

LINDBERGH'S HALT AT SAFETY BAY

Flying Vacationists Circle Over Nome Before Mooring 21 Miles East

NOME, Alaska, Aug. 11 (UP)—Colonel and Mrs. Charles A. Lindbergh arrived at Safety Bay, 21 miles east of Nome, at 10:40 A. M. at 11:10 P. M. Pacific Standard Time today, completing their last hop over Alaskan soil on their vacation flight to Japan.

The famed couple flew from Sitka over Kotzebue sound where they were forced down by fog last night on a flight from Point Barrow, northernmost settlement of Alaska.

Colonel Lindbergh landed his pontooned monoplane for Safety Bay after circling the Nome waterfront several times and flying over the Nome river which had been recommended as a landing place.

The colonel and wife left Point Barrow at 10:40 A. M. for Safety Bay, Alaska, and landed at Safety Bay at 11:10 P. M. Pacific Standard Time, the Lindberghs took an hour and 10 minutes for their 1,100 mile flight.

The colonel and wife left Point Barrow at 10:40 A. M. for Safety Bay, Alaska, and landed at Safety Bay at 11:10 P. M. Pacific Standard Time, the Lindberghs took an hour and 10 minutes for their 1,100 mile flight.

The Weather

FORECAST FOR TODAY AND TOMORROW—Partly cloudy; local afternoon thunderstorms in south (Idaho) somewhat cooler.

Maximum temperature in the Twin Falls vicinity was 84 degrees in the 24-hour period preceding a P. M. yesterday, according to the report of D. B. Chappin, government weather observer here. Minimum for the same period was 52.5. The day was partly cloudy and the barometer registered 30.0 inches at 2 P. M. The prevailing wind was westerly. Humidity ranged between 70 and 12 percent.

WITNESS QUOTES CLARK AT TRIAL FOR MURDER

LOS ANGELES, Aug. 11 (UP)—The silence of David H. Clark about the slaying of Charles H. Crawford, and Herbert Spencer, political figures, was broken today by a newspaper reporter who testified in the murder trial of the former prosecutor that Clark admitted being in the room where the killings occurred.

In an interview with Clark the day following the tragedy, Ralph Shawhan, the reporter, said the lawyer told him:

"Well, Ralph, all there is to this is that there were three of us in the room."

The testimony marked the first time that the state has introduced evidence bearing upon any statements made by Clark since his arrest. To all officers he has refused to make any comment.

An aerial report from Twin Falls indicated that Clark had been taken to his cell at the state prison. The day the alleged slaying was made Shawhan testified, Clark later talked to him and said he had not made any statements. The reporter said Clark told him he believed a mistake had been made and that he did not think he "said it that way."

Moving away toward the end of his case, Joseph Post, special prosecutor, placed on the stand two other of his principal witnesses, Ray J. Tucker, secretary to "Crawford," and Miss Mildred Robinson. Tomorrow, Ford said he probably would rest his case.

Clark's defense attorney, J. H. Anderson, said he would call the testimony of his principal witnesses, Ray J. Tucker, secretary to "Crawford," and Miss Mildred Robinson. Tomorrow, Ford said he probably would rest his case.

UTAH MAN GETS BLAME FOR FATHER'S INJURIES

SALT LAKE CITY, Aug. 11 (UP)—W. E. Howard, Jr., 24, was being held in the city jail on open charges tonight, pending the outcome of a police investigation of the slaying of his father, W. E. Howard, 35, today.

Young Howard, when taken to police headquarters, is alleged to have said he shot his father during an argument this morning. Preliminary police investigation showed the father had been shot, held captive in his home in Colwoodwood, a suburb, for six and a half hours and then was loaded into an automobile. The elder Howard suffered a possible fracture of the skull, a fractured right arm, fractured right leg and fractured right elbow when the automobile, driven by his son, ran through a stop sign, collided with another automobile and knocked over a telephone pole.

TEXAS HOLDS KEY TO TENSE OIL SITUATION

AUSTIN, Texas, Aug. 11 (UP)—Texas held the key tonight to a tense situation in the oil industry. A storm of economic warfare threatened around the Texas legislature, in the closing hours of its special session, fail to reach laws curbing fluid production in the giant New East Texas field.

Governor W. H. Murray of Oklahoma pointed out that the Texas executive had power to intervene with martial law in the rampant East Texas case as Murray has done in Oklahoma. East Texas production was reported to have increased to an average of 55,000 barrels daily over the average for the previous week.

Governor Murray, however, said he still was hopeful the legislature would pass a satisfactory conservation law before the close of the special session tomorrow night. He said no decision upon a declaration of martial law in East Texas would be made until the legislature had acted.

The Texas chief executive added, though that he had received a favorable reaction from his announcement, he might decide martial law to force a shutdown.

As the seriousness of the situation around a storm of protest, from independent oil operators and producers throughout Texas and states nearby, the legislature awaited anxiously the efforts of a free conference committee from both houses to draft a compromise bill.

The house had approved a conservation measure incorporating Governor Sterling's oil relief program, but the senate had substituted a bill which administration adherents declared would weaken existing conservation statutes.

East Texas operators, meanwhile, were going ahead with plans for a mass meeting Friday at Tyler, expected to be attended by 4,000 oil operators and business men to discuss the feasibility of a complete voluntary shutdown.

Groceries company here, 30 retired recently.

FOREST FIRE SITUATION IN OREGON IMPROVES

GRANITE PASS, Ore., Aug. 11 (UP)—Forest fires that destroyed homes and livestock in the Placer Creek and Jacksonville districts Monday apparently were well under control tonight.

Scores of firemen were withdrawn and only a few men were left to watch the fires during the night.

The blaze had advanced far into Jackson county, forest officials here reported. The first in Jackson county, however, also were believed under control.

Real figures in property losses and the number of livestock burned to death were not available.

The Grange national forest fire also was quiet.

STATE PRESENTS CLAIM FOR SALMON CITY ROAD

BOISE, Aug. 11 (UP)—A state charge of \$441,000 against Lemhi county for building a road through Salmon City today was placed with the auditor for collection.

The charge, reported by the bureau of public accounts, was the county's share of the cost of building the road in 1929. All of the money being advanced by the state.

Kilworth Vinn, Pasadena, California, will be the next single champion of the United States, in the opinion of Howard Kinney, veteran tennis professional.

BROTHERS SUSPECTS IN DEATH OF TWO COUPLES

ANN ARBOR, Mich., Aug. 11 (UP)—The arrest of two brothers for questioning in connection with the death of two young couples whose bodies were found in a flaming motor car was followed closely tonight by a report of physicians at the University of Michigan medical school that they had found a skull buried in the body of Harry Lane, 18, Ypsilanti.

The bodies of Lane and the three other victims were found early this morning in a little frequented alleyway.

Announcement of the discovery of the bullet at an autopsy came after it was said at the medical school that no cause of death other than heat from the flames was found in two other bodies.

The mothers, living in a wagon near the scene of the crime on a country road, were taken into custody.

UTILITIES CONTINUE PLEAS FOR TAX CUTS

BOISE, Aug. 11 (UP)—Public utilities, big and little continued today to ask the state board of equalization to reduce taxes.

There was only one interruption in the steady appeal, which came when the Washington Water Power company asked for an increase in its assessments, saying the taxable property of the company in Idaho would probably be larger this year.

The increase in value was to be shown in a report which was submitted to the board later in its two weeks hearing.

Among the petitioners were Western Union, the Grinnell Power company, the Boise and Western railroad, and the Columbia Telephone, a subsidiary of the Milwaukee railroad.

BANDURY NATIONARY CLOSURE

SUNDAY, AUGUST 11TH

Many Sunday school pupils have enjoyed a day at the "nat." If you haven't found your better get busy as we close the pool and turn the water out Sunday night, August 13th, BANDURY "NAT." ADV.

(Continued From Page One)

men that the entire watershed of the Boise valley is likely to be burned over unless the fire is checked, and asked the commission to authorize more than a pro rata share of money.

The fire was burning within a quarter-mile of several ranches in Clear Creek but firemen predicted they could stop it on the north side.

Harry Whitworth of the Boise-Payette timber company, Joseph Isaacson, state land commissioner, and Arthur Blomgren, state aeronautics engineer, flew over the fire today and reported it settled south into Harris Creek drainage, one of the main sections of the Boise valley watershed.

HIGH WINDS WHIP FLAMES

BOISE, Aug. 11 (UP)—High winds whipped flames over the hills today at several points in the Northwest.

Between Boise and Mettlen, Washington, in the state and private timber threatened settlers and rangers warned them to leave. There were scores of small fires.

In British Columbia, fire burned through deadlands on the south fork of the Kootenai river, in British Columbia, and near Vancouver and McLean Lake, after crossing the Liard mountains.

The Dow Creek fire at the head of Sprague Creek in North Idaho roared up again, and 100 men were sent after more than four miles of firelines were lost. At work on this configuration, which had a pri-

STRANGE, isn't it?

Strange, isn't it, that although LEVITS have been made for almost 60 years—no other maker of waist overalls has ever been able to successfully copy their cut.

The cut of LEVITS is a secret—but the fact that they are the most comfortable waist overalls on the market is no secret.

And they're the longest-wearing overalls, for LEVITS are made from the heaviest denim loomed. They're copper riveted at all points of strain—and so well stitched that you get a new pair free if they rip.

That's why ranchers, cattlemen, miners and lumbermen insist on LEVITS—the biggest-selling and most reliable brand of work overalls.

UNDER-ROASTING AND OVER-ROASTING PREVENTED

Controlled Roasting,fills Bros. Roasted Process, Roasts Coffee to Uniform Goodness

Just as the flavor of foods can be ruined by undercooking or overcooking, so the flavor of coffee can be spoiled by under-roasting or over-roasting. Realizing this, the Bros. invented and patented a new roasting process. It roasts perfectly—all the time! It is called Controlled Roasting.

As the roasting of the beans (as depends upon an even, continuous flow... a little at a time... so the uniform flavor of Hills Bros. Coffee is produced by Controlled Roasting.

The patented process that roasts evenly, continuously, for a long time. Automatic control of heat insure an even, perfect roast for every bean. No over-roasting, no under-roasting. Uniformity is uniformly delicious.

Controlled Roasting. No it is impossible to always roast each big batch to the same degree.

The Hills Bros. Coffee is packed in vacuum cans. All which destroy the flavor of coffee, is removed and kept out of these cans. Ordinary "air-tight" cans won't keep coffee fresh. Hills Bros. Coffee is packed in vacuum cans. All which destroy the flavor of coffee, is removed and kept out of these cans. Ordinary "air-tight" cans won't keep coffee fresh.

Ask for it by name, and look for the Hills Bros. Coffee logo on the can. Hills Bros. Coffee, Los Angeles, Portland, Seattle, Tacoma, Wash., Portland, Ore.

LEWISTOWN, IDAHO, AUG. 11

William P. Schmader, 71, whose courage saved settlers of the Mountain Idaho region from starvation in the winter of 1877, died at a hospital here today. Schmader led the settlers to Mount Idaho, direct construction of an emergency food and blood grant while the red skins roared, seeking an opening to the north.

For many years, he had been a prominent merchant and stock man in the Grangeville region.

MEN WHO BUILT THE WEST WORE LEVITS

Strange, isn't it, that although LEVITS have been made for almost 60 years—no other maker of waist overalls has ever been able to successfully copy their cut.

The cut of LEVITS is a secret—but the fact that they are the most comfortable waist overalls on the market is no secret.

And they're the longest-wearing overalls, for LEVITS are made from the heaviest denim loomed. They're copper riveted at all points of strain—and so well stitched that you get a new pair free if they rip.

That's why ranchers, cattlemen, miners and lumbermen insist on LEVITS—the biggest-selling and most reliable brand of work overalls.

GOOD... they've got to be good!

ROUND THE CORNER

110,108 DRUGGISTS AND PHARMACISTS

stand ready to help you in a hundred ways!

If you want to find the drugstore you kick! And that goes for almost anything! What a bother life would be without the corner drug! Sick or well, you count on him—and when he doesn't come through, that's NEWS!

No purer cigarette can be made!

Worth every cent and every thought it costs—PURITY.

Everything that goes into the making of Chesterfield cigarettes MUST be pure. No "maybe's" will pass muster here. Tobacco—the mildest, ripest and purest money can buy. Paper—the purest made.

And our factories? The last word in machine equipment, light and sanitation. Models of cleanliness. The air throughout is changed every 4 1/2 minutes.

No purer, milder, better-tasting cigarette than Chesterfield can be made. We challenge the world to produce a better smoke!

BUNN ARRANGES FOR CHURCH CONFERENCE

Portland Pastor Receives Invitation to Preside at Annual Idaho Session

BUNN, Aug. 11 (Special to The News)—The Rev. Dr. D. D. Portland, will preside at the forty-eighth annual conference of the Idaho annual conference of the Methodist Episcopal church which will convene in Buhl August 10 to 25, when visitors and laymen from all of Idaho and Eastern Oregon will be present.

Examination for under-graduates and a meeting of the board of ministerial training will be held on Tuesday, August 10, with a reception at the church in the evening.

The remainder of the session will be devoted to communion services, general sessions, business sessions, lay conferences in the Nazareth church, addresses by a number of noted lecturers, many of whom are members of the Methodist Episcopal church, and meetings of the Women's Foreign missionary society.

Conference appointments will be made by Bishop Lewis at the close of the conference.

Dr. Clarence True Wilson, D. D., Washington, District of Columbia, secretary of the board of temperance, prohibition and public morals, will speak at the evening meeting Thursday, August 12. Dr. Wilson, a noted lecturer, is cited as one of the most able debaters on the lecture platform.

Others who will speak are Dr. Norman V. Peck, president of Synodical conference, and Dr. S. C. Schaefer, president of the conference.

Rev. Carl B. Bell, head of the missionary board of the Southern Baptist convention of the Idaho area, will speak at the morning session.

It is planned, weather permitting, that the evening sessions in the city park with amplifier service to accommodate a large congregation.

The annual sessions of the Idaho Methodist church, announced this week. All sessions are open to the public.

KICK OF HORSE BREAKS LEG OF YOUTH AT BUNN

BUNN, Aug. 11 (Special to The News)—A Methodist youth, aged 17, was injured by a kick from a horse at the home of his parents, Mr. and Mrs. John P. McArthur, in recovering from injuries received about 1:30 P. M. Sunday when a horse, one of a team hitched to a mower, kicked him, breaking the left leg at the knee.

After he was kicked, the young man rolled for some distance to where a horse had been left in the field. He cut his suspenders loose, and using the hose as a splint, bound the injured member with the straps, enabling him to make his way to the home of neighbors, Mr. and Mrs. Arthur, who sent for the young man's relatives.

The attending physician placed the leg in a cast and he is recovering at the home of his parents. The accident happened in the Luerne district.

ROTARIANS OF JEROME CONVENE AT LUNCHEON

JEROME, Aug. 11 (Special to The News)—The Jerome Rotarians met for luncheon this noon at Tony's Cafe, 20 members attending. Waude O. Bell acted as pianist.

As a contribution to the day's program, Delno Macdonald gave a vocational talk on the subject, "Auditing and Accounting."

Macdonald gave the history of auditing and accounting from its origin to the present time, and also explained the system of accounting which is in use at the Jerome Cooperative Creamery at present.

John D. Sims, who returned recently after an extended trip to Colorado, also made a brief talk on his impressions of that state.

Priest River Fire Covers Thousands of Acres

MORE THAN 50,000 ACRES of forest and farm lands in eastern Washington and northern Idaho were burned over in one of the most severe fires of the season. The 16th observation squadron of the Washington National guard took this air view of the flames.—(P) Photo.

THEATRES

OTIS HARLAN APPEARS ON ROXY SCREEN SOON

Otis Harlan, who plays the village wren, Rip Hendry, in "Man to Man," the Warner Brothers and Vitaphone picture at the Roxy theatre tomorrow, was born and educated in Zanesville, Ohio.

He started his stage career as a youth and first came into prominence in the farces written and produced by Charles Hoyt, a friend of his, who was the most prolific and successful writer of frothy plays in the country during the '90s. Harlan was so successful in the Hoyt farces that the author wrote "The Black Sheep" especially for him. The piece was a great success.

He made five tours through Idaho. Among his plays were the hit, "The Millionaire," "A Trip to Chinatown" and "What Happened to Father." He has appeared with Weber and Fields, Eddie Fiske, Anna Held and many others.

In 1920 he entered motion picture acting and has been in many films, among them "Bet of Dreams," "Good Morning, Judge," "Broadway," "Show Boat" and "His Lucky Day."

NEW STAR APPEARS IN FEATURE AT ORPHEUM

Paramount presents a new dramatic "find" with the showing, beginning at the Orpheum, of "The Secret Call," action-packed thrill-drama of modern life.

Her name is Peggy Shannon. A few years ago she was just a beautiful girl, living with her family in Pine Bluff, Arkansas. Today she is a beautiful girl with an equipment of rich experience in stage work in stock companies and on Broadway.

A short time after she accepted a role in the "Secret Call" she was taken sick. It became necessary to fill her part in the "Secret Call" on short notice. Miss Shannon was rushed into the work of production.

"The Secret Call" is based on an original story by William C. Sullivan. It concerns the lives of prominent personalities in a series of political intrigues.

Added attractions are a local Sound News and an intensely interesting novelty in connection with Paramount's Twentieth anniversary, called "The House That Shadows Built."

DARING COMEDY COMES TO IDAHO SCREEN NEXT

What is said to be the most daring screen comedy of the season comes to Twin Falls tomorrow when Vitaphone presents "Man to Man," the Warner Brothers and Vitaphone picture at the Roxy theatre.

Mr. Bennett and Lew Ayres are the featured players in this story of laughs and misunderstandings, and the cast also includes such well known screen players as Sam Sumner, Virginia Sale, Ben Alexander, Vivian Oakland, Roscoe Karns and J. C. Nugent.

Laugh follows laugh, until the story finally explodes in a series of interludes—but not until the characters have found themselves in exceedingly hot water.

"Vin Moore directed 'Man to Man,' which was adapted for the screen by Olaf Stuyt from an original story by Edith Fitzgerald.

CLOVER RESIDENTS JOIN FOR SOCIAL GATHERINGS

CLOVER, Aug. 11 (Special to The News)—Several residents of the Clover Community have enjoyed visits with relatives and friends during the last week.

Mr. and Mrs. Wayne Dean, Grand Island, Nebraska, are visiting at the home of Mrs. Dean's parents, Mr. and Mrs. Ralph Rendle. They made the trip overland in a car driven by Mrs. Dean's uncle, Frank Rendle, Omaha.

The party will leave tomorrow for a visit in Portland and Albany, Oregon.

Kenneth and Wayne Hunter, Bodogick, Kansas, spent a few days this week at the home of their uncle, George Ballard, and family. They were accompanied by Jasper Witter, Blaine, Kansas, another college student. The young men are touring the country, having visited all of the states and Canada. They left Tuesday for a tour of Yellowstone park.

CLOVER MAN RECOVERS

CLOVER, Aug. 11 (Special to The News)—Omer Dierker was able to return home Wednesday after being hospitalized after treatment for fracture of his hip bone. He is resting in a bed reaching from his chest to his feet, and will not be removed for four weeks.

MINIDOKA COUNTY'S SCHOOLS PLAN VOTE

Heyburn, Emerson, Paul, Lincoln and Washington Districts Study Consolidation

RUPERT, Aug. 11 (Special to The News)—One week from today, Tuesday, August 18, school patrons and taxpayers of the school districts of Heyburn, Emerson, Paul, Lincoln and Washington will vote to decide whether the five districts will form a rural high school district to replace the present Heyburn rural high school. Number 1, comprising the districts of Heyburn and Emerson only.

Two questions will be voted on in Heyburn and Emerson districts, which must also decide the present Heyburn rural high school before the larger district can be formed.

Petitions relative to the formation of the proposed new district and the dissolution of the present rural high school district were circulated and presented to the board of school commissioners some time ago. Granting the petitions, legal publications were made and the special election set for August 18.

In event of the consolidation plan, the board of school commissioners will have a school of approximately 225 pupils will result.

According to law, a rural high school district can levy but 8 mills, but it is expected that the additional tax on the district will be less, the school can operate on even less a levy, according to those favoring the plan.

The new rural high school district will not be responsible for any obligations or debts of the other school districts, it is pointed out, according to a recent opinion on this point.

Should the consolidation carry its vote, the tuition plan, as discussed at preliminary meetings, provides for a school building to be erected in the town of Heyburn, near the school building to house the new rural high school.

FILER'S KIWANIS CLUB ENTERTAINS SHEEPMEN

FILER, Aug. 11 (Special to The News)—As an annual event, Filer Kiwanis club entertained the visiting sheepmen at a dinner Tuesday evening in the basement of the Methodist church. Complimentary to the visitors, lamb was served liberally as part of the menu.

After the dinner and the main address of the evening by W. W. McCreary, who presided, the sheepmen were entertained by readings given by the other school districts, it is pointed out, according to a recent opinion on this point.

Should the consolidation carry its vote, the tuition plan, as discussed at preliminary meetings, provides for a school building to be erected in the town of Heyburn, near the school building to house the new rural high school.

KANSAS CITY AVIATORS VISIT BURLEY AIRPORT

BURLEY, Aug. 11 (Special to The News)—The only visit of the Union to inspect the airport at Burley, Aug. 11, was made by a group of aviators from Kansas City, Mo., who were on their way to the Burley airport, Saturday.

Mr. Brock was accompanied by Mr. D. H. Garrett, general counsel for the Kansas City Chamber of Commerce, who piloted a second plane. Both aviators were favorably impressed with the close-in location of the municipal airport, declaring that the airport was so far from the boundaries of many cities that an aviator could fly a hundred miles in the time it took to reach town from the landing field.

Mr. Brock stated that the West was far ahead of eastern communities in the development of airports in the smaller cities. He and his companion plan to make a tour of every capital city in the country, and many otherwise prominent cities in the interest of aviation. They came to Burley from Salt Lake City, and on leaving here were bound for Boise.

SHERIFF BACK IN RUPERT

RUPERT, Aug. 11 (Special to The News)—Sheriff Bill Manifold of Minidoka county returned to Rupert Sunday night from Los Angeles, where he went earlier in the week to bring back a 10-year-old boy to answer to a charge of larceny.

Mr. Manifold accompanied her husband on the trip, which was made by auto via San Francisco, returning through Las Vegas and Salt Lake City.

While in Los Angeles a day Sheriff and Mrs. Manifold were entertained at the home of Mr. and Mrs. J. W. McDowell, where he went earlier in the week to bring back a 10-year-old boy to answer to a charge of larceny.

THE GREATEST VALUE EVER BUILT INTO A FORD CAR

HEAVY DUTY TIRES

INDUSTRY now cost less:

\$4.90

(F. O. B. Detroit, plus freight and delivery. Bumpers and spare tire extra at low cost.)

WHEN you buy a Ford car today, you buy what is unquestionably the greatest value in the history of the Ford Motor Company. Never before has so much beauty, comfort, safety and performance been offered at such a low price.

The low price of the Ford is something to think about because it means an immediate saving of many dollars—always an important consideration. But far more significant than price alone is what you get for that price. When high quality is combined with low price, you may justly take pride in having found a most satisfactory purchase.

See the Ford—ride in it—learn something about the value that is built into every part. The more you know about it, the more certain you will be that it is the car for you. It is literally true that when you "get the facts" you will get a Ford.

Still Higher Quality at Lowest Prices Ever Known

Only the price is ordinary on Goodyear's famous New Heavy Duty All-Weather Tires. Everything else is EXTRA—you get extra STYLE, extra TRACTION, extra MILEAGE, extra ENDURANCE. Value only Goodyear offers.

For less money than many so-called "Super" tires cost, you can put on the big, husky HEAVY DUTY Pathfinders—Goodyear's QUALITY tire within the reach of all. Before you make a decision let us show you these tires.

TRADE IN YOUR OLD TIRES AND SAVE EVEN MORE MONEY!
