and three Japanese were killed and 77 Japanese were wounded yesterday in a clash between Japanese and Chinese troops near Kuchengtsu, Manchuria, dispatches to the newspapers Asahi and Hichi Shimbun said today.

A wandering detachment of Chinese cavalry stumbled into a company of Japanese infantrymen, the dispatches said, and a fierce battle ensued.

Kuchengtsu is west of Hailheng, extreme southern Manchuria.

MEN'S CLUB HEARS ADDRESS UPON WAR

The program, which was arranged by H. A. Salisbury, opened with community singing of war songs; a solo by Lawrence Turner, with Miss Aileen Pearson accompanist, and two read-

Mr. Smith opened his address by tracing the growing friction between Russia and Austria in their struggle to control the Balkan states; Germany's dream of a "Middle Europe" under her control, which conflicted sharply with Serbia's policy, and with the policy of its "big brother," Russia; the rankling feeling on the part of France on account of Alsace and

Lorraine the provinces taken by Germany in the peace of 1871, and the various alliances formed before the great conflict. The speaker dwelt upon the loss of life and destruction of property during the struggle and the great suffering that followed as well as the number of survivors whose lives were blighted.

In spite of all this, he said, nations and peoples seem to have learned nothing. This year they spent \$4,358,000,000 on war preparation, or \$106,000,000 more than last year. Unless there shall develop a spiritual internationalism, the world will continue the excessive, inhuman nationalism and super-nationalism prevalent in

WHISTLES' BLASTS COMMEMORATE END OF WORLD CONFLICT

Twin Falls Prepares to Observe Armistice Day Anniversary On Gridiron And With Legion Events

Commemorating the hour the guns ceased firing on the World War battle fronts 13 years ago, whistles will sound in Twin Falls at 11 A. M. today, and in conformity with tradition which has been supplemented by a governor's proclamation, there will be observed a moment of silence in remembrance of the men who paid with their lives for the peace the armistice ushered in.

Armistice day, though, is not primarily a day of memory, but rather an occasion for celebration of the victory and throughout the allied nations the note of victory is sounded in celebration of the day.

Business houses and offices in Twin Falls will be closed throughout the day, and public schools will close at noon in observance of the day.

The day's events in Twin Falls include the American Falls-Twin Falls football game in the afternoon, and the American Legion's Armistice day program comprising a parade, public exercises, luncheon meeting for veterans of all American wars, and the Armistice day dance at the Legion Memorial building in the evening.

The whistles in Twin Falls today will sound at the time the Armistice day parade, forming on Shoshone street near the high school at 10:15 A. M. is scheduled to come to a halt at the Legion Memorial building where public exercises are to be held immediately thereafter.

Rev. Elijah Hall Longbrake of the Methodist church is to deliver the address of the day, officers of Twin Falls American Legion post will read the Legion's ritualistic Armistice day ceremonial, and the musical program arranged by Mrs. D. L. Alexander will include singing by Kenneth Henderson of Kipling's "Recessional" and one number, "Comrades In Arms," by a quartet composed of Russell Benson, John Boden, Kenneth Henderson and James Reynolds. Mrs. Paula Carlson will play the piano accompaniment.

Guardmen Play Part
Idaho national guardmen in Twin Falls put in a busy hour Tuesday evening raking and burning weeds and rubbish on the grounds about the Legion Memorial building, where today Twin Falls American Legion post will observe Armistice day with public exercises at 11 A. M. and with an annual Armistice day dance in the evening.

The guardmen's work on the grounds last evening, according to Wilton Peck, chairman of the Legion's Armistice day committee, is but one of the evidences of the guardmen's interest in the Armistice day program. In uniform the national guard units will march with the veterans in the Armistice day parade. At the end of the march in front of the Legion Memorial building they will open ranks to permit the veterans to precede their entrance into the building. They will also furnish color bearers and a guard of honor during the exercises.

Twin Falls high school band of 50 pieces under leadership of J. T. Balmbridge is another organization that is helping the Legion to make its plans for observance of Armistice day successful, Mr. Peck said. The band will lead the parade, and will occupy the balcony in the Memorial building during the exercises, at the conclusion of which it will play the "Star Spangled Banner."

Recognition music was voiced also by the committee chairman of assistance given by Mrs. D. L. Alexander who arranged the musical program in connection with exercises at the Memorial building, and to Twin Falls radio station KTFI which with the

What Proper Pasteurization Is

Pasteurization is a simple way of making milk safe. It is a safety measure. It makes milk absolutely safe for human consumption. There is no other way known. This is done by warming to 142° to 145° F. for thirty minutes, and then quickly cooling and bottling it. It is not boiled milk. It has nothing added to it and it has nothing taken away from it.

SCOUTS PLAN TO HELP ASSOCIATED CHARITIES

Scoutmasters at a meeting yesterday decided to assist members of troops in distribution of aid in cooperation with the Associated charities. The scouts will also help mend toys for the Christmas holidays.

Mr. Orr Chapman appeared before the meeting and explained the purpose of the Anti-Tuberculosis society of which he is county head, and was given assurance of assistance in the Christmas seal campaign. Several members of the organization who will act as leaders at the Armistice day exercises today, at American Legion Memorial hall, are Gerald O'Neil, troop Number 1; Leighton Warren, troop Number 3; David Lyon and Allen Booth, troop Number 7; Carl Minnick, troop Number 9; Daniel Lagerwall, troop Number 10, and Elwood Hobler, troop Number 11.

CUTS FIFTAIN: SAVES CORN
BOOTH CHARLTON, Ohio (AP) — E. E. Walker, farmer, is not a scientist, but he believes in efficiency on the farm. Walker claims that he saves a bushel of corn every year for every pig he raises by cutting off the tails of the pigs when they are young. He follows the practice every year.
