#### Nazi Leader Speaks Demanding For Dissolution of Steel Helms

BERLIN, June 27 (AP)—Chancellor Hitler delivered a stinging rebuke to the radical elements of the Nazi league today by rejecting the idea of an association of the conservative Steel Helmets war veterans organization.

Hitler, he ordered the Storm Troopers to cease their attacks, by word or deed, on the Steel Helms, whose leader, Franz Seidel, is minister of labor.

The action was taken by political circles as an indication that Hitler has thrown his lot with the conservative wing of the Nazi movement.

Further indication of this was seen in the fact that he conferred at length with Vice Chancellor Franz von Papen, whose speech demanding certain Nazi policies has sent radical leaders on a vigorous nation-wide campaign.

#### Twin Falls Man In Mystery Murder

LOWELL, Mass., June 27 (AP)—A man who had been described himself as George Greg, 25, of Twin Falls, Idaho, was being questioned by police here today in an effort to determine whether he could shed light on the mysterious double slaying of Mrs. Edna Paul A. Cassette in Prosser, June 8.

The police said Greg was picked up for questioning as he sat on a bench in the heart of Lowell. They said they found in his possession an axe with an edge of razor-like sharpness.

The Cassettes, Paul and Alice, were shot to death. No definite clue has been found to explain the slayings.

Explaining the statement to correct many made as to the effect upon the treasury of the appropriation, Buchanan said \$2,904,259,426 had been for emergency relief activities, while the regular appropriations were \$3,721,551,438. This does not include the \$2,000,000,000 foreign exchange fund appropriated as a result of the regular appropriations.

Buchanan was optimistic about the prospective outlook. Citing that President Roosevelt outlined a two-year budget period ending June 30, 1935, in which \$15,000,000,000 was to have been expended, the Texas said the outlook was optimistic was possible by that time but he doubted it.

Democratic president, in his message of last January, also stated that with expenditures for the two-year period of \$15,000,000,000, the public debt on June 30, 1935, would reach the figure of \$31,840,000,000, he said. It is also my judgment that this figure will not be exceeded.

## 4-H CLUB ACTIVITY WEARS NEW HEIGHTS

Reports of Meetings Flood  
County Agent's Office  
With New Groups

4-H club work in Twin Falls county continues at an active pace during the past two weeks. Harvey Hale, county extension agent, said last night reports of club meetings continue to flood the county agent's office and much activity has been shown by both boy and girl club members.

Under the leadership of Mildred Wright of Buhl, the Better Batters club organized June 8 for five girls, all 12 years of age. Meetings are held every Monday at Ann Hamilton, president; Josephine Brown, vice-president; Fern Jones, secretary; and Helen Holmes, reporter. Kathleen Orr is the fifth member of the club.

Curry 4-H Sewing club met Tuesday, June 19, at the home of Virginia Anne Chase. Mrs. Ella Crew, the leader, assisted by Mrs. Walter Miller, directed the first year girls in the sewing of aprons while the second and third year girls worked on garments.

A short business meeting was presided over by the president, Isabelle Miller, and the gathering was concluded with the singing of club songs. The next meeting will be held at the home of Esther Tolbert, July 3.

Demonstration on the making of open-faced Waldorf sandwiches was the feature of the last meeting of the Pan Handlers club under the direction of Mrs. C. E. McGinnis, June 20, Virginia Kerlin and Katherine Isopover gave the demonstration and Besse Miller and Phyllis Hooper made malted milk. No business meeting was held.

Mary-Bethers club under the leadership of Dorothy Cunningham, 344 Thirteenth avenue in Twin Falls, last met June 19 to work on towels. The club is made for an outing at Bamberg's natatorium.

Work is progressing rapidly among the members of the 4-H Sewing Circle of Filer. Mrs. John DeKlois is the leader and the first project is nearing completion.

Another Kimberly club was organized for girls, June 7, at the home of the leader, Isabel Moore. The club has yet to be named.

The third meeting of the Union 4-H Livestock club was held recently at the home of Frank Smith. The meeting was called to order by Wayne Annis and feeding, care and management of young dairy calves was discussed. The afternoon was spent in swimming.

Sewing activity is at its height among the members of the Flying Pinners club. The last meeting was held recently at the home of Mrs. Van Ausdine and members worked on making pockets.

Ralph J. Brown, leader of the Washington Calf club, is giving instructions to his boys in the feeding of young calves. The last meeting of the club, June 10, Billy Nickelson, the president, gave a demonstration of his calf and pigs were discussed. The club meets at Washington school in Filer.

Bunny Baldwin Sowers of Amsterdam are under the leadership of Miss Elizabeth Kunkel. Several third year students belong to the group and the club is well equipped. Sewing is being accomplished.

Country Calf club is one of the most active groups in the county. It reports more activity than any other club and is under the leadership of Frank Southwick. Bobby Hill is president; Douglas Mercer, vice-president; Howard Carson, secretary; Kenneth Ewell, reporter. Other members are John McNabb, Donald McNabb, Marvin Hershberger, Daphnia Bales and James Todd.

The last meeting featured talks on "How to Prepare Calves for the Fair" by Douglas Mercer and "How to Prepare Calves for Feeding" by Daphnia Bales.

Order Draw club tops all other clubs for ambition and plans to stage the next regular meeting on the Fourth of July. The club is a cattle organization and judging is one of its main features.

Girls of the Kimberly Jolly Doreen club have taken to wearing stockings at their last two meetings. The club is led by Mrs. Carl Emerson.

One of the latest clubs formed within the county is a Twin Falls sewing project under the leadership of Miss Melba Cox, 333 Second avenue north. The club was organized June 19 at the L. D. Church with 12 members.

Nell Kirkman was named president of the club, Edna Robber, vice president; Mildred Middleton, secretary; and Iola Adams, reporter. The group is scheduled to meet three times each month at the home of some member.

Younger Kimberly girls who are also organized under the supervision of Mrs. Carl Emerson are members of the Buay Fingers club. The club meets each week and is now occupied in darning stockings.

Popular Hill 4-H club is under the leadership of Herman Bunker Filer. The club is primarily a judging organization, but in leisure moments a basketball team has been organized to wear battles from other organizations.

Needle Craft club is at present spending quite a bit of time in sewing on bloomers and lunch cloths.

Mrs. Harland Monroe of Buhl is the leader of the club of which six girls are members.

At each meeting of the club a program is presented with all of the girls taking a part.

Better Batters meet regularly every week at the home of their leader, Mrs. William L. Hawkins. The group composed of six relatively cooking-club-and-during the past few weeks most of the time has been devoted to vegetables and salads.

Members of the class stress the importance of a cooking club as refreshments are the results of the evening's study.

Willow Workers is a sewing group of 18 members. The Better Batters are also a sewing group.

Future Farmers to Hold Summer Meet

RUPERT, June 27 — Thomas Ma-berry, vocational agriculture teacher in Rupert high school, arrived home Monday from Moscow where he was in attendance at the two-week conference of Smith-Hughes teachers of the state. He immediately announced a meeting of Rupert chapter, Future Farmers of America, for Saturday evening, June 30, at the high school at 8 o'clock.

The meeting is called to complete arrangements for the annual mid-summer tour to Yellowstone park which has become a feature of the year's work as a vacation project.

BRICK-HURLING YOUTH ADJUDGED UNBALANCED

A 20-year-old Twin Falls youth, Gordon Waddell, who late Tuesday evening threw a brick from the top of a two-story building striking and wounding W. A. Hendrick of Los Angeles on the head, was yesterday found to be mentally unbalanced, and was ordered committed to a

state institution. Hendrick, a brother of W. D. Hendrick, Twin Falls jeweler, had arrived in Twin Falls only 20 minutes before and was standing in front of his brother's store on Main avenue south, when he was struck by the brick. Although he received a scalp wound that required stitches to close, he escaped serious injury.

The brick was thrown from the corner of the rear of the building and "caught" the brick thrower descending from the roof.

## DEFENBACH AGAIN OUT FOR GOVERNOR

Former State Treasurer  
Obtains Blanks for  
Entry in Race

BOISE, June 27 (AP)—Brewing Idaho political pots cooked up three major developments today, involving Defenbach, former state treasurer, Lewis Williams, state commissioner of public welfare, and Lewis Clark, who is running for governor.

Defenbach was nominated in the Republican primary without opposition in 1932 and was defeated by Governor Ross, who also was unopposed in the primary.

Ross continued silent. Defenbach served as Idaho treasurer four years, 1927, 1928, 1929, and 1930. He is an accountant of long residence and experience in Idaho and is known as one of the state's outstanding financiers.

When told of Defenbach's move, long anticipated by Republican party leaders, Governor Ross maintained his usual silence on political matters and showed no signs of perturbation.

Two other Republicans are in the field for governor: Frank L. Stephens of Twin Falls, a former attorney general, and J. Wesley Holden of Elgin, Idaho.

The governor is expected in the Democratic primary by Frank Martin of Boise and Asher B. Wilson of Twin Falls.

Williams, who today announced his candidacy for the nomination for congressman from the Second district, is a native of Idaho. He served for several years as assistant revenue collector for Idaho under President Wilson's administration. Eleven other Democrats aspire to the same position, he says.

Bush definitely announced today he will seek the Second district congressional nomination in the Democratic primary. He took out petition blanks some weeks ago without indicating for which office they were to be circulated.

**FERA Auditor Okhs Idaho Administration**

BOISE, June 27 (AP)—Louis T. Neff of Denver, FERA regional director for Idaho, Colorado, Montana, New Mexico, Wyoming, and Utah, who conferred with Governor C. B. Smith today, said tonight a decision probably will be reached soon on appointment of a state FERA auditor.

A vacancy in the office was created by the resignation last week of E. P. Mullins.

Neff will leave tomorrow for Cheyenne, Wyo. He came here from Helena, Mont.

"Everything's going along all right," he said after conferring with local and state officials.

**ACQUITTED FRAUD SUSPECT LEAVES JAIL AT BOISE**

BOISE, June 27 (AP)—Arthur Bruce, recently acquitted of charges of obtaining money under false pretenses, was released from the Ada county jail today after Judge C. E. Winstead in Third district court dismissed two indictments pending against Bruce for similar charges and forgery.

Bruce was tried last week and acquitted by a jury in Judge Winstead's court.

Prosecution grew out of his activities as a vendor of machinery in eastern Oregon and southwestern Idaho.

## CLARK QUILTS POSITION TO ENGAGE IN CAMPAIGN

BOISE, June 27 (AP)—D. Worth Clark of Pocatello, assistant attorney general for nearly a year and a half, submitted his resignation today to Bert H. Miller, attorney general. Clark's action, he said, was motivated by a desire to devote all of his time to his campaign for the Democratic nomination for Second district congressman.

His resignation, office will set about July 1 after which he will set up a campaign office in Boise.

"The attorney general" was in Idaho Falls and could not be reached for a statement as to who will be appointed to fill the vacancy.

Clark's resignation statement read: "I am resigning from the attorney general's office in Idaho, this day, June 27, 1934, to devote my time to my campaign for congress. I cannot do justice to my official duties while conducting the campaign."

"As platform is simple, I shall support Roosevelt in his recovery program, but I shall always vote as the interests of Idaho demand."

## NEW JURY CHOSEN FOR MANSLAUGHTER TRIAL

Jackson and Roy Fletcher of Boise and Retha Clark, creator of Ruhl, on manslaughter charges in connection with the death of Miss Joy Elliott, two years ago was completed late today in Third district court here.

Homer Martin, Ada county attorney, said testimony begins tomorrow.

After a strenuous argument during the morning, by counsel, Judge C. E. Scofield agreed to the prosecution's request to permit endorsement on the Ada county grand jury indictment of the names of Walter D. Smith, recently sentenced to the state prison for burglary, and Bernice Smith, both of Boise, whose testimony will be used by the state.

Miss Elliott was killed by a hit-and-run automobile, allegedly occupied by the defendants, about two years ago.

The two men and the woman were tried recently but the jury was discharged after failing to reach an agreement.

**Johnson Calls For Labor Concessions**

WASHINGTON, June 27 (AP)—A determined assertion by Hugh S. Johnson that the shut down Harrison hoistery must make labor concessions to regain a Blue Eagle label, put the question of the government's next step legal prosecution up to Attorney General Cummings.

"The prosecution part of the case is in the hands of the department of justice," Johnson said. "I don't know what the justice department is going to do. It's a little bit embarrassing."

## STAMPS In The News

Stamps are to do their part in helping raise funds to erect a monument in honor of Peter Looppod.

Looppod—Benjamin—Flemish composer—There are two of them, the Belgian Congo colony.

The Belgian stamp, showing Benoit's portrait, framed within a harp and having the date of his birth, 1834, and 1901, when he died, carries a 25-centime surtax to go toward the monument fund in addition to the regular postage rate of 15 centimes.

Beside the nine Italian commemorative stamps for the world championship football game, it offers for Italian colonies have come out. Five of them are for regular postage and six for airmail, with football scenes.

The date for the first day sale of the Wisconsin territorial stamp has been fixed for July 7 at Green Bay, Wis.

Because the U. S. airmail rate has been reduced from 8 to 6 cents an ounce, a 6-cent orange stamp has been announced. Its design is the

same as the 8-cent, and it will be ready around July 1.

Sale of the National Parks issue will start July 18 with the 1-cent green at Yosemite park, California, and at the Philatelic agency in Washington.

Nyasaland, a British protectorate in South Africa, has a new set of stamps, ranging from 1 penny to 10 pence. Pictured thereon is a small portrait of King George and a leopard. A 1-shilling is to be added later.

The next issue of the standard catalog, from the information so far available, apparently will show the greatest number of changes in listings of any previous issue. Changes in the gold content of the dollar are playing a big part in this revision, as are the increased prices paid for rarities and stamp classics at some of the recent auctions.

BURLEY, June 27—In session Tuesday at a board of equalization of the 1934 real property tax roll, the county commissioners granted exemptions from the widow's and soldiers' tax exemptions for not to exceed \$1000 valuation each, and recessed until Monday, July 9, when first appearances of widows for exemptions will be made and the board will continue with the equalization of 1934 assessments.

# Here's Why—

# VELTEX GASOLINE IS WHITE!

Primarily, there are three possible reasons for adding coloring matter to gasoline:

- 1—as a means of brand identification.
- 2—to cover up, and hide impurities.
- 3—Some gasolines are colored by adding a compound to make up for a deficiency in anti-knock quality.

Fundamentally, a pure gasoline will vaporize and explode most quickly and completely if it is absolutely pure, and free from all foreign matter.

We would prefer to let you identify VELTEX by the sign on the pump—and at the station—rather than by adding a dye to the gasoline itself. As for hiding impurities—THERE ARE NONE! Veltex Gasoline is extra refined. It's clear, clean and pure!

## As for Anti-knock Quality

VELTEX is a perfect motor fuel, without any compounds added. There are no deficiencies to be overcome. FINALLY—there is no reason to color VELTEX Gasoline. It delivers a full measure of power, mileage and performance to your car. No gasoline can do more.

# VELTEX MOTOR OIL

—Is a Bargain!

It's an EASTERN Paraffin Base oil that will give you safe, economical lubrication. It's an expensive TYPE of oil, selling at a MODERATE PRICE.

No trouble or expense is spared to get the finest ingredients obtainable for Overland Beer. Naturally, these advantages are reflected in the fine flavor of Overland. It's an Idaho product that Idaho may well be proud of. Try a bottle.

**To Old Timers**

You folks who have lived in Idaho for a long time will remember the Overland Beer of twenty years and more ago. It was a mighty good beer then. It's a mighty good beer now.

ST. LOUIS, June 28.—The New York Giants tangled with another of those terrible Dean boys today and when the smoke cleared, "Ave" St. Louis, Cardinals, had won the ball game 8 to 7.

St. Louis Cardinals had won the ball game 8 to 7 for an even split in the four game series and Dizzy Dean, "Ave" St. Louis, Cardinals, had won his 12th victory of the year.

Dean was out of the game when young Bill DeLaney, St. Louis catcher, smote a home run in the last half of the ninth inning, but as Jim Mooney had pitched only to one batter in the ninth, when the Giants tied the score, Dean gets the credit for the victory.

It made two wins in one day for the famous half-of-the-pitcher, Dean, for he received another hit before the game that he had been awarded credit for Saturday's victory over the Brooklyn Dodgers, originally listed as a victory for Bill Hallahan.

GUY BUSH, showing his new grip for delivery of his famous "screw ball," returned to the mound yesterday after recovering from a shoulder injury. NEW YORK, June 27.—(AP) A home run by Ben Chapman in the eleventh inning with no one on base and two and a third innings of fine relief—pitching—by Johnny Murphy today gave the New York Yankees an 8-to-7 victory over the Chicago White Sox to strengthen their hold on first place in the American league.

The victory was their fifth straight fourth over Chicago and saved them a half game margin over the idle Detroit Tigers.

Vernon "Lefty" Gomez, the Yankees' ace lefthander, started the game seeking his 10th umpire's triumph of the season but he retired in the ninth inning with the thing run on second base.

## U. S. Collegians Trounce Invading Tennis Contingent

PHILADELPHIA, June 27.—(AP) The national intercollegiate tennis warfare developed into an all American battle today as six seeded Americans and two other net-aces marched into the quarter finals, but the ranking foreign contingent from the championships.

With Jack Tidball, defending champion from the University of California at Los Angeles, leading the way in a straight set 6-4, 6-4 triumph over Gene Smith, University of California at Berkeley, four of the other seeded Americans had little difficulty in downing their rivals of the day.

Only Bill Reese, fifth seeded, from Georgia Tech, dropped a set, but his win over Laird Waitt, the Canadian Davis cup player, by a score of 6-2, 3-6, 6-0, was considered the reverse of a set-back.

## Freddie Steele And Sammy Slaughter To Be Re-matched

SAN FRANCISCO, June 27.—(AP) Freddie Steele, Tacoma middleweight, and Sammy Slaughter, Terre Haute Negro, whose scheduled ten round bout, here, last Friday was halted in the first round and declared "no contest," will be given a chance to redeem themselves, by a boxing commission, here.

Overnight — Goodyear's "G-3" became the fastest-selling tire in the world!

HERE'S the tire everyone is talking about!

It took Goodyear over 24 months to perfect it—but it took only 24 hours for it to become a nationwide sensation.

"G-3" is its name. Just the factory symbol for the tread that stood out in every test—kept its grip 43% longer than former All-Weathers—twice as long as other tires tested against it.

What a tire! Its tread is wider—flatter—has more rubber in it—more grip because there are 16% more non-skid blocks in the center of the tread. And beneath this huskier, hand-somer, tougher tread is the only ply material able to stand the strain—Goodyear Supertwist!

Why should you get less safety for your money—when the "G-3" All-Weather costs no more!

Sure, we have a **GUARANTEE**—a guarantee against road hazards—a lifetime guarantee against defects of material and workmanship. With the quality of Goodyear Tires where it is today—you can be sure of satisfaction. Come in and see us about it.

## COLLISION PITCHES MAN AGAINST CURB

J. H. Wilson, O. S. L. Clerk,  
Injured in Crash With  
U. P. Bus

Pitched out of a car when it collided with a Union Pacific motor bus at a street intersection here last evening, Joseph H. Wilson, 37, Oregon Short Line bill clerk, was thrown against the curb and received serious head injuries. Attending physicians at the county hospital said last night there were indications of skull fracture that could not be determined except by an X-ray examination that they would not attempt before morning. Wilson was conscious while surgeons stitched a deep scalp wound but became delirious later.

Wilson was riding with his son, James, 16, and John Nye of Twin Falls, to Harmon field where he and Nye were to have played baseball this evening as members of the team club in a soft ball league. All three were on the front seat. Nye driving. The other two were not injured. Impact tore both rear wheels off the car. Persons aboard the bus which carried 24 passengers, told R. P. Parry, local Union Pacific attorney, that the car was speeding when it entered the intersection in front and to the left of the bus, and that the driver apparently attempted to dodge around in front of the bus.

**Kennel's Bus Driver**  
The statements Parry said, tended to exonerate the bus driver, Steve Scribner of Boise. The collision occurred at the intersection of Second avenue and Third street east shortly after 6:30 o'clock last evening.

A former resident of Shoshone, Idaho, Wilson came to Twin Falls about two and one-half years ago from Boise where he had been employed by the Oregon Short Line about 10 years.
