

SENATOR DEPICTS HORRORS OF WAR

Pope Declares Fear in Mind of Every Man and Woman in Modern World

CALDWELL, Idaho, Oct. 3 (AP)—The "driving, itching fear in the mind of every man and woman in the world" is the "horror of war," declared United States Senator James P. Pope (D-Idaho) in a speech before the College of Idaho before a conference that opened here tonight.

Chief Justice Raymond L. Green of the Idaho supreme court will deliver the main address tomorrow and United States Senator Frank Clark will be the main speaker Sunday night.

"There was a day when war was not a sinister detour from the path of progress, it was a necessary evil without condemning it, was confined largely to soldiers and civilians in population was not attacked."

"War has become a simple, a holocaust of destruction, a Frankenstein monster that has become the greatest fear of modern civilization."

"This fear results in increasing numbers of men and women seek desperately for an escape from the signs of approaching chaos."

"In every part of the world national hatred, national greed, and race prejudice are being moved forward, like a campfire in the forest which will soon spread to the surrounding trees and destroy all."

"With respect to war, very little progress has been made. The world is still in the state of direct concern to the United States. Sooner or later we must be prepared to deal with foreign nations engaged in war and prevent ourselves from being drawn into it."

"During the period between 1928 and 1934 the United States expressed an accommodation with Germany, Italy and Japan. Whereas those countries declared themselves to the honor of the world, we were engaged in a policy of appeasement."

"The United States is not free from danger of fascism. The stimulus which will give rise to fascism is inequality of economic conditions and the resulting suffering on the part of a substantial number of our citizens. In the past three or four years the economic condition of the nation has been greatly improved in a democratic and non-violent manner."

"In the United States it is essential that economic progress as well as social and political democracy must be maintained in the United States if the country is to avoid the pitfalls into which European nations have fallen."

"Our policies must be preserved and democracy must be the key-note of our national policy."

"If we are to have peace, we must have cooperation among the nations to establish an effective world order with no national frontiers and no structural warfare in the world. This must become the ultimate idea and objective of all wise and patriotic men."

REPUBLICAN HOLDS LEAD IN 21 STATES

Digest Poll Cuts G. O. P. Margin to Less Than 3 to 2

Roosevelt cuts London's lead to less than 3 to 2 as first vote is tallied from the sectional states in the fifth report of The Literary Digest's nationwide 40,000 poll.

London is shown receiving 48,601 votes to Roosevelt's 28,234 and Lamley's 20,083, out of a total of 156,918 ballots tallied from thirty-one states.

First returns from Arizona and Oregon give a slight plurality each to London.

Utah enters the Roosevelt column with its initial batch of ballots, as does Missouri.

The early returns from Idaho, Montana and Washington indicate London leading by nearly 3 to 2 in each of the states.

Utah's Results The Literary Digest poll to the G. O. P. 1,608 to 944.

Idaho voters who indicated their preference for London indicated 1,125 who voted the Republican.

The indicated Democratic vote in the past includes 778 who voted for the Democratic and 143 who voted for the Republican candidate four years ago.

The poll gives Lemke 64 votes in Idaho, which includes 18 former Republicans and 43 former Democrats.

It lists for Norman Thomas, 11; Browder, 1; Colvin, 3; and Allen, 1. First returns from Illinois and Michigan give London better than a 2 to 1 lead and South Dakota is shown voting approximately 3 to 2 for the Republican.

Fourteen of the twenty-one states listed in the previous week's tally show London gaining slightly this week while his vote decreases percentagewise in six others and no change is recorded in one.

Roosevelt to date carries the ten states of Alabama, Arkansas, Florida, Georgia, Louisiana, Mississippi, Missouri, Oklahoma, Texas and Utah, which represent 11 electoral votes.

The state returns show London ahead in Arizona, California, Colorado, Idaho, Kansas, Michigan, Minnesota, Montana, Nebraska, New Jersey, New York, North Dakota, Ohio, Oregon, Pennsylvania, South Dakota, and Washington, which have a total of 220 votes in the electoral college.

Lemke does not have a plurality in any state from which ballots are reported. He is ahead in California and North Dakota the Union candidate gets a little less than 10 per cent of each state's vote.

Slater, Anderson And Mates Trim Highly Rated Tigers In First Game Of 1936 Football Campaign

Indians Edge Filer Wildcats, 7-to-0

IDAHO FALLS, Oct. 2 (Special)—Twin Husky young backs, "Pete" Slater and "Doc" Anderson, carried the brunt of the attack here this afternoon as Twin Falls Bruins overcame underdog power to sweep through the Idaho Falls Tigers, 13 to 0.

Slater carried the ball on every play and was a big cog in the machine as his green plaid jersey yards from scrimmage and passes to Ed Cochran led to 164 for Coach Dick Jacobson's boys.

In the first game Idaho Falls recovered a fumble on her own 30 yard line and drove to the ten yard line on an aerial attack. The touchdown for the Bruins came after a 48-yard drive that scored the first points for the Bruins in the game.

Slater in the fourth quarter Idaho Falls missed an opportunity to score, but Twin Falls took the ball, drove the length of the field, and Slater kicked the 13-point try for points final.

The game was a big Ten Conference tilt for Idaho Falls but did not count in the Bruin conference tally.

RAYBORN ACCEPTS DEBATE CHALLENGE

Nominee for State Senator Would Tangle With Democrats

E. M. Rayborn of Piler, Republican nominee for state senator and a member of the Young Democrats organization in Twin Falls county, last evening advised Republican state headquarters of his acceptance of Idaho Young Democrats' challenge to debate "any time and any place and on any subject."

"Rayborn suggested for discussion six of the issues that are of interest to the people here," and asked "such debates be held in this community sometime after the 15th of this month."

"I think I will be through with my deer hunting by that time," he said.

He suggested as subjects for debate:

1. Was the reciprocal trade agreement with Canada to the best interests of the farmers of Idaho?
2. It would be better to practice economy in government than to continue to add new taxes such as the Idaho sales tax.
3. Reduction in the tariff rates on farm commodities is not to the best interests of Idaho citizens.
4. The state pardon board has not represented the best interests of society in releasing prisoners who have had previous penitentiary records.
5. It would be more desirable to handle the public problem through competent social workers than through politicians.
6. A non-partisan fish and game commission would be to the best interest of our people.

FINAL CALL COMES TO JOHN W. HARDIN

Outstanding South Idaho Orchardist Dies at Kimberly Home

John Wesley Hardin, one of the Twin Falls district's foremost fruit growers and a resident here since 1910, died at 11:35 a. m. yesterday at the family residence a half mile east of Kimberly, following illness of two weeks duration. He was 62 years old.

A leader in his chosen field, Mr. Hardin was actively identified with the development of agriculture and fruit growing in this region for more than a quarter of a century, and he was prominent in civil and fraternal activities.

He was for a number of years manager of the Kimberly elevator, and of the Union of Oregon. He was president of Twin Falls Horticultural society. He was one of the organizers of the Payson League in this county a few years ago.

Descendant of a family of Kentucky miners, Mr. Hardin was born February 13, 1876, on a farm 12 miles from Springfield, Illinois. He grew to manhood in that region, attending school, farming, and being employed for a time as a teacher. In the spring of 1907 he left Illinois and moved to Spink county, South Dakota, where he purchased a 400-acre farm that he operated for three years before coming to Idaho in the spring of 1910.

Establishes Home

He purchased at that time the 30-acre farm east of Kimberly, which has since been the family home. Later he acquired a 40-acre

farm southwest of Twin Falls, and developed both properties as orchards. He also was one of the original owners of the Decatur orchard property north of Piler. Mr. Hardin was a member of the Twin Falls Methodist church, and was active also as a member of the TWA and Odd Fellows in Kim.

He is survived by his wife, Mrs. Edna Jacobs Hardin, whom he married in Illinois in 1904, and by their three sons, John Hollis Hardin of Twin Falls, Herbert Sidney Hardin of Mountain View, California, and Henry Wayne Hardin of Kimberly. He leaves also his mother, Mrs. Mary McConkey of Bloomington, Ill., and three brothers, W. B. Hardin of Owanago, Illinois, and Ernest Hardin of Taylorville, Illinois, and a sister, Mrs. Mary Sumner of Illinois.

Arrangements for funeral services awaited word last evening from relatives elsewhere.

The body rests at the White mortuary.

Hawley to whom she was married in Twin Falls, May 20, 1916. She asked also for custody of the children and for \$40 a month for their support.

Mrs. Estella Purser, mother of a two-year-old daughter, was granted a divorce from John Purser on grounds of alleged cruelty, neglect and misconduct. They were married at Santa Cruz, California, June 27, 1931, and had been separated since last March.

PROMINENT MERCHANT SUGGUMBS AT HAILET

HAILET, Oct. 3 — Hollis Byron Wells, 56, prominent Hailet hardware merchant, died yesterday at his home here following a lingering illness.

Funeral services will be held at the family home here Saturday afternoon at one o'clock in charge of the Masonic lodge. Rev. James O'Neil will speak and the body will be removed to Fairfield, Iowa, for services Monday. Interment will be in the Birmingham, Iowa, cemetery.

He was born in Birmingham, Iowa, July 9, 1880, and was married to Miss Rula Envars at Eldon, Iowa, June 20, 1917. He was in the hardware business in Bloomfield, Iowa, later coming to Hailet 13 years ago where he purchased the Brownell Hardware company. It has since been known as the Wells Hardware company.

He was a member of the Masonic lodge and was prominent in civic and political circles.

Only known survivor is his widow, Mrs. Rula Wells of Hailet.
