

PREGNANT OFFICERS WIN AT ELECTIONS

Voters in all Twin Falls county ballots of 23 voting precincts elected a majority of the peace and constabular officers of the county at last week's general election.

In Twin Falls district composed of precincts 1, 4, 5 and 7, M. Orens, Republican, and John K. Davies, Democrat, were elected constable and sheriff respectively.

Without opposition the former polled 803 and the latter 1114 votes. W. Murray, Democrat, who was unopposed for constable in this district, received 685 votes.

C. Moran and I. M. Holler, Republicans, were elected justices of the peace for Twin Falls district composed of precincts 2, 3 and 6. Morgan polled 788 and Holler 635 votes, against 523 for C. A. Tolp, Democratic candidate.

J. J. Donnan, Republican, was re-elected constable for this district, receiving 777 votes to defeat W. O. Chapman, Democrat, for whom 303 votes cast their ballots.

For the office of justice of the peace they were written on the ballot as candidates for constable at the primary election, and by the same vote in time to withdraw from the race. He is not a resident of this district.

Mr. C. F. Redlich says:

"The Perfect Restonian Shilds' hold the rupture perfectly, no matter what position the bowels assume or how heavy a weight you lift. They give instant relief and contract the opening in a remarkably short time."

The secret of their success is in their simplicity. An expert adjusted device is used to gently separate the ruptured membrane without dissection, from which it is practically impossible to remove the rupture. Consequently, actual hold ruptures which heretofore were considered incurable.

Stomach troubles, backache and constipation, nearly always a consequence of rupture, promptly disappear.

(Special to The News)
HAILEY, Nov. 11—Approximately 6000 fans, the largest attendance in the history of South Central Idaho district football competition, gathered at the county fairgrounds today to witness Twin Falls and Filer battle through four thrilling periods to a 13-13 tie with the victory going to Twin Falls on scrimmage of 30 yards from scrimmage to 718 for the Wildcats trailing the Bruins to play Rupert.

(Special to The News)
RUPERT, Nov. 11—One of the largest crowds ever to gather on the local field witnessed a football game saw Rupert high school football team defeat the visiting Burley high school eleven and declare their claim to championship here today, 27-0. In the last that Rupert completely outplayed as well as out-scored the visitors. After the first quarter the outcome of the game was not in doubt, for the defensive work of the Bruin team was well as the smooth-running offensive attack of the visitors.

(Special to The News)
NEW YORK, Nov. 11—Gene Tunney saved the largest purse but one of his entire career today when a jury in supreme court ruled in his favor and against Timothy J. Alara's suit for \$525,812.32 for alleged breach of contract.

(Special to The News)
SHOSHONE, Nov. 11 (Special to The News)—Shoshone high school football team defeated the District eleven here today in the Armadillo day game to the score of 9-0. In one of the best games of the season which was a 20-0 game through out as the score indicates.

(Special to The News)
HAILEY, Nov. 11 (Special to The News)—Hailey high school football team added another victory to their long string by defeating Fairfield eleven here today, 27-0. In a game that was much closer than the score indicates.

By a previous agreement made between Coach H. J. K. Jones and Coach H. V. Jones, Twin Falls, in a loss to Coe and Rupert defeated Burley, the team getting the greatest local yardage on scrimmage and passed word by the end of the season. It was Filer's last game of the season.

First quarter was a scoreless tie with both teams playing fine football. The ball both lacking any added punch to chalk up a score during the second quarter. Hailey trailed the Bruins by a score which made it possible for Hailey to reach striking distance of the goal at touchdown. As the gun ended the half Hailey was 60 yards from the goal.

Although playing in the Burley territory throughout most of the second quarter the Rupert eleven found the defense of Coach A. J. Dixon's team too strong to make possible a score. Half ended 7-0.

WALLA WALLA, Wash., Nov. 11 (Special to The News)—Completed a long pass in the final minutes of play to defeat the College of Idaho, 13-0, here today. The game was a 40-yard line when Adolphus intercepted a Croyle pass.

The crowd that had waited in the corridors around the stadium and around the retired chamber, Tunney shook hands with the jury, thanked them and faced the on-coming mob as he used to when the fight finished, smiling now.

Another suit, brought by Max (Doc) Mott, Philadelphia, and also dating back to his ring days. Tunney had only a short statement to make on the verdict.

Officials: Referee, J. E. Smith; Umpire, Wm. J. O'Brien; Line Judge, J. H. O'Brien; Back Judge, J. H. O'Brien; Quarterback Judge, J. H. O'Brien; Running Back Judge, J. H. O'Brien; Tackle Judge, J. H. O'Brien; End Judge, J. H. O'Brien; Line Judge, J. H. O'Brien; Back Judge, J. H. O'Brien; Quarterback Judge, J. H. O'Brien; Running Back Judge, J. H. O'Brien; Tackle Judge, J. H. O'Brien; End Judge, J. H. O'Brien.

Throughout the great part of the first half the ball remained in the Twin Falls territory due chiefly to a number of interceptions made by Filer and to interior blocking by the line members of the Bruins. The second half found the visiting Bruin eleven in possession of the most powerful offensive machines ever seen and driving in way to a tie score and hold at the ball in the Filer territory most of the last two periods of play.

Twin Falls kicked to Pitter on his goal line and carried the ball 23 yards line. After exchanging the ball several times in the Filer territory the Bruin eleven drove the Filer away line only to be held by the strong defense of the Wildcats. The remainder of the first quarter was played in the center of the field with neither team able to advance again.

Second quarter opened with the ball in Twin Falls' possession on her own 40-yard line and she exchanges the Filer team punted out of bounds in the Twin Falls 25-yard line. On the next play the Filer punter kicked the ball 40 yards and backed the ball over for touchdowns. The try for point by an off tackle back failed. Score 8-0 for Filer.

MEMORIAL SERVICE MARKS CLIMAX OF ARMISTICE EVENT

Twin Falls Observes Anniversary of World War's End With Full Day's Program of Activities

Observance of the twelfth anniversary of Armistice day in Twin Falls today reached a climax at 11 A. M. when a group of some 200 World War veterans and Idaho national guardsmen gathered for the observance under a cloudless sky about the Memorial monument on the court house grounds. The program was devoted to the World War's heroic dead. The names of 47 of Twin Falls county's sons who paid the last full measure in the great war were inscribed in bronze upon the Memorial monument that the Darters, the American Legion and the D. A. R. dedicated on the hour at which the guns were silenced by the armistice on the World War battle front two years ago. For two minutes after 11 o'clock, the group about the Memorial monument listened to the national anthem, then Dean Ernest H. Allman of Asaeton Episcopal church offered a prayer. Following national guarantees from three sharp voices, and while a national guard bugle sounded hymns, the American Legion's post colors were dipped.

Prayer for Peace
Immediately before the outdoor memorial service, World War veterans and members of the Darters, the American Legion and the D. A. R. joined with Twin Falls high school students here in Armistice day exercises. High school students, including R. P. Perry, Twin Falls attorney, and an outstanding Legionnaire, read and proclaimed the American Legion's program of preparations for peace.

Presenting a graphic word-picture of the horror that is war, and recalling relief and gratitude and exalting peace that the armistice brought, Mr. Perry said:
"The horrors of the world's war are definitely a peace. They know what war is, and they want no more of it. They believe in preparation for peace, military and naval defense adequate for the nation's protection, a policy meaning peace to the growing friendship between nations, and finally they are determined, that if war comes again, the burdens shall be shared by all alike. This they have written into the measure that is known as the American Legion's international draft act."

The program of exercises in the auditorium opened with singing by the whole assembly of a number of patriotic songs. Kenneth Burson read an oration. The Darters, and Jesse Jenkinson playing a flute solo. Lawrence Turner, high school assembly chairman, announced the several numbers and introduced the speaker. The student body played a "pop" rally in preparation for the afternoon's football game, after the World War veterans and other adults left the auditorium to take part in the memorial service outdoors.

The colors of Twin Falls American Legion post were advanced to the front of the auditorium at the beginning of the exercises.

of General Lawton camp of World War I veterans, marched from the place of assembly at Park hall, through Twin Falls flag-lined business streets to attend the exercises at the high school auditorium. Following the outdoor memorial service, American Legion members to the number of nearly 100 gathered in the Park hotel dining room at an annual Armistice day banquet meeting where for more than an hour the former service men lived again in the joy-loving, care-free atmosphere of their service days.

The afternoon witnessed a wholesale hopper from Twin Falls to the scene of combat on the arid plain at the county's fairgrounds at Flyer, and the day came to a close with annual Armistice day dances given by American Legion posts at Twin Falls, Kootenai and Blaine.

FUGITIVE BANDITS ABANDON ONE CAR AND TAKE ANOTHER

Investigating Officers Reconstruct Scene in Thrilling Relay Flight Through Wild Territory

Another car was waiting in a wild broken, uninhabited region of northwestern Nevada to carry the bandits on their way when they abandoned and burned the big sedan in which they made their escape after robbing the First National bank at Piler last Thursday, Deputy Sheriff A. G. Parker said last evening, following his return with other members of a party sent out from here early Monday to investigate reported robbery of the bandits abandoned car.

Investigating officers trailed the tracks of the second car to the well-traveled Orouse Creek-Oakley road, which might have been followed in any one of four directions.
Until investigating officers arrived on the scene, there were discernible tracks of only two cars, in the region some 24 miles northwest of Piler, and about 35 miles south of Oakley, Idaho, when they were believed to have abandoned their car and gotten aboard another, Parker said.

One of these two tracks was left by the big car that the bandits abandoned after saturating it with gasoline, setting it afire and heading it over a cliff. The blazing car, according to the scene as reconstructed by the officers, hurtled a long way down the face of the cliff, starting on comparatively level ground at the bottom and continuing on in a half-mile course, first straight ahead and then curving to the right, before it fell apart.

The other car, a smaller machine, was tracked from the place where the other machine was pushed over the cliff over a distance of a mile to the Orouse Creek-Oakley road. Search indications that someone walking with the smaller car had spent several hours at that point. They also traced what they took to

CLUB HEARS HODGINS' VIEWS ON PROHIBITION

Legislation without development of popular sentiment to support it will not solve the liquor problem, said L. Hodgins, Twin Falls attorney, before a meeting of the former mayor, told members and guests of the Presbyterian Men's club at a well-attended meeting at dinner in the church parlors last evening.

Mr. Hodgins discussed the Eighteenth amendment in relation to the present election. The amendment, he said, probably will never be repealed, but it is possible, through election of officials who are not in sympathy with it, to nullify its enforcement.

He declared definitely in favor of abolishment of the liquor traffic, but he said, prohibition through legislation is not in accord with human nature and psychology, and the problem can be solved only through education and building up of sentiment against liquor.

Last evening's meeting was the first of a series of monthly sessions to be held by the club during the winter season.

Mr. J. E. Sweller, former state legislator, was last evening elected president of the club to succeed E. W. Larson, who retired after serving for two years in that position. Last evening's program included a number of selections by a quartet composed of Mrs. P. F. Drackler, Mrs. A. R. Orlander, Mrs. O. W. Wilburn and Miss Leola Breckenridge, with piano accompaniment by Mrs. Wilburn Peck.

GRAND ARMY REPUBLIC HEAD DELIVERS TALK

Description of the national convention of the Grand Army of the Republic in Cincinnati, was given by R. H. McCullough, American Falls, commander of the department of Idaho for the organization, was a feature at the meeting of the Twin Falls, Hansen and 2000 circles of the Republic at the Business and Professional Women's club room yesterday afternoon. Commander McCullough also described a visit to the headquarters of General Grant at St. Louis.

The session, which was held on the occasion of the regular monthly meeting of the Twin Falls circle, was attended by 34 members of the three circles. Besides Commander McCullough, two members of the Grand Army of the Republic, James M. Rice and D. W. Thomas, Twin Falls, were present and spoke briefly.

Mrs. Ida Ballantyne, Twin Falls, president of the state Ladies of the Grand Army of the Republic, spoke on civic organization. There was a patriotic program prepared by Mrs. Dorothy Custer, patriotic instructor, including readings by Mrs. E. E. Leighton and Mrs. R. Weller. Refreshments were served by the Twin Falls circle committee on refreshments.

Members of the investigating party sent out from here besides Mr. Parker, were L. D. Allen, pilot chief of police; Charles E. Jones, former deputy sheriff, and John Bligey, former Twin Falls police officer.

Two hundred members of the Odd Fellows lodge of Dubu, Durley, Piler, Rupert and Twin Falls are expected to attend the first of the loop meetings planned for this season, which will be held at the Odd Fellows hall here tomorrow night. The Dubu organization will put on the initiatory degree here; and the Twin Falls lodge will serve refreshments.

The series of meetings of which the gathering here is the first will continue all through the winter and early spring. The next session will be in Durley December 8. On that occasion Twin Falls will confer the first degree.

The loop meetings last year were largely attended, regardless of weather and road conditions. Lodge members say that they are the source of much sound refreshment and entertainment.
