PRESIDENT HOOVER PRINTS OUT DUTIES IN CHILD'S BEHALF

Boy-With Sister-Most Precious Possession of Home Declares Chief Magistrate In Addressing Boy Scouts

(By The Associated Press) WASHINGTON, March 10.—Speaking in the full knowledge of parenthood, President Hoover told the nation tonight that the boy—with his sister—is the most precious possession of the American home and urged the boy scouts to counsel the lad's future time to be employed to direct his interests to constructive joy instead of destructive vice.

The chief executive pointed to the boy scout movement as one by which parents in this period of complex civilization might solve the problem of filling the leisure time of their sons. The speech, which he made at a dinner given by the Boy Scouts of America inaugurating a five-year expansion program, was broadcast nationally.

President Hoover referred to the organization as one that had opened the portals of adventure for the boy, had taught him the joys of nature, the value of discipline and of the effort, and the democracy of life.

"This is the plastic period when the impressions made are made. It is to you, boys, that I address myself," the president said, "and I urge you to take your place as the future of the nation. You are the future of the nation. You are the future of the nation. You are the future of the nation."

The address before the 21st annual dinner of the Boy Scouts of America was held at the Waldorf-Astoria hotel in Washington. President Hoover was the guest of honor.

The dinner marked the twentieth anniversary of the boy scouts. At it was launched an appeal for \$1,000,000 to expand the program and to provide a retirement fund for those professional men engaged in scout work. Various officials of the organization and leaders in boy work attended the dinner.

SEVEN NATIONS'S GLIDER EXPERTS PLAN TO UNITE

DARMSTADT, Germany, March 10.—Glider experts from seven countries, including the United States, today decided to cooperate in the study for the furtherance of research into the possibilities of motorless gliders and the construction of a glider club in each country.

The experts are attending the first international scientific glider conference, which opened over the weekend.

PEACE PIPE USED BY COOLIDGE DISAPPEARS

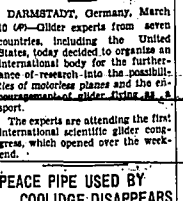

FLORENCE, Arizona, March 10.—The peace pipe which Calvin Coolidge smoked last Tuesday with Pima and Apache Indians at the dedication of the Coolidge monument in this town, could not be traced by a prize hunter, but a "southern hunter" made away with it.

NEW ZEALAND PORT CITY GREETED BYRD

DUNEDIN, New Zealand, March 10.—The first flying civilization received today by Rear-Admiral Richard E. Byrd and his party after 10 days of arduous flight in the Antarctic, during which they flew the American flag over the South Pole, was greeted by a procession of 1500 people.

Not only Byrd, but every one of his 11 men who for three weeks have braved the hardships and hazards of the polar regions were warmly greeted by the city of 250,000 people.

Not only Byrd, but every one of his 11 men who for three weeks have braved the hardships and hazards of the polar regions were warmly greeted by the city of 250,000 people.

COMMISSION WINS MAJORITY SUPPORT

General Feeling of Satisfaction Greeting Proposal for Presidential Candidate

PORT AU PRINCE, Haiti, March 10.—A general feeling of satisfaction with the plan of the Hoover commission involving selection of a president and vice-presidential candidate for the provisional period was apparent in opposition circles today.

The commission's plan, which was announced last night, was hailed as a step toward the restoration of order and stability to the country.

The commission has modified its plan to conform to the new developments in the country.

DAFFLING MADALY SIMPLICITY MARKS STALKS DIXIELAND RITES FOR JUSTICE

County Official Announces Quarantine of 103 Persons, Drinkers of Alcohol

JOHNSON CITY, Tenn., March 10.—Quarantine of 103 patients afflicted by a baffling paralytic malady in Washington, Carter and other counties was announced tonight by Dr. S. S. Moody, Washington health officer.

The disease, which is called "daffling madaly," is a form of poliomyelitis.

The patients are being treated in a special hospital in Johnson City.

LEADERS OF NAVAL DELEGATES PONDER ON FRENCH DEMAND

PRIME MINISTER MACDONALD AND SECRETARY STIMSON DISCUSS BRIAND PROPOSAL FOR MUTUAL GUARANTEES

(By The Associated Press) LONDON, March 10.—The leaders of the American, British and French naval delegations today turned their assistants toward technical matters, but they themselves will continue informal discussion of the larger political aspects of European discussion.

Having heard from Foreign Minister Briand and Secretary Stimson, the American delegation today turned their attention to technical matters.

The relationship of the American fleet program to any French agreement was given today as the explanation why an American

18-Year-Old Aviatrix Paints Word Picture Of Flight To Set Women's Record For Altitude

ROOSEVELT FIELD, N. Y., March 10.—Ellnor Smith, 18-year-old aviatrix who today apparently has established a new altitude record for women, gave a word-picture of her flight to The Associated Press.

Setting out to better the previous record of 24,000 feet by the late Marcel Cresson, who was killed in the winter of last year, Miss Smith climbed to an apparent height of 29,000 feet. She described her experience in the following words:

"I was rather anxious as to the visibility as I had been told that the visibility was very poor. I was able to blow one backward, and I had no way of knowing what I had done. I was able to see the ground below me, and I was able to see the ground below me."

"I kept climbing in the winter, leaving the base and summit at about 5000 feet. From there on it was beautifully clear, and from my lofty perch I could look down through the smoke and see for miles. In fact when I reached my approximate ceiling of 29,000 feet I could see the ground below me."

SMALL CHILDREN AND MOTHERS FALL VICTIMS OF FIRE AND ENSUING PANIC AT SEUL

SEUL, KOREA, March 10.—Fire and panic killed 109 persons, most of them small children and their mothers, today in Seoul, Korea, when a fire broke out in a building housing the Japanese consular office.

The fire started in a room used for the storage of books and papers. The fire spread rapidly, and many people were injured.

The fire broke out at about 10:30 p.m. The fire department arrived at about 11:30 p.m. The fire was extinguished at about 12:30 a.m.

The fire caused a panic among the people. Many people were injured, and many people were killed.

The fire was a major disaster for the city. The damage was extensive, and the loss of life was heavy.

Government Departments Plan Funeral Services For Twenty-Seventh President

Chief Magistrate, Supreme Court and Congress Forego Daily Labors, as Cannon Booms Requiem, To Arrange Rites for Beloved Figure—William Howard Taft

(By The Associated Press) WASHINGTON, March 10.—The government of a bereaved nation tomorrow will put William Howard Taft to rest with honors denoted in its cemetery overlooking the capital city.

Foregoing the daily work, congress, the supreme court and President Hoover turned today, as cannon boomed a requiem, to make every preparation for the funeral services of America's beloved public servant.

In the morning the body will be escorted from his home to the capitol to lie in state at a point only a few paces from where Mr. Taft took the oath as president of the United States and near also to the chamber in which he served as chief justice.

At 2 P. M. the funeral services will be conducted in the church in the presence of the family, the president and his representatives of the nation. Then, without military honors, the body will be taken across the Potomac river to rest with America's soldier and statesman dead at Arlington national cemetery.

CREWS RESCUE 87 MEN IN OHIO MINE

BURNING TIMBERS AND FALLING COAL MENACE LIVES OF SQUADS OF RELIEF WORKERS

STUEBENVILLE, Ohio, March 10.—After the rescue from a burning mine and falling timbers, 87 men were rescued from a coal mine in Stuebenville, Ohio, today.

The rescue was a major achievement for the mine rescue workers. The men were rescued from a mine that had been abandoned for several years.

The rescue was a major achievement for the mine rescue workers. The men were rescued from a mine that had been abandoned for several years.

BOARD EDICT CALLS FOR SCHOOLS OF EDUCATIONAL STAFF

Contracts For Employment Require Teachers to Spend One Summer in Three In Attendance of 'Open' Classes

With the expectation that all teachers now employed, or to be employed in the future in Twin Falls public schools must spend one summer in the summer attending summer school, Twin Falls board of education in regular session last night directed all teachers now employed of whom there are 90. Under this stipulation teachers are required to attend 'open' in the subjects which they are employed to teach, and must file their credits in the superintendent's office before the 15th of the school year.

This new school year in Twin Falls will begin on September 8, and the board decided last night.

Fifth Mentor Comes Here

The mentor of Fifth union high school whose livestock judge team won the Idaho championship and represented the state in national competition at Kansas City last fall, Mr. Mink has been employed as Smith's teacher in the new addition to Twin Falls high school, and will enter upon his duties here on March 15, according to the records by the board last night. Mr. Mink will succeed John S. Ferguson, who resigned some weeks ago to become field agent for the Jerome Cooperative Creamery.

Study Building Plans

Looking toward construction of a gymnasium and auditorium in addition to the high school building for which voters of the district last month approved a \$200,000 bond issue, members of the board last night discussed with J. A. Finnell and W. C. Pinnell, both architects of the proposed structure, and arranged for a further conference with Mr. Finnell here.

BREVITIES

Leaves for Tonopah - William Whitler left yesterday morning for Tonopah, Nevada, on a business mission.

Will Visit Colorado - H. P. Craig and H. R. Carter expect to leave on a business trip to Lake City, Colorado, today.

Will Appear in Court - T. K. Hackman, Twin Falls attorney, will go to Boise today to appear in the supreme court.

Home From California - Mrs. J. Dexter, Jerome, returned yesterday from Los Angeles where she has been on a business mission.

Returns to family - Miss Louise Leavitt, Burley, who has been visiting her friends here for some time, returned to her home last evening.

On Brief Visit - Mrs. R. T. Stone Gooding, with her two little daughters, visited here for a short time with her sister, Mrs. Ella M. White.

Long Short Visit - M. G. Ripley, Nank Beach, former resident here, arrived Sunday on a business visit and left last evening for his home.

California Woman Visits - Mrs. E. H. Hooper, Baker, Idaho, California, was in Twin Falls yesterday on her way to Burley to visit Mr. and Mrs. R. L. Wilson.

Returns After Trip - Mrs. Annetta A. Gilt returned yesterday afternoon on a trip during which she visited in California and returned by way of the Panama canal and New York.

Buhl Couple Wed - Conn Billek and Hazel L. Conter, both of Buhl, obtained a marriage license here yesterday and were here thereafter married by Judge W. A. Babcock in district court chambers.

Patient at Hospital - Mrs. E. E. Burns, wife of E. E. Burns, Twin Falls, who was taken to the county general hospital here last evening to undergo an operation, is now recovering from the operation.

POCATELLO FIRMS OPPOSE FRANCHISE

Two Companies File Brief With Commission, Opposing Charter for Competitor

BOISE, March 10 (AP)—The Public Utilities Consolidated corporation, Pocatello, and the Norton Gas and Oil company today filed a brief with the public utilities commission protesting granting of a franchise to L. B. Deming and John McFadyen to supply natural gas to southeastern Idaho.

The brief contended that the consolidated was able to distribute natural gas through Pocatello and suggested that in case the franchise were to be granted it carry the provision that the new company, could bring the gas only to the city limits and there sell it to the consolidated.

As an additional factor, it was contended that a natural gas field at Arimo, 35 miles south of Pocatello, was being promptly developed and that it would be wise for the public utilities commission to hold off a while to learn if this gas could be brought in in commercial quantities.

In support of its stand it was pointed out that the new company planned to spend upwards of a million and a half dollars. This, the brief declared, would necessitate high rates in order to assure a profit on the investment. Lower rates would be possible from a nearby field, the brief said.

As to the ability of the two applicants to finance the proposition, the brief contended it was not established that they were backed by the Western Public Service corporation which had brought gas into Salt Lake City and Ogden.

Protection was demanded for the Public-Utilities-Consolidated corporation for its investment in supply manufactured gas to Pocatello. The new company has made no offer to purchase the consolidated, as it did the local companies in Salt Lake City and Ogden.

The statement closed with a plea to withhold action on the matter for a while in view of the various questions cited. "More statements than law is needed," it said, "in deciding the present matter."

UTAH PHYSICIAN DELAYS POSTING OF BIG AWARD

BALT LAKE CITY, March 10 (AP)—Dr. Frank Mooremeister, husband of Dorothy Dexter Mooremeister, will not post a reward for the arrest and conviction of the murderer of his wife until after the coroner's inquest, which will be resumed Monday, he stated tonight.

It is expected that a number of minor witnesses will be placed on the stand at the inquest but no important developments are anticipated. The jury, however, was expected to return a verdict on the evidence as handed and the posting of a reward depends on their finding. Dr. Mooremeister said.

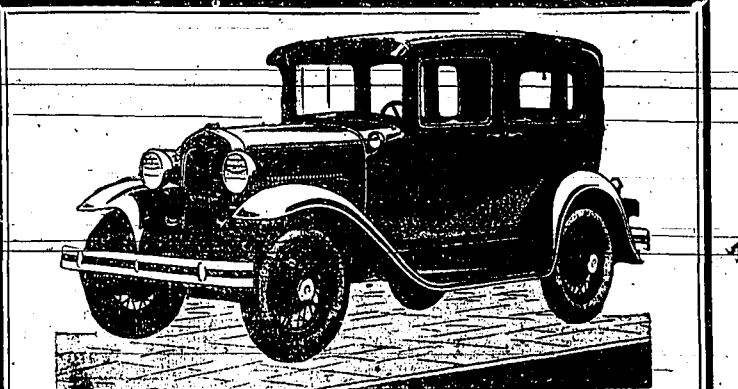

While the matter of posting a reward is indefinite, Dr. Mooremeister determined that he will not give up this search for the slayer, and will secure a special investigator when the county officers give up the case, he said.

Rumors that Dr. Mooremeister and his wife, in a conference in an attorney's office late in the afternoon on the day of the murder, made a property settlement and that a large amount of money was turned over to Mrs. Mooremeister, have been investigated by the county officers.

EX-SENATOR HEITFELD LIES SERIOUSLY ILL

LEWISTON, Idaho, March 10 (AP)—Former United States Senator Henry Heitfeld, now a New Poreo county commissioner, was reported seriously ill here today. He was taken to a hospital suffering with influenza and heart trouble. Mr. Heitfeld was senator from 1897 to 1903.

"The guards with holes through their centers are allowed over the havers to prevent rain from reaching them from the ship."

What Do You Pay For Extra Equipment?

ONE of the things to find out before you decide on an automobile is this - "How much extra equipment will I have to buy and how much will it cost?" Sometimes, you know, the cost of "Extras" is padded to make up for too high an allowance on a used car.

There's mighty little extra equipment to buy on a new Ford and the prices are unusually low.

Table comparing prices for Ford equipment: FORD BUMPERS \$15.00, TIRE LOCK \$3.50, EXTRA TIRE AND TUBE \$12.50, RUMBLE SEAT (COUPE OR ROADSTER) \$25.00

In these five items alone you save nearly \$40 from the usual charges - another instance of Ford efficiency and economy in manufacturing and distribution.

Call or telephone for demonstration.

Hard Coal for Brokers

Detroit Entry In American League Attracts Heavy Hitters

Pitchers Prove Only Worry For Skipper Harris

Early Days of Training Period in Florida Camp Find Michigan Club's Prospects Bright for Winning Nine

By BRIAN BELL (Associated Press Sports Writer) TAMPA, Fla., March 10.—Soft-voiced Stan Harris, manager of the Detroit club, is surrounded by a mob of human hitters and if his pitchers do not cause him to lose his pleasant smile, his Tigers should have some part, perhaps a large one, in the final American league championship.

Detroit had the hitters last year, the club leading the league at bat, but the defense left much to be desired. Since the close of the last campaign, much speed has been needed and the club managers have been busy with pitchers who can protect the club's offense.

Three-fourths of the team's pitching will be returned with Dale Alexander, who pitched for the Tigers last year, and Charlie Cheringer, one of the game's great second basemen. The dependable Marty McManus will lead the club, former Red Sox infielder who had a brilliant year with St. Paul in 1929, practically has won the shortest position.

Outfielders Unknown Not even the keen-eyed Bucky Harris knows who will play the outfield when the opening ball starts rolling. The Browns' Roy Johnson, with a brilliant first year behind him, will have a place and Elias Funk, who was briefly in the majors, has so much speed he is impossible to keep him out. Johnny Stone can hit, but his fielding remains on trial. Harry Rice, a star performer at times, has been playing on the second team, but may be promoted. Bob Roy Pettin brought a huge pitcher-hitter, will continue to practice his specialty.

The battery assignments are in a state of chaos and may remain so for some time. From the more or less ill-fated 1929 team, torn by stress and strife, have emerged four starting pitchers. Earl Whitehill, the brilliant southpaw, Overton Carter, George Dike, the former Cleveland Indian who started much better than he was able to finish, and Vic Borrell, former Red Sox pitcher, a star who may be just outside the pitcher's hall of fame, will be regulars beyond question.

Indian Gets Chance Elton Hooper, Cherokee Indian by birth and English by adoption, is the big left-hander with an understated ability, will take his turn when the time comes, and has been the right-hander up from Evansville.

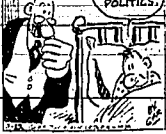

Hashers and Gas Vendors Triumph Grill Cafe plimmon won from Idaho Power, 2352 to 2243, in the City League, and Texaco bowlers won from Hines and Hines, 5200 to 5150, in the Commercial league, at contests at the Cox and Stone alley here last night.

William was high man in the Commercial League JAY, with 594 marbles. McCracken was high man in the City League, with 565 points.

IDAHO POWER: Beam 146 148 143 435; Hef 146 148 143 435; Betsch 122 170 166 401; Dummy 130 130 130 390; Witham 177 181 140 504.

DUMB BELLS

Rosenbloom Wins On Negro's Foul

Accidental Blow Delivered by Larry Johnson, Chicago, Sends Victor to Canvas

NEW YORK, March 10.—(Maxey News Service) "Play boy" Larry Johnson, Chicago, sent a foul punch to the chin of the champion, Maxey Rosenbloom, in the sixth round of their fight at Madison Square Garden. A swinging left deep in the groin, stretched Rosenbloom, who was leading by a score of 29 to 23, in the sixth round. The blow was an unanticipated ending to a fight which was fought on fairly even terms through the first five rounds. The thumping negro, who was leading by a score of 29 to 23, was sent to the canvas by the accidental blow to the head, annoyed Rosenbloom, who was leading by a score of 29 to 23.

Accidental Blow Delivered by Larry Johnson, Chicago, Sends Victor to Canvas. A crowd of 15,000 thoroughly enjoying one of the best fights of the season, howled at the anti-climax, but there seemed no question that the blow entirely accidental, was a fairly foul. Rosenbloom was badly hurt and was unable to leave the ring. The fight was stopped by the referee.

Indiana's Quintet Bows to Gophers

CHICAGO, March 10.—(Minneapolis Press) The Indiana team, led by George Dike, the former Cleveland Indian who started much better than he was able to finish, and Vic Borrell, former Red Sox pitcher, a star who may be just outside the pitcher's hall of fame, will be regulars beyond question.

Sportsmen Erect Piers for Bridge

Thirty-five persons helped Sunday at the erection of piers for the bridge which is being constructed by the Southern Railway and the Association across Rock creek at the Smith. It is expected that the work of raising the piers will be finished next Sunday. About 50,000 eggs have been secured so far. The first eggs planted are beginning to hatch.

Seattle Quintet Bows to Trojans In Titular Clash

Methodical, Consistent Attack and Stubborn Defense Results in Score of 37 to 29 For California Team

(By The Associated Press) LOS ANGELES, March 10.—Coupling a methodical and consistent scoring attack with a stubborn defense, the University of Southern California basketball team tonight won the Pacific coast conference championship by defeating the University of Washington, 37 to 29.

Fall To Solve Defense The determined defense presented by Coach Sam Barry's quintet was never solved successfully by the Huskies. Frank Smith, University of Southern California forward, tossed the initial basket early in the game to put his team in front, and it was never headed. The Trojans led 21-9-12 lead at the end of the first period.

Reserves Fall Coach Iec Edmundson threw his team into the game in an effort to find a combination able to stop the Trojans, but it was of no avail. At no point during the contest did the Trojans appear to check their opponents, although they started a rally which was halted only when the Trojan five reverted to purely defensive tactics and stalled for time.

Indiana's Quintet Bows to Gophers. CHICAGO, March 10.—(Minneapolis Press) The Indiana team, led by George Dike, the former Cleveland Indian who started much better than he was able to finish, and Vic Borrell, former Red Sox pitcher, a star who may be just outside the pitcher's hall of fame, will be regulars beyond question.

Sportsmen Erect Piers for Bridge

Thirty-five persons helped Sunday at the erection of piers for the bridge which is being constructed by the Southern Railway and the Association across Rock creek at the Smith. It is expected that the work of raising the piers will be finished next Sunday. About 50,000 eggs have been secured so far. The first eggs planted are beginning to hatch.

BUIHL RESIDENT DIES AFTER HEART ATTACK

Mrs. Pearl Owenbey Nipper Succumbs at Age of 42 at Home in West End City

BUIHL, March 10 (Special to The News)—Mrs. Pearl Owenbey Nipper, 42, wife of Jesse S. Nipper, resident of Buhl since 1918, died at her home in Buhl this morning after a heart attack only a few hours duration. She had complained of no illness up to within a few hours of her death.

Mrs. Nipper was born in Bechtelville, Arkansas, on November 20, 1887. She married to her first husband in June of the year 1910. Mr. and Mrs. Nipper moved from the South to Twin Falls in 1918. She later took her children to their residence in Buhl. She had five children, three boys and two girls. The youngest child, a son, George, died in 1928. She has three sons in Buhl. Daughters, Ella Irene, and Edith, survive at the family home in Buhl. Mrs. Nipper is also survived by her father, Rev. John E. Owenbey, Blue Eye, Missouri; four sisters, Mrs. Walter Williams, Payette, Mrs. Leslie Kearns, Blue Eye, Missouri; Mrs. H. J. Callaway, Teton, and Mrs. Arthur Dexter, Buhl. Funeral services will be conducted Tuesday at 2 P. M. in the church in Buhl. Rev. A. G. Lathrop, assisted by Rev. Isaac Todd, Castleford, will be in charge of the service. Burial will be in the Buhl cemetery.

OFFICIALS CLASSIFY JEROME MAN'S HEARD

JEROME, March 10 (Special to The News)—F. W. Atkinson, head of the district department of the University of Idaho at Moscow, and Thomas E. Speedy, Jerome county agent, last week officially inspected the herd owned by P. O. Massey, who lives seven miles north of Jerome. The visit was made for the purpose of classification, necessary by the standards of the state department of agriculture. All eight cows in Mr. Massey's herd are being regarded as good quality. Two were classified as very good, one as good quality, and four as good. Mr. Massey has received several awards in the Twin Falls county fair at Filer last year. He took first award in all exhibits. A group of yearlings and won the best champion award on a bull calf. He has in his herd a heifer 21 months old that produced 62 pounds of milk during the first year of her milking record.

RUPERT CLUB INVITES TWIN FALLS SPEAKER

RUPERT, March 10 (Special to The News)—Announcement of the program committee of the Rupert Women's club, meeting in regular session Thursday afternoon, tells of the securing of Mrs. E. J. Holton, Twin Falls, to address the Rupert club at the next meeting, March 20.

Mrs. Joslyn will speak on "Pan-American Countries." She has made a special study of the subject—has traveled extensively in South America, and is in attendance at the last Pan-American conference in Washington.

The program at the Thursday meeting included two excellent papers on special departments of the General Federation of Women's Clubs, "American Citizenship," by Mrs. Fred B. Craig and "Our Industry," by Mrs. Fayre Kenney.

Music was furnished by a male quartet, singing two Indian melodies. Mrs. A. G. Lathrop was in charge of the musical program.

GOODING SCHOOL PLANS CONFERENCE PROGRAMS

GOODING, March 10 (Special to The News)—One of the features of the district conference and men's meeting, scheduled for Gooding on March 20 and 21, is the fellowship luncheon, to be held at the Hotel Gooding on Friday evening. The conference will bring Blahon Wallace E. Brown, Lincoln, Montana; Dr. J. W. Brice, Lincoln, Nebraska; Dr. Lorenzo H. King, editor of the Southwestern Educational Advocate, New Orleans, and others.

The presiding officer at this meeting include Bert Edwards Smith, executive secretary of the Men's Association of the Methodist church, and Dr. Maxwell D. Fuller, Cleveland, Ohio, who for 19 years has been pastor of Lakeside church, which has a constituency of 4300. The slogan for the evening will be "Solidarity in Christ." The program will include a choir in song and an opera and concert singing of note in the United States.

4-R GROUPS IN CASSIA COUNTY SHOW ACTIVITY

BURLEY, March 10 (Special to The News)—Dan E. Warden, district extension agent, reports a great deal of activity in 4-R groups in this county.

Two sewing clubs have been organized in Jerome, one with a membership of 10 and another in Burley with 12 members. Mrs. Catherine McGill is its leader.

Virginia Cook, president, and Edna Overfield, secretary, The second club has an enrollment of ten girls, with Mrs. Bridgeman as leader.

L. S. Otis is leader of the "Go Ahead" club organized at Jerome which has a membership of 10. Another club in town is being organized in Canyonville community, of which Mrs. E. J. Otis is president.

In addition to these clubs, more than 60 boys and girls are making application for membership in home economics, civics, and 4-R clubs. These will be formed when local leaders can be procured.

SKOUGAARD'S SINGERS PREPARE FOR CONCERT

GOODING, March 10 (Special to The News)—The annual home concert of Professor J. Skougard's Gooding college chorus will occur in the Methodist church at Gooding, on Sunday evening, March 16. The program is divided into sacred and secular selections. It also includes organ solos by Jane Smith, Union, Oregon, and bass solos by Albert Brown, Gooding, former organist.

Clearse Never Saw Equal Here or Abroad

"I was born in France 68 years ago and have lived in Denver 41 years, and never in all my life in either France or the United States have I ever found any medicine that would equal Sargol.

Has Made Good with MILLIONS!

KC Baking Powder
(double acting)

For 10 years I was underweight and so roundum I couldn't walk a block without getting exhausted. It seemed like every muscle, joint and bone in my body ached. My arms, legs and back were effected. My liver was slow acting, my kidneys were weak. I suffered with indigestion and my nervous system was about broken. The medicine, Sargol, gave me until I started Sargol. Five bottles of this medicine removed every rheumatic pain in my body and my weight has increased 70 pounds. I enjoy hearty meals, get calm and restful sleep and my whole system is strong and healthy. Sargol Pills stimulated my liver and ended my constipation."—A. A. Clearse, 216 9th St., Denver, Schramm-Johnson, Drugs, agents. Adv.

COURT INAUGURATES CLEAN-UP DRIVE

Judge W. A. Babcock Lists 75 Pending Lawsuits and Calls for Quick Action

Judge William A. Babcock inaugurated "clean-up" week in district court yesterday, the first day of the March court term.

He listed some 75 cases that have been carried on records of the court—some of them since 1927—and announced that all of them would be discontinued unless interested attorneys should take steps to revive them. Immediately after attorneys moved for dismissal of most of the listed actions, and another said that he would ask for dismissal of four or five.

Lawsuits that appeared on the list were shown to be in various stages of progress. In many of them only a copy of a writ had been filed.

One Criminal Case

The prosecuting attorney brought before the court yesterday only one criminal action which was that of E. A. Mitchell and Collins K. Shagle, charged with grand larceny in connection with the theft of two bay mares valued at \$150 from Frank Farinowich, Buhl, last month.

An arraignment was set for Shagle and Mitchell next Monday at the time for the trial. The accused are represented by J. W. Taylor, Twin Falls, attorney.

One other case on the criminal calendar had been continued from the January term and was yesterday continued for the present term.

An arraignment was set for J. H. Kimball, charged with slugging potatoes in unbranded boxes, in violation of a new statute. The validity of this law has been attacked in a pending civil action, and the attorney general's office and the prosecuting attorney's office have agreed to postpone trial of the criminal action pending the outcome of the civil suit.

WIDOW FILES PETITION

Wife of late William A. Babcock files petition in probate court for appointment as administrator of her husband's estate.

The estate is valued at \$200 and includes residence property in Twin Falls and farm land in Cassia county. The heirs besides the widow are three children, two sons and one daughter. Petitioner is represented by E. L. Ashton, Twin Falls, attorney.

WRECK AT HANSEN INVOLVES FAMILY

Burley Residents And Utah Hurt In Collision With Towed Car on Highway

Three persons were injured when an automobile driven by J. D. Arthur, Burley, collided with another car that was being towed at the junction of the state highway with a road leading south to Hansen at 10:30 P. M. last evening.

Lake City, brother of J. D. Arthur, received a long slash across the forehead which took him to the hospital and grazed the eye. Mrs. J. D. Arthur suffered principally from shock and bruising. Her 12-year-old son, the fourth, J. D. Arthur, escaped unhurt. The car in which they were riding was badly damaged.

The injured persons were brought to a physician's office in Twin Falls where their wounds received attention.

The collision occurred when Arthur, failing to observe that a car turning from the highway to the road to Hansen was towing another machine, and chucked into the towed machine.

Members of a railroad bridge construction crew were traveling in the direction of the accident at the time the name of Lpown riding in the car that was towed by a car driven by a man named McRorie. Neither of these men was hurt in the collision. The towed car was damaged to some extent.

Officers who investigated the wreck last evening reported that it was evident that the towed and towed cars, traveling westward on the highway, turned in the left toward Hansen when between 20 to 30 feet in front of the Arthur car that was moving eastward.

ON LIST FOR TRIAL

Judge Babcock yesterday assigned the civil cases for trial by jury next March 18 and 19, and set for hearing this week motions or demurrers in five civil cases.

Civil cases set for trial were as follows:

Tuesday, March 18—Reynold Hotdun company versus E. A. Buhdahl; T. C. Coffin for plaintiff; Charles A. North for defendant; John Logan versus Thome Logan; Harry Demott for plaintiff; Sweley and Simpson for defendant; Charles E. Sweeney versus Twin Falls Feeder company; J. H. Barnes for plaintiff; Walters, Parry and Thomas for defendant.

Wednesday, March 19—Connelly dated Wagon and Machine company versus Heber Barton; Harry Bonell for plaintiff; Porter and Taylor for defendant; Robert Ludwig versus Henry Roush; J. W. Porter for plaintiff; O. C. Hall for defendant.

The word "alcohol" originally referred to a black paint used by eastern women to darken their eyebrows.

FIRE DEPARTMENT PUTS OUT FLAMES IN STRAW

Fire from unknown cause in a pile of straw near a barn owned by a P. Vanita on the Kimberly road, just outside the city limits, was extinguished last evening by the fire department before it had done any damage. Glass in a window in the barn was broken by a stream of water from the fire hose.

400 BOY SCOUTS PLAN ATTENDANCE AT RALLY

A boy scout rally, or "Camp-O-Rally," which is expected to bring more than 400 scouts from troops in surrounding towns to Twin Falls will be held here May 2. It was announced yesterday by E. Russell Scott, scout executive of the Snake River area. This meeting is expected to take the place of the spring Scout week activities here, Mr. Scott stated.

Scouts will attend from Elms, Hagerman, Filer, Hollister, Kimberly, Hansen, Greenwood school, Wendell, Jerome, Shoshone and Gooding, Mr. Scott said.

Although definite plans have not been worked out, but the tentative program includes contests in knot tying, word relay race, signalling, roller skating, relay race, fire by friction, treasure hunt, first-aid-100-yard dash, and baseball throw. There will be a court of honor for the Twin Falls troops the night before the rally.

SCOUT REVIEW BOARD PLANS FOR MEETING

The board of review of the Twin Falls scout district will hold a meeting this evening at the probate court room. It was announced yesterday by E. Russell Scott, executive of the Snake River area. Mr. Scott conducted an outdoor school of scoutmasters Sunday at Shoshone at which 15 persons from Shoshone, Wendell, Jerome and Gooding were present. Mr. Scott was at a scout meeting at Jerome last night and will be in Gooding today.

DIRECTORS ENDORSE CLEAN-UP MOVEMENT

Request for general cooperation on the part of the people with the Community Clean-up week was made last night in resolutions adopted by the board of directors of the Twin Falls Chamber of Commerce.

The resolutions, which were unanimously adopted, and were signed by E. L. Ashton, president, and Newell S. Wright, secretary, follow:

"Since the merchants of Twin Falls are, this week, staging a community clean-up, paint-up, plant-up, fix-up, and dress-up week for this city and the surrounding country.

"And since this occasion offers each citizen an opportunity to dress up the town; make the city more attractive to newcomers and healthful and more pleasant to live in, as well as safer from the hazards of fire.

"We therefore urge in the interest of general civic betterment that each and every property owner and renter join in this activity to assist in securing these desired results.

"A number of other matters came before the board and were discussed without final action being taken."

WHEN WILL YOU BEGIN USING THIS NEW OIL?

It is being rumored (and truthfully) that no other American motor oil has been so speedily accepted by motorists. Conoco Germ-Processed Motor Oil has smashed all precedents by its amazing reception . . . And this oil is as unusual as its introduction. Its superiorities are so apparent, that even before its announcement was well under way, literally thousands of new users were appearing at Red Triangle stations.

CONOCO GERM PROCESSED PARAFFIN BASE MOTOR OIL

Its name seems to intrigue motorists and much conversation has dwelt on the Germ Process, and the whys and wherefores . . . the story is this: Under exclusive Conoco-owned patent rights, a precious oily essence is added to a superbly fine paraffin base oil. This essence is lacking in all other oils, including the one you are now using. The Germ Process makes possible the metal-penetrating safety factor that we call "penetrative lubricity." And this oil, of all on the market, provides a safer, more positive motor protection, from the time you start the motor until you turn off the ignition.

So . . . when will you begin using this new oil? . . . at the sign of the Red Triangle.

DEATH CLAIMS YOUNG BRIDE OF JEROME MAN

Mrs. Helen Maxine Cunningham, 18, bride of Paul Cunningham, Jerome, and daughter of Mr. and Mrs. C. Gardner Jerome, former Filer residents, died at the county general hospital here at 8 A. M. Sunday from complications following an operation for appendicitis. She had been married to Mr. Cunningham last October.

Funeral services, conducted by Rev. C. W. Buch, will be held in the Baptist church at Filer at 2 P. M. today and interment will be in the Elks cemetery.

The body rests now at the Drake funeral parlors here.

CALDWELL ELKS WIN IN MEET WITH POCATELLO

Caldwell defeated Pocatello in the Elks lodge ritual contest here Sunday for the southern Idaho championship and the right to compete with the northern Idaho champions for the state title at an annual meeting of the Idaho State Elks association in Pocatello next June.

The contest, held on a neutral floor, was an impressive exemplification of the ritualistic work of the order, and was witnessed by a large number of members.

Judges were D. L. Rhodes, Manager Frank Park, Burley, and Harry Benoit, Twin Falls.

HOOPSTERS OF PAUL GATHER AT BANQUET

Girls Entertain For Parents and Players at Session in School Gymnasium

PAUL, March 10—A banquet was given by the Home-Making Girls club of the Paul High school under the direction of Miss E. H. Hirschler Friday at 7 p. m. for the girls and their parents. The banquet tables were arranged in the gymnasium and all decorations were carried out to the gymnasium.

A large doll, dressed in a basket, decorated in the class colors, made by Mrs. C. E. Brown, was the centerpiece. The guests, numbering 100, were seated at the long tables arranged in a U-shape. Cards and menus were distributed. During the banquet a number of songs were sung by the entire crowd, with Miss Anna Nelson at the piano. The following program of songs and speeches were given with Superintendent A. Hirschler presiding:

"Origin of Baseball," Esther Toews; stunts, Frankman boys and girls; "Basketball Plans," Alton Brown; "Cordian and Gell," Pennock; "Held Ball," Louis Billington; stunts, girls; "The Game," Mrs. H. H. Hirschler; "Out of Bounds," Gladys Hurl; vocal solo, Faye Hackman; stunts, boys' squad; "Paul," Esther Watson; "Our Basketball," Mrs. H. H. Hirschler; songs by the entire gathering.

Paul Masons met Thursday evening with work in extended appreciation degree. At the close of the work refreshments were served to 20 members.

Neighborhood held their social meeting at the Modern Woodmen hall Thursday evening. After the usual business, cards and social time were enjoyed. Pauline Hartman was the lucky number in a penny game and won a delicious lunch. The close of the evening a delicious two-course luncheon was served to 20 women by the hostesses of the evening, Mrs. Don Harmon, Mrs. Don Clark, Mrs. James Ellis, Mrs. Maude Pettit and Mrs. Charles Wiley. Mrs. Floyd Clark was a guest.

Mrs. Clark returned Tuesday from Los Angeles to make her home in Paul. They will live on the T. E. Clark farm.

The Paul Mercantile store was closed Saturday evening by the creditors.

Arthur Hirschler and Evelyn Green are both reported ill with measles.

Mr. and Mrs. Jack Martin and Miss Peggy Stoler have purchased the Wiley's cash store and will take possession Monday. The stock was involved Sunday.

A baby girl was born to Mr. and Mrs. L. E. Rindholm, Thursday, March 6.

Mrs. J. M. Riley and Mrs. W. W. Pflieger were guests at the D. M. Huxley home in Burley Wednesday.

The Women's Christian Temperance Union met at the home of Mrs. Carl Sandwick Wednesday afternoon. After the usual business, a social time was enjoyed, the lucky one drawing prizes. The St. Patrick's day motif was carried out in all the appointments. At the close of the afternoon, a delicious hot luncheon was served to the guests.

Mr. and Mrs. Tom Jensen returned Thursday from Ventura, California, and spent two days at the home of their son, P. Swain.

Mr. and Mrs. Richard Green and son, Hudson, returned home the first of the week. Mrs. Green and son were called by the death of Mr. Green's mother, who was past 80 years of age.

The 10-year-old daughter of J. L. Munson was taken to a Rupert hospital Friday evening, seriously ill with bronchial pneumonia. The child's death was buried a few days ago, death being caused by meningitis.

BURLEY CHILD, 7, PLEDGES FUNDS TO BUILD SPEED PLANE

Harold K. Beards, Burley, Wants to Help Build a Record-breaking Racing Airplane

BURLEY, March 10 (Special to The News)—Harold K. Beards, Burley, wants to help build a record-breaking racing airplane. The lieutenant, Alfred J. Williams, American racing ace, who has just resigned from the navy serving the time he expects to try to regain a world's speed record for the United States.

Harold is seven years old, and airplane flying is his greatest hobby. He is familiar with the life history of most flying machines, and is a member of the Burley airport, read aloud of Williams' record-breaking airplane.

"Well," spoke up Harold, "I have money in the bank, and I'll help build it. I'll give you \$100."

Harold pried open his bank and produced a dollar in dimes. He handed them to his dad. "Send them to my dad. Tell him I expect to be a pilot."

Ten dimes are a waiting company, to be used in the building of the plane, that he may build him a plane capable of breaking the speed record from across the sea.

BURLEY PREPARES FOR DECLAMATORY CONTEST

BURLEY, March 10 (Special to The News)—The Burley high school declamatory contest will be held in the auditorium here next Friday afternoon and evening. Teams from Albion, Declo, Paul and Burley will take part. Subjects will be extemporaneous speaking, oratory, dramatic recitation, and a one-act play will be put on by each school.

CHILD BARELY ESCAPES DROWNING AT MURTAUGH

MURTAUGH, March 10 (Special to The News)—John Christofferson, two-year-old daughter of Mr. and Mrs. LeRoy Christofferson, narrowly escaped death by drowning this morning about 9:15 o'clock, when she fell from a barrel of water in the bathtub. A boy, 10 years of age, was standing by the house.

The cries of a four-year-old sister, Doris, brought her mother, Mrs. Christofferson and a neighbor, Mrs. Vernon Lee, applied emergency methods and soon had the baby breathing naturally.

The child was not on an over-taken tub, and had fallen into the barrel while attempting to reach the water, to be used in the process of making mud pies.

After being dried and warmed the baby appeared to suffer no ill effects from the experience.

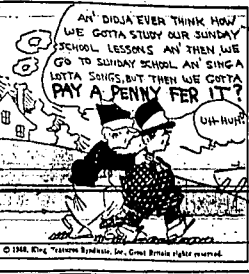

BEET GROWERS PLAN MEETING AT RUPERT

RUPERT, March 10 (Special to The News)—Beet growers in this district, numbering about 50, met Saturday afternoon in Rupert at the courthouse to discuss further the local beet situation and to consider a recent communication from Central A. Denning of the Amalgamated Sugar company concerning operation of the Rupert-Paul sugar factory.

The meeting was presided over by A. A. Bichi, president of the Minnesota County Beet Growers' association. Present were: Neal H. Broadhead, local secretary; K. C. Hamilton, cashier of the Farmers' National bank, Burley; Green, farmer and beet grower of the Paul locality; Ira A. Wood, superintendent of Rupert public school; M. E. Jensen, local real estate dealer; County Agent Buford E. Kuhne; and John W. Strubberg of the Rupert State bank.

The meeting was in the spirit of boosting beet culture and a similar meeting was held in Paul the day previous.

BOISE MAN SPEAKS AT CHURCH IN BUIE

Rev. W. A. Shanks, Officer of Idaho Baptist Convention, Attends Services

BUIE, March 10—Rev. W. A. Shanks, Boise, executive secretary of the Idaho State Baptist convention, spoke at both morning and evening services at the Baptist church, last Sunday, speaking in the interest of the annual budget campaign of the church. Over two-thirds of the quota of \$4000 was subscribed to carry on the work of foreign missions and to cover current expenses during the coming year. Rev. A. C. Lathrop, pastor, presided. A Biblical drama, "Soldiers of the Cross," was presented by a group of young people from the Twin Falls Baptist church Sunday evening. The congregation of the Baptist church will join other churches of the city for the dedication of the new Methodist church by Bishop Wallace E. Brown. A short service will follow the church school hour. A "Retreat of Jesus Christ," illustrated with pictures, will be given by the pastor at the evening service next Sunday.

Mrs. Sarah Hann will entertain members of the Women's Missionary society of the Baptist church next Thursday afternoon.

A. W. McCullum, editor of the Burley Herald, attended the editors and publishers' conference of the Third District held in Twin Falls Saturday.

Mrs. Walker Williams, Payette, was called here Sunday by the death of her sister, Mrs. Jesse Nipper.

C. Hamilton, cashier of the Farmers' National bank, Burley, returned Saturday from Portland, where he attended a conference of western bankers, under auspices of the American Bankers' association.

THREE 4-H CLUBS FORM IN TWIN FALLS COUNTY

BURLEY, March 10 (Special to The News)—Dan Warren, district extension agent for club work, reports three new 4-H clubs in Twin Falls county.

A girls' sewing club has been organized at Kimberly, with 15 members. Betty Pines is leader, and it is announced that 15 more girls will join another club. At Kimberly a baby feet club has been formed, with V. E. Cowles as leader and Phil Olson, president. There are six members.

At Hansen, Ray Durk has been appointed leader of a sheep club. There are 10 members, with pure-bred and grade Hampshire as their project. William Witeman is president; Max Durk, secretary; Louis Hall, reporter; and Eldon Durk, vice president.

GRANGERS ASSEMBLE AT RUPERT MEETING

RUPERT, March 10 (Special to The News)—Rupert Grange held a successful meeting at regular session last Thursday evening in the annex to the Christian church. Forty-five members and seven visitors from Declo Grange, including Dean Wilson, Declo master, were in attendance.

In the absence of Mr. Maund Powell, lecturer, no special program was presented, but subjects of local interest were discussed.

A letter of inquiry from County Clerk A. H. Jensen in regard to the Grange's opinion on the dog tax question was read by Mrs. George E. Fleisher, secretary, and considerable discussion followed. No direct action or resolution was passed.

COUNCILMEN FAVOR CAMPAIGN TO KEEP TWIN FALLS CLEAN

City Administration Outlines Educational Drive For Efficient Removal Of Rubbish and Garbage

An educational campaign to clean up Twin Falls clean was outlined by members of Twin Falls city council in regular session last evening.

The first step in the campaign, council members agreed, calls for a four-of-inspection-to-be-by-the-city inspector who should report all premises where inadequate or no provision is made for collection of rubbish and garbage.

On the basis of the inspector's report notice should be sent out with a copy of the ordinance which provides compliance with the ordinance provisions within a specified time, and warning of further action to follow non-compliance.

"We have a competent and reliable garbage collector," said one member of the council declared last evening. "There are practically no complaints in regard to garbage collection where the terms of the ordinance are met, and it is up to us to stand back of the garbage men."

Describes Proper Containers The ordinance under discussion requires householders to provide for an accumulation of garbage in a covered "kitchen" container, not more than 30 inches high nor more than 18 inches in diameter and equipped with handles, and for collection of ashes and other rubbish, metal containers not more than 18 inches high or 21 inches in diameter, and of such size and shape that they can be handled readily by one man.

Contract with the city, it is under no obligation to take any garbage on rubbish unless proper containers are provided, it was pointed out during the discussion.

Councilmen indicated appreciation of importance of getting the garbage and rubbish removal system in smooth working order before advent of warm weather.

Introducing the subject, T. B. Brandon, commissioner of streets and waterworks, declared that it is incumbent upon the city to take some action to clean up the city.

He had made some inspection that indicated to him that there are "in bad shape" and "cluttered with rubbish" and that only about 60 per cent of Twin Falls residents have provided the proper containers for their rubbish.

Seven Builders Ask Permits Seven applications for municipal building permits building projects totaling \$5450 were granted by the council last evening, subject to the building inspector's approval.

William Hooton, Twin Falls road contractor, applied for permit to construct a \$3000 warehouse of sheet iron, 50 by 100 feet, at the corner of Third avenue and Second street.

John Hooton's Monument works asked permit to build a \$1000 frame garage on Ash street; E. W. Wood to build a \$175 frame structure on Sixth avenue west.

A certified list of the contributors to the cost of extending water supply pipe outside the city limits from the intersection of Heyburn avenue and Blue Lake boulevard was filed by a committee composed of Asher B. Wilson, H. R. Grant and R. L. Letcher, to serve the

Willie Willis

"I guess I got all the physiology questions right if a school is a little newspaper"

council as an eligibility list in taking action on applications for road service in that region.

Council authorized payment of bills totaling \$2823, including \$500.15 for overhauling of two street flusher motors, and one \$100 bond of local improvement District 51.

CALIFORNIA VISITOR RIDICULES TRAIN

F. S. Brereton Brands Twin Falls Branch Equipment As "Toonerville Trolley"

Branding the afternoon westbound train on the Twin Falls branch of the Oregon Short Line railroad popularly called "The Galloping Goose" as the "Toonerville Trolley," F. S. Brereton, Berkeley, California, treasurer of the Bluebird Miling and Milling company, tells of the anguish which he suffers in traveling by the train.

"After a wonderful ride on your Number 17 Chicago to Minnetonka in smooth working order before advent of warm weather."

"The passengers for the Twin Falls branch proceeded to board an anti-diphtheria wagon—locally called 'The Goose' and with a groan, a quiver and a shake that churned the innards of passengers and crew alike, we were off on the most wonderful ride of all, The Toonerville Trolley Minnetonka to Twin Falls."

"Hours of laughter drowned for a time the snort and grunt of the engine, but if about ten minutes we were all fairly sick and one and all complained of headaches on arrival at Twin Falls."

"You will readily admit that the Twin Falls branch, commonly known as the baby of the short line, is probably the best paying branch on the Union Pacific system and as such it is the most profitable of any branch in the United States. All commodities in and out pay excess rates because it is a branch road, and especially so in an equally bad way out on your feet, in Toonerville Trolley are mulcted of an additional cent or two a mile for special 'Excess' charges."

"Surely the Oregon Short Line could afford to carry their passengers in comfort and ease. The Toonerville Trolley is a disgrace to the great railway system, the Union Pacific."

"If it should be my bad fortune hereafter to connect with the Goose, I should hate and will at least arrive at my destination in good health and ready for business."

All foot troubles. Ph. Dr. Foster, 840. Adv.

IDAHO CITIZEN QUITS MILK REGULATIONS

City Attorney And Inspector Finish Labors on Proposed Dairy Ordinance

A proposed ordinance regulating the sale and care of milk and milk products sold or offered for sale in Twin Falls, on which Dr. F. T. Har, city veterinarian, and Captain E. S. Sweeney, city auditor, have been at work for some weeks, was completed and laid before the Twin Falls city council at a regular meeting last evening.

The ordinance contains 21 sections besides the preamble, and occupies five typewritten pages. It was read and passed last evening but members of the council united in extending an invitation to dairymen and milk dealers operating in Twin Falls to study the proposed ordinance, copies of which are to be found in the city clerk's office, and to bring criticism and suggestions to council members during the period of the measure's progress toward final adoption.

Requires Registration The proposed ordinance requires registration of all persons engaged in sale and delivery of milk and milk products in Twin Falls. Here is the preamble:

"The mayor and council of the city of Twin Falls deem that it is the duty of the city to protect the health of its citizens and to require that the supply of milk and milk products sold and delivered within the city be carefully inspected and tested, and the conditions under which such milk and milk products are produced, prepared for delivery and delivered conform to certain standards, and that for the carrying out of such purposes all persons engaged in the sale and delivery of milk and milk products be registered with the city to facilitate inspection and tests."

Subsequent sections require registration of all persons engaged in sale and delivery of milk and milk products in Twin Falls. Here is the preamble:

"The mayor and council of the city of Twin Falls deem that it is the duty of the city to protect the health of its citizens and to require that the supply of milk and milk products sold and delivered within the city be carefully inspected and tested, and the conditions under which such milk and milk products are produced, prepared for delivery and delivered conform to certain standards, and that for the carrying out of such purposes all persons engaged in the sale and delivery of milk and milk products be registered with the city to facilitate inspection and tests."

Subsequent sections require registration of all persons engaged in sale and delivery of milk and milk products in Twin Falls. Here is the preamble:

"The mayor and council of the city of Twin Falls deem that it is the duty of the city to protect the health of its citizens and to require that the supply of milk and milk products sold and delivered within the city be carefully inspected and tested, and the conditions under which such milk and milk products are produced, prepared for delivery and delivered conform to certain standards, and that for the carrying out of such purposes all persons engaged in the sale and delivery of milk and milk products be registered with the city to facilitate inspection and tests."

Subsequent sections require registration of all persons engaged in sale and delivery of milk and milk products in Twin Falls. Here is the preamble:

"The mayor and council of the city of Twin Falls deem that it is the duty of the city to protect the health of its citizens and to require that the supply of milk and milk products sold and delivered within the city be carefully inspected and tested, and the conditions under which such milk and milk products are produced, prepared for delivery and delivered conform to certain standards, and that for the carrying out of such purposes all persons engaged in the sale and delivery of milk and milk products be registered with the city to facilitate inspection and tests."

Subsequent sections require registration of all persons engaged in sale and delivery of milk and milk products in Twin Falls. Here is the preamble:

"The mayor and council of the city of Twin Falls deem that it is the duty of the city to protect the health of its citizens and to require that the supply of milk and milk products sold and delivered within the city be carefully inspected and tested, and the conditions under which such milk and milk products are produced, prepared for delivery and delivered conform to certain standards, and that for the carrying out of such purposes all persons engaged in the sale and delivery of milk and milk products be registered with the city to facilitate inspection and tests."

Subsequent sections require registration of all persons engaged in sale and delivery of milk and milk products in Twin Falls. Here is the preamble:

"The mayor and council of the city of Twin Falls deem that it is the duty of the city to protect the health of its citizens and to require that the supply of milk and milk products sold and delivered within the city be carefully inspected and tested, and the conditions under which such milk and milk products are produced, prepared for delivery and delivered conform to certain standards, and that for the carrying out of such purposes all persons engaged in the sale and delivery of milk and milk products be registered with the city to facilitate inspection and tests."

TWIN FALLS WINS IN DUAL DEBATES

Both Local Teams Secure Decisions; Jerome Triumphs In Contests With Gooding

Twin Falls won both debates with Gooding last night in the discussion of the proposed ordinance regulating the sale and care of milk and milk products sold or offered for sale in Twin Falls, on which Dr. F. T. Har, city veterinarian, and Captain E. S. Sweeney, city auditor, have been at work for some weeks, was completed and laid before the Twin Falls city council at a regular meeting last evening.

The ordinance contains 21 sections besides the preamble, and occupies five typewritten pages. It was read and passed last evening but members of the council united in extending an invitation to dairymen and milk dealers operating in Twin Falls to study the proposed ordinance, copies of which are to be found in the city clerk's office, and to bring criticism and suggestions to council members during the period of the measure's progress toward final adoption.

Requires Registration The proposed ordinance requires registration of all persons engaged in sale and delivery of milk and milk products in Twin Falls. Here is the preamble:

"The mayor and council of the city of Twin Falls deem that it is the duty of the city to protect the health of its citizens and to require that the supply of milk and milk products sold and delivered within the city be carefully inspected and tested, and the conditions under which such milk and milk products are produced, prepared for delivery and delivered conform to certain standards, and that for the carrying out of such purposes all persons engaged in the sale and delivery of milk and milk products be registered with the city to facilitate inspection and tests."

Subsequent sections require registration of all persons engaged in sale and delivery of milk and milk products in Twin Falls. Here is the preamble:

"The mayor and council of the city of Twin Falls deem that it is the duty of the city to protect the health of its citizens and to require that the supply of milk and milk products sold and delivered within the city be carefully inspected and tested, and the conditions under which such milk and milk products are produced, prepared for delivery and delivered conform to certain standards, and that for the carrying out of such purposes all persons engaged in the sale and delivery of milk and milk products be registered with the city to facilitate inspection and tests."

Subsequent sections require registration of all persons engaged in sale and delivery of milk and milk products in Twin Falls. Here is the preamble:

"The mayor and council of the city of Twin Falls deem that it is the duty of the city to protect the health of its citizens and to require that the supply of milk and milk products sold and delivered within the city be carefully inspected and tested, and the conditions under which such milk and milk products are produced, prepared for delivery and delivered conform to certain standards, and that for the carrying out of such purposes all persons engaged in the sale and delivery of milk and milk products be registered with the city to facilitate inspection and tests."

Subsequent sections require registration of all persons engaged in sale and delivery of milk and milk products in Twin Falls. Here is the preamble:
