FIRE IN PHILADELPHIA HOTEL INJURES SCORE OF SLEEPING PERSONS

PHILADELPHIA, (Tuesday Morning), Sept. 22 (AP)—More than a score of persons, trapped as they slept, were killed today when two old-fashioned apartment buildings caught fire at 430-11 Walnut street.

Rescuers, summoned by the alarm of the collapsing structure, found firemen in dragging the injured from the upper parts of the wreckage. Three persons were unaccounted for and firemen believed them to be buried in the lower part of the ruins.

Virtually every person in the structure was hurt, although early reports indicated only four had been taken to nearby hospitals. The condition of one of the injured, George Jamison, 25, was said to be critical.

The cause of the collapse has not been determined.

CUSTOMS INSPECTORS RELIEVE LEGIONNAIRES OF LIQUOR SUPPLIES

DETROIT, Sept. 21.—United States customs inspectors said tonight they had confiscated more than 2000 bottles of beer, whiskey, champagne and other liquors from American Legion men returning from Windsor, Ontario, to Detroit during the evening.

The inspectors said they believed word had been passed among the war veterans here for the national convention that United States customs inspectors would not molest American Legion visitors bringing liquor from Canada into the United States.

WHITE LAWYER ARGUES BEFORE COMMISSION, WHISPERS BECOME AUDIBLE AND RAIL ISSUES RALLY ON MARKET

(By The Associated Press) WASHINGTON, Sept. 21.—Freight rates adequate for the railroads to maintain their lines properly and meet fixed charges were demanded of the Interstate Commerce commission today by railroad counsel.

Clyde Brown, New York City, attorney for the New York Central and head of the legal staff presenting the railroads' case, argued the nation's shippers owed the railroads rates high enough to earn a "fair return" on their investment. He contended the commission had no alternative but to grant the rates that would give the railroads a "fair return" on their investment. He said, however, the roads were not asking what they considered the full fair return at this time because of the serious economic situation of the country.

DEATH STRIKES AS QUAKE JARS JAPAN

150 Houses Collapse in One Prefecture and Landslides Interrupt Communication

TOKYO, Sept. 21 (AP)—Mid-Japan was shaken today by another severe earthquake which caused 14 deaths and injuries to 60 persons in Saitama and Gumma prefectures alone.

In Saitama prefecture 150 houses collapsed, including the famous Temple of Hiko in Kumagata. Landslides interrupted rail travel between Tokyo and Fuchu and telephone trunk lines were put out of commission, cutting off communication with Kobe, Dairen, Kumanoguchi and other cities.

Thirty-two other trunk lines gave way in the metropolitan area.

Seismologists said the quake was the most severe this year. The shocks were felt over a wide area through the Kanto and Kansai districts, although the damage was concentrated in Saitama and Gumma prefectures.

SERVICE STATION ROBBERS USE GUN

Five Points Establishment Attendant Delivers \$100 to Bandits Under Threat

Two "dark" men, one of whom carried a gun, robbed the Five Points service station at the intersection of 34th avenue and Addison street shortly before 9 p. m. last night, and got away with approximately \$100 in cash and checks, according to reports made to the officers by the station attendant.

Police officers and the sheriff's posse later had no trouble rounding up, and were questioning a number of suspects.

The hold-up men made their appearance at the service station. One was preparing to climb it for the night.

One of the bandits, Glase, said, "The money and checks were in a canvas bag that Glase was carrying. He told the men to get in to see if they were coming out."

CASTLEFORD RESIDENTS ASSEMBLE FOR SOCIALS

CASTLEFORD, Sept. 21 (Special to The News)—A number of social affairs were held in church and school circles this week.

The first meeting of the Poplar Grove Parent-Teacher association was held at the schoolhouse Friday afternoon with the president, Mrs. A. A. Vogel, presiding. Several questions of interest were discussed during the business session, but no definite action was taken. During the social hour, students of the eighth grade sang a number, with Miss Doris Ward at the piano. Pauline Bulkley gave a reading; and boys of the second, third and fourth grades sang a number. By-laws of the organization were read and the treasurer's report for the last year was given by Mrs. B. A. Ollitt.

The next meeting will be October 15. Miss Eva Brown led the devotional at the meeting of the Castleford Ladies' Aid society in the church Thursday afternoon. Eighteen members were present and plans for the coming year were discussed. A new plan dividing the business sessions and program meetings was decided upon. Mrs. S. A. Ollitt presided at the close of the afternoon.

Union of the Friendship class and the men's Bible class of the Methodist Episcopal church of Castleford was decided upon at a gathering of the Friendship class at the home of Miss Eva Brown Friday afternoon. The new organization will be known as the community Bible class. Don D. Gibbs will serve as the leader.

Twenty-seven freshmen of the Castleford high school scheduled the initiation ceremony at the bands of the sophomore Friday evening at a cleverly arranged "all-school party" at the high school. All members of the faculty were present and refreshments were served at the close of the initiation.

Rev. Mrs. Eva Brown, pastor of the Castleford Methodist church, will speak on "The Kingdom of God" next morning, taking her text from the Eleventh verse of Psalm 85. At the services for the senior Epworth League in the evening Miss Brown will lead the discussion on "Missions."

CASTLEFORD ENTERTAINS PARENTS AND TEACHERS

CASTLEFORD will be hostess to the fourth district of the Idaho Congress of Parents and Teachers, according to announcement made yesterday by Mrs. C. W. Zbrlaski, Twin Falls, president of the district. The meeting will be held on Saturday, October 3, beginning at 10 o'clock in the morning, a second session at 1:30 p. m. and a third at 8 o'clock in the evening. The Castleford Council will serve a luncheon; complimentary to all delegates at the conference. A banquet is being planned to precede the evening session.

Mrs. Charles E. Roe, national field secretary and the state president, will be in charge of the conference. Mrs. Thomas Ogden, Boise, will address the group and Mrs. Roe will conduct a question box session. As well as a School of Methods section.

At the evening session, Dr. J. O. Werner, head of Teacher Training at Albion State Normal, will talk about "Home and School Co-operation in Education," and Mrs. John E. Hayes, Twin Falls, associate field secretary of the National Association of Parents and Teachers will talk on "The Children's Charter."

The conference is planned for Saturday, in order that teacher members of the state president, Mrs. Charles E. Roe, national field secretary and the state president, will be in charge of the conference. Mrs. Thomas Ogden, Boise, will address the group and Mrs. Roe will conduct a question box session. As well as a School of Methods section.

BUHL COMPLETES DRIVE FOR ASSOCIATION FUND

BUHL, Sept. 21 (Special to The News)—Qualification for the response of local residents to the call for funds in the recent financial campaign conducted by the local council of the Young Women's Christian association was expressed at the close of the campaign by Mrs. James H. Shields, Jr., local council chairman. While the quota was not reached, Mrs. Shields expressed appreciation of the manner in which donors responded.

Due to present conditions, no further effort to fill the quota will be made, and the budget for the coming year will be fitted to the amount of cash subscribed. A meeting will be held by all chapters in the near future to prepare plans for the work of the year.

BUHL RESIDENTS JOIN FOR SOCIAL SESSIONS

BUHL, Sept. 21 (Special to The News)—Social affairs are gaining in the West End with the advance of the fall season. School social activities will increase in the next few weeks and all clubs of the district have started fall meetings.

New teachers of the Buhl schools were entertained at a "mixer" at the Lincoln building Friday evening with the former teachers in the system as hostesses. Members of the school board and their wives and wives of the faculty members were also guests. All teachers and the school board were introduced in dinner fashion to the 80 guests. A watermelon "feed" was enjoyed.

Mrs. Ben Bickford, entertained members of the Deep Creek club Thursday afternoon. Ten members and seven guests spent the afternoon quilling for the hostess. The next meeting will be October 15 with Mrs. L. H. Brown.

Mrs. W. F. Parham, with Mrs. J. J. Shaul assisting, entertained the Clear Lake Road Kensington Wednesday afternoon. Nineteen members answered roll call and Mrs. Leonard McGee and Mrs. Wirt W. Mack were guests. Mrs. Womack played a group of piano numbers during the social hour. The hostess served a dairy plate lunch at the close of the afternoon. Mrs. Nellie Chelme and Mrs. Paul Keeley will entertain October 15.

The Catholic Women's League will hold the first meeting of the fall at the home of Mrs. J. C. Hamilton, Thursday, September 24, with Miss Kate Fisher, Mrs. Marjorie, Mrs. Hamilton, Mrs. Harry Smith,

TWIN FALLS ATTORNEYS ACT IN SUIT IN JEROME

JEROME, Sept. 21 (Special to The News)—The first case to come up for hearing in the district court in Jerome today was that of O. C. Burdick versus California Insurance company, asking judgment against the defendant for damages caused by an automobile collision. Walvern, Perry and Thomas, Twin Falls, were attorneys for the plaintiff, and Robinson and Chapman, also of Twin Falls, acted for the defendant.

The jury which had been called to report was dismissed, with orders to report upon further notice, and the case was taken under advisement with report to be made later.

No further hearing is scheduled at this time.

BUHL APPLE MAN SHIPS UNIONTHANS TO DENVER

BUHL, Sept. 21 (Special to The News)—E. E. Beeman, Buhl apple grower, shipped his first carload of Jonathan Red apples to Denver yesterday. The shipment was billed to Denver.

Large city markets already are supplied and low prices prevail. Mr. Beeman declared. The smaller cities and towns are not ready to buy yet, he believes. They usually begin buying about November 1, when the consumers buy apples more freely, he stated.

Mr. Beeman further declared that the large crop of apples in the Middle West will be consumed by November 1.

It is Mr. Beeman's opinion that only the best apples should be harvested. He believes that arrangements should be made to store the apples at home rather than to pay costly storage in large cities.

FILER RESIDENTS VISIT

FILER, Sept. 21 (Special to The News)—The district of Filer guests and residents during the last week included the following:

Miss Sue Glase, who left yesterday for Greeley, Colorado, where she will attend school for the coming year.

Frank Owens, foreman of the R. L. Shearer sheep company above Fairfield, visited here over the week-end. Accompanied by Mr. Shearer, he returned Sunday.

ROASTING OF COFFEE MORE IMPORTANT THAN THE BLEND

Under-roasting and Over-roasting Produce an Unsatisfactory Flavor

It is a fact that two lots of coffee from the same blend can be given entirely different flavors by different degrees of roast. A delicious uniform flavor in coffee depends upon a uniform roast.

Hills Bros. invented and patented Controlled Roasting—a process that roasts perfectly all the time. Hills Bros. Coffee always has the full charm of the flavor that Nature puts in the coffee berries.

As the roasting of the bean-glass depends upon an even, continuous flow—a little at a time—so a uniform roast is secure in Hills Bros. Coffee by Controlled Roasting—the patented process that roasts evenly, continuously, a little at a time. There is automatic control of heat—thereby eliminating guesswork, which is the constant problem when coffee is roasted in bulk.

It is this uniform roasting the wonderful flavor of Hills Bros. Coffee. Air, which destroys the flavor of coffee, is excluded in the Hills Bros. Coffee. Ordinary "air-tight" cans won't keep coffee fresh. Order Hills Bros. Coffee in airtight cans. It is by name, and look for the Arab trade-mark on the can.

CIVIC BODIES TAKE PLANS FOR POOL TO COUNCIL'S MEETING

Spokesman Asks Permission to Start Work at Once on Site at Harmon Field; Receives Encouragement

An initial step toward early construction of a community swimming pool at Harmon field, corner of Eighth avenue east and Locust street, was recorded at a regular meeting of Twin Falls city council last evening.

Seeking for a number of Twin Falls civic organizations which, he said, were anxious to do something to help the city, the spokesman presented the objective for the coming year. John W. Graham, president of the Kiwanis club, presented the plan last evening and requested the council's cooperation. Specifically he asked for permission to construct the pool at Harmon field.

Council, after extended discussion that was on the whole favorable to the project, authorized Captain E. M. Swales, city attorney, to draft a resolution setting forth the city's position. The resolution was then drafted following conferences between Captain Swales and Mr. Graham, and was presented to the council. It was then adopted and reached a definite understanding.

"After we get this swimming pool started," Mr. Graham asserted, "there will be no question about its completion."

Cost Lower Now

His upward beginning work as soon as possible to take advantage of lower construction cost. A good deal of the work, he thought, would be done by volunteer workers.

He submitted a rough sketch of the proposed pool, which was obtained from the municipal records. He suggested construction of a pool 80 by 120 feet in dimensions. Whether, he suggested, might be taken from the eighth avenue lateral and diverted into the pool after being filtered.

Tending to show the importance of community swimming pools in other communities, Mr. Graham referred to the pool in the Bull park, and to the pool at Jerome. He told of winning more than 200 youngsters attending and playing in the Jerome pool one warm day last summer.

There are no apparent restrictions in the grant of Harmon field to the city of Twin Falls that would prevent construction of a community pool in that area, Captain Swales stated following a brief scanning of the deed and other records.

"Harmon field," T. J. Douglas, commissioner of public works, remarked, "is dedicated to children's play and recreation."

He indicated his opinion that the Harmon Foundation, which gave Harmon field to Twin Falls, would contribute toward building the proposed pool.

Relief Measure Figure

Discussion turned from the proposed swimming pool for preparation of relief for the winter season. Mayor R. E. Bobler referred briefly to the Idaho mayors' conference at Boise last week, which announced a consensus that each community should take care of its own needy. The mayor and Mr. Graham concurred in endorsement of the relief program that is being pushed out in Twin Falls county through cooperation of the county with municipalities and civic and church organizations. Both stressed importance of centralization of administration in relief work.

Donations of clothing already are being received at Parish hall where Rev. J. A. Eads has charge of quarters provided for supplying beds and meals to needy persons, the mayor stated.

Twin Falls' storm sewer problem that has been a source of vexation to city administrators ever since the first mistake was made in placing too great reliance that this is an arid country, bobbed up again last evening when residents of the Golden Rule addition put in an appearance. J. E. Smith and J. E. Smith had lately built a residence near the ditch, believing that it would soon be converted into an underground conduit. Little rainfall one night last week, he said, overflowed in the ditch and flooded his basement. J. E. Perennette objected to the ditch on grounds of sanitation.

Pledge Interest

Councilmen gave evidence of their continued interest in the problem; and T. Anderson, commissioner of streets, promised that if possible provision would be made in next year's budget for installing a temporary covered drain pipe.

The mayor, city attorney and members of the council will visit the premises today, it was stated.

Council took no action last evening in regard to a proposed amendment to the dairy ordinance that would make more stringent regulations requiring test of dairy cattle for Bangs disease. The amendment was placed on its third reading at last week's meeting.

DEATH CAR DRIVER FACES ACCUSATION

O. E. Monteith, Salesman, Charged With Manslaughter, Goes on Trial

Reckless driving while under the influence of intoxicating liquor charges to be faced by O. E. Monteith, 46, Montpelier-Idaho, salesman, at trial beginning in district court here today on a charge of manslaughter in connection with the death of James Corbett Tabor, 17-year-old Missouri boy, who, while walking at the side of the road, was struck and instantly killed by Monteith's car on the highway east of Twin Falls the evening of last May 6. The prosecuting attorney's information alleges that the boy was killed without malice.

Monteith's attorneys obtained a continuance of trial from the May term of district court, but failed in their efforts to secure a change of venue under which trial would have been held in another county. He is to be represented at trial by J. H. Peterson, Pocatello, former attorney general, and J. L. Hodgins, Twin Falls. Names of 25 witnesses for the prosecution have been endorsed on the prosecuting attorney's information.

With serving of an equivalent term in jail at the rate of \$2 a day as the alternative, and the admitted illicit fishermen were remanded to the sheriff's custody. They registered the names of Arthur Stark, W. K. Riffey and B. A. Gray.

Clay L. Kintner, deputy game warden, signed the complaint, alleging the offenders came under surveillance early yesterday.

TRUCK OWNERS DEMAND TRIAL IN HOME COURT

Boise motor truck operators from whom claims in three lawsuits were made aggregating \$22,000 in consequences of a fatal automobile collision on the highway east of town, are held in district court, here yesterday their demurrers and motions for transfer of each of the suits cause to the district court in Ada county.

The defendant-motor-truck operators, Jack Edward Chapman and Earl Phillips Chapman, brothers engaged in business under the name of the Service Transportation company, are held in these actions to be liable for payment of damages for the death of Wilson Tate, 17, Kimberly, and for serious injury received by Earl Olvera, 17, Twin Falls, and Cecil Hartman, 16, Hansen.

These three youths, with two others, were riding in a car that was demolished in collision with one of the Chapman's truck when they were attempting to overtake an other car on the highway.

Tate's parents, Dee Tate and his wife, Nancy Tate, are suing for \$20,000 damages. Earl Olvera, through his father, Henry Olvera, guardian ad litem, asks \$2500 damages for injuries including cuts about the face, scalp, left shoulder and left hand. Cecil Hartman, through his father, C. H. Hartman, guardian ad litem, asks \$2500 damages for injuries including a fractured shoulder, broken ribs, severe cuts about the face and head.

Martin and Martin, Boise, are attorneys for the defendant truck operators, the claims for damages being presented through Walters, Parry and Thomas, Twin Falls attorneys.
