WIRE TAKES PLACE OF WOOD STOCKADE AT LINCOLN FIELD

School Board Meets Pro-
tectors With Word of
Previous Favorable De-
cisions, New Principals

A wooden stockade enclosure about Lincoln field will not be re-built, Twin Falls school board ac-
cording to a decision of the
board's regular meeting last
night.

Board members further told
the "board" that the "stockade"
of the position was altered; not
to rebuild the wooden fence, but to
install a wire fence, and the
board, one member of the stockade
committee, will require a "stockade"
as far as protection at Lincoln
field is concerned.

Removal of the fence was
started by a windstorm some weeks
ago. Part of the board, Superintendent
W. B. Smith said last evening.
Protestors objected to the board
view and protection of property values
in the vicinity.

"We have endured this eye-see
many times and now feel that
we should be spared further annoyance
and humiliation," the protestors
said.

T. J. Lloyd was spokesman for
the protestors.

First Day of School
The new school year in Twin Falls
schools will begin Tuesday, September
8, Superintendent Smith stated
at his night board meeting.

New principals of two schools were
elected at this night session. Miss
Beulah Smith was elected to succeed
Miss Penny Perkins, as principal of
the Lincoln school, and Miss Myrtle
Lloyd to succeed Miss Pearl Main-
try as principal of the Washington
school.

Miss Perkins has resigned to
return from teaching, Miss Main-
try is to become a member of the
junior high school faculty.

On nomination by the superintend-
ent, the board also elected five
teachers to fill vacancies caused by
resignations of teachers.

These newly-elected teachers are
Miss Beatrice Martin, Lewiston, prin-
cipal; Miss Gertrude Best, Twin Falls;
Miss Helen M. Doeda, senior, primary; Miss Vir-
ginia Smith, Twin Falls, primary; Miss
Helen B. Best, primary.

Resignations were received from
Miss Myrtle B. Best, secretary to the
superintendent, and Miss Kate Wyl-
den, secretary to the high school
principal, and Miss Velma Watt, sec-
retary to the junior high school prin-
cipal.

Janitors also were re-elected for the
coming year as follows: O. O. Taylor,
high school; Oscar Day, Washington;
W. A. Kelly, Lincoln; D. P. Frazer,
Lincoln.

Harold Getz Made Contract
Mazel Automobile company re-
signed a three-year contract to operate
new buses in transportation of
pupils to and from Twin Falls
schools. A fleet of nine buses, under
contract with the school district, is
being used in this year's contract, with
Paul Werber for three buses con-
tinuing beyond this year.

There were four bidders for the
bus contract, and the board after
prolonged discussion, divided 4 to 2,
in its vote on the award.

Mazel Automobile company bid
\$8.75 a day; Blithman Brothers \$9.00;

in' to ask how far a cat can run?"

berg, 8234.
Eleven Twin Falls coal dealers, sub-
mitting almost identical bids, and two
outside concerns, asked for Twin
Falls schools order for approximately
600-ton coal supply for the coming
school year. The choice order was
given to Warberg Brothers Coal and
Transfer company, Twin Falls, on
its bid ranging from 34.35c slack to
34.50c per ton for lump, which was
the same as mine of the 11 coal
dealers submitted. Idaho Han
Elevator company, a new entry, cut
25 to 30 cents a ton off the uniform
price for lump coal, but added a nickel
to its slack coal price. Developer Coal
company's bid varied from the others
in its outside quotation on slack
coal.

Outside Concerns' Figures
Outside concerns quoted prices
freight on board Twin Falls lump coal
at \$10 to \$12.25 per ton, and slack \$4.50
to \$5.00 per ton.

One of these concerns, Western
Grain and Brokerage company, recom-
mended by the purchasing agent
for the state grant, advised it sup-
plied coal to Poetello schools and
other members, before voting to
award the contract to a local dealer.

Discussion of investigation of dragee
expense, purchase of a truck with
which the district might do its own
hauling and further inquiry as to
responsibility of the outside bidders
was the order of business for the
night session, which closed at 8:30
and a saving of about \$300 on this
year's contract was indicated.
