TWO MEN GET HURTS IN AUTOMOBILE CRASHES

Two men were slightly injured in two different automobile accidents on Main avenue during the afternoon hours last night.

On the way to his home on Washington street north, John R. Henderson, employee of the Liberty Bank, Main avenue south, was injured in a serious injury when his truck was struck at the intersection of Main avenue and Sixth street west by a car driven by L. VanAudefort, 1511 N. W. avenue, east Idaho. Henderson's car was damaged.

VanAudefort's car, said to have entered the avenue from Sixth street west, was without pausing at the stop sign, struck Henderson's truck and hurled it across the street and on to the curb in front of the Home Hotel, taking off the right rear wheel and sending a shower of broken, windshiled glass down about Henderson's face and head. A physician was summoned to his office to pick several particles of glass out of the left side of Henderson's face.

In another collision a little earlier in the evening, Vera Hazel, driver of a car owned by W. C. Haas, Kimberly, received cuts about the forehead to police records. Hazel's car was struck at the intersection of Main avenue and Third street south by another car driven by Edson Hill, 154 Third avenue east.

BROTHER HERE LEARNS OF STAGE STAR'S DEATH

Hardie Langdon, known for many years as the "plum tree girl," and a headline singing comedienne of an American vaudeville during the late '20's, died Saturday at her mother's home at Youngstown, Ohio, following illness of more than a year's duration, her brother, Joe Koehler, manager of the Idaho theatre here, was advised by wire yesterday.

The same message told of illness of the mother, Mrs. A. Koehler, nearly 85 years old, stricken by shock of the daughter's death.

Following her retirement from the stage 10 years ago, Mrs. Langdon made her home at Los Angeles until last June when she returned to her mother's home in Ohio. Mr. Koehler visited her in Los Angeles shortly before she died for Ohio.

Small Crowd at Burley Follows Teams in Storm

Twin Falls Boys and Huskies Play to 6 to 0 in First Half in Favor of East End's Aggregation

(Special to The News)
BURLEY, Nov. 15.—Braving a driving snowstorm, a small crowd of 150 spectators followed the Cascade country football teams here this afternoon as Twin Falls high school's grid team overcame a 6-0 lead at the half, crossed the Rupert grid three times in the last two periods and won the South-Central Idaho district football championship by a score of 21 to 6. It was a thrilling game and a repetition of the outcome of a game in which the same two teams took part early in the season. The contest eliminated Rupert's possibility of repeating last year's performance when the Huskies lost to Twin Falls by a few points in the state championship game.

DUMB BELLS PRUNES 'HANGOUT' ANN PRUNES 'THE TREES' TODAY

Other scores apparent as the gun ended. In spite of the cold there were very few fumbles and only one by Brins that had them any yards at all. The only really notable play was a 20-yard punt by Brins that landed in the end zone. The Huskies' defense was excellent, completing one interception and returning it for a touchdown. The game was a tactical battle, with both teams showing excellent defensive play.

Colorful Eleven Blanks Idahoans On Stormy Field

Former Kimberly Star and Twin Falls Boy Play in Night-Time Contest With Descendants of Savages

(By The Associated Press)
POCATELLO, Nov. 15.—Haskell Indians combined a powerful driving attack with consistently effective double-reverse plays to romp over the University of Idaho, southern branch, by a score of 43 to 0. In the face of a severe storm and low temperatures here tonight, fifteen hundred fans "trough" through the Wilsons scored three touchdowns, Murphy two and a point after each. Durbin and Durbin scored two touchdowns and Durbin on the line was in every play and both accounted for a recovered fumble. The game was a tactical battle, with both teams showing excellent defensive play.

He's Triple Threat

Eloistic runs, kicks and passes for Haskell — he weighs 172, has played two years in Caspian Indian grid name Bud Hendricks. He went against Coach Platin's Tigers at Pocatello last night.

Most any eleven in the country. The boys use "Four Warriors" style with most of the plays working off of the fullback. Spins, cross-crowns, reverses, double reverses, lateral and double laterals are all thrown into play the same as an ordinary outfit would use in playing old-fashioned garden variety line football. These boys look good and they make the other team look good.

St. Mary's Gaels Whip Fordham, 20-12, O Eastern Invasion

Crowd of 35,000 Spectators Sees Triumph of West

Spectacular Aerial Attack in Last Half of Contest Results in Three Touchdowns in Final Periods

By ALAN GOULD (Associated Press Sports Editor)

NEW YORK, Nov. 15—Settling in the East West's premiere in inter-collegiate football, the galloping Gaels of St. Mary's, California, signalled their first Eastern invasion today by whipping Fordham, previously unbeaten teams with a slashing last-half comeback.

The score was 20 to 12, and the most notable play was a spectacular aerial attack that had smashed its way to a touchdown in the last five minutes of the game.

St. Mary's won by capitalizing the "break" by making the most of the offensive superiority and passing skill of Halback, Fred Bennett and a display of furious driving power that knocked down the Illinois' almost impregnable defense of Fordham.

Previously this season only 1 point had been scored against Fordham, a figure that St. Mary's now has doubled with its triumphant drive today.

The toughest, toughest gallop of all the galloping Gaels was a heroics' touchdown by Bennett, who applied the restorative to St. Mary's hopes by ripping the Fordham line in two places and producing an 18-yard pass, Bennett to Spreebeck, that caught the Fordham defense off guard.

Bennett finally wore himself out and was lugged from the field and recuperated just a few minutes to the job he started.

Two touchdowns in quick succession on "breaks" in the fourth period settled the game, the first of these was a fumbled punt by Fordham's 33-yard line, where Spreebeck recovered for the California. After a brilliant assortment of forward and lateral passes, featuring Bennett's clever work, Quarterback Bennett died over the line, but Bill Draskey, substitute halfback, who grabbed one of Fisher's long passes and sped through with the ball, team team to score. The kick for the extra point was the only one of three attempts missed by Harry Zolting, captain and star end, whose all-around play stamped him as one of

RELIEF FOR LABOR AND FARMER GETS HOOVER'S THOUGHT

(Continued From Page One)

Commissioner announced today after a meeting with President Hoover that he would call the commission together on Monday. He also suggested a vital part in the law which would provide construction of postoffice in towns and cities of smaller than 10,000 population that by this method of construction would cost \$10,000,000 structures could be erected.

The law now limits public buildings to \$100,000 more annually. The act would permit construction in cities where the receipts were \$100,000 or more annually.

Discussing the fiscal outlook, Hoover estimated the treasury receipts for this fiscal year would fall off by \$200,000,000. Mr. Hoover yesterday spoke of a prospective deficit of \$100,000,000 or more.

Spook, who is chairman of the senate finance committee, suggested the feasibility of using the sinking fund established to pay off the war debt to help meet the deficit but such a plan would require congressional approval and that possibility seems unlikely at this time.

On the aviation program for the season rapidly taking shape, Hoover is continuing in the attitude to share by the Republican independent under Senators Borah, Jackson and Norris, Nebraska, toward aviation as an extra session of the newly elected congress next spring. Both Borah and Norris are expected to help next year.

Corvallis Eleven Whips Oregonians

Dripping With Mud, Oregon State Leaves Field With 15-0 Victory Over Old foe

Corvallis, Ore., Nov. 15 (AP)—Dripping with mud, Oregon State's Beavers today ploughed through a rain-soaked field in crush, the University of Oregon, 15 to 0.

It was Oregon's first defeat of the year, Oregon State's first consecutive victory, and the crowning touch to Oregon State's homecoming celebration.

Coach Paul J. Schlatter's men scored a touchdown and a safety, both from blocked punts. In the first quarter, The Oregonians defeated their entire attention to holding the weather, then on their own the middle of the final period when Sitwell and Little broke away for a steady march down the field to the Oregon 3-yard line. Little carried the ball across for the final 6-point. The ball was tumbled in the attempt to convert.

Oregon's big chance to score came late in the second period, when an injury to the "Beavers' 13-yard line John Killmiller, still suffering from Corvallis received a week ago, was sent in to punch the ball across. The action resulted in a pass but, just as the flying "Dutchman" was about to throw the ball to the 7-yard line, he tripped and the ball was dropped. The gun ended the scoring three.

McKath, Oregon State's stellar end, was instrumental in putting the Oregonians out in front in the first period. After five minutes of play he broke through the Oregon line and blocked Fletcher's punt which whiffed out of bounds and was returned to the State's end zone. The kick was a punt. Duke, Duke to Moa, was successful and Moa skirted left end for the touchdown. Thompson kicked goal.

Ten minutes later McKath blocked another punt, the ball rolling out of bounds in the end zone for a safety.

Colorado Aggies Whip Utah Team

Logan Aggregation Bows to Invaders by Score of 13 to 0 on Slippery Field

LOAN, Utah, Nov. 15 (AP)—Colorado Aggies triumphed a powerful offense with a strong defense to defeat the Utah Aggies, 13 to 0, on a slippery field and before a small, cheering crowd here today.

Coach Harry Hughes' eleven, composed mostly of apprentices, romped over the Utahs for a touchdown in each of the first two periods and thereafter were content to baffle on their terms.

A sustained drive, coupled with a pass, led to McDonald's, resulted in the first touchdown. Day finally got over early in first period. In the same period Utah threat was cut short when Ferguson's recovered punt was fumbled by Gillespie within a few yards of the goal.

Another drive by the visitors sent Willie Over for the second score in the second period. The man in Utah punter's 30-yard line and from there the ball was hammered across. While carrying it on every play, he converted and then left the field.

Young, Farmer quarterback, made a brilliant series of a play in the second period from the 40-yard line. Colorado line was too powerful to permit a score.

The Utahs opened up in the third period with a series of passes, one, Clides to Thompson, nothing at all, and putting the losers' ninth nine yards of the Colorado goal. Gillespie carried the ball to the 10-yard line where Hughes' men stopped him.

In the fourth quarter the Dick Horney eleven threatened to score twice, but on each occasion the Colorado's prevented a sliming wild celebration. The period was marked by considerable gain for the Utah on passes. Most of the last period was played in Colorado territory. Utah jogged on fumbles or spurs the brilliant blocking of West, Fritch, faced and other "day" turned in a beautiful game for the winners, and McDonald was dealt to Utah pass.

HOOVER'S COMMISSION SUPPORTS PROHIBITION

(Continued From Page One)

freed of their task by a 10-day recess they immediately worked on statements that will be laid before the whole commission when it convenes November 21.

Under present plans five or six such statements will be ready by that date, and with these before them the members will discuss the tentative conclusions, possibly change some of them, and will the whole into a final report.

Undefeated Indians From Hanover Hills Under-Red Wave on Ithaca Field

(Associated Press Sports Writer)

IITHACA, N. Y., Nov. 15—The undefeated Indians from the hills of Dartmouth and a slumbering, undefeated red wave of Cornell, played snubbing of their traditional football contest today and when the victory-shattering battle was over, exhausted Dartmouth had pulled out the victory, 10 to 0.

All the things that always seem to happen when a highly favored green eleven accepts into action against the blizzard for its schedule took place on Ithaca today before a groaning, cheering, standing crowd of 24,000 that packed the fan-shaped stands of Cornell's field.

Twice Cornell led, first 8 to 0. Then it was 10 to 0, and three times the big green pulled up from behind. First to tie, then to lead, 12 to 0. And finally to seek the dust out of the fire with a desperate rally in the last ten minutes of play.

The passing of Bill Morion and Step Wolf, unleashed in full force in the fourth quarter at Dartmouth's end, was a brilliant start. The team, 12 to 0, and the minutes left to go, 12 to 0. Needing a score of any kind, with the

BELOW ZERO

The Real Test of your Heating Plant

During those months when the thermometer falls below 50°, each descending degree brings a more complete realization of how important to comfort, health and happiness, is the selection of a proper home heating plant. Zero weather is the real test of furnace efficiency.

The steel construction and the unusually large radiating surface of the Torrid Zone provide a heating capacity capable of filling the rooms of your home with the glorious warmth of summer regardless of outside temperatures. This installation draws cold air off the floors and out of the corners replacing it with clean, sterilized, warm air to which all lost moisture has been restored.

No heating the same air in a room over and over again—no waiting for radiators to warm—no pounding of pipes—just a steady silent flow of clean, pure, moist air from the Torrid Zone to every room in the house.

The new Torrid Zone furnaces are here. Come in and see them.

Combustioneer Furnastoker

Hand-fired coal is not only obsolete. It's a criminal waste. Don't delay longer installing automatic heat. You always thought it was more expensive. Because oil and gas ARE more expensive. But automatic coal burning is cheaper than firing coal with a shovel. You burn cheaper coal—screenings—and less of it.

Smoke is eliminated. Steam, hot water and heat are automatic. We inspect your boiler equipment free and present a survey indicating the savings you can make.

Northwestern Eleven Proves Right To Big Ten Grid Honors

45,000 Fans See Wisconsin Team Lose by 20 to 7

Jubilant 12,000 Badger Rooters Changes to Apprehension Shortly After Third Period Opens

By WILLIAM WERRES (Special Press Sports Writer)

VANSTON, Nov. 15.—A championship football team—Northwestern—proved its right to Big Ten title honors today, coming back with a brilliant second half finish to defeat Wisconsin's sturdy eleven in a pen-soup job, 20 to 7.

Tuddled in the stands, the great throng of about 45,000 spectators who came to Northwestern's home-coming were actually when Wisconsin left the field at the close of the second period leading by 7 to 0, and looking capable of adding to the lead.

The jubilation of 12,000 Badger supporters were changed to apprehension shortly after the third period opened and from that point to dismay before the session had ended with the Wildcats on top, 14 to 7. The final touchdowns merely added more glory.

Wisconsin played enough football in half to merit the lead. The Badger line charged fast and for the first time of the season, Northwestern forwards were outplayed. It was the alertness of the Badger line that gave Wisconsin its score.

"Huck Luck Hawk" Bruder was partly the goal in the Wisconsin touchdown accomplishment. Backed up against his own goal line in the first period, he attempted a quick kick, and Creighton Rodgers guarded and fumbled through to block the try and fell on the ball behind the goal line. The full Luby added the extra point.

NORTHWESTERN WITH FOUR victories and no defeats in Big Ten competition met Wisconsin in Evanston, yesterday and won. The game brought together some of the crack grid stars in the Western conference including Lee Hanley, quarter, Captain Frank Bruder, halfback, for Northwestern, and William Luby, fullback, and Mild Libratovich, tackle, for Wisconsin.—(P), Photo.

Teachers Tie in Kray With Tigers

COLGADO SPRINGS, Colo., Nov. 15 (P)—A last quarter rally gave the Colorado Teachers a 7-0 tie with the Tigers of Colgado College here today. Trailing 0 to 7, near the close of the game, the Teachers blocked a tiger punt on the 25-yard line and passed and placed their way in the first five minutes of play and then holding the huddle, undefeated Bobcats won the game.

The Tigers scored in the second period after a long touchdown in the opening period.

The Teachers were on the defense during the opening period. The tigers made three touchdown drives, the last ending, temporarily, as the period ended, with the Bobcats holding the ball on the Teachers' 5-yard line.

Provo Team Whips Montana State's Shivering Crowd of Only 2000 Fans Sees Contest On Slippery, Cold Grid

BY OTIS FURBER (Associated Press Sports Writer)

PROVO, UTAH, Nov. 15.—A shivering crowd of only 2,000 looked on as the Provo team today, 15-0, eleven battered the Montana State college footballers' tale submission on a slippery and field grid here this afternoon. The score was 15-0.

Despite the slow field and cold weather fumbles were few and the Provo players led football, gaining the upper hand in the first five minutes of play and then holding the huddle, undefeated Bobcats won the game.

"The Cougars pulled their first score early in the opening period. A running play, Chuck Jacks, hit the Bobcats' 40-yard line, then and Hoover added nearly 10 yards each on four plays and then they struck the Montana right end on a touchdown. He also kicked goal. Another Cougar threat ended on the Montana 10-yard line. The Cats taking the ball on down.

A running play between Hoover and DePate captured the entire second period, neither team attempting any kick plays due to the wet, slippery Montana made a single threat in the third period but the Cougars held the ball on the 25-yard line. A 35-yard sprint by Hoover and Magieby, substitute quarterback, placed the oval on the Montana 10-yard line before the goal at the end of the third period and Magieby went over on the second play of the first quarter.

The Bobcats finally came to life long enough to count their only touchdown, DePate going over from the 37-yard line after his pass to Buck's substitute halfback, had placed the pylon in a position to score.

The Cougars came right back with another touchdown, Flynn sprinting 37 yards to tally after breaking

Wyoming Squad Bows to Denver

DENVER, Nov. 15 (P)—Wyoming's football campaign here today, by losing to Denver university, 10 to 7, ended with a record of 1-1. The victory last week over the Colorado Aggies, the Cougars provided sufficient opposition to require Denver to use their regular unit the game had been decided.

Hoover scored first on the final play of the opening quarter, kicking a Cowboy punt on their own 41-yard line. The Provoers started the march that brought the first score.

"Wyoming took the lead" a few minutes later, only in the second quarter when King, the speedy Cowboy quarter, ran around his left end and placed the ball on the 50-yard line, giving Wyoming a 7-0 lead.

This advantage was short-lived, however, as the Provoers scored soon after the kickoff.

YANKEE FOLD TEAM WINS: BUENOS AIRES, Nov. 15 (P)—The Yankee fold team today defeated the Argentine Army four, 10 to 7, here today.

Team Sees 13 As Unlucky Number

AUBURN, Ala., Nov. 15 (P)—The Auburn grid team today, by losing to the Alabama team, 13 to 0, ended with a record of 1-1.

Early season injuries and Coach Clark's new pruning activities reduced the number of backfield men to 13.

And at least one of the 13 has been injured, leaving for the greater part of the season.

Auburn's 1000 history in the lights in modern football history here.

Boise and Nampa Both Win Games

BOISE, Nov. 15 (P)—Boise and Nampa both won today in the football tournament.

Boise beat Franklin, 13 to 0, and Nampa beat Parma, 7 to 0.

The winners will play next week for the district title.

Kansas Triumphs Over Oklahomans

LAWRENCE, Kan., Nov. 15 (P)—Kansas retired from its 40-minute before the end of the first half of its football game with Oklahoma today, contacted the play themselves, won the game, 13 to 0, and went into the wild Oklahoma for the Big Ten conference.

Goal that pinned near the intermission when Jim Hatch and Charlie Smith were sent into the fray, the heavy Kansas griders were outplayed by Oklahoma's courageous, goal line team. After that it was the Kansas team which beat the Oklahoma's and Oklahoma supporters who witnessed the Nebraska griders saw their favorite play a type of game expected of them when season indications pointed to Kansas as a champion.

Utah University Eleven Trounces Colorado's Team

UTAH made its first down on Colorado's four, two of which were registered against the substitutes in the closing minutes of play, Colorado had nothing to offer on the offense. Middledell, Hely and Trudley, all lighting fast in the open, never got out beyond the scrimmage line.

Threat Comes Early

Colorado's only threat came early in the second quarter. Middledell flipped a long pass out to the left into the "wing" arm of Trudley who got away for a 25-yard run for a first down. Utah's 20-yard line. On fourth down, however, Middledell missed into the end zone and Trudley got his finger on the ball but failed to hold it.

Trudley was the spark plug in Utah's machine today. This big 150-pound padding runner was always slow for gains of 10 to 15 yards and there was no stopping him. "Big Chuck" scored three touchdowns, two of them by running the stubborn but weakening Colorado line and the other by a sneak at tackle and a 50-yard run with a tackle hanging on to his five arm.

The work of "Bern" Butler, Colorado's captain, was outstanding in the defense. Carlson, substitute, led all end for Trudley, also broke through to three Utah's backs for touchdowns.

Utah scored its second touchdown less than a minute later. Middledell returned to his 31-yard line on the next play Utah's line crashed through and blocked Middledell's kick. Utter recovered on the 13-yard spot and three plays later Frank Christensen smashed over the goal line.

Utah then appeared to get its bearings and through the second and third periods the silver and gold line behind the running and kick to a standstill. In the closing period, however, the Colorado forwards were down under the constant hammering and Utah ran over three more touchdowns.

Today Utah elected to play conservatively, line smashing game strategy. The famed passing attack that has figured so prominently in Utah's landslide victories was held back until late in the game. The backs tried four passes in the season in the final period, all of them being incomplete and costing the invaders possession of the ball. The completed game was not needed, however, with Christensen's 50-yard and Trudley's 45 yards in scrimmage. Colorado's line attacks netted only 70

Utah University Eleven Trounces Colorado's Team

Utah University's eleven today stormed the citadel of Colorado University's football hopes and took back to the Great Salt Lake area their twenty-first victory and a third consecutive Rocky Mountain conference championship. The score of 34 to 0 indicates the intensity of the latest Ute uprising which was centered in the final and fourth periods. Colorado bared before a crushing, irresistible, relentless attack that was set in motion before a crowd of fifteen thousand spectators which had spilled back in its seats.

From the first kick of the line-binder paraded 85 yards straight down the field, then dashed through a clogging quarterback, evading through tackle for the final touchdown.

Vandals Prepare For Grizzly Tilt

University of Idaho Settles Down to Hard Training

Grind For Missoula Fray

MOSCOW, Nov. 15 (Special to The News)—After a short rest period over Armistice day the University of Idaho Vandals Wednesday rolled down the two weeks' training grind in which they will prepare to meet the Grizzly University of Montana at Missoula, Saturday, November 27, in Missoula.

The Vandals played a good game Saturday against Washington State and kept the score down to a minimum. Coach Egan expects to lead the Vandals against the Grizzly on Saturday, November 27, in Missoula. The Vandals registered 10 first downs in the game and three touchdowns. The Grizzly won, 35 to 7, but the Vandals registered 10 first downs in the game and three touchdowns. Vandals Face Lack Of Hoop Material

Only Two Members of Team Last Year Answer Call of Rich-Fox for Basketball

MOSCOW, Nov. 15 (Special to The News)—One of the biggest tasks a coach can face—lack of basketball material in a truly erst team—confronts Rich Fox, Vandal basketball coach, who landed his first call for hoop material Wednesday. Christian H. Bote, intermission, and Jay Christiana, Ketchup, both former guards, are the only members of last season's squad on hand as preparatory men for the 1931-32 season. Robert Drummond, Ketchup, regular guard on the 1929-30 quintet, is back in uniform, however, and a Harold Carlson, Ketchup, freshman guard said winner of two letters, will report at the end of the present football season. Last year's freshmen team produced some good players, however.

Looking among the problems facing the University of Idaho basketball team to fill the shoes of Harold Borelli, Pocatello, and Frank McMillin, Pocatello, Idaho's all-Pacific Northwest basketball star, the high scorer on the coast in 1929 and Borelli led Western sharpshooters last season with his 400-point net, far behind Borelli, McMillin, and Christiana, Ketchup, and Thompson to return to school next year. The team of the 1929-30 season.

His "wing" symbol of a qualified military pilot, was planned on him at recent graduation exercises at Ketchup.

Trouble Makers

There are all sorts of trouble-makers, and mostly they are people who enjoy being unhappy. Sometimes they are just thoughtless people who do not think for themselves, and take for granted whatever they hear without taking the trouble to find out for themselves the truth of a matter. These people go through life making more trouble for themselves than anyone else, and they derive only a small part of comfort and enjoyment that is due them. A little experimenting, and they would find out what things were most pleasing to them, what brands in commodities they preferred, and where they could get the best service.

For real heat comfort we do not ask you to take our word that ABERDEEN COAL will please you. We tell you it is free burning, clean, high in test, and low in ash. But to prove this to your own satisfaction, order a ton of ABERDEEN COAL NOW from the

FATHERS AND SONS GATHER IN JEROME

Church Banquets Prove Outstanding Among Numerous North-Side Social Events

JEROME, Nov. 15 (Special to The News)—A gathering among numerous social activities in Jerome vicinity during the latter part of the week was the father-and-son banquet at the Methodist church last evening. One hundred ten fathers and sons gathered at the Methodist church for 7 o'clock dinner. Long tables were beautifully appointed in waxed red baize and laid with red topers. Father Flaherty presided as toastmaster. Various toasts were made by Mr. Flaherty, by A. D. among them "Advertising," by Verle Sullivan; "Development," by Dr. J. H. McCallin; "Music," by Vincent Weech; "Lemonade," by Warren Harman; "Ambition," by Gilbert Brewer; "Dead Line," by Judge A. B. Barclay.

Old Pelows lodge will meet Thursday evening at the lodge rooms for a smoker following a short session for Old Pelows and their invited friends. Many entertaining features will be on the program. Sam Dlane, assistant attorney general of Idaho, and the grand lodge officer will be the main speaker of the evening. Prizes will be met Wednesday afternoon with Mrs. Tillman Moore, Mrs. O. L. Johnson and Mrs. McCallin were guests.

GASCON COUNTY SCHOOL NURSE CONDUCTS CLASS

BURLEY, Nov. 15 (Special to The News)—Mrs. Frances M. Wain, county school nurse, is conducting classes in home nursing in the Burley junior high school in the department supervised by Freda Rice. The course consists of demonstrations in the home care of the sick. "Some of the children in the Burley schools are being immunized for scarlet fever," Mrs. Wain urged parents to watch for headache, sore throat and fever in combination in their children, which may indicate immunized scarlet fever. She states that immunization by a phlebotomy results in almost certain protection against the disease for a term of years.

SNOWSTORM AND CO. SWEEP SHOShONE AREA

SHOShONE, Nov. 15 (Special to The News)—The first snowstorm of the year hit ShoShone with all fury during the night. A small amount of snow fell in the morning, but the snow started in earnest "Friday" noon and continued all afternoon. The temperature dropped to below freezing in a short time. At 7 o'clock a stiff wind came up from the northwest and all roads were closed. The snow continued to drop until noon when the sun came out and the temperature raised a little.

NORMA TALMADGE NOW APPEARS AT ORPHEUM

Her career provides an intense, emotional role, one of grandeur, pathos, love and mockery. The picture was carefully made under the guidance of Sam Taylor, producer-director, with Conrad Nagel as the soldier-boy, and William Farnham as the king. It is a powerful play portraying an amazing adventure.

"FEET FIRST" PLAYS AT IDAHO SHOWHOUSE

Neigh, neigh, Harold Elgood's in town! All to those who are a little down in the mouth or who are feeling a little too deeply the monotony of life those words paint a true picture on a new day. This time it's the Idaho Theatre's new feature attraction, "Feet First."

This show would make the sphinx crack a smile—or three, in fact—cause it isn't to forget his depressing obligations to the Ghost and even when Napoleon look back with humor on the snowflakes of Russia. You can hardly call this production a vehicle for Harold's efforts, it's more a trinket of giggles with Mr. Elgood cutting capers on top the box seat.

AUDIT FINDS SCHOOL DEBT BIG IN BURLEY

Indebtedness Exceeds Sum Allowed by Statute by More Than \$58,000

BURLEY, Nov. 15 (Special to The News)—An audit just completed by Warren Vickers of the Burley Independent school district, shows the bonded indebtedness of the district to be \$39,300 and outstanding warrants to amount to \$18,500. The audit was for the period ending June 30 of this year. The assessed valuation of the district is placed at \$1,640,818 and the total indebtedness of the district is shown to be a little in excess of \$58,000 more than is permitted by statute.

IT WAS POINTED OUT BY THE ACCOUNTANT THAT STATE AND COUNTY APPROPRIATIONS WERE BELOW THE REQUIRED \$11 YEAR, AND IT WAS RECOMMENDED THAT THREE APPROPRIATIONS BE RAISED.

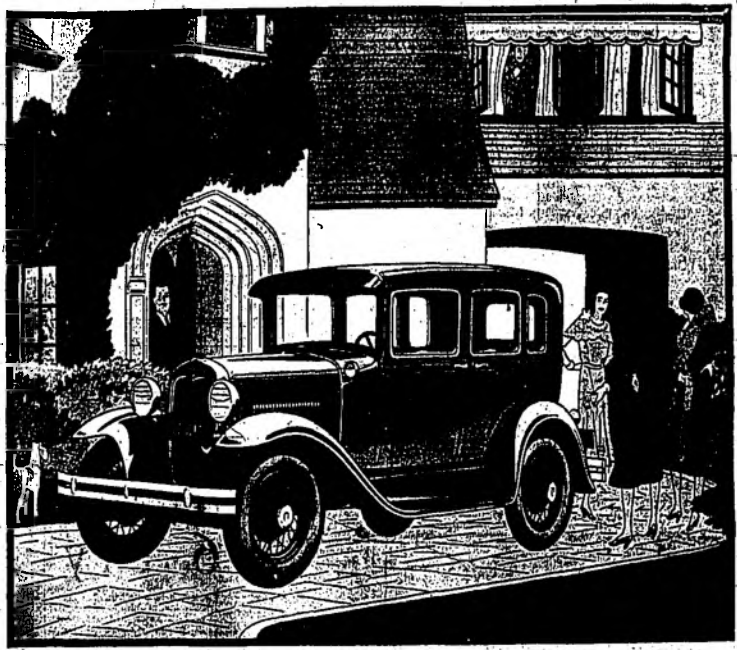

Assets showed buildings worth \$10,700 and equipment of \$3,000, less reserve for depreciation of \$1,000. Other assets were sinking fund investments, \$12,000; land, \$20,000; cash in banks, \$4572; and taxes receivable, \$66,993.

BIG WOOD RESERVOIR WATER LEVEL RISES

WOOD RIVER, Nov. 15 (Special to The News)—According to E. T. Harter, manager of the Big Wood Canal company, on November 10 there was a total of 15,522 acre feet of water in comparison to the 5845 acre feet in the reservoir on November 10, 1920. The Big Wood Canal company officials are planning domestic runs of 100,000 more than is permitted by

trails about November 24 and 25. Wood river. The flow in this stream is sufficient to provide some water for the prodding at the Miller-Croft above dam.

New Model "A" Ford Years in Advance of The Times

When the model "A" Ford was introduced three years ago, the Ford Motor Company stated that they would make more Model A cars than they had made of the Model T. In fact they look forward to the day when the 30,000,000th Model "A" Ford will come off the line.

The public enthusiasm which greeted the New Ford still exists today, this is evident from the fact that the percentage of the automobile business now being done by Ford is considerably in excess of last year.

NO MAJOR CHANGES IN THE MODEL "A" CARS OR MODEL "AA" TRUCKS ARE CONTEMPLATED BUT SHALL CONTINUE TO IMPROVE QUALITY IN EVERY POSSIBLE WAY.

You are buying proved performance, when you buy the New Ford, confidence in your investment, and every thing that you want or need in a motor car at an unusually low price.

SEND YOURSELF AS A CHRISTMAS GIFT

Impossible, you say. You cannot visit out-of-town friends and there is no present which is equivalent to a visit.

BUT THERE IS! Have you ever considered the fact that a photograph represents the real YOU, that a photograph is the only gift that fully reflects your personality?

There are a dozen friends who would appreciate a present this Christmas—particularly if that present is a photograph.

THE GIFT THAT ONLY YOU CAN GIVE.

And remember—no large photo free with a dozen portraits if ordered during November.

Explorations Reveal Secrets of Strange Underground Rivers and Grottos in Italy

Two Miles of Weird Caverns Full of Wonders of Nature Remain Yet to Be Explored

By ANTOINETTE BERNDINO (Associated Press Writer) POSTOINA, Italy, Nov. 15.—Grounding, explorations, excavations and curious experiments in tracing the courses of underground streams have started to reveal secrets of the mysterious grotto of Postoina.

Two miles of weird caverns, with bottomless lakes and ice-cold subterranean falls and rivers, remain to be explored. They are hidden behind a wall of rock which Italian engineers are trying to pierce.

Four and a half miles in a straight line from the practical entrance, the grotto beyond is a vast, beautiful place, where the new work is going on. Tourists have been able to work their way, always with trouble and guidance, to this point, but never beyond.

The "Alphion" A thousand feet across the abyss, the Pizca stream, already 200 feet below the level of the surface, flows under a rock wall and is lost to view. From the churning and eddies of the water it is called "the alphion."

The last glimpse that the tourist gets of the mysterious underground river of the caverns of Postoina is shown in the lower right corner of the photograph, inset in a map indicating how the stream burrows under the mountain ranges between Italy and Jugoslavia to become finally a tributary of the Sava.

A half mile away, it crosses the suspension bridge under the name of the Ustica river, and once more dives below ground in the Flanina grotto.

This should be enough for any bad rider, but not for the Pizca. It comes to light again at Ljubljana, under the name of Ljubljanka, and empties into the Sava, the great tributary of the Danube. Thus the coloring material thrown into the Pizca in the grotto of Postoina crosses Jugoslavia,

Possessor of 50 Titles in Spain Scores Political Foils With Sharp Remark

MADRID, Nov. 15 (AP)—The Duke of Alba, possessor of 50 titles, among them that of Spain's foreign minister, recently countered a report that he was about to resign and scored so keenly on his political foils that he drew warm praise from many newspapers.

The trouble started when El Debate, a conservative Catholic newspaper, launched a series of editorial attacks, charging the duke with spending too much time abroad, to the detriment of his duties.

"Why all the excitement?" he queried. "There is no earthly reason for it. I am a minister of the crown, and as for those editorial attacks, you remember what Cervantes wrote in Don Quixote: 'The devil makes a man strong and discreet.'"
