## LEGION CONVENTION ELECTS KANSAN TO ORGANIZATION HELM

**Attempt to Drag Ex-Servicemen Into Politics Fails and Move Against Prohibition Meets Quick Defeat**

(By Associated Press) **BOSTON, Oct. 9.—** A national convention of the American legion came to a close here today. A seven-hour session during which national officers were elected, important resolutions adopted, and committee reports accepted closed one of the most successful conventions in the history of the Legion.

The convention, which was elected the next national commander over Colonel J. M. Johnson, South Carolina, and the other candidates were Harry H. Henderson, Cheyenne, Wyoming; Bert Ryland, Burlington, Iowa; Charles E. McMurtry, Dallas, Texas; B. Horrell, Thibodaux, Louisiana; and James A. Duff, Marlinton, West Virginia. The Rev. Joseph L. Wiesner, Milwaukee, Wisconsin, was named chaplain.

The Legion again defeated what many delegates charged was an attempt to drag it into politics by rejecting a proposal for the immediate payment of \$8 per cent of the dues "plus" of "adjusted" members. The measure would have been paid with defeat when Commissioner O. L. Niedermeyer ruled it was out of order.

Attempts to bring the prohibition question before the convention did not win defeat when Commissioner O. L. Niedermeyer ruled it was out of order.

In a speech in a way to bring a sharp clash, a change in Joseph L. Palmer, Los Angeles, California, that the committee on child welfare then submitted by the Legion caused John W. Ryan, Minneapolis, and James A. Duff, president of the Legion, to call a meeting of Palmer and others to discuss the matter.

The New York and Texas delegations were so persistent in their demands that the committee had to disband.

Several resolutions were adopted. These included endorsement of a standing army of

## GREAT BRITAIN PLANS TRIBUTE TO '48 DEAD

**LONDON, Oct. 9.—** Great Britain's government will reach its climax tomorrow with the church and public participating in solemn services.

Several preparations were made.

During the black weeks of the night the bodies will be transferred from the mortuary chapel to Westminster Hall, the final resting place of the monarch.

Religious ceremonies will be conducted in St. Paul's cathedral and Westminster Abbey, and a Mass for the Catholic members of the diplomatic corps.

**PRESIDENT'S AILING SON  
REAINS IN MOUNTAINS**

"**WASHINGTON, Oct. 9.—** President Hoover, who expected to remain several weeks longer at the presidential lodge in Virginia, where he is recovering from a duodenal ulcer, has decided to leave his mountain home for a brief vacation.

Captain Joe T. Moore, the White House doctor, said today his patient had been making rapid progress since he went to the camp several weeks ago. The duration of his stay there is dependent upon the weather.

**MAN GOING TO FUNERAL  
DIES IN UTAH TRAGEDY,**

**BUCKLEY, Utah, Oct. 9.—** Leo W. Sperry, 35, member of the Los Angeles police force, was killed 18 miles south of here yesterday when his automobile overturned while rounding a sharp turn in the highway. Mr. Sperry is in a critical condition in a hospital here.

He was driving alone when he lost control of his car and ran into a rock. He did not expect the commission to make an enforcement would be ready "tomorrow or the next day," but added he was barking Chairman of the Board of Commissioners that the report would be expected for congress "early in December."

This would mean swift action by

**FORD ENGINEURGES  
LIFTING OF EMBARGO  
ON EXPORTING HELIUM**

**WASHINGTON, Oct. 9.—** President Hoover was urged today by W. Mayo, chief engineer of the Aircraft Development corporation, Detroit, to lift the embargo on "certain consideration" to lifting the embargo against exporting helium for aircraft or other nations.

Mayo, who also is chairman of the board of directors of the Aircraft Development corporation, Detroit, said in a letter to the president that the claim to the "certain" consideration "is not all done," but that "the development of airplanes must go on."

## GREEN STRIKES AT ENEMIES OF LABOR

**President of Federation Announces Vigorous Opposition to Union Imposters**

**BOSTON, Oct. 9.—** William Green, president of the American Federation of Labor, in a speech before the federation's annual convention today pledged his support to all his ports to drive labor racketeers from the industry.

"If there is brought to my attention the racketeer moving under the guise of trade unionism, and I can identify him, I will do whatever is necessary to see that I will drive him from this movement if I can," he declared.

"And I know the brave men and women who are working to put this movement up with me.

"It is highly unsettling to speculative sentiment, the firms attempted to identify him, and we will do whatever is necessary to see that he is driven from the industry.

## GRAIN FROM NORTHWEST MOVES TOWARD MARKET

**BOISE, Oct. 9.—** Six million bushels of grain have been sold in the Northwest in 10 days through the efforts of the Farmers' National Grain corporation, W. W. Howell, district manager of the Idaho Valley branch, and its associates.

It is the largest amount ever handled by a single firm in a month.

Howell said there was a growing wheat trade with the Orient and further westward, and that the market was being influenced by increased feeling of grain by farmers who are disappointed with prevailing low prices and lack of demand.

He said sales of the North Pacific (about \$135,000,000 worth) had been completed and they would reach \$30,000,000.

## SEARCHERS FAIL TO FIND LOST IDAHOAN

**FRESH-PARTY SETS OUT IN EFFORT TO LOCATE BOISE MAN LOST WHILE DEER HUNTING**

**YELLOW PINE, Idaho, Oct. 9.—** A new searching party set out this afternoon in an effort to find R. H. Roberson, deer hunter from Boise, who has been lost in the thickly forested mountains here since last Monday.

The fresh searchers believe

that he was captured by Indians because Lieutenant Conner is an experienced navigator and expert at hunting.

## RESERVES PLAN TO STAGE CEREMONIAL

Solemn Ceremonies Figure In Initiation Work at Twin Falls High School

The senior high school Girl Reserve, which will be held at the high school auditorium at 7:30 o'clock tonight, will open with a program of singing, dancing, and drama. Guests of honor will be furnished by the Girl Reserve orchestra composed of Evelyn Dickey, pianist; Esther Johnson, violin; Sophie Johnson, cello; and Mary Dickey, clarinet. One hundred new members will be received.

The cabinet of the different Girl Reserve organizations will lead the procession followed by the officers. The new members, with unlighted candles will follow.

Miss Pauline Roberts will preside and will introduce Mrs. C. R. Scott, member-chairman of the Twin Falls Girl Reserve, Mrs. Sammie Ladd, secretary; Miss Clara Langford, secretary of the Valley Girl Reserve district, and Miss Helen N. Pfeiffer, local Young Women's Christian Association, first secretary for the Northwestern district.

After the close of an address by Miss Pfeiffer, the regular exercises will then call for members of the various organizations to present their report for the Y.W.C.A.; Laura Foss for the Philo club; and Virginia Stanley for the "Blue Triangle."

John C. Gandy, president of the Blue Triangle, will speak on "Knowledge"; Helen Lang, Philo club president on "Health"; and Anna Ladd, Blue Triangle president, on "Honor".

The Blue Triangle president will then call for members of the various organizations to present their report for the Y.W.C.A.; Laura Foss for the Philo club; and Virginia Stanley for the "Blue Triangle."

Blue Triangle president, "What shall be done with these new girls?" by the Blue Triangle president, followed by a discussion of the Blue Triangle's activities.

John C. Gandy, president of the Blue Triangle, will then call for the message to new members who will march forward with Iris Farrel and Vern Evans, Blue Triangle members, and the new members are then pledged during which the audience is requested to stand.

Following the oath, Captain Charles Brown, president of the Canadian Boy Scouts, will speak on the recreational "Follow the Yellow Brick Road" he played.

Parents of the Girl Reserves and others interested in the Young Women's Christian association are invited to attend. Following the ceremony, refreshments will be served and held at the school. The cost of Y.W.C.A. will cover light refreshments.

The home of Mr. and Mrs. J. C. Cartwright on the south side of East Main Street was the scene of a merry gathering yesterday Wednesday after school when their daughter, Virginia, celebrated her tenth birthday. A variety of games, refreshments and prizes were won by Ruth Reiter, Ruth Harden and Lois Stevens. A sixth day candle was lit in time with which the refreshments were served. The refreshments served at the end of the afternoon, Virginia's guests were: Mrs. John Wiegert, Mrs. George Leopold, Mrs. John Thompson, Mrs. Joyce Thompson, Missie Mae White, Mrs. Ruthie and Virginia Basen, Maxine Vance, Glenn Jean Bell, Mrs. John C. Gandy, Mrs. John C. Gandy, Mrs. Lois Haydon, Eddie Huesther, Anna Peeler and Syra Lifcus.

The Women's Council of the Christ Church met in the church parlor Thursday afternoon; Develyn led by Mrs. G. L. Brown, Mrs. E. J. Ostrander, Mrs. M. C. Thomas, Mrs. U. N. Terry and Mrs. W. T. Seal and her circles served refreshments.

Mrs. Al Russell entertained with three tables of bridge Wednesday evening at her home on State Avenue. Each table was topped with a decorated fall flower for the occasion. W. A. Riley won first place and the consolation fell to Mira Zia Hagat. Polygamy the grand prize. Russell served a four-course supper.

Rev. Mr. E. B. Williams, pastor of the First Episcopal Church, held a service of thanksgiving at the home of Mrs. E. J. Ostrander on Maple Avenue. Mrs. Ostrander sang a solo and the organist, Mrs. Anna Jones, who is visiting from New Jersey, gave a splendid talk on India the subject for today the year and exhibited pamphlets.

## THEATRESE

The great adventure picture now at the Idaho theatre.

### THE STORM PLAYS AT ORPHEUM THEATRE NOW

One of the most gripping pictures ever brought to the screen is "The Storm," universally stirring romance drama at the Orpheum theatre.

"The Storm" is a tremendous drama both from its human and natural angles. Added to the fine acting of the stars is the superb setting.

The story is told with the stormy drama in a most unique setting.

The scenic effects of the picture are as beautiful and awe-inspiring as the drama of the human situation is compelling.

"The Storm" has been selected by the critics as the best picture of the year.

John Leiper was the other star in the film.

and polished, the other a stalwart frontiersman. Both love the girl in his own way.

Slowly drama for the woman begins to unfold. The girl, taking both, gives no definite sign of where her heart really lies.

Meanwhile, the supply of food in the house is running low. The parents fear there is not enough food for two persons until spring, when the trail will be again open.

With audience interest at a peak, the story could hardly help being a picture of terrible conflict and suspense. But its power is immensurable.

A long-taking avalanche, a blizzard, a canoe shooting up rapids of a wild river and tremendous rain all add to the drama.

Louise Vale has never been better advantage than as the little French girl who loves the boy.

She carries her role an ideal manner.

A feature of her part is the singing of a delightful song, "Chanson Pierrot and Pierrette."

rapids of a wild river and tremen-

dous rain all add to the drama.

Louise Vale has never been better

advantage than as the little

French girl who loves the boy.

She carries her role an ideal

manner.

A feature of her part is the singing of a delightful song, "Chanson

Pierrot and Pierrette."

The men are one city man, suave

and polished, the other a stalwart

frontiersman. Both love the girl in his own way.

Slowly drama for the woman begins to unfold. The girl, taking both, gives no definite sign of where her heart really lies.

Meanwhile, the supply of food in the house is running low. The parents fear there is not enough food for two persons until spring, when the trail will be again open.

With audience interest at a peak,

the story could hardly help being a picture of terrible conflict and suspense. But its power is immensurable.

A long-taking avalanche, a

blizzard, a canoe shooting up

rapids of a wild river and tremen-

dous rain all add to the drama.

## LAST RITES HONOR SHOSHONE PIONEER

Mother of George Saviers and Mrs. S. D. Perrine, Twin Falls, Goes to Rest

**SHOSHONE.** Oct. 9 (Special to The News)—Funeral services for Mrs. Mary W. Saviers, resident of Shoshone nearly half-a-century, and one of the earliest settlers of the Shoshone district, were held at the First Baptist church yesterday afternoon. Rev. H. W. Parker, former "Twin Falls" and Jerome Methodist minister, and old friend of the Saviers family, conducted the services. He was assisted by Rev. Walter Smith, pastor of the Shoshone Baptist church.

The Saviers were Ben Durrah, G. D. Keefer, R. J. McAllister, P. E. Gross, R. W. Swepa and J. H. Chapman, old time friends of the Saviers, who were present. The services were furnished by the local Baptist quartet. There was a profusion of flowers and a large number of friends and relatives at the service, which were present in all.

Mr. Saviers was born at Winterfield, Ohio, on February 9, 1850. He was a son of George and Mary Saviers on October 28, 1870. The family left Ohio in 1858, moving to Kansas. In 1860 they moved to Idaho, where they remained until 1865, and later 1867 to Coeur d'Alene by horse and wagon. They came to the Shoshone district in 1865, where Mr. Saviers died.

Mr. Saviers, who was a veteran of the Civil War, enlisted in Company I. One hundred seventy-second regiment, and served for three years, after a three-year period before his marriage, died in the Boise veterans hospital last March.

Mr. Saviers was a member of the Methodist church in Ohio at the age of 17 years. She had always been an active church worker. She was also a member of the Daughters of the American Revolution and the War Mothers organization.

Surviving are George D. Saviers, Mrs. S. D. Perrine, Twin Falls, and Mrs. M. L. Chapman, Shoshone. There are also 10 grandchildren and seven great-grandchildren.

## WORK ON HAILEY MINE MILL MOVES FORWARD

**HAILEY.** Oct. 9 (Special to The News)—Work is being rushed on the 100-ton ore mill at the Liberty mine and mill, which will be completed in November. It is planned to have the work finished by the last of October.

The mill will use the flotation process of extraction, thereby extracting practically all values.

Fold plates have been sunk to the main proper, and driftings and cross-cuttings have revealed uniformly good ore.

Electric power will be used at all operations, and the plant will join the Hailey-Paidfield line.

A new miners' bunk house and office and several dwellings have been erected on the hillside.

Lodging, alcoves and sizes are the main products of the ore. There is also considerable gold. The deepest workings are 100 feet below the surface, and the values are increasing as the depth increases.

## GOODING PASTOR MEETS WITH CASTLEFORD GROUP

**CARLTONFIELD,** Oct. 9 (Special to The News)—Dr. D. H. Thompson, Gooding, stated superintendent of the Methodist church, met with officials and interested members of the church Wednesday evening, in the room of the Methodist conference.

A committee of seven women was appointed to serve in the interest of community welfare during the time of the pastor's stay.

Mr. H. A. Kington was chosen chairman. Other members are Madeline C. H. Clement, Mrs. F. C. Thompson, Mrs. C. R. W. Geier and Miss Margaret Thomas.

The committee will meet at the home of Mrs. Thompson next Monday to discuss plans.

A men's brotherhood was organized during the conference. O. M. Palmer, president, and J. A. Thompson and O. L. Thomas are other members.

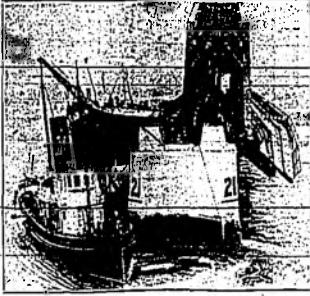

Relief from Curse of Constipation

A Battle Creek physician says: "Constipation is responsible for more misery than any other ailment." This immediate relief has been found. A tablet called Relief Orderlies has been discovered. This tablet absorbs the water in the dry, tracery bowel called the colon. The water loosens the dry food waste and causes a gentle, thorough, natural movement without pain, hard or even instant relief.

Stop suffering from constipation. Chew a tablet, prescribe for the doctor, and get relief for 25¢ to 50¢ at the nearest Retail drug store.

## C. BEN ROSS ARRANGES FOR ADDRESS IN RUPERT

**RUPERT.** Oct. 9 (Special to The News)—Word received here today by E. T. Hoffmeyer, Democratic county chairman, is to the effect that C. Ben Ross, Pocatello, Democratic candidate for governor, will be in Rupert and speak Monday, October 13, at the Lincoln county courthouse at 8:30 A.M.

This will open the political campaign in Rupert.

## NEW MANAGER REORGANIZING STORE

Price by piece, every item of merchandise in the New York store at Twin Falls is getting a "going over." Mr. D. Zion, the new manager, who has been in the city since Saturday, is going through the stocks like a tornado. Much of the goods now in stock is receiving a severe "cut" in price. The manager is doing a brisk business and the New York buyers are shipping in loads of new things which will be sold at prices which make the New York stores look like "pocketbooks." Yet, Mr. Zion is getting acquainted with the town, and he wants to get acquainted with you.

# Class B Teams Loom As Threats In High School Football

## Close of Month Finds Favorites Holding Places

Interest of State Turns to Game Between Pocatello and Boise in Capital City During Coming Week-End

(By The Associated Press) BOISE, Oct. 9.—With nearly a month of high school football already played off, the strong teams appear to be holding their wanted places but are facing threats from some of the smaller of Class B teams.

This is particularly true in the Southern district, where the Parma team, drawn from a high school of 110 enrollment in a town of perhaps 600, gave the Boise high school a hard fight before it was defeated. Moreover, the team has continued its progress, taking Payette to defeat, 55 to 0, last week after the opening game of Intermediate Institute at Weiser, October 12.

The Parma victory over Boise, 7 to 6, was particularly impressive because there was no fluke about it—they beat 'em.'

In the same district another little-known product, a Glass team, also cut down a giant, beating Caldwell, 19 to 0, last week.

Nampa high school battered across the state's frontier in an interesting game of difficult style. Twin Falls took an outstanding place in the South Central district with a victory over Idaho Falls, after having been beaten in the district meet, 12 to 0 the week before. Rupert and Pieri held their own with victories, Petti being beaten, 40 to 12, and Pieri being beaten, 0 to 12.

No Upsets to Note.

North Idaho games have revealed no upsets in relative strength of teams. The week-end games will just like last week show there is a new development in Idaho above county.

Idaho Falls football at Wallace will pit that eleven against Wallace, Hodges and McLean in a four-cornered race for the county crown and may have some effect upon state standings.

The dope is that Kellogg has the heaviest squad in Shoshone county, and the two teams will be the leaders, bear to the other three teams. Moscow and Lewiston have good prospects, newspapers say.

## Fishermen's Pride Defeats Blue Nose

Schooner Gertrude L. Thibaud Wins First of Trio of Races for Lipton Cup

By TOM HORNAN  
(Associated Press) Twin Falls, Idaho, Oct. 9.—The schooner Gertrude L. Thibaud, pride of the Gloucesters, fishermen, and to the public, won the first of three New York Schooner Blue Nose on the opening of a series of three races which will be sailed off this Saturday, October 12, and the day after one more victory to win Sir Thomas Lipton's International Fishermen's challenge trophy and the purse which goes with it.

Captain Bill Price, Thibaud's veteran skipper, drove his charge across the finish line 15½ minutes ahead of Captain Andrew Walker's schooner, the Blue Nose, in the first race.

Thibaud's crew, which includes

## ALWORTH REPLIES TO SMITH LETTER

Democratic—Congressional  
Nominee Voices Appreciation For Greetings

Mr. Alworth, File, Democratic nominee for congress in the Second congressional district of Idaho, replying to the letter of congratulation extended him by Mr. J. Smith, declares that he appreciates its "friendly and generous attitude of good fellowship."

He adds that during the campaign he may deem it his duty to criticize the record of Idaho representatives in Congress, but, particularly, in view of the constitutional difficulties of educational and constructive issues."

The letter reads as follows:

"Dear Mr. Smith:  
I have just received your letter of congratulations on my nomination for congressman from this, the second district of Idaho. I desire to assure you that I am most grateful for your friendly and generous attitude of good fellowship with which you have met me to the extent, and I shall ever be grateful for the present incidents of the campaign."

"However, the economical conditions now existing demand that the ultimate solution for readjustment of certain policies which are not meeting the needs of the people, policies which have proven to be ineffective, must be sought. We are not seeking in an uncertain terms for real remedies. And in presenting my views on their creation, to the people of Idaho, I have a wide range of hope and happiness is my ultimate object and concern; and if I should during the calendar of the campaign, speak in behalf of the records of the representatives in Congress from Idaho, I shall endeavor to do so in the effort to educate the interests of the people of Idaho."

# 1400 Dairy Cattle Vie For \$35,000 At St. Louis Exposition

## NATIONAL EXHIBIT ATTRACTS WORLD'S BEST IN DAIRYING

Managers of affair plan to entertain 300,000 persons inside of huge arena.

## 4-H WORKERS DISPLAY BEST OF EACH STATE

Sir Forbes Ormsby-Hengerveld, Grand Champion Holstein Bull, Enters

(By the Associated Press) ST. LOUIS, Oct. 9.—Blue-bloods of the dairy cattle world will have their day October 11 when the National Dairy exposition opens at the arena; mammoth indoor "show plant."

The exposition, expected to attract more than 300,000 visitors from the United States and foreign countries, will continue through October 19. Attendance at last year's show was 279,000, a new record.

More than 1,400 head of dairy cattle, representative of the five recognized breeds, will compete for \$35,000 in prize money and hundreds of awards.

Two hundred fifty animals, the pick of various states, will be exhibited by 4-H club members, agricultural students and other organizations.

Cattle exhibits by breed associations and other organizations will show how herds have been improved and produced.

Champion Bull Enters

An outstanding entrant in the show again this year will be Sir Ormsby-Hengerveld, the grand champion Holstein bull at the exposition for the last three years. The animal is owned by I. V. Raaschou-Derfert, owner of the farm, King Pebblebrook Phyllis Turbel, grand champion Swiss Brown cow at the 1929 show, also will be entered.

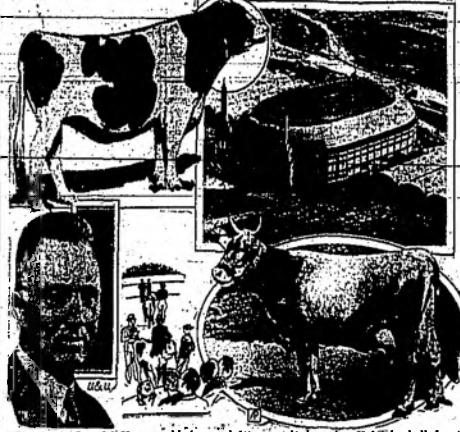

The show, which opened this morning, has been held in St. Louis since it came here permanently last year, and the twenty-fourth annual show.

The United States department of agriculture will present demonstrations during the exposition showing the latest methods of feeding and gathering from all parts of the nation. The national dairy council will present information on the use of milk in the home, schools, Colleges and 4-H Clubs also will have exhibits.

In addition to cattle and other farm exhibits, there are the shows of leading manufacturers of dairy, poultry and farm implements will furnish additional exhibits.

The dairy show is sponsored by the National Dairy exposition, which Charles L. Hill, Rosedale, Wisconsin, general manager, says above expenses are used in educational work for advancement of the dairy and poultry industries.

## WOMAN RULES OVER COLONY ON RED SEA

Descendant of Mohammed Holds Almost Despotic Sway in Italian Province

MASAHIA, Persia, Oct. 9 (UPI)—The only descendant of Mohammed rules with almost despotic sway over a section of this Italian colony in the Red Sea port of Aden.

Every now and then, she lets her son, Mr. El Morgan, and her husband, Mr. Oluimo.

She is 50 and once, they say, was very beautiful. She still retains traces of her beauty.

Her title is "sheik," and she is the spiritual leader of the Mahomedan community.

If she is not Almudia you go to see the sheik—provided she has time.

She is a strict Moslem, who stopped by, guards in white turbans, and flowing gowns, with little politeness. Finally that adult you have seen is Almudia.

Elvius El Morgan stands on a platform, draped in a crimson and gold robe, and wafts the rich perfume of an African garden.

Elvius El Morgan is a woman of the most perfect physique. Her face is smooth, her skin clear, her hair black, and she has been visiting relatives in this vicinity for the last two weeks, till Saturday night.

Mr. and Mrs. El Morgan and son and daughter left Thursday morning by auto for a three-week trip to Xiamen, China, via Madras and Colombo.

Only one foot-wear is Twin Falls. Phone 810. Dr. Foster. Adv.

## BABY SEA-COW GETS MOTHER'S DISCIPLINE

## STATE PLANS FOR RADIO EDUCATION

South Dakota School Head Arranges for Extensive Program of Broadcasting

PIERRE, S. D., Oct. 9 (UPI)—This no, baby mustn't touch stuff—said the mother to her "Magic Murphy" and her 150-pound son, who is just past three months old, have been having a real time. They have been eating not sunny oaks or grass, plentiful in their quarters in the Miami aquarium.

Every now and then, momma slaps him down and his diet is still milk.

The infant manatus is the first sea cow ever born in captivity, at a weight of pounds at birth.

At the first step in a campaign to put a receiving set in each of the state's 440 schools, Olfen has induced a radio company to make available a radio receiver and transmitter for radio education on a billion-dollar scale.

Seeking to expand its educational market, a radio set is being donated to each county school system, office and college tract, training departments. From several districts, state school leaders will broadcast messages to the public, Olfen's theory being that the lack of adequate teacher supervision is the greatest need.

With this start, the state superintendent will encourage school boards to buy receivers for every school.

## HANSEN VISITOR LEAVES

HANSEN, Oct. 9 (Special to The News)—OLY Whisman, Spruce Pine, North Carolina, who was called here by the state school board to speak to the teachers, has returned home.

Mr. and Mrs. El Morgan and son and daughter left Thursday morning by auto for a three-week trip to Xiamen, China, via Madras and Colombo.

## COEUR D'ALENE BIDS FOR VETERANS HOME

COEUR D'ALENE, Oct. 9 (UPI)—Coeur d'Alene war veterans and citizens of the city, which would do well to build its proposed \$200,000 national home for disabled veterans near this city.

In a telegram to the War bureau, the city was quoted as saying that conditions here are as desirable as in any of the dozen or more sites of the proposed home in the Northwest.

The climate of the region, neither too hot in summer nor too cold in winter, was pointed out as being particularly favorable to one of the most beautiful lakes in the Northwest.

An appropriation has been made by Congress for the construction of the home "somewhere in the Northwest." Many other cities, including Spokane, Seattle, Tacoma, and Portland, have asked for it.

making possible daily broadcasts of school radio lessons and instruction to teachers.

To aid this program, South Dakota's education association has asked the federal radio commission to make available a wavelength for state-owned stations.

Other states, notably Ohio, have experimental stations equipped with radio sets. Griffin said he did not consider a state as safe as he plane.

A Special Planned, Purchased, and Packed Away Last Spring When Overcoat Factories Needed Money Badly

Mt. Rock Type Big Fleece Overcoats—Blues—Oxfords—Browns—Tans—Double-Breasted—Half Belts—Quarter Lining—Finest Workmanship

PLEASE NOTE

The manufacturer assured us that these were genuine Mt. Rock fleeces made from sheep goods he had picked up at a sacrifice sale. This fabric is extra thick and warm but surprisingly light in weight. It has a heavy fleecy surface which should never wear out. The cost of style is \$13.95. We are sure that in our narrative we said the price was \$22.50 on these overcoats, actually we believe it to be more, based upon what we saw in the regular overcoat lines for Fall, 1930.
