

JOHNSON CLASHES WITH OLD FRIEND

Californian Disapproves of Hoover Running Again But Moses Backs Incumbent

WASHINGTON, Nov. 29 (AP)—Senator Milton Johnson, around whom are clustering the expectations of many anti-Hoover Republicans, returned from California today by sharply denouncing the Hoover foreign policy, but saying he was not about the possibility of his seeing the presidency next year.

Johnson's attitude was "vigorous as ever" and "feeling fine," Senator Johnson avoided politics at the political conference in his first hour here. His arrival, however, coincided with a new declaration for President Hoover by Senator Moses, New Hampshire.

On the surface, at least, there were no signs that Johnson's arrival was a signal for an immediate rallying around of his friends. On the contrary, there were obvious signs of a split among the Hoover following.

Raymond Benjamin, California, a Hoover friend and mystery man in the Republican circle, was at the capital calling upon senators. Senator Moses has always been a close ally of Johnson's. He is an ardent supporter of the Hoover administration.

On the surface, at least, there were no signs that Johnson's arrival was a signal for an immediate rallying around of his friends. On the contrary, there were obvious signs of a split among the Hoover following.

Waving aside further discussion of his position of yesterday that President Hoover withdraw from the 1932 presidential race, Senator Johnson said he was not about to give attention to the question of the administration and the nomination of Hoover.

He said it was possible to make it clear how he in the United States the situation calls for action. He said, "Of course I assume that we cannot lose this problem until we have disposed of the moratorium for Europe and of the war court, which will take us into Europe."

Laos Out At Mortarism

The Californian then lashed out more severely at President Hoover's one-year moratorium. He said that the moratorium was a "disaster" in the world court and a "disaster" in the senate. He termed the moratorium a "disaster" in the world court and a "disaster" in the senate. He termed the moratorium a "disaster" in the world court and a "disaster" in the senate.

Meanwhile, the prohibition controversy was rising again. Senator Johnson, Connecticut, one of the Republican regulars, announced he was going to ask the new congress to vote on a resolution proposing repeal of the Eighteenth amendment to be submitted to state conventions.

Senator Johnson, in opposing the moratorium, broke also with Senator Borah, Idaho, another potential Republican presidential candidate, and some of the Republican independents who have been looking favorably upon him.

and snow, threatened to overflow their banks. The Washington coast had winds, rains and snow yesterday, but they were today.

Sweeping North dale

North Idaho quailed under a blast of wind and snow, followed at Moscow and Sandpoint today by clear and freezing weather. Wallace had a foot of snow on the ground, with six feet in the mountains.

In eastern Washington a short snowstorm at Spokane today was followed by weather bureau predictions that a sub-zero wave would strike the Northwest interior from Canada in a short time. Winds whipped away the snow at Coeurville, Coeur d'Alene and other towns, the blizzard going down through Central Idaho, blocking roads and moderating as it reached Boise.

Rock valley lay under a 6 to 8 inches of snow. Great Falls, Havre, Shelby, Lewiston and Livingston had more snow today and severe cold. Snow cleared traffic and roads leading from Montana into Idaho, and the snow fell during the night. The road between Harrison and St. Ignace, Idaho, was closed. Roads around Lewiston, Idaho, which had been blocked, were cleared today. Highway department reported. Right to 10 inches had fallen in that district.

WINTER COMES TO IDAHO

BOISE, Nov. 29 (AP)—Winter apparently has come to Idaho for more than a temporary stay, reports from various sections indicate.

Temperatures below freezing were predicted for tonight and tomorrow. Snow is expected to fall over a white blanket over most of the region.

Although most of the snow was melted away here, there still was much piled in the mountains. Following upon the heavy snow which swept Central Idaho and East Idaho yesterday and last night, light flurries fell tonight. A brief report by Shoshone, Idaho, said he had hoped for a little snow in the Twin Falls area in 24 hours. The minimum temperature was 28 degrees.

Although the highways were cleared, no damage was reported, except a few accidents. Two automobiles were wrecked in a collision last night but no one was injured.

A 24-mile-an-hour wind, bearing light snows endured most of the day, the thermometer ranging between 20 and 24 above zero.

Light snows were general yesterday, but the upper atmosphere gave way, accompanied by freezing temperatures.

At Shoshone, 20 inches of snow had fallen in 35 hours at the day Springs station at the head of the Snake river. The temperature was 28 degrees.

Constant rain and lowering of the temperature created dangerous conditions in many towns, the airports and sidewalks being covered with ice.

Alvina Harbour's NAME FIGURES IN HIGHWAY SCANDAL

(Continued From Page One)

Harbour's reported refusal to resign was on the grounds that he was not a party to the alleged affair as the charges of "profiteering" on state purchases through the Lewiston office remained unproved.

That there had been some disagreement over a contract for 800 pieces of equipment was not a matter of public concern, but the governor had been asked to resign. It was said to indicate a suit to annul the contract on the grounds that it called for purchase of more equipment than was needed, and payment of an excessive price. At an earlier meeting of the board, it was disclosed that the subsequent board had submitted a proposal for a rival company providing for less material at a reputedly higher price per unit.

GRANGE ADJOURNS AFTER OFFICERS' INSTALLATION

MADISON, Wis., Nov. 29 (AP)—The sixty-fifth annual convention of the National Grange closed here today with the installation of officers elected for the next biennium.

Next year the Grange will meet in North Carolina. The day to be selected by the executive committee. Louis J. Taber, Columbus, Ohio, will again head the Grange, having been re-elected national master for the fourth consecutive time.

At the final session the Grange adopted a resolution urging the government to restore as nearly as possible the wholesale price average of 1923-24 and the stabilization of the price level at that point.

The Grange asked for protection of the farmer in a resolution which stated that "so long as an American protective tariff is maintained, we favor rates to insure American markets to the American farmer on products which can be produced advantageously in any part of the country."

Pocatello Report, Shoshone and Twin Falls in Day

Four Of Big Ten Teams Complete Year's Schedule

Only Five Contests Remain in Season's Program of High School Football in South Central Idaho

GAMES YESTERDAY

Albion 6, Shoshone 0
Twin Falls 4, Idaho Falls 6
Pocatello 20, Blackfoot 13

GAMES TODAY

Blackfoot at Boise

The semi-final football card for the 1931 high school season in southern Idaho containing only five games of interest to fans of South Central Idaho, but these five games made up in keenness the others that were lost. With only one game today and four on Thanksgiving day left in the season's schedule, the football season is rapidly fading into history.

Among the Big Ten teams to finish their season are American Falls, Blackfoot, Piler and Rupert. Nampa made Idaho Falls next Thursday, while Boise played Pocatello and Twin Falls tomorrow. Blackfoot and Boise will play today.

In Big Ten competition Pocatello walked off with a 20-13 victory over Blackfoot, the last game of the season. Pocatello, which, up until last week, was undefeated in Big Ten competition, Twin Falls hurried Idaho Falls from their place of undefeated record and dashed their clean state hopes under a 45-0 score to complete the day's activities.

Shoshone won the district title by defeating Hansen, winner of the South Side championship, by a 13-0 score on the neutral field of Jerome high school. Albion and Hazelton played a 13-0 tie in a game of the conference game by playing in a scoreless tie.

All the North Side B schools, which include Arco, Bellevue, Elgin, Fairfield, Gannett, Glenna Ferry, Hazelton, Hallett, Hildreth, Shoshone and Wendell, met at Pocatello for the season. Castleton, Hansen and Hollister of the South Side met at Pocatello, while Albion and Declo closed theirs in a Turkey day game.

Gooding, winner of the Big Ten title, also met at Pocatello. Clam A schools of the conference, Jerome, Kimberly and Oakley, has closed its season.

Dictators Ban Big Golf Ball From Courses

NEW YORK, Nov. 20 (AP)—The final chapter of the ill-fated career of the "ballon" golf ball was written today by the executive committee of the United States Golf Association.

On January 1, 1932, the overgrown and under-weight sphere that has had the national linkmen running a race with the last year's variety of officially from the fairways.

Replacing it will be a new creation that the golfing fathers fondly believe is everything a golf ball should be, combining as it does the best features of the old ball and the new.

The committee's announcement, issued by President H. H. Hamsay, after yesterday's lengthy conference, follows:

"Effective for play January 1, 1932, the size of the golf ball shall be not less than 1.68 inch in diameter and the weight shall not be greater than 1.62 ounces avoirdupois.

The foregoing specifications retain the size of the present ball and change the weight specification back to that of the old ball.

Several members of a sub-committee, with nothing but the best of intentions, had been studying the new 1.68-1.62 through exhaustive tests, leading amateurs and professional players to the conclusion that a thorough trial, 60 games, was necessary.

Approval of a half-dozen leading manufacturers and a number of the executive committee members have been making the new balls in vast quantities in preparation for the rush.

Pocatello Drubs Blackfoot, 20-13

BLACKFOOT, Idaho, Nov. 20 (AP)—Opening its attack with a touchdown immediately after the initial kickoff, the Pocatello football team defeated Blackfoot, 20-13, today.

Carlisle, Pocatello's halfback, dashed 60 yards for the first score and Wadsworth placed-kicked the extra point.

Blackfoot's first quarter Pocatello scored when the visitors broke a punt and recovered it behind the Blackfoot goal. The quarter ended 13-0.

In the second quarter, Thomas scored after a pass had been completed and the Pocatello led, 19-0, at half time.

The last half was marked by even play, but the last two minutes when Blackfoot received a punt and ran 40 yards to score. The Blackfoot team held the visitors' worries in the third by a stout blocking.

Fierce Attack and Phenomenal Offensive of Forward Passes Win Game For Blue and White Team

TWIN Falls high school football eleven unleashed a running attack here yesterday afternoon, coupled with a phenomenal offensive of forward passes that proved entirely too much for the unbeaten Idaho Falls eleven and sent them down to a 45-0 defeat in a Big Ten conference game played on the neutral field with a strong wind to further hinder the players.

Twin Falls camped up and down the field during the entire game, piling up a huge total of yardage while holding the baffled Tigers from Idaho Falls, heretofore unbeaten, without their goal having been crossed this season, to but one lone yard.

Idaho Falls, however, did not give up the game. They fought back, but were unable to get behind the count as Coach R. V. Jones' country boys, after a march up and down the gridiron, were unable to make a single yard.

Idaho Falls made 10 first downs during the contest while Twin Falls accumulated 24. The Blue and Whites attempted 13 passes, completed 6 for a total gain of 90 yards. The Bruins made 10 first downs, but were unable to get behind the count as Coach R. V. Jones' country boys, after a march up and down the gridiron, were unable to make a single yard.

California Meets Stanford Eleven In Aging Classic

Football Rivals Since 1892
Prepare for Clash Before Approximately 90,000 Fans at Palo Alto

By RUSSELL NEWLAND (Associated Press Sports Writer)

SAN FRANCISCO, Nov. 20

Football rivals since 1892, California's Bears and Stanford's Indians will line up tomorrow in their thirty-seventh "big game" of the season, a classic that annually completes the most important schedule for these traditional foes.

With nothing more at stake than the honor of the contest, the rivalry has attracted its usual capacity crowd. Approximately 90,000 fans will be expected to witness the clash, which will be the first game of the season played on the neutral field with a strong wind to further hinder the players.

Twin Falls camped up and down the field during the entire game, piling up a huge total of yardage while holding the baffled Tigers from Idaho Falls, heretofore unbeaten, without their goal having been crossed this season, to but one lone yard.

Idaho Falls, however, did not give up the game. They fought back, but were unable to get behind the count as Coach R. V. Jones' country boys, after a march up and down the gridiron, were unable to make a single yard.

ATTORNEY'S NAME VETERAN WHIRLST FOR HIGH POST

Twin Falls County Bar Association Recommends Judge W. A. Babcock for Supreme Court Bench

Twin Falls County Bar Association believes that if an indicated vacancy should occur on the state supreme court bench, District Judge William A. Babcock, Twin Falls, who served on the district court bench here since 1914, is the man who should be appointed to the place. The association, with 25 members in attendance at an annual meeting at the Park hotel last evening, gave enthusiastic expression to its sentiment in this regard when it adopted with a unanimous consent, a resolution offered by Judge B. B. Thibault, recommending the appointment of Judge Babcock to fill the vacancy which would occur in the supreme court in the event of the resignation of W. F. McNaughton, which has been indicated in recent press reports.

Members of the association also voiced spontaneous tributes to Judge Babcock's steadfast devotion to duty and his eminent qualifications as a jurist, and a committee was appointed to urge concerted action in other forums in behalf of Judge Babcock's candidacy.

Sweeney New President
The association elected as its president for the coming year, Captain E. M. Sweeney, Twin Falls city attorney and former chairman of the state public utilities commission, to succeed Captain James W. Porter, retired president. Also elected as vice president and P. C. Sienberger, secretary and treasurer.

The association's resolution recommending appointment of Judge Babcock to the supreme court bench was as follows:

WHEREAS, it appears from press reports that the Honorable W. F. McNaughton expects to resign from the supreme court of this state; and

WHEREAS, it is ever the desire of the members of the bar to have the highest standard of excellence of the membership of that court be maintained;

and

WHEREAS, we have in Twin Falls county a citizen worthy of our highest confidence, one whose steadfast devotion to duty has drawn him to the hearts of his fellowmen, one who is eminently qualified in all of the duties of the office of justice of our supreme court and bring to that court the ripe experience and sound judgment of a jurist who has brought the administration of justice in the district court of the eleventh judicial district up to the highest standard to none within the state of Idaho;

NOW, THEREFORE, be it resolved, that we, the members of the Twin Falls County Bar Association, assembled here on this twentieth day of November, 1937, recommend to Governor C. Ben Ross that the Honorable William A. Babcock be appointed to fill the vacancy which will occur in the supreme court upon the resignation of the Honorable W. F. McNaughton.

BROADCAST PLAYS PART IN UNEMPLOYMENT AID

With a number of Twin Falls churches, schools and civic and fraternal organizations taking an active part in a ticket selling campaign, there is ample evidence of community support and cooperation for an unemployment benefit show at Twin Falls theatres next Wednesday night.

In connection with the campaign, it was announced yesterday, a program of music interpreted in a dramatic address is to be broadcast from Twin Falls radio station KTFI next Sunday from 12:30 to 2 P. M. Speakers will include Mrs. John Hayes, Mrs. P. W. McRoberts, W. Orr Chapman and Harry Bennett. The musical program will include numbers by a women's trio composed of Mrs. J. A. Dygert, Mrs. U. N. Terry and Miss Collins Sanders, and a quartet composed of Kenneth Henderson, C. E. Allen, P. E. Drake and James Reynolds, and instrumental selections by Jack Sullivan and John Nye.

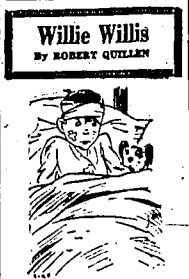

Persons enlisted in the ticket-selling campaign who have not yet received their allotments of tickets are requested to apply for them to Miss Anna Smith at the office of W. Orr Chapman, chairman of the ticket selling campaign.

Commissioner Names Deputy

Claude Drake, Boise, state fish commissioner, in Twin Falls yesterday en route to Ashton, accompanied by Ira J. Taylor, chief district deputy of the Ashton section. While here Mr. Drake appointed A. D. Alnoworth, who recently moved to Twin Falls from Henry's lake, to act as state deputy in charge of the Twin Falls hatchery, pending assumption of duty by G. H. Dahlquist, now recovering after a major operation at the Twin Falls county general hospital.

PROPERTY FIGURES IN DIVORCE SUITS

District Court Grants Four
Decrees, Two Involving
Division of Holdings

Property settlements were involved in two of four divorce suits in which decrees were granted following hearings before Judge W. A. Babcock in district court here yesterday, but no minor children were affected by the decrees.

On grounds of alleged cruelty A. R. Osterander, Twin Falls, was granted a decree of divorce from Mrs. Ester Osterander after she withdrew yesterday her cross-complaint in which she also alleged cruelty. Property settlement which was completed during the day was reported to give to each party the property held by each at the time of their marriage at Billings, Montana, in September, 1922. Mrs. Osterander, a North Dakota native, died in July, 1922, north Dakota lands and securities and Oklahoma drug store valued at \$40,000, which she, said, was involved in probate proceedings. There was dispute about the value of Mr. Osterander's holdings in Gooding county lands and Twin Falls property.

A decree was granted to Mrs. Annie Anderson from A. R. Anderson, on grounds of alleged cruelty. She received two Twin Falls residence properties and a Main avenue business block. Mr. Anderson retaining securities in Twin Falls theatre and mining properties. The decree dissolved a marriage that took place in Monroe county, Iowa, in January, 1904. Petition for divorce was not contested.

Joseph H. Pace, on grounds of alleged cruelty, obtained a decree of divorce from Mrs. Nancy Pace when he married in Twin Falls, May 19, 1931, and who subsequently went to Louisville, Kentucky, and remains there.

On grounds of alleged desertion and non-support, Mrs. Jessie Collins obtained a decree of divorce from Wade M. Collins, now living in Portland, to whom she was married in Twin Falls in November, 1929. Collins was alleged to have abandoned their home in April, 1930.

MISSIONARY TELLS OF CONGO LABORS

Tribes Have Fueds Like
Nations Dr. Davis Says
in Convention Address

That internecine strife, suspicion and misunderstanding among tribes interfere with Christian missionary efforts, was the statement of Dr. William E. Davis, returned missionary from Belgian Congo, speaking at the Christian unity conference at the First Christian church yesterday which was attended by more than 100 persons from southern Idaho.

"Members of one tribe look with suspicion on those of another, and frequently will not attend services with members of another tribe, while inter-tribal strife is common," he said. "A condition not unknown among nations that are supposed to be educated and civilized." The Belgian Congo, however, manages to keep a considerable measure of peace among the natives, however, he declared.

Dr. Davis spent four years at Wema in the Congo basin, about 1500 miles by river from the Atlantic ocean, and is home on furlough. The missionaries strive to improve the religious, educational and physical conditions of the natives, he declared. Sanitary conditions are at the lowest ebb, he said, and diseases are common. Malaria, except typhoid fever, which while occasional, is a constant menace, is a serious menace. This he considered strange as the natives drink all sorts of water and are careful in preparing and handling food. Many, perhaps 5 per cent, of the entire population suffers from leprosy. Sleeping sickness is common.

"White residents suffer much from malaria," he said, "but otherwise health conditions are good. Contrary to the general impression, the climate is not excessively hot, the mercury seldom reaches 90, and never gets above 90 degrees. Nights are cool, and people sleep under mosquito blankets. The mission is not on the label-and-fax-in-the-interior, and is within one degree of the equator."

Representative Presides
Miss Alma Teachout, Indianapolis, representative of the United States missionary society, presided. Mrs. E. E. Dele, Boise, state secretary of the missionary society led the devotionals. Mrs. Teachout spoke on "Our Mission in a Changing World," saying "The great of the world are ours, and we must live our faith or we cannot convert others." Dr. C. E. Higgins, pastor of the First Christian church, Boise, gave the history of the development of the Christian church in Idaho.

Mrs. Teachout closed the morning session with a talk on the work of the society in different nations. She said that there are 125 children in the homes of the organization; there are 140 home mission pastors; 2722 Iowa students for building churches; 522 mission schools; 77 hospitals; 10 dispensaries; and 340 mission churches with 340 missionaries in this country and abroad, besides 2137 native workers in foreign fields.

Dr. A. Johnson, Rupert, led devotionals following the noon luncheon after which Mrs. Chris J. Benney, Boise, sang a solo. Dr. Davis then conducted a round table discussion, bringing out many of the facts regarding the situation in Africa.

CHINESE MISSIONARY DELIVERS TALKS HERE

"It is difficult to speak upon the situation in China, because the attitude, on which he elaborated in his talk at the banquet in the evening, he spoke on the subject of 'Wema.' Mrs. Teachout spoke on the subject of missionary work, after which Mrs. Adele spoke on church schools and Rev. Chris J. Benney, Christian pastor at Buhi, and Rev. Oren Graham, Christian pastor, followed with brief talks.

At the evening banquet, closing the convention, Mrs. Teachout acted as toastmaster. There were a number of brief talks, and the address by Dr. Davis already referred to.

Dr. Burgess, Boise, is secretary of the state board, and Dr. Johnson, Rupert, secretary. The following officers of the Women's Missionary society were present: Mrs. E. M. Bailey, Boise, president; Mrs. B. B. Grisham, Gooding, vice president; Mrs. E. E. Dele, Boise, secretary; and Mrs. E. O. Raines, Twin Falls, treasurer.

COLD WEATHER BRINGS DEMANDS FOR RELIEF

A cold weather of the past few days has brought a number of cases of need to the attention of Twin Falls agencies, Adjutant H. R. Briggs, Twin Falls Salvation Army corps commander, said last evening. During the week he said, the Army has given assistance to six families, supplying provisions and distributing 40 garments and seven pairs of shoes.

One family, he said, was found almost destitute of clothing. A mother and three small children were found without underwear or coats. All applications to the Army for relief are investigated, the adjutant said, and clothing is given free as far as it goes.

Pork Chops in Casserole

Fry out some of the fat trimmed from the loin chops and place this in bottom of casserole. Also place in casserole chops, floured and seasoned with salt and pepper. Turn in enough water to fill to 1 inch depth. Cover and bake 1 1/2 hours in slow oven, adding more water if necessary. Have white turnips and potatoes peeled and cut into pieces. Cook in salted water until nearly done. Drain, and when chops are done remove them to serving dish and keep hot in oven. Thicken liquor in the casserole with a little flour to make gravy. Put in turnips and potatoes, boil up once. Serve vegetables in the casserole and the chops on the platter with a little of the gravy around them.
