# Hostile Army Forts Dot South America's "No Man's Land"

## LACK OF DEFINITE FRONT LINE MARKS GRAN CHACO FIGHT

Bolivian and Paraguayan Forces Take Stook of Strength in Area Long Disputed. TWO NATIONS WATCH EACH OTHER'S MOVES. Bolivia Boats 1000 More Men Than Paraguay in Territorial Strife

This map shows how closely Bolivia and Paraguay are keeping watch on each other's attempts to win by possession the huge disputed area of the Gran Chaco which lies between the two South American republics. The claims of the two countries overlap by big margins and soldiers keep jealous watch of "enemy" movements while diplomats struggle with the conflicting evidence of ownership.

By HAROLD P. BRAMAN. Associated Press Staff Writer. VILLAS MONTES, Gran Chaco, Bolivian Section. Both the Bolivian and Paraguayan armies are in the thick of their many forays and outposts in the disputed Gran Chaco region, which both claim.

## The Weather

FORCAST FOR TODAY AND TOMORROW—Fair; little change in temperature.

## SOCIETY AND CLUBS

Mrs. R. E. Williams. Phone 155.

They are making their tentative plans for the heavy winter which is not due to end until March 15. It makes the life of the soldier a miserable one now in the winter country which has been the theatre of Latin American wars.

Minimum and maximum temperatures at Twin Falls today are 31 and 57 degrees, according to the report of the weather bureau.

The country home of Mr. and Mrs. W. C. Jacey was the scene of a party given by the ladies of the Episcopal church on Wednesday evening.

# Pioneer Auto Showman Exhibits Luxurious Models for 1932

**SAMUEL A. MILES**  
**RECALLS EARLIEST VEHICULAR SHOWS**  
Pioneer of Great Industry Remembers First Bike and Second Car Displays  
**WIDE-CONTRASTS MARK 1901 AND 1932 TYPES**  
Builders Now Stress Free Wheeling and Silent Mesh Transmissions

The modern automobile show isn't what it used to be. A glance at the picture above reveals. It was taken at an auto exhibition in Madison Square Garden, New York, in 1900. In those days steam and electric cars were "all the rage," whereas the 1932 New York show will stress such things as free wheeling and silent mesh transmissions.

(By The Associated Press)  
**NEW YORK, Jan. 8**—The man who staged America's first bicyclo show 43 years ago and its second automobile show 13 years later was reviewing the 1932 display of the latest in automobiles.

This auto show pioneer is Samuel A. Miles, of the National Automobile Show, who came to the United States from England as a young man in the city of Chicago. Miles directed the first bicyclo automobiles change from the time, when the principal idea was to get motion pictures shown on wheels. Improvements have become technicalities and the first-makers never dreamed would exist.

Miles tried the same plan, but found that the Chicago exhibition was eligible only for industrial exhibits. So the first bicyclo automobiles as exhibited the cycling meet became a bicycle show.

The distinction of holding the first automobile show goes to New York. It was held in Madison Square Garden. Miles has planned a show in November, 1900, in Chicago, but it was postponed until January of the next year. The exhibition was held in the Chicago Auditorium.

At least 17 manufacturers will show free-wheeling as standard equipment, and many developments are expected in the West Coast. Miles said at the show that the 1932 display is attracting unusual industry attention because the exhibitors are taking a new step in improving in the new year under the impetus of replacement.

Other officers are Lewis Freymiller, chairman; Mrs. Frank Pellant, secretary; Mr. J. M. H. Stewart, treasurer; Mrs. J. M. H. Stewart, treasurer; Mrs. J. M. H. Stewart, treasurer; Mrs. J. M. H. Stewart, treasurer.

**TURKEY RAISERS FORM ANOTHER RUPERT POOL**  
RUPERT, Jan. 8 (Special to The News)—The turkey raisers of the Mimoko county turkey pool, announced Thursday that the January shipment of pooled turkeys from Rupert will be made this coming week. The birds will be received Tuesday, January 12, at the Newcomb Warehouse.

Final figures on the Christmas shipment have not been released yet, but are expected to be good. Birds shipped by the Mimoko county turkey pool in both Thanksgiving and Christmas shipments numbered 3068 with a total weight of 4772 pounds making an average of 15.56 pounds each on the average.

Smaller birds were more in demand this season, being selling at 12 cents on the market or better than tops, according to reports received here. Coopers are cooperating with the pool members in marketing the birds. Heavy turkeys weighing more than 18 pounds in some cases were graded, he said, from 1 to 3 cents.

Final reports from the pool's marketing shipment from Rupert, Idaho, showed that of 1070 birds in the pool, 814 graded prime; 210 choicy; 46 commercial. Of Christmas birds shipped by the pool, 1371 graded prime; 546 choicy; and 69 commercial.

The Northwestern Turkey Growers' association handled the local pool.

**POPULAR FILER GIRL AND UTAH MAN MARRY**  
FILER, Jan. 8 (Special to The News)—A wedding of interest to the younger set in Filer was performed last Saturday in Ogden, when Miss Virginia Snyder, daughter of Mr. and Mrs. O. M. Snyder, Filer, was united in marriage to Milton A. Oman, Filer, Utah.

Miss Oman grew to womanhood in Filer, where she was graduated from the Filer rural high school in 1923. After her graduation here she attended the University of Utah at Salt Lake City where she is majoring in music and is a member of the Delta Sigma Theta.

Mr. Oman is a senior student here at the university and a member of the Phi Alpha Delta fraternity. The couple will continue their work in the school until the end of the year.

Mr. Oman visited her parents and brother, Charles, here during the Christmas vacation and her marriage was a surprise to her many Filer friends.

**POTATO MEN PLAN FOR DISCUSSION AT JEROME**  
JEROME, Jan. 8 (Special to The News)—H. E. Drobach, secretary of the Pacific Northwest potato committee, will discuss daily potato market reports at a meeting in the Jerome hotel, starting at 10 o'clock Wednesday. It is reported here today by Thomas E. Speedy, Jerome county agent.

Drobach plans to present a thorough discussion of factors and information contained in the daily report and probably will discuss marketing factors.

Another session will be held at the Hilton hotel here, starting at 7:30 P. M. Wednesday. Mr. Speedy reported that arrangements are being made to attend one of the sessions.

## THEATRES

**OUTSTANDING PLAYERS APPEAR IN ROXY FILM**  
"It has been said that the longer they are in motion pictures, the more cultured they are apt to be. In real life, for example, the truth of this statement is found in Clark Gable, who marries Barbara Stanwyck in Warner Brothers picture, "The Sign of the Cross," opening to the Roxy theatre at the preview show tonight and Sunday.

Gable is a student of literature, and he expects to further his study abroad, as soon as he has made enough of money to warrant it. He started his theatrical career by acting as call boy for a stock company during summer vacations. He plays the part of Nick, a hard guy, in "Night Nurse."

"Night Nurse" is a thrilling story of the experiences of a young nurse, portrayed by Barbara Stanwyck. Ben Lyon plays opposite her.

**ORPHEUM THEATRE GETS "LADIES OF BIG HOUSE"**  
A bride-of-one-day is torn from the arms of her husband and sentenced to life imprisonment. Her husband is accused of murder and sentenced to death. Yet both are innocent—the victims of another conspiracy.

Here you have the central situation of the new drama, "Ladies of the Big House," which comes to the Orpheum theatre for a three-day run starting with the preview tonight at 12 o'clock. Ken Maynard in "The Pacific Kid," is being presented today for the last time.

**CASSIA COUNTY STOCK MEN BORROW \$16,000**  
BURLY, Jan. 8 (Special to The News)—Cassia county farmers and stockmen secured 102 loans from the federal seed loan department office at Orem, Idaho, South Dakota, it is shown by records in the county auditor's office.

A total amount of \$18,336 was borrowed on livestock chattel mortgages. The loans ranged from \$20 to \$500, the majority being between \$100 and \$200.

Gasoline consumption in Palmyra county—between January 1 and 31—was 5027.92 gallons.

Wind game returns in South Carolina now total more than 19,000 acres. One of 500 students registering with a new English typing school, 130 completed the course.

## Elevator Man to Be "Sir Reginald"

**IT TOOK REGINALD Wolesley a long time to be persuaded that he should leave his job as an elevator operator in Waterloo, Iowa, and go to England and assume his inherited title of "Sir Reginald." But his wife finally convinced him, and here they are shown as they sailed from New York on a belated honeymoon to become Sir Reginald and Lady Wolesley.**—(AP) Photo.

work will be taken up at the next meeting, with newly elected officers in charge. A social hour will follow the business meeting.

Samuel chapter of Puffin Bluff club met Wednesday afternoon at the home of Mrs. Robert Dunlop. During the afternoon a good program was enjoyed and one new member was welcomed into the club. A social hour was a feature of the meeting and a delicious lunch was served by the hostess.

Past Matrons of the Eastern Aid met Thursday evening with Mrs. Frank Beach at her home on Bluff street. There was a good attendance. Mrs. Frank Parks is president of this group.

Mr. and Mrs. N. O. Silander entertained eight friends at their home Saturday evening. Picoche was the entertainment of the evening and refreshments at the close.

Mr. and Mrs. E. Nichols entertained at the home of Mrs. E. C. Terhune held a social Saturday evening at which parents were guests. Those taking part were: Elouise and Morris Swan, Virginia and Jimmie Boyd, Audrey Bane, Norma Adair, Jeanette Redfield, Frances Andrew, Blanch Castibude, Elizabeth Daven, Donald Howard, Ina Davidson, Billy Birdwell and Alice Cassell. Another similar social will be given the next month.

Mr. and Mrs. Leonard Woodland entertained the week at a party in honor of Ronald Snow—who was here on a visit with relatives. The evening was spent playing games. Light refreshments were served.

Mrs. A. N. Anderson entertained at a party at her home on Wednesday evening at which guests were entertained by Mrs. A. N. Anderson. Those taking part were: Elouise and Morris Swan, Virginia and Jimmie Boyd, Audrey Bane, Norma Adair, Jeanette Redfield, Frances Andrew, Blanch Castibude, Elizabeth Daven, Donald Howard, Ina Davidson, Billy Birdwell and Alice Cassell. Another similar social will be given the next month.

Mr. and Mrs. N. O. Silander entertained eight friends at their home Saturday evening. Picoche was the entertainment of the evening and refreshments at the close.

## IDAHO STATISTICS SHOW TAX CHARGES

**Estimates Place Costs of Administration at About 20,000,000 Each Year**

LEWISTOWN, Jan. 8 (Special to The News)—Idaho has a population of 57,440; 400,000 school children taught by 15,000 teachers; 9,000 graduates every year from the eighth grade who are eligible to enter any accredited high school, Idaho statistics show.

There are 150 accredited high schools, being divided into one, two, three and four-year types. There are enrolled in these schools 53,000 students. Approximately 420,000 high school graduates from four-year high schools and 1400 annually from these enter the institutions of higher learning. Twenty million five hundred thousand dollars have been invested in Idaho education for \$11,000,000 are annually expended for the maintenance of common schools.

PRICES APPRECIATE—ON STOCK MARKET

Long List of Issues Closes 1 to 5 Points Higher in Course of Late Rally

MARKETS AT A GLANCE

NEW YORK, Jan. 8 (AP)—Stocks: Strong; popular leaders favored. Bonds: Strong; United States securities at 2 1/2 to 3 1/2; municipal bonds at 2 1/2 to 3 1/2; foreign bonds at 2 1/2 to 3 1/2.

By JOHN F. COOLEY (Associated Press Financial Writer) NEW YORK, Jan. 8.—The stock market caught its second wind today and a general advance in prices nearly closed 1 to 5 points higher.

Wall street looked within the market, itself rather than outside for support. The advance seemed to conform closely to the "line of least resistance" pattern; and there were no well defined groups of stocks.

Weekly mercantile reviews report some improvement in trade, even though most lines are comparatively inert.

MONEY

NEW YORK, Jan. 8 (AP)—Call money: Steady; 2 1/2 per cent all day.

Twin Falls Market

Light butchers, 10 to 12 1/2; heavy butchers, 12 to 14; overhead butchers, 10 to 12; pig, 10 to 12; sheep, 10 to 12; calves, 10 to 12; hogs, 10 to 12.

Onion Market

KANSAS CITY, Jan. 8 (AP) (U.S.A.)—Onions: Arrivals, CAMERO 7 cars, 2 cars diverted from train.

MOTALA, Sweden, Jan. 8 (AP)—A young man who swallowed the stem of his pipe two years ago in an auto accident recently coughed up the obstruction.

THE OLD HOME TOWN

WOOL DEMAND ON EAST COAST MARKETS STILL APPEARS ABOUT STEADY

BOSTON, Jan. 8 (AP)—The Commercial Bulletin will say tomorrow: "There has been a moderate demand for wool, which has implied more interest on the part of the mills. Mostly, the call has been for fine and half-breed combing wools, but there is some request for wools of other grades and the market is generally steady."

VALUES DECLINE ON MARKET FOR GRAIN

Shipments of Wheat From Below Equator Influence Trend in Chicago Pit

VALUES DECLINE ON MARKET FOR GRAIN

By JOHN F. BOUGHAN (Associated Press Market Editor) CHICAGO, Jan. 8.—Showered by huge shipments of wheat from below the equator, North American wheat export business today declined almost to zero, and prices flattened out.

VALUES DECLINE ON MARKET FOR GRAIN

After an all-around drop of about a cent a bushel, wheat closed unsteady, 94 to 94 1/2 over yesterday's finish; corn also 1/2 to 3/4 down; soybeans 1/2 to 3/4 down.

VALUES DECLINE ON MARKET FOR GRAIN

Popular assurance that Australia was no longer the factor in European wheat supplies that it used to be, suffered a sudden jolt at the outlet of trading today, and the market at no time showed much power to recover.

VALUES DECLINE ON MARKET FOR GRAIN

Provisions sagged owing chiefly to death of any aggressive demand.

### DISTRICTS DIVIDE AUTO LICENSE FEES FOR ROAD BUILDING

#### Twin Falls County Assessor's Records Show Apportionment of \$159,749.91 Collections During Past Year

Twin Falls Highway districts share in the motor vehicle license fees collected in this county, on which the district is depending for road building maintenance this year, totaling \$99,819.90 last year, according to figures given out at the county assessor's office here yesterday.

In order to avoid increasing the total tax levy with a reduced assessable property valuation, the Twin Falls district made no tax levy for road building and maintenance this year.

Other highway districts in Twin Falls county shared in the county's 1931 motor vehicle tax collections according to the assessor's records, as follows: Buhl, \$7,622.90; Piker Creek, \$2,643.90; Murtaugh, \$4,211.15; Rock Creek, \$2,643.90.

Distribution was made on the basis of motor vehicles registered on each district highway district in the county.

Ten per cent of the county's total collections went to the state highway department and an additional 2 per cent was deducted from highway district shares to pay for state traffic officers' patrol in the county.

Motor vehicle license collections in Twin Falls county last year totaled \$189,749.91, a decline of \$27,324.40 from the 1930 total of \$217,074.31.

Twin Falls county's automobile license tax year numbered 7762 as compared with 8945 in 1930; there were 112 trucks and 41 commercial trucks last year as against 1100 trucks and 497 commercial trucks in 1930.

Truck and commercial license fees collected last year for the first time numbered 80.

### Willie Willis by ROBERT QUILLER

### PRESBYTERIANS PLAN TO INSTALL PASTOR

With public exercises in which Presbyterian ministers throughout the Twin Falls presbytery are to take part, Rev. Howard Beckwith, Cannon, who came here with his family from Oak Park, Illinois, last December, is to be installed as pastor of the First Presbyterian church, Twin Falls, at 3 P. M. tomorrow.

Exercises are to be under the direction of the Twin Falls presbytery, with Rev. Charles A. Hawley, Haxelton, moderator, in charge.

Rev. James Millar, who resigned from the pastorate here last October to become head of the College of Idaho, Caldwell, department of religious education, is to deliver the installation sermon.

Rev. C. W. Halsey, Buhl, is to deliver the charge to the pastor; Rev. D. Davis, Rogerson, the charge to the people; and the newly installed pastor is to pronounce the benediction.

The musical program is to include singing by a 450 composed of Mrs. M. Terry, Mrs. J. A. Dyrgen and Miss Clara Saunders, and Mrs. Willis Peck, at the piano; to play the psalms, offertory, and postlude and the accompaniment for the singing.

Ministers of all Twin Falls churches have been invited to attend, as well as all friends of the church.

### ARMAMENT SLASH PETITIONS APPEAR

#### Lincoln School First of Parent-Teacher Groups to Complete Project

The Lincoln school group is the first of Twin Falls parent-teacher associations to complete its part in the circulation of petitions for worldwide disarmament to be presented to President Hoover at the international conference in Geneva, Mrs. John E. Hayes, in charge of this work at Twin Falls, said last evening.

Eighty-five "room-sponsors" of Twin Falls parent-teacher associations have been enlisted in the work which was begun here Wednesday and is to be completed Sunday.

The circulation of the petitions was adopted by Twin Falls Parent-Teacher associations' council as a part of this year's work, when the project was suggested to the group by Rev. H. B. Will as chairman here for the National Council for the Prevention of War.

The petition recites: "We, the citizens of the United States, believe that the peace of Paris, pledging our government and 58 other nations to renounce war as an instrument of national policy and to seek the solution of all controversies by peaceful means only, has made it possible for the nations to reduce their armaments; and furthermore that the present world economic depression makes an immediate cut in armament expenditures imperative to lessen the burdens of taxpayers and to contribute to the stability of the world."

"We believe that, at the approaching world disarmament conference, the policies of the United States will have decisive influence, and we respectfully suggest that the program of our delegation include: 1. 'Unwavering emphasis on the moral obligations of the peace pact; 2. Actual reduction of all armaments on land, sea and air; 3. Drastic reduction and limitation of armaments on the periphery; 4. Immediate abolition of all governments of preparations and appropriations for the purpose of the disease germ warfare; 5. Establishment of a permanent disarmament commission to follow the execution of disarmament agreements."

"We further believe that the adherence of our country to the World Court before the disarmament conference opens a vital opportunity for an expression of the attitude of United States toward world cooperation."

### COURTSHIP ENGAGES CHURCH'S ATTENTION

Courtship, marriage and home relationships are subjects to be considered in services at Twin Falls Christian church during the month of January, which has been designated for the young people, the minister, Rev. Glen W. Hutson, announced yesterday.

Throughout his ministry, Mr. Hutson said, he has given a month each year to these subjects, because, "they are the subjects with the biggest business in all the world."

"It is a business in which every individual is engaged," he said, "and it is a business which will help every man have peace."

Pantomime is to play a part in a unique series of talks, including "Youth Controlled," and "Framing Youth-Uncontrolled." Mr. Hutson's sermon will be to the subject "Courtship, a Joke or a Sacred Thing."

The sermon subject for the morning service will be "Young Folks and Their Friendships."

A quartet of high school students is to furnish special music.

### ASSOCIATION TESTER LISTS LEADING HERDS

Out of 210 cows—49 of them being dry—14 herds in the Phoenix Dairy Herd Improvement Association during December, 45 produced 40 pounds or more of butterfat each, according to report by Mont Lewis, association tester, given out at the county assessor's office here yesterday.

The association's average production for the month was 65 pounds of milk and 28.5 pounds of butterfat.

John H. Golt, Twin Falls, with a herd of 24 grade Holsteins, two being dry, scored high among herds of 20 cows or more for the month. His herd's average was 915 pounds of milk and 38 pounds of butterfat.

Among herds between 10 and 20 cows a herd of 20 grade Holsteins, two being dry, owned by C. S. McClellan, Twin Falls, led the list with a production average of 890 pounds of milk and 32.8 pounds of butterfat.

Harry McCaughey, Buhl, with a herd of five registered Jerseys, all in milk, led the small herd division with a record of 772 pounds of milk and 36.4 pounds of butterfat, average production for the month.

During the chapel period at last evening's gathering, Dr. Longbrake discussed evidence of spiritual development and the outlook for a world-wide spiritual revival.

Following the special women's service at the Methodist church last Sunday evening, Mrs. J. W. Longbrake, outlined his program for the church's services during the period closing on Easter day, including church night gatherings, beginning with post-lunch dinner at 5:15, and continuing with a 20-minute chapel period, after which groups are to be formed with story-telling for children, a training class, to be led by Dr. Longbrake, and a general communion to follow the execution of disarmament agreements.

"We further believe that the adherence of our country to the World Court before the disarmament conference opens a vital opportunity for an expression of the attitude of United States toward world cooperation."

The Joint Americanization committee will meet this afternoon at 2 o'clock at the home of Mrs. John Hayes, 115 Seventh avenue north.

Carl G. Benson's Aberdeen Coal, Transfer & Storage, Phone 142, Adv.

# Scientifically Purer..

### Something every smoker wants to know!

... Absolutely pure... that's what you expect in the things you eat and drink... and in the cigarettes you smoke.

"Chestersfields are as pure as the water you drink," a noted scientist writes. There's no way to make a purer cigarette. Starting with tobaccos... the ripest, finest, purest leaf that grows is selected for Chestersfields. Mild to start with... Cross-Blending makes it milder still. Then it's wrapped in paper that is so pure it burns without any taste or odor.

The phrase "Scientifically Purer" is entirely justified. By our use of a highly scientific process which was worked out by Dr. Paul Gross, the Head Chemist of our Research Department, Chestersfield reaches a state of purity unmatched to our knowledge, by any other cigarette.

In addition, scientists check every ingredient, every method. Even the factory air is washed and changed every 4 1/2 minutes. More purity!

Notice, too, the clean, white, attractive package... moisture-proof. Chestersfields come to you as good and as pure as they're made. Good... they've got to be good! Change to Chestersfields and see.

### A WONDERFUL NEW RADIO PROGRAM

Tonight... at 10:30... Chestersfield's Radio Program. Light a Chesterfields... relax while Mr. Killik's Orchestra and Alan Gray, soloist, charm away your care. It's on the Columbia network... every night except Sunday. And the best! 10¢ E. S. T.

THEY'RE MILD • THEY'RE PURE • THEY TASTE BETTER • They Satisfy
