POPE ADDRESSES

KIMBERLY CROWD Democratic Aspirant for Thomas Post-Finds Fault With Present Conditions

KIMBERLY, Sept. 30 (Special to The News)—Mayor James P. Pope, Boise, Democratic nominee for the United States senate, told an audience here Friday night that the present economic crisis was no time for party quibbling. He pleaded for the elimination of party-line and urged voters to support those candidates pledged to the program of Franklin D. Roosevelt, who, he declared, would be "the best president of the United States."

The candidate opening the campaign in Twin Falls county, arrived Friday morning after speaking dates at Glenna Ferry and Shoshone. He will continue through his district in the next few days.

Discussing the national situation, Mr. Pope said that expenses of governments have increased 65 per cent since 1917, while incomes of labor and others have been decreasing.

"In some of the northern sections of the country," he said, "the price of bringing 20 cents a bushel. Property is at the point of confiscation."

"The so-called Grange 'landslide' has been a failure," he declared, "and is doing Senator Borah, places the whole burden of the tariff on the farmer, who is the backbone of the United States senate despite all protest. This bill was supported by Senator Thomas, although denounced by Senator Borah."

"The farm board has a delinquent farmer than a help-and, in some cases, have been ordered to bear in the 3 per cent tax on electricity. This tax should have been assessed against the power companies, which were well able to bear it; but although the original measure placed the tax on the power companies, when the bill came up for final vote the 3 per cent was fixed on the consumers."

"The last five or six years Idaho has virtually been without a vote in the national senate, in nearly every year. I am sure that the people who benefitted the common people the record shows that Senator Thomas has voted consistently in favor of the common people."

"I am holding no brief for Senator Borah, but I will say that if he were elected to the senate in November, Idaho will retain its two votes to which it is entitled."

INTERESTING LAWSUITS GET PLACE ON DOCKET

Two lawsuits of more than ordinary interest, were assigned by District Judge W. A. Babcock yesterday their trial in the district court here beginning next Monday.

MORGAN DEFENDS ROSS' RESUME

Candidate for State Supreme Bench Argues Here for Support of Executives

William M. Morgan, Boise, former chief justice of the Idaho supreme court and Democratic candidate for election to the state supreme bench, told an audience at the Legion Memorial building here last night that Governor Ross "has the figures and the answer ready" in charge of extravagance in his administration. Governor Ross, he said, is not permitted to spend a single dime of the state's money without endorsement of two other members of the board of examining the attorney general and the secretary of state, both of whom are Republicans.

"He urges voters to elect officials to support the executives of their choice, both in the state and nation."

"If you elect Byron DeFombelle, the Republican nominee for governor," he counseled, "elect the other members of the board of his party. If you elect Ross, to 'finish the job' of cleaning up political corruption in the state, elect officials who will cooperate with him."

Judge Morgan's introductory remarks were given over to arrangements of the Republican administration and "all who have prospered as a result of the Hoover administration."

States Thomas' Record Senator John Thomas, Republican nominee for reelection, had consistently supported the national administration by voting for every measure which favored the protection of interests and which opposed unproductive labor and overburdened agriculture. Judge Morgan declared.

"He voted for the Grundy tariff, the shifting of the power tax on the consumers and the confirmation of Judge Parker, and has taken the side of the rich on all measures where their interests conflicted with those of the poor. His vote nullified the vote of Borah on many of these measures," the speaker asserted.

The meeting was presided over by D. J. Cavanaugh, Twin Falls county Democratic chairman, who introduced Mrs. Myrtle P. Eakin, Gooding, candidate for state treasurer, and H. C. Parsons, Twin Falls, candidate for state auditor, both of whom made brief talks. Mrs. Carrie C. Whelan invited the speaker to attend a meeting of the Democratic Women's club at the Baptist building this afternoon. James D. Hedges, passed out membership cards for the Idaho Rosses and Garber club and made an appeal for members.

A number of vocal duets were given by Richard Duvall and Gordon Long.

POSTOFFICE COMBINES JEROME RURAL ROUTES

JEROME, Sept. 30 (Special to The News)—Postal authorities announce that beginning Saturday morning, October 1, routes 4 and 5 of Jerome heretofore covered by four rural routes will now be combined into three routes. Route 1, from one route and added to another and 18 miles additional placed on this route. Box holders formerly listed on Route four have been assigned to Route 1 or 2. Approximately 150 patrons are thus affected by the change.

While salaries of carriers on the three routes thus established will be increased, the total combined increase will not equal the maintenance cost of the additional route. Since the passing of J. O. Lee during the early summer, route 1 has been under a substitute, so the three regular carriers, Elbert Rice, R. T. Callen and T. M. Whaley, continue to serve the routes.

Far Western Teams Engage in Important Grid Contests

Washington State Plays Trojans on California Field

Stanford Cardinals Contest With Oregon State Team In One of Important Games on West Coast

By RUSSELL J. NEWLAND (Associated Press Staff Writer) SAN FRANCISCO, Sept. 30.—Three far Western football teams are expected to meet in one of the most important games of 1932 season that has barely gotten under way.

Champion last year and favorite to retain their crown, Southern California Trojans will face their first big conference in a clash at Los Angeles with Washington State's Cardinals.

Observers who saw the Trojans swamp Utah, 35-0, last Saturday were impressed with the speed and power of Coach Howard Jones' ball players but their lack of a pass department is being pointed out.

Washington State's opening game was a 40-0 victory over College of Idaho. In the second game, the team was defeated by the University of Oregon.

While Southern California will take the field as the popular favorite, it is not necessarily believed that they will be surprised at any of an outcome. Two years ago the Trojans met under similar conditions and Washington State came out on the long end of a 7-6 score and went on to win the Coast conference title.

Washington's Stadium entertains Montana's Grizzlies at Seattle in the annual conference opener between the two teams. The Grizzlies have shown strength in defeating Gonzaga last week, 19-7, while the Montana team has been favored to win this year than in past seasons.

It is in this section, California's State and Oregon State and Stanford's teams on the University of Nevada. Good football weather is forecast for all along the coast.

FORGETS SIDE ISSUE NEW YORK, Sept. 30 (AP)—A football game between Washington and Oregon last week and found them late to minding, football will forget the side issue.

From coast to coast the big fellows are looking for action in the fall state of the season. Many of the players are still in the warm-up camp, but the season is under way.

Outstanding on the national schedule are conflicts between Washington and Oregon State in the Middle West, Southern California and Stanford in the West.
