SENATORS APPROVE HOUSE'S RULES ON LEATHER PRODUCTS Lower Chamber Conferees Score and 20 Per Cent Levy on Shoes Receives Approval in Conference

WASHINGTON, April 16—Ignoring four decisive senate votes against any duties, the senate Republican conferees on the tariff bill today rejected and vetoed the house rates on leathers, leathers, and shoes, which for years have been allowed free entry into the United States.

Thus, the house rates of 10 per cent on leathers and 20 per cent on boots and shoes—10 per cent on leathers and 20 per cent on boots and shoes—in bitter conflict with the senate rates of 10 per cent on leathers and 20 per cent on boots and shoes, were restored to the Hawley-Smoot bill.

With one exception, the house increased the tariff on leathers, and on all other articles as well. The senate conferees in each group opposing them.

Western Republicans and Democrats opposed the leathers rates when the bill was before the senate on the ground that because benefit would accrue to the cattle raisers from the tariff would be taken away by increased prices resulting from the leather and shoe rates.

Progress Further—Progressing further with the adjustment of duties on individual articles schedule, the conferees introduced the senate provision to permit duties on articles on individual import to five per cent of the value of the article.

TEXAS REPRESENTATIVE FIGHTS AGAINST DEATH WASHINGTON, April 16 (AP)—The conferees on the tariff bill, Democratic, Texas, who has been in a hospital here, was taken to the senate today, said tonight to be extremely serious.

TEXAS REPRESENTATIVE FIGHTS AGAINST DEATH WASHINGTON, April 16 (AP)—The conferees on the tariff bill, Democratic, Texas, who has been in a hospital here, was taken to the senate today, said tonight to be extremely serious.

Question—How To Make Him Taller Without Lengthening His Shadow

# FOE OF LIQUOR LAW TELLS LEGISLATORS ABOUT EXPENDITURE

### Henry H. Curran, President of Association Against Prohibition Amendment, Tells Committee of Work

By JAMES W. DOWD (Associated Press Staff Writer)

WASHINGTON, April 16.—Changing that the Prohibition amendment had made the government a "murderer and an invader of people's rights," Henry H. Curran, president of the Association Against the Prohibition Amendment, told the senate today that his organization spent \$125,271 last year in advocating repeal of the "dry" law.

Curran predicted that the prohibition amendment would be repealed and asserted that the present persons in the United States, as well as five states, already were in revolt. Questioned about this point of his testimony, he stated that he hoped there would be no armed revolution against the government as a result of the law.

Speakers in each case took most of the time, except for a few brief outbursts by Chairman Caraway, the witness testified that the purpose of the organization was to persuade the legislature to repeal the law in order to restore to the states their former rights to handle for themselves, according to their own desires, the control of the liquor traffic.

### Cites Purposes

The association, he said, proposed to bring about repeal by "assembling and distributing to the members of the legislature the most complete information of the amendment and by supporting the candidacies of those who were with the object of the organization."

Questioned about the political campaign of the organization, Curran said it had contributed \$1500 to the Liberal City League of Massachusetts in behalf of the recent congressional election of candidates in the western district of that state and that it now was advocating the election of three Pennsylvania officials.

The Pennsylvania officials, he said, were Francis M. Boller, running for senator; Thomas W. Phillips, a candidate for governor, and Charles Dorrance, running for lieutenant governor.

Curran said any activity of his organization in the forthcoming senatorial election in Illinois depended on the attitude of Representative Ruth Hanna McCormack, "dry" Republican, who is running against former Senator James Hamilton Lewis, "wet" Democrat.

"Do you think he might change his mind?" Chairman Caraway asked.

"The woman always has the right to change her mind," Curran replied, amid laughter from the large crowd that packed the committee room.

Questioned by the witness, she said his organization would not support the candidacy of a "dry" if he added that the qualifications of candidates were considered before taking action.

"If one candidate was 'dry' and the other 'wet' would you support the 'dry' if he were the better man?" Caraway demanded.

"If he were 'dry' he would not be the better man," Curran replied.

### NEGRO MYSTIC DIES IN POLICE BATTLE

#### Ghost-Shooting Darky Loses Life After Holding Off Kansas City Police Hours

KANSAS CITY, April 16.—A self-styled Negro mystic was shot to death here today among his voodoo charms after a shot-punctuated, two-hour siege by 25 Kansas City policemen.

One policeman was injured by a shotgun charge from the humble "voodoo mystic," a slummy on the banks of the Blue river near the east city limits.

The Negro, Tom Sims, recently discharged by a steel company for preaching voodooism to other Negro employees, was reported by neighbors to be haunting the premises for the last few nights. Today he barricaded himself in his hotel and shot through windows at passers-by.

The first charge penetrated the home of Frank Crawford, endangering Mrs. Crawford and some of her five children. Crawford telephoned police. Two officers found the Negro seated at a window beneath a festoon of herbs hanging from the rafters, a shotgun across his knees.

Refuse to Surrender

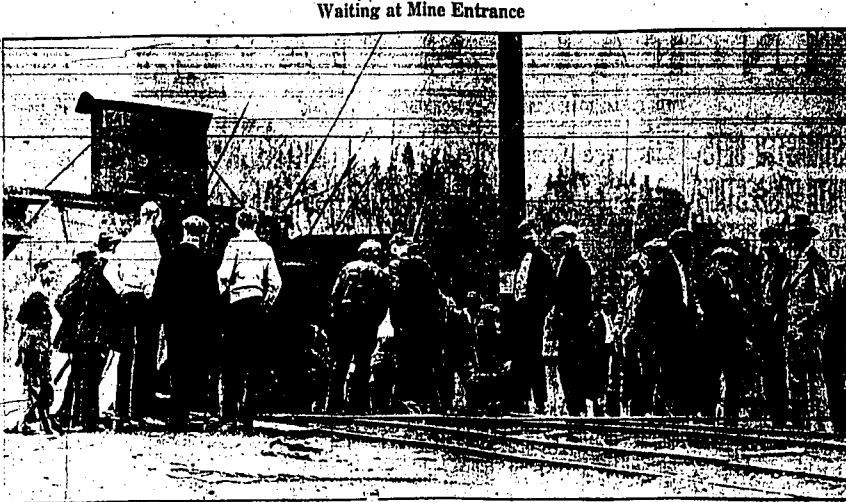

Sims was ordered to surrender. "No!" he shouted, leveling his gun. Patrolman E. C. Britton dodged, escaping the charge, and then fired one shot through the window at Sims.

Reinforcements arrived in charge of Assistant Police Chief Lewis Street, the 25 officers confronting Sims.

They threw gas and tear-gas, but Sims refused to surrender. He fired a shot through the window at the officers. A fire department was summoned to set fire to the hotel.

Detective Cole fired the fatal shot from a riot gun, after the door had been broken off his hinges and the Negro pitched headlong through the front door, his body literally riddled with lead.

Patrolman Morris Cole recovered a .38-caliber revolver and a Negro

Waiting at Mine Entrance

### MINERS OFF DUTY ARE SHOWN

the 600-foot counterbalance railway which leads down a steep slope to the entrance of the Carbonate, Washington, coal mine in which 17 men lost their lives in an explosion April 12. The men are waiting for another counterbalance before reaching the Doudy vein of coal where the blackbird, United States and county officials, as well as miners' representatives were attempting to find a cause for the explosion which killed the men and buried their bodies alive. Men working in other sections of the mine were endangered by the gas formed by the explosion but escaped without injury when the gas was sucked from the shaft and workings.—(P)

## MITCHELL WARNS AGAINST PASSAGE OF NEW STATUTES

(Continued from Page One)

the measure transferring prohibition from the treasury to the justice department.

Presenting data showing considerable increase in federal prisoners during the last 20 years, the attorney general attributed the "overcrowding of the federal machinery" to the prohibition, white slave, narcotic and automobile theft laws.

"It makes me feel," he said, "that we ought to get our house in order and increase our facilities for handling the criminal business we already have before we start passing any more federal statutes that make things federal crimes that are not at present."

The attorney general proposed increased salaries and numbers of district attorneys as a step in improving enforcement.

The senator does not learn to fly for nearly a year after it is hatched.

## PILOT DIES IN PLUNGE

**\$9.95 to \$39.95**

## Easter Hats

Lovely hats of lace, lacy straw and transparent hair braids. Hats that are brim full of Spring Style. Black, navy blue and the latest spring colors.

**\$2.95 to \$12.95**

Buy your Easter apparel on our modern budget plan. We will be pleased to open an account for you on this plan with terms arranged to suit your convenience.

## WORK OF DRAFTING THREE-POWER PACT NEARS COMPLETION

### More Than 80 Per Cent of Labor on Treaty Awaits Approval of Leading Delegates of Arms Conference

(By The Associated Press)

LONDON, April 16.—The draft of the important safeguarding clause of the London naval treaty, which is to protect the United States, Great Britain and Japan—no signatories of the three-power pact—in relation to the naval building programs of the other powers was completed today and made ready for transmission to the home government.

More than 80 per cent of the five-power treaty has been written and the remainder is expected to be completed tomorrow. The five-power negotiations here intend to send various sections of the treaty to their home capitals, and upon the spot wherever approving replies are sent deposits the final holding of the final plenary session for signature.

This session was tentatively fixed today for 10:30 o'clock Tuesday morning. The British government again voiced doubt whether the governments would have time to give their final word by the hour set but no great delay is expected.

Preparations for delay

The American delegation is preparing for a last-minute hold-up of departure. It was decided today that about 25 persons, including ac-

curies, clerks and half of the 10-man marine detachment, should embark on the Leviathan Tuesday under such circumstances. But Secretary Henry L. Stimson, with the other chief delegates, their wives and important attendants, will in London should the signing formally be delayed.

Long sessions were held on the safeguarding clause at Downing street this morning and again this afternoon at American headquarters, where Secretary Stimson, Ambassador Reed and Bellin Wakatsuki worked out the last ruffles in the delicate task of wording.

The American spokesman said tonight that Prime Minister MacDonald will not approve the treaty until he has seen the text, and this will be sent him at his native Scottish village of Leamington, where he arrived today by airplane for his Easter holiday. Mr. MacDonald will return to London in the time for Tuesday morning's meeting.

A Beloit, Kansas, horseback pitcher recently tossed a real "ringer" about the eye of a spectator.

The sixty-fifth anniversary of organized Sunday school work in Kansas will be observed May 6.

# SCHOOL DISTRICTS WANT MORE LIGHT ON TANGLED FUNDS

### Meeting Fails to Bring Solution of Problems Precipitated by Apportionment Disclosures

Two things stand in the way of an immediate amicable agreement on a proposed redistribution of the 1934 school funds alleged to have been erroneously apportioned among Twin Falls county school districts during four years period ending last July, it was disclosed at a meeting of nearly 100 school district officials in the high school building here last night.

Only eight of the 23 districts that would have to say "yes" to the proposed redistribution were represented by spokesmen at last evening's meeting, but their statements made it plain that these districts want to be sure, first, of their authorization for making the proposed payments, and second, of the amount of money that they should pay.

There was no indication of disposition to extend payment if satisfaction were forthcoming on these two scores.

**Litigation in Offing**  
Some of the representatives of these districts suggested that the information they require could be obtained by suit, and that the legal action, and one trustee proposed as a motion that the county attorney be authorized to bring a test case in the name of the county.

The motion was not put to vote after E. V. Larson, county attorney, said he would not bring suit, but would bring such an action.

Another suggestion was that the county superintendent of public instruction, with the county commissioners, should direct the proposed reapportionment.

The county superintendent, or any of the districts that would benefit by the proposed reapportionment might carry the problem into the courts, the county attorney advised.

County money made available and it should be up to the county to rectify it," was the opinion expressed by one trustee.

Half of the representatives of the districts that would have to pay under the proposed reapportionment were invited after the county attorney had cured local questions involving C. E. McClain, one of Twin Falls independent school districts' trustees who served as moderator of the meeting, proposed that each "debtor" district should voluntarily levy a maximum 10-mills tax on the district out the obligation. Except in a few instances, Mr. McClain stated, the obligation could be liquidated fully in a year or two with the maximum tax levy.

**Trusts Statute Provision**  
The county attorney explained statutory provisions for apportionment of school funds: 1. Forty per cent to be apportioned among the several districts on the basis of all number of teachers employed; 2. Forty per cent to be apportioned on the basis of pupil census; 3. Seventeen per cent constituting a relief fund, to be apportioned among districts that had already levied the maximum tax and that still required more money to maintain their schools; 4. Three per cent constituting a rural high school relief fund to be apportioned at the rate of \$300 for each teacher employed.

Erroneous apportionments, the county attorney stated, had been made of the two "relief" funds. Spokesmen for several of the "debtor" districts said they had no knowledge of having been credited with funds now asserted to have been illegally apportioned.

**Auditor Discovers Errors**  
The figures given to show the distribution of these questioned apportionments were contained in a report made by Charles H. Davis, accountant, associated with Bryson, Deffenbach and Sons and Associates. Mr. Davis, discussing this report last night, said that errors in cases where he had made individual audits for school districts, the conclusions reached as to the amounts credited to or charged against each district, were based on records in the county superintendent's office covering a period of years.

Under the statute, the county attorney stated, the monies alleged to have been erroneously apportioned should have been distributed among the several school districts in proportion to their pupil census.

The auditor explained that his figures showed the "net" amount owed by each district, and that allowing for now asserted to have been distributed on the pupil census basis of the funds to be collected.

On "Debtor's" List  
Here are the "debtor's" list of "debtor" districts with the amount charged against each:  
Number 1, Miller ..... \$ 76.64  
Number 5, Rock Creek ..... 1377.55  
Number 6, Union ..... 404.22  
Number 12, Riverside ..... 408.13  
Number 16, Pleasant View ..... 129.72  
Number 20, Willowdale ..... 738.00  
Number 22, Excelsior ..... 1148.18

# DEMOCRATS PLAN FOR DINNER HERE

Jefferson Club President Estimates 150 Persons Will Attend Gathering

The committee in charge of arrangements for the Jefferson club banquet at the Odd Fellows hall this evening at 6:30 o'clock ordered plates for 150 persons yesterday. It was announced last evening by Alvin Harbison, president of the organization.

Tickets for the banquet, which is a non-profit affair, have been ordered by persons and groups all the way from Burley to Wendell and as far north as Gooding. Mr. Harbison said. The largest number, 45, are coming from Filer, where a ball

# Youthful Explorer Journeys Toward Windy City With Head of Long-Nosed Monkey Pickled in Can of Alcohol

**By MARINA A. HICKOK**  
Associated Press Staff Writer  
NEW YORK, April 12.—Theodore S. Gilman, a just-arrived-minded 21-year-old explorer, has journeyed from the wilds of Burma to the big city of New York, and he has a long-nosed monkey pickled in a can of alcohol as a trophy.

It may be that on the journey from New York to Chicago tonight the monkey is tucked away under Mr. Gilman's business brief, for he has had a hard time so far persuading the public to allow him to exhibit it in their care.

But "Prize" or "Col" is going to like this present, Mr. Seelmann believes. Even if the baggage men don't let it consist of the head of a long-nosed monkey, pickled in alcohol in a tin can. And Mr. Seelmann says he has been told by scientists out in Java that it is the only specimen of the long-nosed monkey ever brought west of it in their care.

He is decidedly optimistic about that specimen. He is afraid some newspaper man is going to write it up as "the big one" which he swears it is.

"If they ever do," he said gloomily, "I'm going to be buying stock on the way to the person who think

# Masons Observe Maundy Thursday

Scotch Rite Masons of the Rose Cross degree will assemble in Park hotel here at 6:30 P. M. this evening in observance of Maundy Thursday service, one of the most beautiful and impressive ceremonies of Easter week, which is obligatory upon all Masons of this degree.

**SCOUTS GATHER AT COURT IN KIMBERLY**

**-62 Awards And Merit Badges Go to 24 Youths at Gathering at Methodist Church-**

KIMBERLY, April 18 (Special to The News)—Sixty-two court awards and merit badges were given to 24 scouts of Kimberly at a court of honor conducted at the Kimberly Methodist church by N. A. Olson, Joe Detton and C. B. Royal, committee assistants by scoutmasters of Murtasha, Hansen and Kimberly here last night.

The following badges were awarded: Dean Haggart, automobile, athletes and woodwork; Eugene Brown, athletics, metal work and electricity; Kenneth Highway, athletes and camping carpentry; Edwin H. Gill, athletics, civics and painting; Forrest Kilbren, athletics; Wally Dodes, athletics, signaling and carpentry; Charles Latham, cooking, boat building and music; Ray Potter, farm plane planning and painting; Boyd Walter, first aid and painting; Wesley Highway, life saving, swimming and book binding; C. Siemone, planning and pathfinding; Sherman Bellows, boat building and music; M. M. Cate, personal health and star award; Billy Everett, carpentry; Paul Olsen, automobile; and woodwork; Laren Merrill, athletics and bird study; Ralph Michaels, animal-husbandry; and life boat award; Max Nyquist, poultry keeping and signaling; Elliott McDonald, signaling, poultry keeping and farm plane planning; George Campbell, music, athletics and book binding; George Turner, marksmanship and personal health.

**Clash at Lobby Quiz**

**J. E. PIERCE (below) Huntsville, Alabama, editor, and Sen. Tor Hugo Black of Alabama engaged in heated argument at senate lobby committee hearing when Editor Pierce appeared as a witness regarding Muscle Shoals.**

tribut of Columbia, is represented in the tabulations. The addition of these newcomers effected little change in the percentages of the totals. It is stated.

Returns from Idaho in the current tabulation show 2895 for enforcement, 1693 for modification, 2724 for repeal.

Kansas continues to be the only one dry state to vote with almost 88 per cent of its vote for enforcement and only 16 per cent of its returns for repeal.

Connecticut, Louisiana, New Jersey, and Rhode Island each give a majority of their vote for repeal.

Connecticut appears to have the widest sentiment of all the states with over a 50 per cent vote for repeal and but 18 per cent for enforcement. Rhode Island is a close second. There are the only two states in the Union that have never ratified the Eighteenth amendment.

The driest vote by national geographical sections is registered in the West South Central states, which includes Arkansas, Oklahoma, Texas and the wet state of Louisiana.

The next sentiment is noted in the Middle Atlantic states of New York, New Jersey, and Pennsylvania.

The Literary Digest states that it is being attacked more for the undrinking of this poll than any previous one.

The Literary Digest announces that both the "wet" and "dry" camps seem to be claiming the vote for modification, which approaches one-third of the total returns, and that for enforcement of 1,201,410 and 1,284,254 for repeal.

viding this vote between the two extreme wings of the controversy, which split between them, would make a tally for enforcement of 1,201,410 and 1,284,254 for repeal.

**Vote for Repeal Leads in Returns From 48 States**

The vote for repeal of the Eighteenth amendment continues to lead with over 41 per cent of the total of 3,152,722 ballots returned from the entire 48 states in the sixth week's returns of the Literary Digest's nationwide poll on prohibition, as published in tomorrow's issue of the magazine.

The break-up of the grand total gives 815,681 votes for enforcement; 1,014,715 for modification; and 1,326,326 for repeal.

This shows over 28 per cent of the total vote for strict enforcement and practically 30 per cent favor modification to legalize light wines and beers.

With the poll far from complete the Literary Digest announces the returns to date as greater now than total returns from any previous poll ever undertaken by the periodical, including their heretofore most popular national referendum in the Hoover-Smith campaign of 1928.

Dr. William Weaver Woods, editor-in-chief of the magazine, stated that he anticipates nearly 2,900,000 more returns in the poll judging from present incoming ballots.

With first returns from Arizona, Nevada, New Mexico, and Wyoming this week every state, and the Dis-

**MUSICIANS PREPARE FOR CONTEST HERE**

**Entrants From 17 Schools Will Take Part in South Idaho District Contest**

Preparations to the South Central district musical contest Friday and Saturday in which entrants from 17 communities will participate are virtually complete. It was stated yesterday by U. N. Terry, high school principal. Winners in this contest will attend the state contest in Boise April 23 and April 24.

The following is a list of entering schools: Bellevue, Fuhl, Gary, Castleton, Eden, Fuhl, Gannett, Glenn Ferry, Halley, Hansen, Hot Butte, Kimberly, King Hill, Oakes, Twin Falls, Wendell, Bliss.

The judges of the contest will grade on the following basis: Appearance, 10 per cent; technique, 20 per cent; interpretation 30 per cent; tone, 40 per cent.

Judges for the contests will include Mrs. W. A. Helms, Milton Shedd, Mrs. J. M. H. Shedd, Mrs. Fields, Albion; Mrs. Trutt, Hansen; Mrs. J. M. Patterson, Dault; Miss Georgia McMasters, Fler, and J. T. Bainbridge, Dr. Orrin A. Fidler, W. King Dixie, A. E. Francis and Miss Agnes Skarveter, Twin Falls.

A telegram from Donald E. Baum, Boise, state secretary of the Idaho High School Musical Association, Tuesday afternoon, received yesterday by Mr. Terry, states that it is not necessary for students to memorize selections, as it is not necessary to furnish copies of music played to the judges, but it is recommended. Students must announce their selection as they go to the platform. Any student who fails to do this will be debarred from reward in the contest.

This is a requirement of the state constitution.

C. D. Thomas will preside at all events held in the high school auditorium Friday. This will include the state and district contests.

H. A. Salisbury will preside at the trout at the Christian church Friday morning. U. N. Terry will preside at the trout in the high school tonight and all day Saturday. Mark Fell is timer and Maurice Russell will be time keeper at the trout.

There will be no contest Friday night on account of the union service. Extra candidates at the First Methodist church.

Admission will be charged to the district events.

**Romance Ends**

**COLLEEN MOORE, film star, is reported as having separated from her husband, John McCormick, picture producer.**

San Francisco: Russel Byron, C. B. Bennett, J. P. Tamm, John E. Hagan, John D. Wright, Mrs. R. E. Manning, A. W. Robinson, Pocatello; Mr. and Mrs. E. Murray, T. P. Cummings, A. E. Tomblin, Mr. and Mrs. Vern E. Herzog, Mr. and Mrs. Jack B. Wright, Mrs. M. Olson, James Hutt, V. T. Patrick, C. W. Lane, George J. English, Salt Lake City; Mrs. Smith, Lachance, Oregon; E. M. Clark, W. E. Detric, Denver; D. F. Kibble, Indianapolis.

**HIGH SCHOOL NEWS**

Margaret McCullay was elected president of the J. O. Y. club at a meeting Tuesday night to succeed Esther Showell. Other officers elected were: Ruth Brad, vice president; Bobette Lane, secretary; Janet Fell, treasurer. Rowell W. Edson spoke to a meeting of boys and girls separately in both the high school and junior high school yesterday morning. The public speaking department, Mrs. Bonnie May Simpson, instructor, will give the program at the high school assembly this morning.

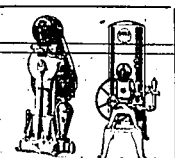

**JUNIOR HIGH SCHOOL**

There was a musical program at the assembly of the Junior High School yesterday, under the direction of Mrs. Anna Skarveter. Edwain Pierce gave a concert selection, Frank Pierce a selection on the French horn, and Joseph Johnson a selection on the fife. The boys are all high school students.

It was announced that tentative elective enrollment would take place next Friday. The following students made talks on elective subjects: Duane J. Jones, Jung Evans; general studies: Bob Andrus; nature: John H. Lee; civics: manual art: John H. Lee; science: Hazel Woodruff; cooking: Barbara Young; art: Edna Wilhoit; public speaking: Virginia S. Eaton; chorus: Betty Viegman; Latin: Edith Ritchie; band and orchestra: Curtis Eaton; agriculture: Ronald Perry; advanced penmanship: Venice Toller.

**FUNERALS**

**BRUCE**—Funeral services for William H. Bruce, 81, merchant and resident of Twin Falls for many years, will be held in the Drake chapel here

at 2:30 P. M. today, and will be conducted by Rev. Cecil F. Blawie of the Methodist Episcopal church. Burial will be in Twin Falls cemetery behind the grave of Mr. Bruce's wife, Mrs. Addie Bruce, who preceded him in death six months ago.

**DIG GROWTH IN RUBBER WASHINGTON**—British rubber industry is predicting considerable expansion. Statistics just released show that deliveries of crude rubber to manufacturers last year almost doubled the amount for 1922.

**Running Water for a few cents a day!**

**Available To Every Farm or Home That Has Electric Service**

**That Has Electric Service**

THE old hand pump or well with a bucket on the end of a rope is out of date. Why not substitute a modern, economical pressure water system that will not only give you flowing water in the house, barn and dairy buildings, but will give you fire protection as well?

Pure, clean, fresh water is much better for stock than water from a ditch and running water in the house is not only a convenience, but an essential.

The cost of operating an electric water system is almost negligible and the cost of installation extremely reasonable.

**Your Nearest Dealer Will Give You All The Information**

There is a dealer in your vicinity who is prepared to supply pressure water systems. Go to him and he will give you all the facts, information and costs concerning a complete installation. Get in touch with him today. When the cost is so little there is no reason to deny yourself and your family the help a pressure water system means.

**IDAHO POWER COMPANY**

**YOUR HOME with WATER In Abundance!**

It may be a palace, a bungalow, a cottage, or just the ordinary home. Is it beyond the city water main where some means must be provided to supply water to household, sanitary and outside purposes?

You can enjoy the same comforts and conveniences of your City neighbors, by having a MYERS HOME WATER SYSTEM INSTALLED. A system that will provide an abundant supply of fresh running water for every need at a surprisingly low cost.

WE HAVE STYLES OF MYERS "HONOR BILT" WATER SYSTEMS AND PUMPS TO FIT EVERY REQUIREMENT LARGE OR SMALL.

Our pump department is prepared to cooperate with you on your specific water problems, and you will be surprised how economical a MYERS SELF OILING SYSTEM CAN BE INSTALLED that will meet your every requirement.

# Athletic Commission Delves More Deeply Into Carnera Fight

## Authorities Call On Assistants of Boxers to Explain

### Perry Attributes Presence Of Towel in Ring to Sympathy for Dusky Batter Taking Severe Punishment

(By The Associated Press)  
**SAN FRANCISCO, April 16**—The state athletic commission today delved more deeply into conditions surrounding Primo Carnera's six-round technical knockout victory in Oakland last Monday night over Leon Chevalier.

Commissioner Charles F. Trautz questioned those connected with the bout to find out why Max Perry, Hollywood, Chevalier's third assistant second, threw in the towel when Chevalier was not in much distress at the time.

The nation was that he thought the nation was taking too much punishment.

Among those questioned were Leon See, Pineshian, who discovered Carnera in Europe and who is his manager; Frank Churchill, California representative of Carnera, and Roy Capping, a San Francisco newspaperman.

Churchill, asked why he was in the vicinity of Chevalier's corner for a couple of rounds, said he was "trying to find a way to watch the fight."

Churchill said he had known Perry several years but did not talk to him or Chevalier's other two seconds while he was in the corner.

It was known that Perry had seconded Neil Gandy, Negro, who was knocked out by Carnera recently in Los Angeles.

Would State Fight Again  
 See told Commissioner Trautz that he would be willing to have his boxer fight another bout, but he would not go to a charity, but that he was not willing to have holders of ticket stubs on last Monday's fight to be admitted to such a such action would be equivalent of an "admission of guilt" on the part of Carnera or his managers that the bout had been fixed.

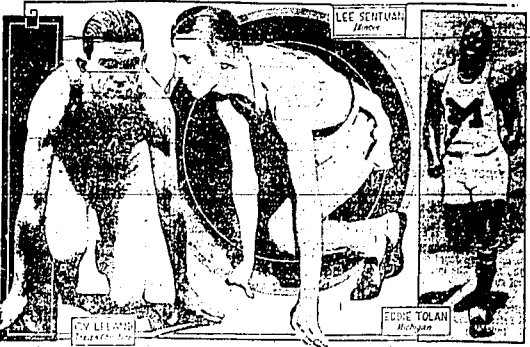

Cummings' testimony was that he saw Churchill appear in Chevalier's corner and converse with one of the Negro's seconds.

At the conclusion of the hearing, Commissioner Trautz announced: "There is no question in my mind that the man who threw in the towel was acting under orders or was inspired in his act by others."

The three Commissioners, Trautz, William Hamilton, Sacramento, and James Woods, San Francisco, Monday will make a decision in the case. Meanwhile, Carnera's 50 per cent share of the prize money, \$15,000, was held by the commission.

It was brought out again today that there was no direct on either Carnera or Chevalier, the commission feeling that the fighters were doing their best.

## Nation's Best Start in Kansas Relays

WHEN THE TRACK and field specialists line up at the Kansas relays, April 18, for a two-day assault on existing records, these three young men will occupy front-rank posts. Tolan and Tolan are sprint race and Sentman is the latest hurdle flash.—(7) Photo.

## Tilden and Czech Compete on Court

### Friendly Spirit And Greater Glory of Sport Feature in Clash Won by American

**SEATTLE, France, April 16**—In a friendly spirit and for what both later termed the greater glory of tennis, Bill Tilden and Carl Kozeluh met today in the final round of the professional tennis match against the professional victor, Tilden, the amateur, won by scores of 4-4, 6-4.

The little Czech-American expert who holds the world's professional championship readily accepted the American champion's proffered challenge to an important match, but found himself unable to cope with the brilliant play of Bill who was at his best.

The match was made out of the purport of the moment, apparently without any pre-conceived idea of running a kind of the International Lawn Tennis association rules of a few weeks ago forbidding contests between amateurs and professionals.

It happened that the court was empty, some of the amateur players entered against Tilden in the tournament here were late over their luncheon and Tilden was ready to go on. Kozeluh, who seems as a spectator, was standing near by in street clothes and the tennis crowd relied for action.

In such a setting the contest was conceived, history being vague as to who made the first proposal. "There's a real 'dinner' impression," said Tilden, said, "How about it, Karel?" to which the latter responded, "I am game."

The River's small tennis tournaments run by various hotels and

## Strangler Lewis Meets Defeat in Marshall's Grip

**LOS ANGELES, April 16**—Orrin Marshall, La Junta, Colorado, defeated Ed Strangler Lewis, former heavyweight wrestling champion here tonight, taking the final two falls on body falls.

Lewis took the first fall in 32 minutes 10 seconds on a series of headlocks. Marshall tried for an airplane spin, his favorite hold, but the wily Lewis evaded him.

Marshall took the second fall in 10 minutes, 21 seconds. Lewis, after being bounced off the mat, was out for three minutes. Thirty-three seconds after they again began their millage, Lewis was down again on another body slam. It appeared that Lewis still was very early after the first fall. He tripped over and Marshall fell upon him for the final fall.

Ten thousand fans witnessed the match. The gate totaled \$20,000.

THE ENGAGEMENT of Helen McLean, Olympic long heard diving champion, to Harry R. Balfe, of New York and Clovis, California, was recently announced.—(6) Photo.

## Bruins Train for Paul Man Manages Meet With Boise Affair at Rupert

### Coach R. V. Jones Plans to Take 15 Athletes to Invitation Race at Capital

Of a list of 22 track and field athletes of Twin Falls high school, a group of approximately 15 will leave here Friday afternoon in autos for Boise, where they will compete with the Boise Braves in an invitation meet beginning at 2 P. M. Saturday afternoon, according to announcement made here yesterday by R. V. Jones, coach for the Bruins. The meet is held primarily to get the boys in trim for the sub-district contest at Piler April 25, and will serve to show the comparative abilities of Central and South Idaho teams.

The 15 athletes will be selected from the following students, who are competing for the right to represent their school in track and field events this season:—

100-yard dash—Lutz, Hozman, G. Smith and Kuykendall.

220-yard dash—Dales, Smith, Hozman, G. Smith and Kuykendall.

440-yard dash—Nye and Graham.

880-yard run—Dwan and Bailey.

1 mile—J. Smith, Gerlach, R. Smith and Jennings.

220-lap hurdles—Turnpseed, Sundler, Weaver and Kennedy.

120 high hurdles—Turnpseed, Kennedy, Weaver and Jones.

High jump—Voshure, Walden and Jones.

Broad jump—Smith, Bates and Croser.

Pole vault—Voshure, Walden, Colner and McCauley.

Discus—Weaver and Towan.

Shot—Weaver, Kuykendall and Towan.

Javelin—Thompson, Weaver and Towan.

## Paul Man Manages Affair at Rupert

### Superintendent A. E. Hirschler Heads Minidoka County Junior Olympics

**RUPERT, April 20** (Special to The News)—Superintendent A. E. Hirschler of the Paul school, was made manager of the Minidoka county Junior Olympics at a meeting of the Minidoka Education association in dinner session at the Caledonian hotel Tuesday evening.

The date of Friday, May 9, has been set for the general field day known as the Junior Olympics. This will be the third annual event of the kind. The affair will be held in Rupert at the Rupert high school athletic field.

A schedule of events is now being prepared by Superintendent Hirschler.

There are 14 schools of the county eligible to enter and it is expected entries will be made from each school in one or more events.

## Bill Provides for Fisheries in Idaho

### Measure Including Appropriation of \$60,000 for Gem State Passes House

**WASHINGTON, April 16** (AP)—A step toward conserving and propagating marine life to furnish food for the table and sport for the fisherman was taken today by the House when it passed and sent to the Senate the White bill to authorize \$3,325,000 for expansion for the bureau of fisheries.

The measure has been before congress for several years. It sets aside \$1,625,000 for new construction and \$1,500,000 for maintenance and additional personnel in a five year program.

Advocated by Representative Lobpack, Republican, New Jersey, and Representative Abernethy, Democrat, North Carolina, who told of the rapidly diminishing supply of sea food and fresh water fish in this country and Alaska, the measure was approved without a record vote.

Representative Abernethy said that President Hoover himself a fisherman of note, favored the measure.

## KAYE DON DEPARTS FOR LONDON MINUS RECORD

**NEW YORK, April 16** (AP)—Kaye Don, British automobile racer who landed here March 2 with a high speed record of breaking the world's straightaway speed record, sailed for home today after a series of successful attempts at Daytona Beach, with the assertion that he would return here in a few days.

"I did not believe I could exceed the present record of 231 miles per hour," he said, "I would not, have spent \$50,000 on the trip here."

Don's five-ton "Juggernaut," the "Silver Bullet," will be shipped next week when Louis Costin, his designer, also plans to return to England. Don was accompanied by five members of his mechanical staff.

## Six Schools Enter Meet in Murtaugh

**MURTAUGH, April 16** (Special to The News)—An invitation track meet at Murtaugh will be held Friday afternoon, beginning at 2 P. M. and will be open to athletes of high schools at Hazelton, Eden, Hansen, Kimberly, Murtaugh and Arden, according to announcement made here today by Vincent Howerton, coach at Murtaugh high school.

The meet is being held to ascertain the abilities of athletes while in competition, in preparation for the sub-district contest at Piler, Friday, April 25.

## Ernie Woolley and Feraci Go to Boise

**BOISE, April 16** (AP)—Charlie Perich, who has been doing vaillant battle in Boise Lake City and across the state, and Al Allen, his former partner, La Grande, are matched for the next Boise Mike drill team contest at Boise, Idaho, on Friday, April 19, at 8 P. M. at the Boise gymnasium.

# Grimes Expresses Hope Of Materially Aiding Boston Braves

## Veteran Diamond Star Adds Hobby To Growing List

While Rain Patters on Sidewalks of New York Wanderer Demands Inability to Increase Pitching Average

By EDWARD J. NEILL  
(Associated Press Staff Writer)  
NEW YORK, April 16.—Dwight Grimes, one of the last of the spitball masters, has a new hobby to add to his great loves—the winning of baseball games and the winning of baseball games. He wants to help Bill McKechnie build the Boston Braves into a pennant contender in the National league.

While rain patters on the sidewalks outside, rousing activity on the ball fields for the day, Dwight sat around a hotel lobby, putting a big cigar, improving the acquaintance of his new

IT DIDN'T MATTER MUCH either way, but this particularly fine bit of action was snapped in a Brooklyn-Red Sox exhibition game. First Baseman Bissonette is shown receiving Sweeney of the Red Sox unassisted.—(AP) Photo.

## Idaho Freshman Athletes Excel

### Two Frosh Speed-Aces From California Threaten to Upset State Track Records

MOSCOW, April 16 (Special to The News).—Two freshman track-aces at the University of Idaho, both celebrities on southern California circuits during their "prep" days, threaten to throw into the discard several existing Idaho track records before their college careers are ended.

The two-ex-high school stars to create the stir of excitement are John Thomas and William McCoy, products of Los Angeles high schools. Thomas performs in the mile and half-mile and McCoy competes in the light and low hurdles and pole-vault.

Thomas has consistently bettered a mark of 4 minutes 30 seconds in the mile grid this spring and is considered a good prospect to improve the Idaho mile record of 4 minutes, 23 seconds, held by Tom Cleaver, Caldwell, Idaho's greatest distance runner, before the season is over.

Speed in Half-Mile  
Thomas negotiated the half-mile in 1-1/2 minute-20 seconds in a trial recently. The varsity record for the half-mile stands at 1 minute 51.4 seconds, made by Roy Harsch in 1921.

In practice McCoy has surpassed the Idaho pole-vault record held by Eugene Boise, and has eclipsed by several tenths of a second the high hurdles mark of 15.6 seconds held by Jack Mitchell. He was credited recently with traversing the 220 barriers in 25.8 seconds, a fraction of a second slower than the 1921 record.

### MINNOKA COUNTY'S EDUCATORS GATHER Teachers' Final Regular Session of Year at Rupert

RUPERT, April 16 (Special to The News)—With an attendance of 25 teachers of the county, the Minnoka County Educational Association held the last session of the year at the Caledonia Hotel here in a dinner meeting at 2:30 P. M. last night. Superintendent A. E. Herscher of the Paul school, president of the organization, acted as toastmaster.

The next matter of business was a discussion of the junior olympics with a date fixed as May 9 for the field events, when it is expected that the last session of the year at the Caledonia Hotel here in a dinner meeting at 2:30 P. M. last night. Superintendent A. E. Herscher of the Paul school, president of the organization, acted as toastmaster.

The program for the evening consisted of a report of the state education association held in Boise the last of December by Ray D. Armstrong, a delegate from the Minnoka teachers, concerning a talk on "Reminiscences of Teaching," by C. H. Reddick, Hardin school, and "The Contact Point of Graduates," presented by Mrs. Edna Armstrong of the Rupert schools, who gave her experience in saving the system over carefully in her English classes.

Superintendent A. E. Herscher, in a short talk before the meeting, outlined the trend of modern education in the teaching scheme to the work of the students rather than the policy of the old-time methods of fitting the pupil to the school system.

Emerson Teacher Speaks Mrs. Edna Armstrong of Emerson school gave a short address in serious vein dealing with the moral trend of education on the topic, "The Way of Contact Point of Graduates." The closing number of the session was ensemble singing of Idaho songs, with Mrs. Armstrong presiding at the piano. No other general gathering of teachers of Minnoka county will be held this year, according to Mrs. Bertha Naffinger, county superintendent, and secretary of the local body.

### MAIL CLERK IN RUPERT BREAKS SPEED RECORD

RUPERT, April 16 (Special to The News)—Phillip D. Young, dispatching clerk at the Rupert post office, according to Miss Bertha Naffinger, postal inspector in local postal offices here, last of the week by William C. Ott, chief clerk, broke the state record for speed, completing the examination in 9 minutes 45 seconds. The state record was set by Ott in 1929.

The other Rupert dispatching clerks, Herman J. Henselheit, Anson W. Moore and W. E. Fagan, all made a 100 per cent grade, completing the test in 13 minutes, according to Postmaster Chester O. Corbin.

The test consists of 508 cards containing the names of Idaho post-offices which must be thrown into 46 separations. This examination is required of clerks who dispatch mail and must be taken once a year.

### BURLEY GIRL GOES TO WYOMING CONFERENCE

POCATELLO, April 16 (Special to The News)—Miss Viola Chapman, Pocatello, president of the Women's Club at the University of Idaho, southern branch, and Miss Bernice Fisher, Burley, first vice president of the Burley club, left on Tuesday evening, April 15, for Laramie, Wyoming, to attend the 1932 Western educational conference for associated women students. Conventions days open Tuesday morning at the University of Wyoming and end through Friday evening, April 16.

### LOWER CENSUS FIGURES PUZZLE BURLEY FOLKS

BURLEY, April 16 (Special to The News)—"Where have the people gone?" This is the question being asked by those who learn that the 1930 census of the city of Burley will probably not exceed 4000 persons, as estimated from figures obtained from the four census enumerators operating within the city limits of Burley in 1930.

In 1920 the population was reported as 5280 for Burley and it was estimated recently that the 1930 census would be a result of the 1921 financial crisis, show perhaps as many as 4000 and not to exceed 500 less than in 1920.

Here the only committee interested citizens has drawn up the apparent large shrinkage is that it is a result of the 1921 financial crisis, show perhaps as many as 4000 and not to exceed 500 less than in 1920.

### STUDENTS AT KIMBERLY PLAN TO PRESENT PLAY

KIMBERLY, April 16 (Special to The News)—Students of Kimberly high school are preparing for the presentation of a three-act musical comedy, "Pickles," to be staged Thursday evening, April 17, in the Kimberly high school auditorium.

The cast of characters is as follows: "Pickles," by Margaret Doherty; Wurtzpraller Inn, Edward Doherty; a waitress, Margaret Sheppard; Kimberly, chief of detective bureau of Vienna, Phil Olsen; "Bunshi and Bunshi," Kinshi's servants, Louis Denton and Eddie Denton; a salesman, James Jones; an advertising expert, Claude Milligan; "Jimmy," a Gypsy girl, Kathryn Gwynne; "Arthur Creton," a young American artist, Lowell Adams; "June Penington," an American friend of Penington's, arrives on her annual quest for her daughter, who was lost in Vienna when a baby, Kinshi, the police chief, pilots to substitute the lost child of Lady Vivian and marry her himself. A Gypsy band visits Vienna led by Julo, the chief and Ilona, his supposed daughter. A man and a woman who lost in Vienna is the lost daughter of Lady Vivian. Kinshi's plot is exposed and Jones is rewarded in his company for the land of Ilona.

### How I coaxed him to eat

### ONCE I WAS WORRIED

Time was getting on my nerves. I prepared many appetizing dishes, but John simply would not eat—just munched at his food. Perhaps sometimes a little growly. I began to fear he was "slipping." What was I to do? Love, home, happiness, business success—all depended upon an improvement in his condition. The blood-tonic idea suggested itself to me. My Druggist recommended S.S.S. He told me that S.S.S. was a great blood-tonic, that it had been successful for over 100 years; that it was made from strictly fresh vegetable juices and was beneficial to the most delicate system. Also that it would build up the blood and improve the processes by which the body is nourished. I brought home a large size bottle. John agreed to try it. Well, in just a few days I could see the difference. His improvement has been so rapid he is going to take several more bottles, and not only that, but he is now telling his friends to ward S.S.S.

S.S.S. is daily helping people to regain their strength. Thousands of users have testified to its benefits in unqualified letters of gratitude. It promotes a keen appetite, gives vitality to the body, clears the skin and wards off diseases. All Drug Stores sell S.S.S. in two sizes. Ask for man's system gets "run-down," the larger size. It is more economical than the smaller size.

### SEEDING OF BEETS STARTS AT TUTTLE

Farmers of District Contract to Plant 250 Acres in First Trial of Crop

HAGERMAN, April 16—Farmers of the Tuttle district have contracted to seed 250 acres of land to sugar beets this season. Though its productivity is well known, this is the first time in the history of the district that sugar beets have figured as one of its crops. "Soil in the vicinity has been analyzed by an expert on sugar beet culture and pronounced excellent for the crop," James Chatterton, one of the farmers who will plant part of the acreage, said Monday. Some of the other farmers in the district who have contracted to plant sugar beets are, A. B. Bowers, C. L. Bowers, M. H. Passmore, J. H. Watta, Lee Larsou, Floyd Eakin, William Ullman, W. F. Ullman, Jr., E. H. Root and Ervin Condit. Most of the seeding has now been done under favorable conditions.

M. J. Durfee, living just north of Hagerman, is adding 125 Starling apple trees and 100 J. H. Hale and early Elberta peach trees to his six-acre orchard this spring. Willard Rawlings, who lives in the same vicinity, will set out 250 Starling apple trees as an addition to his young orchard now numbering 225 trees. Mr. Durfee, who has been in the fruit business here for a number of years,

schools in the county will be held Saturday afternoon at the schoolhouse. One trustee is to be chosen. Other business of a routine nature will also come before the meeting.

Mrs. A. W. Moore is making rapid recovery at her home here, according to reports. She underwent an operation at the Twin Falls general hospital about three weeks ago.

Will Van Laar and his daughter and her husband, Mr. and Mrs. Tuttle, and small son, Arthur, who are on their way to Calusa, California, after visiting relatives at Boise and Orono, were overnight guests at the H. W. Riedeman home Saturday night.

H. W. Riedeman and daughter, Miss Ruth Riedeman, motored to Magic Hot Springs to visit Henry Riedeman, Jr., who is taking treatments there.

Mr. and Mrs. J. W. McDowell were hosts to the following relatives from Rupert, Sunday: Mr. and Mrs. O. Bailey, Mr. and Mrs. V. A. Mays and Mr. and Mrs. Vern Stone and children, and Mrs. Hyrum Buck were also guests.

Mrs. Mary E. Sherman, son, Alvin, and daughter, Edith Sherman, who have been visiting at the home of Wesley Glanzer and family for the last week, left for their home at Port Ludlow, Washington, Sunday.

The Shermans were formerly residents of Hagerman. M. J. Durfee, accompanied by Mrs. Durfee, made a trip to Almo on Thursday, his seventeenth birthday, in order that he and his mother, Mrs. Melinda Durfee, who lives there, and who was 90 years old Friday, might celebrate their birthday anniversaries together. Mr. and Mrs. Durfee returned home Saturday.

Thirty eighth-grade students of Hagerman high school, accompanied by their teacher, C. E. Hunsley, went on a five-mile hiking and picnicking expedition to the head of Billingsley creek Saturday. The outing was made enjoyable with outdoor games. A picnic dinner was served at the head of the creek.

# Goodyear offers a new heavy duty Balloon

**A BEAU BRUMMELL for Looks**

**A HUSKY for Wear!**

Here's a new tire by Goodyear for the heavy car, the fast driver, the tough and rocky road—for any service that's arduous in the extreme!

It steps apart from other Heavy Duty balloons not only by its greater strength and improved construction, but also by its strikingly handsome appearance.

It's a big, stout, massively proportioned tire, armed with an extra-thick and extra-safe All-Weather Tread, and around its sleek black side-wall runs a single identifying stripe of silver.

New and original is the way in which the outer rows of All-Weather blocks are faceted down into the side-wall, a touch as smart as anything in modern sculpture.

You may be willing to pay a little more for a tire which gives you extra immunity against puncture, extra protection against blowout, extra mileage even in hard continuous service.

If you feel that way about it, go see the nearest Goodyear Dealer, and have him change over your car's tire equipment to these new Goodyear Heavy Duty balloons today!

THE GREATEST NAME IN RUBBER

ASK YOUR DEALER FOR THE SUPERTWIST DEMONSTRATION

Goodyear can give you greater tire mileage because Goodyear builds more than 1/4 of all the tires sold in America, the remainder being divided among some forty manufacturers. "More people ride on Goodyear Tires than on any other kind."

As I snuggled up in his arms and heard his chuckling laugh, I knew that I might have been a little about my washing, but I had been wise enough when I married Tom.

Two big bundles lay on the table. "Why, Tom! What in the world? Tom held me firmly by the shoulders and looked into my eyes."

"That's the washing. It just came home. It's going to the laundry every week or twice a week, or every day, if you like. Mrs. Murphy is out of the picture. And you have done a washing for the last time—get that, young lady! My wife is no day laborer!"

"But baby's things, Tom?" "All bunk!" he answered elegantly. "The manager swore on his Scout honor that only pure soap and soft water are ever used on 'em." I asked the doctor and he told me to go ahead—best thing in the world for the baby—and for YOU, NOW, Mrs. Young woman!

The purest rubber deteriorates in time. You have seen ordinary rubber bands grow hard and brittle. Formerly, even the finest tires deteriorated in the same way. Cracks occurred, allowing water to seep in which rotted the fabric and broke down the casing.

Now, in Ward tires, this tendency to crack and deteriorate prematurely has been virtually overcome! Ward tires are treated with "Anti-Oxidant"...

# 150,000 BUSHELS BECOMES GOAL FOR WHEAT GROWERS

### Twin Falls County Producers Outline Plans for 'Taking' Advantage Given by Federal Farm Measure

Growers of not less than 150,000 bushels of this year's wheat crop in Twin Falls county will take advantage of the federal farm act assistance in marketing, Jera W. Wade, county secretary and manager of the International Regional Grain Growers' association, was told at conferences with growers at Buhl, Tuesday evening and at Hollister yesterday.

Wheat growers of the Buhl district already have secured 60,000 bushels and expect to distribute 100,000 bushels for federal aid marketing. Mr. Wade was told at Buhl. In the vicinity of Hollister 25,000 bushels already have been subscribed. A. E. Kunkel, local committee man, told the recent meeting.

### KIMBERLY MAN DENIES DELINQUENCY CHARGE

Lawrence Cray, 23, arrested at Kimberly last Tuesday and accused of writing letters to a 15-year-old girl to entice her from home and causing her to leave school, pleaded not guilty to a charge of contributing to delinquency of a minor, which he was arraigned in probate court here yesterday. Hearing in the case was set for next Friday and Cray was committed to \$20 bond. Officers said Cray told them his parents live in Michigan.

### WIDOW RECEIVES ESTATE

Under an order issued by the probate court, Mrs. Lena Wood, widow of the late Ellis B. Wood, has been decreed sole owner of their community property, consisting of an 80-acre farm near Kimberly and farm equipment and livestock, valued in all at \$14,753. Mrs. Wood was appointed administratrix of the estate following the death of Mr. Wood on March 6, 1929, from injuries received when he was struck by an automobile on the highway near his residence. Asber B. Wilson, Twin Falls, was attorney for Mrs. Wood in the probate proceedings.

### ANNOUNCEMENTS

The Latter Day Saints Relief society will meet at 2 P. M. today. A review of the life of Madame Schumann-Heink will be given by Mrs. Roy King, "The King" being one of the famous singers will be sung.

The Women's Christian Temperance Union will hold a tea at the parlors of the Christian church Friday at 2:30 P. M. The guests, the Junior Women's Christian Temperance Union, will give the program. Ralph Leighton, chief of police, will give a talk on "Law Enforcement." The annual dues will be paid at this meeting. A good attendance is desired.

The University Guild will hold its regular meeting tonight at 8 P. M. in the Business and Professional Women's clubrooms.

HUNT BREAK CANCELLATION FALKENSEE, Germany (2)—Stamp collectors are hunting letters, which passed through the post office here July 25 for the office stamp copy and dated them on a new day—the thirty-fifth of the next month.

Willie Willis By ROBERT QUILLEN

### FORMER TWIN FALLS MAN HERE ON VISIT

Returning yesterday afternoon for a few hours after an absence of more than 20 years, S. W. Lochbridge, Two Harbors, Minnesota, who was conducting on the supply train which over the line to Boreman when the track was laid in 1909 to that point and who ran the first train to the Salmon recreation land opening at Hollister in the same year, marveled over the growth of Twin Falls and vicinity.

### YOUNG MOTHER SEEKS DECREE OF DIVORCE

On grounds of alleged desertion dating from April 16, 1929, Mrs. P. Alma Grove, mother of a seven-month-old daughter, has brought suit in district court here for divorce from Hollis T. Grove. They were married in Twin Falls on September 7, 1928, according to the petition. The divorce filed yesterday through E. M. Wolfe, Twin Falls attorney.

## CHRISTIAN WOMEN DISCUSS FINANCES

### Efficiency Theme of Talks At Conference Presbyterian Pastor Speaks

The Southern Idaho Young Women's Christian association conference at the Postville, Boise, Nampa and Twin Falls districts in session here yesterday got down to what one of the leaders called, a "workshop" in the consideration of more efficient methods in raising and use of funds of the organization. In regard to methods of raising the finances necessary for the maintenance of the organization, there was considerable discussion of the psychology of approach. It was advised that those seeking funds should "speak in the cause for which they are sought and get over the 'fear complex,'" said to be the worst point in many solutions. Considerable discussion was indulged in touching the value of a community chest, against which the national has advised. Opinions were expressed both ways.

### Discus Methods

Methods of approaching those engaged in different lines of business were considered. There was no discussion of budgets and the purpose of the meeting was explained to be to promote efficiency all along the line rather than to attempt to suggest raising of funds in any community at the time.

Speaking on the subject, "Finding Our Place in a Changing World," Rev. James Miller, pastor of the First Presbyterian church here, at the dinner meeting in the evening in the Log Cabin hotel, said in substance that you must, in order to lead a successful life, find your self physically, professionally, intellectually and spiritually. We are first accepted Christ as a historical fact; then as a moral fact; then as a spiritual fact, he declared.

There is, he declared, a renaissance of acceptance of Christ as a spiritual fact, something demonstrated by the publications of so many lives of the Master today. People do not accept him as a final authority to the extent that was formerly the case, but there is a general religious awakening, so that the difference between the Presbyterian, Baptist, Methodist, Christian and other churches is no longer manifest in the manner in which there was at one time, the speaker said in effect.

### Spokane Woman Speaks

Meetings yesterday were held in the Business and Professional Women's room. At the morning session Miss Helen Flack, Spokane, Northwest Regional secretary spoke on "What is the Place of the Young Woman's Christian Association?" At this is either the follow-up program was given: Polish folk songs by Abbey Anderson, Ula Holland, Aurora Hall, Helen Piper and Mary

Clandon in old fashioned costumes; Chinese folk song by Abbey Anderson; musical reading, Virginia Young; Finnish solo, Edith Moore; Norwegian folk song, Miss Clara Langeland. Dorothy Provost played accompaniment.

### SERVICE CLUBS HEAR SPEAKER OF NEW YORK

Forty-two members of the Twin Falls Rotary club and 40 members of the Twin Falls Kiwanis club at a joint luncheon meeting at Buhl yesterday heard Newell Washburn, New York City, educational director of the American Association of Social Hygiene and national chairman of social hygiene of the National Congress of Parents and Teachers, speak on the subject "Relation of Fathers to Their Sons." Understanding and cooperation between the father and the son was urged. The members heartily applauded the sentiments expressed by Mr. Edson.

### HUSBAND FILES PETITION

Carl Zeslin, husband of Mrs. Lena Zeslin whose death occurred February 10, 1928, has filed his petition in probate court here for distribution of their community property consisting of a house and lot in Twin Falls, and the court has named as appraiser of the property J. E. White, R. C. Leitch and R. B. Smith. Petitioner is represented by E. L. Ashton, Twin Falls, attorney.

### PEDESTRIAN SUES TAXI OPERATOR FOR DAMAGES

C. E. Standlee, Twin Falls, has brought suit for \$5000 damages from Jack Personis, Twin Falls taxi cab owner, on account of injuries to his left hand and left knee that he received when he was knocked down by a car driven by one of Personis' employees at the intersection of Main street and Third street north-west last October 23. He alleges that he was struck by the car while he was walking across the street, and charges that the car was carelessly driven and that his brakes were defective. He asserts that his injuries are of a permanent nature. The complaint was filed yesterday through T. K. Hackman, Twin Falls, attorney.
