HOOT GIBSON PLAYS IN —COMEDY ROLE AT IDAHO

Out in Hollywood, they're talking about a new comedian named Hoot Gibson—the star of wild and woolly Westerns—who has just made them sit-up and take notice of his ability to go after the laughs and get them like he used to go after the vittles in outdoor dramas.

Hoot's flair for light comedy has been exploited to the highest possible degree in "The Hard Hombre," which comes to the Idaho theatre tomorrow.

Irene Dunne and Pat O'Brien in "Consolation Marriage" closes its local run tonight.

Several novelties including a "Slim Bonerville" comedy and the "Graham-McNamee" sound news showing close-ups of the 1931 all-America team complete a long program.

"GIRLS ABOUT TOWN" APPEARS AT ORPHEUM

Joel McCrea, who was Constantine Dench's leading man in "Born to Love" and "Big Boy" now is playing at the Roxy theatre, almost cost the lives of Jack Holt, featured player, and his lion.

This little escapade did not prevent Capra from making scenes that involved just as much danger. "Flight" is crammed full of death-defying and thrilling situations.

"Flight" was made with the co-operation of the United States Marine Corps and it is technically perfect in every detail. Jack Holt, Lila Lee and Ralph Graves play the leading roles.

The film is a happy one, nicely spiced in spots with drama, and generously flavoured throughout with comedy. Novelties, acrobatics and sound news are added attractions.

BURKHOLDER MOVES INTO NEW BUILDING

Furniture Concern Prepares For Formal Opening and Birthday Celebration

The Burkholder Furniture company, established by H. W. Burkholder in quarters at the corner of Shoshone street and Second avenue was on January 1, 1931, will celebrate its fourteenth birthday anniversary in its new home at the corner of Shoshone street and Second avenue east, which represents one of the largest investments in construction of a Twin Falls business block in recent years, and which embodies modern architectural design throughout.

The Burkholder company already has completed removal into its new home, and a formal opening for which Mr. and Mrs. Burkholder have issued invitations, is to be held tomorrow.

Another opening is to be held later of the office rooms now being finished on the second floor.

The new structure covers completely the 50 by 125 foot building site, and includes a full basement accommodating a big stock room and heating plant.

The owners have worked with the architect, Burton E. Morse, and builder, Ernest White, in planning and constructing a modern home of a modern furniture business.

The main floor, extending back from a wide entrance between two large windows, is like the continuation of a great show window, wherein all sorts of beautiful home furnishings are displayed to excellent advantage.

Leading from the main floor at the rear is a wide stairway to a big mezzanine floor, which is another big show room.

Woodwork throughout is of Philippine mahogany, and in every appointment—lighting fixtures and effects, decorative scheme and general arrangement, a delightful harmony has been achieved.

EVANGELIST SPEAKS UPON REPENTANCE

Speaking from the text, Acts 17:30 "God now commandeth all men everywhere to repent," Rev. Clarence Anderson, Nazarene evangelist, speaking at the revival session in the local church last night declared that repentance was neither worldly sorrow, reform nor fear, but was a Godly sorrow for sin, resulting in a triumph over sin, and bringing forgiveness. Rev. Anderson will continue to preach during the rest of the week at the usual hour and will also continue to give the morning talk at 7 o'clock.

MEMBERS RESPOND TO CHAMBER QUERY

Highways, Freight Cuts and Advertising Find Favor in Referendum Returns

Report on the returns for the first week on the referendum ballot submitted to members relative to their judgment in regard to what should be principally promoted for the community good in 1932 was made public yesterday by Newell S. Wahl, secretary.

The report follows: "An advance count on the first week's ballot on relative importance of next year's activities for the Chamber of Commerce is indicated in the following report. Members of the Chamber of Commerce are asked to return their ballots by December 15 at which time final count will be made.

"The first group receiving to date a vote of 80 per cent or greater indicated as being considered the most important include the promotion of highway construction, securing of freight rate reductions and the continuation of the advertising program featuring our farm products, our scenic and tourist attractions, and opportunities for investments.

"The second group of preference

CHRISTMAS TREES

Owing to the financial situation and not wanting the kiddies disappointed, I am going to cut loose of my supply of Xmas trees at a price that will soon take all I have in stock. Have them as low as \$1.50.

We are selling fish 25 per cent cheaper than ever before. Oysters are also cheaper than ever before. Doctors say fish is a better food than meat. Why not have a baked salmon occasionally?

PUBLIC MARKET

as expressed by a ballot of 80 per cent to 80 per cent of the number cast included the following activities: location of new industries in Twin Falls, promotion of tourist travel into the city; establishment of a permanent Chamber taxation committee, and the task of securing the greatest possible number of conventions for Twin Falls.

"Many practical suggestions as to what other objectives should be undertaken are being written in on the ballots as requested by the program committee. These will all be submitted to the board of directors for further consideration and action.

"The method of having the entire membership express its wishes by mail ballot has been in use for a number of years in the Chamber of Commerce and gives the directors and officers a guide as to what activities are most desired."

ROTARIANS VOICE OPTIMISTIC VIEWS
A program of informal talks in optimistic strain was the only feature at the regular weekly meeting of the Rotary club Wednesday.

Upwards of a dozen members took occasion to reaffirm their faith in Twin Falls and the Twin Falls community and their confidence in the future of this section from a business standpoint. An unusually heavy attendance was on hand.

CHURCH OF BRETHREN STAGES BIBLE PAGEANT
"The Book of Man," a pageant on the Bible, will be staged by 11 intermediate boys and girls on Sunday evening, December 13, at 8 o'clock at the Church of the Brethren. It depicts the long, hard struggle that occurred in the process of giving the Bible to different peoples, the Romans, the Nea Perco Indians, and other races.

The entire evening program will center about the theme, "The Bible." Other features will be: "A Diary of the Bible," by the pastor; a reading, "All for Christ," by Lena Chapman, Piler, and a solo, "My Mother's Bible," by Mrs. Ed Jennings.
