

MACDONALD PICKS 20 MEMBERS FOR POSTS IN CABINET

Close Political Observers Term Government Set Up to Deal For Crisis As "Truly National Team"

By P. H. MERRING (Associated Press Staff Writer)
LONDON, Nov. 5.—Prime Minister Ramsay MacDonald today announced a cabinet of 20 members that was hailed in government circles as a "truly national team."

Eleven members of the new ministry are Conservatives, four are Liberals, two are Labour party, and five belong to the two wings of the Labour party that are supporting the MacDonald government.

One of the most important posts—chancellor of the exchequer—went to Neville Chamberlain, Conservative and advocate of protective tariffs. This was a recognition of the preponderance of Conservative influence in the government.

Those looking at the government from the party view said, however, that Mr. Chamberlain would be balanced by the Liberal, Walter Runciman, at the head of the allied department of the board of trade.

Mr. Runciman's mind is open on the tariff issue.

The new cabinet: Prime minister, Ramsay MacDonald (National Labour); Lord president of the council, Stanley Baldwin (Conservative);

Chancellor of the exchequer, Neville Chamberlain (Conservative); Foreign secretary, Sir John Simon (Liberal);

Lord privy seal, Philip Snowden (National Labour);

Secretary of state for India, Sir Samuel Hoare (Conservative);

Home secretary, Sir Herbert Samuel (Liberal);

Secretary for dominions, J. P. Thomas (National Labour);

Secretary for colonies, Sir Philip Cunliffe-Lister (Conservative);

Secretary for air, Marquis of Londonderry (Conservative);

Secretary for Scotland, Sir Archibald Sinclair (Liberal);

Minister of the board of trade, Walter Runciman (Liberal);

Minister of health, Sir H. H. Kinnaird (Conservative);

First lord of the admiralty, Sir Bolton Forster (Conservative);

Minister of education, Sir Donald MacLennan (Liberal);

Minister of agriculture, Sir John Glynne (Conservative);

Minister of labor, Sir Henry Belmore (Conservative);

The Weather

FORECAST FOR TODAY AND TOMORROW—Fair and mild.

Minimum and maximum temperatures in the Twin Falls vicinity in the 24-hour period preceding 3 P. M. yesterday were 29 and 73.8, according to the report of D. B. Chynoweth, government observer here. The day was partly cloudy and the breeze regularly 2 to 10 miles an hour. Humidity ranged between 63 and 79 per cent of saturation.

DEAN OF CALIFORNIA'S MINING ENGINEERS DIES

LOS ANGELES, Nov. 5 (AP)—John B. Bradwell, 84, known as the dean of California mining engineers, died at a hospital here today.

Bradwell was active both in the mining and oil industries. During the early days he was associated with "Lucky" Baldwin, sibling in the development of several of the most productive mining properties in the state. He was in charge of the Comstock mine at Virginia City, Nevada, in 1874.

Bradwell's birthplace was Gardand, Maine. He served as a drummer boy in the Civil war. Two daughters survive him.

NAVAL OFFICER LOST LIFE ON PACIFIC OCEAN

SAN DIEGO, Nov. 5 (AP)—Lieutenant Commander Oscar William Erickson, 35, commander of a minesweeper, died today after his plane plunged over the side of the navy's giant airplane carrier during a landing off the coast of California.

The officer's companion, George H. Cummings, aviation pilot, was uninjured.

Erickson and Cummings freed themselves and started swimming, but before they could be thrown to shore, Erickson sank. Two sailors dived overboard to assist the officer, and he was taken to the hospital a few minutes later unconscious.

All efforts to revive him failed. The only apparent injury Erickson suffered was a slight laceration on the forehead.

NAVY LEAGUE FINDS GARDINER FAITHFUL

Propagandists' Ballot 'White' Presidents' Committee Begins Extensive Probe

WASHINGTON, Nov. 5 (AP)—In the face of President Hoover's word that falsehood had been uttered, the executive committee of the Navy League today supported William Howard Gardiner in his declaration that the chief executive was injuring the navy and the country's defense.

With but one dissenting vote, the group containing some "outstanding" figures in American life, issued a declaration of faith in the president of the League, which termed Mr. Hoover's statement "a gross misstatement of the position he had taken."

Henry Byrd, executive secretary of the League, said that he could not condone the "unusually and unjustified" language used by Gardiner in the pamphlet, which termed Mr. Hoover "a man who is not only ignorant on naval affairs, but also a liar."

The League committee had barely taken action before President Hoover's spokesman, Mr. Nathan, issued a statement that the League's action was "a gross misstatement of the position he had taken."

He maintained his group had been given a free hand by the White House. It is composed of Under-Secretary of the Navy, and the department, Assistant Secretary of the Navy, and the department, Admiral Hugh Rodman, retired, and Eliot Wadsworth, Boston, who is serving on the president's unemployment commission, and Hammond.

The Navy League statement added to that of Gardiner by affirming that light was needed on the "present conduct of American naval policy."

The committee asserted its welcome of any impartial and comprehensive investigation which would shed this light and offered the League records for that purpose without reservation. The committee concluded by asserting that "propagandists" had been used for purposes and policies for which the Navy League was founded.

Gardiner added his say in a separate declaration, asserting he had issued his statement in the heat of faith, hoping it would bring home to his countrymen and those composing the government "what I sincerely believe to be the very serious condition that confronts our country."

The group which supported Gardiner included former Senator James W. Wadsworth, Jr., New York, a Republican; Dr. Douglas Robinson, assistant secretary of the navy under the Coolidge administration; Nelson Macy, New York; N. M. Hubbard, Jr., railroad attorney of Chicago; and Henry Cabot Lodge, grandson of the Massachusetts senator.

SPOT SILVER PRICE TOUCHES 1931 PEAK

Pronounced Gleam Appears In Silver Lining of Cloud Long Oppressive to World

NEW YORK, Nov. 5 (AP)—The silver lining on the cloud that has darkened and depressed the purchasing power of more than half the world's population today took a more pronounced gleam. In other words, spot silver sold for 27 1/2 cents an ounce, up 1 1/2 cents and the highest price of 1931.

Why there should be a small boom in the metal was somewhat of a mystery to the general public and Wall Street experts and brokers served out diversified opinions as to the upturn.

In some quarters the price advance was attributed to pure speculation induced by the increases in commodity quotations. Pessimistic observers, however, attributed the movement to a cut in world production of some 20 per cent, the suspension

CASSIA COUNTY PLANS TO FORM TURKEY POOL

A BURLY, Nov. 5 (Special to The News)—November 12 has been set as the date for the Thanksgiving pool for Cassia county growers marketing their turkeys through the Cassia County Turkey Association. As there will be a comparatively small number of birds to be marketed in the first pool, only one place for receiving the birds has been set, which is Butler, Idaho. J. R. Taylor, president of the association.

The pool has been sold to the Meridian Produce company of Meridian, Idaho. According to agreement the company is to pay the prevailing price at the time of delivery. The company is to retain 2 1/2 cents a pound for packing and marketing and return to the producer any amount received above this 2 1/2 cents, in addition to the market price paid at the time of delivery.

The government grading system is to be used at the receiving station, and a government inspector is to do the grading. President Taylor advises the marketing of only first class birds at this time.

OKLEY PIONEER'S BODY GOES TO FINAL REPOSE

OKLEY, Nov. 5 (Special to The News)—Funeral services for Moroni Habbitt, Okley pioneer, who died Sunday night in the Twin Falls hospital after undergoing an operation Saturday, were held Tuesday afternoon at 2 o'clock in the Okley Stake tabernacle.

Bishop J. A. Mercer, Okley First ward, was in charge of the services. Girls from the First ward acted as flower girls. Mr. Habbitt was janitor of Okley public school, and the school was dismantled and all of the teachers and many of the students attended the services; many of the students from the high school were in attendance in honor of Mr. Habbitt's daughter, Cora, who is a high school student.

The exercises were carried out as follows: Song, "Oh, My Father," sung by Mrs. Bertha Severe. Mrs. Thelma Franks, Forrest Severe and Junior Nelson; invocation, J. R. Price; solo, "I Know That My Redeemer Lives," sung by Forrest Severe, the quartet singing the chorus. The speakers were W. E. Hadden, John A. Miller, W. C. Hadden and Bishop Mercer. During the services a vocal solo was sung by Royal E. Hubbard, with piano accompaniment by his mother. The closing song was "My Father Knows" by the quartet. Mrs. Charles S. Clark played the organ accompaniment for the quartet. Benediction was given by Rev. C. C. Clark. The grave was dedicated by Bishop John Adams.

DECLIO WAREHOUSE MAN REBUILDS STONE WALL

DECLIO, Nov. 4 (Special to The News)—A section of the stone masonry wall on a side of the R. L.

Pence warehouse, at Declio, is being prepared for rebuilding by Tom Lyons, Butley contractor. The original foundation seems to have been too narrow to support the walls, and part of the south side slipped out of place early Monday morning, causing the wall to cave outward and shunting many sacks of stored potatoes out into the open.

The potatoes were recovered without appreciable loss, as the morning was not sufficiently cold to frost them. A temporary board partition has been erected, and the new wall, to be of stone and brick masonry, will be rebuilt at once.

BLACKFOOT CHIEF GETS STOLEN CAR IN OKLEY

OKLEY, Nov. 5 (Special to The News)—T. D. Daley, chief of police in Blackfoot, spent Tuesday night

at the home of his daughter, Mrs. Omer Baker, in Okley.

Mr. Daley had come to Butley after a police car which was stolen from the streets of Blackfoot last Saturday night and found abandoned between Strevell and Snowville on Monday.

The car was taken to Butley where the battery was recharged, and Mr. Daley returned to Blackfoot last Wednesday.

275 GIRLS OPEN FALL CONFERENCE

Delegates From Eight Organizations Plan Annual Program and Session in Buhl

BUEHL, Nov. 5 (Special to The News).—The "Golden Jubilee" is the theme of the Girl Reserve conference which opens here today in two-day session and which, it is anticipated, will be attended by 275 girls, comprising delegations from Pocatello, Boise, Hamilton, Eden, Kimberly, Twin Falls and Piler. Registrations will begin at 10:30 o'clock this morning at the high school. Miss Kathleen Hyde, club adviser, is registrar with Grace Ward and Jane Shields, assistants. Delegates provide for their own lunches, as the Buhl Girl Reserve club is unable to carry out its plan to serve lunch.

The program opens at 1 P. M. sharp in the high school auditorium. Grace Ward, vice president of the Buhl club, will preside during the first session. Miss Clara Langland, Twin Falls, general secretary of the Magic Valley district Girl Reserves, will have charge of the group singing. Flag salutes will be led by a group of Hasleton girls, Irene Waring, Pocatello, will lead the devotionals.

There will be discussion groups under the leadership of Mrs. Frankie Barnhart, dean of girls, Twin Falls; Miss Lillian Kessler, Boise, Girl Reserve secretary; Miss Eula Randall, Eden; Miss Agnes Schubert, Twin Falls; Miss Annette Schobert, Piler; Miss Bernice Beckwith, Twin Falls; Mrs. W. W. Stoksbury, Hamilton; Miss Pearl Condray, Kimberly; Miss Kathryn Pover, Twin Falls, and Miss Harriet Throckmorton, Twin Falls.

The main speaker of the afternoon is Mrs. John E. Hayes, Twin Falls, head of the department of publicity of the National Congress of Parents and Teachers, who will address the convention on "Relationships." Fern Wurth, Twin Falls, will lead the group in a playtime period, and Madge Gault, Buhl, vice president of the Magic Valley Girl Reserves, who will speak on "World Peace and Our Part in It." The afternoon will close with a play called "Mother Earth and Her Children."

The banquet, which will be open to former members of clubs, will be held at 6:30 P. M. at the Methodist Episcopal church. There will be services at the Methodist Episcopal church at 11 A. M. Sunday with Miss Lulu Shildie, Pocatello, Young Women's Christian association secretary, as speaker.

DEHYDRATING PLANT CLOSES FOR SEASON

The Puccinelli dehydrating plant here will not run this year; it was stated definitely at the headquarters of A. J. Puccinelli, here yesterday. There are not enough apples of the sort wanted for standard products as was stated and there is no demand this year for chop. The best apples, as usual, were picked for market, while peddlers for Salt Lake City and other Utah points carried away large quantities, such as may ordinarily be used for the best products in the dehydrator. It was stated. There are large quantities of sound apples, too small for the machinery, and a quantity of wormy ones still in the orchards.

The plant will be cleaned and overhauled before Mr. Puccinelli returns to Los Olivos, California, it is stated.

SOLICITOR LANDS IN LAW'S CLUTCHES

Young Man Brought Back From Burley—Faces Prosecution For Fraud

"Although T. C. Tomlinson, known also as T. C. Williams, a 24-year-old young man who said he has no home, was brought back from Burley yesterday to answer to a charge of beating his room rent here, he probably will be prosecuted on charges growing out of his activities as a door-to-door salesman of a gift package of toilet articles, it was stated at police headquarters here last evening.

Tomlinson, police stated, solicited orders for the gift package and accepted a 50-cent payment from each customer, promising delivery either from a local drug store or a department store the next day. Another 50-cent payment to be made on delivery of the package which was reported as being worth \$1.

Officers said Tomlinson was taking orders for gift packages when he was arrested at Burley yesterday, and that the duplicate of an order given by a Burley customer was found in his possession, but that he had no duplicates of orders given by Twin Falls customers and none of his customers here had received their gift packages.

GRAFTERS EVADE GASOLINE TAXES

Estimates Place Loss to State Treasuries For Year at \$50,000,000

By J. R. BRACKETT (Associated Press Business Writer) NEW YORK, Nov. 5.—Racketeers have invaded the gasoline business and by evasions of the gasoline tax laws are turning the fluid into "galena of graft."

State treasuries last year gave an estimated \$50,000,000 to the evaders; consumers gave more through purchase of adulterated product; legitimate gasoline dealers still more because of the cut price competition of racketeer sellers. This problem will form one of the principal subjects at the meeting of the American Petroleum Institute in Chicago in November.

Their Methods Vary The racketeers operate in several ways. They may sell gasoline mixed with cheaper gasoline.

They may buy gasoline for sale in one state from a refinery in another state and fall to account for the purchase.

They may form a "dummy" corporation, establish a chain of warehouses, supply them with smuggled gasoline and close up before the date when taxes must be reported to the state.

Or they may risk operating without paying taxes. Oil men didn't realize the extent of tax evasion until various states raised the gas tax, sold just as much gas, but failed to receive as much revenue.

In July, 1931, Oklahoma received \$229,108 from a 5-cent tax; in July, 1930, from a 4-cent tax, \$1,097,668 had come in. Much of the decrease was accounted for in exemptions, but even more went to the racketeers.

One Oklahoma oil company con-

ferred, Bolso, superintendent of the Children's Home Finding and Aid society of Idaho, for assistance in maintaining the society. She said that during the year more than 400 children had passed through the home and 150 others had received support from the society.

templated refusing to pay the state tax on the ground that illegal sellers, by avoiding the tax, were underselling them below the profit margin.

Larger Balance From Lower Rate.—Pennsylvania, found that revenue was higher from a 2-cent rate than from one of 4 cents. The state discovered that about \$15,000,000 had been lost to evaders in a few years.

Gas tax payment delinquencies in California during the first quarter of 1931 totaled \$1,375,075, making the total of existing delinquencies some \$2,250,000. At least half can never be collected, the delinquents being "bankrupt" or out of business.

In Louisiana the state has been asked to establish highway patrols to halt racketeer tank trucks.

Some racketeers, attempting to check this new graft, have adopted laws licensing all tank trucks, and providing for tracing their movements. Pennsylvania requires distributors rather than service stations to pay the tax. Many states are requiring realtors to file bonds. Indiana has established border patrols to combat smuggling over the Indiana-Illinois line.

FORMER KIMBERLY MAN RETURNS TO LAST REST

Funeral services are to be held at the Methodist church at Kimberly at 2 P. M. today for Robert E. Thomas, 45, former Kimberly resident, who died at Seattle last Sunday following an operation. Services will be conducted by Rev. George Roseberry of the Methodist church, and interment will be in Twin Falls cemetery.

Beatrice his widow, Mrs. Mac Thomas, Mrs. Thomas and sister, Miss Ella Jean Thomas, both of Kimberly. He lived in Kimberly for four years from 1927 until 1931 when he went to Seattle.

The body, accompanied by the widow, was brought here yesterday, and was received at the White mortuary here.

JAPANESE TROOPS AND PLANES KILL 120 CHINESE MEN

(Continued From Page One)

peace was postponed indefinitely today by a battle between Japanese and Chinese troops for possession of a dynamite-wrecked bridge.

The Japanese rushed reinforcements to the scene, where the Tzu-an-Ananichi railway crosses the Noani river, and further fighting was in prospect.

The war office here announced 15 Japanese and an undetermined number of Chinese soldiers had been killed and many wounded, and said "positive and effective measures" had been decided upon by the Japanese to meet the "threatening" situation facing them on the Noani river.

W. Cameron Forbes, American ambassador who has been on leave in the United States, arrived at Yokohama and immediately arranged to confer with Baron Kijuro Shidehara, the foreign minister, concerning Manchuria, where Japanese troops have been in control of the southern part of the country since September 18.

On the night of the fighting, in the fog last night and today over the Noani river bridge destroyed what few troops remained for success of the League of Nations plan for a return to normal conditions in Manchuria by November 16.

The immediate cause of the battle, after which the two armies dug in on either side of the river, was the Chinese claim that the Chinese troops were those of General Mah Chan-shan, supporter of the absent Nationalist governor, Wan Fulin.

Chinese reports said the Japanese consul at Taitaihar and the Chinese authorities there conferred and agreed to do everything to avoid a clash, but that the Japanese commander made a verbal demand for evacuation of the Chinese position by noon Wednesday. The ultimatum was disregarded, the reports said, and the fighting followed, the Japanese using planes when their first infantry party to cross the river was repulsed.

The Japanese version said General Mah's men had attacked a Japanese reconnaissance party after which his staff in conference at Taitaihar with the Japanese consul and several Japanese army officers had agreed to permit the South Manchurian railway engineers to repair the bridge.

EXPRESSIVE ATTITUDE

WASHINGTON, Nov. 5 (AP)—America's attitude toward recent developments in Manchuria where the Japanese zone of occupation has been extended with attendant fighting is being expressed by the Tokyo governments through Ambassador W. Cameron Forbes.

Detailed instructions were sent to the ambassador. Their nature was

carefully guarded. Forbes will confer directly with Foreign Minister Shidehara.

Conjecture was rife as to the exact meaning of this new and apparently important move by the United States. Observers recalled Atlatide Brand, French foreign minister and chairman of the League of Nations council, in a note yesterday called upon Japan to get its troops out of Manchuria, contending that the five demands made on China as essential conditions for evacuation had all been met.

Whether the United States would endorse this action was not made known, but the American government has given no indication of withdrawing from its pledge of sympathetic cooperation with the peace-making efforts of the League.

The five points which Bryan held have been made known "except for the treaty rights of Japan in Manchuria."

The others provide for mutual repudiation of aggressive conduct; respect for China's territorial integrity; suppression of organized movements interfering with freedom of trade and affecting international harmony; and effective protection of the Japanese population.

These "five fundamental principles"

pledged to the League of Nations on October 24 represented a distinct increase in Japan's demands since its previous expression of September 30.

More had been sent out of the Orient was a report that the Rev. J. W. Winston, American missionary from Lexington, Virginia, had been killed by bandits who captured him in East Central China on Sunday.

In view of the possibility that the report is erroneous, the state department said, "Consul General Peck has sent an urgent telegram" to Hanchow where Winston was stationed, making all possible details. The report, related to the department by Peck had come from Dr. Lorenzo Morgan of the Hanchow mission, and there was no apparent reason to doubt its authenticity.

URGES LEAGUE ACTION

OSNEY, Switzerland, Nov. 5 (AP)—Calling on the League of Nations to stop the "indiscriminate activity" of Japan in Manchuria, China charged tonight that Japanese troops and airplanes in the vicinity of Noani river have killed 100 Chinese soldiers in the last two days.

In two notes submitted to the League secretariat, China described warlike activities in the disputed area and accused Japan of "hemming in" and harassing Chinese troops so as to force an evacuation.

Dr. Alfred Soe, Chinese spokesman, asked that the president of the League council attempt to induce the Japanese government to call a halt to Japanese troops now actively provoking armed clashes about the Noani river bridge within 10 kilometers to Taitaihar and less than 50 kilometers from the Chinese Eastern railway, one of Dr. Soe's notes said.

"According to an urgent message just received from my government, Japanese troops on the morning of November 4 started to General Mah Chan-shan of the Heilung-Kiang provincial government that they proposed immediately to occupy Taitaihar station north of the Noani river and on the boundary of Heilung-Kiang province."

"At 2 o'clock the same afternoon Japanese troops in Chinese dress and accompanied by mounted bandits fired on the Chinese camp; two Japanese airplanes circled over the camp and three bombs killing and wounding more than 20 Chinese officers and soldiers."

"In the last few days Japanese troops have arrived at the bridgehead with the obvious purpose of affording support to the advance of Chinese troops and his irregulars in Heilung-Kiang, with the object of affording support to the advance of Japanese forces with their airplanes and bandit allies are hemming

in and harassing Chinese troops so as to force an evacuation."

WILL CALL MEETING

PARIS, Nov. 5 (AP)—Aristide Briand, French foreign minister and chairman of the League of Nations council, will call a special meeting of the council in Paris November 17 to discuss the troubles of China and Japan in Manchuria, it was announced today.

Premier Laval, France, also is expected to help his foreign minister and the representatives of other world powers to solve the difficult situation in the Far East, which they regard as threatening the peace of nations.

The premier alluded to the Heilung-Kiang dispute in a speech today at the American club, when he said it was the imperative duty of all to attempt to settle conflicts, which the world situation made more acute.

on an even keel as far as the relation between production and consumption is concerned," he said.

Berlin reported the soaring prices of grain in the United States were repeated in some quarters "the dawn of returning prosperity. The Berlin produce exchange was firm but moved within a narrow range."

In San Francisco experts figured that the farmers of the Western states had produced between \$15,000,000 and \$20,000,000 on their wheat holdings alone.

Nebraska's farmers could sell for \$30,000,000 more than a month ago, but Omaha reported they were holding out for still higher prices. Only 76 cars were received today as cash wheat went up from 3 to 4 cents and corn soared as much as 4 cents.

Cash markets were higher everywhere. Wheat gained from 2 to 3 cents in Chicago, about 2 cents in Minneapolis and as much as 4 1/2 cents in St. Louis.

In Minneapolis the price of flour advanced 15 cents to \$1.10 to \$1.20 a barrel.

PRESAGES PROSPERITY

LONDON, Nov. 5 (AP)—The upward swing of wheat prices in the United States was repeated in several European capitals today as presaging the return of prosperity.

The grain market in Liverpool

was strong under the influence of advances in Chicago and closed about three pence up after fluctuations. Russia's shipments were smaller this week, totaling 320,000 quarters as compared with 347,000 quarters last week.

Dispatches from Berlin said that the cessation of sales pressure from Russia was largely responsible for the rebound which in the opinion of German observers increases the buying power of the American farmer and stimulates American trade.

ADVANCE 3 CENTS

SEATTLE, Nov. 5 (AP)—Prices advanced 3 cents on December and May wheat on the Seattle grain exchange today. Barst was quoted at 80 1/2, Western white at 77 and Western red at 78.

The stiff bid here was attributed to the Seattle market's failure yesterday to follow the Chicago increase.

Montana dark with 16 per cent protein which sold at a high of 90 yesterday, was quoted at 98 today.

PRICES SOAR 5 CENTS

BOISE, Nov. 5 (AP)—Wheat prices in southeastern Idaho went up 5 cents a bushel today on strength gained from national quotations and the continued "out of position" condition in the Pacific Northwest.

Top price for Number 1 soft white was quoted at local mills at 90 cents.

It was estimated about 40 per cent of the wheat remained on the farms to benefit from the price increase which began October 25 when movement to the Orient but the Pacific Northwest prices considerably higher than the rest of the country or world markets.

Approximately 9,000,000 bushels of wheat is estimated to remain on Idaho farms to benefit from the increase.

LEADERS INSTITUTE LOCAL AUXILIARY

Officers in United Spanish War Veterans Cooperate In Installation Work

Leaders of the United Spanish War Veterans and Auxiliary in Idaho were in Twin Falls last night to take part in the ceremonies of installing General Lawton Camp Auxiliary Number 7 and installation of its newly-elected officers. Sixty persons were in attendance including A. C. Lester, Nampa, Idaho department commander of the United Spanish War Veterans, and Mrs. A. C. Lester, Nampa, Idaho department president of the Spanish War Veterans auxiliary, and a number of other department officers of both organizations.

Twelve women who are wives of Spanish war veterans throughout South Central Idaho were enrolled as members of the new organization and the officers, who were installed by Mrs. J. M. Jensen, Boise, past department president, were:

Alice C. McIntyre, Boise, president; Mary Mary Gardner, Piler, senior vice president; Nora Palsom, Twin Falls, junior vice president; Clara Bull, Hansen, chaplain; Arabel Kelly, Twin Falls, patriotic instructor; Monie Clutter, Shoshone, historian; Mary Ella Martin, Burley, conductor; Josephine Peeler, Buhl, assistant conductor; Mary Boland, Buhl, guard; Clyde Pearson, Twin Falls, assistant guard; Laula Litter, Twin Falls, secretary and treasurer.

Members of both organizations enjoyed a social hour following the installation ceremony.

A meeting of the Spanish war veterans of General Lawton camp, preceding the installation of the Auxiliary, was addressed by a number of visiting Idaho department officers including A. C. Lester, Nampa, commander; R. H. Parks, Boise, editor and past commander; J. F. Moreland, Prulland, past commander; P. Jones, Pocatello, senior vice commander.

The department president of the Auxiliary was installed in the ceremonial work by Miss Mildred Reay, department secretary. Mrs. Bowman, department inspector, and Mrs. Kaiberg, all of Nampa.

SENATOR DISCERNES IMPROVED MORALE

John Thomas, On Brief Visit Here, Comments on Evidences of Better Times

United States Senator John Thomas, Gooding, in Twin Falls for a short time yesterday, said in conversation with friends here that he had observed recently a distinctly better feeling and growing confidence in the immediate future among people with whom he had come in contact in a number of southern Idaho communities. This, the senator said, was to his mind a reflection of substantial improvement in general conditions.

The senator was inclined to be quite conservative in his estimate of the present situation, but he repeated a statement that he had made here last spring that the beginning of the upward swing cannot be long deferred.

EVASION OF TAX HURTS CONSCIENCE OF BRITON

LONDON, Nov. 5 (AP)—Britain's "conscience money" record has been broken by a man who sent 7100 pounds or about \$28,000 to the chancellor of the exchequer.

It was for evaded income and super-tax.

Before that the largest amount had been \$25,000, sent in World War days.

However, they all remain unknown. No conscience-stricken taxpayer has ever sent in his name with the money.

RIVALRY KEEN

MOSCOW, Nov. 5.—Football rivalry which started in 1893 with the University of Idaho Vandals invading Pullman to meet the Washington State Cougars, is the thirty-fourth of the traditional contests between the two teams. The Cougars, led by Coach E. H. Hedges, are expected to win the game. The Vandals, led by Coach J. H. Hedges, are expected to win the game. The game is expected to be a close one.

Trains On Defense

Calland has been emphasizing defense all week with the second string trying to run Washington state plays through the regulars. The Cougars will face a mighty tough line when the whistle blows Saturday, and if there are no injuries during the game, Moscow fans are predicting that the Cougar backs will be stopped by the Idaho forwards. Washington State will have George Sanders, however, who is one of the clearest passing backs on the Coast in the Idaho line functions as it did last Saturday, holding the Cougar eleven to 53 yards from scoring.

Enthusiasm Grows

The victory over Gonzaga has inspired a lot of enthusiasm around Vandal quarters and has had an equally disturbing effect in the Cougar camp. The Washington State still rate as favorites in the game but football experts who, rather in this season, predicted a Cougar victory by a comfortable margin and backed up their view with money, are beginning to have doubts. Idaho's victory over the Bulldogs is even more impressive when it is considered that Gonzaga gave St. Mary's the only major undefeated eleven on the Coast, an annual affair, the final

Cost 85 Cents to Put Rheumatic Cripple Back To Work Again

Now Joyously Happy

While all his family looked on in astonishment, an old man took all the pain, swelling and agony from his tortured joints in 48 hours and did it with that famous rheumatic prescription known to pharmacists as Allenbury. You can do the same. This powerful yet safe remedy is positively guaranteed to do this action in almost magical time. Just get one 85 cent bottle of Allenbury from Maestri's Pharmacy or any drug store—take it as directed and in 48 hours your pains won't all leave you get your money back. It works just as swiftly with Neuralgia, Sciatica, Lumbago and Neuritis. —Adv.

Bruins and Filer Wildcats Tangle

Twin Falls Eleven Awaits Arrival of Neighbor Team For Traditional Battle

Twin Falls Bruins and the Wildcats of Filer high school, two outstanding Big Ten football teams of the South Central Idaho district, are waiting for the starting whistle to be sounded at 3 P. M. today at Lincoln field, for their annual gridiron classic. The contest is holding the attention of all Southern Idaho, particularly of the fans of Filer and Twin Falls.

The two eleven have completed half of their schedules for the 1931 season, and are primed for the "tussle of the year" when they meet this afternoon. Both teams, old rivals in every branch of sports, are sure to present a real football exhibition never yet together.

Filer Has Edge

Comparative scores indicate an edge for Filer, as the Bruins, unable to hold the Boise Braves, fell to a 20-10 defeat. Twin Falls defeated Kimberly on the other hand by a larger score than did the Wildcats. The chief difference in the scores with these two eleven lies in the fact that the entire squad of the Bruins was in force for the Kimberly contest, while at Boise, and in all games since then, including today's contest, Coach R. Y. Jones has presented a team seriously handicapped by cripples—Towan, Coleman, Hiley, Bates, J. Smith, Reed and Orey have all, at one time or another, been on the bench. Bates and Reed will doubtless be on the bench for some time yet, at least this afternoon.

Coch Powers has one of the hardest hitting, scrappiest eleven ever seen in action in this district. A team that plays football every minute of the game. The Bruins were never known to stop fighting regardless of score or opponent. Fans should see one of the outstanding games of the entire season this afternoon.

Jerome Trains For Night Tilt With Shoshone

JEROME, Nov. 5 (Special to The News).—The probable lineup for the last football game of the season to be played in Jerome by the Jerome team has been picked. Sullivan will play center; O. Thorsen and Lowland, guards; Andrews and Smith, tackles; Chambers and Thompson, ends; Ward, quarterback; King and McGowan, halfbacks; and Miller, fullback.

The team is in better fighting order than it has been earlier in the season, and is promising Shoshone some real opposition. The new lighting on the field has proved satisfactory. No complaint has been made since the extra lights were installed and some say it is easier to follow the ball than it is in daylight.

The field itself is in excellent condition, and all football fans are looking forward to the game to be held Friday evening at 8 o'clock at the fairgrounds.

Many Vandals Face Cougars Last Time

Lloyd Sullivan and Howard Berg, Twin Falls, Near End of Gridiron Days

MOSCOW, Nov. 5 (Special to The News).—Seven players on the University of Idaho football squad to oppose the Washington State college eleven at Pullman Saturday, November 7, will be facing the Cougars for the first time. They will also be making their final bow before the home crowd, as their conference careers come to an end with the California game at Berkeley, November 14.

The departing Vandals are Art Spang, Nampa, center; William Gerosi, Boise, center; Elmer Martin, Fresno, California, guards; Howard Berg, Twin Falls, end; and Fred Wilkie, Idaho Falls, fullback. All of the Vandals but Wilkie will meet the Cougars on the gridiron. Wilkie will be compelled to sit on the bench. Of the graduating Vandals four have been regulars for two seasons. Fred Wilkie will be remembered as one of Idaho's outstanding fullbacks. Injuries in the Montana game deprived him of his best season. Wilkie established a reputation of gaining ground every time he took the ball. Berg was a regular halfback last season, in addition to being team captain, but was shut out of this fall. Gerosi, Martin, and Spang have been regulars at their posts for two seasons.

Grizzlies Plot Against Beaver

CORVALLIS, Nov. 5 (The Disquieting tidings come from the Montana football camp these days as Oregon State prepares to meet the Grizzlies here Saturday in a Coast conference. The disquietude has its source in reports of increasing strength of the Montana squad and in the report of Lou Stinson, Oregon State line coach, who scouted the Grizzlies. Stinson said Montana has the powerhouse type

of backs. They drive, they charge and they block like demons," and he marvelled that the "big line which averages 194 pounds out-played Washington State."

Paul Schuster, head coach, has been driving the Beavers at top speed in an attempt to steam up their morale which dropped to a new low as the result of their defeat by Washington State last Saturday.

BOISE VOLLEY BALL TEAM MEETS BURLEY

BURLEY, Nov. 5 (Special to The News).—Acceptance of a challenge to the Burley volleyball players has been forwarded to Dr. F. H. Thurston, Boise, by Dale Tustay, representing the Burley team. The first game of the tournament, to be of indefinite duration, has been set for Saturday evening, at the Burley high school gymnasium. It is understood that the sextette to be sent to Burley will be made up of Young Men's Christian association

HORSE RACING RETURNS

SAN BRUNO, Cal., Nov. 5 (The horse racing returns to California track tomorrow when the annual fall meeting will open for a 26 or more days run. More than 700 horses are stabled. Seven races are listed for the opening, with the inaugural handicap as the feature event. It will be for three-year-olds and up, at a mile and 70 yards.

Road-Tested BY 8,000 DEALERS

proving that PENNZOIL lasts longer.. lubricates better.. costs less per mile

To get the plain facts about the new, perfected S. A. E. grades of Pennzoil, we asked 8,000 independent dealers to use their own care as rolling laboratories... to compare Pennzoil's performance and cost with other oils.

So they took to the road, and they're telling us enthusiastically of results. Although final returns have not been received...

75% of those who have completed this test say that Pennzoil lasts longer, lubricates better and costs less per mile.

That's comparing Pennzoil with oils costing from 15c to 35c a quart... in cars of all makes and ages... that have rolled up the amazing total of five million Pennzoil miles.

Put Pennzoil to same test in your car

All you have to do is to see any independent dealer who displays the Pennzoil sign. Have him drain your car and refill with the correct new, perfected S. A. E. grade of Pennzoil. Then drive 1,000 miles or more.

We know that this demonstration will prove to your satisfaction what 8,000 dealers have found. Pennzoil will last longer, lubricate better, cost less per mile.

Why not test Pennzoil now. Why not discover today the true economy of this 100% pure Pennsylvania oil, with 50 years' refining progress behind it? See any dealer who displays the Pennzoil sign.

WHITE KING SOAP

a CUPFUL for the ENTIRE WASH

Use an economical soap for wash-day as well as for every other household use—White King Granulated. White King is in tune with these modern days when housewives are seeking the product which gives them the greatest value for their money.

The White King Package contains only condensed, pure soap. Bigger value than any package soap you ever used. When it is made, all the moisture and air which accounts so much for the bulk of ordinary soap, is removed. White King packs in the carton like sugar, and every grain yields a full measure of soap value.

By JOHN L. COOLEY
(Associated Press Financial Writer)

NEW YORK, Nov. 5 (AP)—Strong mar-
kets for commodities and bonds failed
to arouse much sympathetic en-
thusiasm in stocks today.

Perhaps Wall street is deterred to
invest further opportunity to
profit in view of its sensational
gains; or it may have been that
the better shares, averaging 15
points above the October 5 lows, had
already discounted much improvement
in sentiment as had already
appeared and that the cause of re-
construction would best be served
by conservative stability.

As a rule, the market, after
selling moderately higher in the
morning, fell back during the fore-
noon and closed irregularly low-
er, although above the day's mini-
mum. There was intermittent
grip strength in metals, based on
the 14 cent rise in silver.

Bonds gave an encouraging dem-
onstration of strength. Argentine
and German issues stood out in the
foreign list, while rails and United
States government bonds were promi-
nent in the domestic section. As a whole,
it was one of the broadest advances
of the recovery.

Final changes fractional.
Mostly fractional. United States
Steel, American Can, General Elec-
tric, National Biscuit, Case, Para-
mount, New York Central, Pennsyl-
vania, Consolidated Gas and Electric,
and others were off 1/4 to 1/8.
American Telephone and
American Tobacco 1/2 point.
United Fruit and Aitchison 1/2
point. Western Union lost a point.
The 10-year bond fell 1/8 to 113 1/8.
Some of the low active issues were
affected by commodity gains. The
International Paper, Home Baking
Company, and others were off 1/4 to
1/8. American Zinc preferred rallied about 7
on small sales. Alka Powder and
Coca-Cola also showed gains. Sales totaled
1,239,243 shares, or roughly the volume
in recent seasons.

Bank statement.
The Federal Reserve bank statement
revealed an increase of \$63,000,000 in
money circulation, but bankers did
not feel that this balance meant
a revival of hoarding, pointing out
that the report covered the month-
end when cash advances are larger.
But they made a new high in the
year at 3 1/2 cents an ounce.

COMMITTEES PLAN ANNUAL MEETING

Chamber of Commerce and Grange Organizations Arrange For Joint Supper

Plans for the annual meeting of the Twin Falls Chamber of Commerce and home products supper were outlined in a special meeting of the committee yesterday. It was decided to divide the time of the program equally with representatives of the Twin Falls County Grange. Both organizations are to have short talks on the subjects they may choose with selected music and entertainment features interspersed.

The home products supper proceeding will be held in the Rogerson hotel banquet room at 5:30 P. M. This get-together meeting is scheduled for next Monday night, November 9.

All Grange masters of the 15 different farmers Granges in Twin Falls county have been invited as the special guests of the chamber organization. J. A. Allen, San Diego, California, a daughter, named in the will as executor and executrix, have applied to the probate court here for issuance of letters testamentary to them. Heirs are the widow, one son, three daughters, a granddaughter and a grandchild. Hearing on the petition has been set for November 16. Petitioners are represented by Frank L. Stephens, Twin Falls attorney.

Mrs. Freda M. Johnson, Piler, widow of the late Howard B. Johnson, who died last September 23, has applied to the probate court here for appointment as administratrix of the estate which includes farm land, machinery, livestock and Salmon River Canal company stock valued at \$200. Heirs besides the widow are two sons, 7 and 3 years old.

D. H. Shewers, Piler, a friend, has applied for appointment as administrator of the estate of Mrs. Ida M. Allen, who died in Minneapolis, December 4, 1929. The estate includes property in Piler valued at \$500. E. May Fox, Minneapolis, is the only heir named in the petition. Rayburn and Rayborn are attorneys for the petitioners in these proceedings.

VETERAN MONTANA MAN GIVES TALK ON HISTORY

A rather small crowd heard the interesting lecture "Bacajawa, the Blind Woman" by L. M. Pratt, relative of General George A. Custer and friend of Colonel W. P. Cody, at the Latter Day Baptist tabernacle Wednesday night. The lecture consisted of a series of views of the famous Lewis and Clark expedition and was

FUNERAL RITES HERE FOR FORMER RESIDENT

Mrs. Lillie Koch, 61, Twin Falls resident for about 12 years and for a long time an employee of the White Star laundry here, died Thursday afternoon at the home of a daughter, Mrs. T. J. Taylor, in Ontario, Oregon. Friends here were advised last evening.

The body will be brought here for burial following funeral services to be held at the Methodist church here at 2:30 P. M. Saturday. Burial will be beside the grave of Mrs. Koch's husband, the late John Koch, who died here about seven years ago.

Mrs. Koch's health had been poor for some months, and she had made her home with her daughter in Oregon, since last Labor day. She is survived by two sons, Raymond Koch, California, and Jay Koch, Ontario, and two daughters, Mrs. T. J. Taylor and Miss Lillie Koch, both of Ontario.

The family came to Twin Falls from Texas.

BETHEL TEMPLE OPENS THREE WEEKS REVIVAL

Elder A. D. Urshan, Chicago, will begin a three-week revival in Bethel Temple, 450 Third avenue west, at the morning service Sunday. He is, it is stated, a survivor of the Armenian massacre and has been a missionary evangelist in many foreign lands.

Selection from sin, healing for body, righteousness, peace and joy for the present and hope for the future are promised.

Rev. C. Haskell Yaden, Twin Falls, is pastor of Bethel Temple.

CHECK FORGER DRAWS PENITENTIARY TERM

Roy Little, 58, drew a 1-to-14-year penitentiary term when Judge W. A. Babcock in district court here yesterday sentenced him for forgery of a \$175 check at Buhl last October 31. Little pleaded guilty to the charge on arraignment in the district court yesterday, and waived time for judgment. He was accused of forging the names of A. M. Welch as payor and Arthur Smith as payee of the check, which, it was alleged, was issued with intention to defraud a Buhl department store.

"If It Isn't Right Bring It Back"

Nearest equivalent value found in town was \$16.50. Lowest price found in town regardless of quality was \$13.50.

These coats were located in New York, closed out for cash because the manufacturer had to have it, and packed away for a cold and rainy day. A careful check of the town revealed a saving to you of from \$3.60 to \$6.00 on every coat depending upon your own idea of value.

SOMMER HEIRS RECORD WILL FOR PROBATION

An estate consisting of Twin Falls county farm land, crops, and promissory notes of \$26,700 estimated total value, was left by the late Gottfried Sommer, pioneer Piler settler, to his heirs. It was ascertained when his will, executed in July, 1927, was filed for probate in probate court here yesterday. Mr. Sommer was suddenly stricken and died in Salt Lake City last October 28 as he was returning to his home at Long Beach, California, following a visit here.

John D. Sommer, Twin Falls, son, and Mrs. Rosa M. Allen, San Diego, California, a daughter, named in the will as executor and executrix, have applied to the probate court here for issuance of letters testamentary to them. Heirs are the widow, one son, three daughters, a granddaughter and a grandchild. Hearing on the petition has been set for November 16. Petitioners are represented by Frank L. Stephens, Twin Falls attorney.

Mrs. Freda M. Johnson, Piler, widow of the late Howard B. Johnson, who died last September 23, has applied to the probate court here for appointment as administratrix of the estate which includes farm land, machinery, livestock and Salmon River Canal company stock valued at \$200. Heirs besides the widow are two sons, 7 and 3 years old.

D. H. Shewers, Piler, a friend, has applied for appointment as administrator of the estate of Mrs. Ida M. Allen, who died in Minneapolis, December 4, 1929. The estate includes property in Piler valued at \$500. E. May Fox, Minneapolis, is the only heir named in the petition. Rayburn and Rayborn are attorneys for the petitioners in these proceedings.
