CONTROL BODY AIMS TO KEEP PRICE HIGH

Executives Say Manufacture of By-Products Will Assist in Solving Excess Problem

(By The Associated Press) SAN FRANCISCO, July 4—California grape growers have organized a cooperative movement to rehabilitate the grape industry.

In a concerted drive on the bug-bear "surplus," grape growers have organized a cooperative movement to rehabilitate the grape industry.

California's grape farmers seek to control their surplus. Typical grape-picking scene is shown (top). Some vineyards are dusted with sulphur from planes (center) and select grapes are crates in "bugs" to avoid handling (below).

The Weather

FORECAST—FOR TODAY AND TOMORROW—Fair and continued warm.

Maximum temperature in the vicinity of Twin Falls was 72 degrees during the 24-hour period preceding 7 P. M. yesterday, according to the report of the government weather observer here. Minimum temperature for the same period was 53 degrees. The day was fair.

WATERS OF LOUISIANA BAY CLAIM FOUR LIVES

BATON ROUGE, La., July 4 (AP)—Four small girls were drowned in Coteau bay, near here, today when two small boats containing 13 persons overturned and sank in the bay. The others swam or were towed to shore.

ON THE SIDELINES

by BRIAN BELL

It's the same old ball say the manufacturers, but major league baseball clubs certainly have found ways and means of making it do tricks it never knew before.

Monday, June 23, will take high rank in the season's orgy of scoring runs and slamming out base hits. The two major leagues, with a healthy crop of double headers to help the cause, scored 169 runs and made 246 hits, including 20 home runs that day.

Only a few of the pitchers were not pitching on this Blue Monday when the bats were swinging.

For a time it seemed that the Athletics and White Sox were using old balls for the world champions barely used by Duah's boys in the first game of a double-header 2 to 1, but in the second the modern onion came back and the Athletics won, 17 to 9.

The Yankees hit new balls and the St. Louis Browns the old ones in the first game of their double bill, Ruth and company winning 15 to 0. The Misourians, however, got some good hitting balls for the second game and won 10 to 6.

Washington and Cleveland were only medium participants in the fever of hitting, the Senators winning by scores of 9 to 6 and 3 to 2.

Detroit and Boston had no lively balls and the Red Sox beat the Tigers 2 to 0.

The Giants and Reds suffered in the same trouble and New York beat Cincinnati, 3 to 0, but the other National League clubs hit hard and often. The Chicago Cubs led the big parade with 21 runs while Philadelphia was scoring eight. The Cubs were not the hardest hitters of the day for they scored their 21 runs on total of 24 hits while Brooklyn was running up a total of 28 hits to get 19 runs at Pittsburgh against six for the Pirates. Boston's Draves won from the St. Louis Cardinals, 12 to 9 in a game that was not enough of a slugfest contest to attract attention in the bonfire of hits and runs.

Pittsburgh fans would rather see the Pirates beat the Athletics than the Yankees and the Boston Red Sox. The Pittsburghers believe when the National League season closes the New York team led by John J. McGraw will be found at the top.

Pittsburghers may not go to Forbes Field in great numbers, but in few cities is baseball such a live topic of conversation. An enquiring reporter asked a Scots or Irish person in cigar stores and other places where there is much loose talking, about the pennant chances of the National League clubs.

None of them thought Pittsburgh would win, three said the Cubs would repeat, five liked Brooklyn's chances and one said the Yankees would win.

The game was taken too, just after Brooklyn had beaten Pittsburgh soundly in two games.

MEN CONVICTED OF 1916 BOMBING FAIL TO SECURE LIBERTY

California Supreme Court Votes 6 to 1 Against Recommending Clemency For Warren K. Billings

(By The Associated Press) SACRAMENTO, July 4—Independence day brought another defeat to Warren K. Billings and Thomas J. Mooney in their long fight for freedom from life sentences imposed for the 1916 San Francisco preparedness day bombing which killed 10 persons and injured 40.

The state supreme court, in a report made public today, voted 6 to 1 against recommending to Governor Young that Mooney and Billings be pardoned. The governor reportedly has said his action on Mooney's pardon would be ruled by a recommendation in Billings case.

Governor Young is expected to make his decision on both the Billings and Mooney cases today. The address report brought a smile from Mooney at San Quentin prison.

"My fight is not yet over," the former labor leader commented. "I have been a long battle and I am tired, but I will continue to fight to prove my innocence."

Billings, "Folton" Smith, had nothing to say, but Warden Court Smith remarks "naturally he was very disappointed."

Mooney and Billings long have contended they were convicted on "perjured testimony," but the supreme court said there was no evidence supporting their charges. The majority believed Billings had received a "fair and impartial trial."

"Upon the entire record before us" the court stated, "we acquit the defendants of San Francisco who were charged with the duties of discovering and bringing to trial and conviction the authors of this disaster by crime."

Billings past and present affiliations make it "fairly probable," the court said, that he was familiar with plots and bombings.

"This being so it is an almost irresistible conclusion that if Billings did not prepare and plant the deadly time bomb of the Preparedness day disaster, he and his assistants and Co-Defendant Mooney knew and have always known, who did prepare and plant that bomb and the deadly purpose for which it was prepared and planted."

One Justice Dissents Associate Justice Langdon dissented, saying, "I am not so free from doubt of petitioner's guilt as to withhold a recommendation for executive clemency."

The decision added another disappointment to the many expressed by Mooney since February 10, 1917, when he was convicted and sentenced to life imprisonment. He had received a life term.

Presidential intervention by Woodrow Wilson had a commutation from the governor of California for Mooney. The long campaign for pardon was ended. Mooney's friends charged police were made stricken at inability to fix the crime on the perpetrators and manufactured evidence against the defendants.

Labor and other forces started campaigns in their behalf and at least two national strikes were organized. A series of attempts to free the men failed. Governor Young promised to review the entire transcript of the two cases and asked the supreme court to offer recommendations.

The defendants again placed the recommendations with the governor.

Scientists Report Sea Covering Emerald Isle

DUBLIN, July 4 (AP)—The Royal Irish Academy, Ireland's most learned body, has been debating the question that Ireland is gradually sinking into the sea.

The marine geologist especially of the Royal Irish Academy, a learned engineer pointed out that during the last winter at many places there was a marked lowering of the beach level.

The directors of the state's geological survey "are this coast of Ireland is not merely a part of a depression affecting Western Europe. The land is sinking at present rates, and both land and sea are rising, the sea is rising the more rapidly."

The sinking is a few centimeters per century.

Shaw Wins First In 100-Mile Race

Indianapolis Driver Covers Distance in 1 Hour 29 Minutes 57 2-5 Seconds

(By The Associated Press) BRIDGEVILLE, Pa., July 4 (AP)—Indianapolis, a city known far and wide for its automobile racing, today sent the winner to the Pittsburgh-Bridgeville track in the person of Winbur Shaw, who took the 100-mile American Automobile Association Independence day sweepstakes, covering the distance in 1 hour 29 minutes 57 2-5 seconds. He averaged 66.9 miles an hour.

Shaw, in his 1919 Buick, was the first to finish in second place, two laps behind the winner, and Dave Evans, a 1917 Buick, came in fourth.

A series of mishaps, which started at the qualifying trials, kept Billy Arnold, Chicago, from making a strong bid for first. Donora, Arnold, who won at Indianapolis on Memorial day and Altona on Flag day, said today's race to give him the American Automobile Association championship for the year, but failed otherwise.

Finishes Seventh Arnold's accident left him unharmed and he finished seventh with a time of 1 hour 35 minutes 23 1-8 seconds. The time lost when his motor added on the first and thirty-fourth laps kept him from making a better showing.

Paul Boat, Detroit, finished fifth and Winslow, Akron, Ohio, sixth. Frank Briko, Milwaukee, was thirteenth position, back of Arnold.

Fast Time Blue Larkspur covered the mile and a furlong in the sensational time of 1:49 2-5, smashing the track record formerly held by Mison, the 1918 Buick.

Shirley Carlton, also of Detroit, who was second to Arnold at Indianapolis, was forced from the race on the thirty-fourth lap because of motor trouble.

Chicago Race Goes To Blue Larkspur

1929 Three-Year-Old Winner Triumphs in \$33,000 Stars and Stripes Classic

CHICAGO, July 4 (AP)—Blue Larkspur, 1929 three-year-old champion of America, running one of the outstanding races of his sensational career, captured the \$33,000 Stars and Stripes handicap at Arlington park today before 60,000 spectators, perhaps the largest crowd that has witnessed a race in Chicago since the revival of the sport four years ago.

The four-year-old son of Black Swallow, 1926 champion, was bred by F. S. Bradley, Lexington, Kentucky, son by half a length from Miasole, the Chicago champion—Miasole, driving here, was just a nose ahead of Sun Beau, the entry of Willis Sharpe Kilmer, New York.

John D. McLean, Washington newspaper publisher, was fourth in the field of 18 of the greatest handiicap and stake stars ever to face a barrier in the West.

Fast Time Blue Larkspur covered the mile and a furlong in the sensational time of 1:49 2-5, smashing the track record formerly held by Mison, the 1918 Buick.

Shirley Carlton, also of Detroit, who was second to Arnold at Indianapolis, was forced from the race on the thirty-fourth lap because of motor trouble.

Kent Crew Wins Over Princeton's

Connecticut Oarsmen Eliminate Only Other Yankee Eight in Henley Regatta

HENLEY, England, July 4 (AP)—Four school of Connecticut eliminated Princeton university's lightweight crew in the Henley—a one race over a mile and 550 yards today to enter the semi-finals for the Thames challenge cup, an event open to all amateur crews.

This two American boatloads, celebrating their national holiday far from home, drew the chief attention on a day that has no victorious significance for England. At the same time provided a decided threat for the semi-finals tomorrow morning and the final in the afternoon. Kent now is regarded as a slight favorite to repeat the victory of oarsmen, Cambridge, Massachusetts, last year.

Stock of Kent Races It is generally believed that Kent, now it has passed such a formidable contender as the crack Princeton boatload, can defeat Worcester college of Oxford, in the semi-final heat, if a time comparison in previous races forms an accurate gauge. The American youngsters travelled the course in 7 minutes 27 seconds in defeating Princeton by half a length while Worcester eliminated Lady Margaret college, Cambridge, in 7:20.

In the other semi-final tomorrow morning "Quinta" crew eight row against the Yacht Rowing club.

U. S. POST OFFICE, TWIN FALLS IDAHO, office of the custodian—Society Proposals will be received at this office until July 23, 1920, and then publicly opened for donor windows, etc. at this building in accordance with the specification, copies of which may be obtained from the custodian only; Peter W. McGovern, custodian.

Two of Nation's Crack Swimmers Set New Records

Miss Helene Madison, Young Seattle Star, and George Kojaq, New York, Chalk Up Marks in California

By PAUL ZIMMERMAN (Associated Press Sports Writer)
LONG BEACH, July 4—L. National Amateur Athletic Union swimmers today broke two more world records.

California Tennis Queen Wins Title on English Court

Miss Helene Moody Annexes Fourth Successive Wimbledon Championship by Defeating Elizabeth Ryan

By FRANK H. KING (Associated Press Sports Writer)
WIMBLEDON, England, July 4—Helene Moody won her fourth successive Wimbledon tennis championship today by beating Elizabeth Ryan, 6-2, 6-2, in the women's singles final.

...melled his way to a popular 20,000 fans...
...the Oakland Negro, succeeded in...
...the 147-pound...
...and outboxed him practically all the way.

...A ninth round climax saw Thompson tumble to the canvas for a nine-count, felled by a vicious left body. The Negro was badly hurt but staggered to his feet and weathered out the session. Corbett, hurt desperately for a knock-out but the count was not gone.

...It was a battered champion who responded to the tenth round...
...but he survived the storm of glories that Corbett drove in. Thompson fought back gamely but his few rallies were blipped out by only Thompson, but his most ardent supporters, by abandoning his usual defensive tactics to force the fight most of the way.

...Thompson put up spats in the fifth and ninth rounds...
...Corbett's closing finish in the last two frames had the crowd of 20,000 fans in a frenzy. Referee Willie Ritchie, former lightweight champion, was a mercurial official. The Associated Press' score gave Corbett seven rounds.

...It was the third victory for Corbett in his range of 100...
...Thompson weighed in at 145 pounds and Corbett tipped the scales at 145 pounds...
...Gate receipts for the outdoor ball game ran around \$40,000.

BIG SIX
(By The Associated Press)
The holiday double-header brought the big change in the starting due to the closing activities of Frank O'Doul, Chuck Klein and Lou Gehrig. O'Doul, Klein and Gehrig had done the lion's share of them homers, and lifted his batting average to .315.

SEATTLE 5-3, SEATTLE 6-1
Portland, July 4 (AP)—Indians today won the first game on errors with the San Francisco Seals, 5 to 3. Portland, 6 to 1, and 2 to 1, hitting the victors, 5 to 2. Pinc Seals' double, four by shortstop Frank Coffey, proved costly in the first game.

LOS ANGELES, JULY 4 (AP)—Los Angeles took both games from Oakland today, 10 to 0 and 2 to 1, turning its winning streak to 12 straight games. The second game, 2 to 1, was an extra frame with the score tied at the end of the seventh, 1 to 1.

YOLANDE 3-0, MISSIONS 7-1
SAN FRANCISCO, July 4 (AP)—The Missions won two games from Sacramento today, 7 to 1, and 3 to 0. Yolande, Sacramento pitcher, blew up in the seventh frame of the morning game.

WASHINGTON AND KOPP WIN BOUTS
Washington and Kopp won bouts today. Washington won by a Roman hold-up by slaughtering the New York Yankees in both games of a double-header and advancing to one game behind the league-leading Athletics. The scores were 9 to 0 and 10 to 0.

Terra Cotta Tile and Simple Lines Big Cost Savers

Walls are of buff-colored concrete cast in wood form. The decoration is terra cotta tiles in warm colors and moderate patterns. The entrance door has a central glass panel guarded by a modern metal grille.

We certainly have been far behind Idaho in accepting the modern life of terra cotta tile in warm colors and moderate patterns. It is strange that the nation-at-large fails to accept other time, labor and money-saving artificial methods not so easily adopted in a manner of home building that has so much to commend it in this direction.

Walls can be cast in forms instead of being laid up by hand. Instead of wadded wall space, we can now utilize every square foot of the house.

There were no fire works. Three thousand guests, most of them wearing tiny emblems of the Stars and Stripes, crowded into the grand ballroom of the Hotel Grand to shake the hand of the Ambassador and Mrs. Dawes. The ambassador had been in the United States through his "voyage from the United States."

It is a long view plan for the future. It will require many years to complete its construction. "I do not propose that we should proceed in a haphazard manner, but that we should approach the problem on sound engineering lines, completing the main trunk systems and gradually extending the work outward along the lateral rivers."

HOOPER'S ORDER HALTS SENATOR (Continued from Page One) hold it before the senate until action has been had. Comprehensive hearings were held before both the foreign relations and the naval committees where Secretary Blinn and Adams defended the treaty and various naval officers testified that it did not grant the United States enough lenient gun privileges for its needs.

GOVERNORS ARRIVE AT GRAND CANYON

Townpeople of Southernmost Part of Utah Greet Touring Chief Executives

NORTH RIM, GRAND CANYON LODGE, Arizona, July 4 (AP)—The touring government party arrived here this evening from Zion national park. Utah, after a busy day's program, had included dedication of the new Zion Mount Carmel highway and tunnel and an entertainment at Kaibab, where they stopped for lunch on this here.

Greeted by townspeople of the southernmost Utah community with a band and a chorus of school children, the visiting governors were introduced by Governor George H. Drexel, Utah, who told them he was proud to present the party of chief executives at the Grand Canyon, the last frontier.

At Fredonia, the first Arizona community reached by the party, the touring government party was met by Governor John G. Phillips of this state. To address the gathering on citizens' assembly, the touring party was met by Governor George H. Drexel, Utah, who told them he was proud to present the party of chief executives at the Grand Canyon, the last frontier.

The government's Independence day celebration in the two states continued today. The touring party of grand canyon lodge over which Governor Phillips presided, addressed the gathering at Fredonia, Arizona. The touring party included Governor George H. Drexel, Utah, and Governor John G. Phillips, Arizona.

Tomorrow, after breakfast here, the governors and their party will depart for Bryce canyon national park, stopping at Cape Royal and Park Imperial on route and lunching at Panguitch. The touring party of the national governors' conference will be held at Bryce canyon lodge over which Governor Phillips presided.

16 BALLOONS SAIL FROM HOUSTON PORT

National Elimination Race Contestants' Reports Indicate All Going Well

HOUSTON, Texas, July 4 (AP)—Sixteen contestants in the national elimination balloon race sailed away late today, and early tonight, at this last report from them, all was doing well. They should pass over the Dallas-Fort Worth region sometime around dawn, the weather bureau said. Three of them, not identified, were reported over Houston, 40 miles to the northwest at 8 P. M.

WHEAT MEASURE FAILS

MELBOURNE, Australia, July 4 (AP)—By a vote of 15 to 1 the senate today rejected the wheat marketing bill. The measure would have guaranteed four shillings a bushel (about 45 lbs) for next season's wheat and would have involved a compulsory pool.

QUIETUDE REIGNS IN CAPITAL OF COUNTRY

(Continued from Page One) the monument grounds. Senator Blinn of Ohio, a former history teacher, was the principal speaker. The declaration of independence was read, and the oath of allegiance repeated with the crowd.

It took a special detail of traffic policemen to take care of the thousands of automobiles that were lined up in front of the monument. There were hundreds of picnic and swimming parties to the accident victims attributed to the many accidents that have occurred in the vicinity of the monument.

FRENCH JURY YANKS PARIS, July 4 (AP)—Official and unofficial France joined with representatives of the American embassy and patriotic organizations in celebrating the Fourth of July here today.

The day also was observed in Paris by the French and American press. The French and American press described his ancestor as an "immortal yet realising link between France and America, between yesterday and today."

Second ceremony was at the monument to the American volunteers who served in the French army during the World War. Present were American military and naval attaches, American Legion members, French war veterans and other organizations as well as embassy representatives.

ENGLISHMEN LABOR LONDON, July 4 (AP)—While King Blinn did business as usual, thousands of Americans who live in London and American tourists today celebrated the Fourth of July with a display of the documents by which their forefathers shook off the British yoke.

There has been no definite predictions of the time that will be necessary for the completion of the treaty. The senators, however, are weary from the long months of the treaty and the tariff and veterans relief, and hope has been expressed that the session might end within 10 days or two weeks.

BURLEY CELEBRATES DAY BY DEDICATING NEW LANDING FIELD

Events at Airport, Parade, Motor Boat Racing, Bathing Beauty Contest and Fireworks Lure Big Crowd

(Special To The News)
BURLEY, July 4—Dedication of Burley's new landing field, motor boat racing and a bathing beauty contest were main attractions of the Fourth of July celebration sponsored by Burley Chamber of Commerce here today. A crowd estimated at between 4,000 and 5,000 persons attended. A spectacular display of fireworks climaxed the fest.

John Kidd, then past 60 years of age, won first place for the best historical portrayal in the day's parade which started at noon. The complete program, an historical event in the Mormon country. Second prize was awarded to Stan Burley, Burley's own beautiful-float contest, the Rebekah lodge of Burley won first and Elmer C. Brown, Burley, won second. Ford Motor company, representing "Motor of Andy" captured honors for the best float. Mrs. M. J. Burley, 15-year-old Rupert boy, won first prize for the best portrayal of the war on the days.

Motor Boat Races
 Cars estimated at more than 1,000 lined the banks of the Snake river and covered the Mayhew bridge for the motor boat races, which were probably the greatest attraction of the day, according to Roy Painter, president of the Chamber of Commerce, who was in charge of the arrangements for the celebration. In the five-mile boat race, Al Becker, Burley, won first place. Fred H. Burley, Postville, second; and Dr. H. E. Beck, Burley, third.

Miss Evelyn Rogers, Burley, was selected winner of the bathing beauty contest at Rotary beach, following the boat races. Mrs. M. J. Burley, Mrs. Rita Powers, Holtbeck, Burley, won second honors. Both young beauties were crowned by Mrs. M. J. Burley, Burley, who was in charge. A drawing of numbers in a merchant's count followed the bathing beauty event and water sports.

Dedication Ceremonies
 At the dedication ceremonies for the airport, A. C. Blomquist, director of the aeronautics division of the department of public works, delivered an address prepared by Dr. W. Woods, Boise, public works commissioner, on the advancement of aeronautics. Frank Williams, representing the city of Ogden and the Ogden Chamber of Commerce, and George W. Burley, chairman of the city council, also spoke on airport development, each emphasizing the valuable links provided for cities by the building of landing fields for planes.

Burley's airport consists of a modern equipped field of 220 acres, adjoining the city limits on the east. The tract was purchased by the city through the means of a recent bond election, in which \$10,000 was voted for the project. Members of the committee in charge of the development report that \$200 of the sum has been spent for better lights, a beacon light, flood lights and for leveling and grading of the field. Several planes were present to give the day's celebration and to take passengers for short flights.

THAT'S LEAVE BY STATE
 DUBLIN, N. H., July 4 (AP)—Rear Admiral Richard E. Byrd, Antarctic explorer and his family, returned here today to rest at their summer home before the admiral leaves for the Middle East to attend public receptions in his honor. The party came from Boston by automobile.

SOVIET MOVES TO END FOOD DEARTH

MOSCOW, July 4 (AP)—Now that the government feels that it has solved the grain problem steps are being taken by the authorities to relieve the present acute food shortage by rushing to completion a number of large food plants throughout the country.

Margarine factories will be completed at Stalingrad this fall, the government today announced, which will have a yearly capacity of 18,000 tons of margarine and 5,000 tons of vegetable oil. In Moscow a similar plant with 7000 tons capacity will be opened this fall.

A vegetable, meat and fruit-canning plant with an output of 45,000,000 cans is nearing completion in Blaingrad. Plans are being drawn for a coffee and tea treating factory at Irkutsk. Sixteen poultry farms with 975,000 birds will be operating by autumn.

The greatest fruit farm and canning industry in the world, the announcement added, is being organized in northern Caucasus. In Crimea incubators for 1,000,000 eggs are being built. Plans for spring call for other new incubators in various parts of the Soviet union with an aggregate capacity of 8,000,000 eggs.

Until these enterprises actually are in operation the government will be obliged to continue the present rationing of meat, bread, water, sugar, rice, flour, tea and other necessities. The system imposes considerable hardships on Russians and foreigners alike. As an accommodation to foreigners, the government now allows engineers, technicians and correspondents, including Americans, to bring their own food supplies duty free, providing they are brought in as personal baggage.

At an intersection on the highway within a half-mile of their home, five and one-half mile southeast of Twin Falls, the car in which Mr. and Mrs. J. H. Norris and their grand-children were riding, was struck last evening by another car coming from the south, and Mrs. Norris received severe cuts about the face. Other persons in both cars received less serious injuries. Both machines were badly damaged.

Mr. and Mrs. Norris and the children were coming to Twin Falls to witness the fireworks display in connection with the Fourth of July celebration.

The collision had not been reported to the officers here last evening, and there was no information available here as to the occupants of the other car.

5500 PERSONS JOIN IN CELEBRATION OF FOURTH AT JEROME

Spectacular Fireworks Display Brings to Close One Of Most Successful Events In History of North Side

(Special To The News)
JEROME, July 4—Spectacular display of fireworks here tonight brought to an end one of the most successful Fourth of July celebrations in the North Side of Idaho ever had. A crowd estimated at 5500 persons attended the parade, programs, ball games, races and fireworks which lasted through the day.

Little Virginia Icard was entertained queen of the celebration. The evening of the evening in the merchants' contest conducted during the last two weeks of the morning parade comprising many beautiful, and some amusing, floats, was the main attraction of the morning.

Baseball Game
 Jerome baseball team won from the Gooding nine 13 to 3, before a crowd estimated at 400 persons in the feature event of the afternoon.

Harve Alvarson, Jerome merchant, was in charge of the arrangements, as chairman of the celebration committee.

Many visitors from neighboring towns, and some out-of-state guests were among the throng of merry makers.

Victim of Mishap Battles For Life
 Charles F. Powers, Veteran Power Company Employee, Hurt When Car Upsets

Charles F. Powers, about 50 years old, killed Power company employee for a number of years, who was severely injured about the head and shoulders in an automobile accident on the highway west of Boise late Thursday afternoon, was reported last evening to be in a serious condition at the county general hospital here where he was received for treatment yesterday. X-ray examination made here yesterday was said to have disclosed fracture of the skull and serious injuries about the neck and shoulders. Messages summoning other relatives were said to have been dispatched last evening by his daughter, Miss Thelma Powers, Postville, who was at her father's side.

At 11 A. M. Dwight Ripper, Rupert attorney, delivered the address of the day at the big tent in the City park. The keynote of his address was the maintenance of peace.

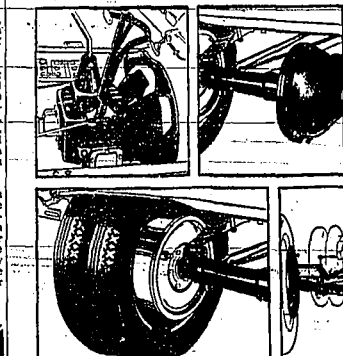

Local baseball team champions of this region, won from the Idaho team of Salt Lake City by a score of 10 to 1 in a best-of-eight contest which began at 2 P. M.

The main event of the evening was the boxing bout, in which Buddy Washington, Postville Negro, knocked out Jimmy Dolan, Portland, in the second round of a scheduled 10-round battle. In the preliminary bout, Mike Thorne was riding in the Anderson car, and his injuries resulted from flying back into the car.

In his report of the accident, Taylor said that his car was driven as the line of the accident by a man by the name of Powles, to whom, he said, he had loaned the car.

Entertains Friends—Miss Phyllis Evans is entertaining Max Lane of Sifton, Oregon, Miss Arline Chaffield, Richfield, Idaho, and Glenn Warner, Springfield, Illinois, over the weekend at the country home of her parents, Mr. and Mrs. Roy Evans. The guests and hostesses are all enrolled at Gooding college for the summer term.

New features of the FORD TRUCK

BY INCREASING strength, length of service, safety, reliability and economy, new features combine to make the Ford truck a value far in excess of the price.

Important among them is the 4-speed transmission, which gives a wide range of speed and power. Another is the new rear axle. It has a spiral bevel gear of special Ford truck design, with straddle-mounted pinion. Axle shafts are heavier than formerly, and the differential is of the new type of construction, they serve only to turn the wheels, without carrying any of the weight of truck or load.

Brakes on the front wheels have been changed to the same size as those on the rear, providing increased braking area and a high degree of safety. Brakes are of the mechanical type, for easy stopping and all are fully enclosed against grit, gravel and moisture. Controls have been redesigned.

Dual rear wheels, available at small additional cost, will afford better cornering and economy. But on tires of one size are used throughout with the dual equipment, so that all six steel disc wheels and tires are interchangeable all around. Only one spare need be carried.

The front construction shows greater strength. The front axle is twice as strong as formerly. The front spring is heavier, and king-pins, wheel bearings and thrust bearings are larger.

Many other features add to the quality and length of service you may expect from the Ford truck. Come in and let us show them to you.

Tube for Gulf Stream Lost

PROFESSOR GEORGES CLAUDE, French scientist, beside the giant steel tube which he built in an effort to harness the gulf stream and convert its waters into electrical energy. The tube which was 6500 feet long and cost more than \$1,000,000, collapsed and was lost as it was being towed into the ocean near Havana, Cuba.—(AP) Photo.

4000 PERSONS AT BATTLE CELEBRATE LAND'S NATAL DAY

Beauregard H. Baker, Rupert, Delivers Principle Address, Before Large July Fourth Gathering

(Special To The News)
HAYLEY, July 4—Billions of fireworks and a dance tonight closed the second day of Hayley's three-day celebration of the Fourth of July. A brush fire, burning in the mountains east of here furnished an unusual feature to the day's program. It burned along the foothills without threatening nearby property. It was watched by a crowd of more than 4000 persons from many parts of South and Central Idaho.

The principle speaker of the day was Judge Hugh A. Baker, Rupert, who was introduced by Mr. H. C. Beaur, chairman of the program committee.

During the program which started at 11 o'clock this morning a boys' quartet composed of Marion and Donald Klingler, Carl Shannan and Edwin Kelly sang "The Star Spangled Banner" and they were followed by Alton Haskett, Buhl, who sang "Gods". The Hayley band played several numbers and a feature of the program was the recitation of the Declaration of Independence by Miss Dorothy Williams, Bellevue. Frank Boon, member of the Hayley Chamber of Commerce was chairman of the committee in charge of arrangements.

Several features of the program between the Hayley-Gannett team and Glenn Perry was by the latter, who delivered an address on the afternoon's events. A boxing and wrestling bout furnished the climax of the sports program in the evening.

Hotels, auto camps and rooming houses here, in Ketchikan and Bellevue were taxed to capacity and many tourists set up their camping equipment along the shaded streams for miles around.

Many visitors will be remained tomorrow to attend a boxing card and dance in the evening.

"GOOD GIRL"

by Barbara Webb

"Well, you can't tell me he cares whether any one finds out that I'm... You don't mind after him."

"I don't think so, Lolly. Why, he's years older than I am, and he's got such an impressive position and I've never dreamed of such a thing."

"That's probably the reason he likes you. You don't mind after him. Mary Ruth considers this in a joke."

"There were sandwiches and frosted chocolate and then Virginia who had to be out at ten in the morning."

"Oh, Mary Ruth, you're lucky to have a nice home like this and a mother like yours."

"Lolly sighed. "The better really had a mother, Mary Ruth."

"Oh, yes, when I go to school, so big he had to send me or have the trunk delivered after him. He's getting old and he needs some one to keep house for him. He steps all day and wanted to take him home to have his supper."

"I don't know what you're talking about. I found the stories."

"I found the stories."

"I found the stories."

"I found the stories."
