MANY JOIN IN TRIBUTE TO MRS. MARY THOMAS

Paying impressive tribute to a beloved woman resident of nearly a quarter of a century in the Twin Falls country, many friends and former neighbors assembled at funeral services at the Baptist church here yesterday afternoon for Mrs. Mary Thomas, 75, widow of John W. Thomas, 75, and daughter of Charles Beckman, Twin Falls. Services at the church were conducted by Rev. C. H. Hawley of the Hamilton Presbyterian church, and included singing by Kenneth Henderson, Twin Falls, of one number, "No Shadow There," and of two numbers by a Hamilton quartet. Pallbearers were B. F. Riemann, W. Riemann, A. Van Buren, Dawson Raine and S. A. Clark. Interment was in Twin Falls cemetery.

Besides her husband, and father, Mrs. Thomas is survived by one daughter, Mrs. Lela Thomas Smith, Hamilton, who leaves also three sisters, Mrs. J. E. Kinder, Piner; Mrs. H. H. Ramsey, Elms, Washington; and Mrs. Perry Rathford, Buxton, Oregon. Her mother, Mrs. Charles Beckman, died in Twin Falls last February.

Mrs. Thomas was a member of the Baptist church in Twin Falls but was superintendent of the primary department of the Presbyterian Sunday school at Hamilton where there is no organized Baptist church. She was born in Lincoln, Nebraska, April 18, 1855, and moved with her parents to Weaubleau, Missouri, in 1901, and from there to Twin Falls in 1908. She was married to Mr. Thomas in June, 1914, in Twin Falls where they lived for a time before moving to Hamilton in 1917.

Mrs. Thomas died at this county general hospital here last Saturday following illness of five days duration.

Ownership or management of the place. The government produced a record of statements by Penovich during 12 months of his most daily appearance before grand juries which indicated Capone and "Prospector" Sam McGinnis, Chicago, were in an attempt to impach the witness testimony. Penovich left the stand shortly after he was subjected to cross-examination.

The gambling house in which Penovich served as manager has been referred to many times during the trial and other employees were called to the stand by the government. None of the witnesses has said directly, however, that "house profits" found their way to Capone.

ENVOYS REACH NANKING

NANKING, Oct. 14 (AP)—The world's interest in China's diplomatic struggle to regain Manchuria from the military grip of Japan was illustrated today by the arrival here of envoys from their home governments, of the American and British ministers.

They came from Peking, ancient

capital where most foreign diplomats still live. The American representative, Nelson T. Johnson, and his bride traveled by train and the British plenipotentiary, Sir Miles Wedderburn Lamson, came by airplane.

Their arrival was the most important local incident in a day of anxious waiting, engendered by the failure of the council of the League of Nations, in session at Geneva, to take definite action in the Manchurian crisis. Nationalist officials seemed to see a hopeful sign in the visit of the two diplomats.

Minister Frank W. Lee also paid a formal courtesy call upon President Chiang Kai-shek, beyond which he had been instructed by Washington to come here, he did not reveal his plans.

Owen D. Young Appeals to Nation's Grid Teams for Aid

Director Of Relief Calls On Athletes To Play For Needy

Big Ten Conference Commissioner Expects Five Contests Alone to Net More Than \$1,000,000

(By The Associated Press)
NEW YORK, Oct. 14.—An assured already of widespread support from such enterprises as another Army-Navy post-season battle, Owen D. Young today called upon every college and school football team in the United States to help raise funds for the unemployed.

The chairman of President Hoover's committee on the mobilization of relief resources appealed to colleges and schools to play at least one game for the jobless. Where this season, during the regular season, Mr. Young asked that special games be scheduled.

"Cooperation," he pointed out, can add millions of dollars to the emergency funds in every section of the country.

The Western conference, as well as Army and Navy, has decided to play post-season games. The service schools will meet at the Yankee stadium, December 20, and the officials have amended the rules to permit members to extend their season to November 28 and play post-season games with other conference teams. This would bar the proposal for return of the season.

Major John L. Griffith, Big Ten athletic commissioner, estimated that five games in the conference would draw more than 200,000 persons and net the unemployed close to \$1,000,000.

Before leaving a nation-wide call, Mr. Young outlined the views of college presidents. Not all approved of benefit games, but all agreed to the suggestion that the president's representative is satisfied the plan is practical.

Where possible, Mr. Young asked that the proceeds be used to defray the actual expenses of at least one game be turned over to the local relief committee.

With the idea of obtaining the cooperation of the student body as well as the players, Mr. Young suggested that the student club in each institution organize the students to promote attendance and interest.

PLAN CHARTER GAMES

20 Grid Squads Of South Idaho Await Week-End Battles

Two of 10 Contests Involve Big Ten Conference Aggregations and Bruins Go to Meet Braves in Boise

FRIDAY'S GAMES
Normal reserves at Kimberly (Boise at Jerome (Nighthawk) Goading at Rupert (Haley at Rhodessa) (Haley at Fairfield) (Wendell at Elmore (Ferry at Pocatello) (Twin Falls at Boise)

Ten games involving teams of South Central Idaho district are in store for the football fans this coming week-end. Two of these, out of the district, are Big Ten conference contests.

Albion Normal reserves will travel to Kimberly for a practice game to fill an open date on the Kimberly schedule. This game is expected to be an interesting fray, as the Albion Normal team is reputed to be exceptionally fast. Bull goes to Jerome in a non-conference game to be played at 8 P. M. under the newly installed flood lights at the Jerome stadium. Jerome's exceptional showing with Pocatello, a Big Ten team, indicates an exciting game for Friday.

Coading, a non-conference Class A school, goes to Rupert for another week-end contest. Coading has not been seen in action with Class A schools this season and may furnish the fans with plenty of football in Friday's contest. Haley and Rhodessa, the only two undefeated teams in North Side Class B division, will play the outstanding contest in Class B competition on the weekend. Rhodessa has three straight victories, the last of which was over the Wendell eleven. Haley, with two victories, has a good hold on the first position. This game, too, may play a deciding role in the most crucial tilt in the North Side little meet.

Old Bruins Meet
Hansen and Haxell, two old gridiron rivals of long standing, will meet this time at Haxell's home. These two teams are sure to make a real contest from start to finish any time they come together.

Last year, after four periods of the hardest played football seen in many a season, the Oakley eleven left the Pocatello gridiron on the short end of a 14-0 defeat. This year, the Bruins again on the same field in an effort to even the contest. Fans of the district anxious to see in action two teams that never know what it is to be defeated, will find such fighting in the Pocatello-Oakley tilt.

Richfield and Fairfield play Friday on the latter's field, in what should prove a close game. These two teams, in comparative matches, Wendell travels to Elmore, Perry in the first Class B game for the season. Both teams are strong and will make a real contest.

Saturday, Burley goes to Pocatello for a Big Ten conference contest. Pocatello emerged on the long end of the score in her game with Burley, however, may upset the Pocatello team as they are a fast, hard-hitting squad that had developed into a going machine since the opening.

Sisler Resigns From Berth On Rochester Nine

ST. LOUIS, Oct. 14 (AP)—George Sisler, one of baseball's great stars during his years as first baseman for the St. Louis Browns, came back to St. Louis today as a free man.

Sisler, who said he would remain here until he decided that he wanted to play there again next year, was released.

The stellar first baseman who spent 13 years with the Browns as player and manager and who now is in his thirty-ninth year, won the highest honors in baseball without ever having participated in a world's series. In the fall of 1922 he was chosen "the most valuable player" of the American league and was the first to be awarded the honor.

This year he set the league record for a season's batting average with .400, and had a remarkable season in addition. Twice he batted over .400, his career best having been reached in 1920. For the 13 years he was with the Browns he had a batting average of close to .350.

Race Season Ends For Twenty Grand

BALTIMORE, Oct. 14 (AP)—Retirement for the season of Twenty Grand, winner of \$25,000, was announced today by James H. Moran, owner of Mrs. Payne Whitney's Green tree stable.

The big bay has been out of training since receiving a slight injury in the jockey club gold cup at Belmont park, September 8. Although eligible for several rich fall races in Maryland, Moran considered it unwise to put his three-year-old ace back in serious training for the event.

disaster, being defeated by Piller last week, will be out for revenge and when the Braves go out for revenge something usually happens. But as the Bruins also are out to revenge their defeat of last year, a real high school football game is in the offing.

Wrestlers' Bout Saves Mixed Card

Dear Detton and Jack Sampson Stage Great Combat; Quintero Lacks Opportunity

A 45-minute wrestling bout between Dean Detton, Salt Lake City, 185 pounds, and Jack Sampson, Seattle, 208 pounds, was the one bright spot on a mixed wrestling and boxing card that nearly 400 customers paid admission to see at the Legion Memorial building here last evening.

Sampson took the first fall after 31 1/2 minutes of wrestling that kept excited, shouting spectators on their feet. Detton won the second fall with a plunging attack that bore the heavier man to the mat after 9 minutes.

Detton won the third fall, too, after two minutes of boxing, which both boys contended themselves with cutting and slapping at each other, displaying a disconcerting lack of right thumb, and "Buck" Travis, referee, awarded the bout to Quintero on a technical knockout.

Joe Strange, Twin Falls, as a wrestler didn't seem to register with the fans anywhere near as well as he had as a fighter in many pugilistic encounters in the southern Idaho arena. His opponent last night was Jim Pappas, Salt Lake City, a veteran. Neither seemed to be able to stamp the other with a firm right and the fans inquired vociferously about when the meeting was to begin.

Apparently not dismayed by disappointment in last evening's card, Lou Hoffman, Salt Lake City promoter, announced it was probable Quintero and Joe Cortes would be matched for a bout here within the next two or three weeks. Cortes, it was announced, is the only fighter to win on a knockout over Quintero, whose record of 234 fights counting just four losses. Cortes, in Florida now, is to meet one of the best battlers there this evening. Hoffman said after last evening's performance that he would not attempt to stage any more mixed wrestling and boxing cards.

Dempsey Breaks Lamoreaux' Jaw

RENO, Oct. 14 (AP)—Jack Dempsey, training here for an asserted attempt to regain the heavyweight title, hit "Hauling" Lamoreaux, Salt Lake City, light heavyweight, so hard in a sparring session today that Lamoreaux's jaw was broken in two places.

The jaw was broken in a wild flurry against the ropes during which Dempsey landed a series of rights and lefts that broke Lamoreaux's chin and right thumb, and "Buck" Travis, referee, awarded the bout to Quintero on a technical knockout.
