ENGLAND ANXIOUSLY AWAIT'S RETURN OF RAMSAY MACDONALD

Prime Minister Faces Possibly Most Important Session of Parliament in Great Britain's History

(By DEWITT MACKENZIE. Associated Press Correspondent) LONDON, Oct. 25—Prime Minister Ramsay MacDonald was headed home today after his historic visit to President Hoover, will face what many observers say may easily prove to be one of the most important sessions in the history of the British cabinet which opens October 26. Certainly it bids fair to be more dramatic and colorful than any in the recent past.

The first test of the moment is expected in the premier's great adventure in Washington and the statement he is expected to make to parliament is awaited with the undivided eagerness by all parties.

The prognosis says the statement will be tinged with a new glow of Anglo-American fellowship since the premier's return, recorded Mr. MacDonald in America.

The Labor government will go before friends at its crisis without a leader, since the premier cannot reach home in time. His place will be taken by Philip Snowden, chancellor of the exchequer.

Government Popular

As parliament reassembles, the Labor government is riding on the crest of a wave of popularity. The acceptance of the country without regard to political leanings, have been almost unanimous recently in showing the government with praise for the way it has begun its administration.

The commendation has centered upon two important issues: Mr. MacDonald's disarmament program and Mr. Snowden's financial stand in the reparations conference at The Hague.

The matters of vital moment which are expected to come to a head in the next sessions of parliament are:

The disarmament proposals; Labor's promise to grant 800,000 acres of land to the unemployed; resumption of diplomatic relations with Russia; rehabilitation of the hard-hit industries of the country; and the proposed extension of the port coal industry through the demands of the miners that the government make good the promise to reduce the working day from eight to seven hours solution of the unemployment problem in Britain.

Tenure Indefinite

The length of life of the Labor government is considered indefinite. Since Mr. MacDonald hasn't a majority over all other parties in the house of commons, he can be removed from power at any time the cabinet and Congress vote to combine against him.

Observers incline to the belief, however, that the government may continue for a considerable time.

Congregational Churches Merge With Christians to Unite 1,800,000 Members

PIQUA, Oct. 25 (AP)—Mergers of the national council of Congregational churches and the Christian church in America, bringing 1,800,000 members into a single organization was effected here today when delegates of the Christian church unanimously approved the action.

The merger permits members of both denominations to retain their respective beliefs and to develop their own forms of expression but the general council will perform on behalf of both churches. The functions formerly exercised by both governing bodies.

Glenns Ferry Students Will Submit to Tests

BOISE, Oct. 25 (AP)—Examination of students of Glenns Ferry schools will begin soon to remove danger of meningitis, C. E. M. Moore, commissioner of public welfare, announced today.

The city authorities requested the examination to prevent reappearance of the disease which appeared there last year.

HIGH COURT WILL DECIDE CASSIA COUNTY LAWSUIT

BOISE, Oct. 25 (AP)—J. E. Price, Cassia county, today appealed to the supreme court his suit against Sheriff Fredrick D. Price, county, for failing to seize 500 bushels of grain on a court order.

Federal Jury Convicts Fall Of Bribery Charge Involving \$100,000 Transaction in 1921

Convicted

ALBERT B. FALL, former secretary of interior, who was convicted of bribery yesterday.

POWERFUL INTERESTS HALT MARKET ORGY

Wall Street Groping Out of Darkness as Stalwarts of Finance Come to Rescue

By CLAUDE A. JAGGER. Associated Press Financial Writer

NEW YORK, Oct. 25.—Wall Street came groping out of the darkness today as stalwart leaders of finance and industry swept away the black cloud of impending disaster that struck terror to the hearts of speculators and investors yesterday.

Powerful support was thrown into the "bear" market and hundreds of losses the day before yesterday had been substantially reduced. The lines suffered in yesterday's stampede of shares, the most violent ever experienced.

When the Stock Clearing corporation announced that yesterday's myriad transactions had been completed, proof was provided that all stock exchange member houses had been able to settle, and that none had been pushed to the wall. Distasteful market collapses in years past have almost inevitably resulted in the failure of one or more houses.

Financial Structure Sound

That Wall Street was able to stand such a shock as it received yesterday was generally regarded in banking circles as a considerable feat. The fundamental soundness of the financial structure. Furthermore, bankers both in America and abroad expressed the opinion that the credit situation here had been recently improved by the collapse of the speculative structure.

The stock market was forced to absorb huge backwash of selling from yesterday's crash, and prices sagged moderately amid mid-day, but as soon as leading shares moved back to going into a marked decline, huge buying orders appeared in the market.

FOREST FIRE RAGING IN NORTHERN IDAHO

Outbreak Brings Closing Order in Flathead National Forest in Montana

MISSEOLA, Mont., Oct. 25 (AP)—An outbreak of forest fires that extended weeks beyond any other in the history of the forest service in this district today brought an order closing to entry except under permit the Flathead national forest and the northern portion of the Missoula forest.

Forest officials said several hunters recently started several new fires. The worst of these was eating its way to the north through timber east of Holland lake. A high wind shot the flames over 600 acres this afternoon despite efforts of 60 fire fighters.

A crew was rushed to Averi, Idaho, where a blaze believed started by sparks from a railroad engine had spread over 10 acres in a few hours.

Other fires were burning in the Flathead forest. In the Jefferson forest west of Great Falls and in the Forest of Grange in Idaho.

Searchlights Glean Over Lake, Grave for 50 Bodies

MILWAUKEE, Wis., Oct. 25 (AP)—Searchlights gleamed over the dark waters of Lake Michigan tonight, seeking the bulk of the car ferry Milwaukee and the bodies of the crew that went down when the ship foundered last Tuesday night.

Twenty-five bodies of the crew of the ship had been found by coast guard boats. Three of them were identified as the bodies of Alvin Stanton, Grand Haven, Michigan; purser; E. Nelson, Milwaukee; and Walter Walker, Milwaukee, stevedore.

Two Detroit white-haired men—Albert B. Fall and Edward L. Dohney—whose youthful friendship of prospecting days in the West, perished after one had become a cabinet officer and the other a millionaire oil operator.

They heard a \$100,000 transaction between them in 1921 branded bribery today by a federal jury.

Fall was accused of accepting that sum as secretary of the interior in return for granting the Elk Hills oil lease to a Dohney company. It was the first conviction for felony by a cabinet officer in history, and likewise the first in any of the criminal cases growing out of the oil scandals of the Harding administration.

Owen J. Roberts, special government counsel, announced that efforts would be made to try Dohney for giving a bribe last January.

Recommended Mercy

A portentous stillness settled over the jammed courtroom as the jury filed in. This was seen broken by each of the eight men and four women jurors.

Justice said Fall had been indicted on a charge of bribery. He was asked if he would be extended mercy by the court. Throughout the trial and previously he had refused.

(Continued On Page 4, Column 3)

IDAHO FALLS COURT LETS TWO SOLICITORS GO FREE

IDAHO FALLS, Oct. 25 (AP)—Charges of obtaining money under false pretenses against W. R. Apetz and Henry Den Bredaveil, workers for the Volunteers of America, were dropped in probate court here today when the complaining witnesses withdrew their charges.

Information from the Western division office of the Volunteers at Seattle indicated the workers are in good standing. The men left after paying court costs of \$50.

BALDRIDGE SELECTS ST. MARIES MAN AS SUCCESSOR TO KINNE

OSCAR E. HALEY, Experienced Lieutenant Governor, to Assume Duties of Post Vacated Through Death

BOISE, Oct. 25.—Oscar E. Haley, St. Maries, was today appointed lieutenant governor by Governor H. C. Hallock.

Mr. Haley served a lieutenant gubernatorial term during Governor Holbrooks' first administration but refused to accept the office because of press of business.

The governor expressed confidence in Mr. Haley's abilities.

"I deeply regretted Mr. Kinne's decision not to run again last year," he said. "For his qualities of fairness, integrity and industry, and for his public employment fitted to fill in his administration the place so nobly occupied by Mr. Kinne."

The appointment was made in line with the recent opinion of the attorney general giving the former authority to fill the vacancy.

TRAIN QUILTS TRACKS WHEN ENGINEER DIES

No Passengers Seriously Hurt When Crack Eastern Express Jumps from Rails

ELKTON, Md., Oct. 25 (AP)—Running with a deafening roar, the engine throttled, to Pullman cars of a Washington-New York express of the Pennsylvania railroad jumped the track after the locomotive hit and snapped a buckle—freight on—the southbound tracks at Iron Hill, three miles north of Longtown.

Shaking up scores of passengers on the express.

The engineer of the express, George Rollins, 40, Washington, was instantly killed when a piece of timber from the buckled freight car hit him over the heart as his engine struck it.

The locomotive, running free with the dead man's hand on the throttle, left the tracks and dragged the Pullman cars after it.

The impact of the express striking the freight train a dozen freight cars from the southbound tracks, splintered three of them to bits, scattering debris over both north and southbound rights-of-way, and delaying all traffic.

None of the passengers on the express was seriously hurt.

WAD MOTHERS OF IDAHO HONOR KIMBERLY WOMAN

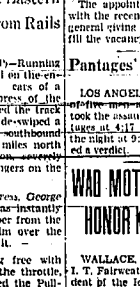

WALLACE, Idaho, Oct. 25 (AP)—Mrs. I. T. Fairweather was re-elected president by the Idaho War Mothers' association at the closing session of the biennial convention here today.

Kimberly was selected for the 1930 presiding place.

Other officers elected were: Mrs. J. L. Hays, Lewiston, first vice president; Mrs. Tracy Dawson, Idaho Falls, second vice president; Mrs. T. H. Irwin, Kimberly, third vice president; Mrs. George N. Osborne, Burke, fourth vice president.

7000 South Idaho Educators At Twin Falls Convention Hear Addresses By Leaders

High lights of the first day's session of the national convention of the Idaho Education Association fourth district which opened here yesterday which nearly 800 educators from eight South Idaho counties attending, included addresses by Dr. Adam

JOHN R. DYER, executive dean of the Idaho university system, convention speaker here.

Dr. Adam S. Bennion, Salt Lake City; John R. Dyer, Pocatello, and Commissioner of Education—Present

Registration of instructors totaled last night.

Of 746 registered at 5 P. M. yesterday 384 came from Twin Falls county, 42 from Blaine county, 145 from Cassia county, 81 from Minidoka county, 33 from Lincoln county, 78 from Jerome county, 80 from Blaine county, 17 from Camas county and one from Owyhee county; which lie outside the fourth district.

Formally responses for appeals for county relief, the situation last night. As anticipated many delegates came in with a view of driving home a point, and in the evening a number of resolutions were introduced.

These included the intelligence test; the showing of normal school examinations; the question of the value of the normal school; the value of the normal school; the value of the normal school.

Invitation at the afternoon meeting was offered by Rev. E. Temple Starkey, pastor of the First Presbyterian church.

In his address on "Teaching a Challenge" at the morning session, Dr. Bennion discussed methods of teaching and the relation of the teacher to the school-work—He paid high tribute to the work of the Twin Falls High school orchestra and the Harmony Boys' club.

"At present," he said, the intelligence test is very much in favor. Intelligence tests are being used in different branches of our work. When he accepted his present position as director of personnel in the Electric Power and Light company, he was warned against students. It was explained that there was nothing gained by a student making grades, provided he has the necessary qualities. On this subject later he said that some people occasionally are misled by the idea that it is necessary to agree with the teacher.

The normal school examination test was another one often regarded as final evidence of fitness. It was pointed out in the case. Many a bashful girl or self-conscious boy who showed up inferior grades in different branches of the subject, never could conduct an examination as a teacher and be my natural self. What he said was that it was a matter of losing my job. The matter of commendation, or of introduction are virtually valueless as indicating the ability of a teacher. Dr. Bennion said that they are at times useful, but we must not forget that an employer will frequently write a splendid letter of recommendation for an employee in order to get rid of him," he declared.

Definite and accurate knowledge was necessary so that the teacher became part of the student. It is important, he said, to think constructively rather than to pass the time in day dreams.

He warned against what is known as "rationalization," that is in the practice of spending time lying to bolster up one's self. It is the worst habit of the student. It is important that students should think correctly, he declared.

Mr. Bennion said that "Man is the only animal who can think, and work. The thing that distinguishes the teacher from the student is that the teacher can think, he asserted. The example of the normal school turned out of school within three months on the ground that the pedagogue had failed to do his duty. The example of the normal school turned out of school within three months on the ground that the pedagogue had failed to do his duty.

This convention is the largest ever held in the Twin Falls area. It was held at the Twin Falls hotel, which is occupied by the instructor, John A. Pomeroy.

TWIN FALLS STOCK JUDGES IN PORTLAND

Livestock Aristocracy Undergoes Manicures and Shampoos Before Contest

PORTLAND, Oct. 25 (AP)—Livestock aristocracy underwent manicures and shampoos in the Pacific International Livestock exhibition here today in preparation for the opening of the week's livestock show.

Most of the Northwest entries were in tight stalls within the castrated pens and with 25 carloads of cattle, horses, sheep and hogs, arrived today from St. Louis, where occupants of the train wore ribbons and cups in other livestock shows. Among those here for a share in the \$100,000 cash premiums.

The program includes judging contests with junior teams from several agricultural colleges competing. Smith-Tupling teams also will hold the annual show.

Among the Smith-Tupling high school stock-holding teams is the Twin Falls team which won the title last year from Portland. It is accompanied by the instructor, John A. Pomeroy.

Jerome Triumphs Over Fier Eleven, 7-6, on Lincoln Field

Idaho Falls Grid Team Crushes Rupert by 33-to-12 Score

Wildcat Threats In Last Period Almost Defeat Tiger Team

After North Siders Complete Pass for Score in Second Quarter, Losers Launch Powerful Attack

By E. M. SWEELEY
In a fast, scrappy and very pretty game Jerome won over Fier by a margin of one point, 7 to 6, here on Lincoln field yesterday. Jerome's score came at the end of a mareh from a 33-to-12 victory over Idaho Falls eleven on Saturday. The King of the ends and Tyson and Card smothered through the line, to Fier's 39-yard mark. There a long pass, Dellinger to Meek, sent the ball over. The score came at the end of the second quarter. Near the end of the last quarter, and after three Fier invaders had reached the inside of Jerome's 20-yard line, only to be turned back. Fier took the ball at mid-field, and with Barton and Harschberger alternating attack routes, they went two yards to Jerome's goal. Potter slid under the line for the touchdown. Fier made 20 first downs to Jerome's 10 by running. No Fier forward pass was completed. Jerome made but one forward pass, but it went for 30 yards from which he kicked the total net gain of 143 yards. One of Barton's boots railed and rolled down 30 yards from which he kicked the field goal, and heeded his team 71 yards. Jerome punted 11 times for 248 yards. Net Potter's line returns cut down the gain of Carl's long kicks.

Play at Top Speed
Jerome kicked off to open the game and the first quarter was played by both teams at top speed. The ball came back to Jerome's gains by each team in which Jerome travelled 30 yards towards Fier's goal, and Fier's back with a 60-yard march started by 23-yr old player by Harschberger on a lateral from a punt for 30 yards. Fier's attack was checked through the middle, but neither could keep it up to a score. Jerome ended the scoreless quarter with a 40-yard punt. Potter's line sent that left the ball on the 39-yard line. The ball went over to Fier's hands on the second play in the new quarter. Card's punt went over the goal line. The ball was brought out to the 20-yard mark, and from about 10 yards back, Burtt looked one that called over Dellinger's head and rolled to the wildcat line—yard line. A punt line in which Fier's line called and Card's kicks to even up the gains, finally gave Jerome the ball on her own 29-yard line. There started the Tigers' scoring drive. With no long passes, but with steady and hard offense that brought steady first downs, the ball went back to Jerome's 20-yard line. Fier's 23-year mark, A. Card of three yards of an attempted end run that Rich stopped, put Jerome in a hole. On the next play Dellinger took the ball back, eluded the burring Fier line, and shot a long toss forward to Meek in the left corner of the field. Meek was clear and over the line before he was smothered by Fier kickers. Dellinger placed the point, and with a kick-off one play the ball ended Jerome was leading, 7 to 0.

Stage Punting Drama
Following Jerome's kickoff the game developed another punting duel. Fier could not get out of danger that way, so she took the ball and with reverse and punting plays, with the line runs and hard line plunges, went 10 yards to Jerome's 10-yard line. That was the only scoring threat of the quarter and it ended when a pass flew over Barton's head and hit the ground. Jerome's 7, Fier 0. On the last quarter, Fier, with all the power she had, sent the ball as fast and sharp. A 60-yard drive took the wildcats to the Jerome eight-yard line, where's the score was on the ball. The mishap came at the end of a 15-yard run. Jerome punted and Fier's line gathered up the score, and eight-yard line again, and this time a penalty for offside ahead Fier back took too far and the ball went over again. Card sent a long punt to the score line. Fier was off again. This time there were no mishaps. Barton toughed his way around right end for 20 yards, gathered up the line, and with the line, and then Harschberger took hold. He made it first down, with the goal 12 yards away. Fier's line gathered up the ball on the two-yard line. Another line drive went off tackle, but the ball was over the goal line. Fier for point was fumbled, and Fier

DUMB BELLS

had but six points, with but a minute to play the wildcats started another drive, got by scoring with the ball on an intercepted pass. The whistle ended things before Jerome could make a play. Fier scored three times in the quarter and three times in the second. Two Jerome boys held by hand fighting. One was lost on a fumble, a penalty stopped one, and the score came from the fifth. Fier moved Powers into the back field and got some fine line drives from him. He runs hard, and lights for his yards. Barton and Potter make a hard and battle for every inch. They were well met by Dellinger and King at the running game and Harschberger and Miller round that Tyson and Card could do plain line bucking to sold an advantage. Fier's most of the game was in the second quarter. It came more apparent late in the game. It was a pretty contest, the fastest in the season. Both teams were sharp on the ball. Delays were infrequent and the officials judged the ball and players with no foul and no delay. The whistle did not stop the players until they were completed.

Lineup

Jerome	Fier	
(7)	(6)	
End	Rich

Twin Falls Bruins And Nampa Bulldogs Battle To Scoreless Tie In Strenuous Inter-Sectional Contest On Gridiron

Visiting Team Loses Ball by Fumble On Opponents Two-Yard Line as Final Whistle Sounds for Game

(By The Associated Press)
NAMP, Oct. 25.—Nampa and Twin Falls high school football teams battled to a 0-0 tie in a stiff inter-sectional game here today that found both teams within scoring distance on several occasions and ended with the Twin Falls team losing the ball by a fumble on the Nampa two-yard line as the final whistle blew. Yardage gained by the teams was about equal, and the result gave almost no indication of the sectional strength. Twin Falls held the Bulldogs for three downs near the end of the second quarter, robbing the local team of its best chance to score. The major Twin Falls threat came in the last minutes of play when a series of passes carried the ball to the four-yard line. Here the Bulldogs held for three downs and a fumble muffed up the final plunge of the invading Bruins. Nampa's Tom Folsom, quarterback, was the outstanding player for the invaders, making two long runs and participating in three touchdowns. The Bruins were outstanding for Nampa.

Willamette Defeats Buhl Eleven Wins

Idaho College, 42-0

Erickson Leads Attack of Bearcats and University Wins by Decisive Score

SALEM, Ore., Oct. 25 (AP)—Scoring a touchdown on the first play after the kickoff, Willamette University defeated Buhl eleven today, while Idaho College, 42-0, in a 12-0-0 score in favor of the local team. A 61-yard run by Erickson, Bearcat half, gave Willamette its first touchdown and he repeated with a 70-yard run in the second half, only to be downed on the five-yard line, where the locals were held. The Bearcats scored touchdowns in the first quarter, two in the second, two in the third, but were held scoreless in the last period. The Coyotes recored in an aerial attack during the last quarter and made substantial gains but could not get within scoring distance.

Oakley Vanquishes Shoshone Team, 7-0

OAKLEY, Oct. 25 (Special to The News)—The Shoshone team followed by a fast 15-yard dash in the second quarter brought a touchdown and victory for the Oakley grid team in its game against Shoshone here this afternoon. The score was 7 to 0.

Boise Deer Hunters Have Slight Success

Department Hears Reports of Additional Slaughter in Twin Falls County

BOISE, Oct. 25 (AP)—With only one deer on the list for the season in southern Idaho, hunters of this section are about settled to the conclusion that the year was going down into open season's history as a bad one for hunters. Comparatively few hunters have returned to this section with deer while even the higher hunting grounds have not surrendered the quota of former years.

Probably the most prolific fields were those of Twin Falls, where up to 800 deer have already been reported killed and the hunting so easy that amateurs are getting them. Many complaints have been received by the game department from this section that the year was going down into open season's history as a bad one for hunters. The Lenni section has also been limited successfully.

Willamette Defeats Buhl Eleven Wins

Idaho College, 42-0

Erickson Leads Attack of Bearcats and University Wins by Decisive Score

BURLEY, Oct. 25 (Special to The News)—Buhl defeated Burley here today, 13-0-0. The first half was scoreless, but the second half was a one-sided affair. Buhl's passing game went well, and helped to keep Buhl at bay. In the last quarter, with but 2 minutes left of the game, Buhl worked over and under a touchdown. Burley's defense held Buhl's attack. Buhl's backfield, Dave Hyde, and Alving, could carry the ball for good gains, but could not make their passes work. Stewart was muffed at end and Stewart had fumbled in the line, did good work for Buhl. Burley's passing game went well, and helped to keep Buhl at bay.

Buhl's Postmaster Back From Hawaii

Mr. and Mrs. R. W. Banbury Tell of Havoc Wrought by Severe Earthquakes

Buhl, Oct. 23.—Postmaster and Mrs. R. W. Banbury returned to Buhl, Idaho, Wednesday evening from a six week tour of the Hawaiian Islands and the coast cities witnessing during their stay on the islands the havoc wrought from recent severe earthquakes near Hilo, Mr. and Mrs. Banbury said they were four hours from port on board the ship when the vessel was shaken severely, giving rise to the belief that a coral reef had been struck. Inhabitants on the west side of the island of Hawaii were terrified by the disturbance, many of them leaving their homes. More than 70 immense cracks were opened in the main travel highway between Waimea and Kealahou in the Kona district, the principal coffee raising district of the islands. Many homes were shaken into foundations and the telegraph owned by the United States and situated near the crater of Haleakalaha was completely destroyed. This crater is 1200 feet deep, the largest on the island and at the time of Mr. and Mrs. Banbury's visit the island was cooled lava. Golf balls thrown into the pit bounced about on the surface, they said. In June of this year, Buhl, Idaho, was visited by an earthquake which did not reach the top of the crater. Scattered barracks, largest of the United States Army barracks, were destroyed and the island Molokai was passed en route to Honolulu. Maui, Lanai and Kahoolawe, principal pineapple and sugar cane districts also on the steamship route taken by Mr. and Mrs. Banbury. Mr. Banbury attended sessions of the National Postmasters' Association convention at Sacramento, September 18 to 20, at which Postmaster General Walter F. Brown was present. Other officers represented included Buhl, Twin Falls, Boise and Kellogg. Notables returning on the Matsonia were Albert Gaylor, film star, and his husband Lyell Peck, relations of the late homecoming ship to Honolulu and Dr. G. W. Willard for the past 12 years a member of the faculty at Yale. Mr. and Mrs. Banbury visited relatives at Santa Rosa, California on their return and also at Portland and Baker, Oregon, returning to Buhl by motor via the Columbia highway.

Odd Fellows and Rebekahs entertained Wednesday evening at the annual banquet dinner of the groups in places marked for 250 at long tables centered with cut flowers in pink and green carrying out the color scheme of the Rebekah center. Following the dinner Mrs. Frank Reeves, Mrs. Earl Davis and Mrs. F. O. Ripley, as the committee on arrangements, presented the following program: Piano solo, Esther Laartz; piano duet, Patay Joyce and Lorene Patrai; musical trio, Luiza Spake, Walter Tanner, saxophone and piano, Jack drums; vocal solo, Mrs. Larry Kintner with Mrs. Tomlinson all the piano; solo dance number, Shirley Wilson; guitar and song number, Maxine Harvey; Walter Davis, saxophone solo; Walter Tanner, violin solo, accompanied by Margorie Reynolds; reading, "So Was I," Rachel Homler; dance and song number, Muriel Recars, Mary Lacey, Ruth Lacey; Myrtle Lee-Thurman; Evelyn Latham; Ruth Sice. Dancing followed the program.

Funeral services were held at the Methodist church at 2 P. M. Thursday for Jola, eight-month-old daughter of Mr. and Mrs. Edwin E. Hacker, who died at Twin Falls hospital Wednesday. The child was one of two daughters. Services were conducted by Rev. Charles D. Fletcher and burial was in the Buhl cemetery.

W. B. Hatfield, Buhl, with John E. Hays, Twin Falls, manager of the canal company, and N. V. Sharp, Filer, and J. F. Cordes, Twin Falls, directors, is spending several days at Jackson lake on an inspection tour.

Mrs. E. O. Anderson was halves Wednesday to members of the Fairview Kindergarten with 16 members and three guests. Mrs. McCauley, Mrs. Seward King and Mrs. William Baker present. Ball call was answered with exercises members given name and during the program Mrs. J. A. Clark and Mrs. Niren Phillips played a piano duet. The next meeting will be November 6 with Mrs. Earl Allen.

Theatres FILED GIRL TO ENTER SCHOOL IN KENTUCKY

Two Sweethearts for Lila Lee in New Role Rhoda Barbecat Honor Student in High School; to Study at Asbury College

Lila Lee, one of the screen's "most beautiful" beauties, appears as Rhoda Barbecat in the first National favorite's new picture, "Dark Streets," which comes to the Orpheum theatre this evening. Miss Lee recently completed one of her biggest roles in "Drama" in which she played the part of a girl who is abandoned by her lover.

In "Dark Streets" Miss Lee plays the sweetheart of the two brothers (both played by Mulhally), who try to help each other, although on opposite sides of the law.

The picture is adapted from Richard Connell's famous story, "The Red Rover," and is the tale of two brothers, one a cop and the other a gangster. The story offers Mulhally two very remarkable roles, and is said to make a highly dramatic and interesting picture. Aggie Herring gives another of her formidable Irish-mother roles.

Ann Pennington Appears In Show Coming to Idaho

Ann Pennington, dancing star of the Grand Opera House, and musical comedies, makes her debut in Virginia, talking picture, "The Old Diggers of Broadway," a 100 per cent natural color, talking, dancing picture in technical color, coming to the theatre for five days, starting Sunday.

Her role, which is one demanding the utmost in dramatic interpretation, is that of a girl who returns to Broadway after more than three years on the road.

During the past three years she has been the star of George White's "Scandals" at the Apollo theatre in New York. Previous to that she starred in several feature silent motion pictures.

In the all-star cast with Miss Pennington in "Gold Diggers of Broadway" are: Elystan Gassman, "Corky" Burtie, Albert Gran, Winnie Lightner, William Bakewell, Helen Foster, Julia Swayne, Gordon, Gertrude Short, Nick Luana, Neely Edwards, Lee Moran and Armand Kalis and a beautiful chorus of 12.

"Gold Diggers of Broadway" is based on the play of Arrey Rowand. The songs by Al Dubin and Joe Burke. Scene adaptation was made by Robert Lord. Presentation by Larry Ceballos. Roy Dol Ruth directed.

CASSIA COUNTY HOGS WIN AWARDS AT MANY SHOWS

BURLEY, Oct. 23.—(Special to The News)—Olson brothers, young aviators of the Middle West, are the only Cassia county livestock raisers showing at the Portland International fair. They have entered up at most of the shows and fairs in the Northwest, and are closing their campaign at Portland.

These brothers Floyd and Carl, have already gathered in a quantity of ribbons, many of them purple, at this year's shows. Starting at the Twin Falls county fair, they have exhibited at Burley, Jerome and Blackfoot, Logan, Salt Lake City, Missoula, Helena, Mountain Home and Yakima. Their stock consists of Poland China and Hampshire hogs.

THE GUMPS THROW AWAY YOUR HAMMER

The DEVIL'S MANTLE

By Frank L. Packard
'I have never answered that question... I am sure I will not answer it again.

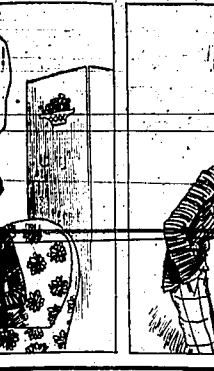

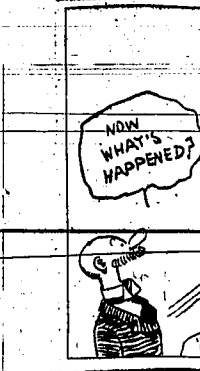

'It is your right to refuse to answer any questions... I don't think it will matter to you whether you exercise that right or not.

'I don't like to talk of it,' he said humbly... 'I've seen nothing for this new accusation, for the critical position in which he stood.'

'I am perfectly true,' said Peter... 'I do not recognize Jenkins; but for that matter, I would be unable to recognize the man I met there.'

'You don't know?' 'What did you do in the meeting?' 'I went to bed, thought the little man... "What if you growed I did?"

'What awakened you?' 'Well,' said Captain Mumm, after a moment... 'I came into the cabin and perhaps went to bed—since we found him there.'

CHURCH LEADER TO ATTEND CONFERENCE

Elder Stephen I. Richards of Quorum of Twelve Apostles of Twin Falls Visitor

Elder Stephen I. Richards, Salt Lake City, Utah, will attend the Latter-Day Saints church quorum of twelve apostles and a member of the church's board of education to visit to Twin Falls at the quarterly conference this evening and tomorrow ending at the church here were advised last evening.

Mr. Richards is regarded as a speaker of outstanding ability and a man of exceptionally wide experience. He attended sessions of a church conference here in his first visit to the church here in the fall of 1928.

Conference sessions will open with a meeting this evening for all men in the priesthood.

BREVITIES

- Here to Visit—Mrs. C. C. Bullard, Encanto, arrived yesterday to visit friends over the week end.
- Will Visit Portland—E. P. Potter is planning a trip to Portland on which he expects to leave today.
- Returns to Shoshone—Mrs. George Hays, Shoshone, returned to her home yesterday after a visit in Twin Falls yesterday.
- On Trip to Iowa—Mr. and Mrs. C. J. Schroeder left Friday afternoon by motor for Iowa where they plan to visit for about two weeks.
- Halley Falls Visit—Mr. and Mrs. Frank Boone, Mrs. A. S. Rutherford and Mrs. B. M. Perkins are in Halley Falls in Twin Falls, Friday.
- Health Improves—Mrs. George Metcalf, who has been receiving medical treatment for the last six weeks is improving slowly at the Twin Falls county hospital.
- Back from California—Miss Doris Kleunder, Los Angeles, arrived Friday noon to visit her mother, Mrs. Lydia Kleunder and sister, Miss Eleanor Kleunder.
- Leave for Coeur d'Alene—Mrs. Mary Bennett left Friday morning for Coeur d'Alene where Mr. Bennett was called on legal business. They expect to spend a few days in Coeur d'Alene.
- Parents of Son—Mr. and Mrs. J. O. Rasmussen are the parents of a son, Richard Ormsby, born Wednesday, October 23, at the county General Hospital. Mrs. Rasmussen was formerly Miss Hazel Ormsby.
- Home from California—Mrs. Fred Hill, Boise, returned to her home yesterday, by way of Wells, from Berkeley, where she had visited her daughter who is a student in the University of California.
- Potato Harvest Near End—The potato harvest will close next week, it was predicted among buyers in the warehouse district yesterday. The low temperature has done them no harm, it is stated. Cullars are all under cover.
- Minister From Kansas To Fill Pulpit Here

Rev. George Munneke, Parsons, Kansas, is expected to arrive today to occupy the pulpit of the Methodist church here Sunday. The church here has been without a minister since the departure of Rev. Arthur O. Pearson to become pastor of Pendleton, Oregon, Presbyterian church last month.

Mr. Munneke, who is regarded as one of the outstanding Presbyterian ministers in the west, has been pastor of the Parsons church for some years, and prior to that was pastor of the First Presbyterian church of Boone, Iowa.

WOMAN HURT WHEN CAR STRIKES POLE

Mrs. C. F. McClain, Twin Falls, Believed Only Slightly Injured, Goes to Hospital

Mrs. C. F. McClain, Route 2, Twin Falls, was taken to Twin Falls county general hospital after her car crashed against a telephone pole when she turned it in an attempt to avoid collision with another machine at a road intersection at the southeast corner of Twin Falls municipal limits at about 4 P. M. this evening.

An examination made at the hospital indicated that Mrs. McClain was suffering internally from shock, but she will be kept under observation for a time at the hospital to determine whether she received internal injuries.

Mr. Nellie Lawyer, Duhl, and two children, riding with Mrs. McClain, escaped with minor cuts and bruises.

Mrs. McClain, according to reports made by police investigators, was driving northward toward Twin Falls, and the other machine, driven by Harold Vance, Route 2, Twin Falls, was traveling toward the west.

The two machines came into the crossroad at the same time. Mrs. McClain turned to the right, but was unable to steer clear of the pole. Vance also turned to the right onto the north and south road, the two machines coming so close together that fenders scraped.

Auto Mechanic Admits Driving at High Speed

Emmett O'Neill, automobile mechanic, was sentenced in police court here yesterday to pay \$35 fine for driving an automobile 50 miles an hour on Third Falls street. O'Neill admitted the charge. He said that he was testing the car which did not respond properly to steering at that speed.

FORD AGENCY MOVES INTO NEW-QUARTERS

Super-Service Station New Development in Business of Union Motor Company

Union Motor company, Ford motor agency in Twin Falls, will complete today and tomorrow removal of its office from the present quarters at the corner of Main and Third streets to a new location at the southeast corner of Third and Main streets.

The new building, which has just been completed, is a substantial structure. Space for representing an investment of approximately \$25,000. Neon lighting has been installed for brilliant illumination at night.

In its new home, the company will emphasize service. The south corner of the building is given over to a drive-in service for prompt service of all oil and other supplies.

Large Display Room

The main entrance leads into a big room that is to be used for display of new cars and for the office and parts department. In a larger room at the rear, equipment, including a 10-drum hot—has been installed for washing, greasing and smaller jobs.

The basement will accommodate the heating plant, employees' lockers and shower baths and stores of larger parts such as radiators and fenders.

Instant service is the most modern development in the retail trade. G. O. Butler, the owner, says that the new agency will offer prompt attention for every car as it comes in.

Fathers to Answer for Boys' Play With Guns

Fathers of two small boys, reported to have been engaged in target practice with firearms near their residences in the east quarter of Twin Falls yesterday, were summoned into probate court last evening to consider with Judge C. A. Butler the danger and general liability of promiscuous use of lethal weapons.

One of the boys, a lad of 12 years, admitted readily to the offense, that he had fired seven or eight shots out of a .22 calibre revolver that he had taken out of his father's trunk during the latter's absence.

The other lad, a neighbor, was said to have discharged a small gauge shotgun.

The judge indicated that the weapons should be confiscated, at least for a time.

In 1925, over 11,000 murders were committed in the United States.

The total value of the White House and grounds is \$21,920,975.

Mother Anilists Police In Hunt For Small Boy

Donovan (Buddie) Smith, 8, was missing from his home at midnight last night when his mother called the police to aid in search for him. Buddie was last seen and his mother says he was wearing a blue shirt, blue overalls and boy-scout shoes.

Circumstances under which he disappeared were not told to the mother entry at the police station.

Stricken Mother Waits Word of Wandering Son

A 17-year-old Salt Lake City boy who ran away from home last week, left his mother who is now seriously ill in a hospital, according to word from the Family Service society of Salt Lake City received by the police here yesterday.

Since it was deemed necessary to tell the mother that her son had run away, when she questioned his prolonged absence, the society's agent stated, she was worried greatly about him and her condition has become more serious. Attending physicians believe that the pressure of the son at her bedside will aid her recovery.

The boy's name was given as Charles Tongue. He is believed to be in Twin Falls. He is described as somewhat slender, with long face covered with freckles, light hair and light blue eyes. He is believed to be accompanied by Desmond Lee, also 17 years old.

Another Big Hat Special At The I. D. Saturday Unexpected—Seasonable

The vice president of one of Salt Lake City's largest manufacturers of ladies' fine hats called on us yesterday. He had a number of dozens of charming late Autumn Felts that brought regular from \$3.00 to \$5.00. This was final clean-up at the factory and we were given the first opportunity to purchase this extra value lot for cash on the spot. We did. They are all in dark autumn shades and the styling as you can see for yourself is that of the regular \$3.00 and \$5.00 grades. This morning this entire lot will be put out at the low price of
