President Vargas Places Nation Under State of Siege

RIO DE JANEIRO, Nov. 25 (AP)—President Getulio Vargas with backing of his senate and chamber, placed the whole of Brazil in a state of siege tonight to crush a leftist uprising.

As planes, warships and troops were pressed into action to quell a bloody revolt in the north, the president, in an emergency session, approved a 60-day state of siege by a vote of 25 to 2.

A few hours earlier the chamber of deputies had approved the drastic legislation, voting 155 to 49.

Acting Under 'Shoot To Kill' Order, Posses Com Hollister Area For Slayer of Officer

Two Families Wait Word Of Fugitives After Slaying Of Idaho Officer

(By The Associated Press) TACOMA, Wash., Nov. 25.—Two families, once friends, waited fearfully tonight in homes within a hundred feet of each other for word of Douglas Van Vlack, 30, and his former wife, Mildred Hook, 22, whom he allegedly kidnaped.

The couple was reported chasing southern Idaho after a policeman, seeking to question the driver of a speeding automobile, was shot and killed.

In the home facing west were Mrs. and Mrs. Cal Van Vlack, parents of the youth; and in the other, with its back door only a few steps from the Van Vlack residence, were Mr. and Mrs. Joseph Hook.

"Anything might happen," said Mrs. Van Vlack.

"I had threatened to kill all of him and himself many times," said Joseph Hook, mystery story writer and father of the girl.

In each home the scene was virtually the same, the mother weeping and the father nervously clamping his hands in the neck home.

He had been engaged in various law enforcement activities since he was 21 years of age.

He had been with the state department of law enforcement five years and at the time of his arrest was in charge of Twin Falls county, and parts of Gooding and Osgood counties.

No Violence In the Van Vlack home there was no violence.

"But their misery failed," as members of each family said many other times in the past.

Hook said his daughter had slept with her windows locked and had been in bed for two days.

Mrs. Van Vlack declared her son had moved back away from window, in fear of a bullet in the night, lack of the lack of hours.

Douglas Van Vlack, Sought In Shooting Of Fontaine Cooper And Henry Givens, Reported Southwest Of Twin Falls

Deputy Fights for Life at Hospital

Southern Idaho's biggest manhunt which was launched after Fontaine Cooper, 34, state traffic officer, was shot and killed, and Deputy Sheriff Henry Givens, 41, of Twin Falls, was dangerously wounded when they attempted to halt a gunman in a car on the highway near Buhl early yesterday afternoon, was centered early this morning on a sage brush covered desert region between Hollister and Rogerson, southwest of Twin Falls.

Sheriff E. F. Prater, directing the spreading manhunt from here expressed the belief that the slayer was "surrounded" by possemen in the vicinity of Amersdam, almost midway between Hollister and Rogerson, 25 miles southwest of here.

Answers Description The sheriff expressed this opinion after receiving word from Rogerson and from possemen at Amersdam that the car carrying the fleeing killer had been seen in that region.

The machine, a light green Ford, 1931 model, answers the description of the one driven by Douglas Van Vlack of Tacoma, who is wanted by Washington authorities on a charge of abducting his former wife.

The woman, companion of the gunman that shot down Cooper and critically wounded Deputy Sheriff Givens is believed by officers to be Van Vlack's former mate.

Word from Rogerson was that car answering this description stopped at a service station there at 7:30 p. m., without lights, whirled to the rear of the station and inquired of the attendant regarding roads, one leading to Wall, and the other to Ardenburg, Nev. Then, without replenishing gasoline supply, they turned on a little-used road through agbrush, and were followed in the darkness about 10 miles to a point west of Hollister where the trail was lost.

Two reports later came from possemen indicating that the hunted car had been seen in the vicinity of Amersdam, five miles south of Hollister.

Started For Buhl Cooper and Givens left here about noon going toward Buhl with the intent of just returning from Boise at the sheriff's office that Washington authorities wanted Van Vlack, and describing the car.

The alarm was spread for Van Vlack when Joseph Hook of Tacoma, father of his former wife, Mildred Hook, 22, received a telegram from his daughter reporting the slaying.

Cooper and Deputy Sheriff Givens were stationed near the highway, a half mile east of Buhl, when the car answering the description of Van Vlack's car appeared at 1:45 p. m.

The officers were believed to have attempted unsuccessfully to flag it down, then gave chase and overhauled the fleeing car. Then, evidence at the spot indicated, they left their machine and approached the other.

As they stepped from their automobile they met the deadly fire of the hunted man.

Neither of the officers had drawn his own gun. Cooper fell, killed instantly with a bullet through the right eye.

Givens was shot through the neck and arm, and the gunman sped away.

FUGITIVE'S MOTHER JURGES SURRENDER

Voices Fears Slayer Suspect May Be Involved in New Violence

TACOMA, Wash., Nov. 25 (AP)—Her mother pleaded for Douglas Van Vlack, accused of abducting his former wife from a Tacoma street and sought in connection with the slaying of a Tacoma state patrolman, was lured today by his mother, Mrs. Carl Van Vlack.

"Douglas, please surrender at once to a good attorney, your troubles are small now to what they will be if you do not surrender," she said.

"I could only tell him to come home," she said.

She expressed fears he might be involved in new violence.

"If he did it once he may do it again," she said.

Both Mrs. Van Vlack and the boy's father, expressed amazement that the slayer had been so close to Tacoma.

"Douglas was always just a home boy," said the father, a brewery employe.

Mrs. Van Vlack pointed out long-range pistol dog.

"That was Douglas's dog," she said.

She reiterated her previous assertion Douglas had just had a week in his home. She said the youth had been unemployed since his wife obtained a divorce, and denied ve.

Signed Confession Solves Mystery of Missing Baby

DREXFOT, Nov. 25 (AP)—A Great Lakes mystery, for 12 years unsolved, was solved today when a baby was found.

Alphonse Vlemminck, 62, Belgian who was the child of William G. Givens in 1923 by the mistake of a hospital nurse, wearily confessed that he had thrown the infant's body in the Detroit river in the belief it was his own.

"My daughter left the baby in the hospital," Vlemminck said in a signed confession. "She told me she didn't want the baby around the house, ever. She said to me: 'Some day I will want to get married, and one day I will want to get married, and one day I will want to get married.'"

POLICE BLOCK ALL ROADS INTO BOISE

Search for Abductor - Slayer Started as Result of Tacoma Request

BOISE, Nov. 25 (AP)—Boise police were checking all auto concerns in the suburbs and activities of Douglas Van Vlack, 30, of Tacoma, Wash., wanted for the alleged abduction of his former wife, Mildred Hook, 22, also of Tacoma.

Search for Van Vlack was started in Boise today when Tacoma officers informed City of Police J. E. Harris here that a telegram had been received at Tacoma from Miss Hook, who said she had seen the man "as well as right" and "would be home as soon as possible."

A check of local telephone office records revealed that a man and a woman had sent the wire at 10:30 a. m. today. An employe of the telephone company remembered only that the "girl" was blonde.

# UNION PACIFIC TO SPEND \$10,000,000

## Railroad Company Announces Appropriation for Improvement Program

OMAHA, Neb., Nov. 25 (AP)—Union Pacific railroad officials here today announced appropriation of almost \$10,000,000 for a program of improvement for the company's lines for rail replacement and car rebuilding.

The railroad officials said they had placed orders for 10,000 tons of steel rails and fittings on an approximate cost of \$4,000,000. Appropriation of approximately \$2,000,000 also was made for replenishing stocks of miscellaneous materials and tools.

The officers, the announcement said, cover the railroad's rail replacement program of about 30 miles for the next 18 months.

Materials Purchased

Lumber and materials already have been ordered for \$1,700,000, officials said, for the rebuilding of 1910 box cars and flatcars of Union Pacific's leading freight devices in 251 box cars now being rebuilt. A total of \$1,200,000, the announcement continued, will be spent for lumber and other materials for rebuilding 500 more automobile cars and 377 other cars.

# Labor Lines Up For Winter Fight; Green Leads 30-Hour Week Drive

## By ALEXANDER R. GEORGE WASHINGTON (AP)—Labor leaders are mobilizing their forces for the winter battle on the congressional front, turning anxious eyes at the same time toward the supreme court.

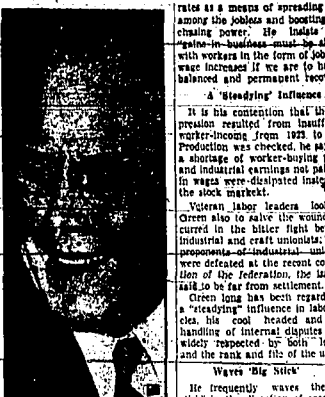

"Labor is preparing to renew the drive for a 30-hour week to protect legislative gains made at the last session of congress, particularly collective bargaining guarantees," said a press release from the C. I. O. labor bureau and the C. I. O. coal mining message.

Propaganda for Amendment

The most significant step so far is the American Federation of Labor's proposal for an amendment to the constitution which would empower congress to force a 30-hour week to protect the workers as was provided by NRA. The federation has drafted a bill and is circulating it to present such an amendment to congress.

The vigor with which union leaders are pressing for constitutional change is expected, however, to hinge largely on their success in securing passage of the coal mining bill. The NRA fashion will be passed on by the high court before it adjourns next week.

# SHOSHONE ROTARIANS HONOR ANNIVERSARY

SHOSHONE, Nov. 25—Members of the Shoshone Rotary club and their wives, celebrated the club's fifth anniversary Wednesday evening with a dinner at the Shoshone cafe. Later an entertainment was given at the Shoshone hotel.

The program was under charge of the club's past president, Dr. F. M. Barrett, A. W. Slagden, A. Nelson and C. F. Borden. Guests of honor were five new club members and their wives: Mr. and Mrs. E. L. Gross, Mr. and Mrs. P. Christensen, Mr. and Mrs. Harry Gault, Mr. and Mrs. W. E. Jackson and Mr. and Mrs. Mans Collins.

Club singing and a five-star final table—newspaper distributed by the club. Mrs. E. L. Barrett, representing the Rotary Ann's presented the entertainment.

The entertainment started with a song and dance by the "1936 Rotary Ann's" in costume. The group participating in the song and dance were Frank Gross, A. L. McLaughlin, F. Borden and Ben Barrett.

Mrs. Martha Ann Robinson presented a short play, helped by Kenneth Mitchell, Bill Jackson, Ben Barrett, and other club members.

Janet Barrett gave two songs and Molly McLaughlin of Jerome, Idaho, presented a solo.

Edwin Gross held a sparkling song-and-dance broadcast, S. T. Bear, president of the club, presided at a general banquet.

The meeting was then turned over to Mrs. Elizabeth Smith, district chairman, who gave a reading of the recent meeting at District.

## Carnera Jabs Way To Decision Over Conqueror Of Buddy Baer

### Texas Eleven May Receive Invitation To Gridiron Classic

Coach Tiny Thornhill Favors Consideration Of Southern Methodist And Texas Christian University

By PAUL ZIMMERMAN (Associated Press Sports Writer) LOS ANGELES, Nov. 25.—For the third successive season Stanford was awarded the honor today of representing the west in the twenty-first annual Rose tournament football game at Pasadena New Year's day.

Professor HUGH W. Miller, chairman of the Pacific Coast conference made the announcement shortly before noon after the votes of the ten members had been counted. "Stanford is the choice of the conference for the Rose Bowl game," said Professor Willett, but the voting was not unanimous.

While he refused to enlarge on the subject it was learned Coach Charles (Tiny) Thornhill's squad received 7 votes, one more than the necessary majority, and California 3. The selection of Stanford to uphold the traditions of the Pacific coast—a task at which they have been least successful than any other western institution—immediately brought up the question of whom the officials at Pasadena would select as their opponent.

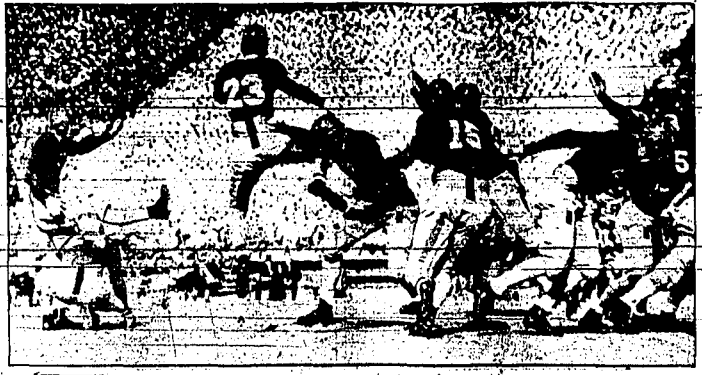

Stanford has made it plain that it prefers an undefeated team as its guest in the Rose Bowl. With Princeton and Minnesota among the undefeated teams, the two automatically divide down to New York U. Texas Christian and Southern Methodist.

Willie Gray-Play Texas "If either Southern Methodist or Princeton turns out to be the best team in the country," Coach Thornhill, "I don't see why we can't play them."

When informed his team had been selected Coach Thornhill was highly elated. "That's the best news in a long time," he said. "The boys certainly will be glad to have another crack at the Rose Bowl."

Thornhill, who had the talking in the absence of Al Smith, Stanford's manager, said he didn't have the slightest idea who would be invited. "It probably will be decided here today before we make a choice."
