

MEXICAN HURLS

SELF TO DEATH

Deodero Yanez, 26, Shoshone Rail Laborer, Leaps From Third-Story Window

Mexican Yanez, 26, Mexican railroad laborer, is reported to have been employed at Shoshone for some time past, hurt himself through a window on the third floor of the hotel, and leaped to his death from the sidewalk at the corner of Second street and Second avenue south, at 8:30 A. M. yesterday, striking the sidewalk. The window was broken by the impact of his fall.

Authorities believe he had been suffering from injuries that included a broken neck and broken leg.

Two men standing nearby heard the cry of "Ay, ay, ay" but did not know what it meant.

The body was found by a man passing through the sidewalk.

The man, who was identified as the hospital's manager, said:

"Authorities believe P. K. Drake, coroner, were unable last evening to ascertain definitely a possible motive for the suicide. The coroner's office stated that they had been watching Yanez since his arrival here last Monday, and suspected that he had been drinking heavily. They were unable to find any evidence to support this theory, however."

Investigations found that Yanez was born in Mexico City and had been on the floor of the hotel and occupied the stairs to the third floor, and apparently without pausing after entering the building, had run down the stairs and plunged head foremost through the window. There were two footprints on the concrete floor.

There were no signs of any one continuing efforts to get in touch with relatives or friends of the dead man.

The coroner's office has made arrangements to remove the body to the Drake funeral parlor.

Investigation indicated that Yanez had been a resident of this country for six months, having come through Nogales, Arizona, from his native home at Amaro, Sonora. It was indicated that he had been employed by the Twin Falls Hotel, Mountain Home and Sheephorn.

HOTEL BUILDERS FORM INVESTMENT COMPANY

Five Salt Lake City residents, all of whom are members of the Paragon Hotel company lately organized to construct a large hotel and theatre building here, have made their first investment in the investment company, Salt Lake City, a certified copy of whose articles of incorporation was filed in the office of the recorder of deeds, Salt Lake City, A \$10,000 capitalization is authorized.

Frank Bell, Twin Falls, was chosen as president of the Rich-Wilburn company.

The incorporators are E. E. Rich, Clark W. Wilburn, Frank B. Steppen, Jerome O. Rich and Keith M. Wilburn, all of Salt Lake City.

Creamery Operators Select Officers and Adopt Resolutions at Final Session

A. B. Arps, Poston, manager of the Kraft cheese factory at Poston, was elected president of the Idaho Creamery Operators' Association.

OVER AT THE HOTEL meeting of the State Dairymen's Association held yesterday to elect C. Stirling, secretary-treasurer, and other officers of the cooperative creamery. Other officers elected were, vice-president, J. R. Brown; Caldwel, manager of the Kraft cheese plant at Poston; chairman of the dairy committee, Dr. F. Thompson;

Chairman of the 1931 Turnier, Bush, comprising 14 grade Holsteins, and of C. M. Everard; Bush, consisting of 14 grade Jerseys. The Holsteins have averaged 30 pounds of milk per cow, and the Jerseys 28 pounds.

"Among the smaller herds, Martin Miller, Twin Falls, has the highest purebred production of 643 pounds of milk and 26.7 pounds of butterfat."

Another purebred Holstein, "Daffy," owned by Donald Adams, Head of the Twin Falls High School, produced 319 pounds of milk and 24.1 pounds of butterfat, and was the only other animal in the association to produce over 300 pounds of milk and 24 pounds of butterfat during the month.

Poston association herd during December produced 291,934 pounds of milk and 12,210 pounds of butterfat, as compared with 281,934 pounds of milk and 24.8 pounds of butterfat.

Adams' herd of registered Holsteins led the larger herds in the division for the month with an average production of 888 pounds of milk and 24.8 pounds of butterfat.

"Two herds led for first honored in the 10 to 20-cow herd division, each with an average of 32.4 pounds of butterfat production. These herds were

Moore, instructor in the Department of dairy industry, University of Idaho, with Mr. Strain and C. B. Johnson, Poston, as his assistants, presided at that portion of the meeting.

The board of directors will select the dates of meetings for next year, probably at either Idaho Falls or Poston, from which cities the herds were received.

Resolutions favored establishment of an ice cream standard for Idaho, and stricter regulations relative to the use of raw materials, including abortion, and endorsed the plan outlined by the Idaho Dairymen's Association for the advertising of the product.

No bill was made to legislature regarding butter substitutes. It was voted that the resolutions were in accordance with the purpose of the association.

Stirling, chairman of the dairy committee, was re-elected.

The meeting adjourned at noon.

The meeting adjourned at noon.

A. A. Sharp, University of Chicago, veteran football coach, has two grandchildren.
