CHURCH RATES "ROAD- HOGS" AS SINNERS

COLUMBUS, Ohio, May 30 (AP)—"Road hog" rates a wrong-doer in the eyes of the majority of those which members of the Presbyterian church in the United States of America may hear in an address here today.

Those who worry or are superstitious or who criticize or are afraid of the automobile are also rate as sinners.

They're all in a condition of more than "sin" prepared by Dr. J. E. Young, pastor of the Abner Presbyterian church, Dallas, Texas, at the general assembly which adjourned here this morning.

Dr. Young and Dr. William P. Klein, New York, secretary of the church's evangelism division, plan to use the list throughout the denomination as a means of promoting "self-insurance."

For handy reference—no one will be overlooked or forgotten—the list of the 100 most sinful sins is on a chart. Admitted sins can be checked, then according to the plan, avoided.

There are the sins of class distinction, formally, provincialism, discrimination, prejudice, intolerance, bigotry, narrowness, selfishness and aloofness.

"Being a lone wolf," according to Dr. Young's chart, also puts a man in the sinner class.

CALLAHAN ORDERS ROSS TO ACT ON BEER ISSUE

WALLACE, Idaho, May 30 (AP)—Demand upon Governor C. Bon Ross to act on special session of the legislature to legalize the sale of wine sold here in Idaho was made by Donald A. Callahan, state secretary of the state senate, in a letter mailed yesterday.

Senator Callahan who has been identified with many groups seeking repeal of the Eighteenth amendment, urged the governor to call a special session of the legislature of the state to act on the carrying out of the repeal of the Eighteenth amendment.

"The majority of your party in congress has carried out the repeal of your political platform," he said, "and the legislature of your state has played the carrying out of this repeal of the Eighteenth amendment within your hands as governor."

BOY DIES UNDER TRAIN WHEELS NEAR ZION CITY

BALT LAKE CITY, May 30 (AP)—Ronald J. Birmingham, 5, son of Mr. and Mrs. Albert J. Birmingham, was struck and killed by a south-bound Interurban train at Bountiful, Utah, north of here, today.

The boy was struck by the front of a crowd attending a baseball game.

Officers said they learned the boy was standing in front of the Birmingham home across the street from the track and that he had been watching the game. Several neighbors were watching the game. The child fell from the train as it started across the Bountiful electric railroad tracks which parallel the sidewalk. Motorman Lester Paul said he was unable to stop and the child was crushed under the wheels.

The boy leaves a sister in addition to his parents.

America Pays Tribute To Nation's War Dead At Arlington Cemetery

(By The Associated Press)
WASHINGTON, May 30 (AP)—The tributes for their deeds and flowers for their graves America yesterday paid to the nation's war dead here.

Flourishing bands of music in which President Roosevelt attended Memorial day exercises at Arlington cemetery, 50,000 men paraded in New York and a squadron of navy airplanes dropped flowers on the waves beneath which lie the victims of the Akron disaster.

Away from the Atlantic seaboard, however, spring sunshine belted the uniforms, and budding trees played the baseball teams played double-headers and two automobile races.

Daniels Speaks

In foreign lands, too, America did honor to dead heroes. "We'll be placed on the map" in London and on the banks of the River Thames today, the American Legion, in Mexico City, Ambassador Joseph Daniels, secretary of the navy, paid tribute to the 700 Americans killed in Mexico in the war of 1914 and the lives trembled when he remarked that if they were young and did not know the war in which they died.

In this country the celebration took their traditional form—veterans' music, martial volleys and the decoration of graves.

GERMANY REJECTS LEAGUE'S REPORT Berlin, in Diplomatic Language, Asks Geneva Not to Meddle in Jewish Question

BERLIN, May 30 (AP)—Germany today rejected the League of Nations report on the treatment of the Jews and in diplomatic language intimated its intention to keep its hands off the question.

Despite this position of Berlin the League council of the Reich's judicial aspects of the issue to a committee of jurists to whom the matter will have a complete airing.

Germany's treatment of the Jews has been the subject of a report by Franz Bernheim, who described himself as German, and declared that the German-French convention guaranteeing protection to the life and liberty of all inhabitants of Upper Silesia, was violated by German officials in Katowice. The League report, however, stated that the convention was not violated.

Yiddish Convention The council report held that the German measures violated restrictions applying only to the Jewish population of Upper Silesia. The report said that the German-French convention was not violated by the German government, but that the German-French convention was not violated by the German government.

This statement implies that Germany will take steps to insure that the convention shall be applied. Upper Silesia is an area which is incompatible with the convention, and Germany will take steps to insure that the convention shall be applied.

Appeal to League to Insure Treatment of Jews throughout the entire area. Numerous members of the council at today's session appealed to Germany to accord equal treatment to Jews throughout the entire area.

Over the opposition of the German delegation, the council referred the question of Berlin's rejection to a committee of three jurists.

WASHINGTON, May 30 (AP)—Generalissimo Francisco Franco today said that the Memorial day speech today that the United States is a democracy of the people.

Henry Ford Dearborn, Mich.

I suppose that I may claim to be the first Ford Dealer. I not only made cars, but sold them and frequently delivered them myself.

The "drive away" is not new; often I have driven cars from Detroit to towns in Ohio or Indiana or Michigan to make delivery.

There were no good roads in those days, and the people where I drove had never seen a motor car before.

My first really enthusiastic customers were Country Doctors. They were the first to realize the value of dependable transportation to a widely scattered practice.

Even today I occasionally hear from some of those first Ford users. He had to teach local mechanics how to care for the cars. That is how Ford Service began, which is now found everywhere in the world.

We believed from the beginning that a sale does not complete our transaction with our customer—it creates upon us an obligation to see that our customer's car gives him service. Ford Dealers know their duty to the public in this respect.

I can say of Ford Dealers generally that they have been and are men of character and standing in their communities. Most of them have been with us many years, which indicates that we agree on basic business principles. The Company provides that the methods used to sell the Ford car are consistent with the self-respect of the Dealers who handle it.

The present Ford V-8 is the peak of our 30 years experience. We have never made a better car. Its eight-cylinder engine is powerful and smooth running. The car is admittedly very good looking and has comfortable riding qualities. It is economical in operation because of advanced engine design and low car weight.

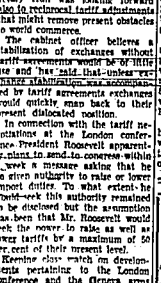

It is the fastest, roomiest and most powerful car we have ever built.

22,000 Derby Fans of England Await Hour For Classic

24 Thoroughbreds Rest As Time For Race Approaches

If Weather Remains Fair, Crowd Expects King and Queen and Other Royalty To See Renewal of Event

(By The Associated Press) **ESPON DOWNS**, England, May 30.—International problem was solved as all England, royalty and country squire, poured over past performance and history, in a multitude of "lives" in an effort to select the winner of the classic derby, which will have its one hundred-fiftieth running over the picturesque Epsom Downs tomorrow.

Twenty-four thoroughbreds, three of them American-born, were ready for the 1 1/2 mile test at quarter of a mile and other were here on their way. Post time is about 3 P. M. at A. M. Eastern Standard time.

If the weather remains fair and there was every indication that it would, the prince of Wales and other members of the royal family will be in the grandstands. Weather will not make any difference to the remainder of the crowd.

One Chief Concern The chief concern of all Britain tonight was whether the favorite, **Maudslayi**, owned by Lord Woolton and ridden by the country's leading jockey, **Colin Jackson**, will actually hit the short odds of 4 to 1 in the pre-race betting. Lord Woolton's "Maudslayi" has been out to victory twice, in 1922 by "Captain Cutler" and again in 1926 by "Comanche."

There have been several last-minute hurries, the biggest of which was caused by the straggling of the "French champion," **"Redoubt"**, winner of the 2000 guineas, J. A. Dewar also scratched. **Leicester**, trained by Steve Donoghue without a mount for a few hours. The veteran jockey, six years winner of the classic, was long in finding a horse, however, his wife long "Tussock," a member of the Derby second string, started at 50 to 1.

Derby's chief hope is "Euphoric," the second choice at 21 to 1, which will be ridden by Tommy Wainwright, who has ridden the classic twice, whose ancestors fought the event in 1790, last won the race with "Euphoric" in 1921.

The three American-owned horses are not given much consideration. **Tommy Wainwright's** "Euphoric" is the majority of other favorites, a long shot will be out in front when the field starts, but it is the favorite in front of the royal box.

Many Supporters Victor Barnard's "Blatant" had many supporters, especially among the American visitors, at the odds of 15 to 1. **McMurray's** "Frank" is an Irish-bred runner, was trained by J. A. Dewar, owned by W. M. G. Sillars, trained by York business man living in England, was more lightly considered, at 50 to 1.

Big money was laid out on the support of "Euphoric" and "Blatant" at 100 to 1, and "King Solomon" at 100 to 1, and "Bart" at 100 to 1.

King George, who will not have a representative in the derby, was at the races to see the "Euphoric" race, run second to "Euphoric" in the Rosebery memorial plate.

MAX BAER AND SCHMELING BEAR DOWN IN PREPARATION FOR NEARING BOUT

HERE ARE the latest photos of Max Schmeling, the former heavyweight titleholder, and Max Baer, clouting California, as they round into shape for their 15-round fray June 8 at Yankee Stadium. At left are two shots of Schmeling taken at his training camp at Lake Swannanoa, New Jersey, the lower showing the fine muscular development of the German's shoulders and arms. At right Baer is seen punching away at the heavy bag in his camp at Atlantic City. Ten days before the bout Schmeling had been established a 2 to 1 favorite by Broadway commissionmen, but an abundance of Baer money indicated the odds would be shortened considerably before they enter the ring.

TWIN FALLS JOINS NATION'S TRIBUTE TO HONORED DEAD

Veterans of Three Wars and Women of Auxiliaries Take Active Part in Community's Annual Observance

More than 1000 persons assembled at public Memorial day exercises in Twin Falls yesterday, following a parade through the city streets. The parade, which started at 10 o'clock, was led by the veterans of the three wars and their auxiliaries. The parade was a grand affair, with many floats and bands. The exercises were held at the city square, where the names of the fallen soldiers were read. The day was a solemn one, with many people in mourning. The community came together to honor those who gave their lives for their country.

Through the kindness of the American Legion, a large number of flowers were placed on the graves of the fallen soldiers. The day was a day of reflection and gratitude for the sacrifices made by our nation's heroes.

The place of honor was two veterans of the Civil War. Their names were read during the exercises. The community was reminded of the long and hard fought battles that led to our nation's freedom.

Members of the three wars and their auxiliaries participated in the exercises. The day was a day of unity and shared remembrance. The community was proud to honor its fallen heroes.

Religious organizations represented in the parade included the Episcopal Church, the Methodist Church, and the Lutheran Church. The day was a day of faith and hope for the future.

The Twin Falls Memorial Band, led by the city band director, played patriotic music during the parade. The music was a fitting tribute to the fallen soldiers.

The day was a day of honor and respect for the fallen. The community was united in its grief and its desire to remember those who gave their lives for their country.

The exercises were a success, and the community was proud to participate. The day was a day of shared remembrance and gratitude.

Memorial Day Speaker Asks Living To Sustain Ideals of Patriot Dead

Government, the wisdom of its institutions.

The nation's living patriots yesterday were called upon to perpetuate the ideals of their patriot dead. The speaker, who addressed the Memorial Day exercises at the city square, urged the living to sustain the ideals of the patriot dead. He said that the living must be true to the principles of liberty and justice for all. He said that the living must be true to the principles of democracy and self-government. He said that the living must be true to the principles of patriotism and loyalty to the flag.
