idaho, April 26.—The Tribune will say in its morning that its Grangeville Idaho correspondent has learned on "unimpeachable authority," that an English syndicate has contracted to purchase 12 mining claims in the Lucile district for \$12,000,000 payable over a period of years.

The paper says that the papers have been turned over to the auditor of Idaho county, and completion of the deal is dependent upon the receipt of the power of attorney from one of the seven English purchasers, whose names were not included in the contract.

Under terms of the contract, the paper will say, 12 claims—owned by A. L. Hooper, F. S. Bassett, Louis W. Wakerley, Albert E. Wakerley, Spokane, and three others who were included in the deal. They are located near Lucile, in the Salmon river county, near the scene of the great gold rush into Idaho immediately after discovery of the metal in this state in 1861.

### WILLET HANCE DIES AFTER 18 YEARS IN TWIN FALLS AFFAIRS

Popular Prominent Figure in Magic City Business Circles Answers Summons Following Long Illness

Willet Hance, president and manager of the Lincoln Produce and Refrigerating company, one time president of Twin Falls Chamber of Commerce and for nearly 18 years a prominent figure in Twin Falls business circles, died at 2 P. M. Friday at his late residence, 253 Seventh street, after a long illness. He had been under treatment for some time at Hot Lake, Oregon, sanitarium. Mr. Hance was 66 years old.

Definite arrangements for funeral services had not been completed last evening, but it was announced, the service of the Episcopal church will be held at the family residence, and Twin Falls commandery, Knights Templar, will conduct its ritualistic service at the graveside in Twin Falls cemetery. The body will rest in the family home today.

Prior to coming to Twin Falls in May, 1911, Mr. Hance was associated with the H. J. Heinz company for 16 years, serving as assistant manager at Philadelphia and Pittsburgh, the latter manager at Chicago. He came from Chicago to Twin Falls. He was employed on the Philadelphia Inquiry before he became associated with the Heinz company. He came to Twin Falls to assume active management of the Lincoln Produce and Refrigerating company in which he had made investment while living in Chicago, and the affairs of that institution have made heavy demands upon his time and attention. During the last five months since falling health compelled Mr. Hance to retire from business, he had been devolved upon his son, Willet Hance, Jr.

Mr. Hance was born November 24, 1863, in Easton, New Jersey, the son of David and Rebecca Warren Hance. His early manhood spent in Philadelphia. On January 14, 1886, he married Miss Florence M. Hance, who died in Philadelphia, Pa. He received by his widow and heirs, son, and four children, a large real estate interest in Philadelphia, including the Philadelphia Orteridge Dart and Miss Helen Stone, bill of Pemberton, New Jersey, and Mrs. Norma Adams of Philadelphia.

Mr. Hance was a member of the Episcopal church, retaining membership in his old home at Pemberton, New Jersey.

"He was a member of the Masonic lodge at Vincennes, New Jersey; Twin Falls chapter, Boy Scouts; Moose lodge in Easton, New Jersey; the Phylax and Eklorka Temple, Boise, Myrtle Shrine. He was also a member of Twin Falls Lodge of Elks.

Until falling health curtailed his activities, Mr. Hance played a prominent part in community and civic affairs, and served in 1915 and 1916 as president of Twin Falls Commercial club, which was then an active organization representing all of Twin Falls business interests.

### JUSTICE STONE MAY GUIDE COMMISSION

President Hoover Attempts to Persuade Jurist to Lead in Investigations

WASHINGTON, April 26.—Associate Justice Harland Fiske Stone of the United States supreme court, will be chairman of the national law enforcement commission if President Hoover can persuade him to undertake that mission.

Justice Stone declined to accept appointment to the Hoover cabinet as that would have meant his retirement from the bench of the highest court in the land and he has only four years ago, and information is that he is reluctant to direct the forthcoming study under reorganization of the federal judicial and enforcement machinery.

Whether appointment to the commission would involve resignation of supreme court justice apparently is not quite clear, some holding that it would and others that it would not. There are seemingly well founded reports that Chief Justice Taft, who long has urged wholesale reform in the federal judicial system, and who is an adviser of the president, looks with disfavor upon the appointment of Justice Stone.

Justice Stone said in response to inquiries of newspaper men that he was not considering the matter of the appointment.

President Hoover is far from giving up hope of obtaining the services of Justice Stone, who is the youngest member of the supreme court.

The chief executive is understood to have made plans for the only formal preliminary lawyer group consideration, but final selections likely will await the choice of a chairman. Among persons who are being considered for the inquiry is Circuit Judge Nathan

### ROADS ENTER NEW NEVADA MINE FIELD

#### Twin Falls and Hollister Investors Organize McCoy Consolidated Company

The McCoy Consolidated Mines company, organized at a meeting of stockholders at McCoy, Nevada, last Wednesday, and composed largely of Twin Falls and Hollister investors, is a recent factor making for advancement in the McCoy mining district where sensational developments are expected in the immediate future.

With 2000 acres of highly mineralized ground in its possession, the McCoy Consolidated company has been incorporated with authority to issue 1,200,000 shares of stock of \$1 par value. Two buildings already have been completed, at the property and arrangements are being made for sinking of a shaft at the junction of two fissures with a well marked ore vein. The property is situated at a higher level on the ore body covered in the original McCoy property where a vein is reported to have been uncovered that is 19 feet in width and assays better than \$70 to the ton in gold.

Twin Falls Man President  
 Organization of the McCoy Consolidated company was perfected with the election of Charles H. Krenget, Twin Falls, president; Charles E. Caldwell, McCoy, secretary and treasurer; J. R. McCoy, Hollister, vice president; A. E. Caldwell, Hollister, second vice president; R. A. Brown, Twin Falls, is the fifth member of the board of directors.

Recent developments in the McCoy district are rated as outstanding in the Nevada mining field. In this regard, R. A. Brown, mining engineer, in an article published in a recent issue of the Battle Mountain, Nevada, Scout, says: "The new strikes in the Battle Mountain district, near and above the old workings, have attracted wide attention. The two most recent strikes are the Showdown, seven miles north of Battle Mountain, and the McCoy, 30 miles south of Battle Mountain."

The McCoy mines, under the management of W. Newell, has been developed to the 100-foot level where the vein is 19 feet wide and assays better than \$70 per ton in gold. Two shafts are now being sunk on development. H. Brown, Mount Shasta City, California, who is financing the McCoy, has been here for two weeks.

Camp Coming to Front  
 "Camp McCoy is coming to the front in a substantial way. Bunk houses and a boarding house are being built near the Bell Telephone company has just completed a telephone line connecting with the Battle Mountain-Austin telephone system. A 20-mile road is being completed by the McCoy area showing the extensiveness of the Battle Mountain mining district. McCoy is high in gold, while the Snowdrift is a high grade silver lead producer. With the showing made, there should be a wonderful activity in the Battle Mountain district in the future."

### HIGH SCHOOL NEWS

The high school was given an assembly at 1:30 P. M. yesterday. The junior high school had the same assembly at 11 A. M. April 26. Students of deaf and blind school at Gooding played and sang. A deaf girl danced while a blind boy played piano accompaniment. The orchestra was composed of three boys, one playing the piano, one the cornet and one the saxophone. A girl played the drums. Principal U. M. Terry introduced the students and R. V. Jones thanked the students for their part. The assembly was turned over to the yell leaders, for a pep session for the track meet. The yell leaders were Frank Clark, Leavitt Craven, Able Holbeck and Harry Jennings. Milton Pellam and Bill Morgan were called upon to play the saxophone and piano respectively. Announcement of the track meet to be held Saturday at Lincoln Field was made and the boys entering were asked to stand up.

After the junior high school assembly in the morning the Gooding students were entertained by the following students over the open hour: Dorothea Green, Gaylene Olsen, Clara Mae Bowler, Janet Groome, Janet Felt and Betty Vichew.

The following girls are members of a committee which will sell ice cream cones at the track meet Saturday: Harriet Martin, Helen Pipes, Hazel Sweet, Margaret Hethers, Alice Walter, Bernice Lang, Margaret Schmidt. The proceeds will go to the Blue Triangle camp club.

The Girls' Athletic Association met for a short meeting Friday morning during advisory. Fern Wirth, president, took charge. The pins which had been ordered were discussed. Plans for a hike next week were made and Vera Erickson was appointed chairman of a committee to arrange for a picnic.

A tennis meeting was called Friday morning for the girls who have signed up for the singles. The girls were asked to play the first round by Monday. Three sets will determine a match. Boys doubles will start next week.

Boys meeting was postponed until the eighth period Monday on account of the absence of Principal U. M. Terry who will speak. A principal substitution will be a reading by Miss Dorothy Call.

A band concert will be held Wednesday to raise funds for the band to go to the state contest at Boise.

### The Weather

FORECAST FOR TODAY: Fair, slightly lower temperature.

Higher temperatures prevailed in Twin Falls yesterday for the fishing season to the 63-degree mark, according to the weather observer. The increase was 8 degrees over Thursday's maximum. The minimum temperature was 40 degrees, 3 degrees above the previous day's low mark.

### Upper Rock Creek To Be Open Above Siphon This Year

Rock creek will be open from the siphon to the fishing season which opens May 15 instead of from the siphon to the old Rock creek post-office as heretofore. It was announced by R. T. Hughes, state game warden, in a letter received here yesterday by the Southern Idaho Fish and Game Association, which had asked this extension. Warden Thomas also granted the request that Slaughterhouse creek from the Jaaks [sic] [sic] [sic] to its source be opened on the date named. This stream has been entirely closed for several years.

Members of the Fish and Game association say that they requested the opening of the upper part of Slaughterhouse creek in order to give women, children and old folks who want to walk a short distance to fish an opportunity to do so and ask that regular sportmen refrain from opening this limited field.

Rock creek from the siphon to the mouth remains closed as it constitutes a natural runway for fish from the hatchery and furnishes a water course through which it is hoped to help stop the Snake river. To allow fishermen to do this might entail the supply of your fish, it is stated.

The Snake river will open May 6 from the Minidokas dam to the Elmore county line. May 6 to 10 days before the other streams of the state.

### Lewis Wins From Moore By Decision

### Twin Falls Batter Pays Price For Failure to Solve Long Arm Defense

Rocky Moore, Twin Falls, failed to solve the problem of getting around a long, dark left arm and so lost the fight to Alvin Lewis, Pocatello, in a 10-round boxing bout that headlined Twin Falls American Legion post's seventh and last boxing card of the season on at Pleasure rink last evening. The bout was announced as a contest for the lightweight boxing championship of Utah and Idaho.

In addition to the main go, the crowd about the ringlets last evening saw three four-round bouts, a semi-final that ended in the first round when Dwight Jeffries, Hazelton, took the decision after Jesse Strange, Salt Lake City, landed a prohibited blow to the kidneys, besides a hilarious battle royal staged by six youngsters.

Takes Punishment  
 In repeated attempts to break down the troublesome left arm defense, Rocky laid himself open to a good deal of punishment, but none of it seemed to take effect. The colored boy used his left arm almost entirely for the purpose of keeping Rocky at a distance, occasionally jabbing with it to land light blows on Moore's chin and left eye. His most effective blows were delivered with the right, most of them landing on his opponent's back and neck.

Moore Off Form  
 In his failure to break down the colored boy's guard, Rocky betrayed the effects of nine battles during the last three months, while he carried the fight to Lewis in practically every round, he showed virtually none of the form that made his second battle with Bud Travis, one that is commonly rated as the best of the series.

The decision was not unanimous on the part of the judges. One judge gave Lewis the second, third and fourth rounds and gave Moore the eighth and ninth, counting the others even. The second judge gave Lewis the second and third rounds and Moore the eighth, scoring no advantage for either in remaining seven rounds, and the third man gave Moore the fourth and fifth rounds, counting eight rounds even.

Strange's unfortunate blow that stopped the semi-final bout, came early in the first period when Strange made a rush after a furious exchange of blows that marked the opening of the fight.

Lucky Moyes, Twin Falls, 134, and Ted Knapp, Huson, 139, battled through four rounds to a draw that was well received by the crowd.

Ken Backlund, Downey, 90, won the decision over Young Craig, Twin Falls, 87, scoring with his superior skill as Joe Gilman had that a Durah, intro-

BURLEY, April 26 (Special to The News)—Forty Oakley valley people assembled at the banquet table at the commercial club meeting Wednesday evening at Oakley. County Agent W. M. Palmer and L. H. Sweeter were present from Burley and addressed the club.

It was decided to hold a Black and White Holstein dairy day at Oakley May 22. The club agreed to sponsor the meeting and committees were appointed to provide food and entertainment. It was announced that outside dairy specialists and breed representatives would be present and give talks on dairying subjects.

A committee was appointed to investigate the possibility of irrigating the lands lying between the Oakley project and the Mintoka tract, and also a committee to cooperate with the management of the county fair.

**Two Men Face Charges Of Drunken Driving**

Walter Hagar and Sandy Howell, both of Kimberly, are alleged to have been companions on a wild ride through Twin Falls streets Thursday afternoon when the automobile in which they were riding is said to have collided with another machine on Shannon street south and then careened into three other automobiles, parked at the curb.

Complaints charging Hagar and Howell with driving an automobile while intoxicated have been filed in the probate court here, and, on arraignment yesterday, both pleaded not guilty. Each was admitted to \$500 bond pending trial which was set for 10 A. M. next Tuesday.

**Joseph Allen Goes to Final Rest at Burley**

BURLEY, April 26 (Special to The News)—Services for Joseph A. Allen, 74, well known Cassia county resident, were held from the undertaking parlors of E. J. Johnson Thursday afternoon. Allen had been found dead in his room at a local hotel, with a bullet wound through his head. A coroner's jury returned a verdict of death from self-inflicted wound.

# Carl Jark Sets New World's Discus Record at Des Moines

## West Point Athlete Beats Old Distance For Platter Throw

### Star of Military Academy Wipes Out Former Mark at Drake Relay by Heave of 158 Feet 3 Inches

By CHARLES W. DUNKLEY (Associated Press Staff Writer) DES MOINES, April 26.—A strapping 200-pound named Carl Jark, wearing the colors of the United States Military academy, came back to the corn belt today to set a new world's discus record of 158 feet 3 inches in the preliminaries of the Drake relay carnival.

Jark beat the former world's record, established by Clarence (Bud) Houser, University of Southern California, in 1925, by one inch and a quarter.

The West-Pointers, making their first appearance in track competition west of the Mississippi, qualified three men for the finals tomorrow.

"Buck" Grant, Utah's versatile performer, was the only representative of that Western state to qualify in the preliminaries of the twenty-first annual Drake relay carnival here today.

The Utah star placed second in the highest heat of the 120-yard high hurdles, leading the leader to the tape in a 15 3-10 race. Grant also was one of the six competitors to qualify for the finals in the high jump, clearing 5 feet 11 1/2 inches.

BIRLINGHAM STARKS AT PENN PRINCIPALS FIELD, Philadelphia, April 26 (AP)—Barney Berlinger, Pennsylvania's all-round star, won the intercollegiate decathlon championship today with a performance that broke the Penn relay carnival record.

Chancellor's performance was 7298.07. This surpassed the former carnival record of 7265.57, made in 1927 by Vernon Kennedy, Missouri star, but fell short of the American and World marks. Churchill's total was 7163.928.

The young Penn star's victory was the outstanding achievement in the opening day of the two-day relay carnival, which saw Pawo Nurmi break the American outdoor mark for 2 miles in 9:15 2-5 and major college relay victories here to Ohio State, Pennsylvania and New York university.

Running on a track slumped up considerably by heavy rains, old man Nurmi gave the crowd of 25,000 a fine exhibition all by himself as he romped away from six little known rivals, but his famous Finn fell far short in his attempt to touch the world's outdoor record of 9:01 2-5 held by Edwin Wide of Sweden.

## High School Teams Ready For Test In Sub-District Meet

Conditions Favor Twin Falls Event Favor Record Performances by Over 75 Track and Field Athletes

Aided by ideal weather and track conditions more than 75 athletes of seven south Idaho high schools will strive for new records as well as point-winning places in Twin Falls sub-district meet at Lincoln field today.

With fair weather promised and a "fast" track prepared, the array of contestants entered in the various events should give stellar performances.

Winners of first and second places in the sub-district meet will compete in the district meet to be held here next week.

R. V. Jones, Twin Falls coach, announced yesterday that three-fourths of the boys would not be entered in the meet because of the state athletic board's ruling limiting students to eight competitors of competition.

Preliminaries for the 100 and 200-yard dashes, the 120-yard high hurdles and the 22 1/2-hurdles are slated to start at 10 A. M., with the finals for all events getting under way at 2:30 P. M.

The events, athletes and schools for the sub-district meet, as announced yesterday, are as follows:

100-yard dash: Conrad and A. Downey, Castleford; Piler and Purley, Kimbly; Smith and Powers, Filley; J. Cannon, Hays; Ballard and Ullis, Kimbly; G. Smith and Bates, Twin Falls; 200-yard dash: Conrad and Burke, Castleford; Bates and R. Smith, Hays.
