TAKE A DEEP BREATH OF THAT RICH AROMA FLOATING UP FROM A CUP OF HILLS BROS COFFEE

Controlled Roasting—Hills Bros' patented process—produces a fragrance and flavor no other coffee has

Roasting "a little at a time" . . . Instead of in bulk . . . gives absolute protection against under-roasting and over-roasting

No one of Hills Bros. Coffee will ever "go stale." The vacuum can keeps it FRESH ALWAYS!

As the accuracy of the hour-glass depends upon an even, continuous flow . . . a little at a time . . . so the uniform flavor of Hills Bros. Coffee is produced by Controlled Roasting—the patented process that roasts evenly, continuously . . . "a little at a time."

You simply can't keep away from a steaming, fragrant cup of Hills Bros. Coffee! Its marvelous flavor is due to Hills Bros' patented Controlled Roasting process. Instead of roasting in bulk—Hills Bros. roast a little at a time . . . as the coffee flows evenly, continuously, through the roasters.

No berry is underdone nor overdone! They have just the roasting required to develop the choicest, unvarying flavor.

Hills Bros. Coffee is packed in vacuum cans, and can't go stale. The vacuum process of packing coffee is the only method that fully preserves coffee freshness—the air is removed from the can and kept out. It was originated by Hills Bros. over thirty years ago. There is no magic about a vacuum can—it will not make poor coffee good, but it will keep good coffee fresh.

Order Hills Bros. Coffee today. Ask for it by name, and look for the Arab trademark on the can.

MOSCOW DEBATERS BEGIN LONG TOUR

Paris Martin, Boise, and Ralph Olmstead, Minidoka, Uphold Idaho University

MOSCOW, March 24 (Special to The News)—In one of the most intensive debate tours ever taken by University of Idaho forensics teams, Paris Martin, Boise, and Ralph Olmstead, Minidoka, are meeting the leaders of Western universities and colleges on the question, "Resolved, That the Federal Government Should Enact Legislation for the Centralized Control of Industry." The Idaho man can debate either side but usually upholds the affirmative.

STUDENT OF TWIN FALLS ENTERS NATIONAL EVENT

CALDWELL, March 24 (Special to The News)—Gerald Wallace, son of Mr. and Mrs. Harry W. Wallace, Twin Falls, and George Judd, Caldwell, left today for Tulsa, Oklahoma, to participate in the national Phi Kappa Delta convention next week. Both Wallace and Judd represented the College of Idaho at the regional convention of the debating society held at McMinnville, Oregon, early in February, and have been active in many local forensics contests. At Tulsa, Wallace will enter the oratorical contest and Judd the extemporaneous speaking contest.

KIMBERLY FOLKS JOIN FOR BIRTHDAY PARTIES

KIMBERLY, March 24 (Special to The News)—Two birthday anniversary parties were held at recent events of the week in Kimberly. Margaret Potter was honored at a birthday dinner party at the country home of Mr. and Mrs. D. E. Potter. Guests were Mr. and Mrs. J. T. West and daughter, Gloria Mae West, Mr. and Mrs. J. L. Shepard and daughter, Betty Shepard, Mr. and Mrs. J. Frank Henry. The guests were seated at a long table centered with a birthday cake and other table appointments in green and white motif.

CIGARETTE STARTS FIRE IN OFFICE AT JEROME

JEROME, March 24 (Special to The News)—Fire caused by the dropping of a cigarette last evening did a lot of damage in the office at Jack Short's blacksmith shop here early this morning. The fire started in a box on the street this morning about 7:15 o'clock saw smoke coming from the office in the shop. It turned in the fire alarm immediately and Mr. Short was telephoned of the fire. Mr. Short, who arrived at the same time as the fire truck, was able to save all account books and papers of value. A cigarette stub thrown on the floor last night was the cause of the fire, as there was no fire in the stove nor in any other part of the building. The blaze had evidently smoldered all night until it had burned a hole in the floor. The draft which was then able to get through increased the blaze and the ceiling, floor and furniture was charred before the fire could be extinguished. Insurance covering the building had expired several days ago and had not been renewed.

POLITICAL WHIRL BEGINS IN BURLEY

Advent of First Day For Filing Stimulates Interest in Coming Drives

BURLEY, March 25 (Special to The News)—With the advent of the first day for filing for county offices, March 25, much interest is being manifested in Republican county circles as to probable candidates. Republicans who have signified their intention of entering the primary fight are Presley D. Facksher, Mrs. Marguerite M. Buchanan, county superintendent; and D. E. Johnson, coroner. All are incumbents.

Those suspected of leaning toward filing their names, although not yet definitely committed, are Adonis Nielson, county attorney; Probate Judge E. M. Wright; Treasurer Lawrence C. Dunn, and Assessor Selva Harper. F. O. Butler, a report was given of the initiation

FRIEND TOLD HIM ABOUT ALL-BRAN

And It Brought Relief From Constipation

Those who are bothered with constipation should read Mr. Gelpke's unqualified letter:

"I have suffered with constipation for years. A friend of mine told me to try ALL-BRAN. I have taken ALL-BRAN for the past six weeks as a breakfast food. It has regulated my bowels as clockwork. Now I would not be without a package at all times." — Mr. Leslie Gelpke, 273 Ridgewood Ave., Newark, N. J.

Common constipation—with its headaches, loss of appetite, sleeplessness—is due to lack of "bulk" to exercise the intestines. Vitamin B to help tone the intestinal tract. Both are present in Kellogg's ALL-BRAN, as well as iron for the blood.

The "bulk" in ALL-BRAN is much like that in lettuce. Within the body, it forms a soft mass, which gently clears the intestines of wastes. Being a natural corrective, ALL-BRAN is not habit-forming.

Try ALL-BRAN in place of pills and drugs—so often harmful! Just eat two tablespoons daily—serious cases with every meal. If your intestinal trouble is not relieved this way, see your doctor.

In the red-and-green package, all grades. Made by Kellogg's Battle Creek.

FEDERAL SALARIES

If Congress is sincere about balancing the Federal budget, it should adopt a policy of drastic economy along with the new taxes it imposes. Particularly it should cut its own pay, along with that of other Federal employees, in some fair ratio, to correspond with the cuts that salaried taxpayers in private life have had to take.

SOUTH IDAHO FOLKS WAIT TAX SESSIONS

R. E. Shepherd, Jerome, Announces Meetings at Twin Falls and Burley Soon

BOISE, March 24 (Special to The News)—R. E. Shepherd, Jerome, chairman of the executive committee of the state-wide tax committee of the Idaho Chamber of Commerce, has called the second meeting of the executive committee to be held at Twin Falls on April 7, and the announcement made today by L. P. Parsons, secretary of the committee.

At this meeting the selection of the personnel of some of the sub-committees authorized at the first meeting of the executive committee will be considered. Also a report of progress on some of the studies that are being carried on will be made.

En route to Idaho Falls, members of the committee will confer with members of the local county committee and the meetings will be held for general discussion of the tax situation in Idaho and the work of the executive committee will be explained by different members of the committee. Meetings have been scheduled as follows:

Mountain Home, 12 noon, April 7; Twin Falls, 8 P. M., April 4; Burley, 11 A. M., April 5; Pocatello, 8 P. M., April 5; Blackfoot, 12 noon, April 6; Idaho Falls, 8 P. M., April 6.

R. E. Shepherd, chairman of the committee, and Benjamin D. Callahan will be the principal speakers.

Mr. Parsons stated that similar meetings will be held in other communities of the state. Meetings will be held on the roads and the time of the members of the committee will permit.

The object of the meetings is to acquaint the public with the work of the executive committee and permit members to become acquainted with the problems now confronting the different types of governmental units in the various sections of the state. The meetings will be open to all and it is the desire of President Shepherd and the members of the committee that they be attended not only by taxpayers but also by representatives of social, commercial and industrial groups, and especially by the officers of different governmental units to whom the chamber must look for any material reduction in governmental expense and constructive suggestions for modification of revenue laws, said Mr. Parsons.

Twin Falls county tax committee, of which Thomas M. Robertson, Twin Falls, is chairman, is arranging for a conference with members of the state chamber's tax committee, preceding a public meeting which the state chamber has scheduled to be held here Monday evening, April 4. It was stated at the Twin Falls Chamber of Commerce office last evening.

Babson Sees Benefit in Hoarding Of Credit Rather Than Gold and Currency in Time of Depression

Statistician Reveals Mistaken Opinion of Investors That "Money" Made Them Prosperous in "Boom" Period, and Condemns Practice of Holding All Available Cash

By ROGER W. BABSON BARBONS, Pa., March 24.—This letter is addressed to the hoarders of gold and currency. I want to ask them one question: "Did anybody ever fail credit by hoarding?" Not to my knowledge! All important holding has been acquired by getting, holding, and later selling, credit.

Let me explain. The reason people are hoarding money is because they mistakenly think that it was "money" that they lost in the collapse and hence they will hold on to all the hard cash they get.

They fail to understand that what made them prosperous before the crash was not "money," but credit. Many who have suffered losses during the past two years are wondering who has their "money" and what has really happened. The fact is that we have not had much of any "money" for many years; but rather we have had only credit.

Whether we get our "money" in the form of a salary check for a month's work, or as a broker's check for securities sold, we received only a check. This was not real property, but only credit. To the extent that we have turned this credit into useful food, clothing, shelter, education, etc. we received real property, but not otherwise.

When we get our "money" in real goods or gold and paying taxes thereon, or taking same in different forms of credit and getting interest thereon. We cannot have our cake and eat it too. The hoarder prefers to take credit and get interest, although running the risk of a profit or a loss.

Credit flows from Postman Credit can be either a bold and powerful bulwark of prosperity, or a timid, shrinking, and fearful de-

pression. Prices went too high, business volume became too large, and money circulated too fast. Constricting the physical, mental, and spiritual character of the people, things were going at a volume and speed which the human mind could not stand. The collapse was inevitable.

Now—things are going in the opposite direction and correspondingly constricting will be overdone. Prices are falling too low, business volume is decreasing too small, and money is circulating too slowly. Meanwhile, people are learning lessons and are developing a better character foundation upon which to build prosperity. During the boom, the high prices, big volume and rapid speed of circulation, had a better character foundation upon which to build prosperity.

As money becomes idle or is kept hoarded, it creates rapidly falling bank deposit declines, loans must be reduced and prices fall. This shows the fallacy of saying that the government cannot pay what they owe the United States because it would take "more gold than there is in Europe." All the needed funds would be reduced by passing around a small amount of gold as per the above illustration. Only to do this credit must be lowered considerably.

The volume of business both vitally affects, and is affected by, credit. Consider this simple illustration of a city with four banks. It is Saturday morning after clearing. Mr. A gives a check drawn on Bank number 1 for \$500 to Mr. B who deposits it in Bank number 2. Mr. C uses this credit to give a check to Mr. D who deposits in Bank number 3. As a result, the balance of the city's deposits—of \$20,000—on that Saturday at closing time. There, of course, the total deposits would be only \$10,000 instead of \$20,000. If only two men were involved instead of four, the deposits would be \$5,000, but it would be halved. With such decreases in the volume of business, there is a decrease in the volume of credit. Banks are obliged to force customers to pay their loans, which in turn reduces the volume of business. The volume of business, and in the end, the volume of credit, will be reduced.

WORK WITH BEANS MAKES NEW JOBS

Employment Situation Here Shows Improvement With Activity in Warehouses

Fifty-two persons were put to work in Twin Falls yesterday, cleaning beans. Newell B. Wight, chamber of commerce secretary and Twin Falls American Legion employment officer, said last evening.

Work with the beans, which is hand work done in warehouses, is being started now. Mr. Wight said, not so much of any increase in the market for beans, but with view to getting this work done before the beginning of spring work on farms and to avoid competition for labor with employing farmers.

On account of the late season, farmers are preparing to start farm work on a big scale when weather and soil conditions permit, Mr. Wight said.

This means that credits will again be more attractive than real property or hoarded money. It is true that we suffered losses because we had more credits in 1929 than we had goods or services today, however, conditions are reversed. The wise man will convert his gold and goods into credit. These credits are now at such a big discount that it is as foolish to be hoarding gold as to have been hoarding in 1929.

General business as measured by the Babson chart is now 13 per cent below the normal X-Y line, compared with 31 per cent a month ago, with adjustments for unusual seasonal movements. — (Copyright, 1932, Publishers' Financial Bureau).

EASTER SHOES IN THE ECONOMY BASEMENT

1038 Pairs Of Fine Shoes For Men, Women And Children

I would like to say a word in explanation of this shoe sale. To obtain these values I personally visited factories in Kentucky, out on Long Island and Brooklyn in New York state, and many factories in Massachusetts. Please remember that the cheaper in price shoes are in a regular way the smaller is the reduction when they are closed out. I had my choice of closing out the very cheapest grades, selling them for 15c or 25c a pair less than regular and still giving you shoes of a cheap quality, or of closing out high grade, high quality shoes that we could sell for the price of cheap ones. I took the latter alternative. If you have educated yourself to know shoe values you will see the difference in the leathers, the workmanship and the patterns. If you don't know shoes you will tell the difference in the wear. In either case the reputation of The Idaho Dept. Store is behind the guarantee which I now make that your savings are exactly as we state they are in this circular.—K. C. BEACH.

Just a Word About This Saving

11 cents on a pair of shoes possibly doesn't seem like a great deal. But when you realize that you are saving 24 per cent it might mean something. This is a famous line of shoes known throughout the East. Large department stores feature them and sell them close at \$1.29, and now you save 24% on that price. It was by far the best clean-up we saw for the children's Easter shoe special and believe us, we visited a good many factories.

SPELLERS AWAIT DISTRICT EVENT

Shoshone Prepares For Annual South Central Idaho Contest of Orthographers

SHOSHONE, March 24 (Special to The News)—South Central Idaho district spelling bee will be held at the Lincoln school auditorium, March 26, at 2 P. M.

Miss Gladys Hayden, Gooding, will be the pronouncer. The judges will be selected from Twin Falls, Jerome and Lincoln counties, and will be appointed by the county superintendents. Mrs. H. L. Tatum has been appointed from Jerome, and Rev. Tracy Coker from Shoshone. To date the judge from Twin Falls is unknown.

The winners from the following counties will be present: Ruth Steel, eighth grade, Rupert, Minidoka county; Donald Workman, 12, eighth grade, Richfield, Lincoln county; Erma Christensen, 13, Minidoka county; Gooding county; Lois Fischer, 13, eighth grade, Murtaugh, from Twin Falls; and Edythe Wolfe, 13, eighth grade, Falls City, Jerome county.

Cassia county will not enter this year. To date the superintendent is uncertain about Blaine and Camas counties. It is unknown whether they had a county spelling bee as yet, and the Lincoln county superintendent has not been notified whether they will have any entrants in the district bee.

services, hymn pantomime, and a pageant playlet. "What Means the Cross?" The young people who take part in the play are: Florence Myers, Uletia Thompson, Lily Mae Wright, Eugene Baughman, Neil Baughman and Paul Horning.

Idle steam and motor shipping of the principal meetings commenced the beginning of 1932 was two and a half times as great as it was four years ago.

MEDITATION TELLS SACRIFICES OF CROSS

"There they crucified Him," Luke 23:33, is the text of the Good Friday meditation of the Federal Council of Churches. The meditation reads:

"The cross in any field and in all times and places," writes George Stewart, "is redemptive suffering, and is generally marked by two characteristics: it is voluntary and it is for others." Redemptive suffering? To that we are called, by the will of God. How petty, as compared with Calvary, are most of our sacrifices! Yet even through them—and through whatever we have done for the world-wide work of our church—whenever men and women are won to our acknowledgment of the redemptive sacrifice of Christ."

BUNL SERVICE CLUBS LISTEN TO SPEAKERS

BUNL, March 24 (Special to The News)—Bunl service clubs heard interesting programs Wednesday and Thursday nights of this week. At the Kiwanis meeting, Roy Hopkins, chairman of the outdoor work of the West End Charities, reported of the activities of that organization; Max Hall played a saxophone solo.

Bunl Rotarians heard M. Honning, a native of Ethiopia, discuss the present situation in Russia at the Thursday noon luncheon.

Approximately 430 students took college work by correspondence from the University of North Dakota during 1931.

ROLL CALL FRIDAY, MARCH 25TH 1932

GRANGERS MEET AT SESSION IN DECELO

BURLEY, March 24 (Special to The News)—A large delegation of Claremont Grangers visited Declo Grange Tuesday evening, bearing the "traveling gavel" on the first lap of its journey to be continued the coming season until all Granges of the Minidoka project have been visited. Frank Kerzhnik, master of Claremont, presented the implement to Master Ray Hosmer, Declo, with appropriate ceremonies.

Various members of Claremont were called on for short talks, during which Declo was challenged to a debate on the federal farm board. The challenge was accepted and the lecturers of the two Granges were instructed to arrange for a suitable hall for the debate which is to be open to the public. Declo is to take the affirmative side of the question. "Resolved, That the Federal Farm Board Should Be Abolished, Together With All Its Subsidiaries," Claremont, whose members aimed to a unit in favoring the farm board, will rally to its support, by taking the Negative.

Following the discussion, an entertainment program was put on by the visiting Grangers, in charge of the lecture, Mrs. F. O. Redfield. A committee of Declo Grange ladies, led by Mrs. Paul Penrod, served a supper. Announcement was made that at the next regular meeting of Declo Grange a number of new members will be initiated.

CASTLEFORD CHURCH ENGAGES IN REVIVAL

CASTLEFORD, March 24 (Special to The News)—The Baptist church of Castleford is engaged in a pro-Easter revival service with evangelist "Cowboy" Billie Doyss, Texas, whose Idaho headquarters are at Eagle.

Sen. Tompkins Enters 1932 Campaign Favored Repeat

Sergeant Street Hopes Two Young Pitchers Succeed

Burlingame Grimes, Gnarled, Sturdy Oak of Pitching Mound, Moves On After Helping Red Birds Rise

By BRIAN BELL (Associated Press Staff Writer)
LOS ANGELES, March 25.—Sergeant Street, who has been a good rule in any sport to support the champion until he, she, or it is defeated, on the St. Louis Cardinals will start the 1932 National league season in a similar way. However, it may be a two horse race before the last out is made. Old Sergeant Street's Red Birds are as good now as they were a year ago and they were good enough then to win a pennant and move right on to capture the world's championship.

Burlingame Grimes, the gnarled oak of the pitching mound, has moved on to his fourth year with the Cardinals as some youngsters, notably Tex Carleton and "Dizzy" Dean, to take his place in the line-up. In every department the Cards seem well fortified—on the base-ball field and in the clubhouse there are hundreds of players on St. Louis farms ready to rally round.

Young Tompkins, who has been the star of the Cardinals, has a little luck, he will have something to say about the ultimate disposition of the championship.

The Glantz will start with a record of 1-0 in the spring. Knoch, as the only new face in the line-up, the Glantz were good enough last year as long as they remained intact and if Hughie Critch continues fit, the baseball news should be interesting. If New York had the record of the Cardinals, a hip and-tuck race would be assured.

Chicago and Brooklyn should be in the neighborhood, ready for a drive if the Cardinals or Glantz fall. The Cubs were the best team in the league last year, but they are not as good as they were in the spring, but the pitching will be good when hot weather comes around.

Brooklyn in the past prone to jump from the sublime to the ridiculous, will be rated a dark horse which means about right for in recent years it has been difficult to judge what the Dodgers will do from one day to the next. Max Carey, who has cured two infielders from Cincinnati when he needed infielders, but had given away "Babe" Ruth, is consistent, but nevertheless a driving force.

The Pittsburgh Pirates, Boston Braves, Philadelphia and Cincinnati should put on a good show. None of the quartet can be rated a permanent possibility on the face of the returns but they should make an opposition part of the time as they do always.

Pittsburgh, under George Olsson, an old manager coaxed from retirement, has been only in training. He has a long record of success, but his first home run of the spring exhibition season, the New York Yankees need only a 4-0 victory over the world champion St. Louis Cardinals today. The triumph was the Yankees' second over the Cards and their eighth in 11 years.

Ruth sent the Cards away to a hitting his circuit drive off Bill Fisher with Myrtlebeag on base. Lazzari's triple and Dickey's double off Derris tied the score. The Cards had the game after the Cards had scored three runs off Ruffing.

Petrole Smashes Battalino's Hopes Before Multitude

"Fargo Express," Always On Time, Rolls On to Devastating Triumph While 18,000 Spectators Watch

By EDWARD J. NEIL (Associated Press Staff Writer)
MADISON SQUARE GARDEN, N. Y., March 24.—Billy Petrole, known as the "Fargo Express," and always on time, rolled on to devastating victory tonight over Christopher (Hat) Battalino before 18,000 spectators.

Billy finally crushed the Connecticutite in the twelfth and final round, after cutting his face so badly that blood covered both sides of the ring and the ringers, from the third round on. Referee "Gumbo" Smith awarded Petrole the technical knockout after 1 minute 31 seconds of the twelfth.

Outclassed for the first time since his rise overnight to fame by winning the championship from Andre Roussis almost three years ago, Battalino took a lurching tumble with flying bravado that every spectator in the arena to his side. Round after round, Battalino's technical knockout after 1 minute 31 seconds of the twelfth.

For the first five rounds Battalino fought Billy as if he did follow the "old" Chocolate, Pidel La Barba, Ed Marino, and Eddie Ryan, when he beat them, but Petrole was too smart to meet him at his game. Once he had him, he pulled backward, punching as he went, and the fiercer Battalino's features and head were bashed with devastating blows.

VALUES AGAIN SAC GENTLY ON MARKET

Oils Bubble Upward For One Hour in Forenoon But Fail to Attract Following

MARKETS AT A GLANCE

NEW YORK, March 24 (AP)—Stocks: Easy; General Motors at low low. Bonds: Irregular; government easy. Curb: Easy; utilities easy.

CHICAGO: Wheat: Steady; strength foreign markets; good export sales. Corn: Steady; Argentine exports; steady cash market. Cattle: Irregular. Hogs: Slow and lower.

BY JOHN L. COOLEY (Associated Press Financial Writer) NEW YORK, March 24 (AP)—Stock market had a familiar pattern of gently easing prices in a forenoon that ranked among the most uneventful.

Oil bubbles upward for about an hour in the forenoon when an advance in mid-Continental crude was announced, but the rise attracted no outside following and speculative interest in the petroleum quickly subsided.

The market was affected by usual pre-holiday activity, although it was interrupted by a momentary rise in the price of oil when the house of representatives passed a bill to increase the price of oil.

General Motors was a feature of the day, with the stock rising to a point near its record. The stock was held by a group of investors, including the General Motors Corporation, and the price was supported by a group of investors.

United States Steel was steady. There were reports of an unusually large subscription for the recent offering of 40 and 45 cent stock, and it was expected that the company would receive an additional \$10 million.

As much as \$1 million was reported to have been received with interest on the stock. The company has a record of 41% profit, but the preferred dividend is a new low by a narrow margin.

Not trading in Reading. Reading, which declined in the forenoon, closed at 10 1/2. The stock was held by a group of investors, including the Reading Railroad Company, and the price was supported by a group of investors.

Railroad earnings statements for the first three months of the year show some instances, at least, of income. Southern Pacific had a deficit of \$1 million, but the company reported a net income of \$1.2 million.

MISSING SUITCASE IN RAIDED ROOMS

Officers Seeking Contraband Liquor Discover Grip Taken Out of Motor Car Here

A suitcase containing clothing belonging to two Twin Falls girls which was taken from a car near the high school here the night of March 13, was discovered by officers in a liquor raid on apartments occupied by Roy Kimbrough and his wife, Mrs. Vivian Kimbrough, at 34th Wednesday night. It was stated at the sheriff's office here yesterday. The raiders also confiscated three pint of moonshine whiskey after the woman destroyed five quarters of the liquor before the officers could reach it, they said.

Mrs. Kimbrough pleaded not guilty to a misdemeanor charge of illegal possession of liquor when she was arraigned before Judge Guy L. Kinney in probate court here yesterday. Trial was set for next Wednesday.

Kimbrough, arraigned on a felony charge of possession of liquor after prior conviction, took the statutory time to enter his plea, which is to be received this afternoon.

In default of bond, both Mr. and Mrs. Kimbrough were held in the county jail here.

Members of the sheriff's force co-operated with the "Bull" boys in the raid on the Kimbrough apartments.

TWO MEN PLEAD GUILTY TO STEALING OF HOGS

Two men accused of grand larceny of a hog stolen from the Murrell Hanning farm near Kimberly the night of March 3, pleaded guilty on arraignment before Judge W. A. Babcock in district court here yesterday. Judge Babcock set 10 A. M. Monday as the time for pronouncing judgment.

The two men, Tom Barber, 34, and Hattie I. Hubbell, 24, both of Twin Falls, were alleged to have butchered the hog after driving it a short distance from the pen on the Hanning farm, and of bringing the carcass to their place of residence here.

Barber was arrested Thursday of last week, and Hubbell came to the sheriff's office last Monday in response to word the officers sent to him.

Board Threatens Gasoline Donations

Twin Falls county commissioners are anxious considering discontinuance of the purchase of gasoline for stranded automobile travelers here, E. J. Finch, member of the board, said yesterday. Gasoline for "rubber-tired travelers" Mr. Finch said, costs this county around \$80 per month, and does not help them solve their problems in most cases, but only adds \$100 to 10 other communities.

The Twin Falls county board is working with other Idaho county commissioners and city officials for cooperation in this policy, Mr. Finch said.

Business Slack at License Counter

Near approach of the expiration of the time limit, April 1, for securing 1932 motor vehicle licenses, has not counted appreciable increase of business at the license counter at Twin Falls county assessor's office, it was stated yesterday.

The total number of 1932 licenses issued the assessor's office here up to that time was 1294. Some licenses have been issued by a deputy at Buhl, but it was estimated the total number of this year's licenses already issued for Twin Falls county cars would not exceed 1700 or 1800.

The showing is small in comparison with records showing nearly 30,000 licensed motor vehicles in Twin Falls county last year.

State traffic officers have been instructed by the state department of law enforcement that the law requiring 1932 licenses for all motor vehicles in operation on and after April 1, is to be strictly enforced.

IMPRESSIVE TRIBUTE FOR WOMAN PIONEER

With impressive services, a final
tribute was paid here Thursday af-
ternoon to Mrs. Elizabeth McCon-
nel, pioneer of Idaho and a resident
of Twin Falls for 15 years, who died
at her home here last Tuesday. Ser-
vices were conducted by Christian
Scientists, and included singing of
two numbers, "Lead Kindly Light"
and "Still, Still With Thee" by Wil-
son Peck, with accompaniment at
the piano by Mrs. Ernest Stettler.
Interment was in Twin Falls cem-
tery beside the graves of Mrs. Mc-
Connel's husband, Benjamin C. Mc-
Connel, and of a son who died here

some years ago.
Pall bearers were Ernest Stettler,
John Stephens, Arthur Williams,
Fitch L. Basi, James Fisher and Val
J. Henderson.

Mrs. McConnel was the mother of
seven surviving children, the sons
and two daughters, all of whom were
in attendance at the funeral services.
Her sons are Will W. McConnel, Mil-
ner, C. E. McConnel, Twin Falls; W.
H. McConnel, Caldwell; R. C. Mc-
Connel, Montour; J. E. McConnel,
Wilder, and the daughters are Mrs.
O. S. Gillham and Mrs. D. L. Ray-
mond, both of Twin Falls.

LAST SUMMONS COMES TO HANSEN SCHOOLBOY

Eugene Lundy, 13-year-old Hansen
high school student and son of Mr.
and Mrs. A. Lundy, Hansen, died at
the county general hospital here at 9
A. M. Thursday following an emer-
gency operation last Tuesday for
acute appendicitis.

Eugene was one of a family of
eight children, and, besides his par-
ents, is survived by four brothers,
Frank, Charles, Lloyd and Clarence
Lundy; and three sisters, Mrs. Laura
Cramer, Oakley; Mrs. Lorna Klitz,
Twin Falls, and Miss Lorna Lundy,
Hansen.

The family has lived at Hansen for
many years.
Arrangements for funeral services
had not been completed last evening,
but it was stated, interment will be
in the Rock Creek cemetery. The
body rests at the Drake mortuary
here.
