The complaint asks that the plaintiff be decreed to by the owner of the right to use of 12 cubic feet of the water of Bliver creek, and that he may have any relief the court may deem equitable in the premises.

A. J. James, Gooding, is the attorney for the plaintiff, Paul B. Haddock, Shoshone, is the attorney for the defendants.

Dr. Praising Highly Gaining New Sargon

"My troubles started in 1900 with chronic constipation that defied every effort I made for relief. My whole

system became toxic. Rheumatism settled in my arms and legs, my digestion was impaired; I had constant headaches and dizzy attacks, and was finally forced to give up my practice. Knowing absolutely nothing of the scientific background of the Sargon formula, I tried the medicine. Sargon pills re-established a regularity of bowel movement and overcame my toxic condition. The Sargon liquid restored my digestion and my strength returned. Every trouble I had disappeared and I expect to soon resume my practice. When I do, I will credit this remarkable treatment. Dr. H. Verner Golding, 111 Commercial Street, Edmonton, Alberta, Canada, former Intern at the Boston City Hospital and a prominent Canadian Druggist, writes:—Adm.

STEPHAN SUCCEEDS BACON AS HEAD OF COMMERCIAL BODY

126 Persons Hear Names of New Officers and Listen to Inspiring Talks at Annual Home Products Gathering

The name of the goddess of truth. It is the first chairman of the new bureau of the Chamber of Commerce who was to speak on highways was newly elected president, Mr. Stephan. Mr. Wright during the morning stated that more than 10 new industrial plants had started in Twin Falls during the year. He would not introduce all those he said but would name as those which were along new lines, the Pacific Finance corporation, the Howland-Cooper company, with road machinery, and the indoor golf course. L. W. Gardner, of the Howland-Cooper company and H. E. DeMunnis of the indoor-golf course spoke briefly.

Mr. P. P. Thompson, secretary of the Chamber of Commerce, presided at the annual home products gathering which was held at the hotel here last evening. The gathering was attended by 126 men and women, at the Park hotel, by Mrs. B. Wright, secretary. Mrs. Wright presided and Mrs. Turner, treasurer. The secretary for the committee was Mrs. L. A. Chapman.

The program began with community singing led by Mrs. A. Chapman. Secretary Wright, acting in the name of the Chamber of Commerce, who was absent tonight, up the sheep flock introduced Harry Thompson, chairman of the committee, who presided over the program and speakers after lively exchange of views.

Mr. B. Wilson, the first speaker, addressed the meeting on freight rates which he declared to be unduly high in Idaho. Mr. Wilson said that a farm near the Twin Falls city limit and not far from the highway district, where taxes are unusually high pays all told, almost 100 acres, less than \$175 for rental company charges. Nevertheless, Mr. Wilson declared, this is not as bad as some other parts of the state where the rental company charges are as high as \$200 per acre. Mr. Wilson said that the rental company charges are as high as \$200 per acre. Mr. Wilson said that the rental company charges are as high as \$200 per acre.

Mr. Wilson declared that this reduction in freight rates would make a great difference per acre on these crops. He stated that considering the average crop normally grown, of wheat, beans, alfalfa seed and potatoes in the proportion usually raised on 100 acres on the Twin Falls project, the freight rate to Chicago would cost \$125 on a 50 acre farm or \$250 on a 100 acre farm. He urged immediate action to reduce these rates.

Charles L. Hart, representing the federal bureau of labor as employment agent, said that demands for labor in his office this year had fallen about 1000 under last. This was partly due to shorter crops, though also he believed to some extent due to farmers seeking labor at irregular hours. He said that he would like to see the labor law amended so that it could be employed as far as possible.

E. C. Davis, Casalford, urged immediate action for the Snake River project. He said that in his opinion the same energy shown by Southern California would make this project a success. He offered in using the 100,000 acre feet of unappropriated water in the American Falls reservoir to irrigate the land, and declared that this would bring other lines of industry.

MOTHER SEEKS REWARD FOR MISSING TWIN

Fifteen-year-old twin brothers, Archie and Arthur Burton, lost in Denver, Washington, five weeks ago, their mother, Mrs. Kate Brennan, Sturtevant, Colorado, has been missing since their disappearance. Mrs. Brennan said, various threats to fight in court. In a case pending the commission is asked to reduce rates on beans to Chicago 15 cents on each 100 pounds.

Mr. Wilson declared that this reduction in freight rates would make a great difference per acre on these crops. He stated that considering the average crop normally grown, of wheat, beans, alfalfa seed and potatoes in the proportion usually raised on 100 acres on the Twin Falls project, the freight rate to Chicago would cost \$125 on a 50 acre farm or \$250 on a 100 acre farm. Coal Proves Its Superiority

UTAH COAL advertisement with text: "When icy winds clutch at your house and penetrate its walls—THEN is the time to prove the merit of coal. Even if you fire dies down—there remains for hours the enduring warmth of radiant coal heat that keeps your home comfortable. The heat is clean—odorless and cheering. You are not concerned about sweating walls and windows or damage to drapes and furniture from excessive moisture. The air is fresh and warm—never 'stuffy.' And now when you need the full value from your heat—do you know that gas, burned in a coal furnace—is only 25% efficient? (U.S. Gov. Survey—Technical Booklet No. 257.) With your coal furnace you have plenty of hot water—and it costs you nothing. And don't forget, too, that modern automatic coal-burning equipment makes it profitable to run your furnace right from your living room—with the even temperature of thermostatic control. COAL is the SAFEST—CHEAPEST—most DEPENDABLE fuel you can use. Now, when you really need heat, is the time to make your own comparisons. Careful comparison can give but one answer— UTAH COAL 'The West's Unequaled Fuel'".

DELATED HONORS

Articles in one field or another would be encouraged by recent awards of honor, the Nobel Prize to Sinclair Lewis and the Gold Medal of the Society of Arts and Sciences to Hans Oelert. Lewis received his prize for "Babbalanja," published in nineteen hundred twenty-two, not for his novels alone then. Oelert has not been honored for his design of the Woolworth Building in New York, which he made in nineteen hundred ten, but for his later literary work. There have been several awards of honor in recent weeks for courage displayed years ago in the World War and even as far back as the Spanish-American War.

Borlet Russia pulls up a good track to the world, but from recent revelations there isn't much to be seen in it. There is a lot-left-lack in the shop windows at Moscow. As a matter of fact, the New York Evening Post reports, the window shopping on the principal streets of the capital is impeded by the display of military instruments and sporting equipment. He might think the nation has gained vast wealth and leisure, and so is now going in heavily for music and sports. The Soviet quotas of food, cotton and woolen goods, ready-made clothing, metal goods, footwear, and so on, including most of the common necessities of life, are enforced by means of a large police force. Moreover, the people have to stand in line for the privies for buying their pitiful rations. The writer figures that the total number of hours spent thus by the Russian population is as large as the number of hours spent by all the manual workers at their jobs. Seen in this light, the excess of the most-advertised program of industrialization, which was going to raise Russia to industrial supremacy in five years, doesn't look so impressive. Some, perhaps, who have demanded Communism will get tired of standing in line.

University Club Dinner at Chocolate Shop Proves Outstanding Group Session

RUPERT, Nov. 24 (Special to The News)—Social activities of Rupert during the last few days have been characterized by smaller groups. The latest of these was the Idaho University club dinner given at the Chocolate Shop Wednesday evening with around a score of members present to enjoy the delectable three-course dinner and the cheerfulness of former fellow students.

Delight Disney, local president, was in charge and a short business session plans were made for entertainment of the Idaho Club at the time of its appearance at the December. Mrs. Royal Irving was appointed chairman of committee on arrangements.

Entertainment at the Wednesday night dinner included excellent singing of college songs and a treat for the boys. Buford E. Kuhns and solo number by Betty Ferris of Drives.

Members of the P. L. O. club were entertained Tuesday evening by Mrs. and Mrs. Forrest Barrow at their suburban home. Three guests, Mr. and Mrs. Guy Billington and Fred Tinsley, were the guests of honor. Successful high score winners were Mrs. Ed Schoenbach and Dr. H. T. Rice. A delicious supper was served after the games. Mr. and Mrs. George Wignall will be next entertainers of the club.

The royal neighbors' Thimble club was entertained Tuesday afternoon at the home of Leo Nelson with the 24 members and two guests. Mrs. Newton Ido and Mrs. Nellie Mayas, present. Needs work occupied the afternoon and plans were made for a dance to be held in the near future. Refreshments were served by the afternoon committee. Mrs. Sarah Collins, Mrs. Mildred Cook and Mrs. Merrill.

Friday afternoon Mrs. E. O. Wilson and Mrs. E. C. Rosecrans were hosts to the Bushnell Wesley Sunday school class of the Methodist church, entertaining at the Wilson home. There were 35 members present. Arrangements were made to hold a boxed-ladle sale on Thanksgiving. Refreshments were served for a Christmas party to be held at the home of Mrs. Arthur Penhale. Election of officers for the ensuing year resulted in Mrs. Welly Mair becoming president; Mrs. Wilma Vico, president; and Mrs. Ed Cunliff, secretary-treasurer. Mrs. W. D. Hall is clerk leader. The afternoon closed with guitar refreshments.

Members of the Wednesday night bridge club were guests the week of the and Mrs. P. H. Mearns. There were four hot-temper games. Mrs. C. A. McArthur and Miss Ethel McArthur, mother and sister of the hostess and Mrs. L. L. Culbertson, Twin Falls, in the bridge game. Mr. and Mrs. William H. Olson received the combined high score prize.

CASTLEFORD LADIES' AID SOCIETY CONVENES

CASTLEFORD, Nov. 24 (Special to The News)—The ladies' aid society of the City, by invitation of the ladies of the Methodist church, held its annual meeting at the home of Mrs. F. S. Hastings early this morning.

The business session plans were discussed for the annual banquet to be held December 4 at the Methodist church.

December 11, the members will meet in joint session with Everyman's club to pack fruit for the children of the City. A festive breakfast and gift exchange will be held in the Methodist church building on New Year's day.

HAGERMAN CLUBS JOIN AT REGULAR SESSIONS

HAGERMAN, Nov. 24 (Special to The News)—Meetings of the Hagerman Civic club and a bridge club of the city were held at the home of the Hagerman club on Wednesday afternoon. Mrs. Jack Woodhead was assistant hostess.

At the business session of the club the matter of establishing a new public library was discussed. Mrs. George Martin, Mrs. Martin Curran, Mrs. E. D. Nielsen and Mrs. Mary LeMay were appointed as a committee to look into the possibility of such a later meeting. A traveling library building here is most thoroughly patronized, according to Mrs. George Martin, in charge of it, and a decision was reached that a plan be shown by local people. It is decided by the club to put on a rummage sale in the near future to finance the purchase of books.

Mrs. H. O. Frazer entertained at her home Wednesday evening at the home of Mrs. Tom Torrey. Her guests present were: Mr. and Mrs. Roger Martin, Mr. and Mrs. William Dickinson, Mr. and Mrs. Harry Sweetland, Mr. and Mrs. Charles Abbott, Mr. and Mrs. Marilyn Curran, Mr. and Mrs. Roy Parsons, Mr. and Mrs. Charles Heininger, Mrs. Harry Burger and Jack Billington. Mrs. Burger and Mrs. Sweetland received the prize for high score and potpourri by score went to Mrs. Harry Sweetland and Roy Parsons.

RED CROSS ROLL AT BURLEY PROGRESSES

BURLEY, Nov. 24 (Special to The News)—The Red Cross roll call, now in progress here, is pronounced to be the most successful of the local membership campaign committee.

The city of Burley has subscribed more than \$200 at the present time and this amount probably will be somewhat augmented. The drive will continue until Thanksgiving. The afternoon closed with guitar refreshments.

MINI-CASSIA DAIRY UNIT PLANS TESTS

County Agent Co-operates With Association in Testing of Cream-Separators

BURLEY, Nov. 24 (Special to The News)—In cooperation with county agent's office, the Mini-Cassia Dairy's association is preparing to test cream separators. A cream separator test, probably during the second week of December.

Famils will be taken from any separator in Cassia county, whether or not owned by members of the Mini-Cassia association, during both morning and evening runs. These samples will be used at the receiving station of the association. The organization will furnish bottles and provide the labor for testing purpose. Each of the associations will supply milk of various grades. Samples will be called on to adjust the machine or make suggestions for re-formation. It is thought that any cream can be carried on all cream factories in localities outside of the Mini-Cassia project.

It is said that more than 300 separators in this district should be tested. According to W. S. Raymond, manager for the Mini-Cassia association, this organization believes that testing samples will assist in any many ways. He believes too many separators are wrongly adjusted and that much loss is being suffered by patrons by reason of cream being left in the separated milk.

Mr. Palmer, county agent, believes that the village of Mini-Cassia could produce surplus so great that those separating should be done on the farm and the skim milk should be retained and fed to poultry, hogs and calves. He cites figures to show that skim milk has a double value when used in any class of livestock, and that the returns from a separator exceed more than pays for the investment, interest and labor of operation.

MEMBERS OF KIMBERLY CLUBS HOLD SESSIONS

KIMBERLY, Nov. 24 (Special to The News)—Meetings of the Kimberly Glee club and the Kimberly Bridge club were outstanding social events during the week.

The Glee club met Wednesday at the home of Mrs. O. M. Fisher with an unusually large attendance. During the business meeting, conducted by Mrs. E. B. Wilkerson, plans were made for church work during the coming season. Mrs. P. E. Wilson, Mrs. H. E. Proctor and Mrs. Walter Colner were appointed to purchase for the club albums to be given to the church. Mrs. H. T. West, in charge of a banner and dinner to be given at the Kimberly Methodist church on December 9. Heard reports of committee Mrs. H. J. Walters had charge of the program, which included an address by W. J. Young, juvenile prohibition officer, on the subject of "Problems of Today Among Our Younger Generation." The meeting closed with the singing of hymns by the assisting hostesses, Mesdames W. A. Gill, William Graham, H. H. Trincio and Ruth Adams.

GREEN PASTURES

During times of general depression for various reasons we take on a more or less restless spirit. To some at such times "Far off pastures look green." This may be true. However, before transplanting ourselves we must stop to consider seriously, for there are many problems to be reckoned with.

You have made friends and established good credit where you now are. It will take time to accomplish this in your new location. Friends and credit are to be highly prized and appreciated. A man succeeds best where his family is most contented. Are you reasonably sure they are going to be in their new location. If they are not, remember, time flies as well as money. Have you time to start all over again?

RUPERT FOLKS KEEP ANNUAL BOOK WEEK

Presentation of Three Plays Proves Outstanding Event of City's Observance

RUPERT, Nov. 24 (Special to The News)—Book week observance in Rupert culminated Saturday afternoon when three special plays, given by the children, were presented to observe book week.

The audience reached such proportions that the plays will be repeated Wednesday afternoon at Guild hall. Parents of the children who took part in the productions will be special guests.

Donald Mott acted as story reader of favorite Mother Goose rhymes which were dramatized with the following children taking parts: Richard Lee, Margaret Burmide, Kath-ryn Kraker, Charles Crarer, Therman Turner, Bonnie Jean Burmide, Doris Stone, Jean Turner, Shirley Turner and Betty Johnson. This action was in charge of Mrs. G. D. Turner and Mrs. C. V. Croxson.

Two other plays, "Story-Tell-er," and "Ezra in Babylon" were presented by the children and eighth grade pupils taught by Mrs. J. J. Reynolds. The production was delegated to special committees of children who looked after all details. The plays, written especially to in-

TAPS SOUNDS FOR CHARLES LONGLEY

Venerable Veteran Goes to Last-Resting-Place Here With Impressive Rites

Colonel Charles L. Longley, 87, distinguished veteran of the Civil war, died at Twin Falls and today at 11 o'clock was buried in his final resting place in Twin Falls cemetery following funeral services at Ascension Episcopal church and at the graveside in charge of Dean Ernest H. Altmann. Burial was beside the grave of Colonel Longley's first wife and mother of his children who died here 12 years ago, and of his son, Charles Olla Longley, pioneer Twin Falls attorney, whose death occurred in 1917.

National guardsmen of the Twin Falls unit, 11th regiment, Idaho engineers, fired the three-volley salute and sounded taps over the grave of the venerable veteran who served with distinction during the last three years of the Civil war as a member of the Twenty-fourth Iowa volunteers, and who later was commander of Civil war veterans' organizations in Iowa and in Idaho.

Comrades join in tribute. The colors of Dan McCook post, Twin Falls, Grand Army of the Republic, which Colonel Longley served as commander and which some years ago surrendered its charter because of declining ranks of its members, were held aloft over the flag-covered casket yesterday, and Twin Falls American Legion post brought its colors as it joined in a solemn final tribute

Willie Willis

By ROBERT QUILEN

It was one of them stillyh birthday parties, where you have to take a few-bill present and get your own a nickel's worth of ice cream.

To a beloved elder comrade. Two comrades of Civil war days, James M. Rice and D. H. Thoms, accompanied with friends and former neighbors that filled the chapel yesterday to pay their tribute of respect and sorrow.

Spartan simplicity marked the service. There was no music, except for the band and sweet notes of the soldiers' farewell as they closed. The only spoken words were those Dean Altmann uttered.

ed, repeating the solemn periods of the burial service. It was a tribute befitting a soldier and a man.

Old friends carried the flag-draped casket to its final resting place. They were P. Greer Hilday, Burdon Morse, George P. Sprague, Fred W. Stech, Brad L. Hodgins and Thomas W. Robertson.

The widow who came from Boise with the body to attend the last rites here was accompanied by Mrs. O. W. Allen. There are two surviving children, Mrs. Emma L. Warner, Twin Falls, and Alfred Longley, Waterloo, Iowa, and five grandchildren.
