BACKERS OF BONUS BILL FACE CERTAIN DEFEAT IN SENATE

Representative of Veterans Threatens Police During Clash Over Demand for Quarters for 20,000 Men

(By The Associated Press) WASHINGTON, June 16—Hundreds of ragged war veterans transferred their lobbying efforts to the senate today to help the \$2,400,000,000 bonus bill along a rough road, but Democratic and Republican leaders saw only certain defeat for the measure.

The bill, which would authorize the payment of the bonus certificates from the treasury in cash, met its first obstacle when the senate finance committee unfavorably reported it to the floor by a 16-10 vote.

An attempt to obtain a roll call today on the measure, which passed the house yesterday, was blocked by Senator Thomas, Democrat, Oklahoma, who said the members had not been given sufficient time to study it.

The bill was taken up late today in the senate but debate postponed until tomorrow, when a vote also is expected. Leaders of the senate believe there are about 35 out of the 85 senators in opposition.

Into the controversy four eastern Democratic senators—Wahler, and Wagner and Clegg—of New York—today moved a \$100,000,000 "they would stand up for" passage.

The condition of the public treasury and the serious menace to the nation's credit, which make it impossible to act favorably on this measure without bringing about a financial collapse, is the basis of our opinion, protesting financial collapse.

MACDONALD LOOKS TO AMERICAN AID

After Premier's Address at Lausanne, German and French Spokenmen Confide

LAUSANNE, Switzerland, June 16 (AP)—Repatriation conference, which heard Prime Minister Ramsay MacDonald's speech today, declared that American help is imperative if the world's economic disaster is to be wiped out.

After the brief opening meeting it lasted an hour and 10 minutes—the leaders of the principal delegations confided to the press that they no longer can pay reparations.

Premier Edouard Herriot, France, remarked in explanation that these days "one cannot indulge in the luxury of words." There are facts to be examined, he said.

The new German chancellor will not hastily repudiate reparations when he comes before the conference. The Associated Press learned on high authority.

He said M. Herriot had their first private talk this afternoon at the Frenchman's hotel. In the course of the talk the British premier said he would adopt a policy milder than that of his predecessor, Dr. Heinrich Brüning.

MAJOR PROBLEMS DELAY CONGRESS

Bonus, Relief and National Economy Bills Still Remain for Decision Despite Legislators' Swift Action

(By The Associated Press) WASHINGTON, June 16—Congress today acted swiftly on a bulky volume of legislation but adjournment plans still were bound by three powerful things—the bonus, relief and national economy bills.

The measure, approved without a record vote, authorizes the appropriation of funds to refinance existing commercial loans and storage charges against the wheat and cotton.

States Voting Strength At Republican National Convention

THE ABOVE MAP shows votes in each state group at the Republican national convention in Chicago.

FORECAST FOR TODAY AND TOMORROW - Generally fair and mild.

Twin Falls vicinity temperature in the 24-hour period preceding 3 P. M. yesterday ranged between 70 and 83 degrees...

Amidst more cheering as she proclaimed that the support of the women was secured...

George R. Stobbe, Worcester, presented former Governor Fuller, Massachusetts, to have that nomination seconded by Governor Winant, New Hampshire.

R. B. Cramer, the Texas congressman, favored Stobbe who immediately disavowed the move...

MacNider's name was the briefest of all...

The first time Pennsylvania was called on the roll, 75 votes went to its General Martin...

His business done, the delegates in the main made a hurried getaway...

and his bear flag and the state standard into the aisle in a warring-shuffling parade...

The first major decision by the new national committee was selection of Edward Sanders...

The committee previously had designated Chairman Shell to head the committee that is to formulate the platform...

And they embroiled it all with that all but last word of the day, the talking movie...

There was noise, the clashing music of competing bands and the overheard voices of the mighty big organ...

Down in front the Californians leaped up to follow Governor Ralph

and the bear flag and the state standard into the aisle in a warring-shuffling parade...

On signal, a second band struck up and the crowd moved forward...

Delegates more eager to see than to march climbed to their chairs and began waving the bear flag...

High against the flag draped roof half a dozen big setting bars began to groan and sag...

They raised over the platform, where party dignitaries like National Chairman Paul Secretary Will...

From several entrances clusters of high held staffs fought their way in and slowly unrolled the banners...

There was so much general noise that cheering or yelling seemed hopeless in competition with the bands...

In the end Chairman Shell ruled the matter with his gavel, added five grants from the organ to call attention...

The convention also voted down a proposal to reduce the press delegation...

Delegated raised \$600 to make repairs to headquarters in Washington...

Delay in general action by the World Court was denounced by Mr. Ben Hooper...

Arguing against the proposal, of Mrs. Maude Aldrich, Washington, offered the motion...

"A SURPLUS OF PURITY"

A Timely Suggestion to the MOTORING PUBLIC

FOR the past six years, tires have been steadily dropping in price at periodic intervals.

No one familiar with general economic conditions and production costs could consistently recommend buying tires in advance of current needs as being desirable.

But now we have reached the point where crude rubber has declined from \$1.20 a pound in 1925—an artificially high price—to less than 3c a pound, which is far less than it costs to produce.

Cotton, too, has dropped from more than 20c a pound to around 5c a pound, which also is less than its cost of production.

These—rubber and cotton—are the two main materials entering into the construction of pneumatic tires.

A STEADY reduction in tire prices has been brought about almost entirely by the drastic decline in price of these two basic raw materials.

So in buying your tires now you get the benefit of these two items at less than cost of production, and the benefit also of price reductions made to give every possible inducement to stimulate buying for the purpose of keeping labor in the tire factories employed.

It must be evident, therefore, that tire prices have reached bottom and that you can wisely and profitably replace such tires as are worn to a point where they will soon become unsafe, and that also you can anticipate your future requirements to some extent and know you are making a good investment.

With the need of promoting employment wherever possible, and the imminence of a substantial revenue tax on tires, I believe that you will be benefiting yourselves and the country at large by making your tire purchases now.

BOY SCOUTS TREK TO CAMP SHOSHONE

Restored Water Supply Make Possible One-Week Term Among Pines to South

The summer camping season for boy scouts of the Snake River area will open next Sunday when Camp Shoshone, in the Shoshone basin, 40 miles southeast of Twin Falls, which has been closed the past two seasons, is to be reopened for a one-week camp, Wilbur S. Hill, chairman of the Twin Falls district boy scout council, announced yesterday.

Scouts from Twin Falls, Kimberley, Hamman and Boise are expected to attend this camp. They will furnish their own transportation and provisions, and their own stoves. The camp is to be operated largely with a view of acquainting with the study of geology leading to award of merit badges which are to be conferred by boards of review and court of honor sessions to be held in camp.

Camp Shoshone has been closed the past two seasons on account of inadequate water supply, which, according to reports brought here recently, has been remedied by snow and rains of the past several months, restoring the normal flow of spring—which supplies the camp.

Other boy scout camps in the Snake River area this season are to be opened at Camp Sawtooth July 2, and Camp Independence July 24.

GOODING-CAMPUS SCENE FOR HOLSTEIN PICNIC

An annual Holstein picnic for Holstein breeders and all other persons who are interested in the black and white cattle, is to be held under auspices of the South-Central-Idaho Cattle Breeders' Association on the state school campus at Gooding next Saturday, June 18.

A program of demonstrations and judging contests has been arranged, and speakers expected include D. L. Alderson and D. E. Fout of the University of Idaho, extension director, and H. A. Matheson, field representative of the national association. A. H. Jagers, Buhl, is president, and Thomas E. Speedy, Jerome, secretary of the local organization.

A letter of invitation received here from the secretary's office calls attention to opportunity that will be presented on this occasion for inspection and study of a model dairy barn lately completed on the state school campus. The letter says:

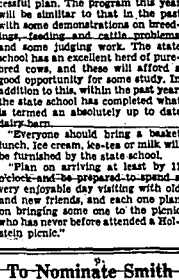

"The annual picnic of the South-Central-Idaho Holstein Breeders' Association will be held Saturday, June 18, at the state school at Gooding.

"The association is following its usual policy in holding its picnic in a different locality each year, and we have found this to be a very successful plan. The program this year will be similar to that in the past with some demonstrations on breeding, feeding and cattle problems, and some judging work. The state school has an excellent herd of purebred cows, and these will afford a good opportunity for some study. In addition to this, within the past year, the state school has completed what is termed an absolutely up to date dairy barn.

"Everyone should bring a basket lunch. Ice cream, tea or milk will be furnished by the state school.

"Plan to arrive at the school by 11 o'clock and be prepared to spend a very enjoyable day visiting with old and new friends, and each one plan on bringing some one to the picnic who has never before attended a Holstein picnic."

Save 2 1/2¢ PER GLASS

on your Strawberry Jam

... The cheapest, most delicious strawberries of the year are crowded in the local markets. Read how you can make jam quicker than ever.

Mrs. F. M. Bateman
ILLINOIS STATE JELLY CHAMPION

"I just hate to think of women still making jam and jelly the old-fashioned long-boil method. It's so costly. And so terribly tedious!"

"I make all my prize-winning jellies and jams with Certo. And I would never think of doing it any other way."

"In the first place, Certo reduces boiling time for crushed strawberry jam, for instance, to one minute. And, of course, that is how it saves me so much money. For with so little boiling needed, not one bit of the fruit juice has time to boil away. And as a result I get almost double the number of glasses from the same amount of fruit... and save as much as 2 1/2¢ on every glass."

"Of course, this 1 minute's hard boiling saves lots of time, too. Indeed I can make a complete batch in only 12 minutes."

"And with Certo you get much better tasting jam or jelly. Certainly the 37 prizes the State Fair Judges awarded my jams and jellies in the last two years testify to that!"

Why not do as Mrs. Bateman suggests and order a supply of Certo to-day? You will be delighted at the money and time it will save you! And the extra flavor it will give! And the extra flavor it will give! And the extra flavor it will give!

Garden Begins Drive For Customers For Titular Battle

Promoter Reports \$100,000 of Gate Already on Books

Championship Contest; However, Threatens to Set New Financial Low Mark For Period of Depression

By EDWARD J. WELLS (Associated Press Sport Writer) THE BOXING game is in perfect condition already by the fighters, Madison Square Garden is expected to lay down long paying customers into the new bowl on Long Island for Jack Sharkey's heavyweight title fight on Max Baer's Tuesday night.

"Boxing day" announced Jimmy Johnston, manager of the Garden's title affairs, that there is about \$100,000 in the till right now and you can also say for sure that it will be one of the greatest nights ever staged by heavyweights, one of the most magnificent ones of the year.

The drive continues to recruit from the little pink pile, a championship title that threatens to set a new financial low for the sport and will not be any change in the \$22 price tag on the best ring seats in the bowl, some changes are contemplated in the seats of lower priced seats.

Johnston's prediction of the probable attendance of 65,000, now is reduced to 40,000 with less optimistic observers doubt that 40,000 will be secured across the big structure that seats 72,000.

In the match, one of the nature of the outdoor season, both fall to better \$300,000, the heavyweight fight, which will slugged all the way back in a financial sense, to 1910, when Jim Jeffries and Jack Johnson tallied between \$700,000 in cash purses at Madison Square Garden.

The word from the veterans in the training camps was just as reassuring as it has been for the past week, "I'm in the best of shape," says Schmeling he found, themselves into perfect condition as any two heavyweights ever attained for a title match.

Sharkey rested during the day at Orangeburg, but decided that he will fight on Tuesday night, June 18, after a day's continuing through Monday.

Max's big fight on Tuesday night, June 18, is a very important one for the Garden's camp at Kingston, New York. It is expected to bring in a million and a half in gate, the boxing with three sparring partners. Max's big fight on Tuesday night, June 18, is a very important one for the Garden's camp at Kingston, New York.

Canzoneri Whips Dubliners Easily in Chicago Arena

CHICAGO, June 16 (AP)—Dubliners overwrought Canzoneri, lightweight champion of Chicago, overwrought Canzoneri, lightweight champion of Chicago, overwrought Canzoneri, lightweight champion of Chicago.

Canzoneri, a right eye with a swelling left eye, the fifth the eye was tightly closed. Despite the handicap, Dubliner spread up to win the seventh and eighth rounds, but Canzoneri's left eye left Canzoneri's face to build up his edge.

The champion set a hot pace and kept Dubliner on the defensive until the seventh. Then, apparently tired, he let Dubliner get back on his feet and Canzoneri called effectively. Canzoneri concentrated on Canzoneri's right eye, hitting through the early rounds and dealt more than enough punishment to keep Canzoneri from coming back.

Sammy Levine, Chicago featherweight, scored a technical knockout over Frank Chick, Milwaukee, in the fifth round of the 12-round preliminary. Harry Paul, Philadelphia middleweight, stopped Johnny Bates, Chicago, in the second round of another six-rounder.

Between 5000 and 6000 fans watched the show.

Clout with Two Mates on Bases in Sixth Inning Results in Defeat of Windy City White Sox

Canzoneri Whips Dubliners Easily in Chicago Arena

CHICAGO, June 16 (AP)—Dubliners overwrought Canzoneri, lightweight champion of Chicago, overwrought Canzoneri, lightweight champion of Chicago, overwrought Canzoneri, lightweight champion of Chicago.

Canzoneri, a right eye with a swelling left eye, the fifth the eye was tightly closed. Despite the handicap, Dubliner spread up to win the seventh and eighth rounds, but Canzoneri's left eye left Canzoneri's face to build up his edge.

The champion set a hot pace and kept Dubliner on the defensive until the seventh. Then, apparently tired, he let Dubliner get back on his feet and Canzoneri called effectively. Canzoneri concentrated on Canzoneri's right eye, hitting through the early rounds and dealt more than enough punishment to keep Canzoneri from coming back.

Sammy Levine, Chicago featherweight, scored a technical knockout over Frank Chick, Milwaukee, in the fifth round of the 12-round preliminary. Harry Paul, Philadelphia middleweight, stopped Johnny Bates, Chicago, in the second round of another six-rounder.

Between 5000 and 6000 fans watched the show.
