

NEW DEAL TERMED DEFEATIST POLICY

Iowa Senator Tells Young
Republicans Youth De-
mands New Way

DES MOINES, Iowa, Nov. 11 (AP)—Senator L. J. Dickinson, of Iowa, told a national meeting of Young Republicans leaders here Saturday that youth cannot be deceived by and will not be won over to see the "defeatist" philosophy of the Roosevelt administration.

The Iowa senator, persistent critic of the present national administration, branded the new deal creed as one born from "futility and defeatism," a "defeatist course which can only lead to national disaster."

About 150 delegates registered at the session on under way in the afternoon. They represented states in all sections of the country. Officials of the organization's headquarters said four more delegations were on their way and that even other state organizations sent "best wishes."

The regular session recessed after the address while the Young Republican national executive committee met to plan the program for the remainder of the three-day meeting and to dispose of business matters.

George Olmstead, national Young Republican chairman, in a keynote speech, placed on the shoulders of Young Republicans responsibility of changing the trend of what he said was a growing "youth movement" a "common ground upon which Young Republicans—young men and young in spirit—can unite."

"This new way—the American way—would avoid the bureaucratic or political tyranny of the new deal on the left and the economic tyranny of the old order on the right," he said.

MISSIONARY SPEAKS FROM BURLEY PULPIT

BURLEY, Nov. 11.—Mrs. Walter Nenzies of Penna. India, a missionary, filled the pulpit at the Burley Christian church, Sunday morning.

Mrs. Nenzies has, for about a quarter of a century been in the missionary field in India and her visit to the United States is only a temporary stay as she expects to return to India in about a month.

In speaking of conditions in India, Mrs. Nenzies said rapid strides are being made in converting the natives to Christianity. "The natives and many are eager for education which is on the upward trend. Much suffering is still going on regarding caste in India, she added, it being difficult for the people to overcome hereditary influences regarding caste, and frequently people of lower caste will be seen outside buildings where religious services are held in an effort to "hear the word and become enlightened, but not being permitted to enter and associate with the higher caste."

YOUNG COUPLE WEDES AT BURLEY CEREMONY

BURLEY, Nov. 11.—Lucile Waite and Gerald D. Single were united in marriage—Monday—morning—at 9 o'clock at the home of the bride with only relatives and intimate friends witnessing the ceremony. Bishop Ralph Underwood of the First World L. D. S. church officiated.

The bride was given in the first shade crepe gown and the couple were attended by Mr. and Mrs. Leonard Bennett of Burley. Following the ceremony a wedding breakfast was served.

Mrs. Single is the daughter of Mrs. Rebecca Nelson of Burley and for some time past has been employed in the King Variety store here.

Mr. Single is the son of Mr. and Mrs. B. E. Single of Carmen, Oklahoma.

He has been a resident of Burley for the past few years and is engaged in the clothing business here where the couple will make their home on South Conant avenue.

FORMER BURLEY-MAN SUMMONED IN IOWA

BURLEY, Nov. 11.—Bilas Kearnan, 82, father of W. S. Kearnan, died at his home in Council Bluffs, Iowa, Nov. 10, according to word received by Mr. Kearnan here. For several years he made his home in Burley, returning to Iowa about two years ago.

Funeral services were held in Council Bluffs and the body was taken to Tabor, Iowa, where interment was made.

Mr. Kearnan was a well-known resident of Burley for many years.

He was a member of the First Methodist church here.

He was a well-known resident of Burley for many years.

Streamlining Sweeps To New Extreme In Auto Show's Long, Low '36 Models

SWIFT, low-hung new models with flowing streamline stand in shiny elegance on the floor at the National Automobile Show in New York—the latest 1936 motorcar facilities. Above are shown a graceful convertible coupe, a modern hood ornament and the front of a trim sedan.

BY CHARLES NORMAN
NEW YORK, Nov. 9.—The National Automobile Show, that opened here recently was the signal for the countrywide showing of the latest in car—sleek, shiny and swift convertibles in which beauty has joined with comfort to give Mr. and Mrs. America a new thrill in transport.

The model of 1936, with innovations in automobile construction and technique, are being launched for public view at a date which itself represents a departure from tradition.

Previous shows have been held in January—now—purchase, they are made for immediate delivery instead of for spring delivery. It is believed future shows will be scheduled even earlier.

Early Models Chiefly Open
Making this possible is the evolution the American automobile has undergone in the 30 years it has been presented to the public.

The first cars were about one percent closed, with 99 per cent of them open. Now the order is reversed, making possible late fall

and winter driving in comfort. The new cars are "bigger and better." They are hung lower, with the new type of windshield. Improved ventilation and heating systems, greater acceleration to give more "kick" to the interior rooming, allowing more head and leg room.

In nearly every case the chassis is longer, sleeker, trimmer. Streamlining, decidedly marked, has been a trend in the past years. Experts assert streamlining not only adds to the car's appearance but also improves its performance. The new cars have been designed to give more "kick" to the interior rooming, allowing more head and leg room.

Trucks Streamlined, Too
Even trucks and trailers this year are streamlined. The new cars have been designed to give more "kick" to the interior rooming, allowing more head and leg room.

ment was made beside the grave of his wife who preceded him in death 12 years ago.

STOCKHOLM (AP)—Dandine, emigration is taken in government circles as a sign of growing Swedish prosperity. One of the emigrants in August and the last in 1935 only 170 emigrated.

TEACHERS FEEL "RECOVERY"
TOPEKA, Kan. (AP)—Kansas teachers' salaries are up 10 per cent. Straight increases of 10 per cent in salaries have been ordered at Wichita, Lawrence, Kansas City and Manhattan. Atchison, Parsons and Winfield teachers are given 5 per cent increases.

Used Cars
YOU CAN TRUST

Ford Dealers are reputable business men. Their standards of ethics apply to Used Cars as well as new cars.

HEYBURN BOY-TAKES STATE CHAMPIONSHIP

HEYBURN, Nov. 11.—Albert Bode, fourth year member of the West End Progressive Livestock club, led by Edwin Ames of Heyburn, has been scored winner of the 1935 state award in the Thomas E. Wilson most animal project contest. Albert won a \$50 gold watch and the chance to compete with other champions in the western states for a free trip to the Fourteenth National Livestock exposition to be held in Chicago November 20 to December 1.

This award comes as the climax to Bode's four years of active participation in 4-H club work. During 1935 he carried a purebred Jersey dairy project and a purebred beef project, selling his Hereford bull for \$155 over the auction block in the Heyburn livestock show, Jan. 1936. This year his beef project consists of two purebred Herefords, a bull and a fat steer, both animals being selected and fed for the Oregon show.

The club livestock judging team, of which Bode has been a member, has been outstanding in its competition. In 1934 the team placed third at the Blackfoot district fair, third at the Pacific International Livestock exposition in Portland, and third at the Ogdon Livestock show this winter.

In his 4-H club, Bode has served three years, including 1935, as club president, and one year as vice-president. He is president of the Heyburn high school student board and a member of the National Livestock society.

DEPRESSION'S COST
TO TRADE COMPUTED

Government Figures' Loss
to Business of 26
Billion Dollars

WASHINGTON, Nov. 11. (AP)—A staggering \$26,000,000,000 was calculated by the government today as the depression's cost to business.

The commerce department reported this sum had been taken out of savings to make up the difference between expenses and the value of goods and services produced. It noted a marked improvement in 1934 failed to prevent another loss.

Last year's production of goods and services was valued at \$48,000,000,000, a gain of \$6,777,000,000 over 1933.

This value, however, was insufficient for expenses. Business had to draw down savings to meet wage, dividend, interest and other outlays.

The two figures together represent national income "paid out of \$50,183,000,000." This is the amount usually called the "national income" and is the sum of the dollars actually distributed throughout the nation.

The following table shows that for depression years the income produced, or value of goods and services, was paid out, or dollars actually distributed, and business losses, or the amount business drew from savings to make the "paid out" total (in billions of dollars).

1930 1931 1932 1933 1934 1935
Income produced... \$48.00 \$48.00 \$48.00 \$48.00 \$48.00 \$48.00
Value of goods and services... \$48.00 \$48.00 \$48.00 \$48.00 \$48.00 \$48.00
Business losses... \$2.00 \$2.00 \$2.00 \$2.00 \$2.00 \$2.00
Total... \$50.00 \$50.00 \$50.00 \$50.00 \$50.00 \$50.00
