EXHIBIT IN JEROME

Members From All Parts of South Central Idaho Plan to Enter Competition

JEROME, Sept. 16 (Special to The News)—The 4-H club members from Central Idaho will meet at Jerome, September 24 to 26 to compete for district and state honors in agricultural and home economic contests. 4-H club members from eight counties in Central Idaho, including Minidoka, Cassia, Twin Falls, Jerome, Gooding, Lincoln, Camas and Blaine, have been participating in various contests in their respective county fairs and the winners in each county will look for the district fair to decide supremacy in Central Idaho. The winners' scores in the district will be compared with the winners in Moscow, Boise and Blackfoot districts.

Judging contests for both boys and girls teams will be held Thursday, September 24. The county champion from each county will compete. The winning team is declared the district champion and is eligible to compete at the Pacific International livestock show at Portland.

A new, interesting contest, has been offered for girls' club members in the form of a style dress review. This contest will be held the first day of the fair at 10 o'clock. The girls will model in the costumes they have made in 4-H sewing club work. This year's contest will be especially keen because both the Twin Falls and Lincoln county winners of last year have won again this year, and back for district honors.

Major DAVIS of Buhl will represent Twin Falls county, and Miss Wilma Mitchell will represent Lincoln county. The winner in the state will receive a free trip to the national boys and girls' club congress at Chicago.

The girls' 4-H club demonstration contest will be the most hotly contested affair ever held in Central Idaho. Team demonstrations will be held Thursday afternoon and all day Friday. The contest will be judged by Miss Mary Hayward, state home demonstration leader. The winner in the state will receive a free trip to the Pacific International livestock show at Portland. The last two years this trip has been won by teams from Idaho, Cassia, and Lincoln counties.

The Jerome county fair board has erected a special tent to provide space for the demonstration contest.

Calf Club Show: The 4-H calf club show will be the best that it has ever been, both in quality and number of animals.

Entries have been received from some of the outstanding 4-H club boys in the district for this contest including Bill Darrington, District state sheep club champion of last year; Francis Boyd, Wendell, champion Chermack club boy in 1929; W. Richmond, and Frank Southwick, Buhl, who have placed high in Twin Falls county this year.

Contests similar to the one for calf club members will be held for pig and sheep club members. The state pig club champion will receive a free trip to Chicago and the sheep club champion will receive a trip to Portland.

DAIRY FARMERS FILL CILDS AT HAGERMAN

HAGERMAN, Sept. 16 (Special to The News)—The work of filling cilds in the Hagerman valley is getting under way this week. D. C. Trotter, Bill Brothers and several other farmers have already completed the work of storing their silage.

Mr. Trotter, who has a cutting machine now at work, said Tuesday that the crop this year is producing fair to average yields, and from indications, 600 tons of silage will be stored in this vicinity, which is about an average.

All the corn raised here is used locally. That part of the crop which does not go into silage for dairy herds is consumed in fattening hogs, hawks and chickens products for the meat market, and winter feed.

A light shower of rain Tuesday morning, the first to fall in Hagerman for some time, stopped for a short time the work of putting up third cutting of hay.

CAMAS COUNTY SCHOOL BOARD VOTES CHANGES

FAIRFIELD, Sept. 16 (Special to The News)—The Camas county rural high school board voted last night to allow Hill City to have a ninth grade at the Hill City schoolhouse.

This grade will be under the supervision of Superintendent Hays of the county high school and will be considered a branch of the Camas county high school.

This action will make it more convenient for Hill City students to attend above the eighth grade. In the winter time the snow makes it impossible for Hill City students to drive to Fairfield and they must go away from home during the winter to attend school.

Funds to carry on a ninth grade at Hill City will be available from tuition receipts from Elmore county. Many of the students who will attend school at Hill City will be drawn from the east end of Elmore county.

W. D. Vincent, state commissioner of education, attended the meeting. Newly elected members of the board were sworn in. Mrs. Ernest Fielder was elected secretary, replacing Charles Gasik who term has expired. W. H. Peck was re-elected chairman of the board. New members sworn in last night were: Mrs. Ernest Fielder, Mrs. Ada Polson and M. F. Prosser. Other members of the board are W. H. Peck, C. H. Streeter and E. J. Pearson.

Among those returning are Mrs. Fred Leach and children. Mr. Leach, who is an outfielder for the New York Giants baseball club, is expected to return to Jerome after the close of the baseball season.

CHAMBER OF COMMERCE AT BURLEY ASSEMBLES

BURLEY, Sept. 16 (Special to The News)—Chamber of Commerce members met with residents of thirty community Monday evening in a joint business and entertainment session. The affair was the first of the season's series of general meetings to be held by the chamber with neighboring communities. The meeting was in the hands of J. E. Brandt, president of the chamber, and Bishop A. T. Cox, who represented Unity Reformed.

Law Swearer, fair manager, spoke of the more important features of the Cassia county fair, which opened Wednesday, saying that some of the livestock barns were already practically filled with stock from outside counties and that indications were for an unusually comprehensive exhibit of cattle, hogs and agricultural products. The two horse stables, he said, were now filled with running horses, assuring a good racing program. The Hill steeple of bucking horses from the Raft river country, was also on hand.

Ray Palmer, chairman of the Howell creek scenic road volunteer work, explained that the road was now almost finished to the rim of the mountain overlooking Lake Clewiston, and that with another detachment of volunteers responding, this work could be quite fully finished by fall.

The meeting was held in the Unity church house, the ladies of the community furnishing the supper. About 50 attended.

Approximately 100 persons from southern Idaho and Utah, are expected to attend the annual Southern Idaho Laundry Owners' association convention which meets in two day session in the Odd Fellows hall Friday morning, with the Utah State Laundry Owners' association. An outstanding feature of the convention will be an address, probably Saturday, by Frank W. Heubach, San Francisco, president of the National Laundry Owners' association, who, accompanied by Mrs. Heubach, will be in attendance. It is stated that Mr. Heubach established the first thoroughly modern power laundry in the United States. It was originally planned to meet here and then go to a ranch in the hills for the convention, but as a result of the closing of the area due to forest fires there was a complete change of program.

Tentative plans include an early morning golf game Friday, followed by a meeting where Mayor R. E. Bobel will deliver the address of welcome to which response will be made by Arch M. Wachter, Idaho Falls, president of the Southern Idaho Laundry Owners' association, and by President Nelson, Salt Lake City, head of the Utah State Laundry Owners' association.

Committees will then be appointed. There will be an address on advertising by Mrs. Katherine Provoost, followed by round table discussion.

Saturday morning will be taken up with discussion of various phases of the business. Saturday afternoon there will be election of officers.

Members of a 30-man jury summoned yesterday to be in attendance on the district court here at 10 a. m. next Monday are to be held to Jacob D. Other cases on the criminal docket for the term are those of Victor C. Ford, accused of forgery; Harriet Williams, on appeal from conviction of disturbance of the peace, and two-year-old case against Otto Steinberg and J. H. Kimball wherein slapping of potatoes in unbranded bags is alleged.

During last of criminal cases, District Judge Adam B. Barclay, Jr., will occupy the bench here. It was announced yesterday, District Judge William A. Babcock having consented to serve at trial in a number of civil action in the district court at Jerome next week.

The list of jurors summoned for court session is as follows: Leonard P. Arant, F. H. Black, H. H. Christian, Ansel Puh, W. G. Hornbaker, C. Z. Hutchinson, C. C. McKim, R. Logan, B. M. Pellum, W. A. TWIN FALLS MAN STAKES OUT PLACER GOLD CLAIM

John Kelly, Buhl, Twin Falls, has staked out the Golden Snake placer mining claim in Snake river canyon one and one-half miles west of Aquila Falls, according to notice of location filed in the office of the county recorder here yesterday. An excavation, 100 feet long, 4 feet wide and 1 foot deep, has been made approximately 200 feet west of the east boundary line of the claim, which is 100 feet long and 1000 feet wide. Moments of rocks mark each of two corners, a sage brush marking another, and a pine tree the fourth corner of the claim.

COUNTY TREASURERS OF IDAHO CONCLUDE SESSION

BOISE, Sept. 16 (P)—R. B. Wentworth, Gen. county, was elected president of the Idaho State Association of County Treasurers at the closing session of their convention here today.

The closing session was featured by brief addresses by Governor C. Ben Ross, L. P. Parsons, secretary of the Idaho State Chamber of Commerce, and Mayor James P. Pope, Boise.

Other officers elected were Mrs. Dorothy Callister, Bingham county, vice-president, and Mrs. Lella Painter, Canyon county, secretary and treasurer.

Parsons said there was tendency for less and less property and fewer property owners to appear on the tax rolls, thereby increasing the tax burden borne by those who were taxed.

Mayor Pope said he approved annual conventions of county officers, explaining that the exchange of ideas brought about efficiency in management and consequent economy in government.

Most of the session was taken up with analysis of tax delinquency problems, the last discussion being led by Mrs. Laura Berg, Bannock county treasurer.

Automobile grade crossing fatalities in the United States were reported from 2445 in 1929 to 3020 in 1930.
