BURLEY BEET MILL BEGINS OPERATIONS

Five of 16 Receiving Stations Open and Hauling of Crop Commences

BURLEY, Sept. 29 (Special to The News)—Hauling of beets was started Wednesday at the Annamated Sugar company mill, with prospects of a run continuing close to 100 days. Five of the 16 company receiving stations are open. Preparations are being made to put others into operation in the near future. Already, several carloads of beets have been hauled in by the road, and they are being piled to the yard mechanical piler by truck and wagon.

Arrangements by the company for beets and labor, this coming run, which bids fair to be heavier than for some seasons past, are estimated in excess of \$400,000.

GOVERNOR'S PLAN TO HANDLE RELIEF CREATES TEMPEST

Willie Willis
by ROBERT QUILLER

Associated Charities Hears Heated Debate on Administration of Fund; New Officers Next Step

Twin Falls Associated Charities re-elected E. J. Finch as chairman and elected other officers for the coming year at a meeting attended by approximately 100 persons in the parish hall here last night, after a long history, it referred by common consent to the plan for distribution of federal government relief funds in Twin Falls county.

The plan which Governor Ross announced in Twin Falls Wednesday evening, was presented at last night's meeting by O. W. Williams, Twin Falls county attorney, who said he had been designated as the governor's representative for that purpose.

The plan as outlined contemplates expenditure of the government relief fund allotted to this county for labor in harvesting and storing of products to provide for relief requirements, and for payment also for such other labor as might be authorized by a local organization cooperating with the governor in this program.

It was made evident that a county-wide organization would be required to contact the governor in this undertaking.

Repayment Feature Vague

It was not made plain in discussion whether any local obligation for repayment of the government relief funds allotted to this county would be required under the governor's plan. In this connection the governor's representative stated that he would be glad to explain the situation, and he promised to be glad to help those who help themselves.

The governor's representative struck fire when he announced that the governor "has always been ready and willing, and is now, to cooperate with any organization whose main object is to relieve destitution. . . . He desires the citizens to organize and report to him the money that will be wasted. . . . There is now available \$10,000 to the citizens of this county for this purpose and more if necessary."

The spokesman's assertion that the governor "has always been ready and willing" to distribute relief on the basis outlined was accepted in some quarters as a challenge to Twin Falls county commissioners who recently appealed to the state supreme court to require the governor to distribute these funds "equally and ratably among the political subdivisions of the state."

"As late as September 10, 'W. Orr Chapman, Twin Falls attorney, declared, "aid for some time thereafter the governor was not ready and willing to distribute any portion of this fund to Twin Falls county unless the commissioners were willing to saddle the burden on the taxpayer. . . . He quoted from the governor's letter to the commissioners on the date mentioned in his statement, "I know of no way you can get the money without providing some way of paying it back."

"The Associated Charities chairman, Mr. Finch, who is a member of the board of county commissioners, called on Mr. Chapman and told the commissioners had sued the governor and what led up to it."

Mr. Chapman reviewed negotiations between the governor and the commissioners, both before and after he was employed by the board to require the governor to distribute the fund "as we believe the law provides it should be distributed." In three conferences with the governor, he said, the commissioners were unable to obtain any proposition from the

Expert on Fruits and Vegetables Advises Housewives of Twin Falls

Ed Vance, pioneer fruit and vegetable grower of Twin Falls county, has discovered that most housewives do not know the seasons for canning and preserving fruits and vegetables. Vance, who picks apples during the strawberry season and grapes during the berry season, he said.

"Do you know all the seasons of fruits?" he was asked.

"Having been in the business here for 20 years, I've gained a pretty good knowledge of fruits and vegetables," Vance replied.

"Strawberries are the first fruit to ripen, and are at their best from June 15 to June 18. The first part of the crop is the finest."

"Grapes ripen best during the latter part of June."

"Next in the line are raspberries, which ripen about July 4. The first riping is the best, as later, they become seedier. I move them to the red ripening stage closely, but as longer and hold their quality better."

"Currants ripen about July 15, but if you desire the delicate flavor, leave them on the bush till August."

"Overt cherries are the best of the cherry crop, and are ready to can about July 15, and are soft, though, and do not last long."

"By the middle of July, the Royal Alaska sweet cherries are ready, and are followed a few days later by Lambert's, sometimes called Ox hearts."

"The ripening season starts about July 20, but the best eating varieties do not appear on the market until August.

"The harvest pear is the first of the canning pear to ripen, and is usually ready in September 20. The about white varieties are not ready until October."

"Cucumbers should be bought during the latter part of July or the first of August, as they stop setting on the vines when the nights become cool."

"Sauer kraut should be made about the middle of September, as the days are still warm enough to permit making it out-of-doors—a plan most housewives favor."

"Cucumbers are picked too soon to obtain the true green flavor, but like cucumbers, they will not ripen. Concord and Niagara should not be picked before October 1, and the middle of the month is the best time to pick them."

"Italian and French pines should be left on the tree for a week after a good killing frost, one that starts the leaves to dropping. Green pines are as worthless as green melons."

Rare Flower Blooms In Twin Falls Home

A night-blooming Cerulea, rare and beautiful flower which only blooms one day in the Twin Falls territory, was in flower at the home of Mrs. J. B. Wall in Twin Falls.

Mrs. Wall brought the plant with her some time ago from North Carolina.

It is blooming for the first time, and it is the only plant of its kind in South Idaho, it is one of a very few.

Mrs. James M. Wall, mother-in-law of the owner of the plant and a life-long flower lover, recalled that she had seen one other such flower many years ago. The plant is large, and is quite sturdy, but appears reluctant in the production of blossoms.

The blossom is of a white and pink combination, and the aroma from it is delicate and can be noticed some distance from the plant.

BALMER DENIES CHARGE

In Twin Falls police court yesterday Ray Balmer, Twin Falls, pleaded and was released under a \$200 bond to secure his appearance at trial October 15. Balmer was discharged last Monday from the county general hospital where he was under treatment 35 days for injury to his eyes caused by discharge of a tear gas bomb in the hands of an officer he is alleged to have been resisting. Barney Colbert and Ray Coad furnished the bail bond.

An organization meeting of the Loyol Temperance Legion will be held Saturday from 2 to 4 P. M. at the home of Mrs. Edith H. Jacklin, 1207 Seventh avenue east. Everyone interested is invited to come.

Defends Executive

The county attorney, serving as the governor's representative, replied with a dramatic defense of the governor and the proposition he had been commissioned to submit to last night's meeting.

"I don't know," he declared, "whether this is all out and direct, I came here at the request of our governor to tell you what he was willing to do. I figured you would appreciate someone as the state house who was willing to give the money so we could distribute it. Do I hear the hard-core taxpayers objecting to putting the stamp of disapproval on his head?—if you want the money, organize and ask for it."

"You are tendering \$5000 to the Associated Charities—without any conditions, Mr. Chapman related."

"When Governor Ross, through any mouthpiece, or his own mouth states that he was all ready to put this money out for the purpose for which it was intended, he states something that is not true and not the fact," Mr. Chapman retorted.

"I am sure that we appreciate this offer and that the directors will like to confer with the governor regarding it," the chairman interjected.

"With the understanding that this

Keep Many Groups Occupied

BURLEY, Sept. 29 (Special to The News)—Parties for visitors, a farewell party, club sessions and card games kept Burley's socials inclined occupied during the midweek. A lovely social afternoon was planned by Mrs. Andrew Bell in honor of Mrs. L. W. Knut of Blackfoot, Idaho, who is visiting here with her daughter, Mrs. M. J. King. The guest list included Mrs. M. J. King, Mrs. W. L. Turner, Miss Gudmundson, Mrs. W. L. Turner, C. W. Keas, Lillian Miller, Mrs. M. J. King, Mrs. M. J. King, Mrs. Edwards and George Romney. The party was given at the "Tran" Park home on another evening. Miss Martha Hansen was surprised last evening at her apartment in the Honney, by about a dozen of her close friends, who called to spend the evening in Miss Hansen's new quarters and brought a shower of fruit and jellies. Mrs. George Lytle acted as sponsor and arranged lunch after an evening of needlework.

BODY OF PIONEER AT RUPERT GOES TO REST

RUPERT, Sept. 29 (Special to The News)—Funeral services for Russell M. McCloy, 59, pioneer of Burley, who died in Burley at the family home Sunday from cancer, were conducted Wednesday at 2 o'clock at the Second ward Latter-Day Saints church. Bishop David I. Gardner officiated and interment was in Rupert cemetery, in charge of the Goodman Mortuary. Mr. McCloy's birthplace was Hooper, Utah. In 1908 his marriage to Austie Miles took place in Salt Lake City and after living in Utah five years, they came to Rupert, owning a farm near Acapulco, Sonora. After improving another farm and far from Rupert, the family moved to the city, where they have made their home for several years. Surviving are his wife and their four sons: Mike, Claude, Ralph and William. The children are: Ralph and George McCloy; Hooper; four sisters, Mrs. W. H. Hardy, Rupert; Mrs. Henrietta Wadsworth, Idaho Falls; Mrs. Maggie Farrington, Ogden; Mrs. Warren Arave, Hooper, Nevada; and Mrs. George Simpson and Mrs. Elena Simpson, Ogden, sisters of Mrs. McCloy. Mrs. Alfred Manning, another niece, of Hooper, was also here for the funeral.

SCHOOLS OF WEST END RECEIVE HEALTH TESTS

BURLEY, Sept. 29 (Special to The News)—Dr. George O. Halley, head of the county health unit, assisted by Mrs. Harry Wilson, made his annual visit to the Lincoln building Tuesday, beginning with the fifth grade. A physical examination, charting the weight, and eye examination completes the work among the children. The work will continue on Friday. Wednesday, Miss Helen Wolfe visited the Misses Vetter, McCrea, Cedar Grove and Northview schools. Mrs. Wilson and Dr. Halley visited the Deep Creek school on Wednesday.

Gossiping Neighbors Tip Off Mrs. Poe

Hears them tell how husbands enjoy cold-weather breakfasts of LOG CABIN Syrup on pancakes

Daddy certainly likes these hot cakes—now that I cover them with LOG CABIN SYRUP!

"My neighbors gave me that tip about Log Cabin Syrup and hot cakes. And believe me I'm indebted to them for life!"

"My John positively beams as he pours that golden, maple flavored syrup over his cakes. There's no getting around it. As my eyes himself, nothing around it. Like hot cakes on a frosty morning... and nothing goes with hot cakes like that mellow maple tang of genuine Log Cabin Syrup!"

"I can tell you something else, too! Log Cabin Syrup makes cakes taste tender and lighter—amazingly so!"

Of course it does, Mrs. Poe. It's made that way! Log Cabin has just the right body to really warm pancakes with delicious maple flavor. And as a result, the cakes simply fall apart at the touch of a fork. Try it—and see!

To achieve this consistency and flavor, we use three kinds of sugar in making Log Cabin. Delicious Vermont and Canadian maple to give that delicate, mellow maple flavor. Then just the right amount of fine cane sugar to give that smooth, penetrating consistency that makes pancakes served with Log Cabin so light and tender.

Be sure to give your husband hot cakes and Log Cabin Syrup for breakfast tomorrow! And you'll want to use it, too, on muffins and other hot breads. A product of General Foods.

WHITE LABOR GETS ANOTHER CHANGE

Grower Agrees to Substitute Capable Workers For Mexican Field Hands

White labor is to be given another chance at work in best fields on the West-Schmidt farm-southeast of Twin Falls, where 10 white workers were displaced by nine Mexicans last Wednesday, it was announced here yesterday.

The announcement brought to an end, at least for the moment, evidence of resentment and dissatisfaction which were manifested here yesterday by collection of a crowd of 30 to 40 white laborers and a number of onlookers, assembled at the intersection of Main avenue and Shoshone street during the afternoon.

Announcement of Mr. Schmidt's purpose to give another opportunity to white laborers came following conference held here Monday night by Sheriff E. F. Prater and E. J. Finch, member of the board of county commissioners and chairman of Twin Falls Associated Charities.

Sixteen experienced white laborers are to go to work tending and loading beets on the Schmidt farm at 7 o'clock this morning, replacing Mexican workers, it was announced.

"I have not employed Mexicans the last four years," Mr. Schmidt said last evening. "I kept four families on the place last summer, and five or six families this summer, and right now I am providing employment for 18 white families living at Twin Falls and Kimberly."

"These men that I stopped from working in the beet fields Wednesday had agreed to keep my crew going but they didn't do it. The crew consisted of three men, seven horses and a truck. They were delayed all the time. These men were told Thursday afternoon they would have to do better, and they said they were doing all right."

"I figured at the rate they were going, I would take 54 days to get all of my beets and potatoes out of the ground. I stopped them in order to save the crop and get it out of the ground before it was trampled in. I would prefer to employ white labor if it can do the work that has to be done."

With funeral services in the Methodist church at 3 P. M. today, a final tribute is to be paid to Mrs. Ida Florence Laubenheim, 53, wife of C. N. Laubenheim and resident of Twin Falls for many years, who died early Wednesday at the residence of her brother, C. O. Merrill, 1118 Seventh avenue east. She had been ill for about one and one-half years.

Services were conducted by Dr. Elijah Hull Longbrake of the Methodist church, and interment is to be in Twin Falls cemetery, the body being laid out at the White mortuary.

Deceased her husband, Mrs. Laubenheim is survived by three children, Mrs. Mildred Riley, Nelson Laubenheim and Miss Ellnor Laubenheim, all of whom she also her mother, Mrs. Adaline Merrill, San Angelo, Texas; two sisters, Mrs. Edith Burnside, San Angelo, Texas; and Miss Dorothy Merrill, New York, and one brother, C. O. Merrill, Twin Falls.

Her mother and two of her children, Nelson Laubenheim and Miss Ellnor Laubenheim, who with her when she expired, and all of the children had visited here recently. With her family, Mrs. Laubenheim came to Twin Falls little about 10 years ago from Iowa, and Mr. Laubenheim was for a number of years engaged in business here as proprietor of the Lucky grocery on Main avenue north. The family moved to Seattle about five years ago, and Mr. and Mrs. Laubenheim returned to Twin Falls about a year ago.

Mrs. Laubenheim was born at Coulterville, Illinois, January 7, 1879.

Merrill, 118 Seventh avenue east, who had been ill for about one and one-half years.

Funeral services were conducted by Dr. Elijah Hull Longbrake of the Methodist church, and interment is to be in Twin Falls cemetery. The body will rest at the White Laboratory.

Deceased her husband, Mrs. Laubenheim is survived by her children, Mrs. Mildred Riley, Nelson Laubenheim and Miss Rinor Laubenheim, all of Seattle, and also her mother, Mrs. Adaline Merrill, San Angelo, Texas; two sisters, Mrs. Edith Burnside, San Angelo, Texas, and Miss Dorothy Merrill, New York, and one brother, C. G. Merrill, Twin Falls.

Her mother and two of her children, Nelson Laubenheim and Miss Elford Laubenheim, were with her when she expired, and all of the children had visited her recently.

With her family, Mrs. Laubenheim came to Twin Falls in 1908. She is 18 years ago from Boise, and Mr. Laubenheim was for a number of years engaged in business here as proprietor of the tacky grocery on Main avenue north. The family moved to Seattle about 10 years ago, and Mrs. and Mr. Laubenheim returned to Twin Falls about a year ago.

Mrs. Laubenheim was born at Dubuque, Illinois, January 6, 1879.

VERDICT FOR DEFENDANT IN DEAL FOR STOKER

Verdict was rendered in a case involving a dispute over a stoker's wages in the district court yesterday, awarding judgment to J. E. DeWitt, Twin Falls defendant in the case, by the Detroit Coal company, Twin Falls, for \$400 damages, growing out of a deal for fuel for a stoker's engine in a dwelling owned by Mr. DeWitt.

The claim for damages was based on the financial condition of one Guy Jaynes, whose promissory note for \$400 was given to DeWitt as partial payment for the stoker. Evidence disclosed that a Detroit company had accepted the original note received from DeWitt, that the second note was reduced to judgment under which other notes and a watch were seized and sold.

IDAHO DEPT. STORE

CAN SAVE YOU MONEY

This Fall, Of All Years.

To really appreciate the values you can get here you must check and compare around town. So many of our items are marked way below their market value today we want the benefit of the advertising in having you really know what you are saving. We got in on the low of the market for practically all of our purchases and we bought heavily. Since then the market has advanced for almost all lines. Your comparison tells the rest.

Business Is Good In The IDAHO DEPARTMENT STORE
 Here Are A Few Indications

In the special of Rayon Underwear held in the Dry-Goods Dept last week, out of a total of 504 garments, they sold 245 on Friday and 100 on Saturday.

In the shirt special held in the Men's Store last Friday and Saturday, they sold 139 shirts on Friday and 121 shirts on Saturday. That's a lot of shirts.

Last Saturday in the Men's Dept, they sold 19 men's suits. This was just regular clothing business. There was no clothing advertising or clothing specials of any kind.

A sales force practically as large as a year ago is here to serve you. They and their families are being supported by your patronage and they are giving a brand of service that has never been equaled in Idaho Dept Store history.
