REVISED TARIFF TO INCREASE RECEIPTS ABOUT \$90,000,000

Chairman Smoot of Senate Finance Committee, Estimates Amount of Income Will Total \$65,498,469

By D. HAROLD OLIVER (Associated Press Staff Writer) WASHINGTON, Aug. 20.—Estimates made public today by Chairman Smoot of the senate finance committee placed the receipts under the committee revised tariff bill at \$65,498,469, a decrease of approximately \$40,000,000 over estimated revenues from the house rates, but an increase of about \$90,000,000 over existing collections.

The Utah senator estimated receipts under the house measure at \$64,014,546 and those under the existing law at \$51,891,044.

Of 431 changes in house levies approved by the finance committee Republicans, Smoot said 254, or 59 per cent, represented increases. He gave the average projection of 10 of the 15 rate schedules that make up the bill had been adopted, and that they had contained "slight increases."

Many affect commodities. The chairman further estimated that 13 per cent of the 177 increases approved by the committee majority would be related to 45 cents a pound by the house tariff of 2.40 cents, is an increase of 44 hundredths of a cent over the existing rate.

Canein also was cited. This commodity, a by-product of skimmed milk and listed in the chemical schedule, would be raised to 45 cents a pound by the committee bill, from 2 cents under the present law. Farm organizations have denounced a higher duty, while New England paper manufacturers have urged a case for coating purposes. New England estimated total revenues under the committee rates in the chemical schedule at \$28,107,842, as against \$27,654,703 in the house bill and \$27,654,400 under existing law.

He figured the revenues of other schedules as follows: Earthen, earthenware and glassware: Committee rates \$9,807,860; house \$31,129,659; present law \$25,802,163. Metals and manufactures of: Committee rates \$39,214,791; house \$41,729,431; present law \$39,214,791. Agricultural products and provisions:

Flier's Quest for Honor Ends With Crash into Bay

SAN FRANCISCO, Aug. 20 (AP)—Donald Templeman, endurance flier, fell into San Francisco bay at 9:47 o'clock tonight, suddenly ending a 35-hour, 38-minute, his quest of a 40-hour solo-refueling endurance flight record. He was not hurt, but was taken to a hospital at San Mateo for observation.

The fall into the bay was caused by Templeman's plane hitting an electric transmission line as he was circling the Golden Gate. He was diving at the field, which is San Francisco's municipal airport, as breaking the electric line put out all the lights.

Santa Barbara Running Gun Fight Fatal to Man

SANTA BARBARA, Calif., Aug. 20 (AP)—One man was killed and another wounded, and a third captured by police here today in a running gun battle on the outskirts of the city. The three were said by police to have been implicated in robberies.

Man Charged With Death Of Idahoan Denies Guilt

BOISE, Aug. 20 (AP)—Bernie Stewart, charged with manslaughter, in connection with the death of Chester Bruno, a Meridian farmer, in an automobile accident August 11, today pleaded guilty and trial will be held September 10.

Infantry Battalions to Disband With Enlisted Men Going to Air Corps

WASHINGTON, Aug. 20 (AP)—Five battalions of infantry were ordered disbanded by Secretary Good today so their enlisted personnel could be transferred to the air corps in connection with the five-year army aviation expansion program.

MOUNTAINEER TELLS OF BRIM EXPERIENCE

Herman P. Wunderling Describes Battle With Storm Fatal to Two of Party

BELLEVILLE, Wash., Aug. 20.—Miss Ella McDowell and Herman P. Wunderling, survivors of a blizzard on Mount Shuksan in which two of their companions perished last Sunday, were engaged in a story of their experience at Mount Baker lodge from Lake Ann by the lake.

A rescue party which left the lodge yesterday to bring Miss McDowell and Wunderling continued up the mountain to assist another group in bringing down the bodies of Miss Thelma Martin and K. F. Saxby who died from exposure.

The report received here that Miss McDowell and Mr. Wunderling were on their way home relieved considerable anxiety. Another rescue party was being considered to hunt them.

Chells Graphic Story "The two women and myself started out from Taina lake Saturday noon, Wunderling told the rescuers, 'and Purvis who was an artist, asked to join me. He said he was an experienced mountaineer and desired to take some pictures of Shuksan. We stayed at Lake Ann Saturday night and early Sunday morning proceeded up the trail to Chukankan. About noon a storm became fiercer every minute developed and we tried to reach the top before the storm broke. By 2 o'clock Purvis was weakening rapidly, he slipped twice and finally plunged toward a crevasse. I was leading the party and he fell into it. The girls were carried into the crevasse by the Japanese but he clung to the edge and was able to pull himself up. He became frantic and we had gone only a short distance farther, to within 10 minutes of the top, when he fell again. He fell, this time carrying us all into a small crevasse. Before we could reach him, he had expired.

BOISE BANKS ENTER TAXATION COMPLAINT

Governor Explains Inability to Reach Sound Basis for Equalization

BOISE, Aug. 20 (AP)—Complaints of Boise banks that they were assessed on a percentage basis higher than those in Bannock county was met today by the state board of equalization with the explanation that it could not entirely meet the Governor's request for assessment as a fair basis for equalization.

Charles McClain of the Boise City National bank, declared the banks were entitled to a basis of assessment exactly equal to that of other property and yet it was generally the case that banks were taxed 70 per cent of their invested capital. Most other property, he said, was taxed on 50 per cent of its assessed value.

The suggestion was made by Laurel Stam, representing the Ads county trust company, that the banks had added more than a million dollars to its personal property roll. This would raise a score of banks in counties in the state. He explained that such a situation would work a hardship on the counties that are not in the assessment, for though most of it was exempt, it yet increased the general value of the state.

RAIN AIDS ARMY OF MEN FIGHTING FIRES IN WESTERN TIMBER

Situation in Northeastern Washington and Northern Idaho Quiet With Blaze at Bonners Ferry Subdued

(By The Associated Press) SEATTLE, Aug. 20.—Bathed to a standstill by thousands of men and checked by rain or higher humidity, the forest fire situation in the Pacific Northwest continued to show improvement today.

Forecasts of more rain tomorrow encouraged the Washington Forest Fire association to order burning of slashings which have been a serious fire menace all summer in western Washington, while forest officials in Central and eastern Washington reported the situation had improved so much that it seemed unnecessary to call upon United States troops to aid the civilian fire crews.

Watch Lightning Fires Lightning fires in eastern Oregon were being watched by the forest service as high winds made quelling of the blazes difficult. The majority of the fires were quickly brought under control, however.

Appeal for Aid BOISE, Aug. 20 (AP)—A second appeal to the state to lend assistance in controlling the fire on Joseph Plains, south of Challis, was made today.

THREE GIRLS VICTIMS OF MICHIGAN LAKE TRAGEDY

IRON MOUNTAIN, Mich., Aug. 20 (AP)—A young woman and two girls were drowned in Lake Leelanau, near Loreto, Michigan, tonight. All three were residents of Brechtel, Michigan, who were at the lake for a week's outing with members of a Baptist young people's society. They went rowing on the lake after dark in a flat-bottomed boat.

THE DEAD ARE: VINOLA BURNETT, 22, EVELYN BRIGHTWELL, 15, MARY CUGGINO, 14. The boat was found full of water. It was thought that the girls, who became frightened and jumped into the water.

Twin Falls County in Second Place With 45 Licensed Cosmeticians

BOISE, Aug. 20 (AP)—The pretty girls of Boise and Clearwater curl their own hair, while those of Owyhee county rely on the services of one hairdresser. A report compiled by Charles Laursen, director of licenses, disclosed today.

In a table showing the number of cosmeticians and beauty-culturalists in the various counties, Ada county led the list with 71, Twin Falls came second with 45. Bannock county was third, with 42.

DRILLING FOR MELON VALLEY OIL STARTS

Crew Penetrates Lava On Way to Depth of 2000 Feet On Farm Near Buhl

BUHL, Aug. 20 (Special to The News)—Work on Melon valley oil well Number 1, on which drilling started last Monday near the Melon valley schoolhouse, four miles west of Buhl on the J. H. Wentz farm, had progressed last evening to a point where the 12-foot lava covering had been penetrated by the drills and boring will start in the oil shale underneath the lava tomorrow, according to W. R. Parker, trustee for the Melon Valley Oil association and for these persons holding films on government land. It is expected to continue the drilling until the depth of 2000 feet is reached. Mr. Parker said William Corby, Glenn Barry, owner the combination drill with which the work is being done.

THREE MEN MEET DEATH ON MISSOURI CROSSING

SEPADIA, Mo., Aug. 20 (AP)—Three men were killed and four persons injured tonight when a freight loaded with farmers and their families was side-swiped by another truck two and a half miles east of Spedia. The group was returning from the Missouri state fair here to their homes in Lohman and Russellville, Missouri.

SEARCHERS FIND BODIES OF NORTH IDAHO YOUTHS

MOSCOW, Idaho, Aug. 20 (AP)—The bodies of Clifford Sundquist, 17, and Clair Atwood, 18, both of Troy, were found crushed under a tree near Troy by a searching party today. It was apparent that the youths, who were working for a lumber company, had been caught by a dead tree knocked over by one they fell.

THE AGE OF SPEED

16 OF 21 STARTERS IN RACE FOR WOMEN COMPLETE THIRD LAP

Authorities Endeavoring to Learn Cause of Motor Failure Fatal to One Aviatrice on Long Flight

(By The Associated Press) DOUGLAS, Ariz., Aug. 21.—While 16 fliers sped over the third lap of the Santa Monica-Cleveland women's air derby today from Phoenix to Douglas, authorities sought to learn the cause of motor failures which had caused the death of one of the 21 original starters and forced three others down.

NOTED AVIATRIX IN FATAL PLANE CRASH

Searchers Find Mangled Remains of Miss Marvel

PHOENIX, Aug. 20 (AP)—A series of mishaps that have marked the Santa Monica-Cleveland women's air derby since it began last Sunday culminated today in the tragic discovery that Miss Marvel Crosson's ill-fated plane had crashed in the wild red region near Weldon, Arizona.

The death of the young woman, one of the best known fliers in the country, may halt the women's derby until the plane and the other contestants have been thoroughly inspected. The cause of the planes was suggested today by Robert P. Holliday, Santa Monica public official who was associated with the start of race in his city.

The suggestion was based upon reports and the belief that the planes of the women were subjected to the same damage in some way at the flying field either at Santa Monica or San Bernardino. The first stoppage point, Sheriff William Shira at San Bernardino started an investigation to determine whether any of the planes were tampered with there. It was thought that the crash occurred shortly after Miss Crosson had taken off at Yuma yesterday for Phoenix.

Body Badly Mangled Miss Crosson's body was so badly mangled it was believed by fliers and cowboys who found her, that she died instantaneously. Her parachute was wrapped around her body in such a way that it was believed she had jumped but was too near the ground for the wind to open it. The body was found about 300 feet from the wrecked ship. An instrument board watch in the plane had stopped at 12:18, presumably P. M., indicating that the crash occurred shortly after Miss Crosson had taken off at Yuma yesterday for Phoenix.

Miss Crosson was born in Wauwa, Indiana, April 27, 1894. She was graduated from Logan county high school in

750 American Marines In Nicaragua to Sail For Home On Transport

MANAGUA, Nicaragua, Aug. 20 (AP)—A transport of 750 officers and men of the United States marine corps, commanded by Colonel R. H. Dunlap, to be escorted by the U. S. S. Porpoise, will sail for home on the U. S. S. transport Henderson.

There still remain in Nicaragua 1800 marine General Douglas H. S. Dunlap, commander of the marine forces in Nicaragua, has recommended gradual withdrawal because of the peaceful condition of the country.

ENDURANCE AVIATORS RETURN TO SPOKANE

Two Men Land Sun God After Five-Day Continuous Flight Over 7200 Miles

FELTS FIELD, Spokane, Aug. 20 (AP)—Nick Mamer and Art Walker tonight stepped from the cabin of the flame-colored Spokane Sun God at 5:39:40 P. M. after a five-day continuous flight around the trip non-stop flight across the continent.

The two men brought their plane to earth after having been in the air for five full days, during which they traveled 7200 miles. The greatest inland flight was made by the two men after they arrived over Felts field from Missoula, Montana, where the last refueling contact was made. The plane landed safely through smoke-clouded skies, the plane arrived over Felts field here at 1:45 P. M.

Thousands of persons were on hand to greet the craft and after an exchange of messages with sponsors of the flight, the pilots were ordered to land.

Smoke Obscures Vision One of the most dangerous laps of the flight was the homeward leg from Missoula. This afternoon, as visibility was poor because of smoke, the flight was delayed. The plane was delayed for several hours and was unable to land. The plane was delayed for several hours and was unable to land.

SEARCHERS FIND BODY DETROIT, Aug. 20 (AP)—The body of John Kasper, co-pilot of the Cleveland-Cincinnati mail plane that crashed in Lake Erie last week, was recovered today three miles east of Pelee island. The body was held intact by a life preserver.

OIL MAN ENDS LIFE PHILADELPHIA, Aug. 20 (AP)—Colonel Walter R. Rorer, a San Francisco, committed suicide today by jumping from a window of his apartment on the thirteenth floor of the Warwick hotel.

Member of Lamar Bank Robbery Gung in Denver

DENVER, Aug. 20 (AP)—Wearing an "Oregon boot" on his right leg, and his left wrist in a cast, a man was fastened by a chain carried by Chief of Police Hugh D. Draper, Colorado Springs, Herbert L. Royston, confessed member of the Denver bank robbery gang, arrived here from Colorado today.

The bullet wound which Royston suffered when he was shot during the robbery by A. Newton Parrish, president of the Lamar bank, was plainly visible.

Three of the four members of the bandit quartet are now under arrest, and have made signed confessions as to their participation in the holdup of the First National bank here May 23, 1928. Authorities have announced.

Wool Men Submit Sales Plan to Federal Board

WASHINGTON, Aug. 20 (AP)—Directors of the National Wool Marketing Council today submitted to the Federal farm board a tentative plan for developing a central sales agency for the cooperative marketing of wool. The plan, which with others which may be submitted, will be passed upon by the board at a meeting in Chicago early in October, at which the formation of an advisory council and the organization of a national co-operative sales agency for wool is contemplated.

Wool of Ohio Young Woman Enters Prison COLUMBUS, Ohio, Aug. 20 (AP)—Sentenced to 10 months in the county jail for robbing a bank, the young woman who was arrested at Columbus, Ohio, yesterday, was taken to the Ohio penitentiary today, exactly two months from the day she was arrested.

JAPANESE WORKMEN PREPARING DIRIGIBLE FOR PACIFIC FLIGHT

Illuminated by Great Batteries of Lights More Than 100 Mechanics Refuel Leviathan of Air

(By The Associated Press) TOKYO, Aug. 20.—Illuminated by great batteries of lights by which more than a hundred Japanese naval mechanics were to refuel her, the gleaming Oraf Zepplin was almost ready tonight for its trans-Pacific flight to Los Angeles, the last great test of her flight, and the world's longest.

The dirigible's departure remains fixed at 2 P. M. Wednesday, provided the weather was suitable. The Japanese weather survey of the whole Western Pacific area made for Dr. Hugo Eckener tonight disclosed no major disturbances anywhere.

If the Oraf averages a safe passage over the Pacific as over Europe and Asia, or approximately 1200 miles daily, she should reach American territory by Saturday and sail over Los Angeles early next week.

It was officially indicated that Dr. Eckener intended to follow the great circle steaming route northeast from Kauaiguara. This would keep the Oraf over the steamer lanes from Yokohama to San Francisco, and Vancouver throughout the length of the voyage across the ocean.

The big dirigible will probably pass over both Seattle and San Francisco, but will fly nearly 3000 miles north of the Hawaiian Islands. It is expected that the Oraf's trans-Pacific and unexpected speed record from Lakehurst to Los Angeles, a distance of 7200 miles, will be broken.

SEARCHERS FIND BODY DETROIT, Aug. 20 (AP)—The body of John Kasper, co-pilot of the Cleveland-Cincinnati mail plane that crashed in Lake Erie last week, was recovered today three miles east of Pelee island. The body was held intact by a life preserver.

OIL MAN ENDS LIFE PHILADELPHIA, Aug. 20 (AP)—Colonel Walter R. Rorer, a San Francisco, committed suicide today by jumping from a window of his apartment on the thirteenth floor of the Warwick hotel.

Western Racquets Defeat World's Champion Tennis Duo

First Neer-Barnes Play Crimps Fame Of Title-Holders

Van Ryn and Allison, Victors Over Cochet and Borotra in Davis Cup Fight, Easily Beaten

(By The Associated Press) NEWPORT, R. I., Aug. 20—Shortly after being introduced to each other today, Philip Neer, Portland, Oregon, and young Bruce Barnes, Austin, Texas, stepped out on the historic Newport Casino tennis courts and overcame Johnny Van Ryn and Wilmer Allison, who became the world's champion doubles team by defeating Henri Cochet and Jean Borotra in the recent Davis cup fight. The scores were 6-4, 1-6, 6-3.

Van Ryn and Allison were playing their first doubles match since they left Paris, and, despite the fact that they spent most of last week practicing on the Longwood courts in Brookline, Massachusetts, they appeared unflinching.

The defeat of Van Ryn and Allison was the greatest upset of the tournament, which opened yesterday. Before being named as the American cup doubles team, they walked through a brilliant field and won the Wimbledon doubles titles.

Favorites Advancing in Buffalo Tennis Contest

(BUFFALO, Aug. 20 (AP)—Favorites generally advanced without difficulty in the second round of play in the national public links tennis championship today.

John Mack, Memphis, Tennessee, eliminated William R. Haxson, St. Louis, 6-3, 6-2, 6-3.

Jack DeLara, Los Angeles, defeated J. C. Miller, Jr., Birmingham, Alabama, 6-3, 6-2, 7-5.

The Weather

FORECAST FOR TODAY AND TOMORROW: Overcast; probably local showers in north section; cooler-Wednesday.

Many Golfers Enter Milwaukee Contests

(MILWAUKEE, Wis., Aug. 20 (AP)—The Western open golf championship, a tournament that has grown and then dwindled in importance as a classic since 1892, comes back again tomorrow with the largest field in the history striving to win the crown now held by Al Hahn, the golfing torador from Chicago.

Pocentello Boys Baseball Team in Spokane Contest

(SPOKANE, Aug. 20 (AP)—Four boys' baseball teams—champions of Idaho, Montana, Oregon and Washington—were matched tonight for the preliminary games of the northwest division of the American Legion national boys' baseball league.

At 7 o'clock tomorrow Seattle will meet Pocentello, Idaho, and Portland, Oregon, will meet Roundup, Montana.

Finish Cross-Country Refuel Flight

LIUTENANT N. B. Mamer (left), who took off from Spokane, Washington, August 15 on a trans-continental round trip refueling flight which he completed Tuesday. He is shown directing preparations for the flight at Spokane.

Helen's Popularity Outshone by Sarah

Miss Palfrey Steals Tennis Spotlight From Queen by Spectacular Net Victory

(FOREST HILLS, N. Y., Aug. 20 (AP)—Little Sarah Palfrey, Brookline, Massachusetts, stole the spotlight away from the other feminine tennis stars on the courts of the West Side stadium this afternoon.

Not even the straight-set victories of such famous international figures as Helen Wills, Helen Jacobs and Betty Nuthall could compare in popular approval with the dramatic match in which the smiling Sarah out-played the British veteran, Mrs. Dorothy Shepherd-Barrow, 8-10, 6-0, 6-4, to reach the third round of the national women's championship.

Hailed as Future Champion Although forced somewhat into the background for perhaps the first time in her career of the gallery hailed a potential future champion, Helen Wills gave an impressive exhibition of hard hitting and accurate placement in defeating Mrs. Charlotte Hooper Chapin, Springfield, Massachusetts, 6-1, 5-0.

Helen Jacobs improves in her opening match yesterday, speedily eliminated Eleanor Goss, New York, 6-6, 6-4, and Betty Nuthall, the Princeton favorite, 6-3, 6-1. Except for a victory by Mrs. Lillian Scherman Hester, Glenview, New York, 6-3, 6-1, over Clara Zinke, Cincinnati, 3-6, 10-6.

Endurance Aviators Return to Spokane

(Continued From Page One) elaborate ceremonies at 8:58 P. M. Pacific time last Thursday. It flew to San Francisco, where two refuelings were made. It turned eastward, flying over Cheyenne, North Platte, Nebraska, and the Middle West to New York, circling over New York City last Sunday. The fliers dropped a message expressing disappointment at being unable to visit friends, and returned westward. Cleveland, St. Paul, South Dakota and northern Montana points were passed over on the return trip.

Besides being the first plane to have been flown on a non-stop round trip flight across the continent, the Spokane Sun God set a new record in covering 7200 linear miles without a stop. This broke the record of heavy-lift air machines of 4883 miles, made by the Italian aviators Ferrarini and De Prete, on a flight from Rome to Natal, Brazil. It also exceeded the non-stop mileage of the Graf Zeppelin from Friedrichshafen to Tokyo, which was about 6880 miles.

Noted Aviator in Fatal Plane Crash

(Continued From Page One) Colorado. She was fascinated as a child by aviation and took up active flying with her brother, Joe, in 1922 at San Diego. In 1923 she made her first solo flight. Her most recent achievement was establishment of the women's altitude record of 29,966 feet over Los Angeles last June 28.

Funeral plans had not been completed today but the body was expected to be removed to San Diego.

QUESTIONS AND ANSWERS ABOUT THE OLD GOLD CONCEALED NAME CIGARETTE TEST

OLD GOLD CONCEALED NAME CIGARETTE TEST

Ask us another if we haven't answered here every question ever asked about it

QUESTION: Does OLD GOLD publish the score of every public test taken?
ANSWER: Yes... win, lose or draw!

QUESTION: Is OLD GOLD always the same number?
ANSWER: No. In the actual tests there are no numbers on the cigarette masks. The smoker, himself, tears off the paper masks and finds out for himself which cigarette he has chosen as best.

QUESTION: Is the Concealed Name Test a "guessing" contest?
ANSWER: Decidedly not! The smoker states only which cigarette tastes best to him, and does not try to guess the name.

QUESTION: Who conducts these tests?
ANSWER: Never the makers of OLD GOLD, or their agents. The tests are conducted by certified public accountants, or officials of the organization or institution under whose auspices the tests are given.

QUESTION: Are all competing brands equally fresh and in precisely the same condition?
ANSWER: All four brands are purchased before each test at the same time in the same store out of retail stock, just as the public buys them... and the clerk who sells them certifies the purchase.

QUESTION: Does the official conducting the test know which cigarette is which while the smoker is making the test?
ANSWER: No! The cigarettes are arranged in sets of four... one each of the four leading brands. Then they are masked... their names completely concealed. When the official hands out these masked cigarettes it is impossible for him, or anyone, to know one from another.

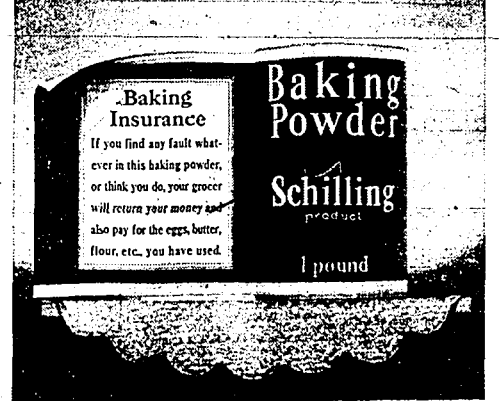

NOTE: Why not make this test yourself in your own home? We'll be happy to send you a set of the brand name masks and complete instructions... Write to P. Lorillard Co., 119 West 40th Street, New York City.

THERE is no substitute for Cream of Tartar for fine baking

There are substitutes, but none that produce fine baking. Ask any domestic science teacher which she prefers - a cream-of tartar baking powder - or one that contains a substitute. Ask any doctor. Ask any pure food department. Any good baking powder is acceptable - but if it contains cream of tartar, you are on the safe side - that's all. But that's enough for millions of housewives.

All cream-of-tartar baking powders are about the same, and sell at about the same price. But Western women have known for many years that one of them (Schilling) contains a full pound for their pound price (not 12 oz.). They know that it means 10c in the purse, every time they buy Schilling full-weight baking powder.

Oklahoma City Man Wins Target Title

VANDALIA, Ohio, Aug. 20.—Gus E. Payne, Oklahoma City, captured the North American amateur clay target championship today with a performance of 1919, just one point short of a perfect score.

Payne outclassed a field which included some of the best trap shooters in the country, gathered here for the week's program, which will be concluded with the grand American institution.

Enlice Haggard, Winchester, Kentucky, proved herself the best shot among the feminine target breakers by clicking off a total of 100 out of 200. This score bettered by two that of the runner-up, Mrs. J. C. Wright, Atlanta, Georgia, who finished with 188.

TWO SWISS AVIATORS OVERDUE IN NEW YORK

Boys, in Years, and Novices in Experience, Probably Down On High Seas

NEW YORK, Aug. 20 (AP)—Two Swiss fliers, scarcely more than boys in years and novices in experience, were over due tonight in their attempt to cross the western crossing of the North Atlantic, an attempt in which a better equipped expedition had failed before them.

With the unbounded confidence of youth and the blinding excitement of the fact that they knew next to nothing of navigation and none too much of flying, Oscar Kassar and Kurt Lusser, who took off from Lubbock early yesterday morning and headed their white monoplane for the far coast across the waves.

Seen by Steamer A German steamer saw them 175 miles at sea, and they flew over the Azores at 1 o'clock eastern standard time in the afternoon.

Field officials decided to burn the beacons all night, but there was small belief that the fliers would arrive.

ANGEROUS TENSION REIGNS IN MANCHURIA

Slightest Indication of Truce Between Russians and China Still Lacking

LONDON, Aug. 20 (AP)—A dangerous tension continued today in Manchuria without the slightest indication of a truce holding any prospect for reopening the suspended negotiations between China and Russia on the Chinese Eastern railway.

At the same time, the view in official quarters in London was that every day gained without formal outbreak of hostilities was a point in favor of peace.

Diplomatic circles today said that all was quiet in the vicinity of Manchuria, so much so that Japanese residents who had fled at the prospect of war were returning.

Changes in the situation brought by both China and Russia are increasing in bitterness but are doubtless intended largely for foreign consumption and to justify in the eyes of signatories of the Kellogg anti-war pact their refusal to resume negotiations.

One of the most interesting developments was the complete restriction from Peiping of the report that 10,000 Soviet soldiers had invaded Chinese territory.

Cases of milder and sabotage by Russian agents in Manchuria are so circumstantial as to leave the impression of having substantial basis. One explanation of the raids given in Shanghai special was that they were intended to intimidate the Nanking government into agreeing to reopen negotiations on the Russian condition, namely reinstatement of all dismissed Soviet officials of the Chinese Eastern railway.

COLLISION OF AUTOS INJURES MRS. DUDGE

Woman Enters Hospital Following One of Three Traffic Accidents During Day

Mrs. Deseret Dudge, residing two miles east of Twin Falls, received injuries last night when her touring car which was damaged in a series of traffic accidents occurring in Twin Falls yesterday.

Suffering from shock and possible internal injuries, Mrs. Dudge was removed from her car and taken to the hospital, where she was treated for a skull fracture sustained when her car was struck by a truck driven by T. W. Doty, resulting in minor damage to the two machines, and a police report was filed.

Ben E. Potter, Klumbert, reported that at 8 p. m. while driving on Main avenue a woman suddenly turned her car to the left, causing a collision and damage to fenders. The woman, however, failed to stop, according to Mr. Potter's report to the police.

HORSE DRAGS EDEN BOY QUARTER-MILE

Youth Escapes Serious Injury When Mount Bolts at Sigt of Rattlesnake

EDEN, Aug. 20.—Although dragged a quarter of a mile Tuesday by a horse which bolted at a rattlesnake, Marvin Davis, Eden youth, escaped serious injury. Davis had ridden to Wilson lake and as he was returning he saw the snake.

The horse became frightened and threw him from the saddle. One of the rider's feet caught in the stirrup and in this plight Davis was dragged until rescued by one of his neighbors. Bruises were the extent of his injuries.

Seventy-five persons attended a family reunion and picnic held at the Henry Schwab home Sunday August 18. Members of the family of Mrs. Ida Davis and their families were guests.

The following were present: Mrs. Idaho Davis, Kenneth Davis, John Davis, and Mrs. Virgil Davis. John Claiborne and family, John and family, M. C. Hoveland and family, J. W. Davis and family, R. A. Johnson and family, Mrs. J. H. Swenson, Mr. and Mrs. O. J. Burgess and Mr. and Mrs. Henry Schwab and family, Mrs. Delbert Davis and Mrs. Miller, Mountain View, Ark.

Eden high school is being prepared for the opening of school next month. All the classrooms and part of the gymnasium are being given a coat of painting and other minor repairs are being made.

Annual election of the Eden rural high school district will be held Tuesday, September 3, according to notices posted by Frank Fulton, clerk. Two trustees will be named to replace Henry Schwab, chairman, and J. C. Knott, members who term expires this year.

Although the final day for filing is August 25, notices have been filed thus far. Cards were received here by friends of Mr. and Mrs. E. D. McCallion, Salt Lake City, announcing the arrival of a son, born July 28. The youngster has been named Thomas E. McCallion.

An ice cream social will be held next Thursday evening at the Floyd Brown home, west of Eden, by the Ladies Aid society of the Presbyterian church.

BOARD FIXES LEVY ON RESERVOIR DISTRICT

Assessment Shows Decrease of \$1.19 On Each 40 Acres in Twin Falls Project

The board of directors of the American Falls reservoir district at its meeting yesterday in its offices in this city fixed the assessment levy for the current year on the various segregations within its borders. The levy shows a decrease on each 40-acre plot on the Twin Falls project from \$13.40 in 1928 to \$12.20 in 1929, a decrease of \$1.19. Of this \$12.20, \$10.00 is for maintenance and operation and \$2.20 for interest and sinking fund.

The amount collected differs on each project within the district depending on the amount of water rights. The Twin Falls project only one-half of one acre foot is purchased for from the district. The third segregation in the neighborhood of Bliss pays the largest amount, paid is \$37.39 on each 40-acre plot. In the Jerome neighborhood it is \$22.00.

A 40-acre farm near Jerome, owned by Charles C. Jones, Jerome, was annexed to the district.

40 SIGNERS ON PETITION FOR BITTER'S NOMINATION

A nomination petition containing 40 names for W. B. Bitter, incumbent, as a candidate for the position of school director at the election September 3, was filed yesterday with the office of Superintendent W. B. Smith. There was no other filing. It is anticipated that the nomination papers of L. Patrick, whose filing yesterday was expected, will probably be filed today.

Next Wednesday, one week from today, will be the last day for filing nomination papers. The limit being fixed by law as six days before election, not including election day.

Persons signing the petition placing Mr. Bitter in nomination were: Claude H. DeWilder, Maun Stanley McCoy, W. H. Edinger, Fred Moss, Jr., Pheral Thompson, R. L. Roberts, A. Wilton Peck, W. H. Johnson, H. E. Jones, S. McCreedy, Stuart H. Taylor, Jane Craven Scott, A. Brogan, George C. Wiley, Charles E. Lamb, E. J. Ostrander, H. C. Dickerson, J. M. Maxwell, Eula B. Grant, W. F. Nixen, Maxwell B. Wilson, Arthur J. Pearson, L. A. Crow, E. J. Houten, Reed M. Williams, H. R. Grant, Charles L. Hart.

Friday will be the last day for filing. It is stated, as the time expires today before election. As usual in all elections, voters may write in names on election day.

BEEF GROWERS CONSIDER EMPLOYING SCALES MEN

Directors of the Twin Falls county Beef Growers' association at the Matt Schmidt farm, near Twin Falls, Monday night, appointed Willis Sampson, Hansen, president of the association, to attend a meeting of representatives of similar organizations in Jerome, Missoula and Casula counties, to be held in the latter city, Sept. 10, to discuss the advisability of employing a man or men to look after the interests of growers and check on scales during the time of marketing the beefs. Mr. Schmidt said that no objection to this course was made by the Amalgamated Butcher company, which transacted its business on a fair and honest basis, but it was felt that some employee of the company, through carelessness, might not do his duty either as the grower or by the company. It was thought that employment of a checker would be more satisfactory to all concerned. Employment of a checker in this county is possible, it is stated.

Hansen Man-Faces Charge

Alleged to Have Broken Quarantine

Alleged to have broken quarantine, Hansen, in a complaint filed here yesterday by Dr. David C. Congell, director of the county health unit, is charged with breaking quarantine. According to the complaint, Hansen, quarantined in the city, broke the streets of Hansen without the permission of health authorities.

COLONEL REDINGTON FINDS COYOTE GREAT BIRD FOE

Fight on predatory animals which prey upon upland birds was urged yesterday by Colonel Redington, Washington, chief of federal biological survey, at a luncheon at which he was guest of honor at the Park hotel yesterday. He said that the coyote is the greatest enemy of these birds.

Colonel Redington, was on his way from Boise, where he spoke at a state conference Monday evening, to Pocatello, where he attended a meeting of sportsmen last night.

Those who attended the luncheon at the Park hotel yesterday included Congressman Addison T. Smith, Asher B. Wilson, the board of directors of the Southern Idaho Fish and Game association, Stanley P. Young, chief of the bureau for extermination of predatory animals, and T. B. Murray and G. Goldmann, Idaho agents of the federal biological survey.

After the luncheon, the federal officials accompanied Congressman Smith and Warren C. Swensen to the Twin Falls-Grange Inter-county bridge and to Great Shoshone falls.

W. R. Priebe, who represented the Southern Idaho Fish and Game association at the Boise meeting said it was a successful and entertaining affair.

Band Concert to Play Nine-Number Program

A nine-number program will be given by the Twin Falls municipal band at its weekly concert, Tuesday evening in the city park. Before the intermission there will be given the march, "Washington," the serenade, "d'Amour," the waltz, "Mighty Lak a Rose" and the patrol, "Ole South." After the intermission the numbers will be the selections, "March," Spanish serenade, "La Paloma," Intermezzo, "Arabian Nights," march, "Invincible East" and "The Star Spangled Banner." The concert begins at 8:15 p. m.

Man Faces District Court Trial On Assault Charge

On a charge of assault with intent to commit a statutory offense, involving a Bull girl, Charles Sherman was ordered held to answer in the next term of district court at an ordinary hearing yesterday before Judge C. A. Bailey in probate court.

Sherman's testimony, the defense moved for dismissal of the case on grounds of insufficient evidence. The matter was denied and Sherman's bond was fixed at \$1000.

SHERIFF TO BRING THARP BACK FROM PENITENTIARY

Ward Otis Tharp, 52, convicted slayer of Mrs. Louisa May Bowen will be returned this week from the state penitentiary at Boise. Tharp will be brought back within the next day or two to await judgment on the appeal filed in supreme court, following conviction in district court December 4, 1927, where he was found guilty of first degree murder of Mrs. Bowen. Bowen's appeal on the grounds that testimony at his trial was insufficient to warrant finding by the jury that he was sane at the time of the crime and that the court erred in overruling his attorneys' objections to certain questions directed to the state's expert medical witnesses.

Tharp is represented in his appeal to the state supreme court by the law firm of Porter and Taylor.

Government Will Give News On Bean Market

G. A. Collier, Washington, representing the marketing news bureau of the federal department of agriculture was in Twin Falls yesterday in connection with the movement on the part of the department to consolidate two agencies heretofore utilized for dissemination of information relative to the bean markets, with the hay seed and grain reports, now given out together through Boise. The plan has not been completely worked out, as all its details, it was stated yesterday by Mr. Collier, but it is expected that it will be in effective operation by October 1. While here, Mr. Collier consulted with E. V. Glisson, federal and state bean inspector and with him visited dealers in this city.

BALDRIDGE DEcriES UNFAIR PROPAGANDA

Statement Jeopardizing Reclamation Emanates From Washington, Says Idahoan

BOISE, Aug. 20 (Special to The News)—There is a growing sentiment in the West that the established policies of the federal department of reclamation are being jeopardized by persistent and unfair propaganda emanating, apparently, from the department of agriculture.

Gov. Governor H. C. Baldrige in a recent statement concerning the purposes of the conference of western governors to be held at Salt Lake City, August 20 and 27.

"I have no doubt," the governor continued, "that to uninformed people the amazing productivity of some of the reclaimed areas of the West may seem to have a bearing on the farm problem of the nation. As a matter of fact the total crop production of the United States is less than a half of 1 per cent of the total crop production of the United States."

Growth Due to Reclamation
The growth of the Western states during the last 25 years has been due to the reclamation of arid lands. There is still a great deal to be done in the way of establishing supplemental storage reservoirs in order to insure a constant and adequate water supply for some of the established districts which, in the end, pay for all benefits they receive.

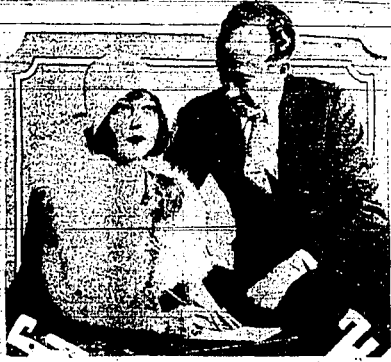

"Reclamation is a relatively new development in America," Governor Baldrige argues. "Naturally, some mistakes have been made and financial losses suffered. However, the majority of the reclamation projects, both private and public, have been pre-eminently successful."

Would Postpone Building
"I believe no new projects should be inaugurated at present. Nevertheless, if the present increase in population continues it will be but a comparatively few years until the farm production of the United States will be insufficient for the needs of our nation. When that time comes we must be prepared to claim the remaining undeveloped areas of the West."

But the immediate reason for calling the governor's conference, Governor Baldrige says, was a statement made in Boise recently by Dr. Ray Lyman Wilbur, secretary of the interior. Doctor Wilbur declared he believed the time had come when, as a matter of public policy, the surface rights to the remaining public domain should be sold to the states.

The governor points out that there is very little valuable public domain left and that giving the states the surface rights and leaving the oil and mineral rights with the government would not greatly benefit the states.

Alma Bennett to Marry Manager

HARRY SPINGLER, manager for the film actress, and Alma Bennett apply at Los Angeles for a permit to wed. No date has been set for the ceremony.

BURGLARS TAKE \$22 FROM PAUL OFFICE

Lumber Company Safe Nets Thugs Small Sum; Officers Fail to Discover Cleave

PAUL, Aug. 20 — Boise-Payette Lumber company office was broken into by burglars some time between Saturday night and Monday morning. Twenty-two dollars in cash was taken. No clues as to who the robbers were or how they got into the store were reported.

Mr. and Mrs. Charles Wiley and Rev. Mr. Charles Arras and two daughters of Burley returned Friday from a trip through the Yellowstone national park.

Mrs. T. E. Clark and son, Glen, and Mrs. Clark's sister, Mrs. A. E. Scarron, who is visiting here from Omaha, Nebraska, left Sunday morning for the Yellowstone park.

Miss Nora Yarborough, home demonstration worker, held a meeting at the Zeeman home Saturday afternoon for the purpose of freezing in making lamp shades. There were 13 women present. Dainty refreshments were served by the hostesses.

Threshing of wheat and barley is in full swing here, the highest yields being 180 bushels of barley at P. R. Coons and

between 70 and 80 bushels of wheat to the acre at Bob DeLong.

Mrs. E. Berry, Evans, Colorado, who is visiting at the home of her son, Ray Berry, Emmerson, was a guest of Mrs. Robert DeLong Tuesday.

Mrs. D. M. Rustay, who has been seriously ill the last two months at the home of her parents, Mr. and Mrs. J. M. Hiley, was able to return to her home in Burley Sunday.

Mrs. Harley Whitten entertained the members of the young people's choir at her home Thursday evening. After a musical evening refreshments were served to 30 young people.

The Christian Endeavor society of the Methodist Episcopal church held its regular meeting Sunday evening with Miss Helen Nelson, leader, topic being, "Harnassing the Laws of Nature."

Mr. and Mrs. L. R. Calcutt and baby and Mrs. Calcutt's aunt, Miss Dora Ireland, and cousin, Robert Ireland, who are visiting from New York, returned Friday from a week's outing in the Ketchikan country.

MOSCOW UNIVERSITY DEAN VISITS HAILEY

Miss Permeal French Honoree at Plunge Party and Hotel Hiawatha Luncheon

HAILEY, Aug. 20 — Dean Permeal French of the University of Idaho was the guest of honor at a plunge party and luncheon given by Mrs. Irvn E. Rockwell, Broadford, at the Hotel Hiawatha Saturday afternoon. Covers were laid for 10. The larger number of the guests were college girls.

Invitations have been sent out by Mr. and Mrs. Harry Werry, Bellevue, for the marriage of their niece, Etta Elizabeth Traster to Kenneth John McDowell, San Francisco. The marriage was celebrated at the First Presbyterian church of Bellevue at 8 P. M. Tuesday, August 20.

Mrs. Roy Van Winkle and daughters, Fatty and Zoa have returned from a visit with Mrs. Van Winkle's parents in Saultelle, California.

Mr. and Mrs. Frank Burroughs from Boise were in Hailey Saturday and Sunday. They also visited at the Rockwell home in Broadford.

Tourist traffic has been heavy lately.

The Rodeo at Stanley drew many from Hailey as well as from the lower country. William N. Patterson, a rancher and stockman living near Garnett was badly injured in the rodeo at Stanley Sunday afternoon. He was assisting in a relay race and the horse he was holding became unmanageable, knocked him down and trampled on him. He was brought to Hailey where his injuries were dressed and two broken ribs were returned by way of San Francisco.

Mrs. D. A. Jones, Bellevue, left Saturday for a visit to her daughters in Los Angeles. She went by way of Seattle and will go by boat the rest of the trip.

A steady stream of cars came through Hailey Sunday evening on the return from the Stanley rodeo. The affair was well attended the races good and the crowd well pleased.

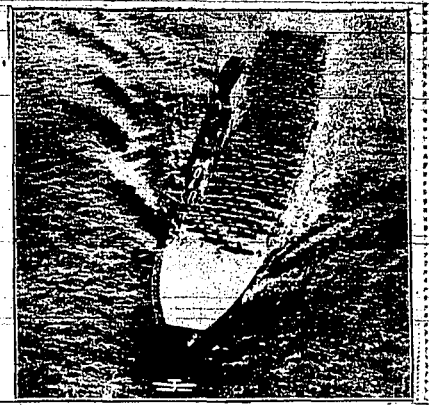

Born to Mr. and Mrs. Ray M. Barry on Monday, August 19 at Russian John Hunter station north of Hailey.

Amsterdam Folks Visit Contact Mining Field
AMSTERDAM, Aug. 20 — Mr. and Mrs. G. E. Coconour, Mr. and Mrs. Ed Davis, Charles Coconour and family were Sunday visitors in the Contact region, returning home in the evening.

Mrs. Ed Pottman is in Salt Lake City, called there by the serious illness of her father who is in the hospital following an operation.

Walter Paulson made a motor trip to Nampa and back on Sunday, visiting a sister.

147 COWS LEAD IN ASSOCIATION TEST

Report For Month Includes Large Number High in Butterfat Production

Of the 570 cows tested in the Pioneer Dairy Herd Improvement association during the month of July, 137 produced a minimum of 40 pounds of butterfat, according to the report of W. J. Byrne, leader.

Thirty-eight herds were tested. The average production of butterfat, the report shows, was 28.0 pounds, with the average milk production was 760 pounds.

Features of the report are as follows:

High herd of from 1 to 10 cows—Five registered Holsteins owned by George Evans, Eden, producing 1225 pounds of milk and 47.2 pounds of fat.

High herd of from 10 to 20 cows—New Jersey owned by M. Foster, Buhl, producing 1102 pounds of milk and 44.6 pounds of fat.

High herd of over 20 cows—Twenty-one grade Holsteins and Jerseys owned by C. E. McClain, Twin Falls, producing 1000 pounds of milk and 37.6 pounds of fat.

Owners of cows producing over 40 pounds of butterfat are:

**BURLEY PLANS FOR STATE
OLD FELLOWS CONVENTION**

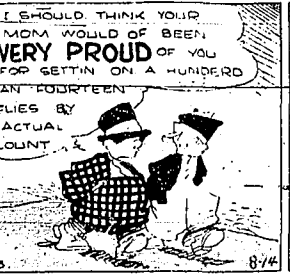

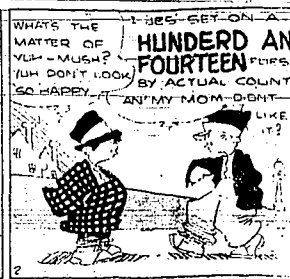

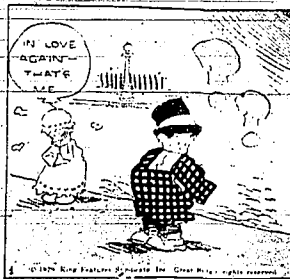

BURLEY, Aug. 20 (Special to The News)—Committee in charge of arrangements for the Old Fellows state convention to be held here in October, are making Burley residents to furnish 500 rooms for the visitors. They say that over 1200 officials and delegates will be in attendance for the three day session. Dates of the convention will be October 14, 15 and 16.

It's "So Sweet!"—Douglas MacLean, Frances Lee in the Paramount picture, "Divorce Made Easy," the 100 per cent all-talking picture coming tomorrow to the Idaho theatre for a run of two days only.

JUST KIDS

HIS STORY, AND HE'LL STICK TO IT!

**New Colleen Moore Film
Will Appear at Orpheum**

The long awaited and much heralded First National-Vitaphone production, "Smiling Irish Eyes," in which Colleen Moore makes her first appearance in screen dialogue, will have its first local showing tomorrow at the Orpheum theatre.

Fresh from its New York run, where it was exhibited for weeks at two dollars, "Smiling Irish Eyes" is to be shown at the theatre at popular prices. This picture, an all-talking and singing special, has been acclaimed as Miss Moore's finest production, and in view of the fact that it offers the opportunity for her followers to hear her voice for the first time, it will undoubtedly draw an unusually large attendance at the theatre tomorrow.

James Hall's Miss Moore's leading man in this Irish romance, most of which was filmed in exterior settings. The background for the greater portion of the story is in the Killarney district of Ireland, while there are brief episodes

In New York as well.

The popular songs "Smiling Irish Eyes" and "A Wee Bit O' Love," are introduced in this Vitaphone picture. Miss Moore revealing unexpected talent as a vocalist by singing them in a delightful voice. These melodies take an important part in the story. "Smiling Irish Eyes" was produced by John McCormick, at the First National-Vitaphone Studios.

**Oil Well Drilling to
Continue Near Oakley**

BURLEY, Aug. 20 (Special to The News)—After three weeks' sparring for a strike of oil, D. P. Carpenter is preparing to resume drilling on his oil test south of Oakley. Carpenter is down about 1800 feet. In lowering his casing, some 1700 feet broke loose and crashed to the bottom of the well. Fishing operations proved that the casing had been broken into five parts, some being wedged so that it proved a very difficult job to dislodge them and raise the sections. This test is being drilled on a small tributary of Goose creek.

**RADIO SERVES STREVELL
IN ABSENCE OF PHONES**

BURLEY, Aug. 20 (Special to The News)—Strevel, near the Utah line, has no telephone connection, but the little town is by no means without communication with surrounding towns. There is a government radio station and emergency airport located at Strevel. Recently, a motorist who became stalled by a broken water connection, sent a radio SOS to Burley for an extra part, which was sent out at once by the stage to Malheur. Last winter, a radio call to Salt Lake City brought an airplane to Strevel to help hunt for sheep lost in the deep snow. And another radio call brought medicine by airplane for a sick woman. Strevel is in direct connection by radio with Salt Lake City and Burley, a station being maintained there to transmit weather information to mail pilots as to flying conditions over the Strevel pass.

Table listing livestock market prices for items like 'Cattle', 'Hogs', 'Sheep', etc.

REGULAR JULY SESSION

Twin Falls, Idaho, August 6, 1929, 10:00 o'clock A. M.

The Board met at this time pursuant to a recess heretofore taken, all members and the Clerk present.

Now
 Choosing the best for you from
 almost Two Billion Gallons ...

NOW the combined raw material resources of the Greater Continental Oil Company, newly merged with the Marland Companies, represents a crude oil production of almost 2 billion gallons annually.

Few refiners in the whole world have under control such a tremendous supply of petroleum from which to select their manufacturing requirements.

Now eight refineries are making CONOCO Motor Oil and CONOCO Gasoline to meet rigid CONOCO specifications, each refinery being supplied with the crude oil which is CONOCO'S own first choice for its market needs.

Every oil well does not produce the same grade of petroleum. Some fields yield ideal oil for making gasoline. Others produce oil best suited to make lubricating greases. Still others ... and these are fewer ... afford an output which can be refined into an exceptional motor oil.

The Greater Continental Oil Company now can choose the best ... and only the best will be sold under the Sign of the Red Triangle.
